# Castle Cumalot

## Part II

Previously on „Castle Cumalot“ we saw how Destor the dark lord entered the castle by using the Orb of Lust on the unsuspecting guards, unlocking their inner desires. By turning everyone who was opposing him horny Destor was able to make his way through the castle all the way up to the Throneroom where, he was about to unleash the orb’s power on the King, his wife, Marco, and the Lady of the house Kalington. Can they resist the powers of the orb, or is a kingly orgy immanent?
