Castle Cumalot  
Part I

# Castle Cumalot

## Part I

It was the time of the grand joust and the two knights who made it to the last round were Sir James the brave – protector of the western border and Sir Gabriel the nimble – direct advisor to the king himself. These two honorable fighters now face off in the final duel of the day... **May the best knight win!**

### Featuring

Dylan...	as the blacksmith
Nicole...	as the princess
Prof Harrison...	as the king
Stella ...	as the queen
James ...	as Sir James the brave
Marco ...	as Sir James son
Lucine ...	as Countess Kalington (James' wife)
Gabriel ...	as the king's best knight and advisor
Barbara & Jessica ...	as the princess's attendants
Destor ...	as Destor the dark lord
Vadim & Trever ...	as two male guardsmen
Erika & Gina ...	as two female guardswomen

Are thou  
prepared?

Come at me,  
Sir James.

With the tournament settled and the festivities behind them soon the higher ups start talking about an engagement between the heir of house of kalington and Princess Nicole.

The princess won't like this at all. But it is for the best...

I believe you will. The western border has never been breached under your command.

A marvelous duel, Sir James.

Indeed. An engagement between my daughter and your son should strengthen the kingdom.

Thank you, my liege.

Have you thought about my proposal?

But Princess Nicole does not care for all these noble knights.

Ah, Sir Gabriel.

Good morning, your highness.

She prefers Dylan the blacksmith who is working in the courtyard... The Princess likes the way he often leers at her...

And that's about the situation in Castle Cumalot. Nobody that day could have foreseen the „horrors“ that were about to befall the castle once night came...

I hate guard duty.

Then maybe you should not have become a guard...

Oh, shut it. You know I mean the night's watch!

Nothing ever happens! No one would be insane enough to try anything here.

Not with all those honorable knights gathered here at the round table.

footsteps

Halt!  
Who goes  
there!?

And there  
you've got your  
action...

**Wait.**

I think I know  
this guy. Isn't  
that... Destor!

**Don't be ridiculous.**  
The dark lord is  
digging beyond the  
western borders for  
some artifact, right?

Well, it's nice  
to be known  
far and wide,  
I guess.

But I'm  
digging no  
more, my  
ladies.

I've found  
what I was  
looking for.

The Orb  
of Desire!

I'll skewer  
you on my  
spear!

You dare  
show up at  
our castle  
gates.

Alone?!

I will  
smite you!

Forgo all that  
dangerous  
fighting...

And reward  
yourself with  
a relaxing  
orgasm?

But wouldn't  
you much rather  
lay down your  
weapons...

You could  
do that,  
ladies.

How dare  
you speak  
to us like ...

**Hey!**  
What are  
you doing?

Wha...  
what are  
you saying.

**Magic!**  
This must  
be...

He's right.  
I don't want  
to fight.

I don't want  
to feel pain!

I'd much  
rather fell  
pleasure!

**clunk**

You are right.  
I don't want  
to fight  
either!

And rub  
one out...

All this  
armor is in  
the way...

You don't  
mind if we  
undress...

*clunk*

*clunk*

*clunk*

And so, under the moans of the guards pleasuring themselves on the ground...

Moan

moan

Destor the dark lord enters the sacred castle...

Moan

Moan

# End of Teaser!

Hello, Hexxet here,

The full comic (part 1) is ~65 pages long and introduces you to the world and characters of Castle Cumalot before Destor – the dark lord – walks in with his newest toy, the orb of desire. Castle Cumalot is a two-chapter long comic with the second part coming out one after the first. Will Destor be able to corrupt the whole castle or will the noble knights inside the castle find a way to banish this evil?
