# Transform or Command

Nicole, Amara, Vadim, and Dylan are watching some crappy TV show when Lana and Elizabeth come in and turn it off to introduce them to a new game they bought at the magic shop. It's supposed to be a variation of truth or dare called „Transform or Command“. The game starts with everyone doing an oath while touching the game thingy. Then people can ask each other „Transform or Command“ and the target has to choose... Maybe that strange light during the oaths should have given it away... but the players are kind of shocked when they find out that they actually have to follow those commands... or that they actually transform according to another player's statements!

## Featuring

Lana...	a female student, she and Liz found the game
Nicole...	a female student
Elizabeth...	a female student, she has a crush on Dylan
Amara...	a female student, Vadim's girlfriend
Dylan...	a cynic guy who crushes on Nicole and Lana
Vadim...	a very tall guy, Amara's boyfriend

We join some students in a student leisure room on campus. They are more or less watching some show on TV...

This show is lame...

So bored...

Why are we watching this again?

When two friends of theirs enter...

Oh, dear.  
They are watching  
that shit show  
again.

Heya!  
What's up,  
guys?

*Snore*

Let's hope  
this is fun  
to play.

So, guys.  
Liz and I bought  
this little game at  
the magic shop  
downtown.

Transform or Command

You'll laugh and cry

Turning off the TV is met with a little resistance even though nobody cared about watching in the first place ...

Hey!

Why turn off the TV?!

A game could be fun...

The guy at the magic shop said it will be a „unique experience“!

It's called Transform or Command - Something like Truth or Dare.

Really guys? You were not really watching anyway!

Let's play!

A man with dark hair, wearing a black t-shirt and dark jeans, is lying on a hammock. He is wearing tan boots with dark laces and green socks. He has his hands behind his head and is looking towards the camera. The hammock is suspended between two wooden posts. In the background, there is a large window with a black metal grid pattern. A speech bubble is positioned above the man's head, containing text.

A game sounds fun.  
Really, anything's  
better than that  
shit show.

Thank you,  
Dylan! That's  
the enthusiasm  
we need.  
\*chuckle\*

Oh... There  
are quite a  
few pages of  
game guide...

Let's just  
wing it!

And so our group of students start trying out that game...

Man. This must be  
some sort of AI  
voice recognition!

I, Liz, solemnly  
swear to adhere  
to the rules of  
ToC.

I, Vadim,  
solemnly swear  
to adhere to  
the rules of  
ToC.

liiiiiikk!

Lana	Nicole	Amara	Elizabeth	Vadim	Dylan
80	80	80	80	80	80
0	0	0	0	0	0

How the fuck is it doing that? Is it projected onto the wall? But from where?! And how did it get my name right?!

Lana	Nicole	Amara	Elizabeth	Vadim	Dylan
80	80	80	80	80	80
0	0	0	0	0	0

So... err... The 80... that's our starting TOC points. The zero... is called Anti-Karma.

Every time you have somebody do or change against his will your Anti-Karma increases.

Bla-bla... I don't get it... .. Okay basically the more Anti-Karma you have the cheaper it is for other people to toc you I guess.

**Command:** Kiss me passionately!

Okay... I choose  
„Transform“.

What  
now?

Now you  
grow up  
girl!
