Once upon a time, a young man found an amulet...

Window Wishing VI Costume Party Arc II

Previously on Window Wishing we saw how Erik and his girls started a costume party at home. During said party, the girls are allowed to use the wishing amulet, but only for wishes Erik approves of. We've gone through several sexy changes and it's just about to get even hotter as Erik's new neighbor, the city's mayor, joins the party, dressed as a slutty nurse. How will the wish frenzy continue? 😊

Now...

Pheew
What a day. I
deserve to relax
a bit now...

Oh! The Party!

Phew. What a day. I hope I'm not too late for my neighbor's costume party.

It's so nice for him to invite me. And I've already got this hot nurse outfit.

Ding

Dong

Heya!
I'm here for
the party. Am I
too late?

To think she's
this town's
leader... she
looks so slutty!
giggle

No Madame.
The party is still
ongoing, everybody
is awaiting you.

Cool costume, by the way. Those ears... they look so realistic!

How did you get them to look like that?

Thanks!

Come in and you'll find out.
chuckle

So... we were playing a wishing game before your arrival. You in?

Well... er... how does it work?

Of course, the other girls are more than eager to show the newcomer how the wishing amulet works 😊.

I wish I had the biggest boobs of them all!

Bigger!

Bigger!

These should do...

What do you think, Master?

Holy F!
The bitch
stole my wish!

But since she
used the wish
last hers are
much bigger!

These
boobies
should do
for now.

You wanna
have the
next wish?

Here,
catch!

Alright...
I wish for
bigger boobs,
I guess?

O.M.G.!!
I'm stacked!

Woah!

After that, it does not take long for an orgy to unfold... Here are two pix of Cheryl during said orgy.

Does it feel good as I grind my whole body along your shaft?

Cheryl, the fairy, uses all of her body to make up for her new height shortage 😊.

rub
rub

rub
rub

grind

Cheryl has become quite the handful to please. 😊

moan

lick
lick
lick

All hail the fairy king!

All hail the fairy king!

Wow!

All hail the fairy king!

All hail the fairy king!

During their party, Erik discovers a fetish for elves and fairy girls. And with some more wishing the whole town becomes his new kingdom.

Fairy!

Uh, that tingles!

Woah!
Everything seems so big all of a sudden!

Elf!

Cool!
Guess I'm a
dark elf now.
chuckle

End of Teaser

Hello, Hexxet here.

This story starts where the last part left off, namely the bunch of girls wishing for stuff with the amulet. But it soon turns into a full out orgy before finally all girls are either turned into elves or fairies. There are two BE Sequences and some hot action with the tiny fairy girl Cheryl through the comic. 😊

The complete comic is **~100 pages + 14 pinups** long and will be available on my Patreon and Gumroad:
