Previously on „The lost Temple“:

*Kassandra, a Zermankai, entered our world through an interdimensional rift. The demon girl was about to enjoy some random chick at the sideway she had cast the Ocavum spell on, but she was interrupted by a group of unknown ether wielders.*

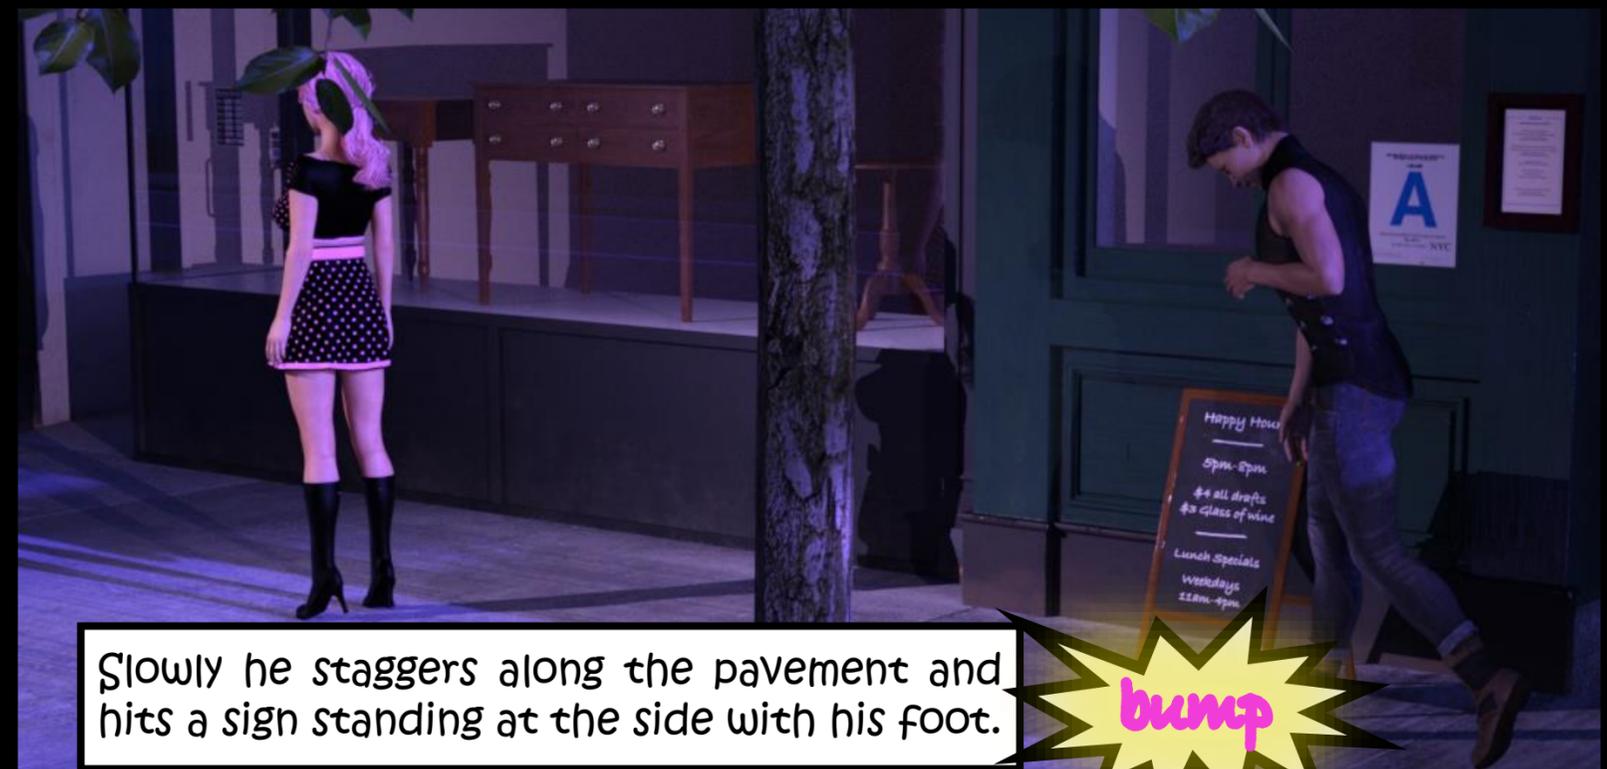

*With her tail between her legs (literally, she is a succubus after all), Kassandra fled the scene. The group of strangers contemplated the situation about the girl whose brain had been shut down but decided to leave her be, as the spell would disperse within the hour on its own. It was a safe neighborhood after all...*

It's a moonlit night and somewhere in town a man exits a pub... he is drunk... very drunk!

\*Babble\*

Slowly he staggers along the pavement and hits a sign standing at the side with his foot.

**bump**

You looking for a fight?!

Eh! You fucking piece of wood!

Don't look at me like that!

I'll kick you!

Eh! What the?!

bump

Distracted by that very rude sign our guy bumps into another obstacle he could not have seen coming!

Autschie!

Hey you!  
Apologize for  
bumping into  
me!

I'm sorry  
for bumping  
into you.

The girl was previously hit by Cassandra's Ocavum spell. But without the demon taking charge due to being interrupted, the girl now follows any command given!

Hmm...  
You're a  
cute one.

Tell you  
what. I'll  
accept your  
apology if you  
blow me.

Hey, girl!  
Cat got your  
tongue?

Tell me you'll  
suck my dick  
as an apology  
for bumping  
into me!

Then we  
are good.

I'll suck  
your dick as  
an apology for  
bumping into  
you.

That's the spirit, girl.

Follow me!

I know a nice ally close by.

I will follow you.

Hey, girl...  
Something's  
not right.

You should  
be enjoying  
this more.

Pretend  
you love  
it!

I'll pretend to  
love sucking  
your dick.

And so, our drunk guy walks off, leaving the helpless girl behind the dumpster...

Some more time passes...

Not a spec of emotion on her face as she stares blankly into the dark ally.

The girl's still kneeling behind the smelly dumpster...

But then, all of a sudden,  
her eyes begin to flutter  
and the empty stare  
leaves her face...

The color in her eyes  
returns to her previous  
blue...

And she finally  
starts to move  
on her own free  
will again...

What the...  
where...

Ürgh!  
What is this  
taste in my  
mouth?

And what's  
that smell?

sniff  
sniff

A  
dumpster?!

What am I doing here?

How did I get here?!

I better get home quickly.

I might be eighteen now, but Mom will be pissed if I stay out this long without calling.

I just hope there are no shady guys lurking around here... wherever here is!

The End.

# Thanks for reading!

Hello, Hexxet here.

This scene turned out into a very detailed blow job. It's not even 20 pages long, but with the new layout and multi-panels, this was more work than anticipated... But I'm very thrilled about the result. I think it looks pretty good and I hope you have enjoyed this bonus chapter 😊. And don't worry - the ally was pretty close, so Tiffany found her way home without further trouble!
