Castle Cumalot

Part II

Previously on „Castle Cumalot“ we saw how Destor the dark lord entered the castle by using the Orb of Lust on the unsuspecting guards, unlocking their inner desires. By turning everyone who was opposing him horny Destor was able to make his way through the castle all the way up to the Throneroom where, he was about to unleash the orb's power on the King, his wife, Marco, and the Lady of the house Kalington. Can they resist the powers of the orb, or is a kingly orgy immanent?

I need to stand
firm! If I can take
him down the king
is sure to reward
me...

Now...

Young... athletic.
I wonder what it
would be like to...

I... I need
to fuck the
Queen.

Wow.
I always envied
Sir James for his
beautiful wife.

I'm so horny... I
want to do it with
a real powerful
man...

I need to
fuck the
king!

Why don't you
embrace your
desires, good
people?

Just let loose.
Wahahaha!

Oh,
wow.

So, that's how the
royal cocksucker's

Hm... Seems a lot
of that noise is
coming from the
throne room...

What are they
discussing so late
at night?

Oh, my god!
Father! Mother!?
What are you
doing?

Ha-ha-ha!
And I'll paint
your mother
white from head
to toe, boy!

Oh, yeah!
I'll now cover
your wife's face
with my giant
load, my king!

A 3D-rendered woman with voluminous curly brown hair and bright purple eyes is lying on her back on a dark red rug with a gold and green floral pattern. She has a white, creamy substance smeared on her face and chest. A hand is visible in the foreground, holding a small, dark, round object. A speech bubble is positioned above her head.

Wow!
Thank you for
your royal
load!

A 3D-rendered woman with long, straight dark hair and bright purple eyes is lying on her back on the same patterned rug. She has the same white, creamy substance on her face and chest. A hand is visible in the foreground, holding the same small, dark, round object. A speech bubble is positioned above her head.

Thank you,
For serving
your Queen.

Wow!
Yes, share
it!

Oh, yeah!
Fill that queen
up with cum,
Mother!

You can't be serious!

You keep preaching about purity, and that faithfulness is the most important virtue in life.

And here you are committing adultery with the house of Kalington?!

Ah, welcome,
Princess
Nicole.

Don't be too harsh
on them. They finally
let a little loose and
submit to their
animal instinct.

Who the fuck are you?! What have you done to the king and queen?!

Me? I'm Destor.

The dark lord?!

The one and only!

No way...

What... why... are
you doing this to
my parents?!

Oh, don't
worry. I'm
not really
after them.

My real target,
is you, oh noble
princess.

You see, it was
prophesized that
I'd rule this
country... But
with a catch!

Your virginity is the
one and only thing
that's supposed to
stop me.

So, guess
what I'm going
to take from
you tonight!

iiiiikkkk!

I need to find Sir
James! He's been
fighting against the
dark lord at the
border for ages!

He'll know
what to do!

Vii!!

Help!

Please,
help!

Oh, thank god!
Sir James! I'm
saved!

The
princess?

Li!!

Sir James!

Please help!
It's Destor! He
is here – in the
Castle!

Has she
gone mad?

Just look!
He is right
there! He's
after me!

Princess...
There is no way
that Destor...

Impossible!

Destor!

Get
behind me
Princess!

Ah, the
terror of
the western
border.

This should
be fun. Let's
dance!

Yes, let's
fight!

You will die
today!

Oh, fighting is
such a crude
activity.

Surely even a man
of your prowess has
things he prefers
doing over fighting.

Like raping
the princess
for example!

What?... I...
never...

Errr... Sir James?

Just imagine the princess's nubile body.

Those perky young tits - there for you to grope.

And her pure nether region. Ready for the taking!

The princess... is... hot...

clunk

Sir James!
This is not
you! Snap out
of it!

Come here,
princess.

Let me
caress those
tender tits.

Oh, I've
never felt so
myself in my
whole life.

Now off with
those clothes
Princess!

.....iiik!

Do you really
think you can
outrun me?

A trained
knight?!

Princess!
I heard some
commotion!

Is everything...

...alright?!

Push

wahhhh!

vi!

Oh, Sir
James!

lick
lick
lick

He's a total
moron...

I can't believe this
guy's been holding
the border against
my legions for
years!

mean

lick
lick
lick

Groan

Sir James,
what a
man!

Moan

Moan

Best dream
ever!

Moan

Just look at those tits flopping up and down! **Wow!**

Oh, god!
Sir James! Your penis feels so big inside of me!

In the meantime, Princess Nicole has run down the castle corridor. But Destor is close behind.

Sir Gabriel!

It's Destor!

He has some type of magic orb.

It turns people into lust crazed zombies!!

Oh, Princess!
Let me ravage
that sweet
body of yours!

No!
Not you too,
Sir Gabriel.

He's the wisest
among my father's
men. If he can't
resist Destor's
magic, no one can!

Please!
Sir Gabriel!
You need to
fight this!

This is Destor's
magic speaking!

wahahaha!

No, Princess.
This is my deepest
desire. Repressed
by morals and
norms.

Now I'm
free to act
on what I
truly want!

Oh, Princess.
A little game
of tag before I
take your
virginity?

help!

I'm gonna
get you,
Princess!

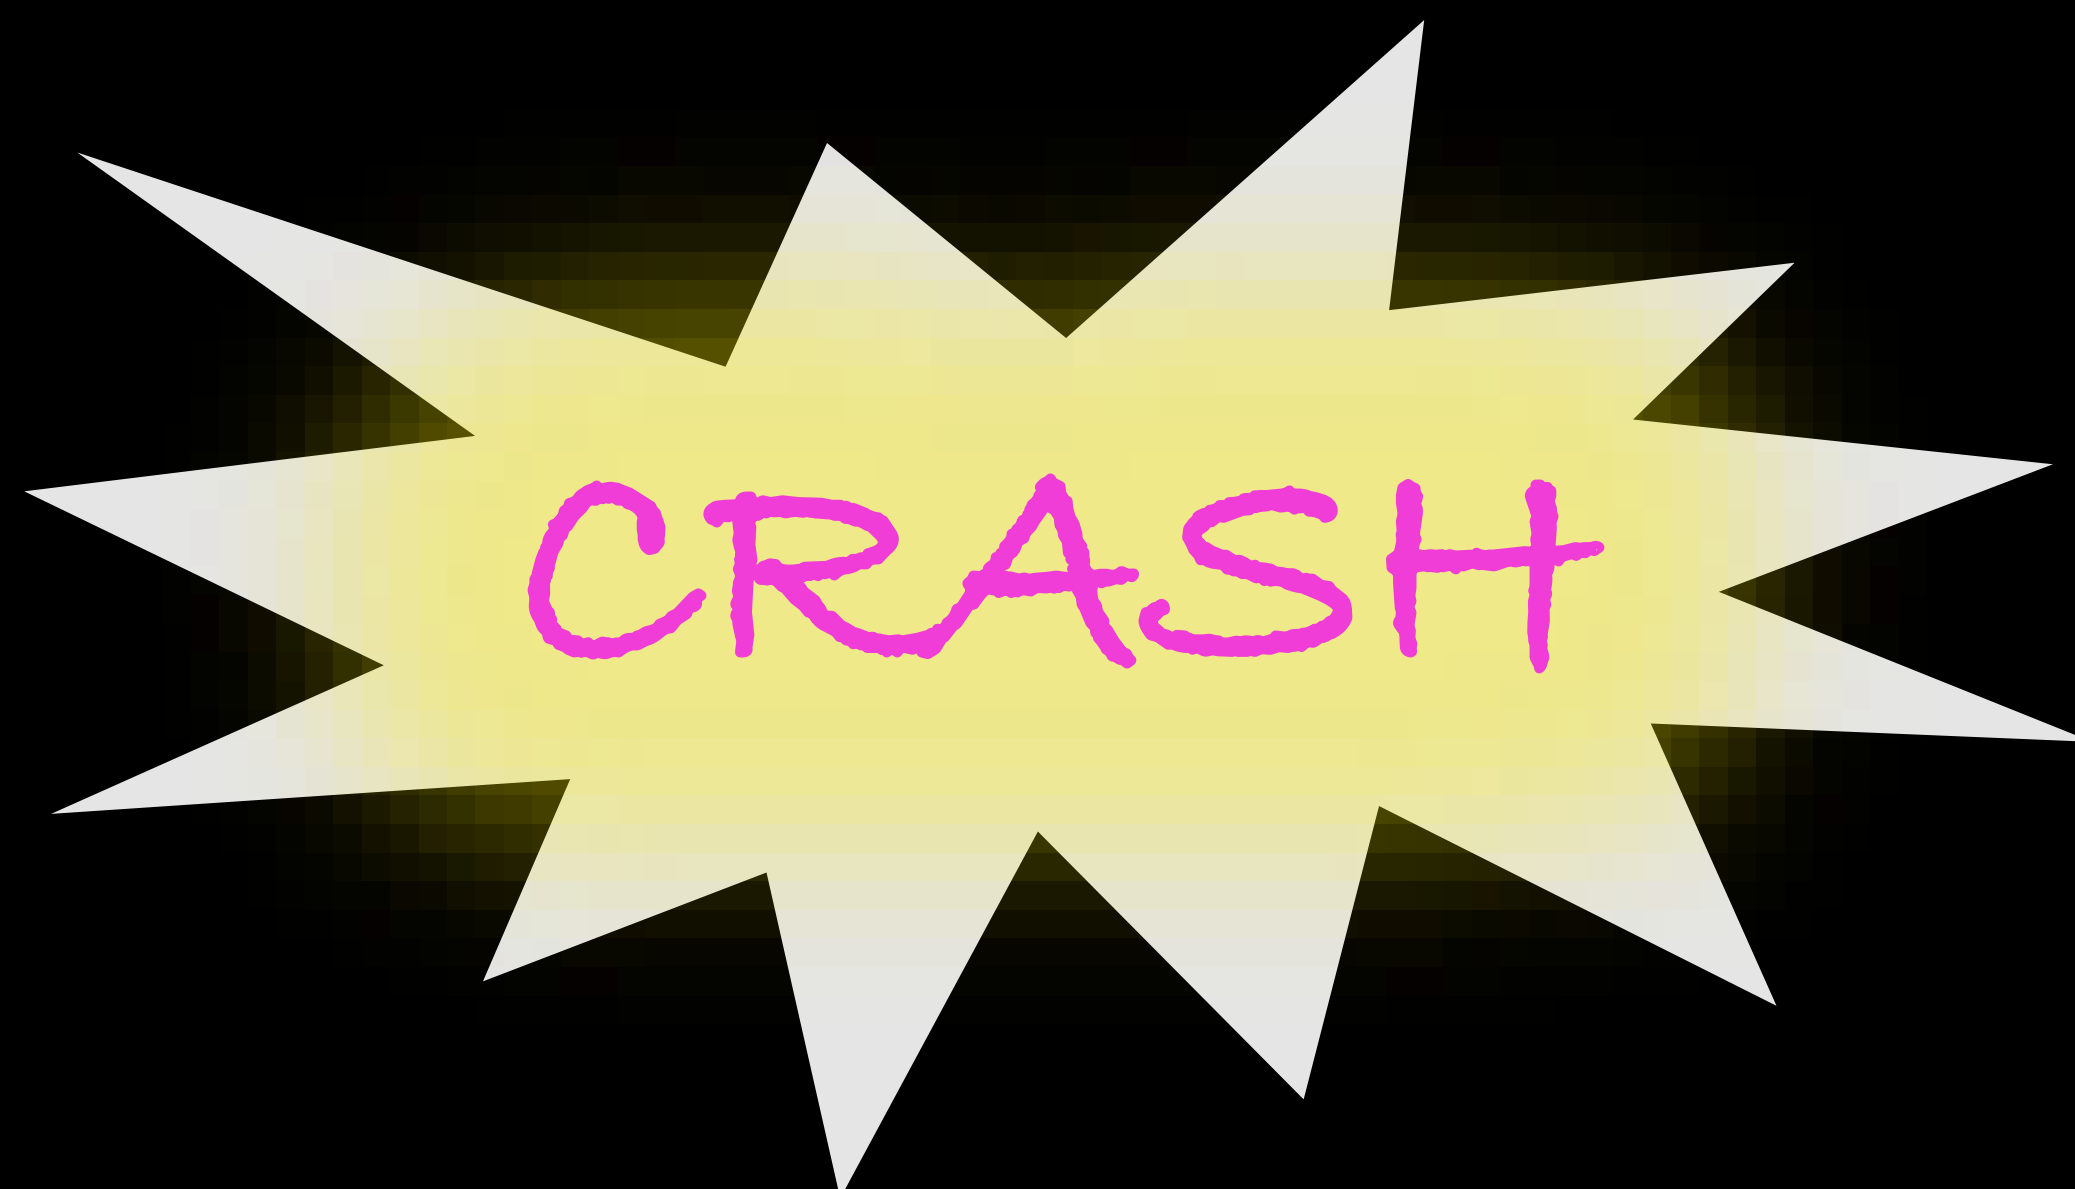

You are
slow!

It's almost
like you want
me to catch
you!

Are you looking
forward to our
union?

Oh,
Shit!

Princess?
Did I just hear
your voice?

CRASH

Oh, Sir
Gabriel!

fap

fap

I'm cumming!
Sir Gabriel, I'm
cumming on your
big penis!

With Sir James and Sir Gabriel out, Princess Nicole managed to escape the inner castle, but the eye of evil is still on her toes, and Destor can't be far. Where can she go from here?!

Vi!

Even Sir Gabriel
has fallen to
Destor's Magic!
Is the castle lost?

Maybe I can rally
an army from the
nearby counties...
But first I need
to get away.

The
princess?

Dylan?

Woah!
Princess.

You should
watch where
you are running.
Why are you
running?

You know my
name, your
highness?

Destor, the
Dark lord is
here!

He has turned
everyone crazily
lewd!

That...
sounds... bad?

chuckle
Even a blacksmith
tries to stand in
my way?

Tell me, boy,
do you deem
the princess
attractive?

Stay away
from the
Princess.

I will defend
her with my
life!

The
Princess...
is very hot.

Dylan!
Don't listen
to him!

Rather than
laying your
life down
for her.

Wouldn't you
prefer to run
your hands all
over her smooth
skin?

I'd like
that...

He's using
his magic
on you!

Wouldn't you
just love to cup
those wonderful
breasts with
your hands?

I'd love
that...

Oh, no!

Don't you
yearn to see
her naked?

To see and
feel her nether
region?

Don't you just
want to bury
your cock balls
deep in that
tight virgin cunt
of hers, boy?

There is
nothing I'd
like to do
more...

Dylan!
Please!

Not like
this!

Then do it,
boy! Take her!
Rape the
princess right
here and now!

I'll...

iiiiikkkk

What just happened?!

...never do such a thing!

slash

I don't know
how you did
that!

But if you think
you have beaten me
that easily, think
twice you filthy
peasant!!

*Ignis
Gladius!*

Behold the
powers of a
Witchmaster!

My fiery
Dragon sword
will reduce you
to ashes!

You do
realize I'm a
blacksmith,
right?

If there is one
thing, I'm not
afraid of it's
hot swords!

I can't believe
it. This... smith
resisted the
Dark Lord's
magic? How?!

...

Take
that!

Roar!

No!
Please, Mercy!

But I would
never act on
that!

Not
without her
consent!

Cause doing
such a thing...

He beat
him!

Would be
wrong!

You
did it!

You just
defeated the
Dark Lord!

You
saved me!

I'm so sorry,
Princess.

What you
just heard
me say...

I never intended to
say such lewd things
in your presence,
Princess!

It's fine,
Dylan.

Please!
Don't send
me away.

I really like
working in
the castle
and...

Dylan!

Shut
up!

Shut up
and kiss
me already!

Dylan was knighted shortly after for saving the Princess, the castle, and the whole kingdom by defeating the Dark Lord Destor. The engagement between Princess Nicole and the young heir of house Kalington was nullified as the King was not able to get that picture of Marco fucking his Queen's mouth out of his head.

Instead, pretty soon, a different wedding was held...

Do you, Sir Dylan,
take Princess
Nicole to be your
wife, to live
together in holy
matrimony...

... to love her, to honor
her, to comfort her,
and to keep her in
sickness and in health,
forsaking all others, for
as long as you both shall
live?

I do!

You may kiss
the bride
now.

I do!

The marriage was consumed that same night...

Moan

And basically every
day thereafter.

All around
the castle...

Any time of day...

Their moans could be heard all around the Castle if you just stopped to listen.

And if they did not die they are still fucking today...

Now... you might be wondering what happened to the Orb of Lust Destor brought into the castle... Dylan's sword was not able to damage it and it wasn't destroyed afterward either if you were thinking that...

Let's just say, from that day on, parties in Castle Cumalot were **LEGEND!**

That's also how the castle got its name. But obviously what happens in Castle Cumalot stays in Castle Cumalot ☺.

The End.

Thank you for reading!

Hello, Hexxet here,

I hope you enjoyed the story of Castle Cumalot. There are quite a few MC-induced sex scenes in this comic, but I think it also turned out kinda romantic, don't you think? I have to admit I really like hitching Dylan and Nicole 😊.

If you like my comics, please consider supporting me on Patreon, Gumroad or Deviant Art, by buying my work. I need your support to keep creating more Mind/Magic-Control comics! 😊
