Hey there!
This the-top
model villa?

Sure thing!
I'm a god. I may
do anything.

And you are
very happy to
see me.

Hi!
You should
be naked
though.

swap

Err... yeah?
You allowed
in here?

Oh!
Yeah, I sure
am! Hi!

I thought we were not allowed to go nude cause of the cameras and such.

But if you say so, it must be true.

There, like what you see?

Perfect!
You are a real beauty.

But the problem with you models is...

You are in the prime of your life and you keep a diet etc. etc.

And I need to determine whether you have true beauty in all kinds of life situations.

We'll come to that later. So... ever thought how you'd look if you'd fatten up?

Thought so. But I gotta know! So, let's chubby you up a little.

swap

Why?

Not really. I keep a strict diet to keep my body in shape.

How do you feel?

I don't know...

It's not a matter of like or dislike to me. But objectively speaking I'd say you chubby up in a cute way.

Do you like it?

Alright. Now let's see ho you'd look if you really overdid it with the eating.

Thanks, I guess?

SNAP

Please, do keep smiling! We don't want to distort the test results.

Well. I can see a good portion of the fat has gone to your boobs and ass.

That's excellent. Considering the circumstances, I'd say you are still in the race.

But let's return you back to normal for now.

SNAP

Hm... I don't know...

Err... ok... sure...

Thanks!
That was a bit awkward.

You are welcome!
Now, how about we test a different lifestyle?

Ever tried getting some abs and packing some muscles?

Tried it... But sport's soo boring. Did not stick to the routine...

But I'd sure like to be more athletic.

Alrighty!
Then here we go. One trained body coming up!

SWAP

Wow!
I feel so much
lighter! And
stronger.

Having
muscles is
awesome!

And the great
thing is, even
though you lost
quite some fat
reserves.

Those boobs are
still all jiggy! I
guess there'd be
quite a few people
calling you super
hot right now!

Now... wanna
experience how
even more muscles
would feel?

swap

Thanks!

Sure!

A woman with long brown hair, wearing a blue bikini, is posing by a swimming pool. She is smiling and has her right arm raised behind her head. The background shows the blue water of the pool and a concrete deck. Several white speech bubbles with black outlines are overlaid on the image, containing text. A yellow starburst graphic is also present in the bottom left corner.

Holy cow!
Is that really me?
I can't believe it!

Oh, you are a great subject so far. What was your name?

I'm Erika.

It's a pleasure to meet you Erika.

Now, Erika, would you like to experience getting even stronger? Just for the fun of it? You've passed this lifestyle's test already with flying colors.

Hm... We can go back afterward, right? So, yeah. I'm game. Hit me with those muscles!

snap

There we go!

The fuck?

chuckle
Sorry, dear. But to increase your strength further I had to turn you into an android. How do you like that hard body of yours?

Meh. I think my left knee needs some oiling and I feel kinda uncomfortable standing this close to the pool...

Sure!
It was meant as a joke anyway.

Can we undo it again?

SNAP

And there we go. All back to normal.

No, sorry. Testing's not done yet.

Ever thought of embracing a bimbo lifestyle?

My question was more focused on the looks. Including plastic surgery and such.

Well, no problem. No chopping needed with my magic.

snap

I... actually meant to go back to my athletic form. Can we do that?

Like all dumb and giggly?

Nah!
I don't like getting chopped up!

Okay... wow.
I don't really want
to admit it... but
I guess I do look
hot like this.

Thanks!
I'd have to agree,
I make a great
plastic surgeon!

You said
something about
dumb and giggly
didn't ya?

Ahhh, for
the fun of
it girl.

swap

Oh, no no.
That really is
not necessary.

Hi there!
Any intellectual
thoughts still
remaining in that
pretty little head
of yours?

Ah, whatever.
You were no
rocket scientist
to begin with.

SNAP

giggle
Like hi,
Mister god!

In... Intel...
like what,
Sir?

Uff!
That felt very strange. My head was... like totally fluffy and such!

I can't really describe this feeling of stupidity!

Scary!

Like getting a tan? I was just working on that!

Ah. A normal reaction to having everything removed you ever learned at school.

What do you think of dark skin?

Not quite.
How about turning you into a girl of color?

SNAP

Gotta admit,
you look good as
a sister, girl!

Nah, it's fine.
Really like what
I see there,
Erika.

Almost!
Just a few
variations left to
test... nerd. Skinny.
Bad eyes sight.
Ginger...

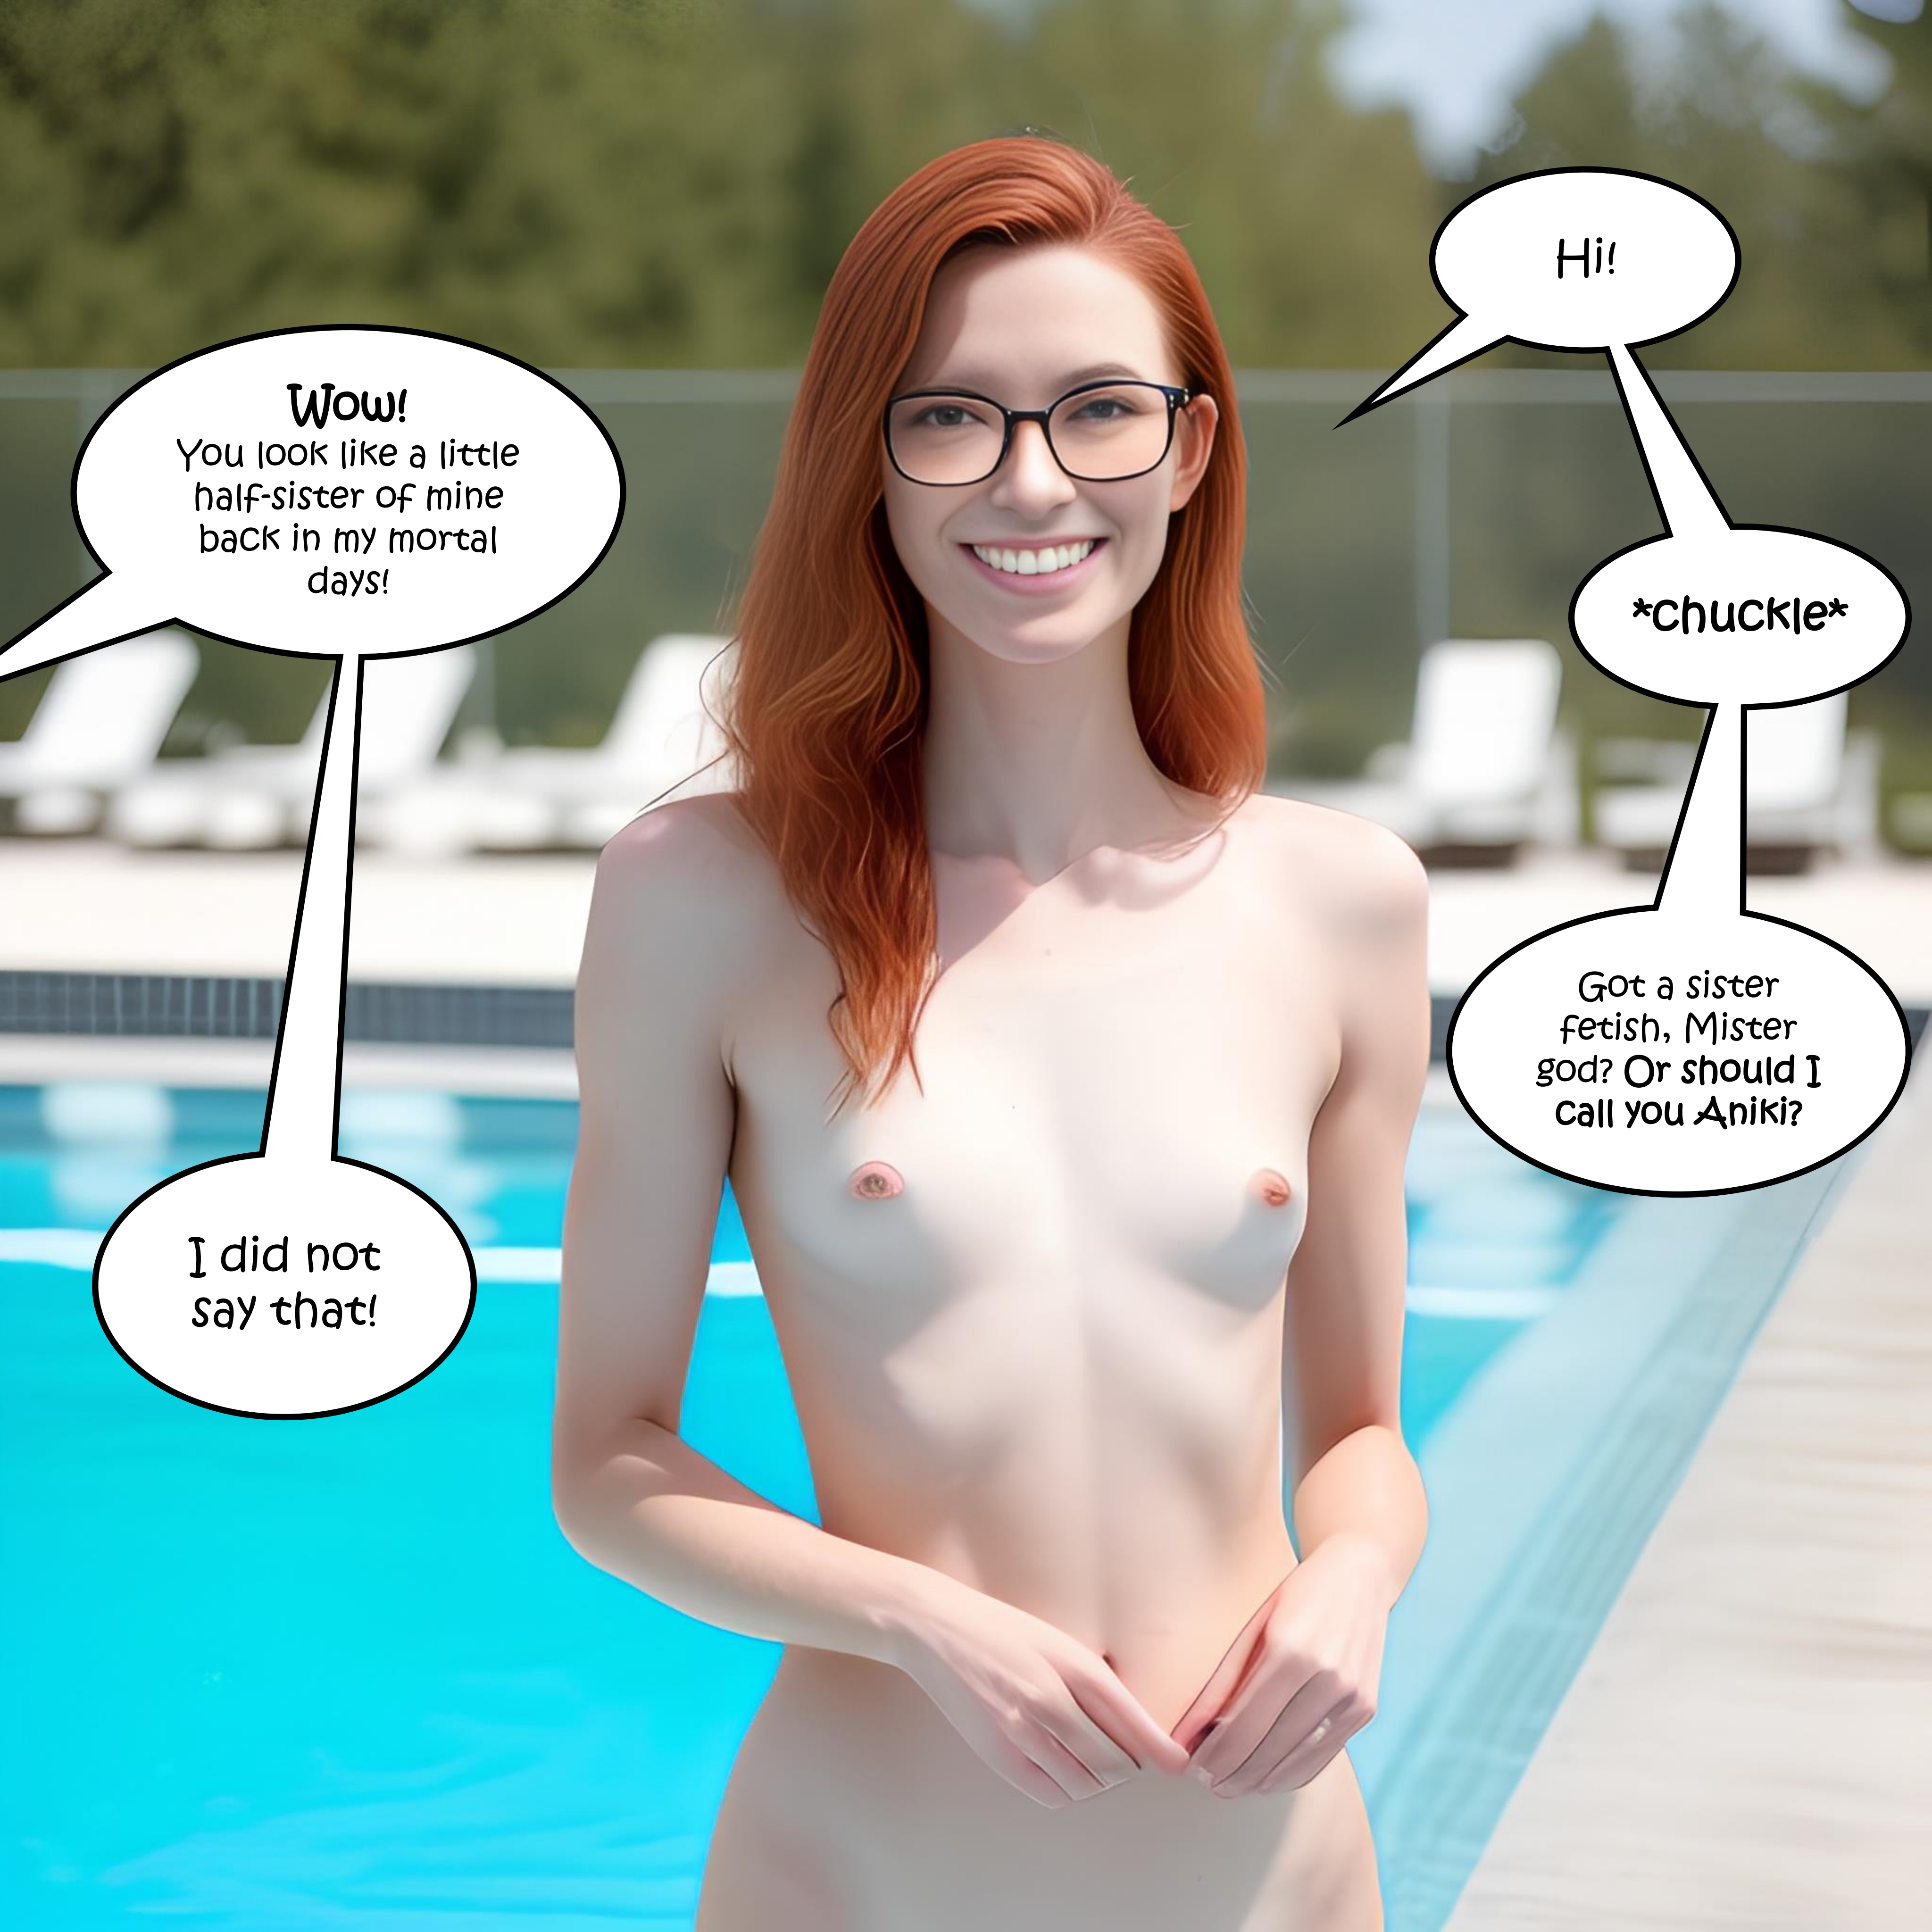

Well, I guess we
can speed up the
process and
combine those...

swap

I don't really mind you
changing my
ethnicity... but please
tell me we don't have
to test through every
single country...

Alright!
So... we
done?

Seriously?!

Wow!
You look like a little
half-sister of mine
back in my mortal
days!

I did not
say that!

Hi!

chuckle

Got a sister
fetish, Mister
god? Or should I
call you Aniki?

So, if I leaned back and spread my legs like this it would not give you any ideas, big brother?

Enough!
Back to normal,
we go!

snap

Party pooper!

So, did I pass your test or what?

Awesome!

So... do I get a wish now? Or can I now choose to keep any of the previous transformations?

With flying colors actually!
I'm thrilled!

Errr... no.
Afraid not.
You see this is not about you.

This is about saving the world!

The world needs a hero.

And demi-god should do the trick...

Err... partially true!

swap

So... I get to fuck a god? And I will be the mother to a hero?!

The fuck?

Well, the world can't wait that long for its hero.

And eight months pregnant leaves you with one month of forming a motherly inner bond. All good, right?

Look, mortal girl. If I want sex I'll find myself a goddess.

I'll be off now. Oh, by the way: You can stop smiling. **Bye!**

You can't be serious! I go through all this testing and now I don't even get to fuck you?

Hello, Hexxet here,

Devine Encounter was a story to test out the various transformations I can do with pornpen.ai but I think the story turned out quite funny and it would be a shame to lose it. So, that's why I remade it with a new girl being changed. I think she turned out lovely 😊.

More PAls and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAls you probably want to visit the shops, not the Patreon). Some free PAls can be found on my homepage.
