Oh, yeah! It's
a wonderful
day!

I love that
feeling of the
sun on my
skin.

Also, really
great party!

You've got a
really nice
place.

Huh?
What do you mean: "You think about changing the dress code?"

You can't do that!

You can't
change the
dress code!

I don't have
any clothes
with me!

PheW
You were
joking. Good!

I'm a bit small up top?

Jenny has G-Cup-sized tits
she's very proud of.

Executing command...

Rude!

A woman with long dark hair, wearing a necklace and earrings, stands in a park-like setting. She is unclothed, showing her large breasts. To her left, there are four speech bubbles containing text. The background shows trees and a building.

Rude!

I highly doubt
you'll find any girl
at this party with
bigger boobs than
mine!

WHAT?!

No! Ewww!
I will certainly
not fuck you!

Duh
Yes, I am
naked. It's a
nudist party
after all!

That does
not mean I'm
desperate or
something!

Jenny is desperate to fuck
me.
[Enter]
Executing command...

Oh, thank
you so much
for inviting
me in!

Ever since I first
laid eyes on you, I
wanted to feel your
big dick deep inside
my throbbing pussy.

Bedroom?
Oh, yes, please!
I'd love to have
sex in your bed.

Jenny and I are in my
bedroom.
[Enter]
Executing command...

Let's move
upstairs then
and...

A woman with long, dark, wavy hair is lying on a brown, plush couch. She is nude and looking directly at the camera with a slight smile. Her hands are behind her head. A speech bubble is positioned in the upper left corner of the image.

Silly me!

We already are.
Beautiful bedroom by
the way. Now come on.
Plunge your thick rod
inside my aching cunt!

What!?
What do you
mean you'd
prefer to fuck
a blonde!

You can't say
that! If I wasn't
so desperate
right now, I'd
stand up and
leave!

giggle

You like my blonde hair? And my big tits? I'm glad! I love you as a whole!

Though...

Right now I have to admit I'm really interested in your huge dick...

Oh, Yes!
Thank you! You
feel so big inside
my tight cunt!

Don't
stop!

I fucking
need it!

Hello, Hexxet here,

This was a reboot of one of my early PAIs “Jenny at the Garden Party”. Had to remove the old one cause the graphics were made with the public pornpen mode. Now the new graphics did not turn out exactly like the old ones did. So, it’s just a party now and not a garden party anymore, but aside from that I think the new Jenny turned out great – I hope you like this new version of this PAI. 😊

More PAIs and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAIs you probably want to visit the shops, not the Patreon). Some free PAIs can be found on my homepage.
