This is Kim. We've been friends since childhood, and while I'd like there to be more... I fear she has no interest in me like that... but maybe... just maybe the little device I found yesterday can help me score some points with her!

Hey there!
You look excited!
Having a good
day?

You could say
that. I found
something good.
chuckle

Well...
maybe... But
it's good, this
time! Here!

Oh, no!
Don't tell me
you picked up
some random
trash once
again.

A remote?
Really?

Hey!
Don't point
that at me.
It's rude!

Wow!
What the...!

That feels
strange!

My...
breasts?!

No way!
Did... did you...
did that thing
just give me
breasts?!

Yup!
You like?

Holy shit!
Not here!
Come with
me!

Oh, fuck, they
jiggled all the
way here!

But I look
stacked!

I look
awesome,
don't I?

gulp
Mhm!

Wow!
These look
amazing!

Thank you!
Thank you,
thank you,
thank you!

With these, I'm
sure Brandon
will finally
notice me!

Brandon?

Press

Yup! Got a
crush on him
forever!

God! Just
look at how
big and round
and squishy
they are!

Aren't they
perfect? I bet no
man could resist
these babies.
giggle

I think you
can put that
thing away
now.

No need ...

... to
temper...

... with
perfection.

But I guess I should thank you properly.

Best present ever!

Come, let's hit the showers!

Come on in.
Don't get all shy on
me now. I promise
I won't bite.

Aha!
So, my boobs
weren't the only
thing you made
bigger!

Oh, we are going
to have lots of
fun, stud!
giggle

Hell, yes you can put it in! I'm all wet already – and I'm not talking about the shower.

Hello, Hexxet here,

This was a reboot of one of my early PAIs “Kim and the remote”. I tried to get Kim close to what she was back in the previous images... but I guess she did turn out quite different. Though I think the new Kim looks cute as well and I hope you enjoy this little reboot. I really did not like to drop this cute story. 😊

More PAIs and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAIs you probably want to visit the shops, not the Patreon). Some free PAIs can be found on my homepage.
