MC Pickup Lines

A nightclub is a place where men and women try to have fun and find one another. A suitable pickup line can help break the ice when meeting somebody new… but if you come over too cheesy it might have the opposite effect. Though if your only aim is to establish eye contact with your prey really any line should do ☺.

Featuring

Mikael…	a guy looking for a fling or two
Tiffany…	a random girl at the nightclub
Lucy…	a female barkeeper at the nightclub
Tessa …	a girl at the nightclub

Somewhere in a nightclub, a cute girl is sitting at the bar counter thinking about what drink to order.
Hm... what should I get.
Hm... whom should I get...
Well, I guess that chick looks cute.

Er...
Hi! Is this seat taken?
And yet another lame pickup line...
Did it hurt when you fell? Heaven must be missing an angel.

Woah, what's with your eyes, dude?
Did ya google it yourself?...
chuckle Are there really any girls impressed by that pickup line?

Mesmerizing, aren't they? Can't look away, can you?

Yes... mesmerizing.
Can't... look... away.
In fact, you don't want to look away.
You find me really attractive.

I... I do find you really attractive.

Brilliant.
Now wake - back to normal!

May I buy you a drink?
I... yes, you may.
But seriously. You need to work on your pickup lines. *giggle*

So, guys, what can I get you two?
Pick whatever you'd like.
I'll settle for a gin-tonic.

A little while later...
I really like talking with you.
I'm Tiffany, by the way.
Wanna hit the dance floor?
Mikael.
Sure.

I love this song!

Hey, how about we hit the bathroom for some private fun?

I asked if you'd like to follow me to the bathroom.
Sorry, the music's too loud. What did you say?
WHAT?! What kinda girl do you think I am?!

Woah.
Calm down.
Tiff.

Don't you
Tiff me!
Get lost!
I never want
to...

Calm down.
... see you again!

Ca... Calm down?

Yes, Tiff.
Calm down, Tiff.
You don't mind me calling you Tiff, do you?

I... don't mind.

In fact, you like people calling you Tiff.
And you don't mind that I asked you to follow me to the bathroom.
In fact... I never did. It's your idea.
I like being called... Tiff.
It's... my idea?

Yes. You feel incredibly horny and you really want to have sex with me.
And doing it in a public toilet is a huge turn-on for you.
You really want to get me to fuck you in there.
Doing it in a public toilet turns me on.
I really want you to do me there...

And awake!
Darn! He's so hot!
You up for a little adventure?
Sure!

Come with me.
Where are we going?
Restroom. *wink*

FUCK!
I'm so wet right now!
Shortly later in the girl's room. Mikael has not only used his powers on a security to get in here he also has the guy stand guard, so nobody enters after them.
Kiss

I love you.

Are you okay with this?

Wha... what's wrong with your eyes?!
Maybe this wasn't such a good idea...

Don't mind us. Just carry on as normal.
Carry on... as normal.
Don't... mind you...

What was that? What did you do?
I don't want fuck in front of her...

Almost done...
Oh, dear. How did I manage to get that shrimp cocktail all over my face? Clumsy me!

Looking perfect! Let's get out there and find myself a cute guy!
slurp Hm... maybe for the better. Tastes funny!

After cleaning that “shrimp cocktail” off her face Tiffany leaves the bathroom and can’t believe the pickup lines some guys come up with…

Thank you for reading!

Hello, Hexxet here,

With this story, I tried to focus more on the direct Mind Control element. While I usually enjoy writing more story-focused comics, I think this situation-themed one turned out quite nice. I hope you liked it ☺.
