MC Pickup Lines

MC Pickup Lines

A nightclub is a place where men and women try to have fun and find one another. A suitable pickup line can help break the ice when meeting somebody new... but if you come over too cheesy it might have the opposite effect. Though if your only aim is to establish eye contact with your prey really any line should do 😊.

Featuring

Mikael...

a guy looking for a fling or two

Tiffany...

a random girl at the nightclub

Lucy...

a female barkeeper at the nightclub

Tessa ...

a girl at the nightclub

Somewhere in a nightclub, a cute girl is sitting at the bar counter thinking about what drink to order.

Hm... what should I get.

Hm... whom should I get...

Well, I guess that chick looks cute.

Er...

Hi! Is this seat taken?

And yet another lame pickup line...

Did it hurt when you fell? Heaven must be missing an angel.

Woah, what's with your eyes, dude?

Did ya google it yourself?...

chuckle
Are there really any girls impressed by that pickup line?

Mesmerizing, aren't they? Can't look away, can you?

Yes...
mesmerizing.

Can't...
look... away.

In fact, you
don't want to
look away.

You find
me really
attractive.

I... I do find you really attractive.

Brilliant.
Now wake -
back to normal!

May I
buy you a
drink?

I... yes,
you may.

But seriously.
You need to
work on your
pickup lines.
giggle

Shortly later...

Do you understand?

Yes.
All my idea.

Doing it in a public bathroom is a huge turn-on for me.

Don't mind us.
Just carry on
as normal.

Carry on... as
normal.

Don't...
mind you...

Hm... Maybe I should apply a bit more eyeliner...

Oh, my god, I'm cumming!

get dressed
and forget...

Yes... I spilled a
shrimp cocktail
on my face.

End of Teaser!

Hello, Hexxet here,

Watch the beautiful girls sleepwalk all the way to the Kalingtons' house where they are transformed into super busty fertile women who engage in a long hot orgy with James and each other. Also, don't forget about any possible consequences... it's a fertility idol after all 😊.

The full comic is **~40 pages** long and entails **6 pinups**. It's for adults only and available on my Patreon for Afficionado Tier or in Gumroad-Shop:
