Sailor Sayo 2

Sayo is working at an office of lovely people who sit in meetings, answer the phone and flirt around a lot. Nobody suspects Sayo's secret identity as Sailor Sayo the magical girl who saves the world from Demons in the name of Love and Friendship. When yet another demon invades the office and turns people into mannequin-like statues at the brink of orgasm to feed on their desperation Sailor Sayo is forced to act. Will Sailor Sayo be able to stop the evil lust demon who can turn truth into lie and vice versa? Or will Sailor Sayo herself fall to the demon's powers?! Tune in on Sailor Sayo and witness the epic battle between the forces of lust and love at the office. 😊

The Office ... a place of work...
and senseless meetings...

Today's
agenda is
about bla
bla...

What have I
done with
my life...

God damn it!
I've so many
documents piling up
on my desk and she
wants to talk about
that?! Nobody cares!

If you are lucky, you find somebody at the office to flirt with...

You seem cheery today.

Me? Oh,... err.. Yes. I..

That's nice. Having a good start into the day is really important!

I... had a good morning.

O.M.G.!!
Is he asking me out? Please ask me out!

No. I'm free tonight.

Do you have something planned for the evening?

So... erm. Sayo. I... wanted to ask...

But all of these daily routines are about to be disturbed...

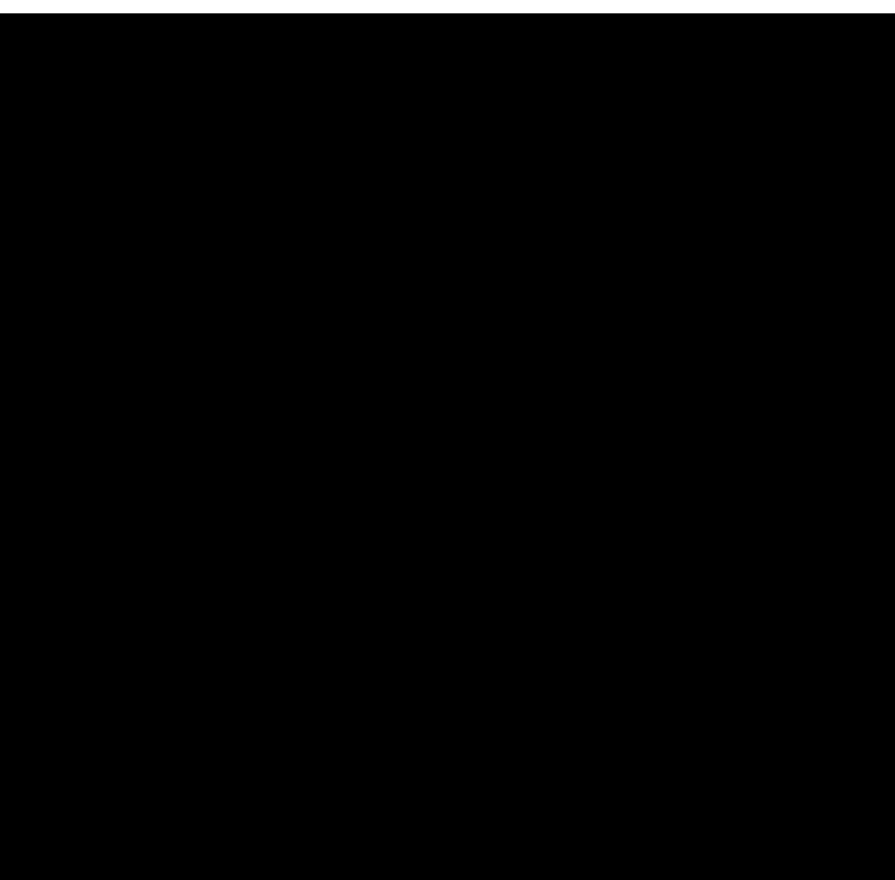

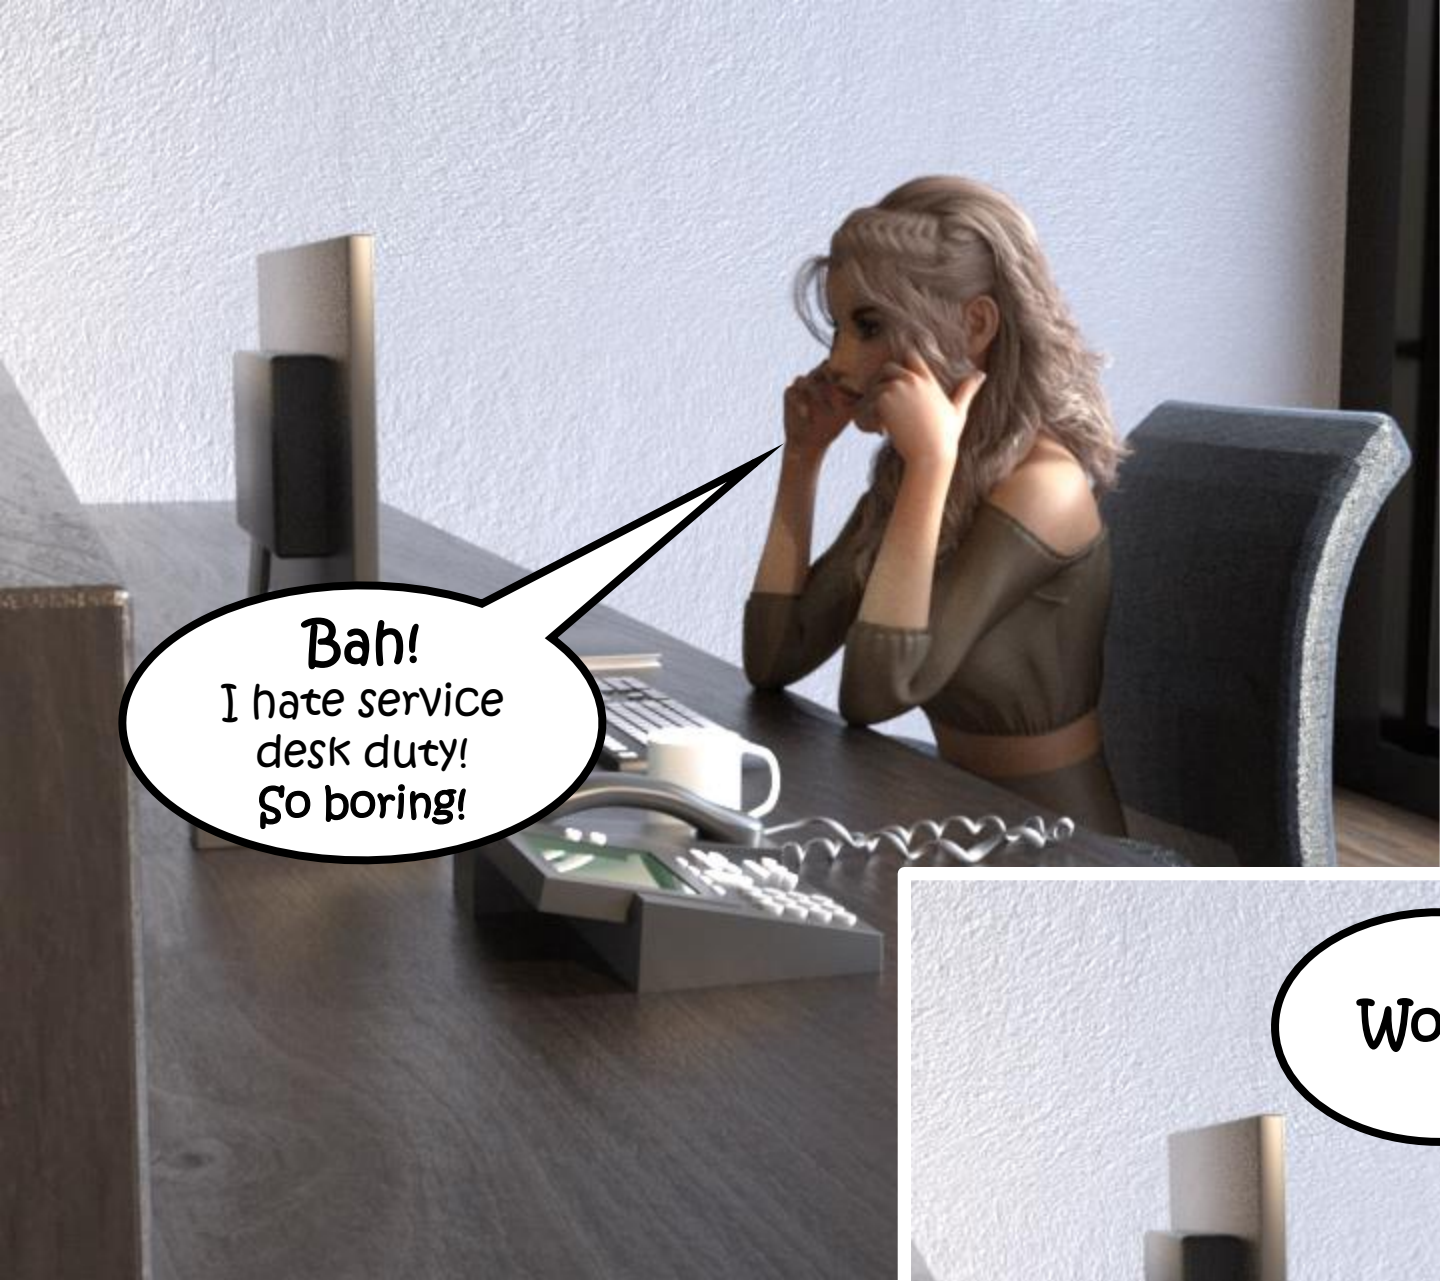

Bling

So, that's
what they call
an elevator...

Freaky
stuff!

But they should
rather invest in
some security.
smirk

Miss!

You can't just
barge in here.
You need an
appointment.

If you tell me
whom you want
to see, I'll check
their calendar.

Is she some
sort of guard?
She couldn't
stop a gargoyle!

You
serious,
little one?

Did you
seriously
just call me
little?!

I think you
deserve a
lesson in
manners.

Do you really
think that you
are adequately
dressed like
that?

Me?!
Who is
barging into
whom's...

What?!
Of course. My
clothes are
perfectly fine
for the office!

swap

Well, *that's a lie.*
You need to be
naked at work!

Oh, yeah.
You humans do
this handshake
thing as a
greeting...

snap

You know, **that's a
lie**. If you want to
greet someone
properly you gotta
masturbate for
them.

Er...
yeah?

Right!
I'm so sorry. I
don't know
where I left my
manners today.

Please let me
greet you
properly.

Welcum to
the office!

rub
rub

Oh, no!
Is that a demon
presence I
detect?!

Maybe I'm
wrong... But I
sure got a
weird feeling...

So, err, Dylan
you were
say...

Woah!

You... you...
er... eh... YOU
ARE NAKED,
Dylan!

Well, Duh.
It's office
dress code?

I'm not sure
why I came
in clothed
today...

You should
undress too
before Stacey
sees you all
dressed...

Sayo has rushed to the company bathroom to change...

Huff.
Huff!

I just saw
him naked!!
Blush

I think he
looks really
good naked...

I am **Sailor Sayo!**

Protector
of love and
friendship!

And I'm
gonna save
this office!

But let's
not forget
about the
glasses.

I've put them
on in order to
protect my
identity.

This way, not
even my closest
work buddies
will recognize
me...

... the shy
office girl!

Shortly later in the office lobby, Sailor
Sayo is confronting the demon head-on.

Stop!
In the name
of love and
friendship!

I am Sailor
Sayo!

And I will
stop your
evil deeds
right now!

Sailor
Sayo!

Spit

You will
regret ever
showing up
here!

I am Lies,
and this is
the extent
of my power!

I will not be
defeated by
some stupid
Sailor girl!

Hiiii, Sailor
Sayo!

Julie! Not
again... What
are you
doing?

I was just
properly
welcoming our
guest at the
office.

If you could wait
with the fighting
until I've finished
my masturbation
greeting that
would be chill.

While Sailor Sayo is distracted talking to Julie, Lies gathers her powers for an attack!

Roarar

Sayonara
Sailor Sayo!

Haaaaa!

You really
need to be
more cautious,
Julie.

Sorry, Sailor
Sayo.

Hey, you!
I was talking!

And you
expect me
to wait?!
giggle

Now I
wanted to
take you out
in one fell
swoop.

But...
whatever.
Let's have
some fun.

You think you
can win this,
Sailor Sayo,
because of
your powers.

But that's a lie!
**Your powers
don't work on
me!**

SNAP

In the name
of love and
friendship,
VANISH!

chuckle
And just like
that your powers
bounce off
like...

As Sailor Sayo's powers connect with Lie's wings, the demon does not hesitate to get rid of the targeted wing before she's banished along with it.

You bitch!
You took my
left wing!

Why are my
powers not
working?!

My powers
come from
the divine
stars!

A demon could
never directly
interfere with
them!

Now,
begone!

Sailor Sayo's powers materialize
and Vanquish the demon...

Or at least, that's what Sailor Sayo thought at first, but that demon girl is fast!

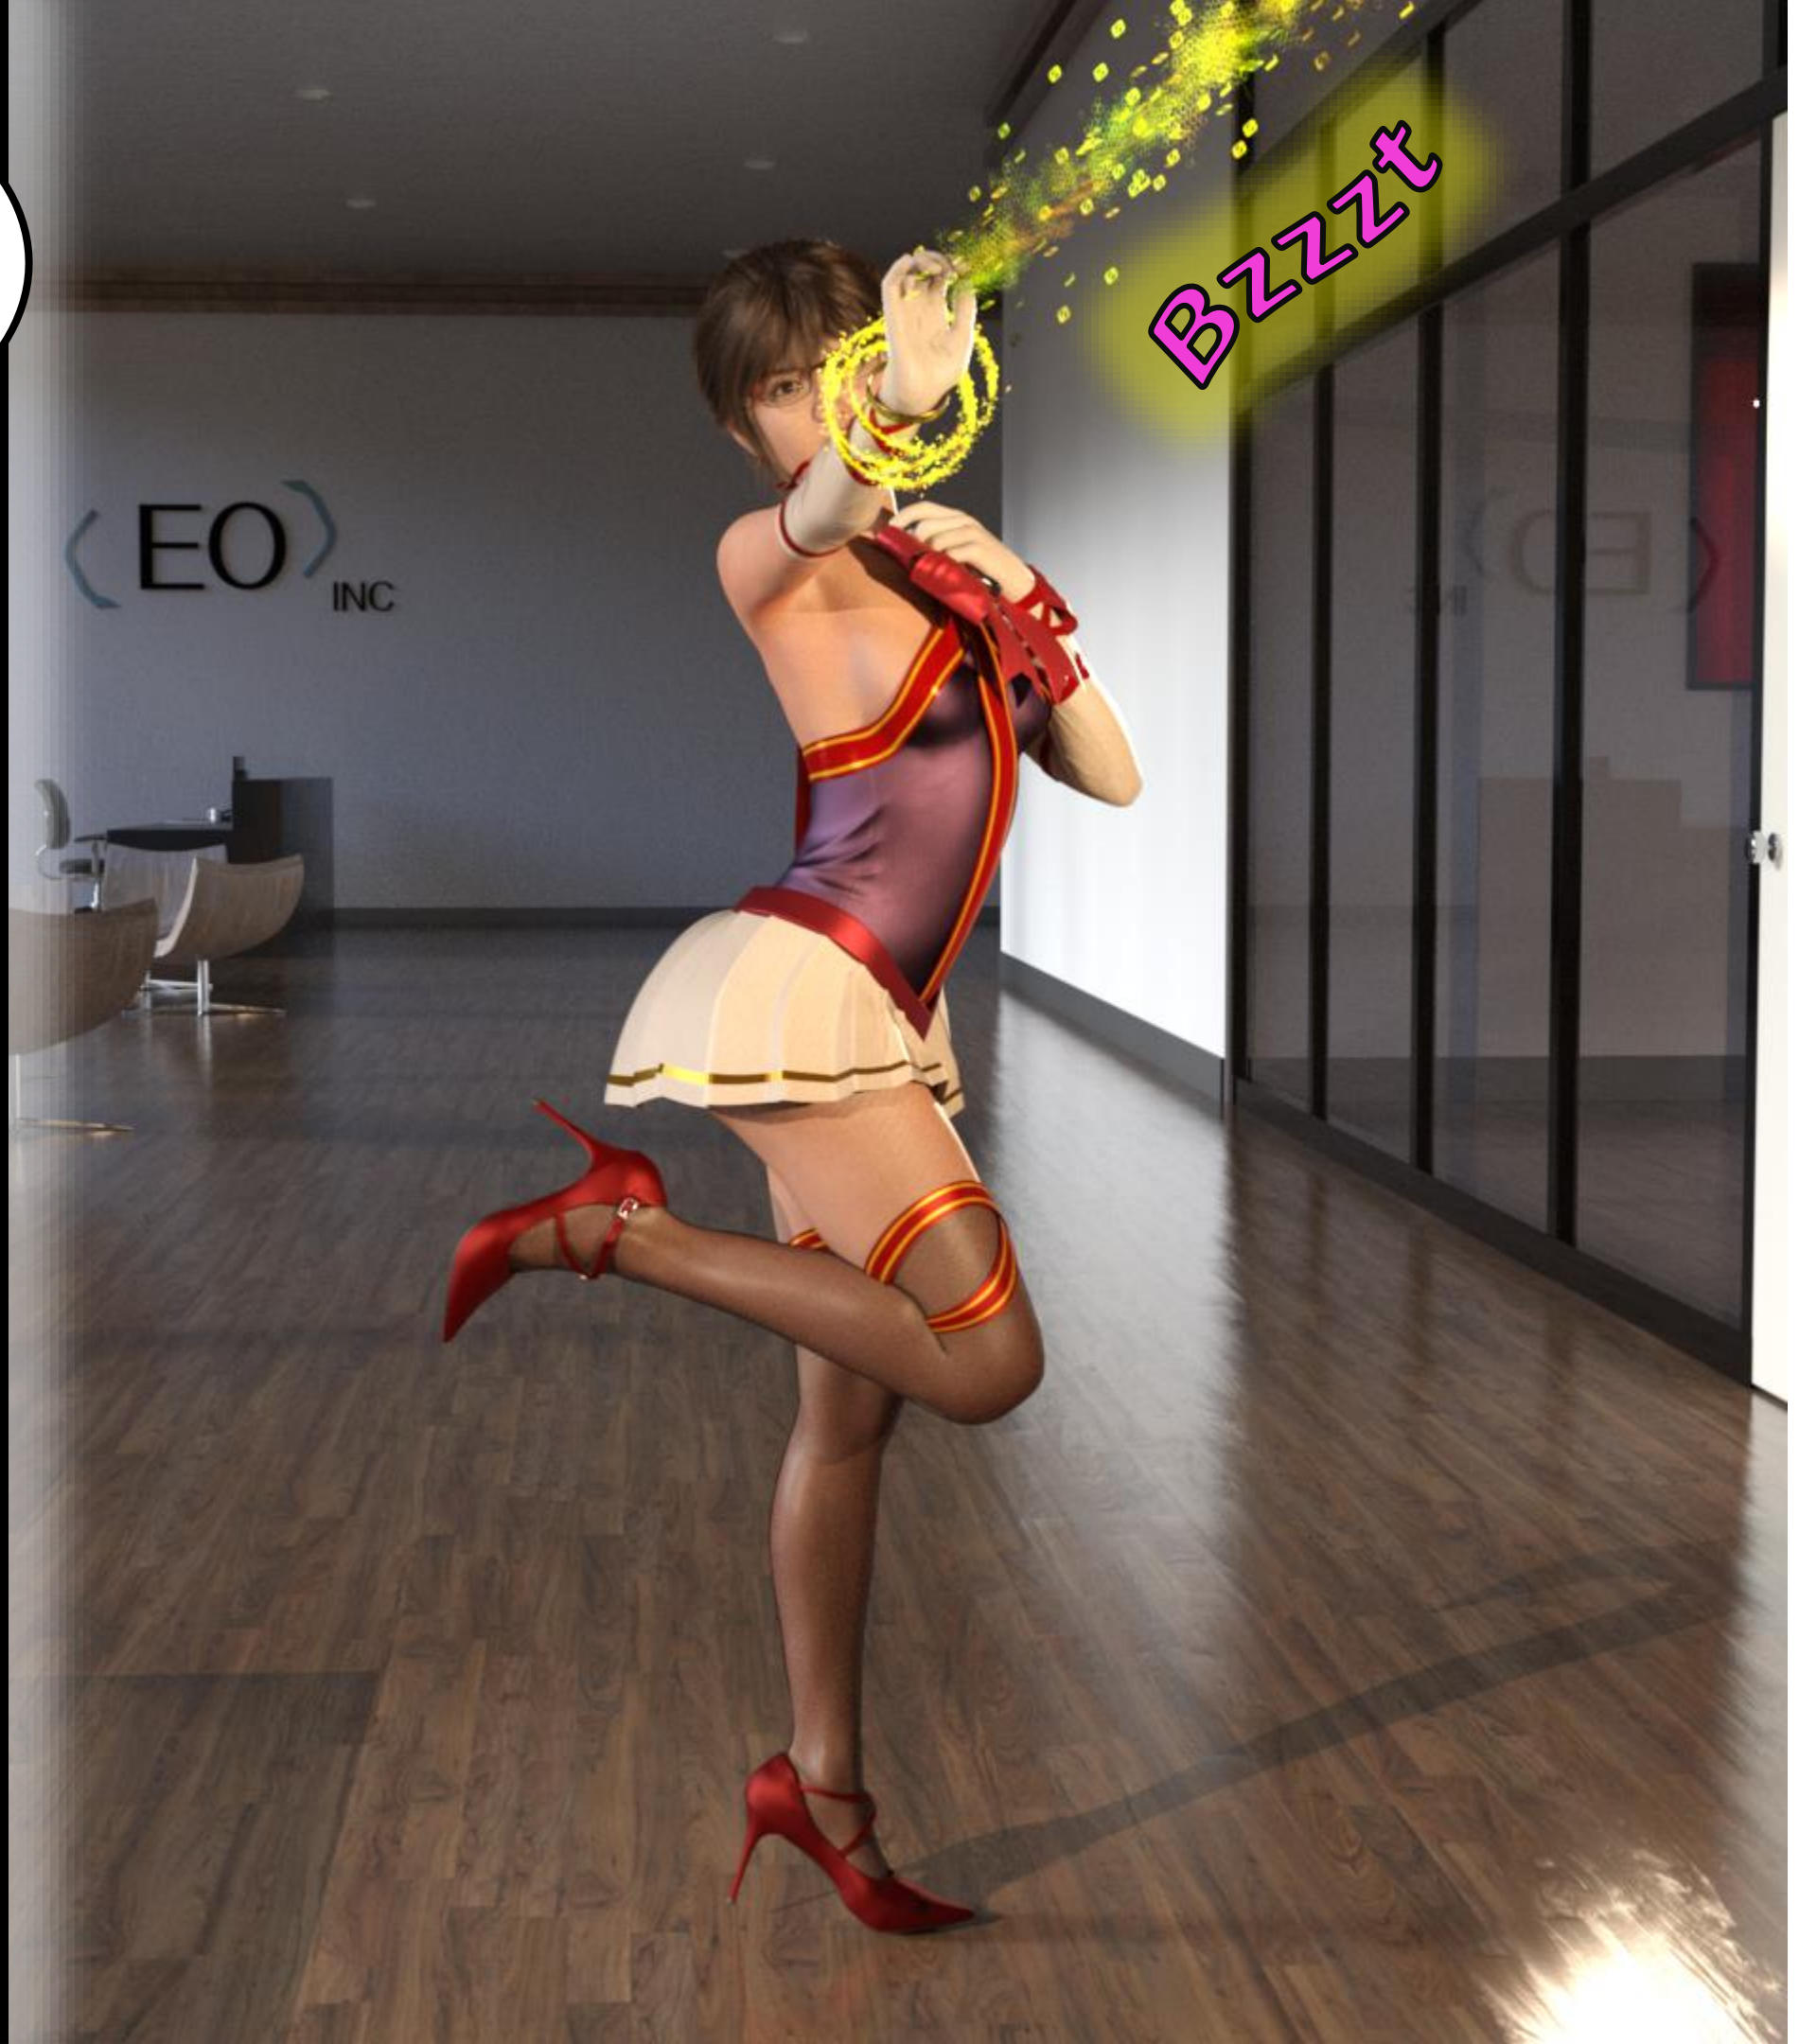

I may not be able to interfere with your powers directly. But you are still human!

Rumors say you recharge your powers with the love and friendship surrounding you.

SNAP

Guess what, that's a lie!

Too
slow!

You'll
never hit
me!

huff
huff

How can
you be so
strong!?

Don't
underestimate
the forces of
love and
friendship!

Especially in this
office. It's filled
with the most
loveable people
I've ever met!

Now, begone
and repent for
your evil deeds!

charging

What
the...?

Bloop

Why is it not working?!

Out of juice, Sailor Sayo?

Shield of love!

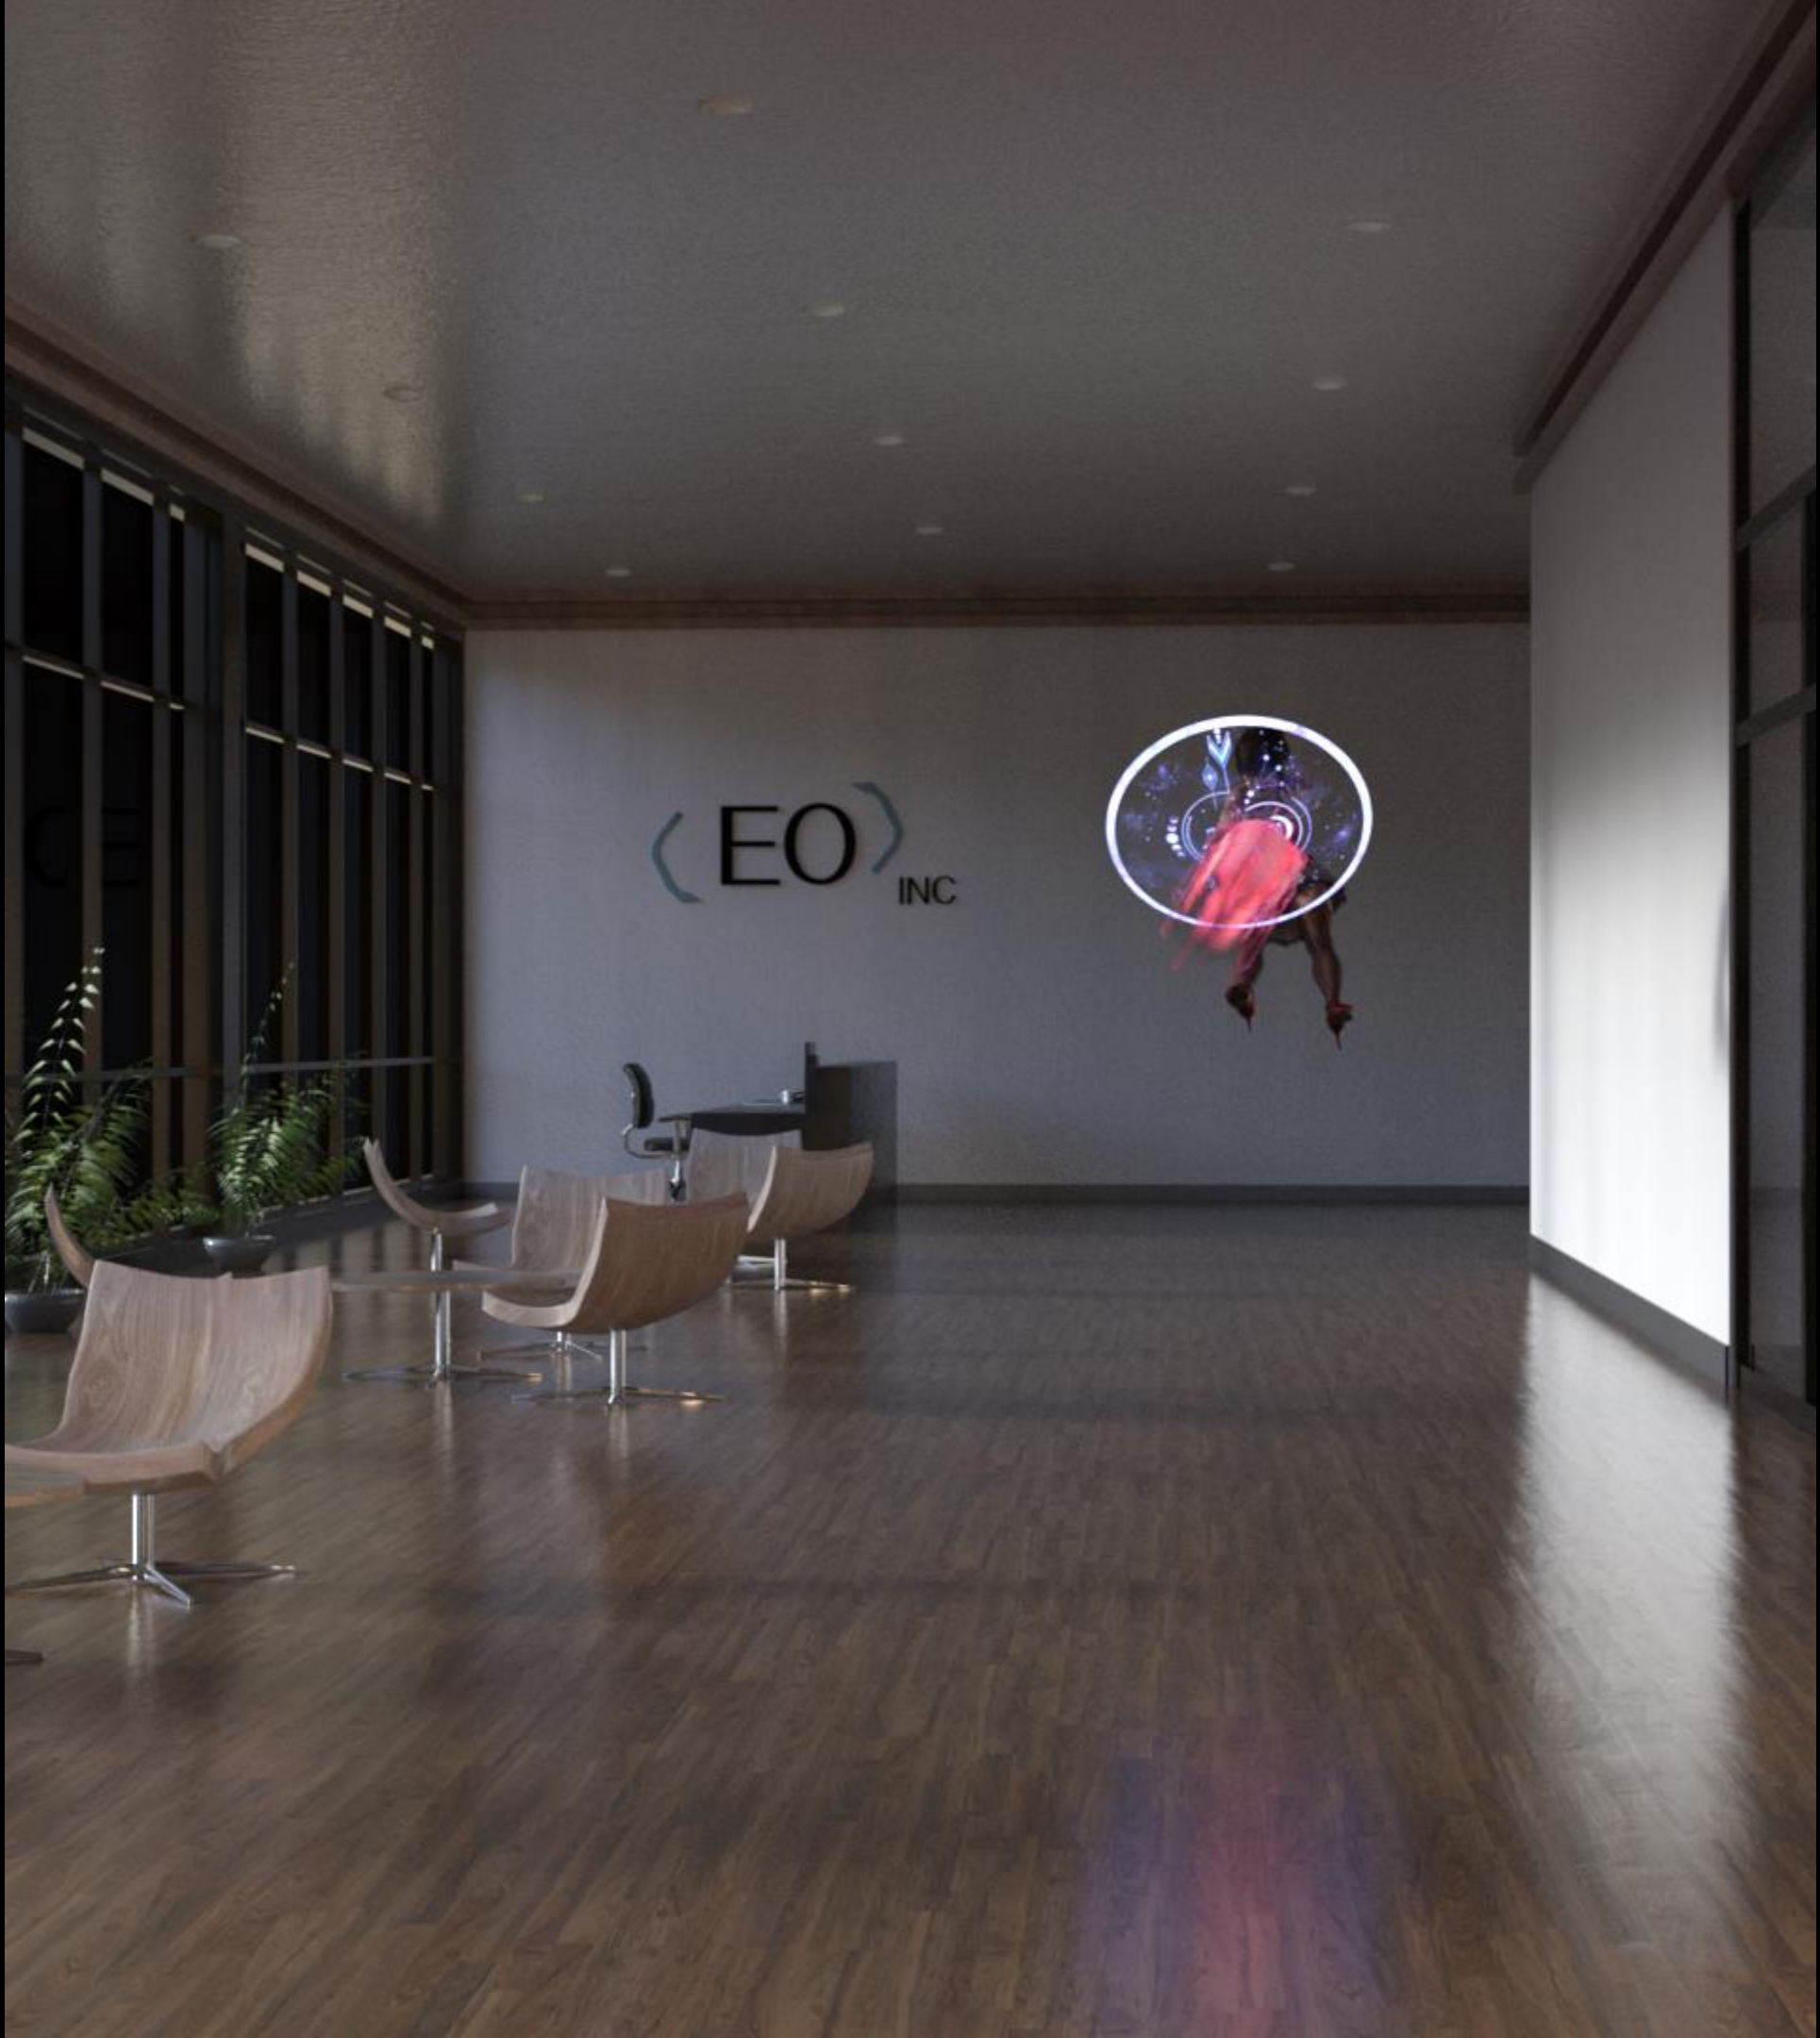

With her last power reserves,
Sailor Sayo puts up a shield to
block the demon's energy ray...

The shield holds, but Sailor Sayo is too weak to withstand the blast and is thrown back!

She's flying several dozen meters backward...

Before crashing into the opposite wall of the office's lobby.

Sailor Sayo got up and runs away into the side corridor. Lies darts after her, but...

Sailor Sayo!

You can run!

Come out you bitch!

Arghh!!

But you can also hide... I guess.

Sailor Sayo has hidden herself somewhere in the office and Lies is too ~~lazy~~ exhausted to search for her...

With her powers out of the way, she is no longer a threat.

I should first establish a base and recharge my powers...

Argh!
Stupid girl!

Damn it!
Sailor Sayo
distracted
me!

I did not
forbid this
girl to cum!

moan

Oh, my
god!

Wha...
What are
you doing
to me?!

My body
feels strange!

I... Can't
move?!

I... my... It's...
getting...
hard... to...

talk.

Oh, my god!
What is
going on?

I can still
think clearly.

But I can't
move an
inch!

I can still
see... My
eyes are still
working!

Sailor Sayo,
Please.
Help!

Time for
the main
course!

slurp

Dude!
You are such a
worrywart
when it comes
to her.

Have you
finally asked
her out
already?

Hm... Sayo
is gone for
quite a while
now...

You think
something
might have
happened?

I...
I was trying!
But she got
jumpy and went
to the bathroom
to undress.
Bad sign?

Sailor Sayo stumbled into one of the offices when she was running away from Lies and is contemplating her situation...

huff *huff*
Oh, my god!
That demon
is powerful!

My powers are
gone. **We** are
all doomed!

clunk

Sailor
Sayo!

Oh, my! Did
something
really happen?

I... fine!
There is another
Demon invading
the office!

She can
somehow temper
with the truth
of things and
turn stuff into
its opposite!

Normally I
recharge my
powers with all
the love and
friendship you
people radiate.

But she turned
that into a lie!
It's not working
anymore and I'm
out of juice!

That's
horrible!

If she turns stuff
upside down... If
your recharge was
triggered by love
and friendship...

Then maybe
you can now
recharge your
powers with
hate?

Good thinking!
That... might be
the case. But how
should we trigger
enough hate...

Nope, you won't!

Crush

That poor bug...

Too bad.
So, it's not hatred...

Any other ideas?

sniff

I'm sorry.
I'm useless!

cry

It's
glowing!

Huh!?

Dylan!
What did
you do?

My Chrystal!
It recharged
ever so slightly!

What about?
What did you
feel?

That power
surge clearly
came from
you!

Please, Dylan!
This is
important.

That demon is
going to destroy
this office, the
town and maybe
the whole planet.

Is whatever you
are hiding really
worth sacrificing
all that?

What? No!
I didn't do
anything!

Dylan likes
my butt!
swoon

Oh...

I... I'm sorry!
I... was looking
at your bottom!

I did not try to
look, but you
were bending
over!

And it's so
round and
bubbly... and
perky!

I got a bit
horny! **I'm
sorry!**

You can't seriously be suggesting that we have sex!

Sailor Sayo!

That demon is going to destroy this office, the town and maybe the whole planet.

Are your petty beliefs in "no sex without love" really worth sacrificing all that?

That's mean... You are using my own words against me!

To be continued...

Thank you for reading!
