Sailor Sayo 2

Sayo is working at an office of lovely people who sit in meetings, answer the phone and flirt around a lot. Nobody suspects Sayo's secret identity as Sailor Sayo the magical girl who saves the world from Demons in the name of Love and Friendship. When yet another demon invades the office and turns people into mannequin-like statues at the brink of orgasm to feed on their desperation Sailor Sayo is forced to act. Will Sailor Sayo be able to stop the evil lust demon who can turn truth into lie and vice versa? Or will Sailor Sayo herself fall to the demon's powers?! Tune in on Sailor Sayo and witness the epic battle between the forces of lust and love at the office. 😊

The Office ... a place of work...
and senseless meetings...

Today's
agenda is
about bla
bla...

God damn it!
I've so many
documents piling up
on my desk and she
wants to talk about
that?! Nobody cares!

What have I
done with
my life...

If you are lucky, you find somebody at the office to flirt with...

You seem cheery today.

Me? Oh,...
err.. Yes.
I..

That's nice.
Having a good
start into the
day is really
important!

I... had
a good
morning.

O.M.G.!!
Is he asking
me out? Please
ask me out!

No. I'm free
tonight.

Do you have
something
planned for
the evening?

So... erm.
Sayo. I...
wanted to
ask...

But all of these daily routines are about to be disturbed...

Bing

So, that's
what they call
an elevator...

Freaky
stuff!

But they should
rather invest in
some security.
smirk

Bah!
I hate service
desk duty!
So boring!

Excuse me! Miss!
Do you have an
appointment?

Woah!

Are those horns
on her head? I'm
kinda getting a
déjà vu...

Miss!
You can't just barge in here. You need an appointment.

If you tell me whom you want to see, I'll check their calendar.

Is she some sort of guard? She couldn't stop a gargoyle!

You serious, little one?

Did you seriously just call me little?!

I think you deserve a lesson in manners.

Do you really think that you are adequately dressed like that?

Me?!
Who is barging into whom's...

What?!
Of course. My clothes are perfectly fine for the office!

Well, **that's a lie.** You need to be naked at work!

Oh, yeah.
You humans do
this handshake
thing as a
greeting...

You know, **that's a
lie.** If you want to
greet someone
properly you gotta
masturbate for
them.

SNAP

Er...
yeah?

Sensing the evil approaching Sayo excuses herself and rushes to the restroom where she transforms into Sailor Sayo before challenging the demon!

I am **Sailor Sayo!**

Protector of love and friendship!

And I'm gonna save this office!

But let's not forget about the glasses.

I've put them on in order to protect my identity.

This way, not even my closest work buddies will recognize me...

... the shy office girl!

Stop!
In the name
of love and
friendship!

I am Sailor
Sayo!

And I will
stop your
evil deeds
right now!

Sailor
Sayo!

Spit

Hiiii, Sailor
Sayo!

Julie! Not
again... What
are you
doing?

I was just
properly
welcoming our
guest at the
office.

If you could wait
with the fighting
until I've finished
my masturbation
greeting that
would be chill.

While Sailor Sayo is distracted talking to Julie, Lies gathers her powers for an attack!

Roarar

HARDWARE

SERVICE

Haaaaa!

You really need to be more cautious, Julie.

Sorry, Sailor Sayo.

Can Sailor Sayo withstand the vile demon's powers and defeat her in a magical battle?
