Transform or Command II

Our six students have started to play a game called Transform or Command – thinking it was just a version of Truth or Dare. But soon they realize the game is actually magical as the players act and transform according to each other specifications. So far, we've seen Elizabeth's breasts expand, Lana's hair turn blonde and Amara, the tiny girl, grow up 10 cm. Also, Amara commanded her boyfriend Vadim to kiss her passionately - but he would have done that anyway. Everybody is rather thrilled with the game so far... everybody but Lana who hates being a blonde and thinks of revenge against Nicole who ToCed her into being one!

Let's see where the game leads us next ...

Featuring

Lana...	a female student, she and Liz found the game
Nicole...	a female student
Elizabeth...	a female student, she has a crush on Dylan
Amara...	a female student, Vadim's girlfriend
Dylan...	a cynic guy who crushes on Nicole and Lana
Vadim...	a very tall guy, Amara's boyfriend

After her expansion, Elizabeth went to the restroom... now she's coming back.

I had to get rid of my bra... it was... too constricting with their new size.

Inspecting the goods?

They look really good on you, Liz.

I wouldn't mind one more cup size myself... right after growing some more inches. *giggle*

Thanks. That extra weight feels a bit strange though.

While the girls keep talking about Liz's boobs Dylan explains the board to Vadim.

The board follows several complicated rules we need to find out?

As you can see, I only lost 30 points. Which is the same amount Liz lost when she made Amara grow.

And thanks to Nicole we know that unwanted changes tend to cost more as she paid 40 for a simple hair change.

You see where I am going with this?

No man! Liz always wanted to have big boobs!

Lana	Nicole	Amara	Elizabeth	Vadim	Dylan
80	40	60	50	80	50
0	10	0	0	0	0

Currently, only you and Lana are still at full points...

Game over?

Would be pretty useless if they didn't... right?

I wonder what happens when we are all out of points.

Will the girls keep their changes?

Just imagine.
Anything we don't
like about our
bodies. We can
change it! Right
here and now!

Grrrr!

Well, ain't I
glad you are
all having so
much fun!

Oh, come on, Lana. You can't still be pissed about your hair...

Yes, I can!

And I'm gonna show you how angry I am about it!

Transform or command, Nicole?!

Really?! Tsk! Fine! I choose transform. Then we are even!

Your hair shall transform into some super long pigtails reaching all the way down to your butt!

Nice!
That sounds like a big change!

You are always hiding behind that hair of yours.

Hiding?

I'm not hiding behind my hair!

That's just
the way it
falls.

Oh, my!

It's already done, isn't it?

This feels so strange!

With people starting to get back at each other and misunderstanding one another wishes... How will the game progress from here on out?!

Go on! Do it! I choose Transform!

Grow a double D cup!

What did you do, stupid?!

What?! That's not what I meant!

WOW!!

I choose command!

Please! Don't make me do this!

FUCK! My body is moving on its own!

Uff! Unclasping this is hard with all that extra hair!

There! Happy?!

Strip the top and present your tits.

Too late. The game is working its magic already.

You can do it. I believe in you. *chuckle*

Very!

End of Teaser!

Hello, Hexxet here,

The full comic **~50 pages + 4 pinups** long and follows our six students as they keep on playing the magical game called “Transform or Command”. Tune in on “Transform and Command” and see how our player deal with their changes and instructions 😊
