# MC Trance Trigger

David is at an all-inclusive beach resort and there, over a friend, he has met Melinda, a sweet girl from a posh family... She's probably out of David's league but ever since he laid eyes on her he can't get her pretty face out of his head. And last evening's entertainment... a hypnosis show... did not help with that either.... She was on stage after all!

## Featuring

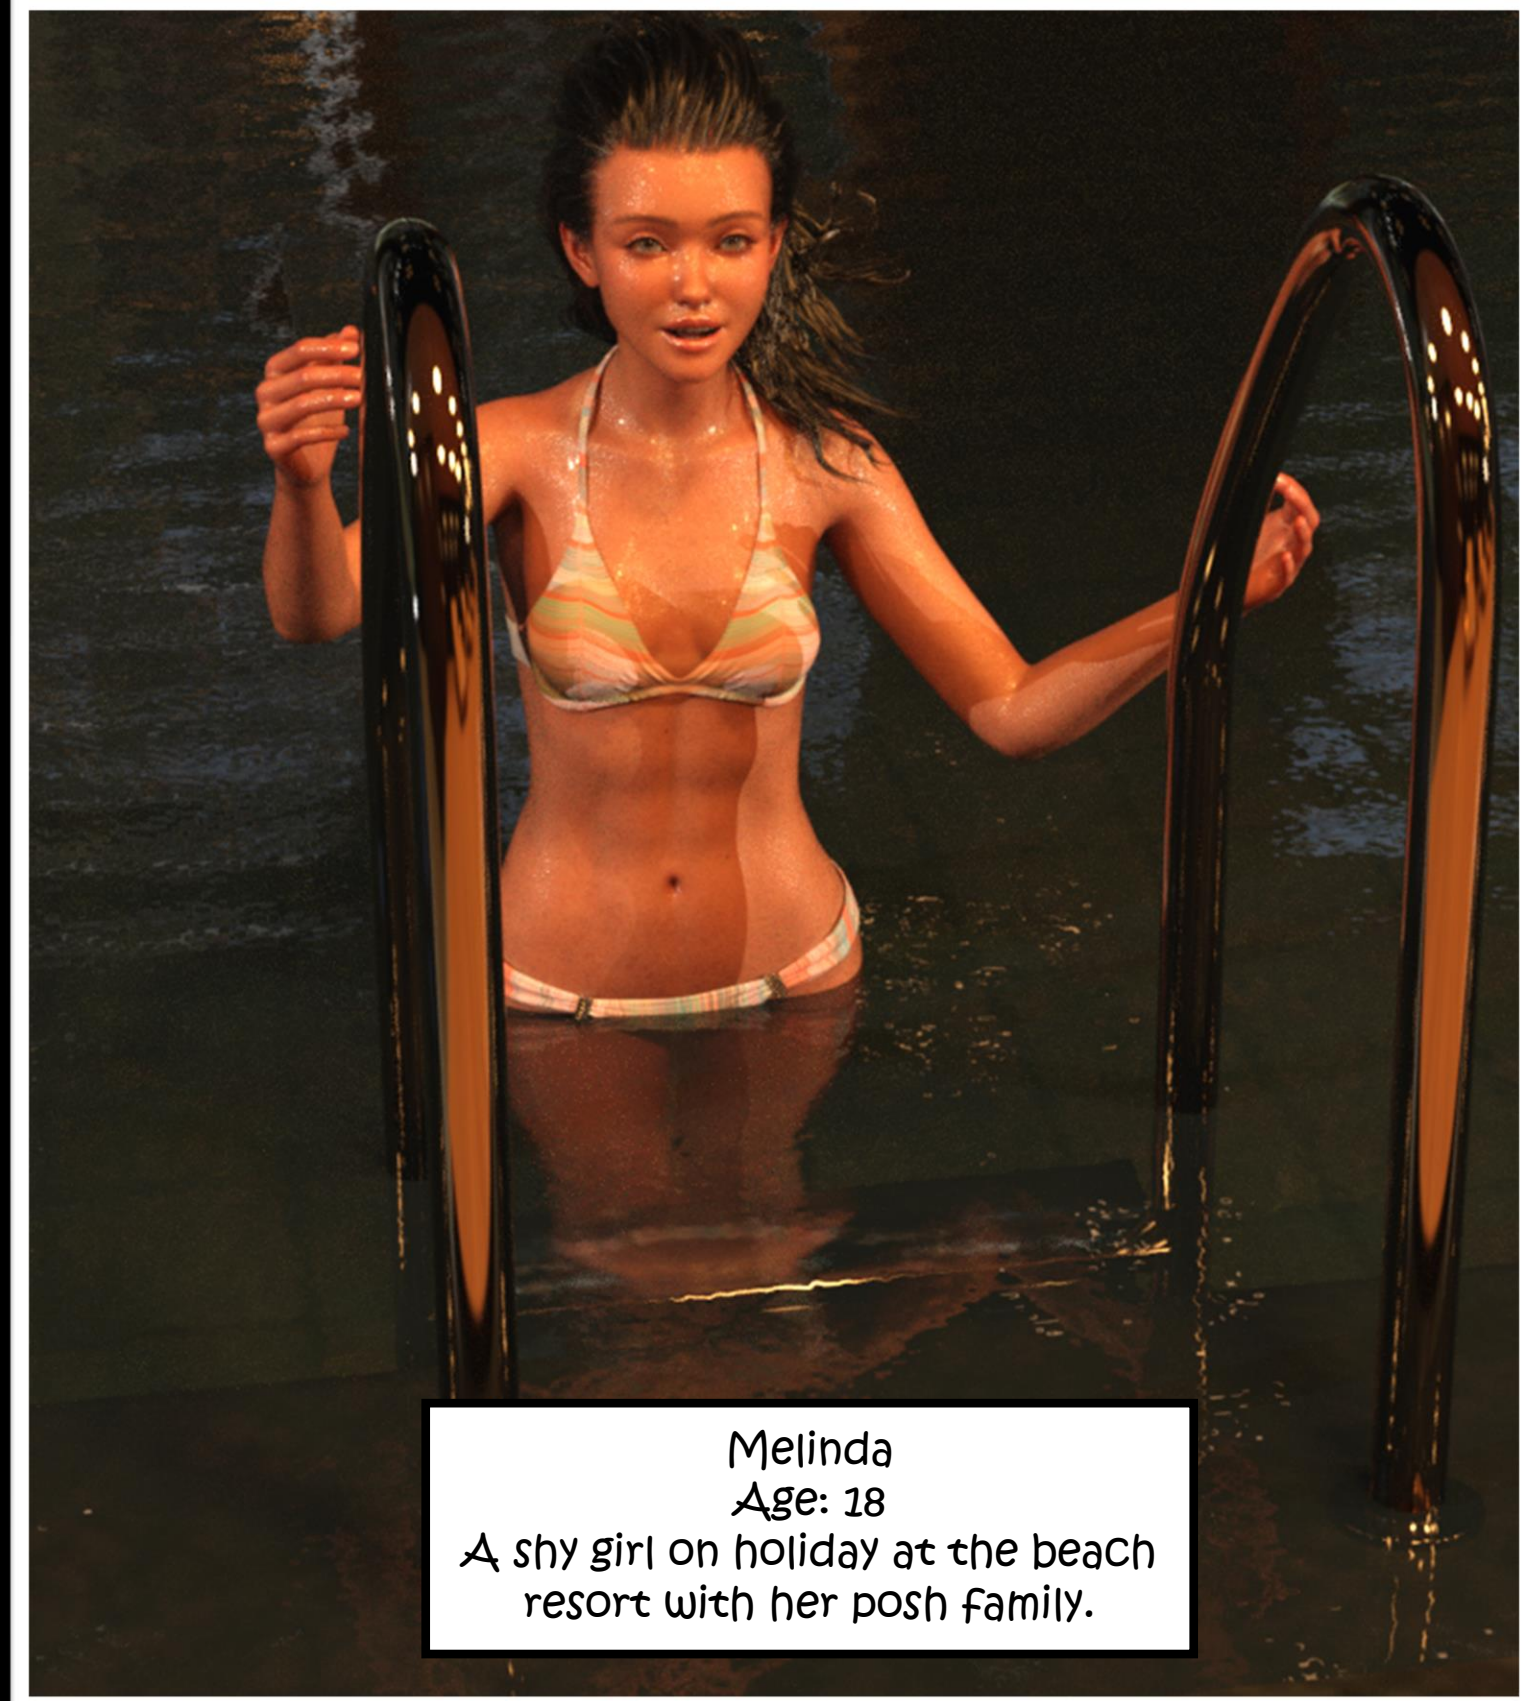

David...	a guy on holiday at the beach resort
Melinda...	a girl on holiday at the beach resort
Vincent...	Guest starring stage hypnotist
And some other characters irrelevant to the story... 😊	

I entered the indoor spa area of the hotel to get some alone time. This pool was not frequented by many people as everyone was out there on the beach...

David  
Age: 18  
On Holiday at the beach resort

And that's when I saw her again. Melinda! She was just coming out of the pool... I had met her yesterday. She was the classmate of a dear friend of mine, and I was smitten by her smile the first time I laid eyes on her.

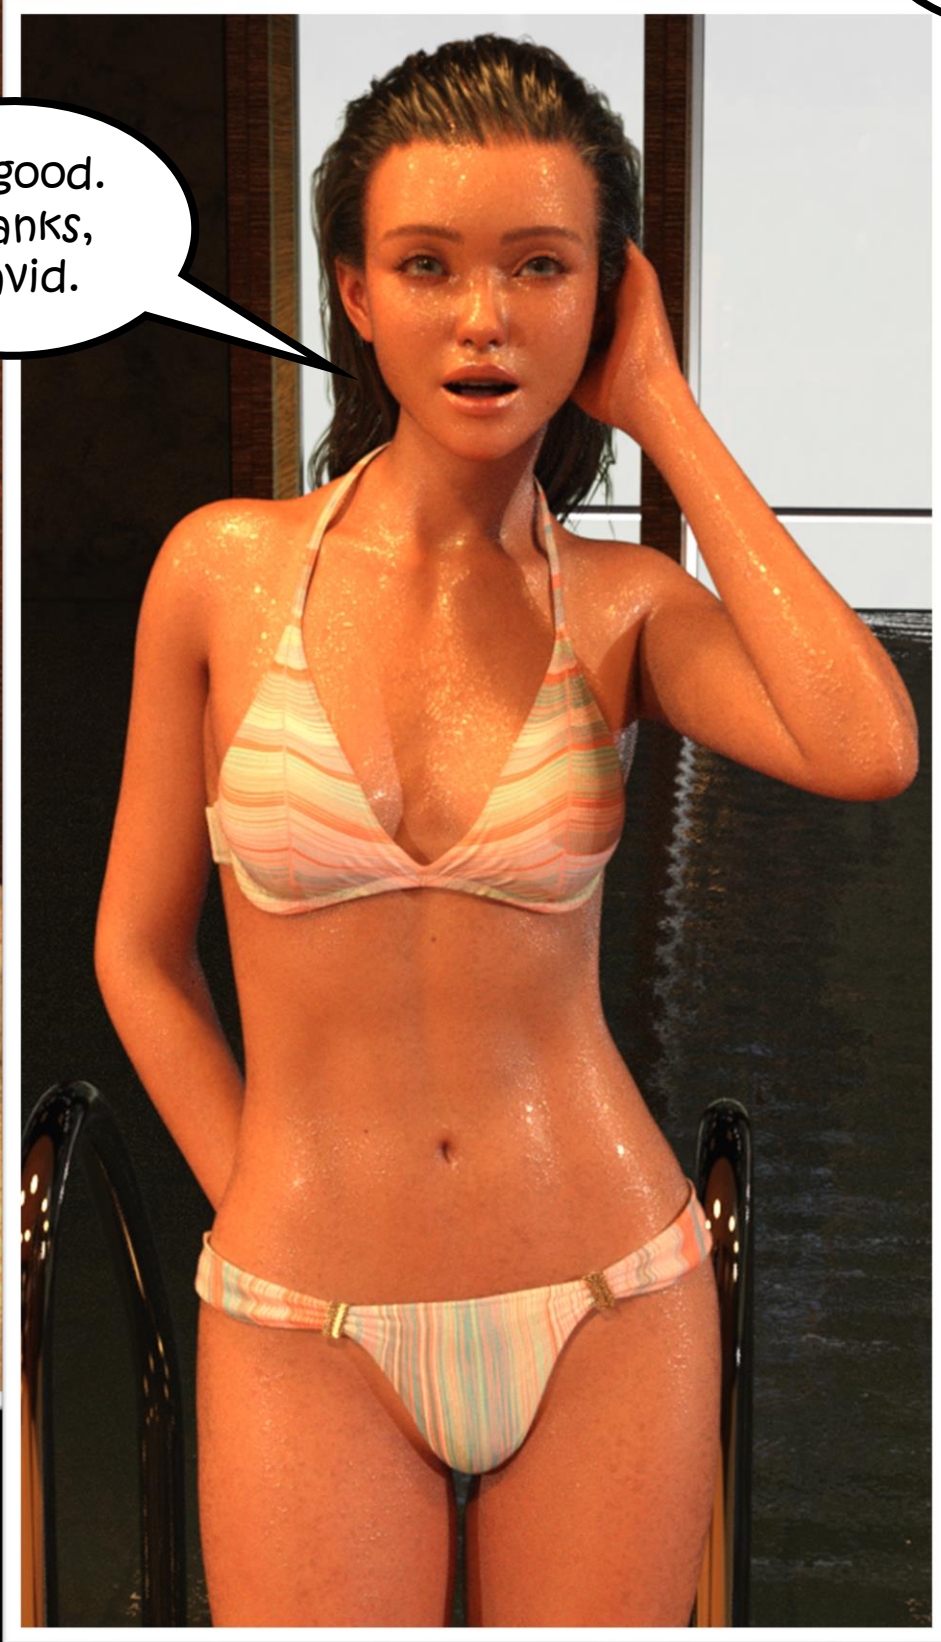

Melinda  
Age: 18  
A shy girl on holiday at the beach resort with her posh family.

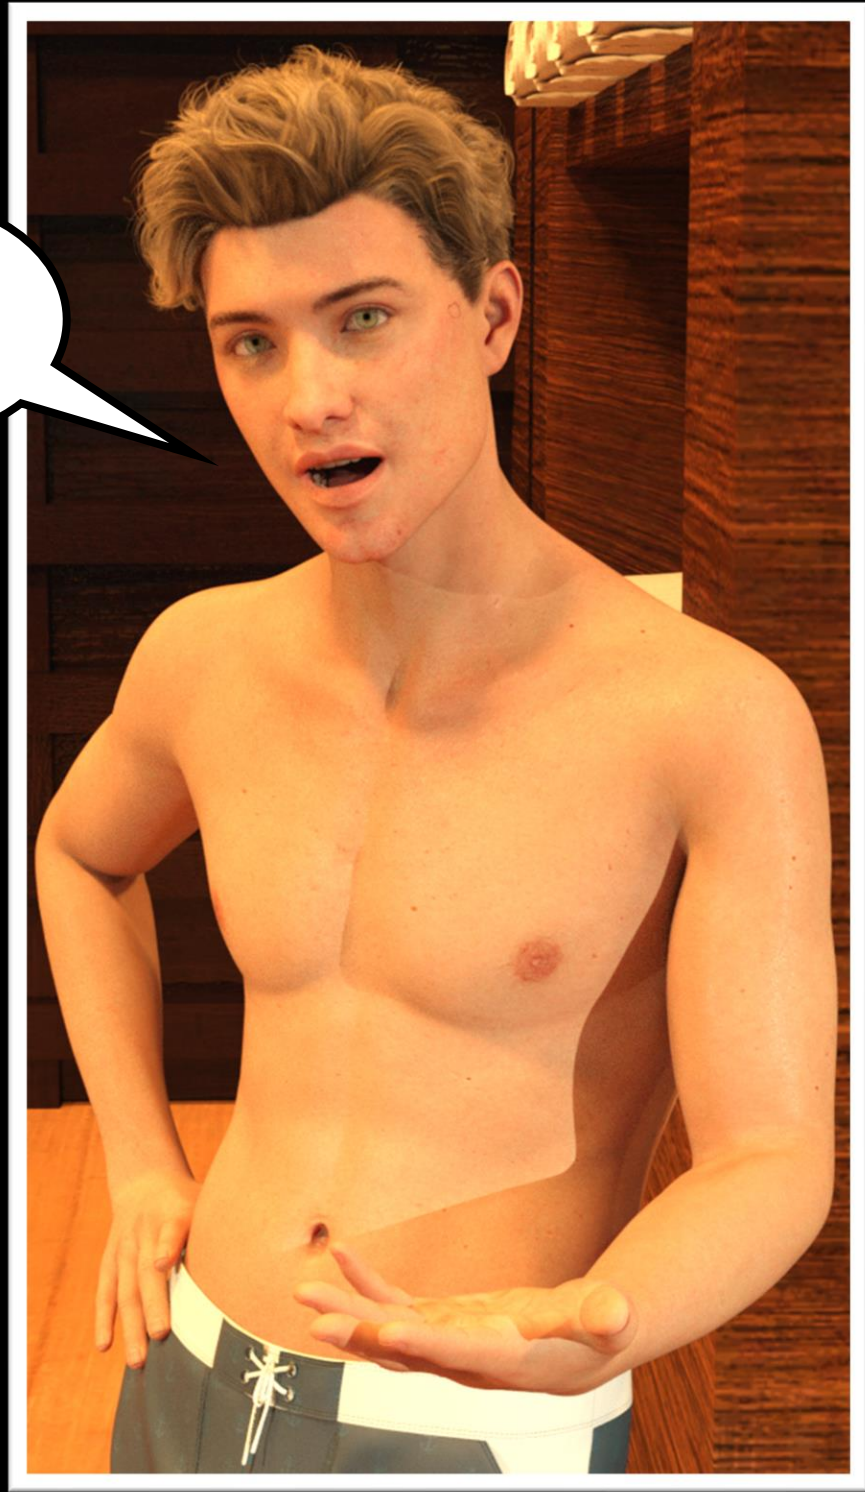

Despite all odds, me striking up a conversation worked! She was so easy to talk to! I liked that about her a lot.

I'm good. Thanks, David.

How are you?

I could see her fiddle with the back side of her swimwear. She just came out of the pool after all...

As I was talking to her my thoughts suddenly drifted back to yesterday's evening entertainment...

It was a hypnosis show!

Thanks for volunteering.

Please relax and focus your eyes on the flicker of this candle.

The hypnotist seemed to know what he was doing.

And Melinda was chosen from among the guests!

And went under pretty fast. Or... did they just play along? Did the hypnosis really work? I don't know!

Soon all the "volunteers" he had selected followed his instructions...

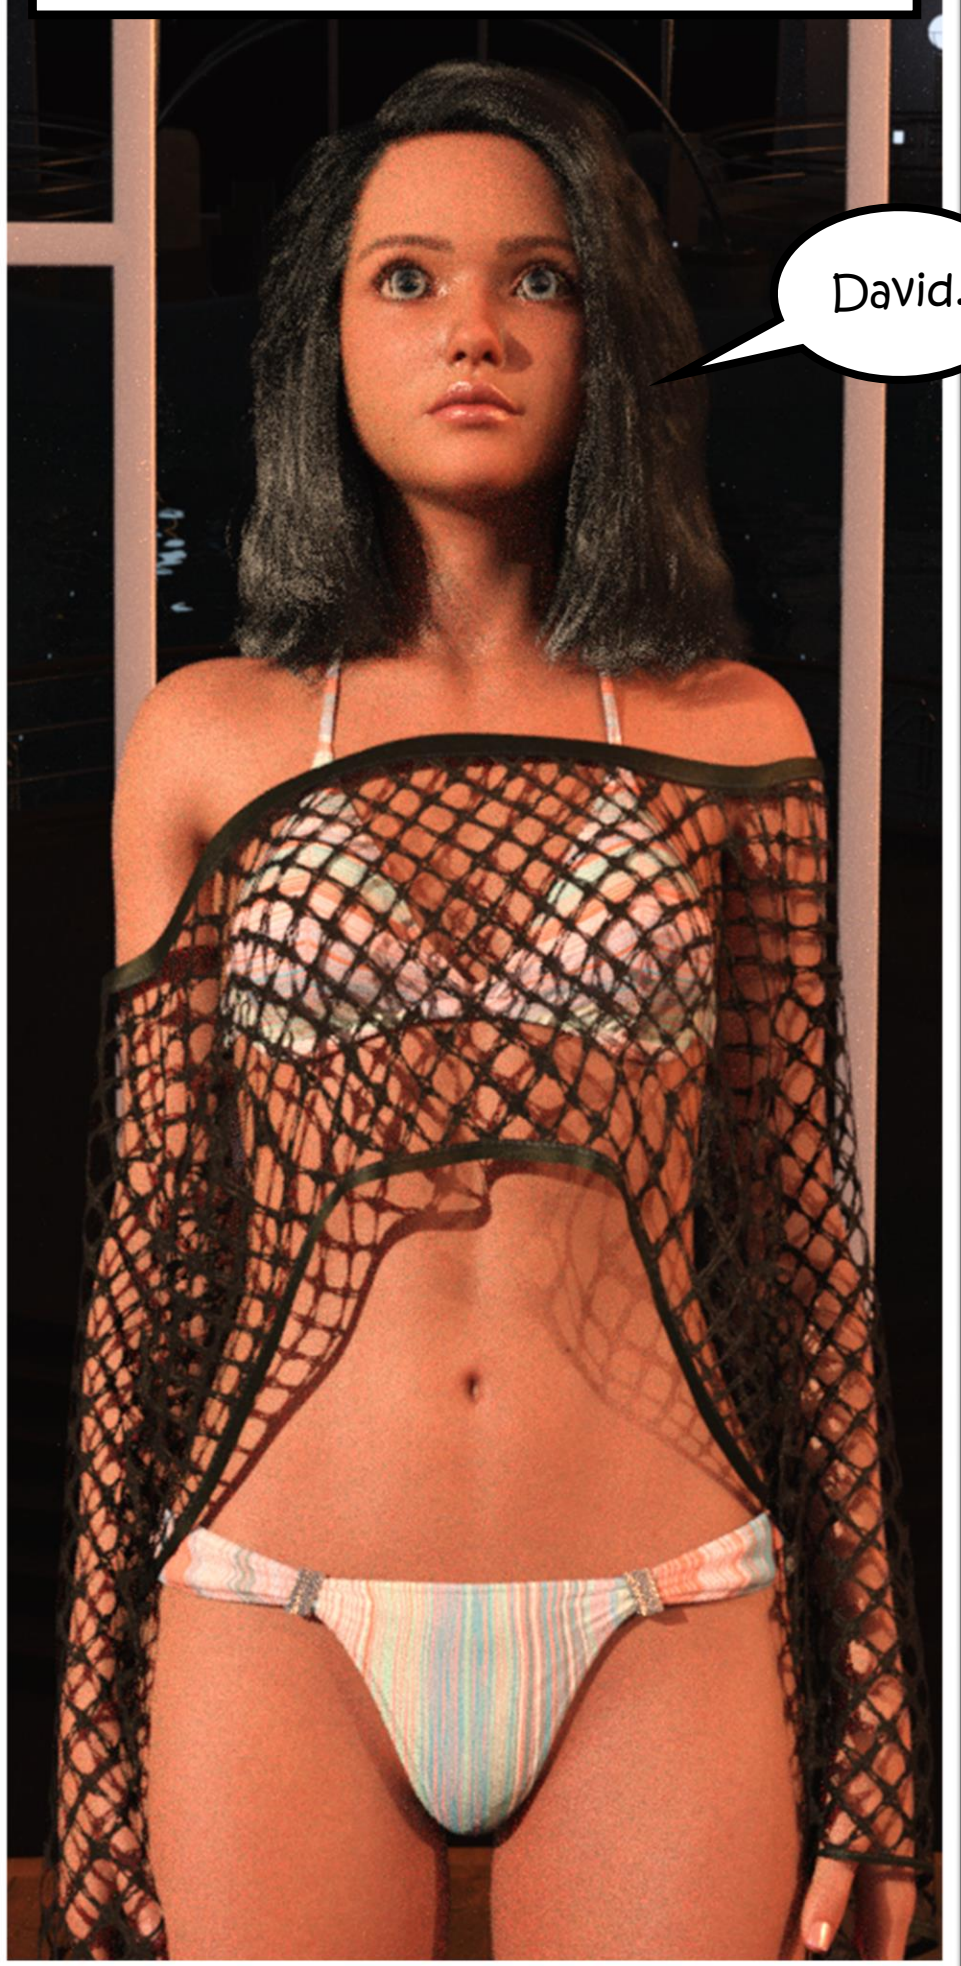

Now, when you hear the word "Apple-Pie" you will fall into a deep hypnotic trance just like you are in right now.

The hypnotist had the four of them do some funny stuff up there on stage. And I have to admit... the control he had over them... if it was real!... I found it kinda hot!

Now there were four people on stage...

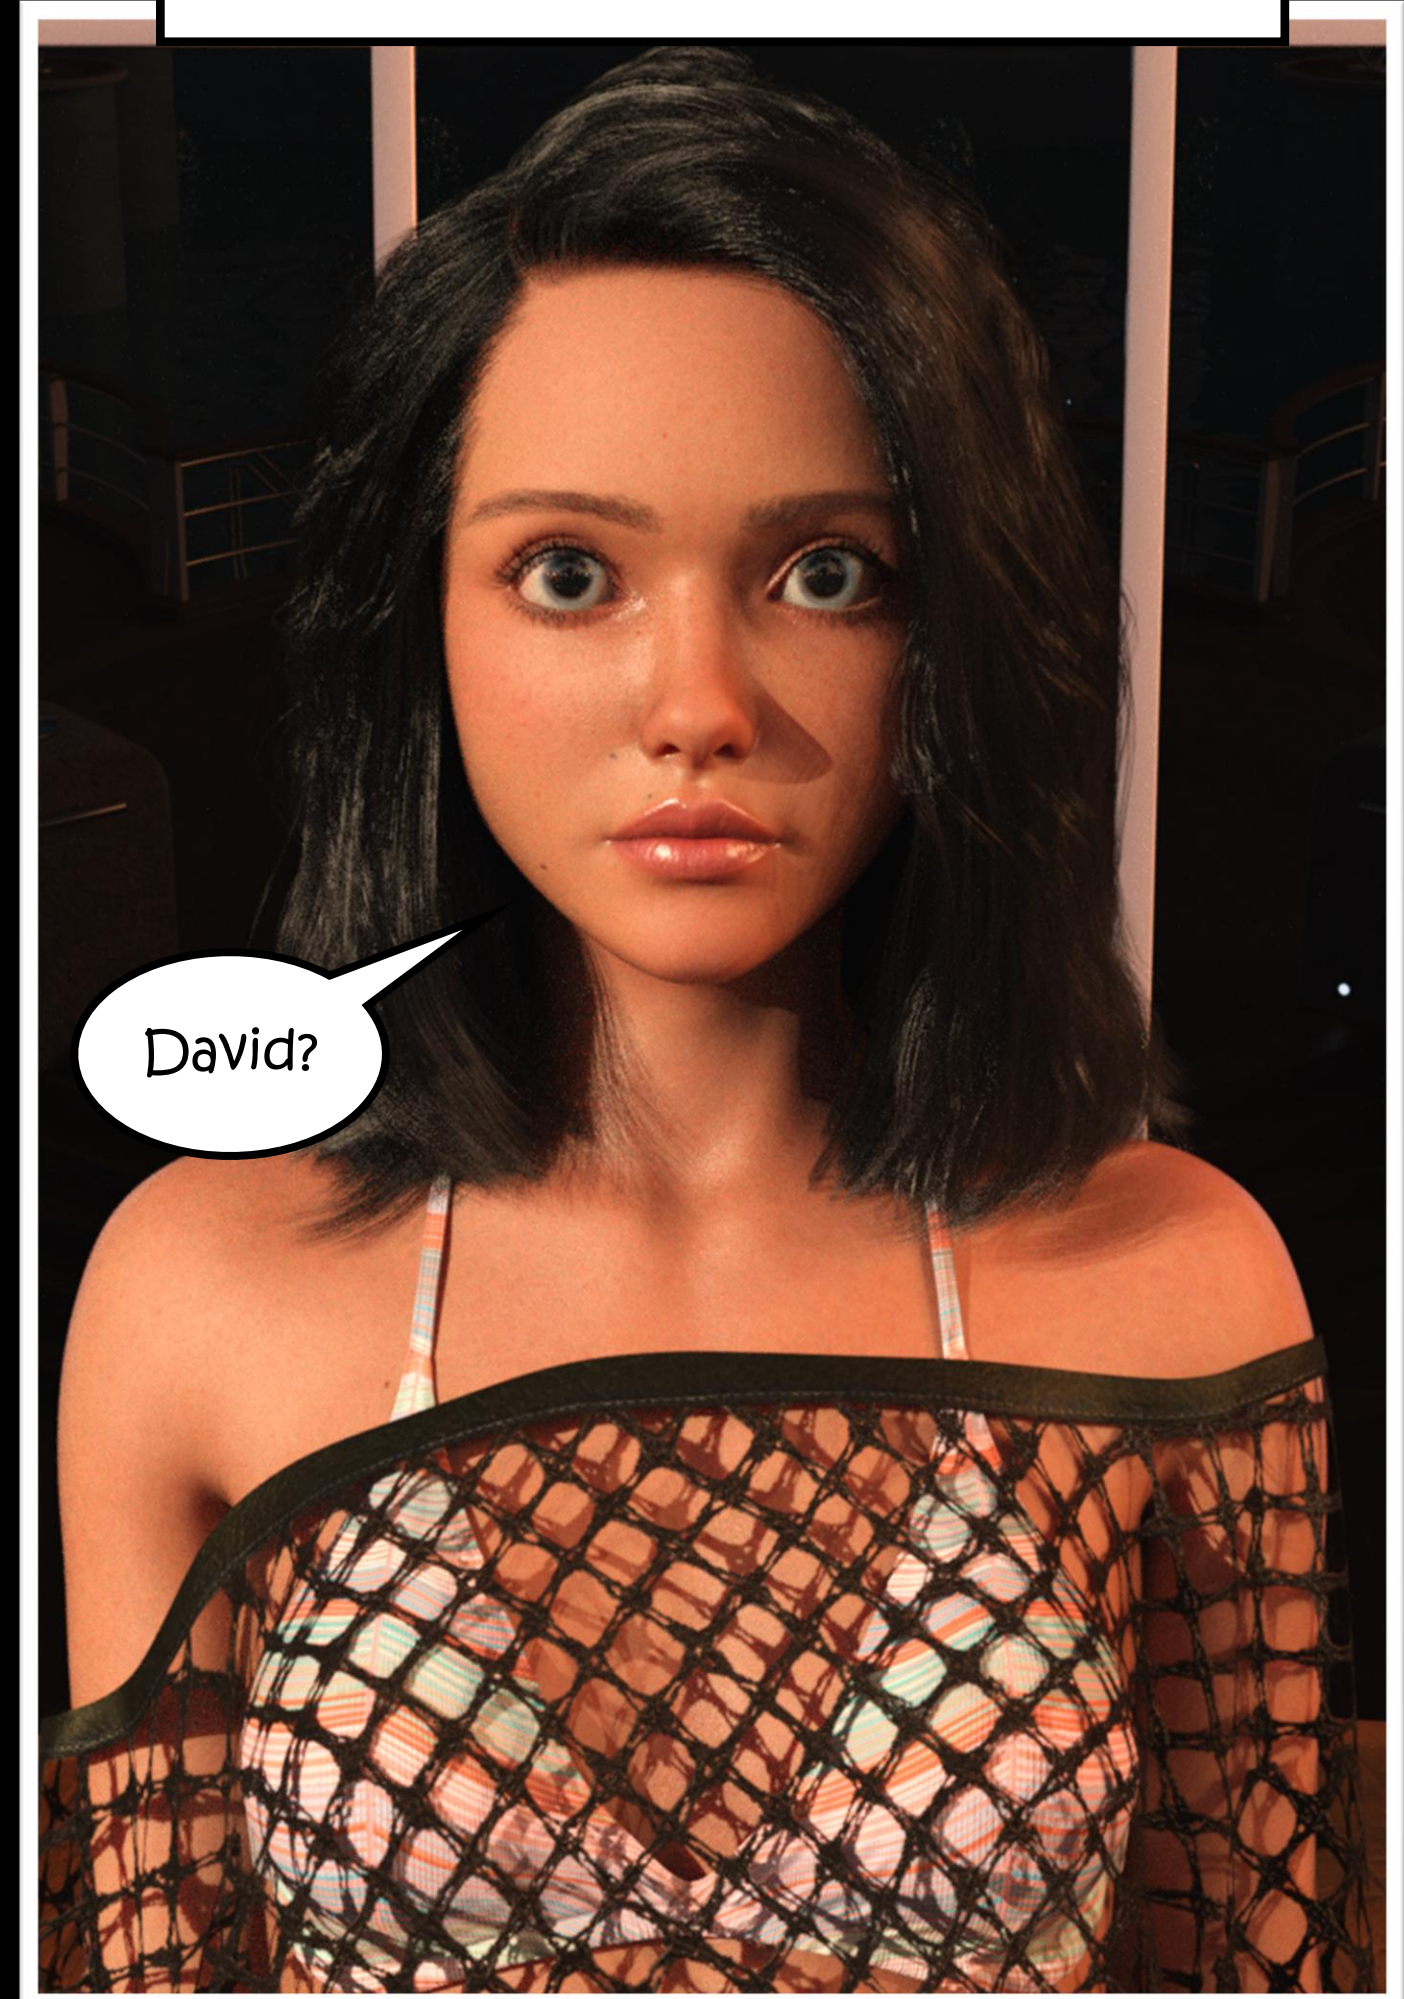

David.

David.

But I had only eyes for Melinda...

As she was standing there with blank eyes... \*gulp\*

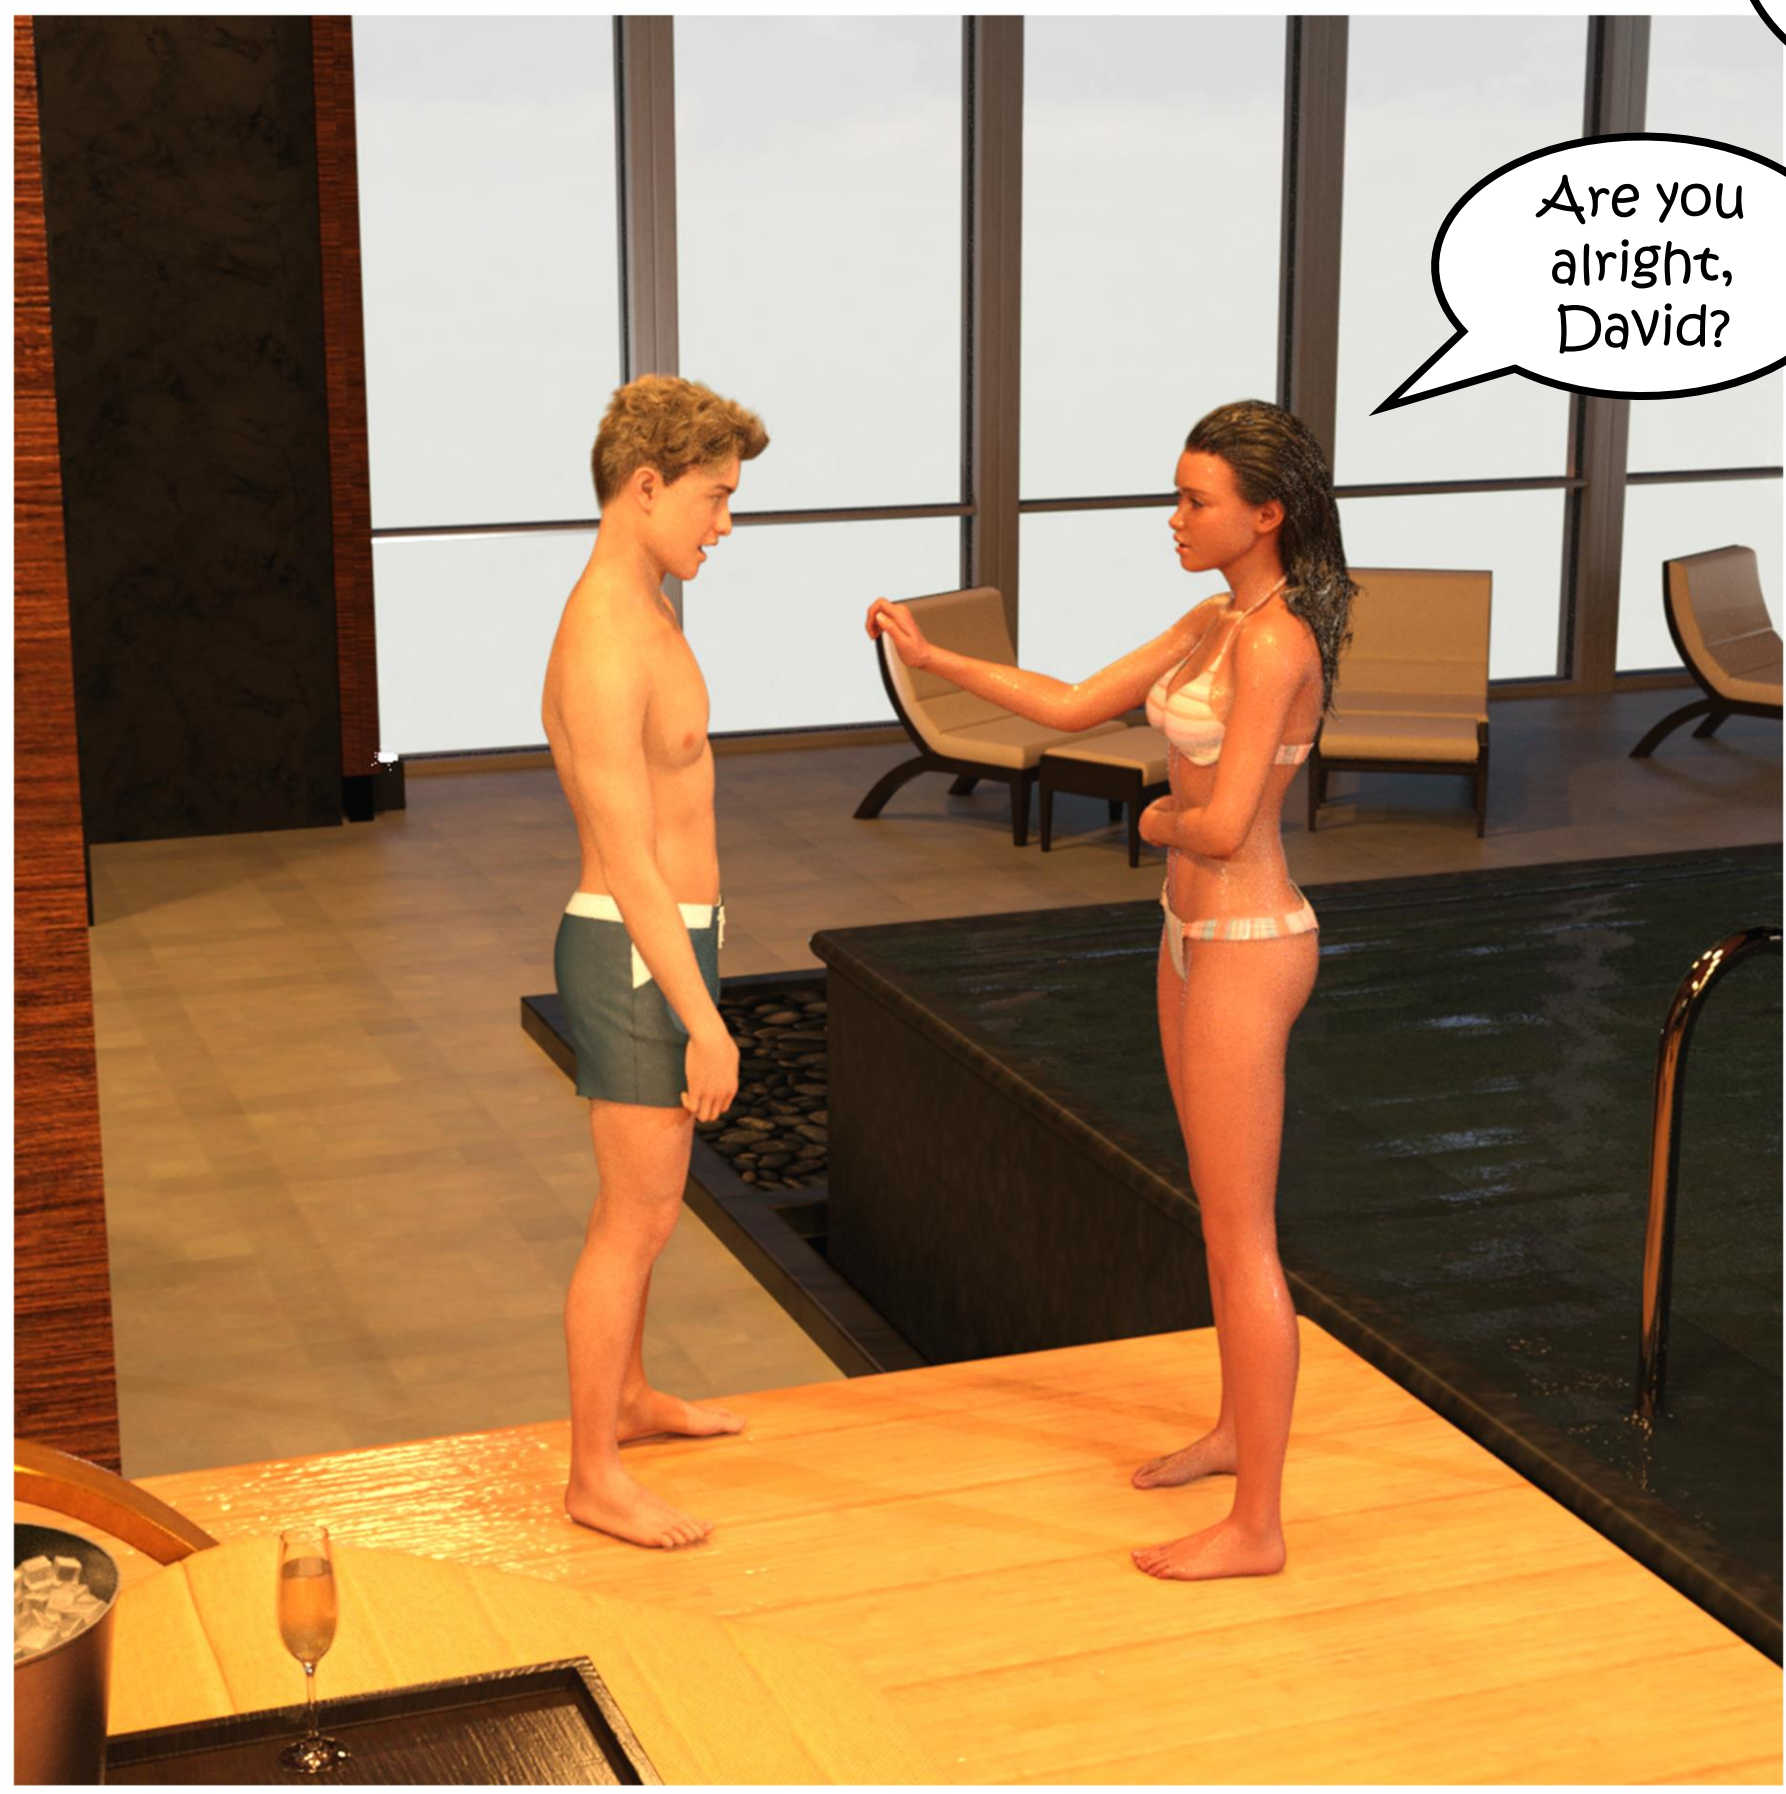

David?

David?

Well... fuck! I kinda totally went absent mid-conversation!

Are you alright, David?

Yes! Sorry! I... err.... Just remembered something... I wanted to ask you.

\*giggle\* Okay?

I wiped a bit of spit from my mouth with the backside of my hand... It seems I had been drooling a little. I hope she did not notice!

That hypnosis show yesterday... were you... you know... really under or just playing along?

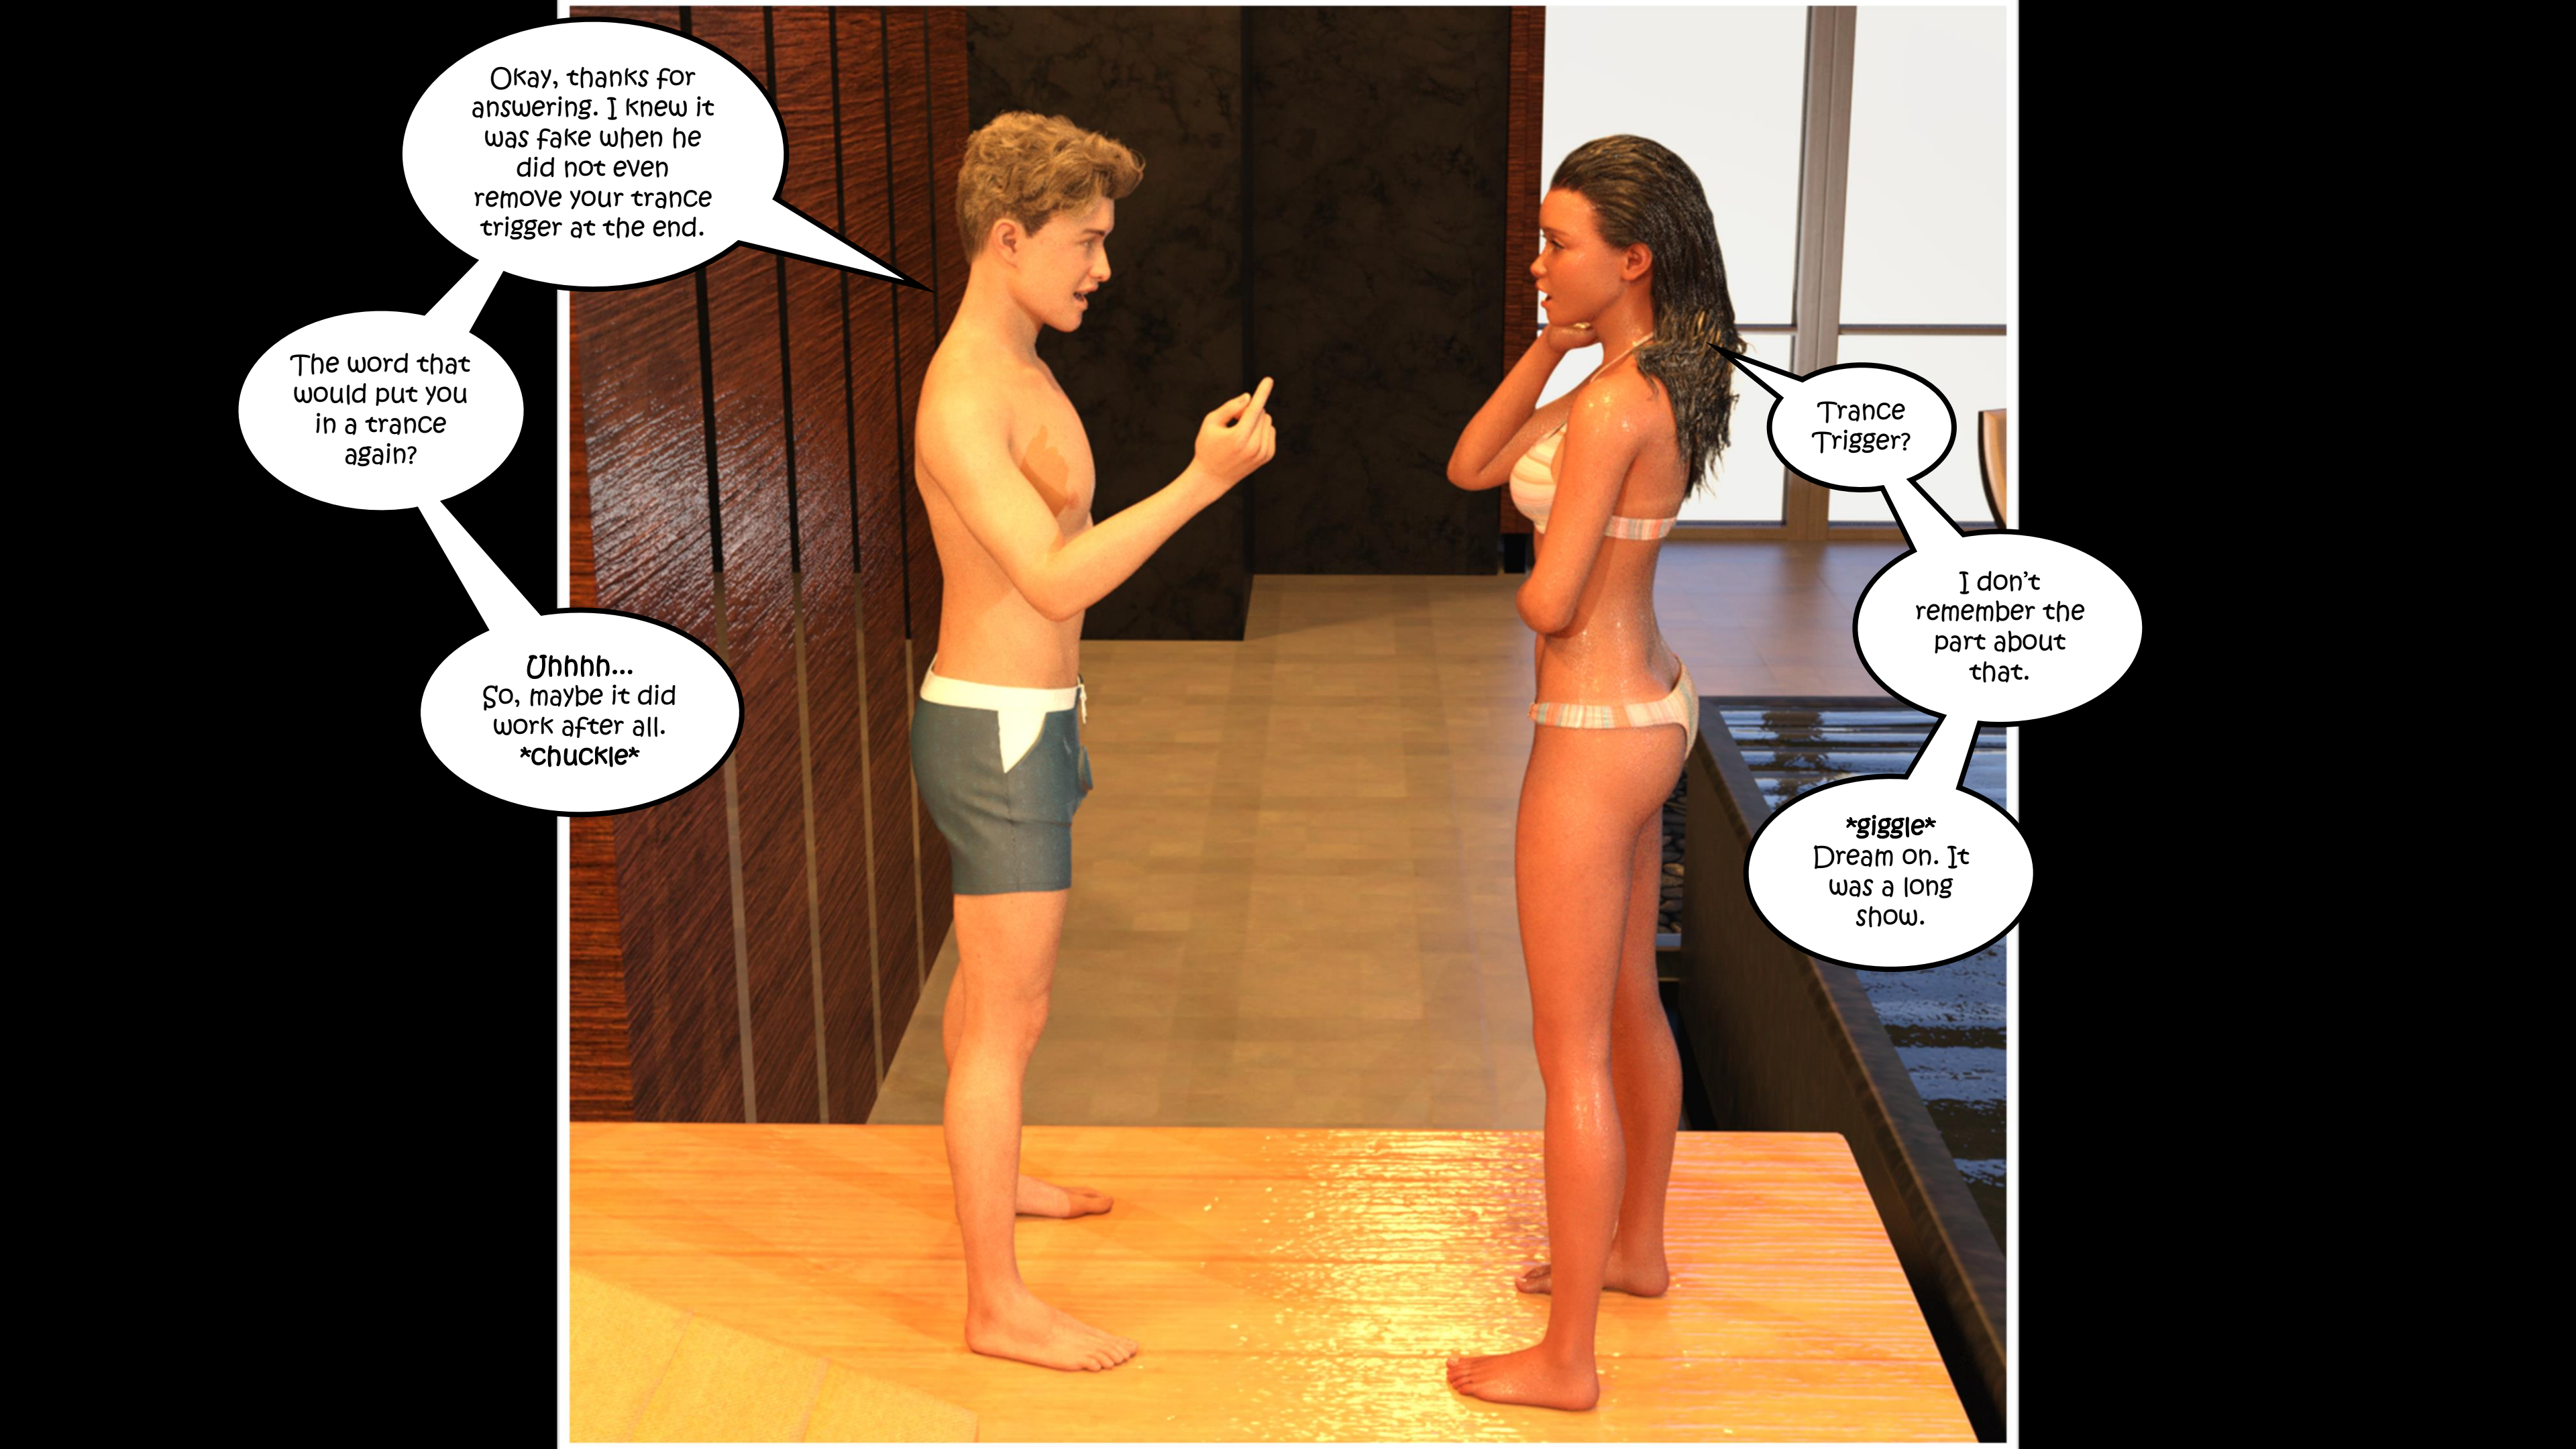

**Yeah!**  
That guy was totally overdressed for these temperatures!

Oh... that. You see, I usually don't do stuff like that, but my mom edged me on.

And when I was on stage... I took pity on that guy. He was sweating there in his magician outfit. *\*giggle\**

So... I decided to go along with the show... I think.

Though I might have drifted off in between. His voice was really soporific! *\*giggle\**

A photograph of a man and a woman standing on a wooden deck, possibly at a spa or pool. The man is on the left, shirtless and wearing blue shorts with a white waistband. He is gesturing with his right hand towards the woman. The woman is on the right, wearing a white and yellow striped bikini. She has her hand to her chin, looking thoughtful. The background shows a dark wood wall and a window. The image is overlaid with a comic-style speech bubble layout.

Okay, thanks for answering. I knew it was fake when he did not even remove your trance trigger at the end.

The word that would put you in a trance again?

Uhhhh...  
So, maybe it did work after all.  
*\*chuckle\**

Trance Trigger?

I don't remember the part about that.

*\*giggle\**  
Dream on. It was a long show.

LOL!

Apple-Pie!

So, you wouldn't fall into a "deep hypnotic trance" when I snap my fingers while saying...

Don't be...

SNAP

Stupid.

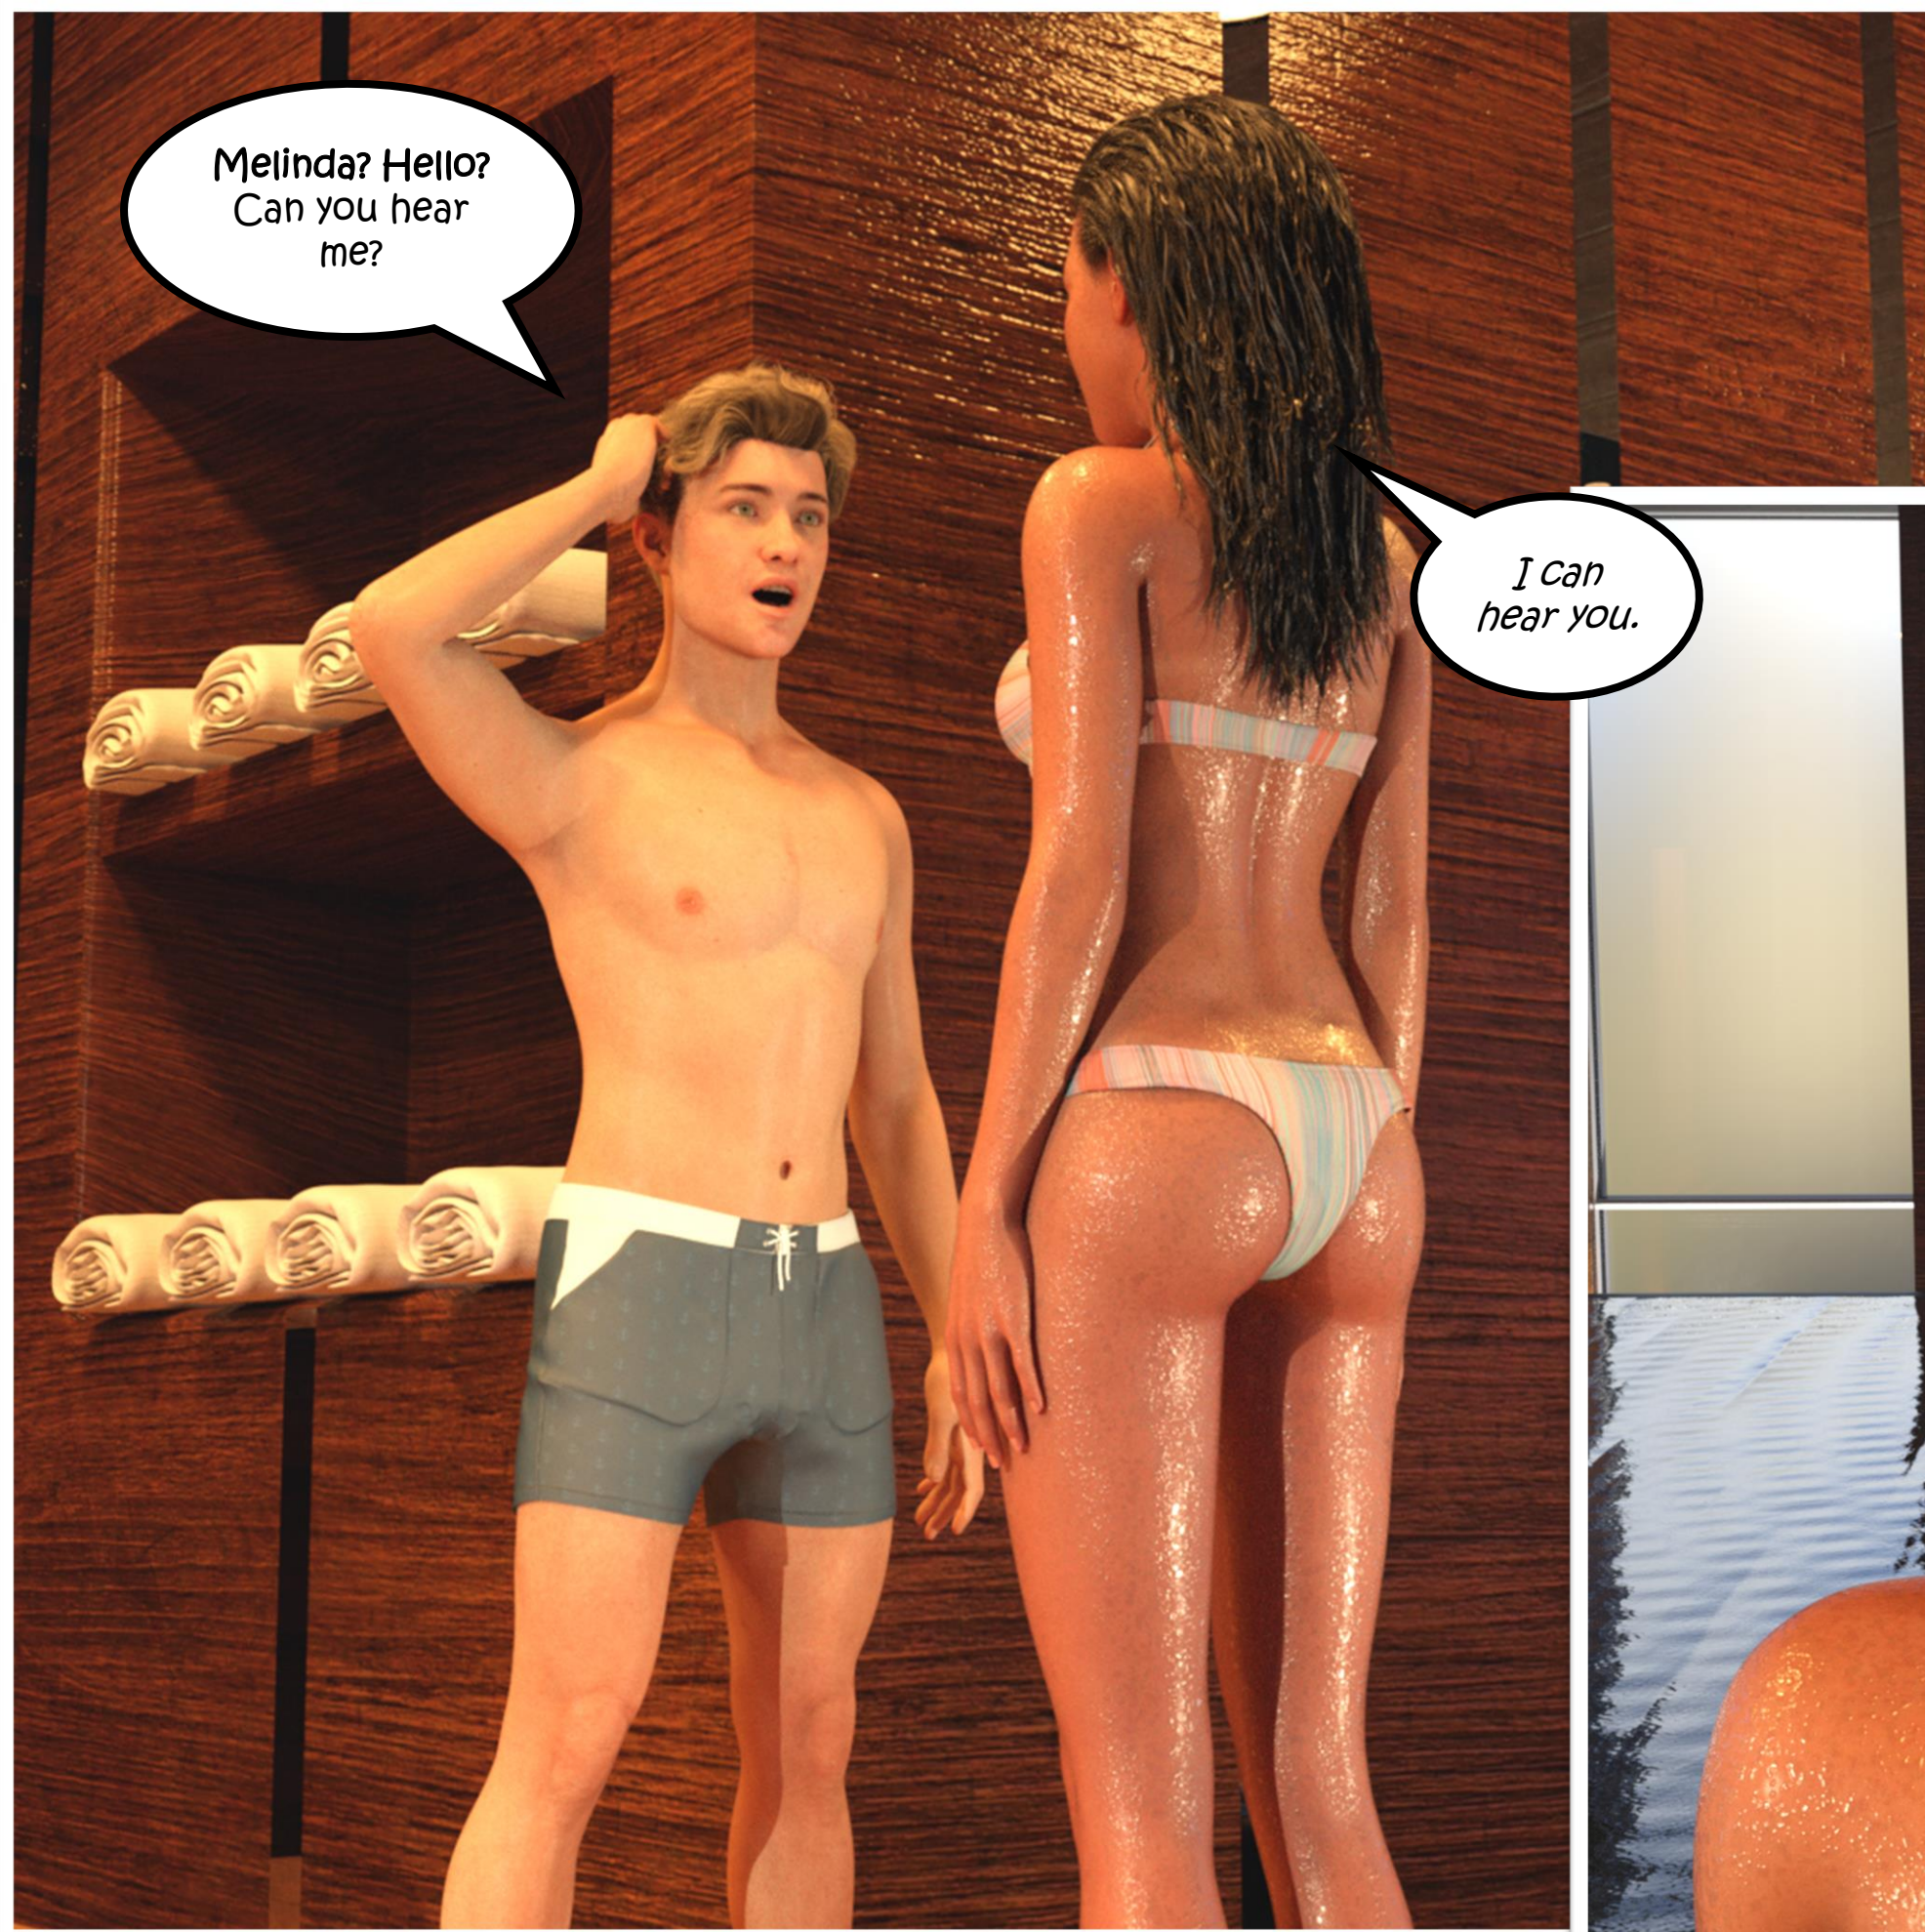

into a  
trance...  
cause of...

Melinda?  
You know... I  
was just joking...

Come on.  
You can stop  
playing me.

Melinda? Hello?  
Can you hear  
me?

*I can  
hear you.*

Melinda, are  
you... \*gulp\*...  
are you in a  
deep hypnotic  
trance?

*Yes, I am in a  
deep hypnotic  
trance.*

Now, I'm sure you all are perfect gentlemen, and you would just remove the helpless girl's trigger and set her free... But David here... he knows exactly what he wants and so our two protagonists end up on a secluded area of the beach like this...

At first, Melinda was rather disgusted by the task of giving head... but... That's nothing a little hypnosis can't fix. Isn't that right Melinda?

Yes, Love.  
When I wake up.  
I'll love sucking COCK.

# End of Teaser!

Hello, Hexxet here,

This is a trance focused comic playing a lot with the emotions of Melinda. And while she will end up giving head it's the hypnotic journey leading to that even that makes this comic special. (Or at least I hope so ^^).

This comic comes out on 06.10.2023. It's **~55 pages** long and entails **~5 pinups**. It's for adults only and available on my Patreon for Connoisseur Tier or in my Gumroad-Shop.
