# Transform or Command IV

The first game night has brought about a few changes. Nicole now has awesome twin tails for hair, Amara has grown a bit in height and a decent amount in bust. Elizabeth got an upgrade in the Boob department as well and Vadim has grown down there... Oh, and Lana has been turned into a blue-eyed blonde against her will, but actually thinks it's not that bad once she inspects herself in the mirror at home. In general, everybody seems happy... until they all get a phone call... it's Amara... THE GAME IS NOT OVER! Oh dear! What did she do? Find out now as we follow Dylan and Nicole back to the frat room to read up on the rules while we see the events happening at Vadim's place in parallel. 😊

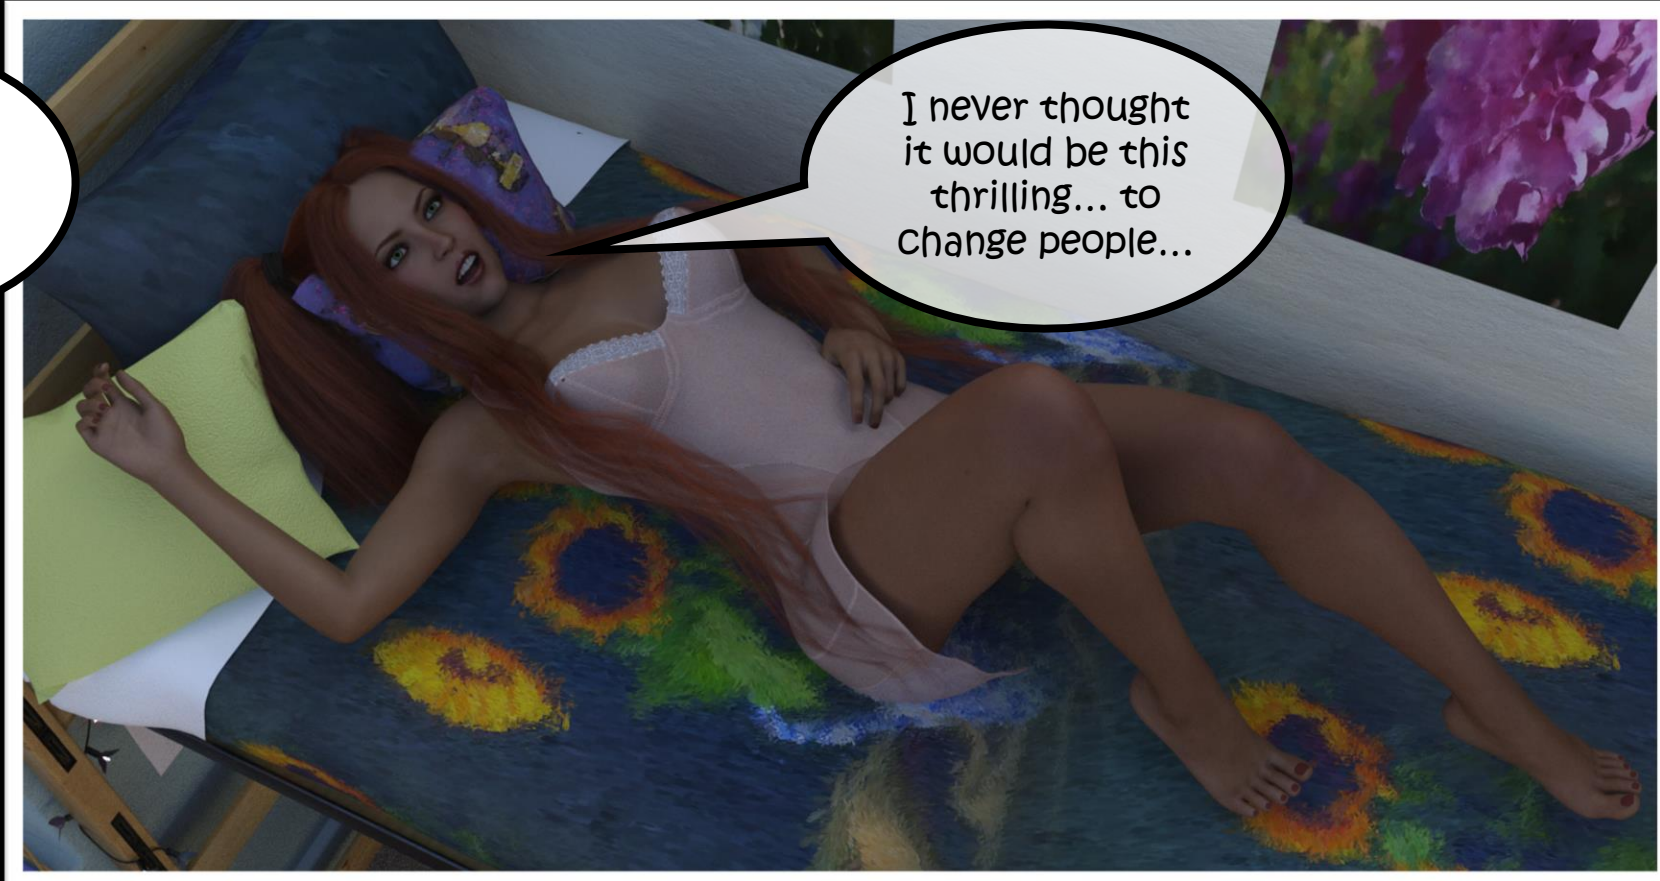

## Featuring

Lana...	a female student, she and Liz found the game
Nicole...	a female student
Elizabeth...	a female student, she has a crush on Dylan
Amara...	a female student, Vadim's girlfriend
Dylan...	a cynic guy who crushes on Nicole and Lana
Vadim...	a very tall guy, Amara's boyfriend

Previously on Transform or Command...

I do look good as a blonde...

I never thought it would be this thrilling... to change people...

When suddenly the phone rings...

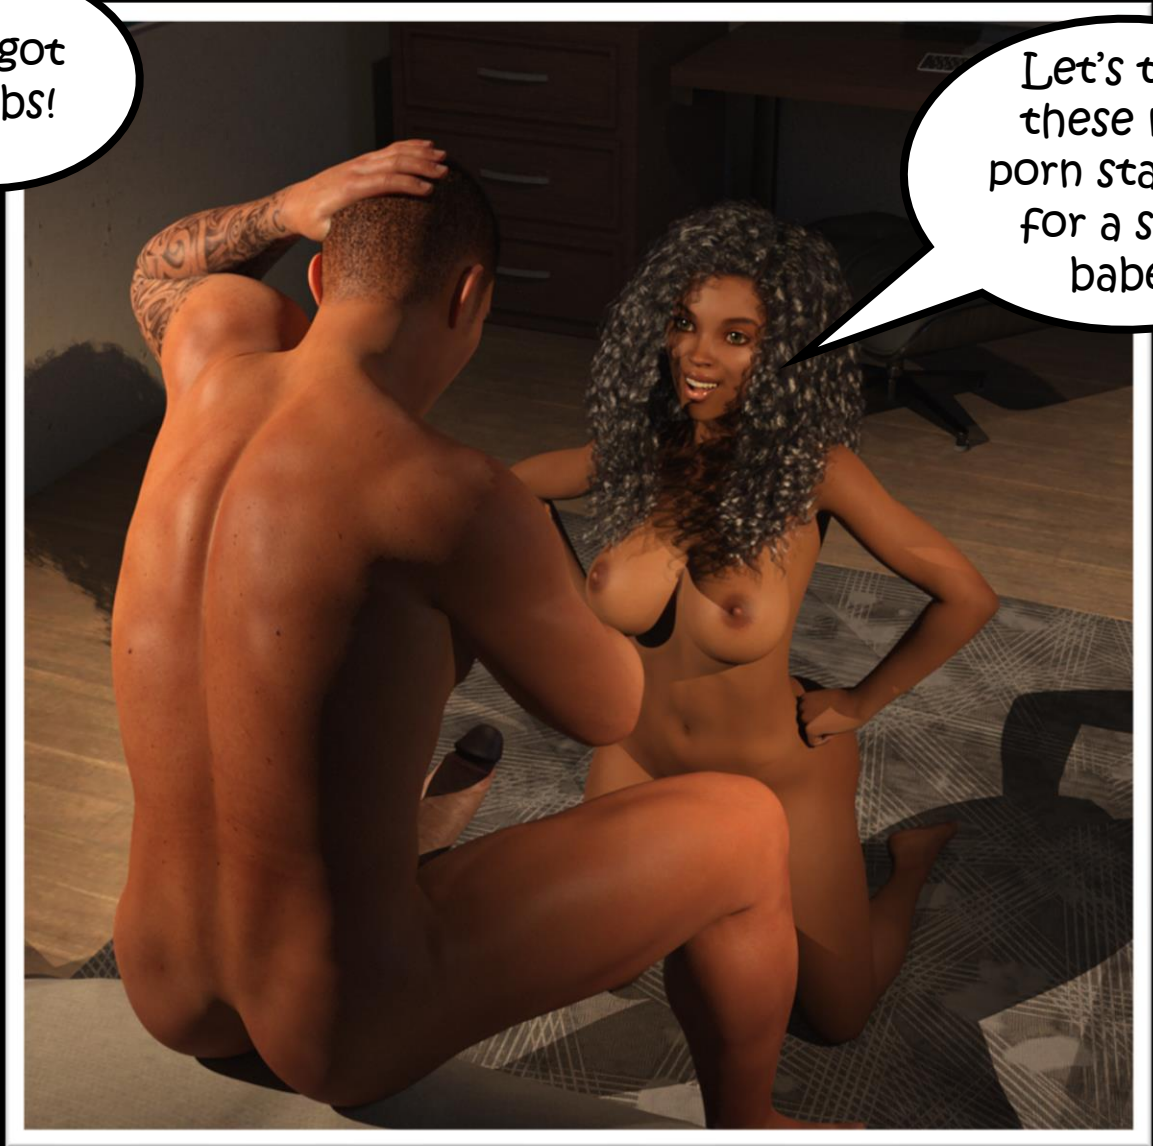

What a day!

After a long game night with various changes and commands, our player ran out of points and went home where they started to inspect their new goods. All of them rather happy with the results (even Lana) and some of them were getting new ideas...

I've got boobs!

Let's take these new porn star tits for a spin, babe.

Can someone please go back to the frat room and look up the rules?

Guys!  
I need your help.  
The game is not over!

You did WHAT?!

I just...

Amara...  
what did you do?

Are you fucking kidding me?!

WHY?!

HOW?!

Amara explaining her problem to the group but not to you, cause Cliffhanger!

## Back to the present... kinda.

We will now follow Nicole and Dylan back to the frat room as they study the rules. But, there will be many pages of flashbacks showing what happened at Vadim/Amara's place.

Dylan and Nicole meet in front of the frat room where they left the game. They were the only ones to follow Amara's call since Liz was deep asleep and Lana was living too far away without a bus at this hour of the night.

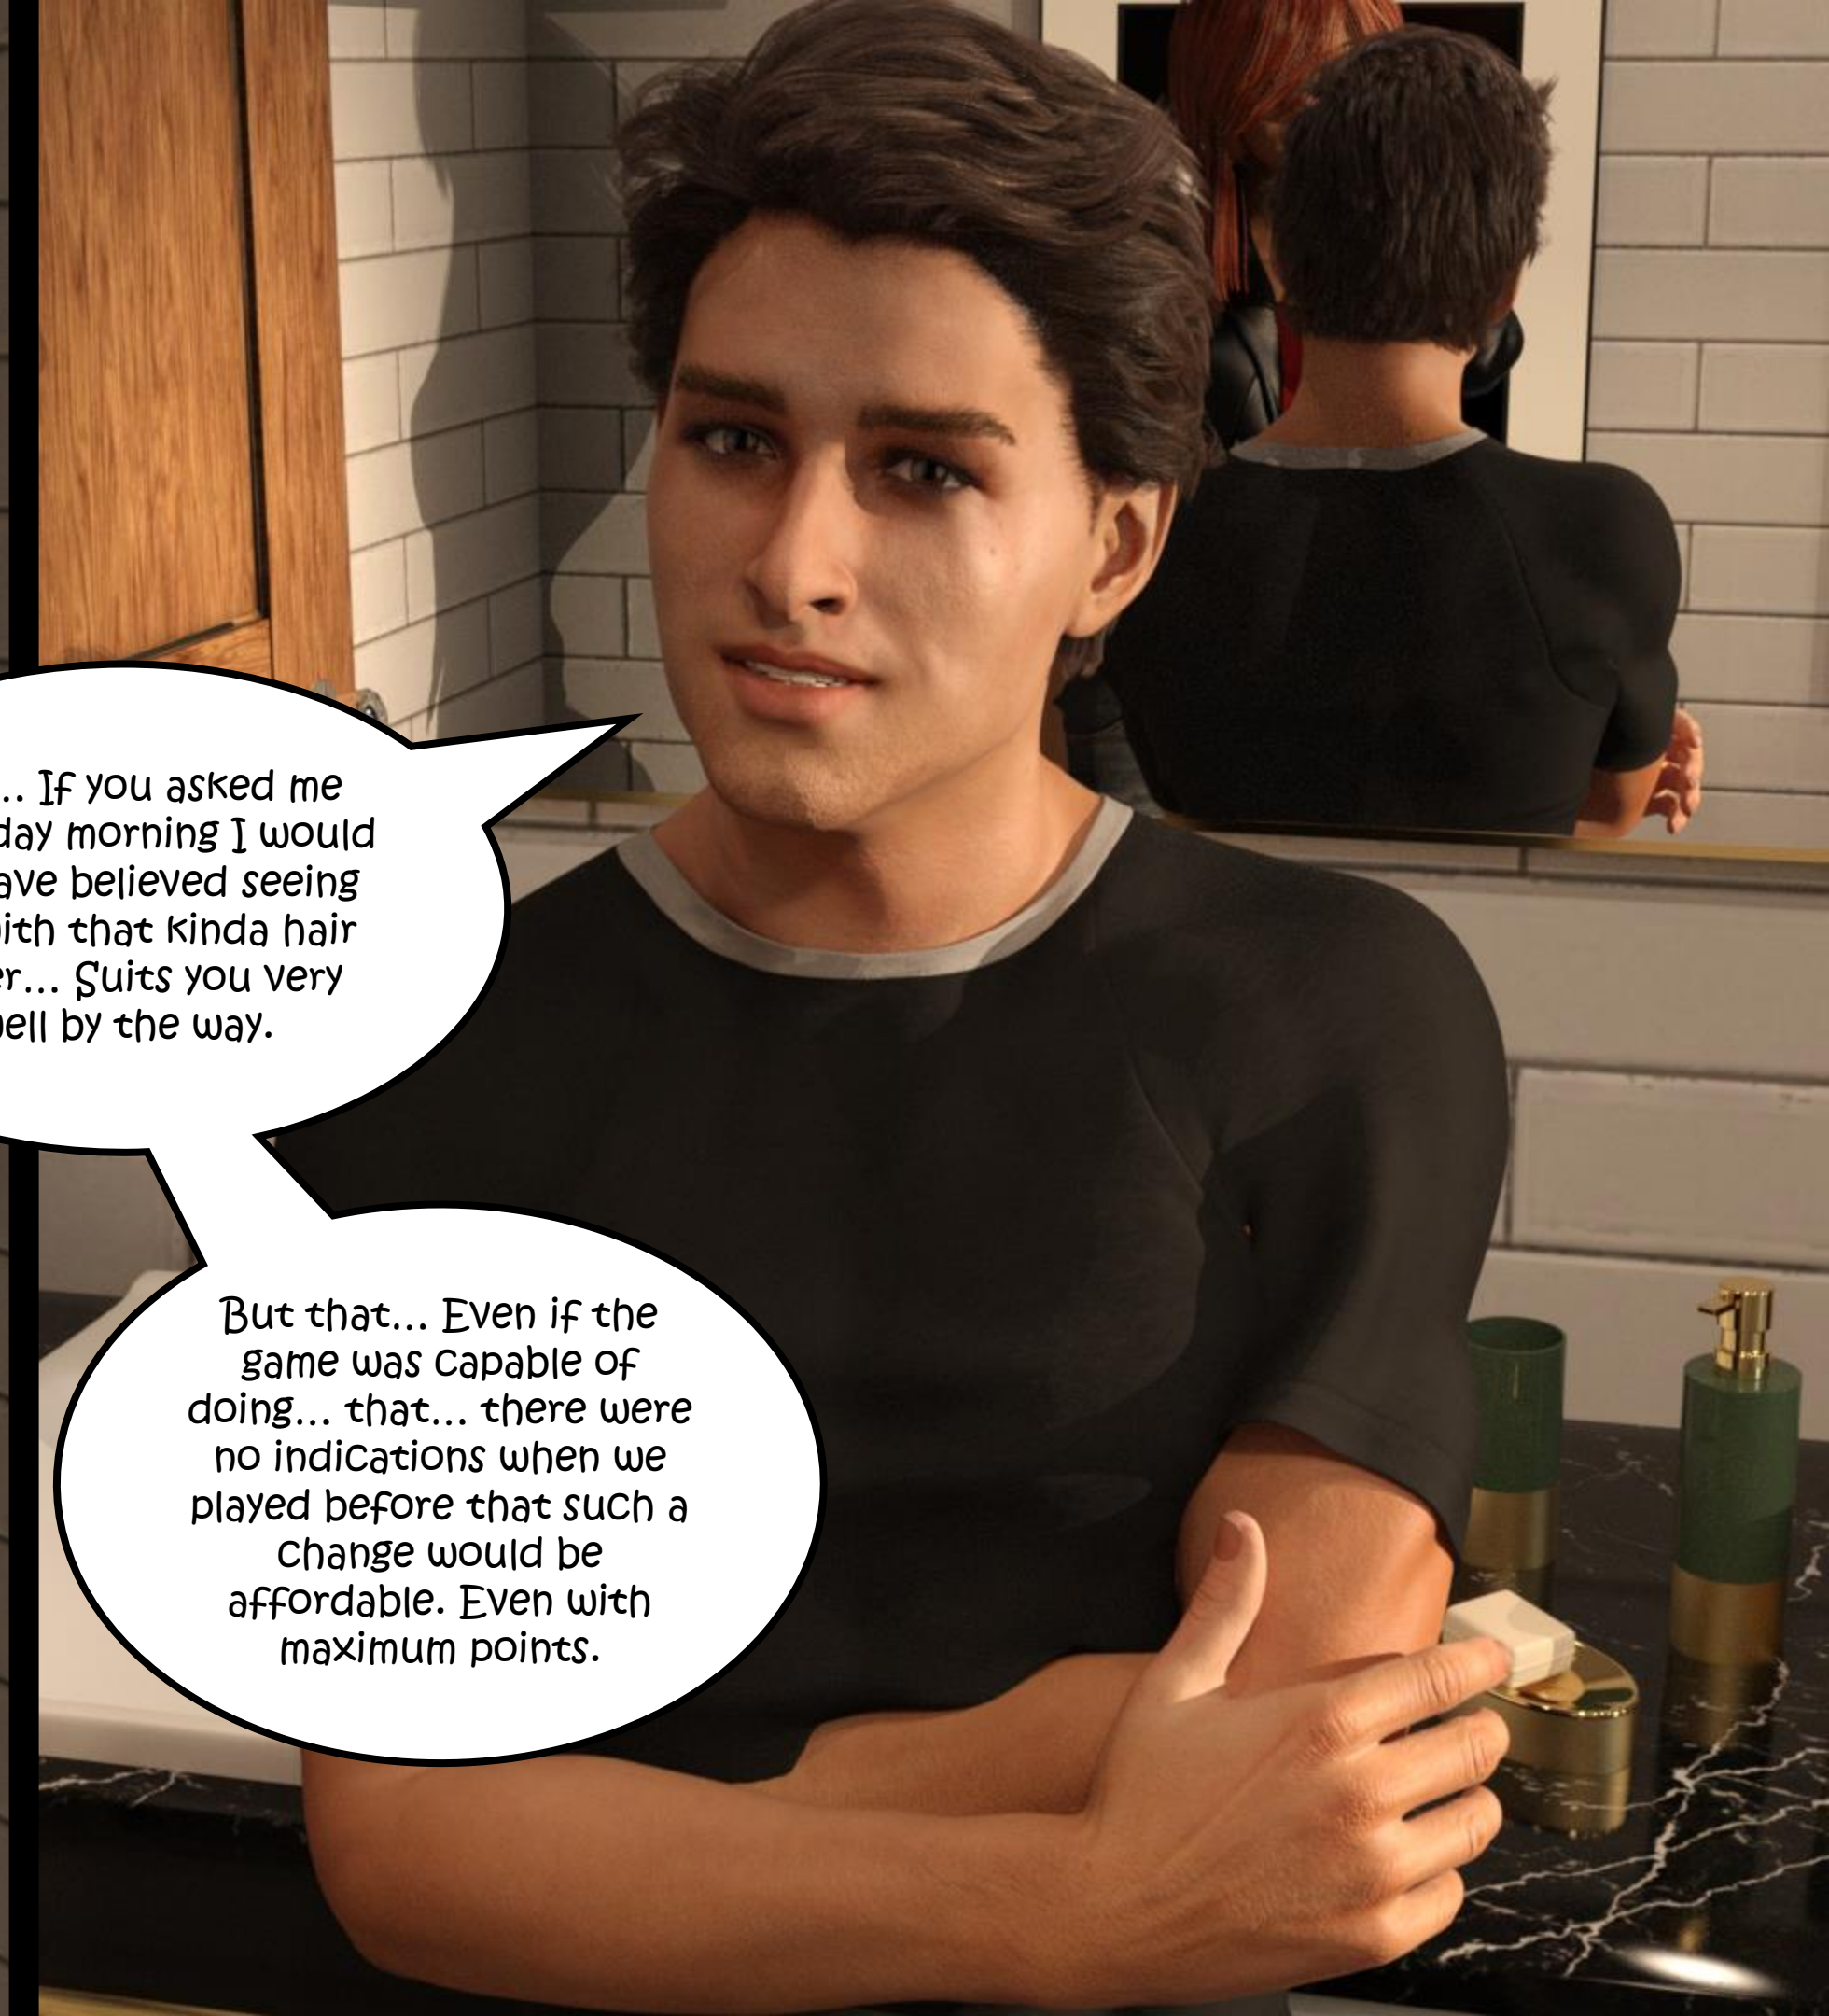

Hi!

Heya.

Can you believe it?

Thanks...

Well... If you asked me yesterday morning I would not have believed seeing you with that kinda hair either... Suits you very well by the way.

But that... Even if the game was capable of doing... that... there were no indications when we played before that such a change would be affordable. Even with maximum points.

Yu.  
Let's go.

But speculating  
doesn't help.  
Let's get in there  
and study up on  
those rules.

Hm... where  
did Lana  
leave that  
rulebook...

Oh,  
no!

No, no, no!

This can't be happening...

Ha!  
There it is!

You'll laugh and cry

FUCK!

You can not TOC somebody who just ToCed you within 10 minutes.

Unless you've been ToCed by somebody else in between.

Yup.  
This is the rulebook.

You can not ToC  
the same target  
within a time  
frame of 15  
minutes.

Somebody really  
thought this  
through. There is  
quite some text  
in here.

You better  
sit down...

OH...

I'm sorry!

Yes!  
Of course!

gulp

Let's ignore my state of dress and focus on the rules... okay?

blush

Later the two inspect the TOC board in the room and stumble upon a curiosity!

Lana	Nicole	Amara	Elizabeth	Vadim	Dylan
95 15	100 20	50 90	85 5	85 5	85 5

They are talking about this number!

Huh?!  
How... how the hell did that happen?

That is a lot of Anti-Karma!

I don't think you  
can do that...  
unintentionally...

But why the  
fuck amass  
Anti Karma?

And how did  
she do it?

Previously back at Amara's place...

I just had a really great idea!

You still have 10 points left, after all!

Chose transform. \*wink\*

Transform or Command, love?

I don't like that gleam in your eyes babe...

Babe? The game is over...

... Transform?

**Spoilers ahead!**

Brilliant!

Now shrink  
down to half  
your size!

-???

+15

This can't be happening!

shrink

I'm so sorry, babe!

I did not think it would work!

We will fix this!
