When Amy, our archeologist and her crew arrive at some old ruins no one would have guessed what ancient evil they are about to unleash...

They truly are marvelous!

If Amy did not bring her ex-boyfriend and his new floozy along everything might have gone different...

Inside the temple Amy finds strange reliefs. They seem to show a lot of women in front of a palace - kneeling in devotion.

That's a lot of women...

As Amy progresses - studying the old drawings - she notices them getting lewder the deeper into the ruins she wanders.

Then all of a sudden, the depiction of orgies and naked women breaks off and Amy is left standing before the final relief depicting a man shrouded in darkness.

No... not a man. A demon! Or at least that's what Amy can make out of the etchings below.

"Here rests Nemmis, the conqueror."

"May this devil's essence stay trapped forever in the orb of oblivion...."

Wow. People must have really hated this guy...

Come to meee...

And then Amy opens a door she better should have left shut...

Take me
with you...

Not wanting to return empty-handed, Amy bags the artifact and heads back to camp.

That night at camp, everybody was having strange dreams...

Jake...

What do you wish for?

Why can't they get along?

Want to be liked.

All of them are offered unlimited wishes in exchange for their soul once all their life goals are fulfilled.

A foolish deal... who'd ever take it?

Then hear
my first
wish, devil!

I **wish** Jake would
see Tiffany for what
she truly is: A dumb
vapid bimbo thinking
only about looks and
sex!

Consider
it done.

A woman with long brown hair in a braid stands in a tent. She is surrounded by digital sparkles in shades of purple, green, and pink. A speech bubble is positioned near her head.

Oh, my!
I feel
strange...

Getting
hard to
think...

Boobies?!

What were we like talking before my boobies got all big and bouncy?

Amy hates you and used a wish to stick it to you.

She did?

That's like totally sad!

I **wish** she'd be more like me, then she could understand me and we could be like besties!

Wish granted!

squish

squish

Back with Amy...

I can't wait
for Jake to
see Tiffany
again!

If that devil is
legit... Jake
will soon be
mine again!

A sudden shift in weight lets Amy lose her balance and she shortly tumbles forward but catches her fall.

Wahhh

What the...
my breasts?

After the girls' transformations they meet in camp...

Me?
Amy?!
Amy! You like look like Tiffany! I like mean me!

Tiffany?!
Like what did you like do?!

I like kinda know you did something!

But thinking's hard!

I just wish that those two girls would get along.

So, we have a deal!

What is your first wish.

Moments later...

kiss

slurp

But how will it go from there...

Our
bodies are
yours.

We will do
anything you
demand of
us!
