Previously on "Transform or Command"...

We'll have you back to normal size in no time!
Promise!

Amara turns around, not able to look her poor boyfriend in the eye any longer, and confronts Vadim with an impressive backside view.

Oh, god, oh god, oh god.

Wow!

Amara?!

Yes, love?

Transform or Command?

Now let the story continue!

What?!

Babe! My change list can wait until we have you back.

I... I... choose Command.

FUCK me!

Why did I say that?

I wanted to choose transform!

Amara is not too thrilled about fucking her midget boyfriend... Or is it just the situational stress?

You cannot choose the same option more than twice in a row.

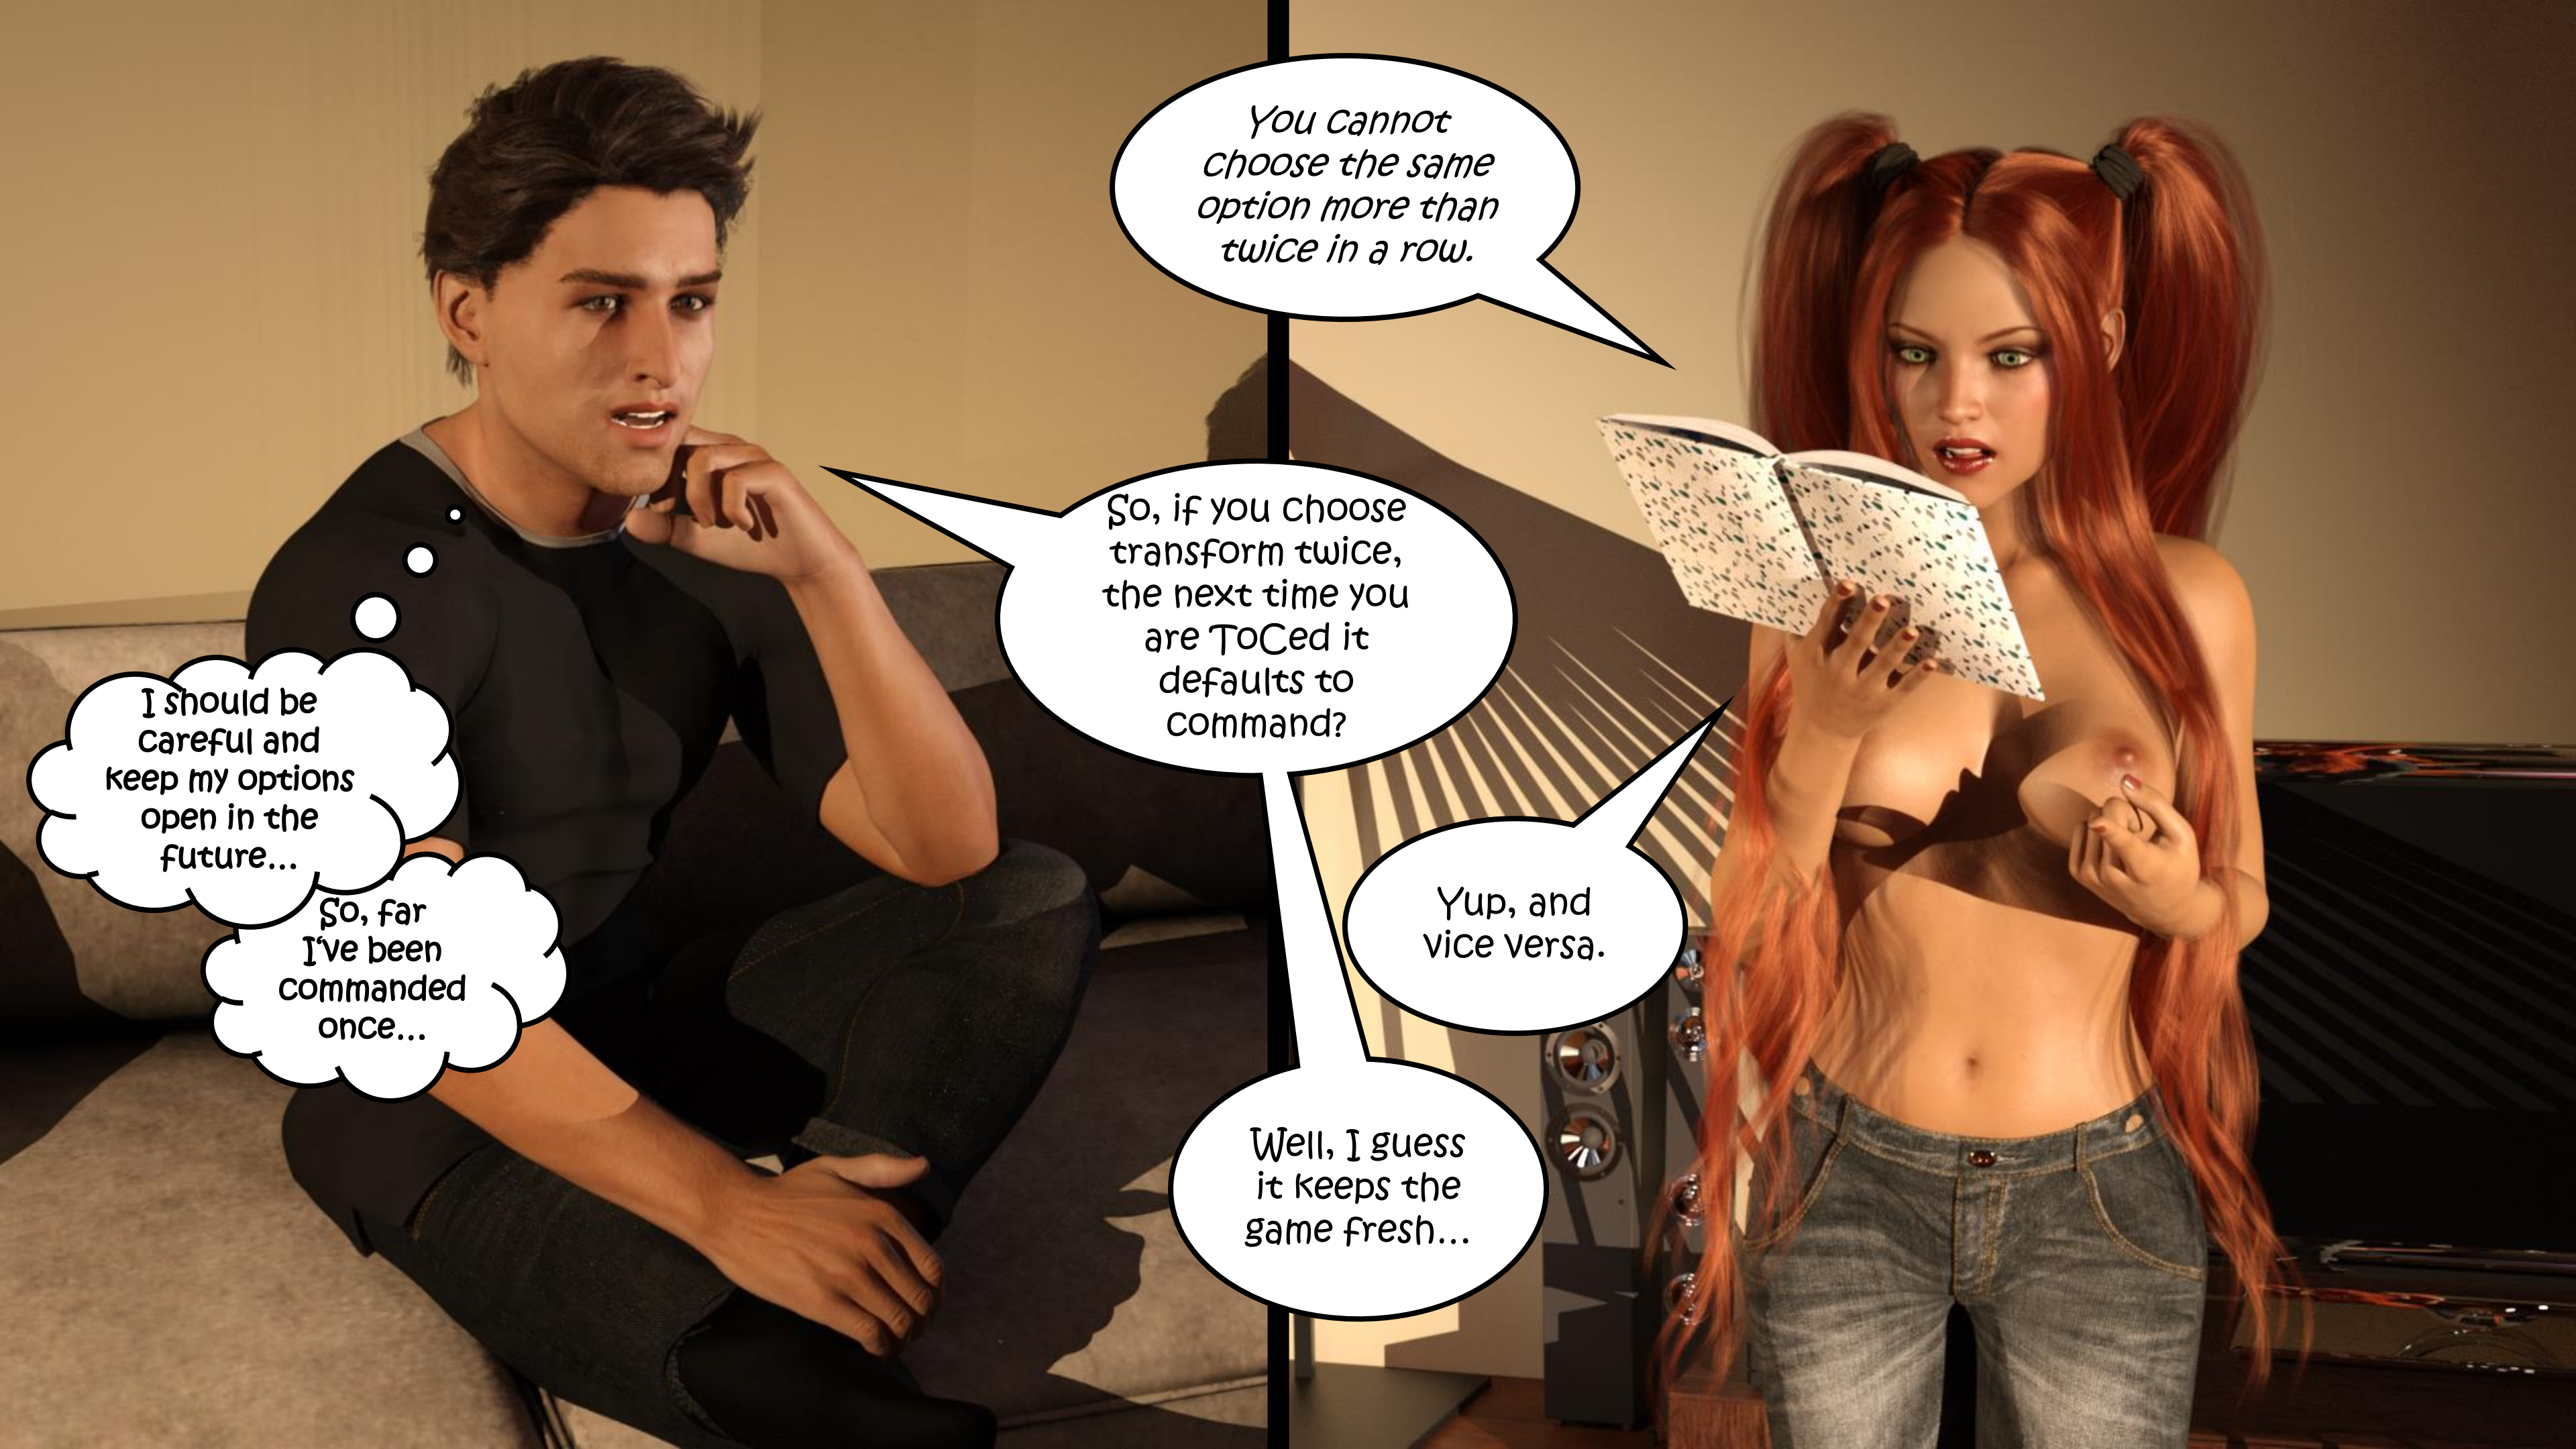

So, if you choose transform twice, the next time you are ToCed it defaults to command?

Yup, and vice versa.

Well, I guess it keeps the game fresh...

I should be careful and keep my options open in the future...

So, far I've been commanded once...

You can't
be serious!

I mean... **YOU**
are tiny!

This is ridiculous...

Let's make the best out of a bad situation!

Will it even work?

Sure thing!
My dick's the only thing that did not shrink!

That dick is fixed to 10 inches by a ToC. Only a ToC directly targeting that cock can change it again.

I don't want to hurt you.

Are you sure about this?

Hell, yeah!

Oh, god...
I can feel my body move on its own already!

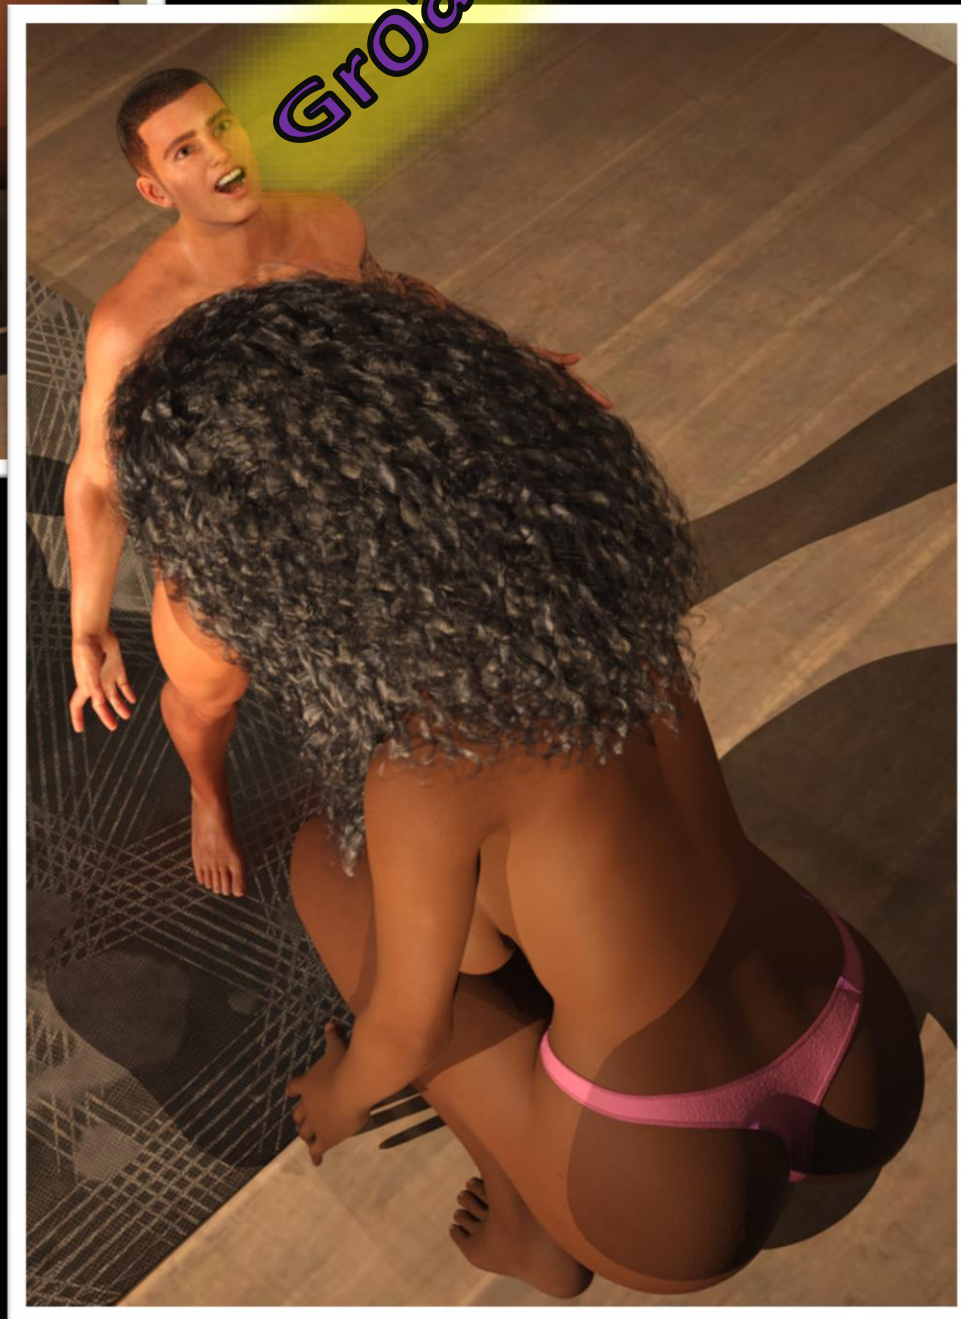

It really did not shrink!

Oh, yeah! Your mouth feels so good, babe!

I can't believe we are doing this!

This chapter will mostly deal with these two lovebirds making love.

I'm not hurting you, am I?

You are so small after all...

Don't stop!
It feels AMAZING!

Shrunken Vadim gives his best to pleasure his girlfriend...

Cum on my big porn star tiddies, love!

But we'll also follow the other
Characters a little...

Like Lana who's sitting at home worrying...

I knew it!
That game is dangerous!

How?
Did she shrink him on purpose?

Nah. She sounded quite flustered on the phone.

FUCK!
This whole situation is crazy!

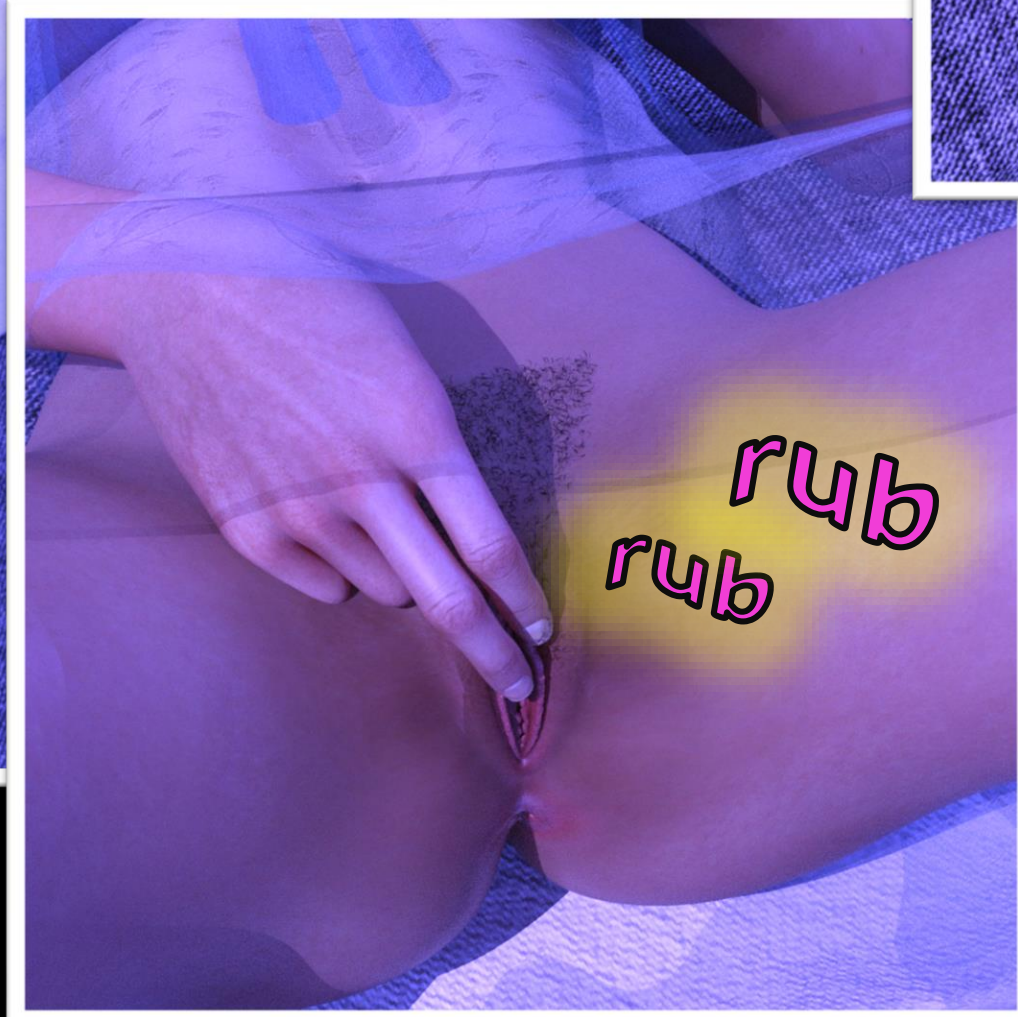

Or Liz, who's having a vivid dream while sleeping through all of the commotion!

Oh, Dylan!

Of course, we will also follow Dylan and Nicole who are still studying up on those rules...

In the later phases of the game, your points are enough to completely enslave another player?!

End of Teaser!
