Christmas Gaming

It's Christmas Eve and James is having a lovely evening meal with his family... or at least that's how he had imagined Christmas. But no! They had to invite Stella, Irene's sister and, as always, she keeps picking on James trying to make him look bad in front of his family. And it's working. His stepdaughter Gina is already looking down on him and his wife is having doubts as well. James gets quite frustrated and thinks back to the good old days when he was gaming in his room... Time for a Christmas miracle! Under the tree he finds a present with a gaming console in it, and when he turns it on it's a Sims-like simulation. But the characters are him and his family? And anything he makes them do in the game happens in real life?! Thank you, Santa!

Featuring

James...	A working man with a family
Irene...	James' wife
Gina...	James' stepdaughter
Stella...	Irene's sister. She hates James.

It's Christmas Eve and James has just finished dinner with his family...

It was a lovely meal, honey.

James.

Thanks, dear!

Irene, James' wife.

You know,
you could
have cooked
yourself,
James.

I'm sure Irene's
already had
enough on her
hands putting
up all this lovely
décor.

Stella, Irene's sister. Does not like James.

Gina, Irene's daughter. James's stepdaughter.

Yeah, Dad!
You could
have cooked!

James thinks back...

I was so hyped for the Sims! I put on some good music and when the installer finally finished up...

February the fourth, 2000 AD.

I played through for weeks! Except for Food, sleep and school...

It was my first simulation game. And I loved it! I spent hours creating myself and the people around me... then spent days to get my character score with the girl of my dreams.
chuckle ... *sigh*... those were easier times...

A little while later our family gathers around the Christmas tree and sings a Christmas song.

It's the most wonderful time of the year...

With the kids jingle belling

And everyone telling you be of good cheer.

It's the most wonderful time of the year.

O.M.G.!!
Dad, you
really can't
sing.

giggle

giggle

Mean... but
true. Welp, at
least I try.

It's not the
only thing
he can't do.
chuckle

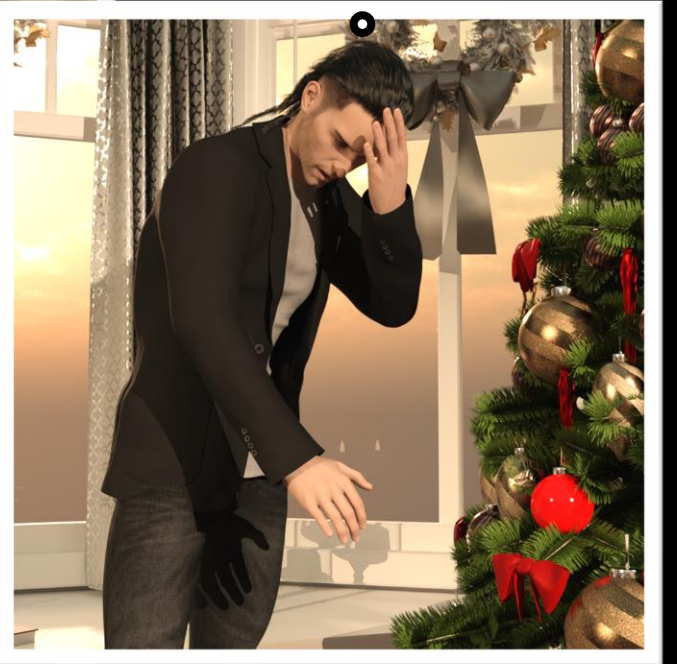

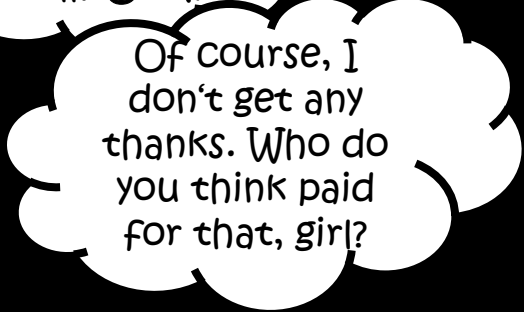

Oh, boy!
This is gonna be
a long Christmas
night...

giggle

After the singing, it's finally time for presents!

I wonder what
it could be...
Please don't let
it be socks...

Let's turn this
baby on... Oh,
nice! It's already
juiced up.

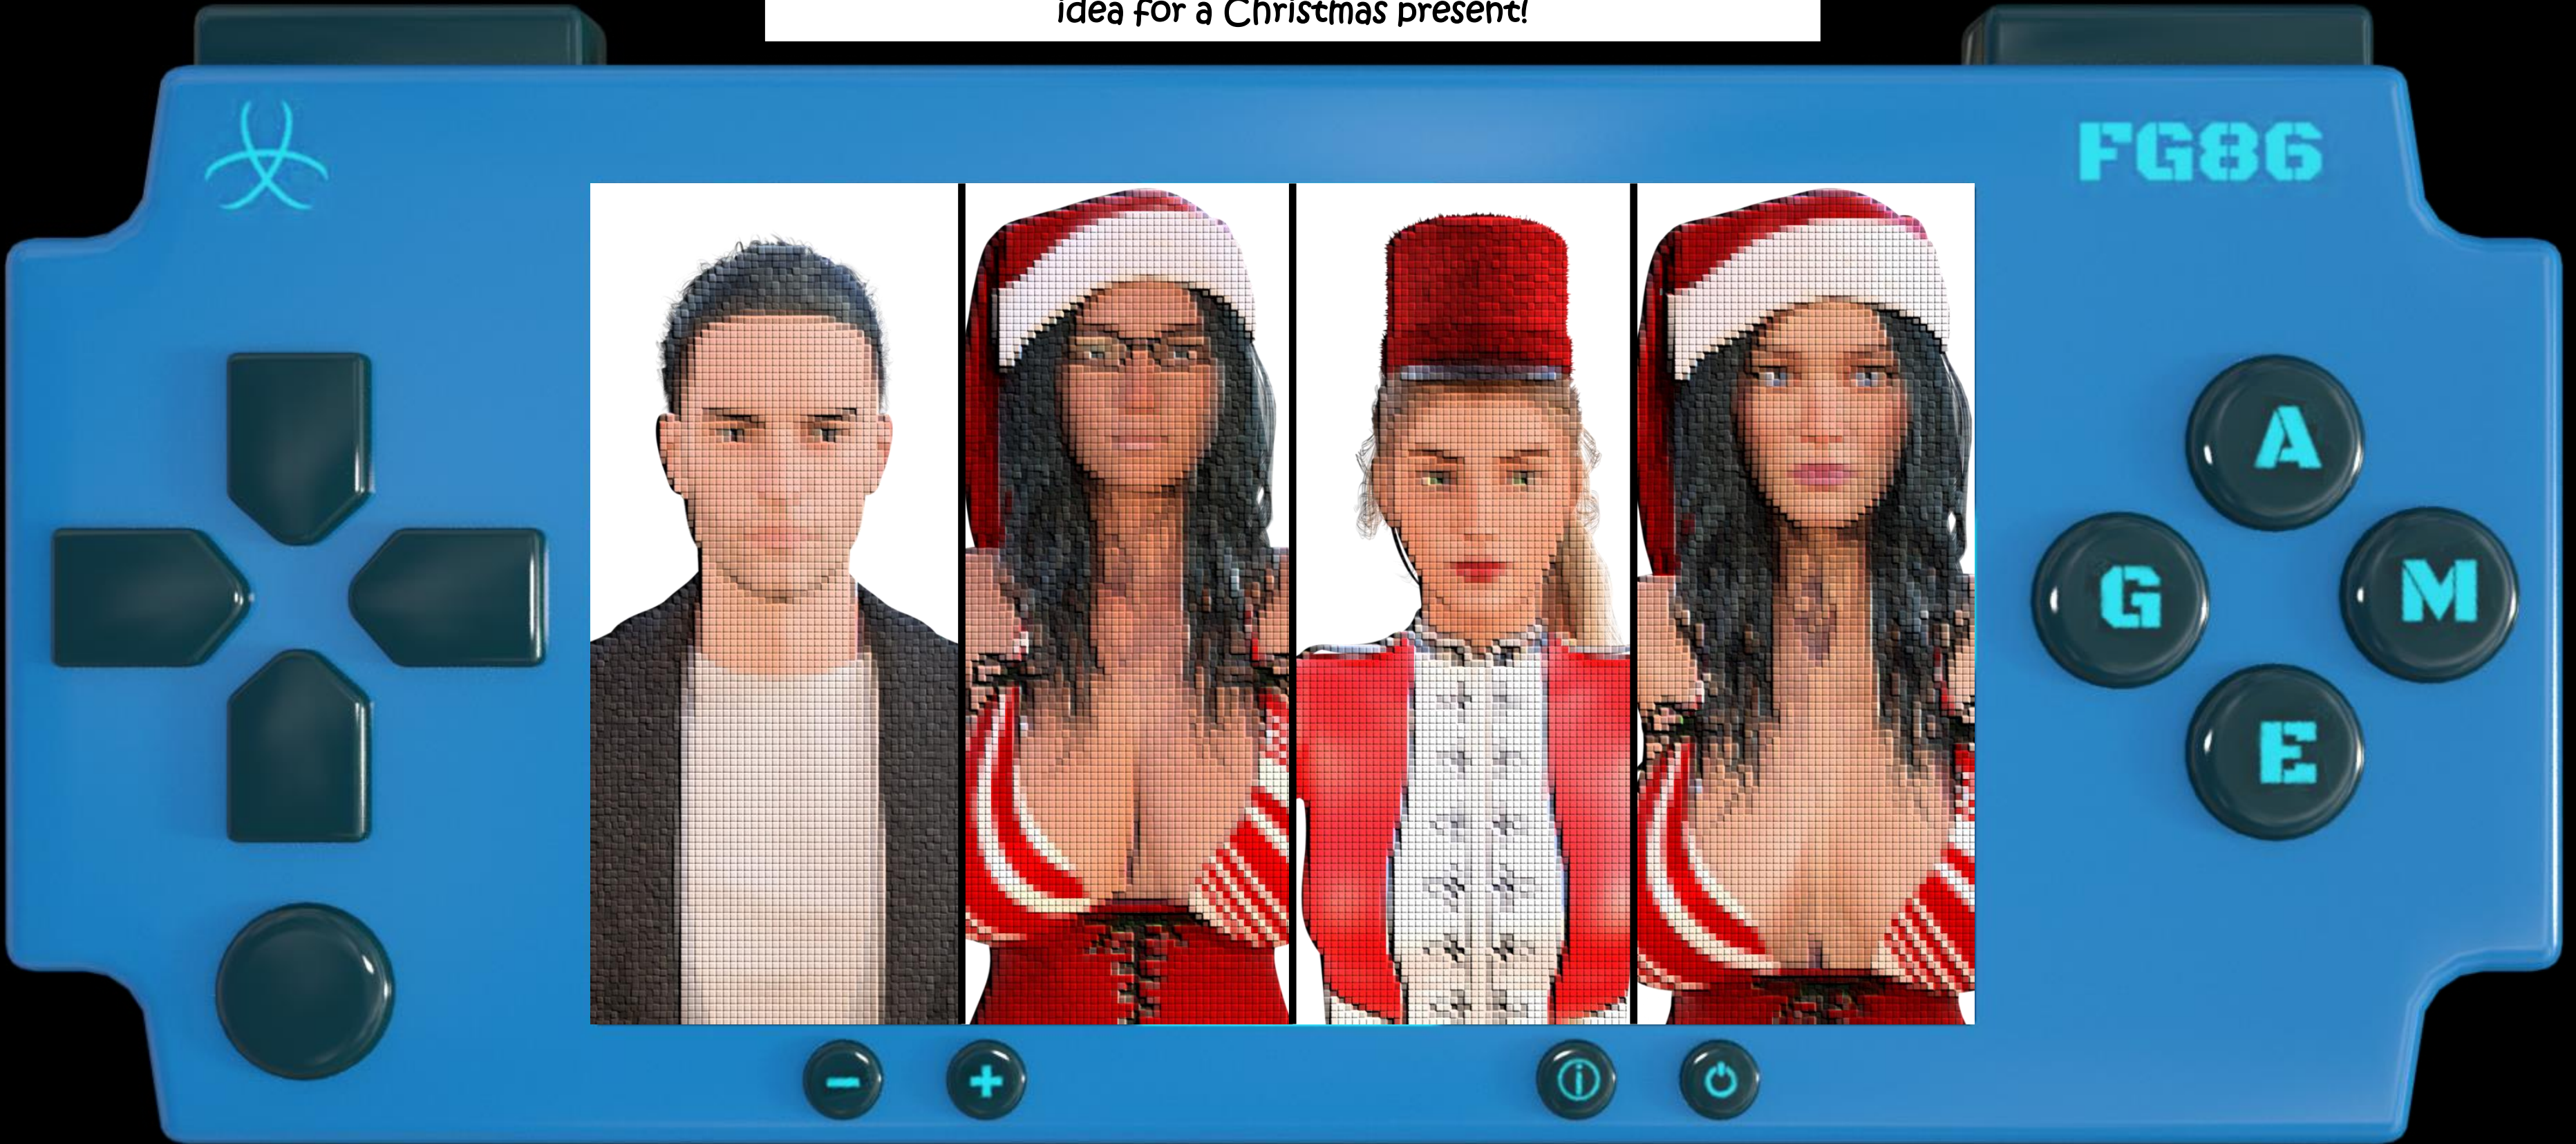

A console?!
Awesome!

As the game starts, James can't believe his eyes. He finds himself in the character screen and there are already characters resembling him and his family! Had somebody created them in advance? **What a lovely idea for a Christmas present!**

1 Hey, girls.
That's really a lovely present!
Thank you.

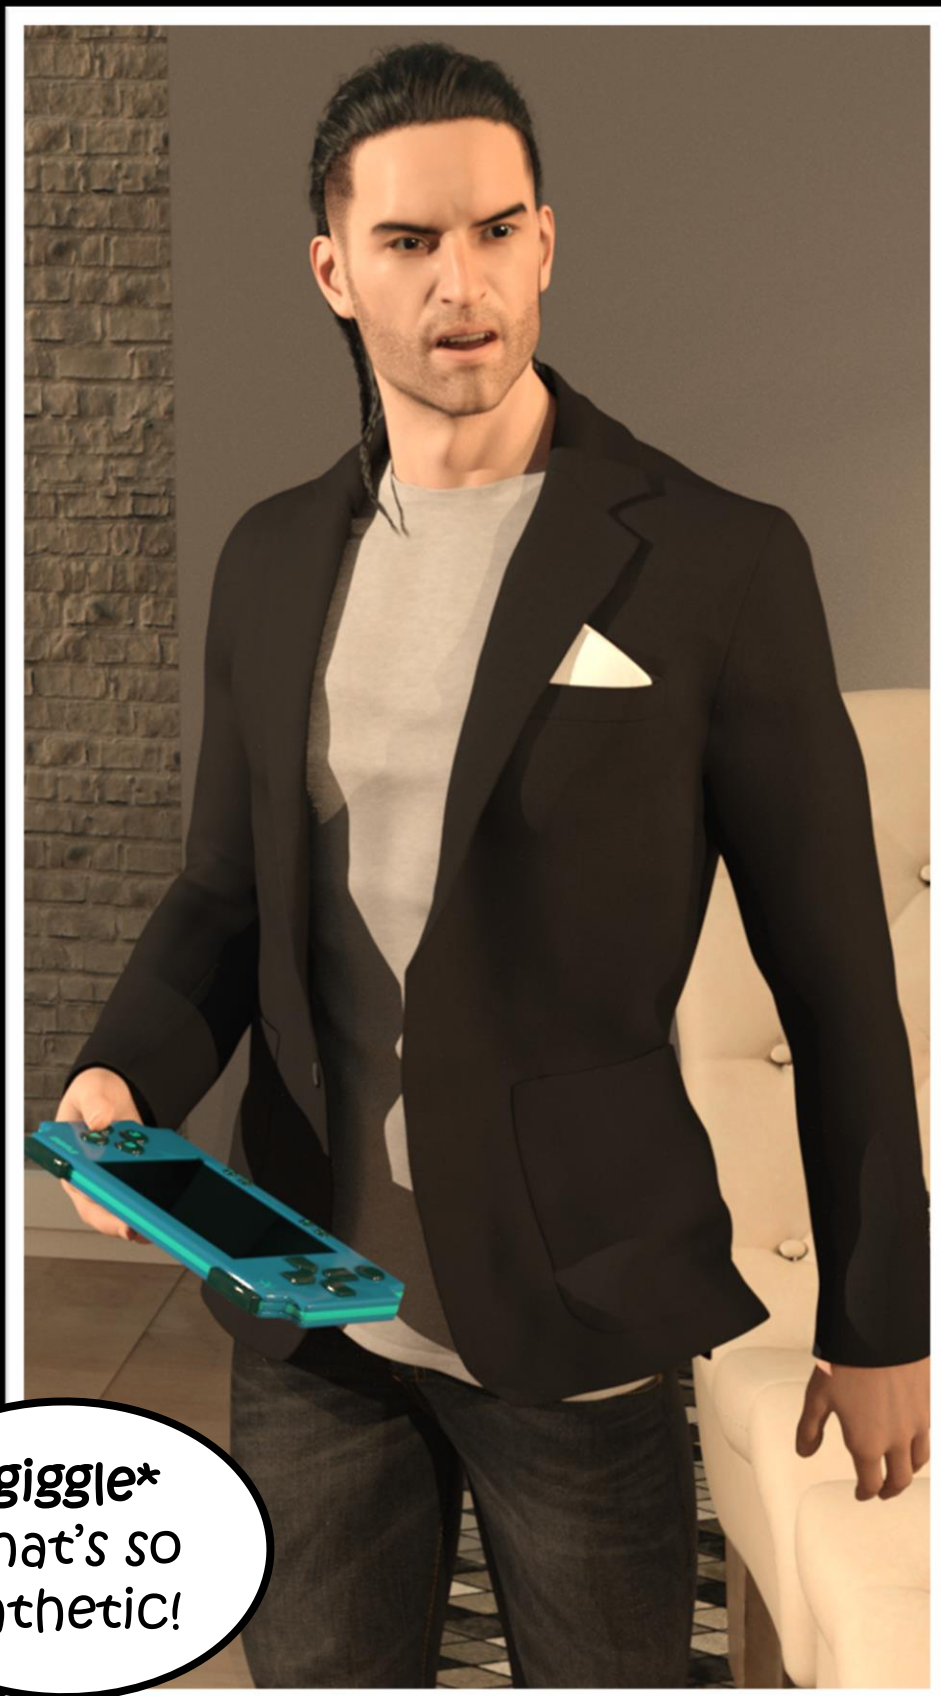

2 We said no presents this year... It's not from me...

3 Lol.
It's not from me.

Ha-ha!
He probably bought it for himself!

giggle
That's so pathetic!

Irritated and disgruntled by their reaction James leaves the Livingroom...

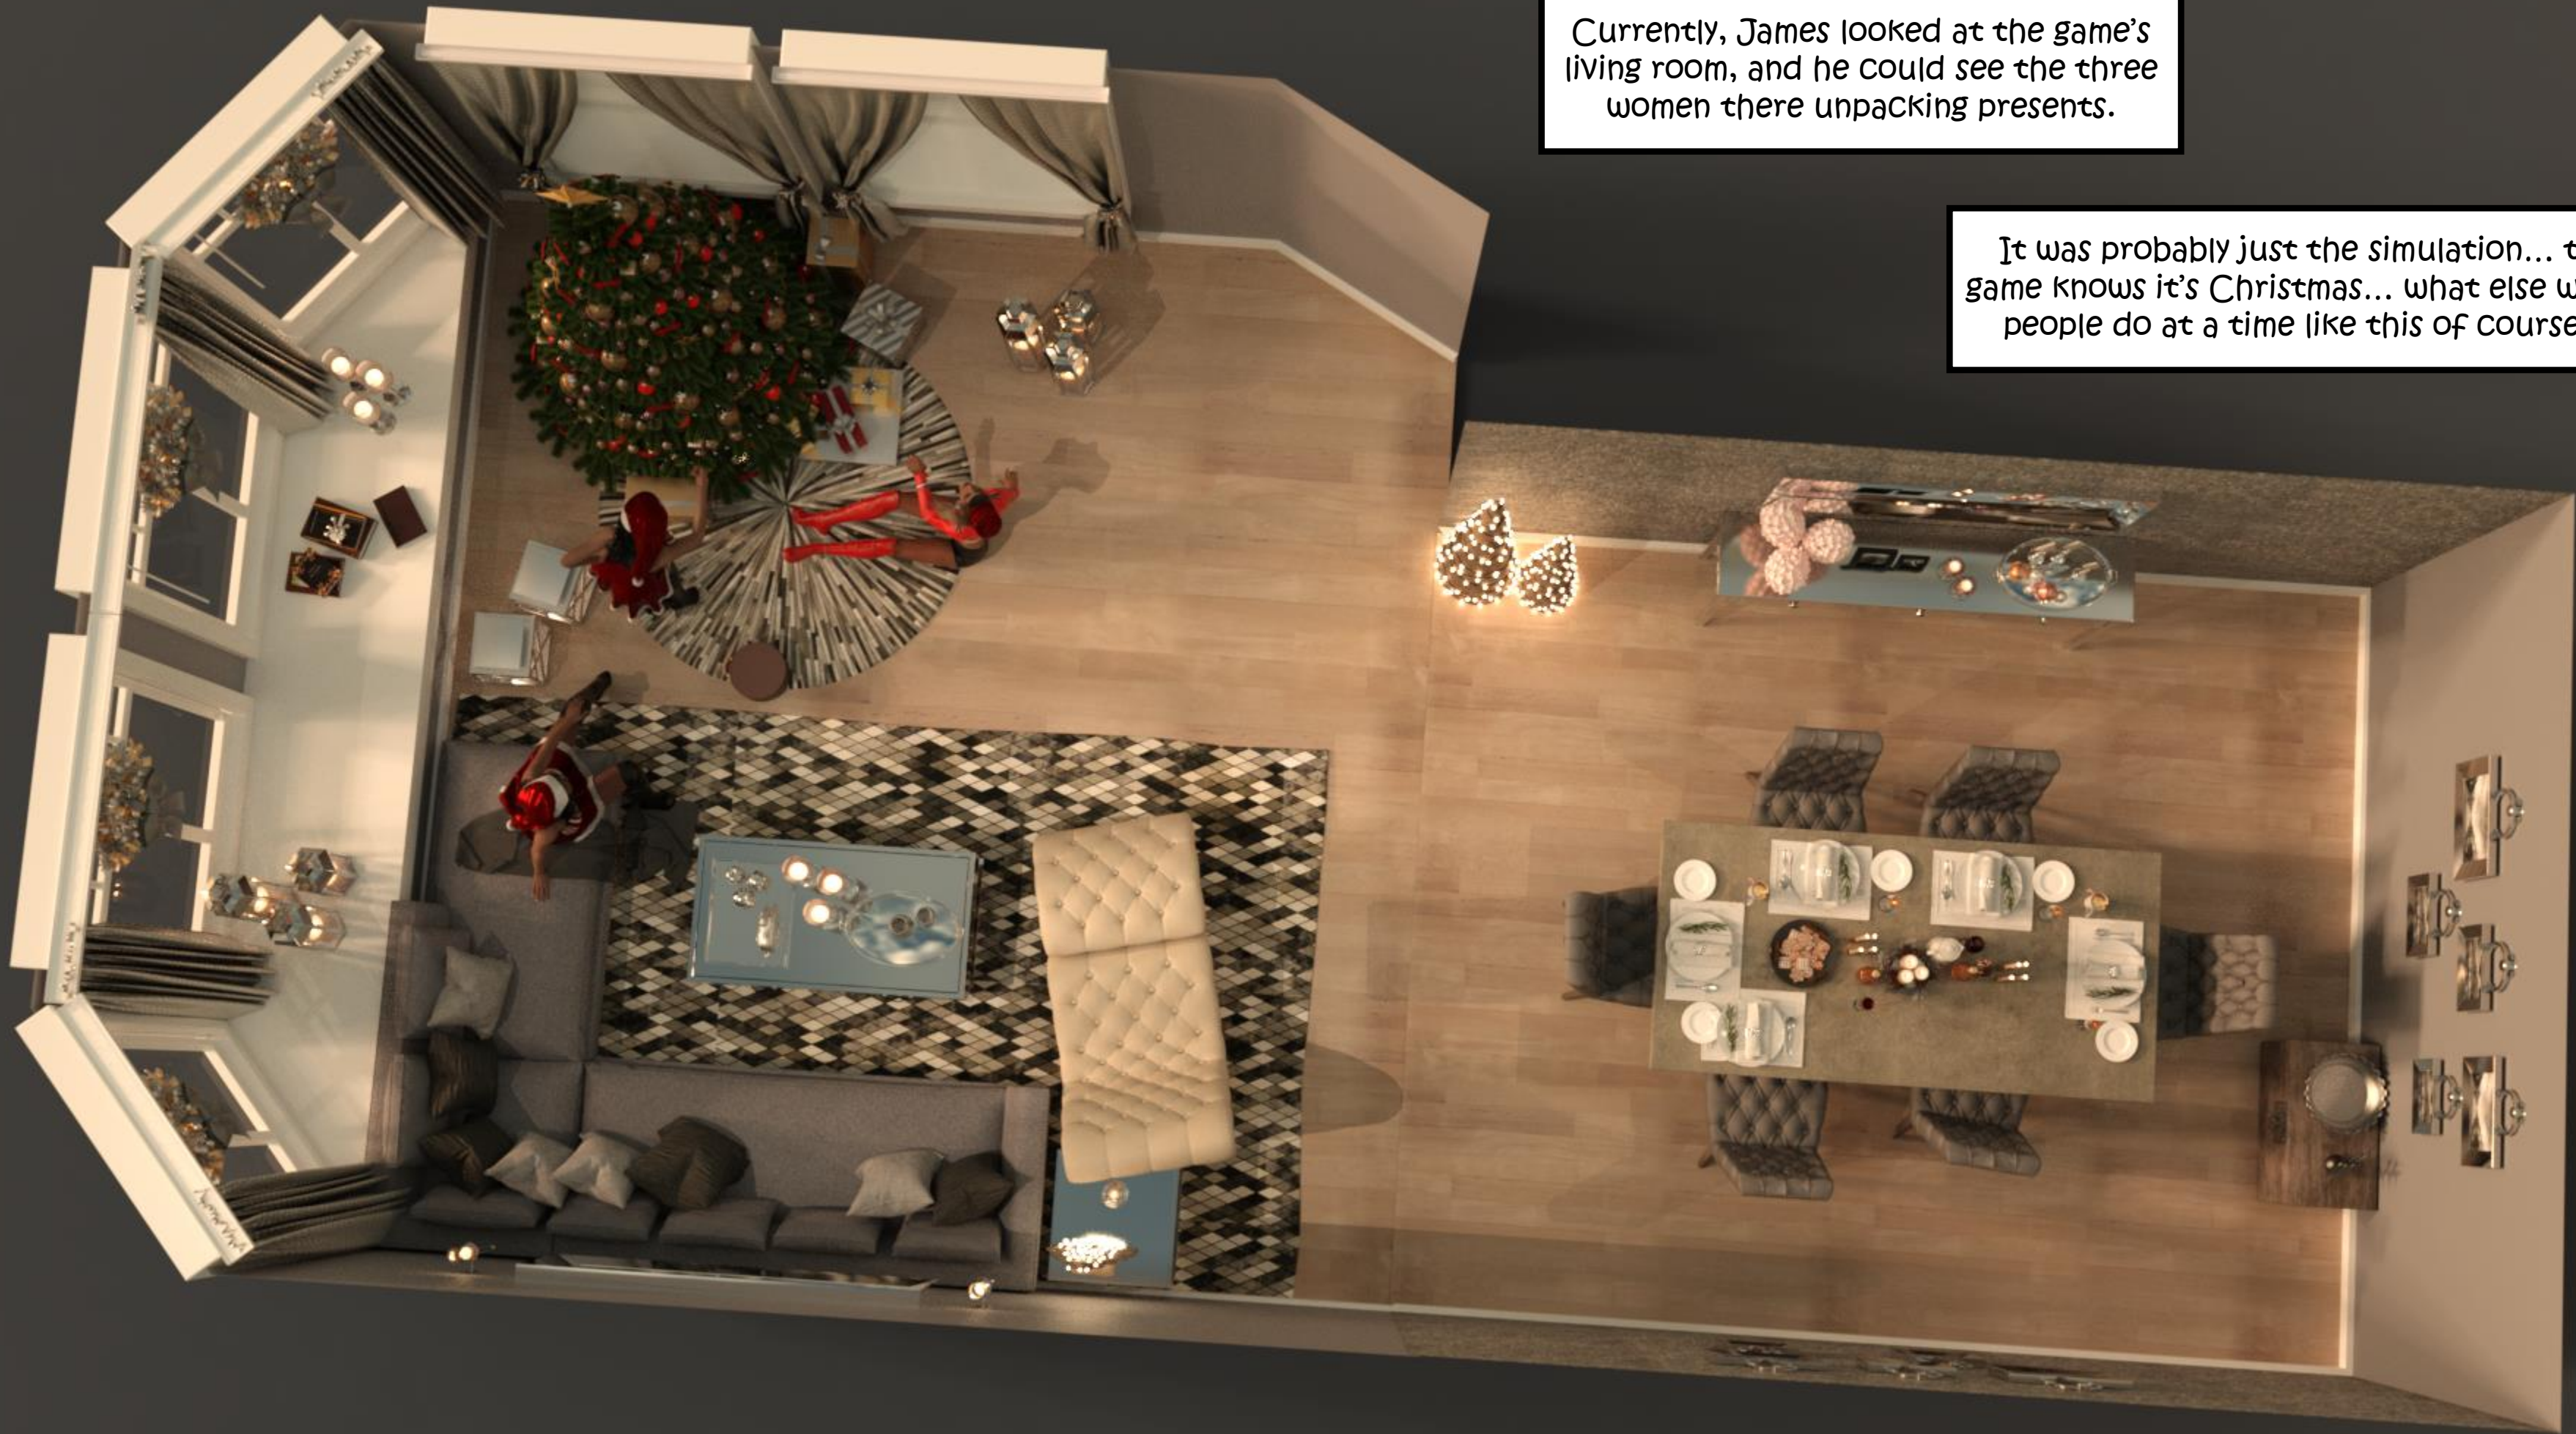

Even his house was replicated 1:1 in this simulation...

Currently, James looked at the game's living room, and he could see the three women there unpacking presents.

It was probably just the simulation... the game knows it's Christmas... what else would people do at a time like this of course...

But as James keeps thinking suddenly a speech bubble in the game catches his attention... and enrages him.

Stella: You know, sis, your husband is really pathetic. Now he even leaves you alone on Christmas Eve while we do presents!

Irene: Well... we did not get him any...

Gina: Don't defend him, mom! Aunty is right. I don't like him.

Name: Stella Gray
Age: 33
Relationship: Single
„Job“: Marketing
Hobby: Dancing, Going to the theatre, Swimming

Trivia:
Stella had various relationships so far but did not find any guy she wanted to stay with. Recently she is picking on her sister's husband because she projects her poor choices in men on him...

Suddenly a decision box pops up in the game...

Toward user

The question was so silly considering that character was Stella, his hated sister-in-law... but whatever. It was a game after all. So, James clicked "Yes".

Meanwhile in the real world...

You know, sis,
your husband is
really pathetic.

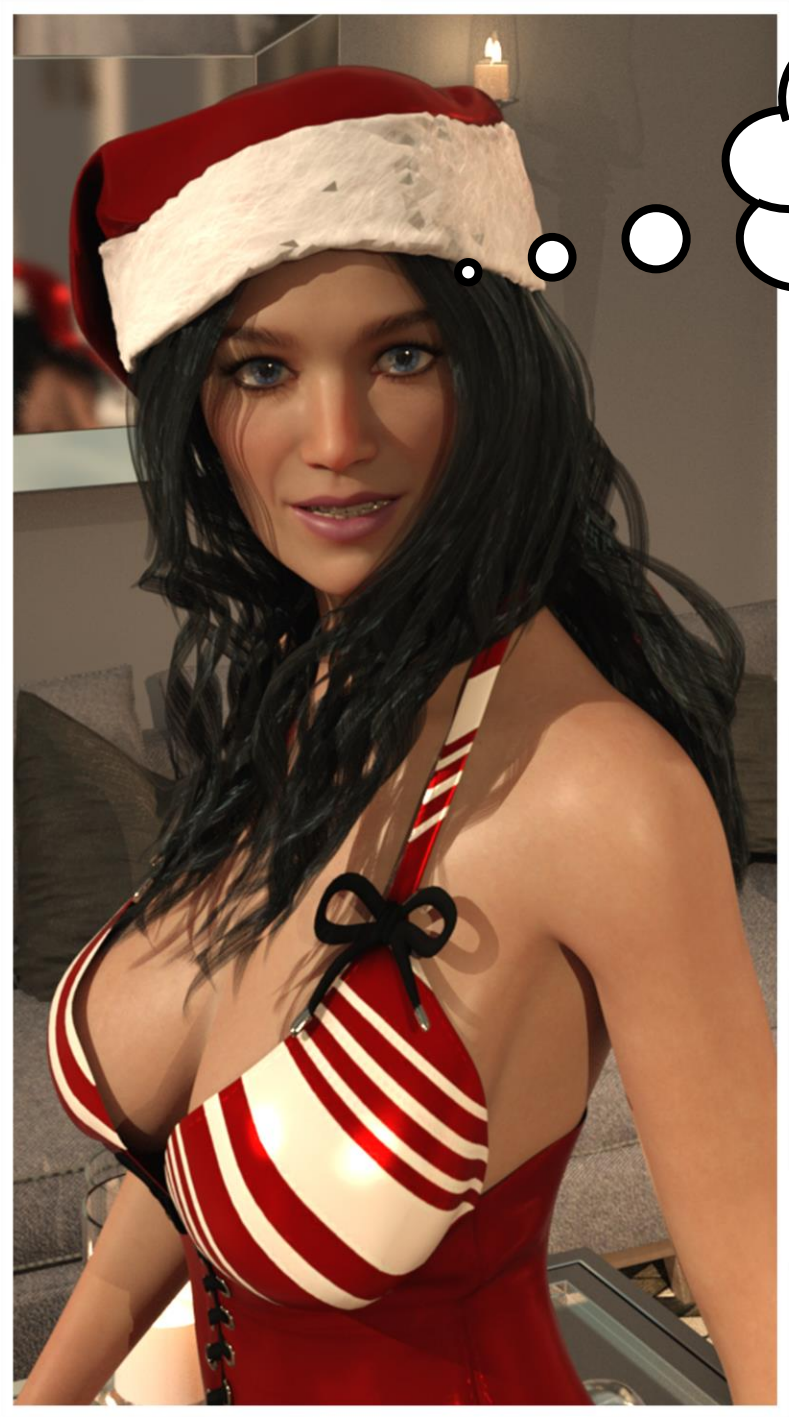

Absolutely not being
reprogrammed by the
game right now!

Now he even
leaves you alone
on Christmas
Eve while we do
presents!

Err..
Aunty? Are
you okay?

I... ehm... yes, dear. All fine. I just need to... go to the toilet. Yes.

I need to seduce my sister's husband.

Nah. If you gotta go you gotta go. *giggle*

She's acting strange, isn't she?

Of course, James could see Stella's character approaching in the game, but when the real Stella suddenly enters the study, he still is quite surprised.

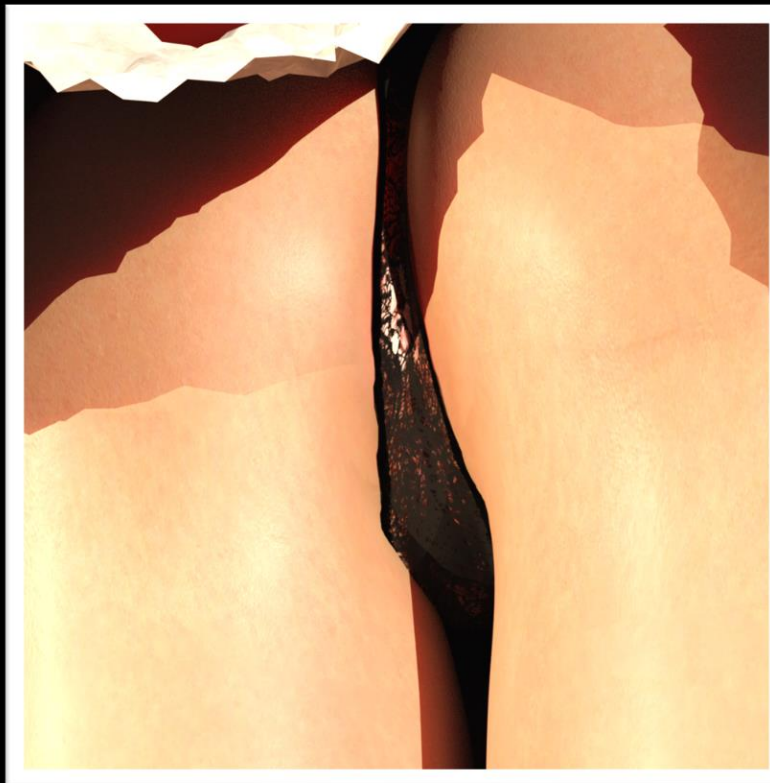

I was
looking for
you all over
the place.

Okay!
Drop pen
now!

Oups!

James did not really understand... but still followed Stella to the master bedroom where she immediately started to make out heavily with him!

I love you
so much!

I always
wanted to
do this with
you.

I... thought -
from the things
you said - that
you hated me...

kiss
lick

Oh,
don't be
stupid.

I just said
those things
to break you
two up...

So, I could
have you for
myself.

Is this...
the game's
doing?!

...

But I don't
care, anymore.
I'm fine with
an affair!

James' and Stella's avatars were standing in game right where the real him and Stella were standing... doing the very same thing...

This could not be a coincidence!

Was this game... indeed... magical?!

On second
thought, you just
keep playing up
here.

fiddle

While I play
down here...

ziiip

It really is
working!

Oh, I'm
gonna enjoy
this!

Soon Stella got James out of those trousers and was going down on him right where he stood.

Wow!
This... is really happening!

Now I don't know if you ever had the pleasure of getting a standing blow job, but it's not that comfortable.

Groan

suck
suck
suck

So, our two lovebirds settle for the bed where James sits down, offering him more comfort as Stella vigorously keeps pleasuring him.

God, I love
him so much.

Oh, fuck!
You are such a
good little cock
sucker!

I'm so happy I
finally followed
my feelings.

Knock

Knock

You in there,
honey?

No way!

No way!

It's not what
it looks like!

suck
suck
suck

How could
you! With my
own sister!

Aunty?
Really? Why?!
Ewww!

You Bastard!

suck
suck
suck

Things I
never wanted
to witness...

Shit, shit,
shit!

Stella was not reacting one bit to the situation. She just kept sucking – as instructed by the game.

James' brain was kinda out of order from being trapped in a situation he never imagined himself to be in. Thankfully, that's when the console suddenly bings and drives James out of his stupor...

I want a divorce!

Welp.
Finally, he'll be gone.

And just as Irene is about to slap James in the face, James presses “Yes” on the console.

His wife stops the assault instantly but is very confused.

Am I having
second
thoughts?

What's going
on? I did want
to slap him,
no?

What
the...

Again, Irene takes a swing...

But James cancels the action
once again.

Frantically James starts tapping on the game console with his cock still buried deep in Stella's mouth. Maybe he can make them go away with an action so he can buy some time...

Gina: Smack that dirtbag and be done with him already!

Irene: Argh! Why?! Why can't I hit you?!

Distracted by the two women screaming and Stella giving him the best blow job in ages... he does not really look what he is choosing. Really, anything but the current situation is fine!

As James locks in the action,
Gina and her mother stop
shouting and stare blankly
ahead for a short moment.

But their blank state lasts only for a few seconds before the two women start moving towards each other.

Wha...
Whats going
on!?

Mom!
My body is
moving on
its own!

I'm sorry
dear. I have
no control
either.

I don't
want this!

Make out

It's only now that James realized what he had locked in... but he was not averse to the result.

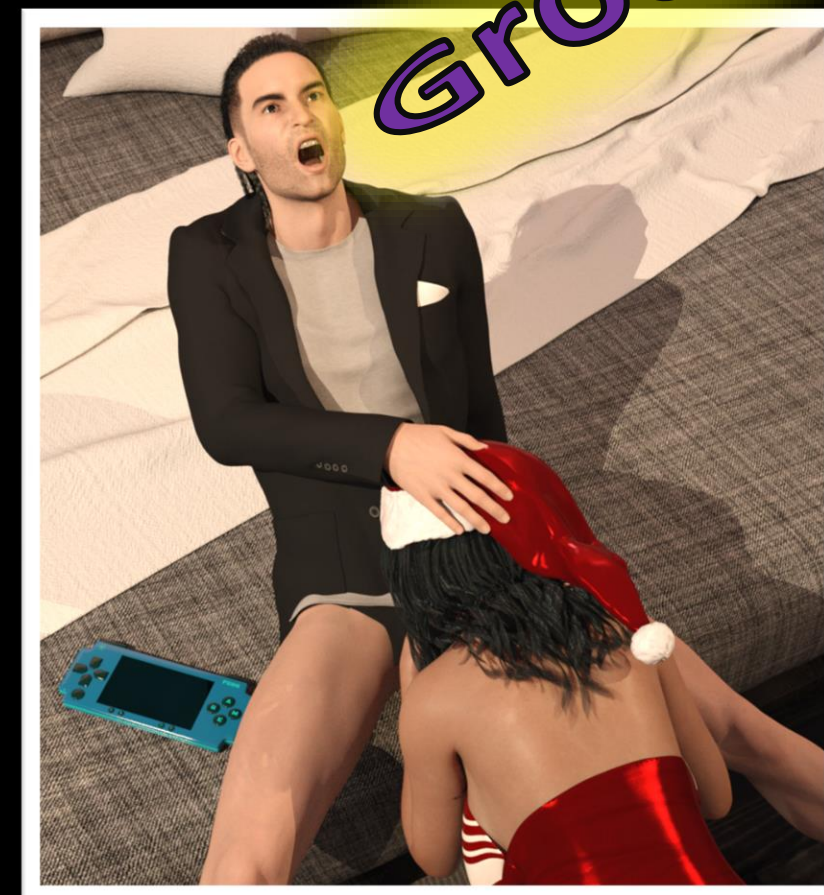

FUCK!
I'm gonna
pop soon!

Take it all,
Stella!

How did
you make
us do that?!

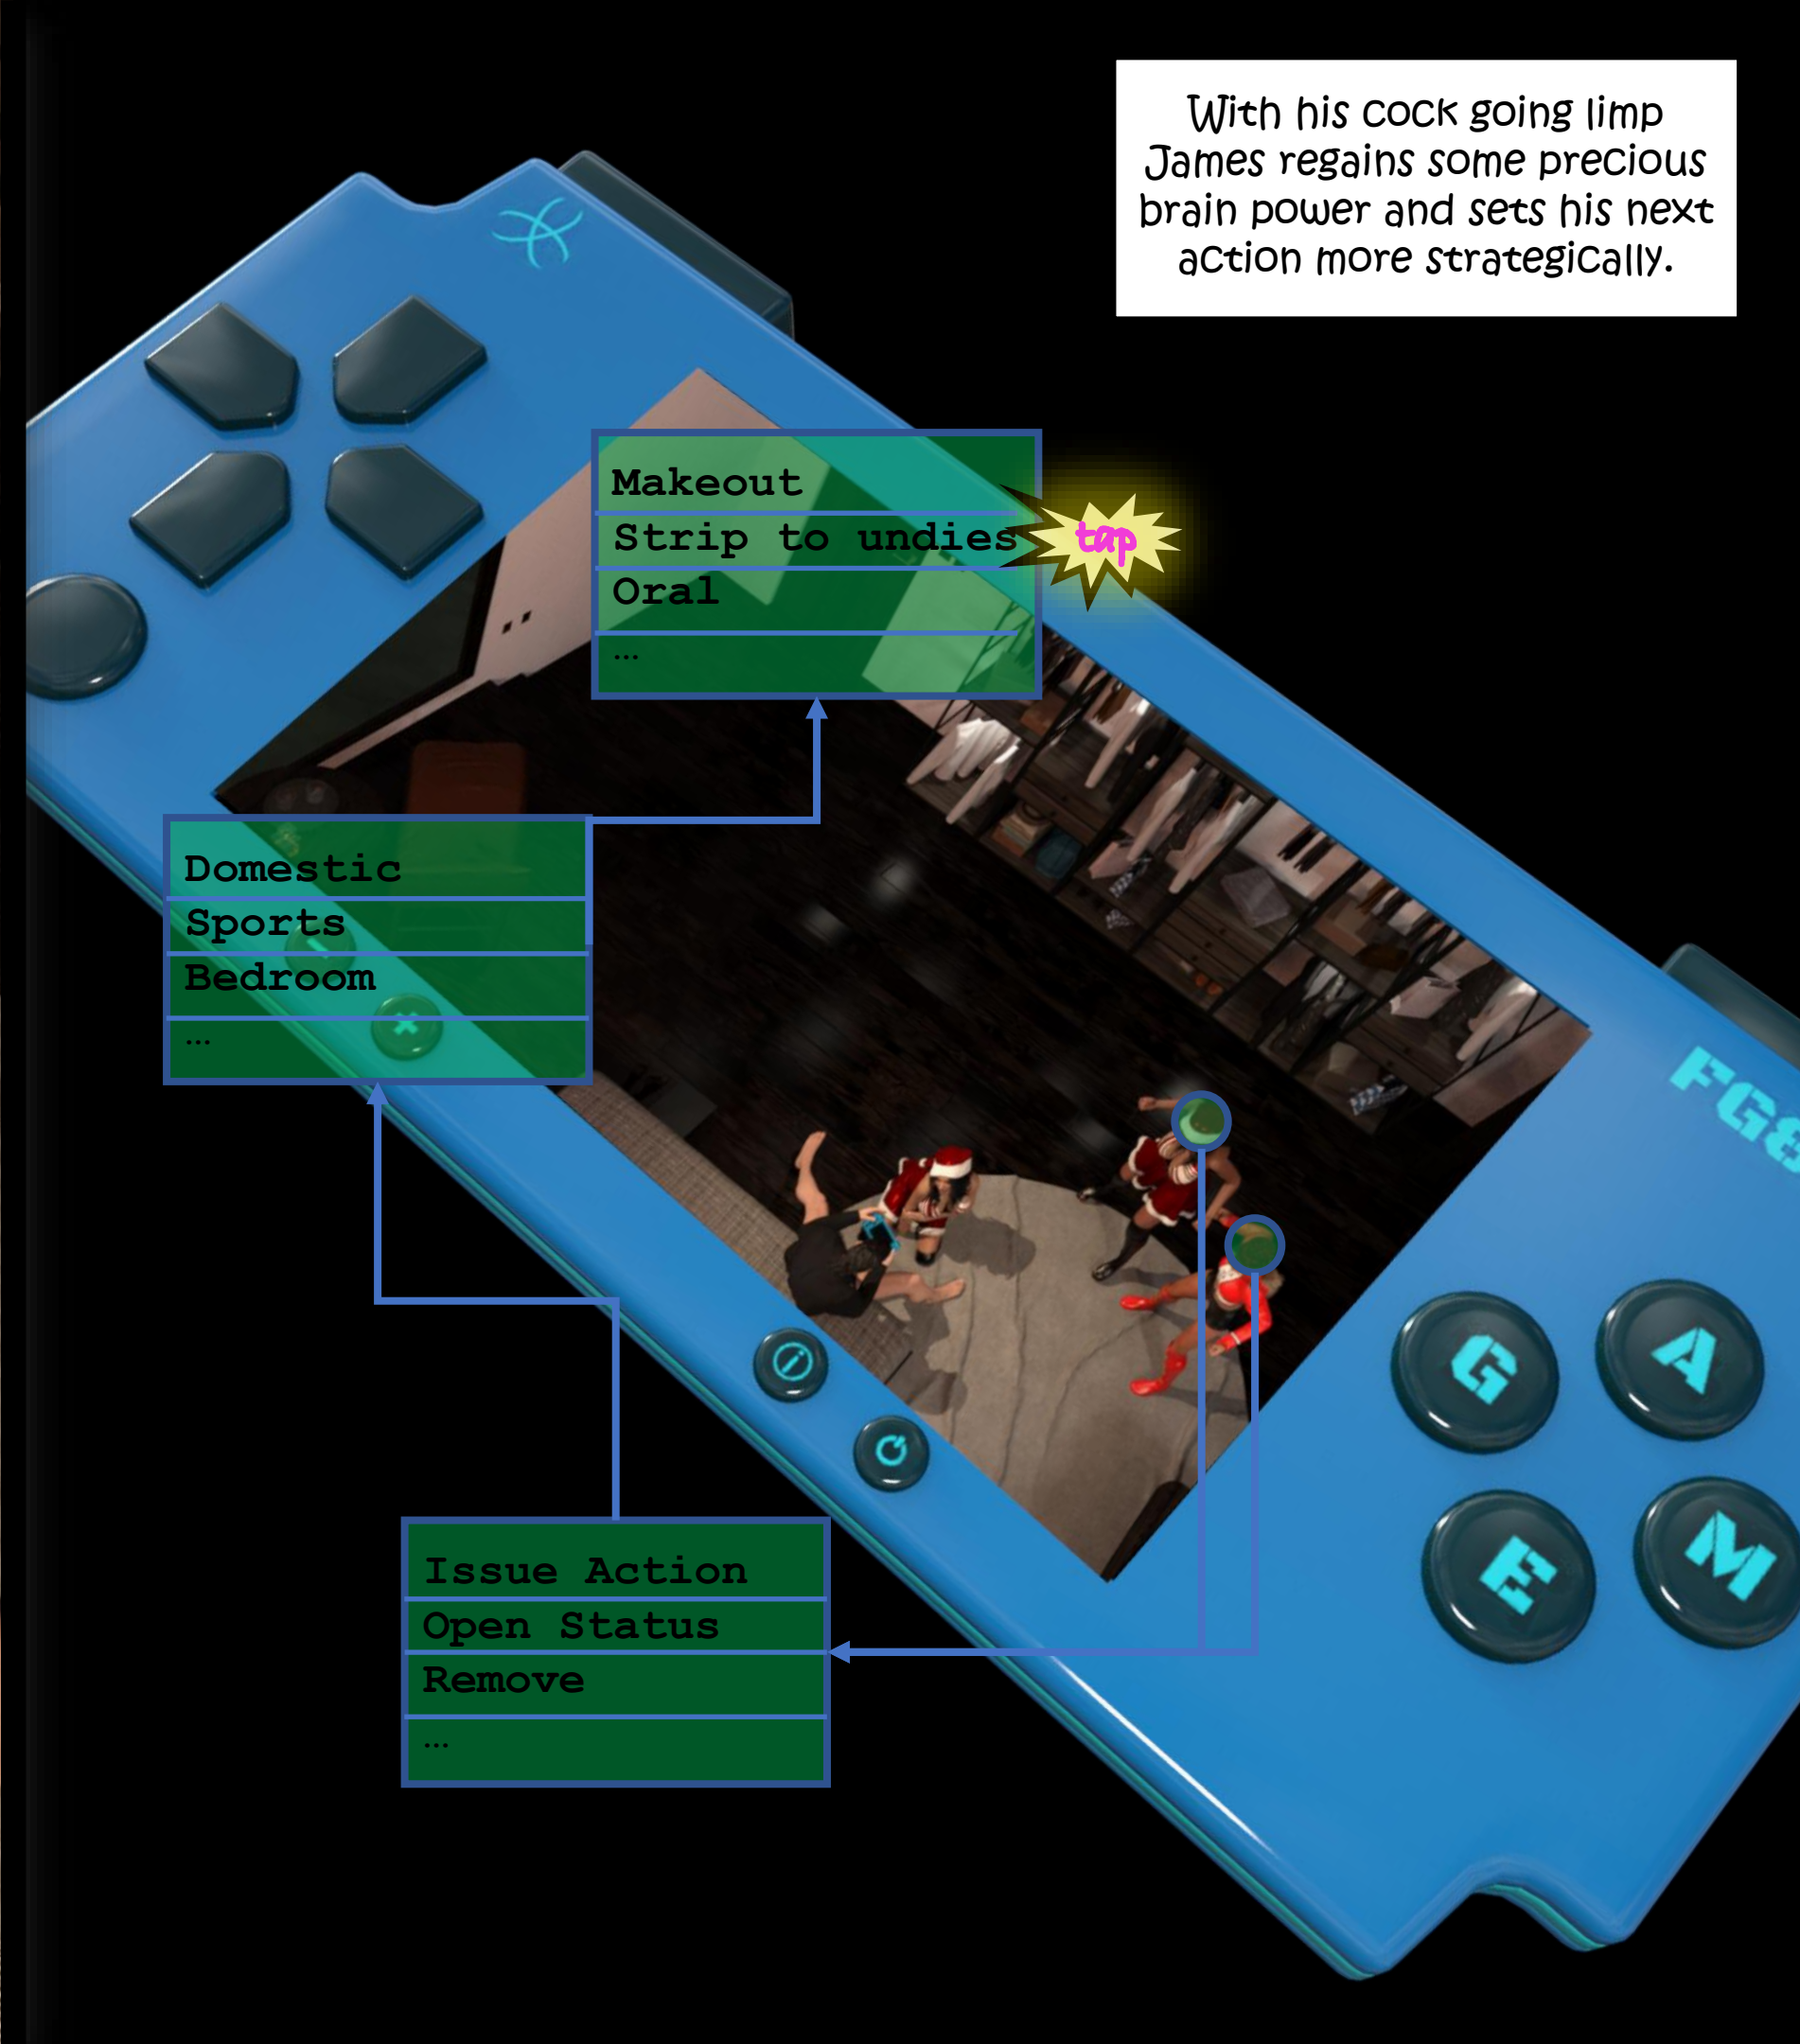

You can't
do this to
us!

With his cock going limp
James regains some precious

This can't be happening!

With the action fulfilled
Irene and Gina were again in
charge of their own bodies...

I'm gonna
call the
police!

Let's get
away from
here, mom!

But before they
manage to leave...

James issues
another action.

And another...

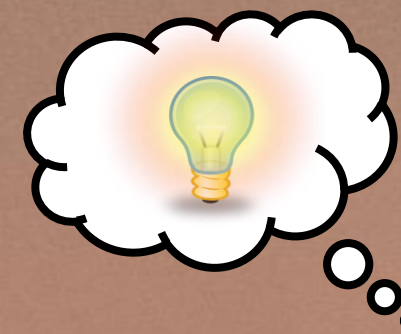

Have them do various Yoga poses. It's an old gamer trick. Keep your
targets busy by using the basics until you figure out the real mechanics.

Next, James has them go to the kitchen and do some chores as he thinks about the possibilities...

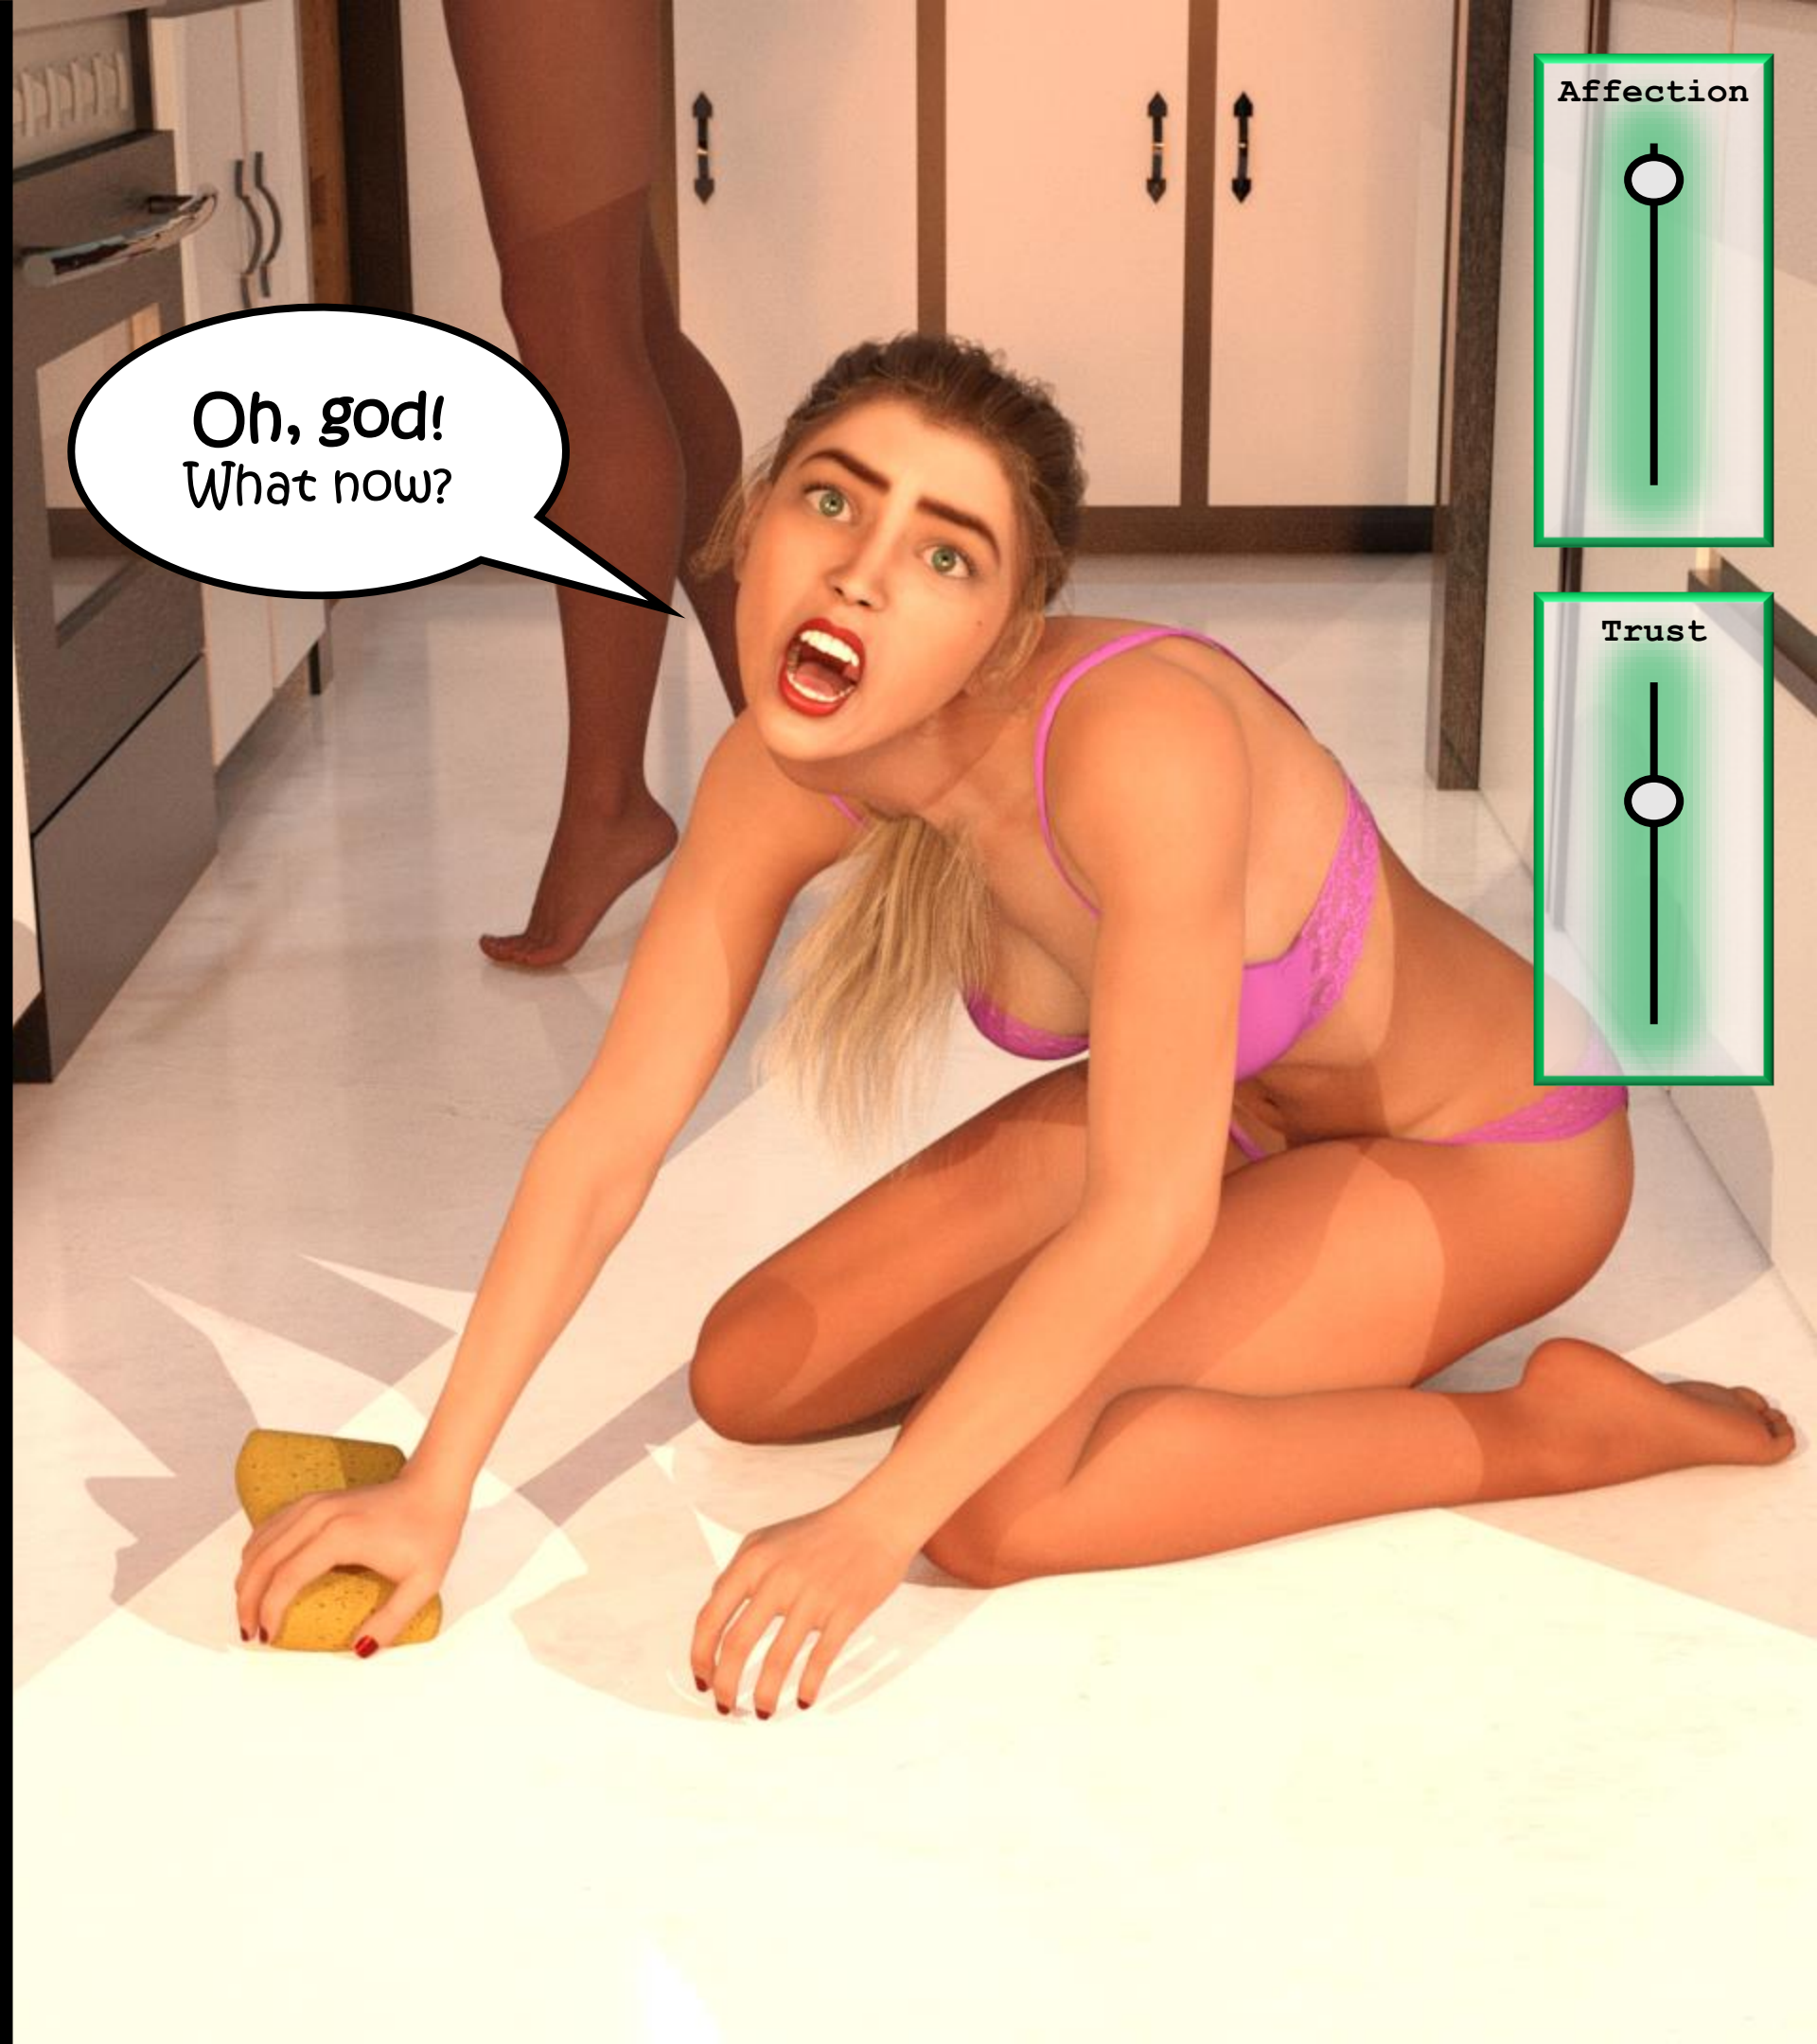

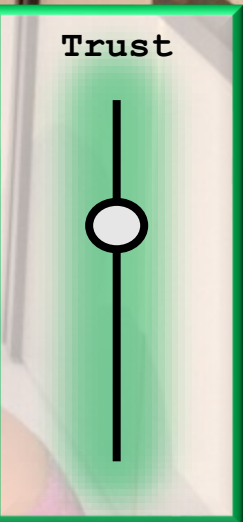

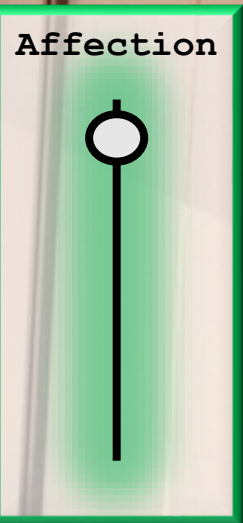

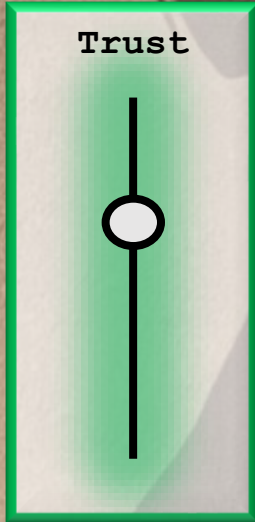

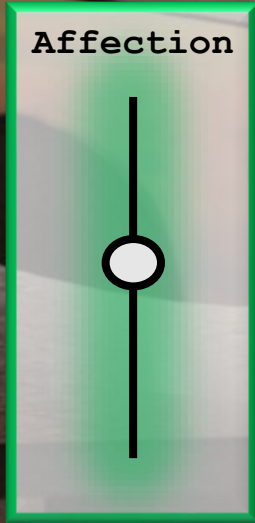

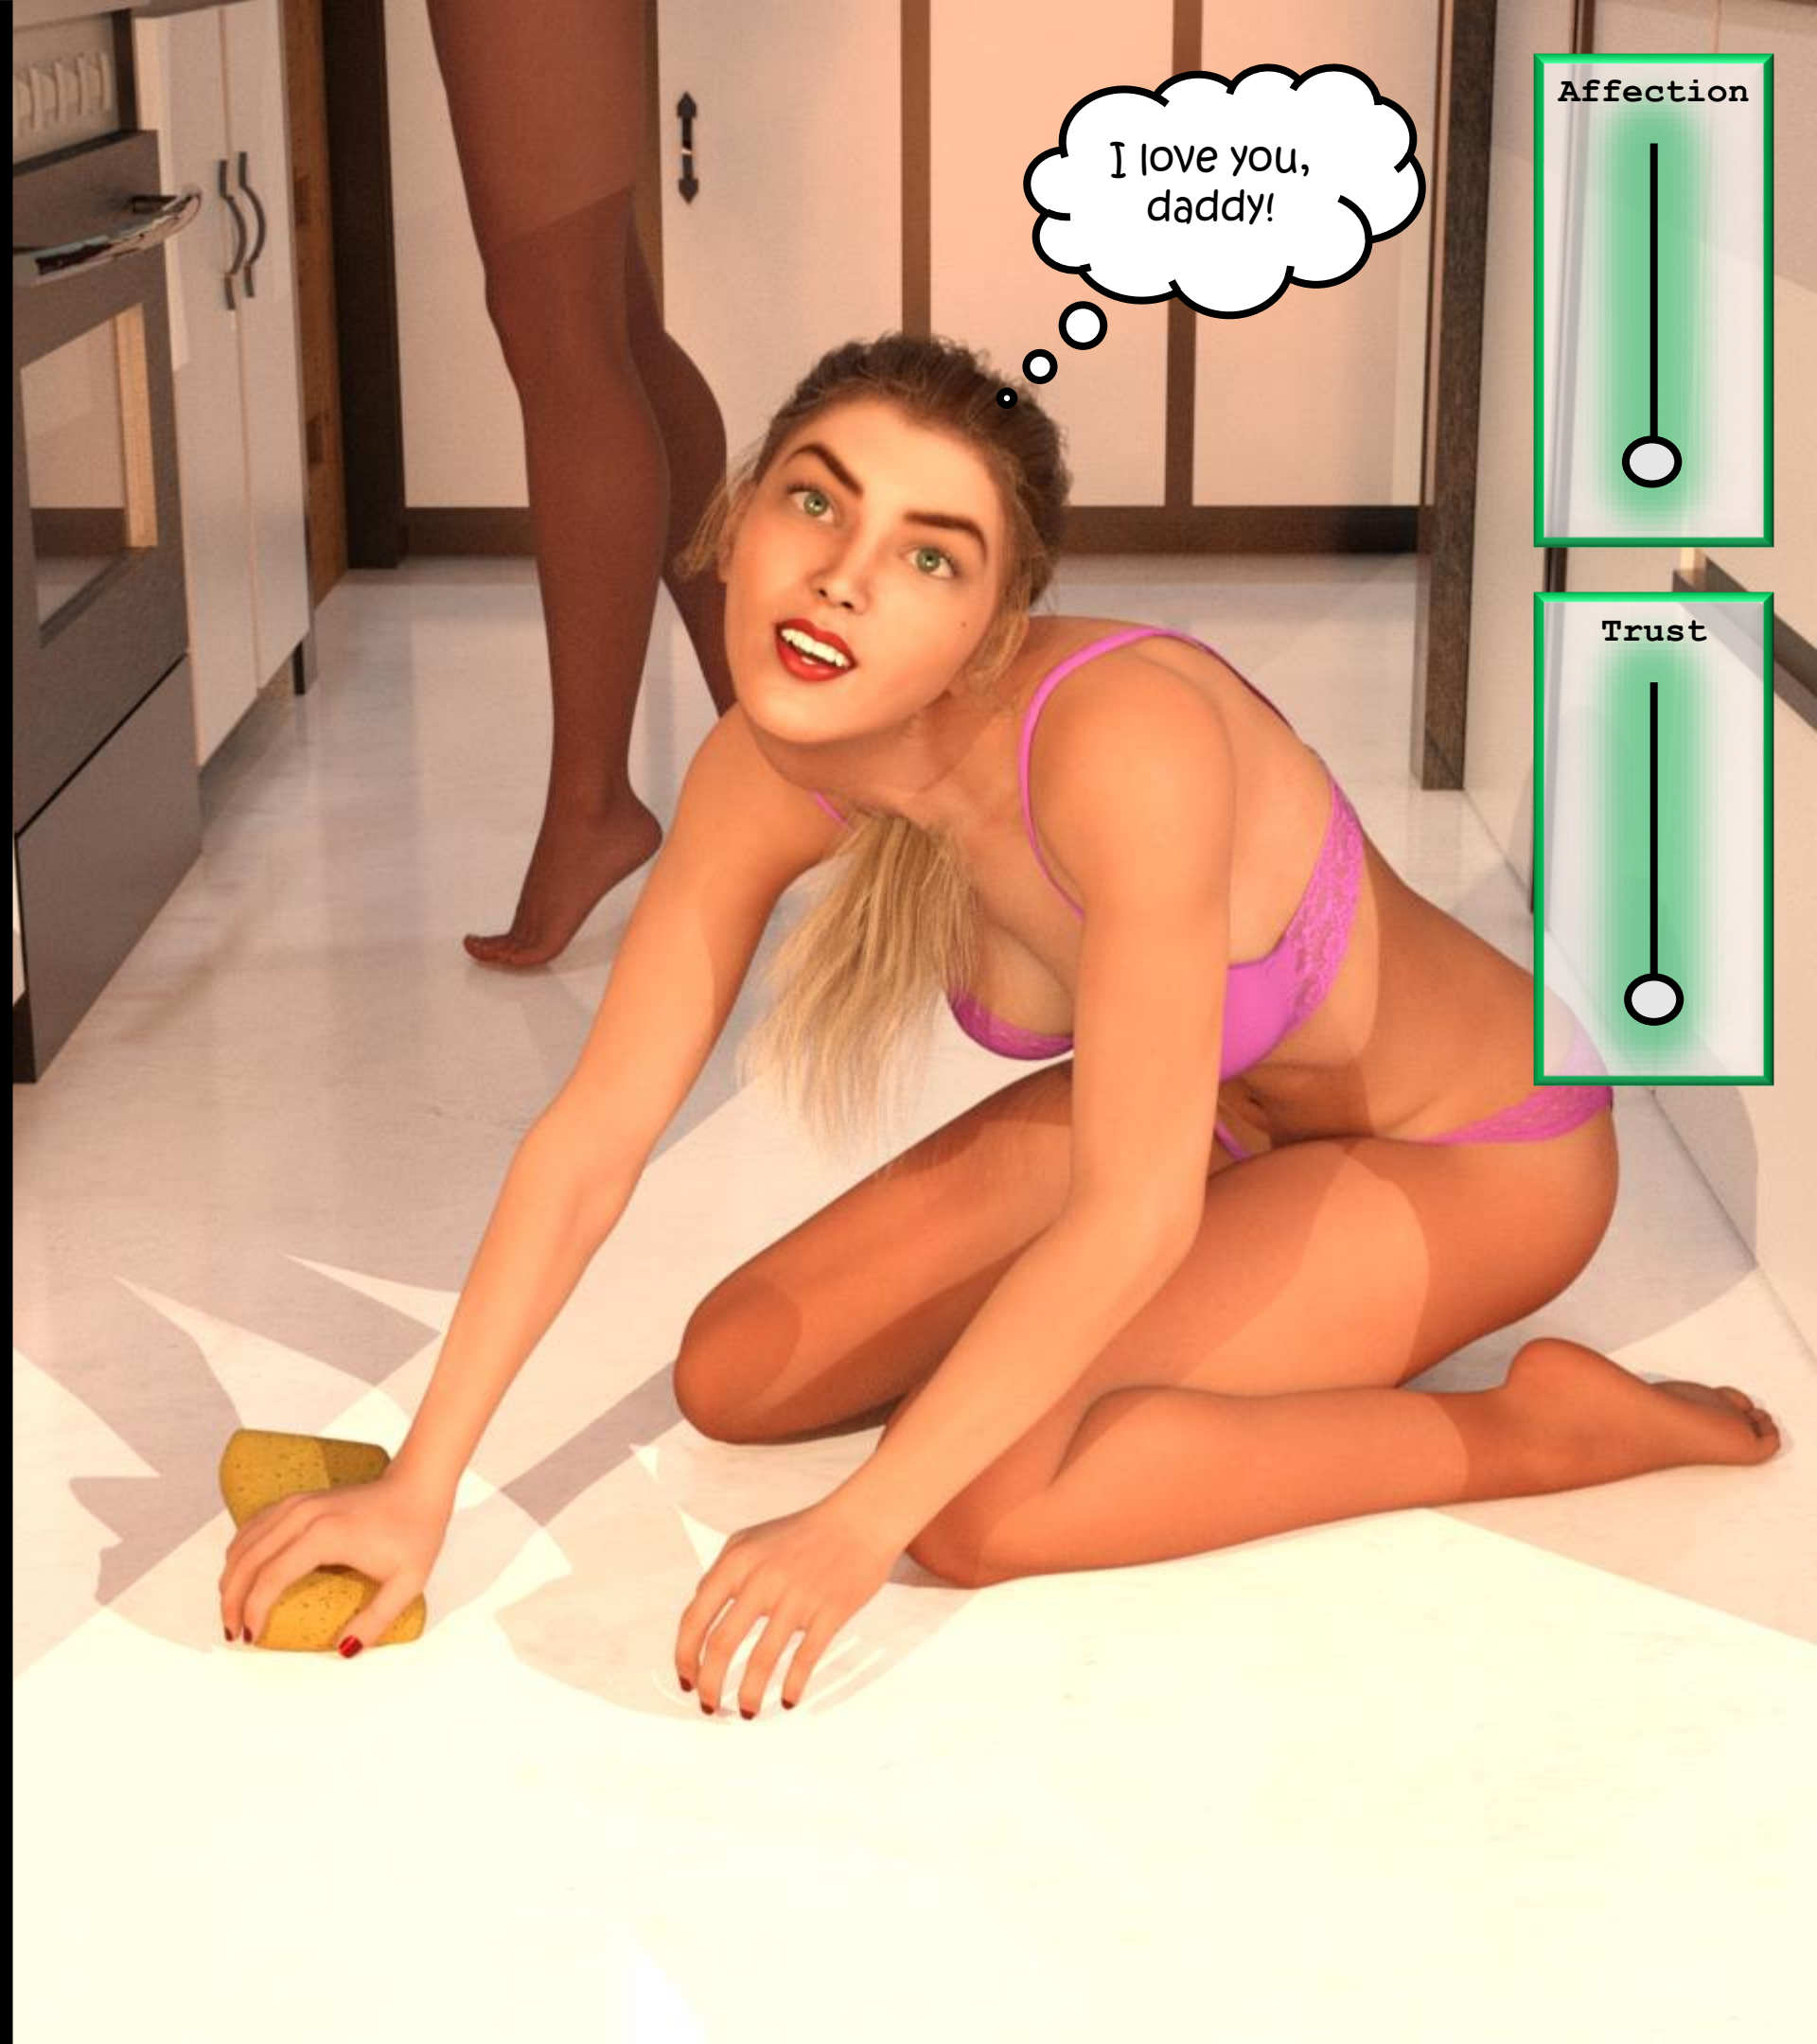

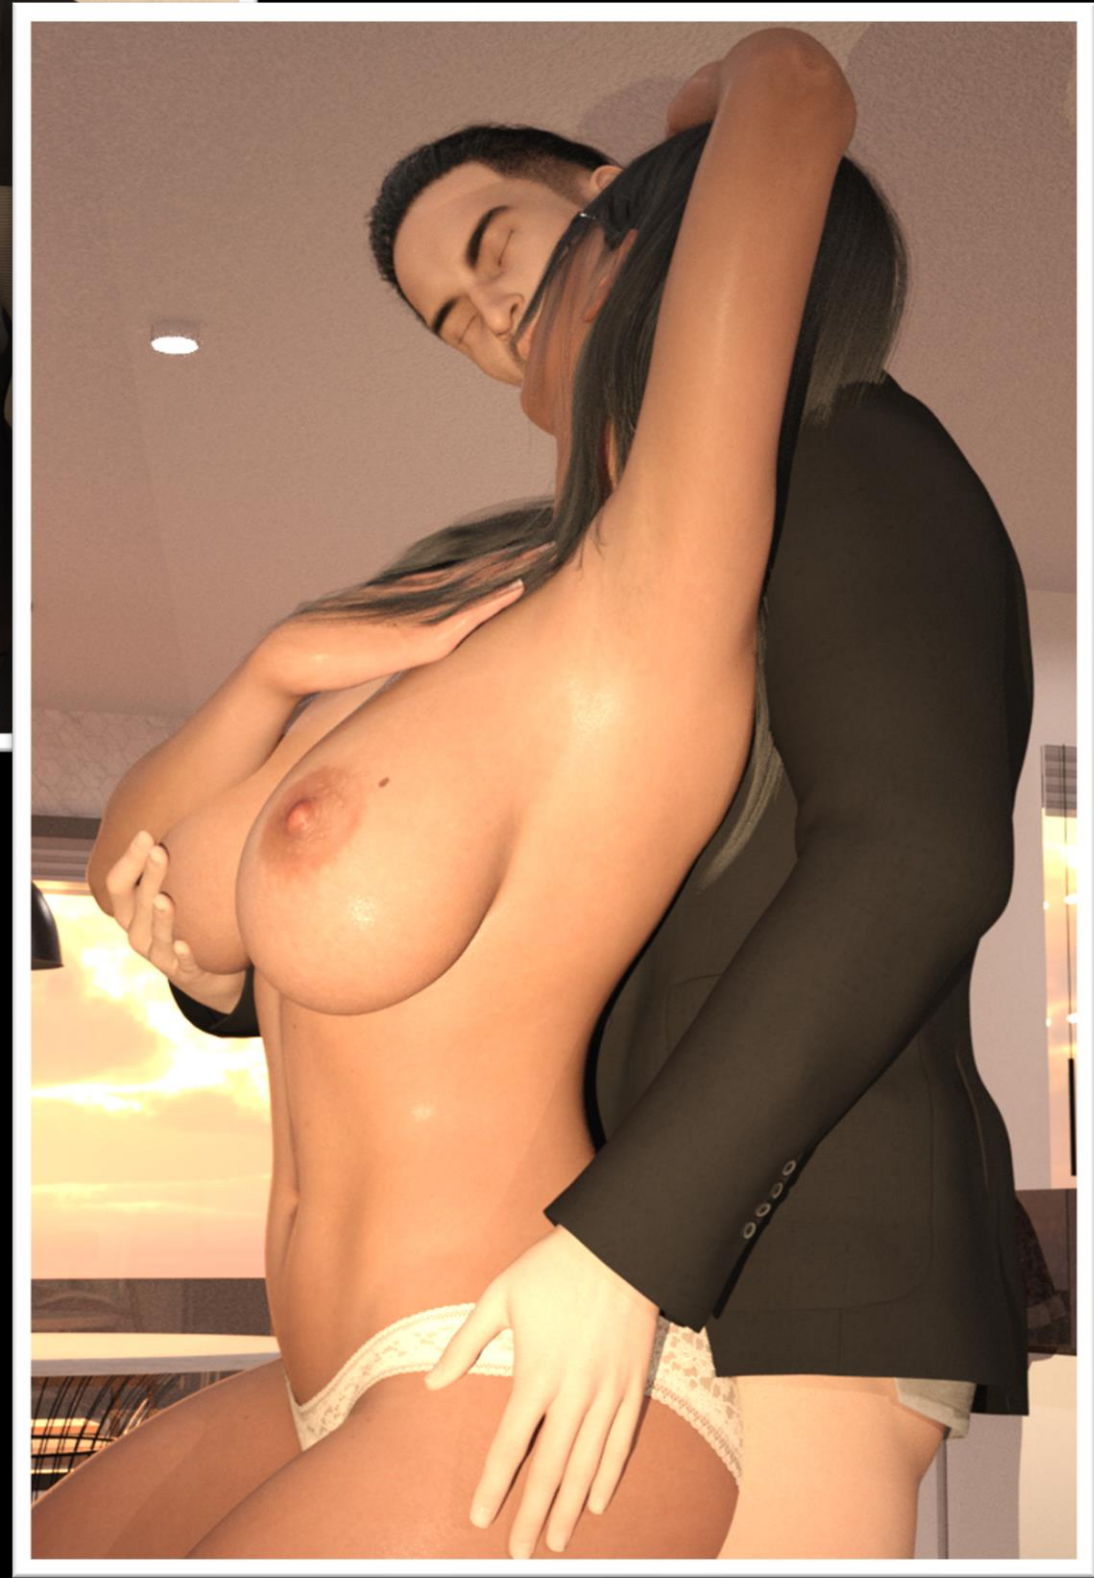

It must be due
to those stat
changes earlier!

And I could also have your daughter?

Of course, dear!

Oh, yes!
Please Daddy,
take me!

A man with dark hair, wearing a black blazer and no pants, stands in a kitchen. A woman with blonde hair, wearing a pink bikini, is kneeling on the floor, looking up at him. In the background, another woman with dark hair and glasses, wearing a white bikini, is leaning over a kitchen counter. The kitchen has white cabinets, a black refrigerator, and a window with patterned curtains.

How about
sucking me
off, first?

Of course,
Daddy!

Hon, could you stand over by your sis, for a moment?

Of course, dear!

I'm glad you like it Daddy!

What
now, love?

Now, please
make out.

GAK
GAK
GAK

I'd rather
not...

We are
sisters!

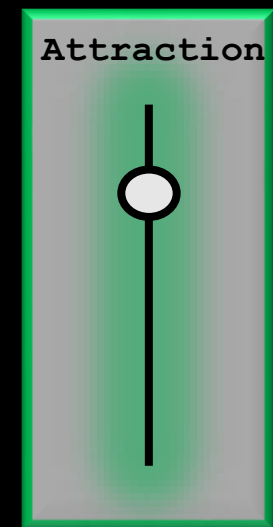

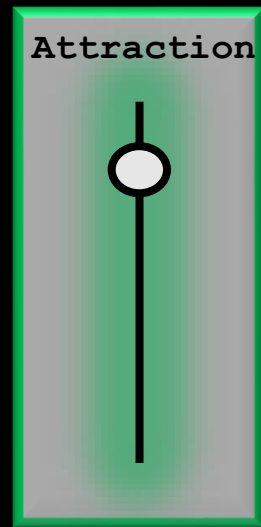

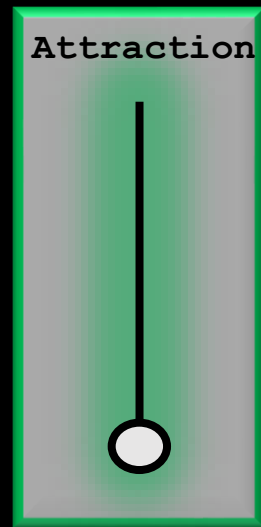

Please!
We'll suck
you off, no
problem.

But please,
don't make me
lezz out with
my sister!

Yeah. Or
you can
fuck us!

But please,
don't make me
lezz out with
my sister!

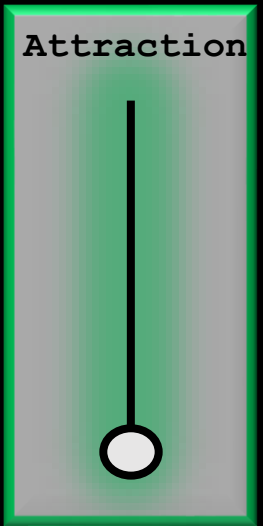

Though...
Maybe... It's
not such a
bad thing?

You are very
cute when you
are blushing...

I love
you, sis!

kiss

I love you
too!

Now that's
more like
it.

Why don't we
move this back
into the bedroom?

Yes,
Daddy!

And just like that,
our family moves
to the bedroom.

A digital illustration of two women sitting side-by-side on a grey, textured surface inside a tent. The woman on the left has long, dark, wavy hair and is wearing a dark, patterned bikini top. The woman on the right has blonde hair and is wearing a dark, patterned bikini top. Both women have white cream smeared on their faces and chests. They both have surprised or excited expressions. A speech bubble from the woman on the left says "Oh, wow!". A speech bubble from the woman on the right says "You came so much, daddy!". The background shows the interior of a tent with wooden poles and a blue bag hanging from one of the poles.

Oh,
wow!

You came
so much,
daddy!

slurp

giggle
That tickles,
aunty!

With Irene having
licked the cum from
Gina's face...

The two women share a cum flavored kiss as the slush spit and sperm around between their mouths and tongues for James' viewing pleasure.

A little bit later...

James has laid down in bed recovering from the best orgasm of his life... though thanks to Gina's administration and the visual stimulation his other two women provide he's getting hard again already.

God, I'm
loving this!

If somebody told me
two hours ago that
we'd have a nice
Christmas evening
with these girls, I
would have laughed
at him.

But look
at us now!

It's a Christmas miracle!

Thank you, Santa.

Hoe, hoe, hoe! *wink*

The End.

Thank you for reading!

Hello, Hexxet here,
