

Jingle Bells

Start

It was the twenty-fourth of December – Christmas!

I was invited to my girlfriend's place to celebrate with her family and I was on my way when I went by this new shop in town.

It had just opened up... On top of the building one could read in big letters:
MAGIC SHOP

Something about the shop caught my eye. It was intriguing and... I entered for a quick browse.

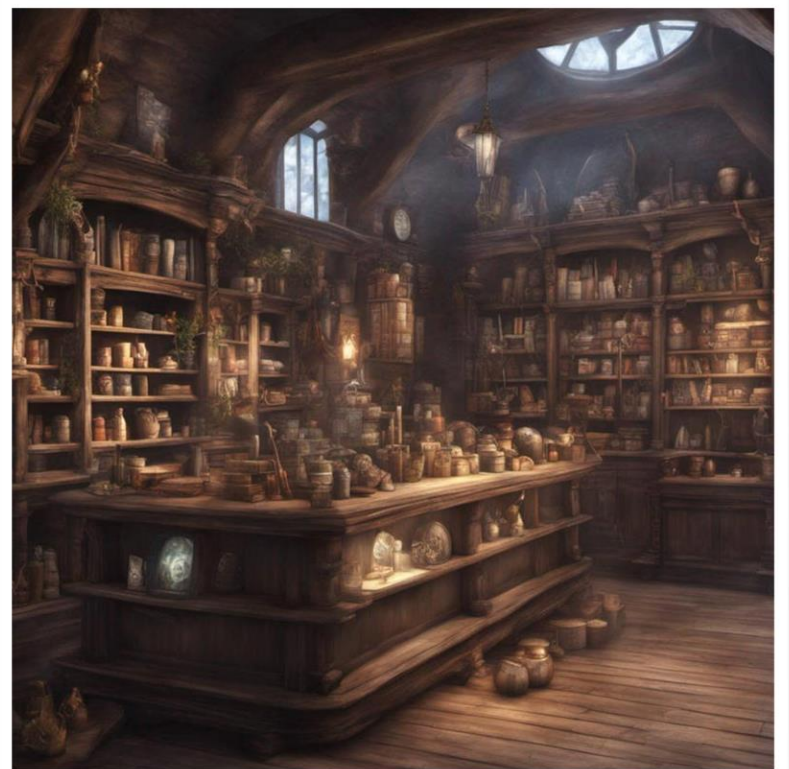

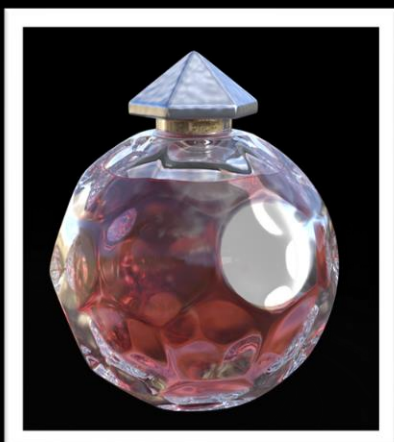

Next

Marry
Christmas.
Welcome to
the magic
shop.

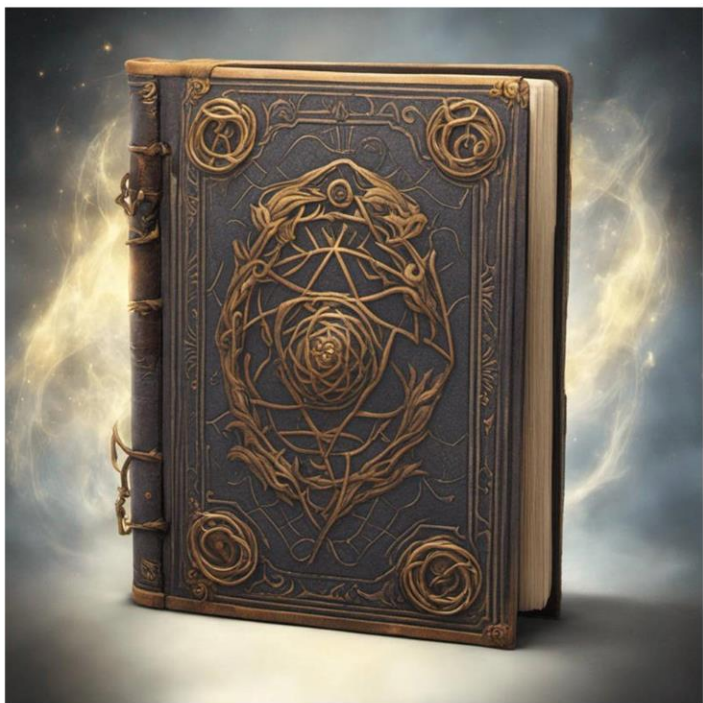

I greeted the shop attendant
and started browsing the
products.

I could not believe my eyes as I kept
looking. There was a potion that
promised to make your dick
irresistible to the other gender.

Next

Various love potions
were standing in one
of the shelves.

Secret tomes filled a wall of
the shop up to the ceiling.
All of them promising some
sort of magic spell. Most of
them love related.

There was even a magical
board game said to transform
its players. Really, who is
thinking up all this nonsense?

Next

And finally, I stumbled upon a small collection of bells. They looked like your standard Christmas bells... but the prices were off the charts!

Sex-Bell
500\$

There was a blowjob bell... a sex bell... an orgasm bell... there were a lot of bells...

BJ Bell
150 \$

“Jingle the bell, and any girl hearing the sound will do the bells bidding”... It’s a fun idea for roleplaying with your girlfriend in the bedroom...
but what's with those price tags?!

Next

Now... I don't know if you know this problem... But when I enter a store... I feel bad if I go out again without buying anything...

"Flash Tits"
24.99\$

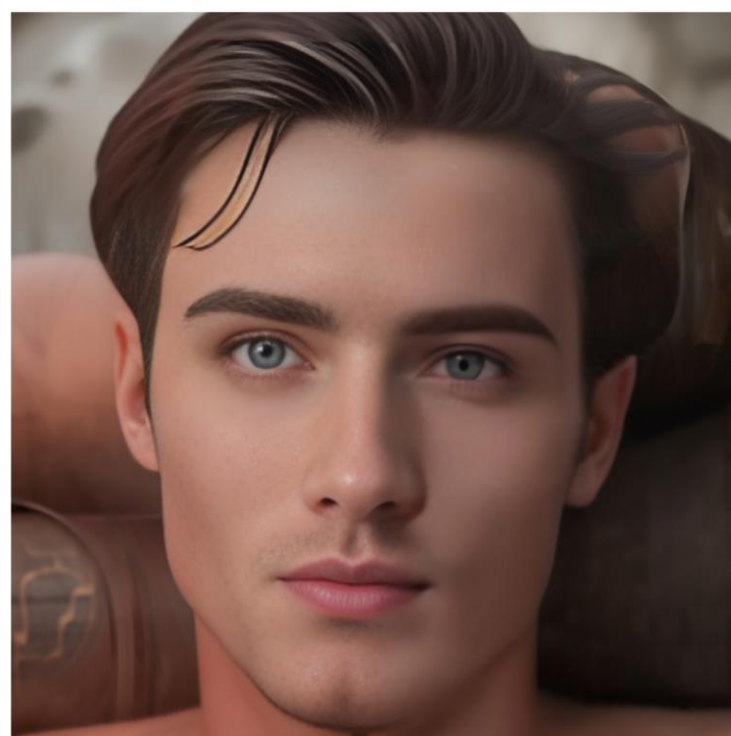

"Blow Job"
149.99\$

"Sex"
499\$

So, I took the cheapest of the bells – the "Flash Tits"-Bell and went to the shop attendant. I was hoping my girlfriend would play along with the bell tonight.
chuckle

Next

As I was paying up I struck up a conversation with the sales girl and asked why there were only love spell and transformation-related products in their assortment. There must be other magic people would buy.

Like what else kinda magic would you expect?

Hm... don't know. **Riches?**

Boy, if anybody tries to sell you magic that promises money **don't fall for it!**

If that stuff worked worked, why would we sell anything?

Next

I could not argue with that logic. She was absolutely correct. But I had to smile as I paid up, cause what she said implied she believed in the stuff she sold? LOL!

Have fun with your new bell. And a merry Christmas!

Leave the shop

Jingle the bell

I jingled the bell as a joke and the shop attendant pulled down the top part of her sorceress costume revealing her braless tits underneath.

I was impressed by the commitment she was showing to sell her goods.
chuckle

I took one last look at those boobs before she covered them up again and I headed out – over to my girlfriend's place.

Next

It did not take long for me to reach my girlfriend's house. It was lovely decorated!

When I rang the doorbell, Beth's sister opened the door.

Amalia – my
girlfriend's sister
19 years old

Hi!
You must
be Jacob?

I'm Amalia,
Beth's sister.
Come on in.

Next

Amalia led me to the living room where I was greeted by four more of the most iconic Christmas sweaters I had ever seen.

Next

Hey,
Jacob!

Hi.
I'm Monica.
Beth's mom.

Beth – my
girlfriend
20 years old

Monica – Beth's
mom

Merry
Christmas.

Jesse – Beth's
Cousin
18 years old

Beatrix – Beth's
Aunt

Next

Beth's family was very friendly, and they all made me feel real welcome in their home.

Now, you might ask, why are there only women? I asked the same question. Beth told me her aunt is freshly divorced and her dad was still at work but should join them later.

Next

Whom should I
talk to first?

Beth – my
girlfriend

Monica –
Beth's mom

Amalia –
Beth's sister

Beatrix –
Beth's Aunt

Jesse – Beth's
Cousin

I struck up a conversation with Beth's aunt Beatrix who was working on some decorative pieces.

Oh, this?
It's just something for the Christmas table. Want me to show you?

As I got closer to take a look I stumbled over the carpet and fell to the floor.

Next

jingle

As I look up... this
view awaits me! Aunt
Beatrix had tucked up
her sweater showing
off her gigantic rack!

Are you
okay?

Next

A woman with long, wavy brown hair and large, prominent breasts is wearing a red, long-sleeved top. She is looking directly at the camera with a slight smile. The background is a blurred indoor setting.

From the corner of my eyes, I could see the golden bell that had fallen out of my pockets as I hit the floor. Holy cow! It actually works?! And Aunt Beatrix did not even realize she was doing it!

You did not hurt yourself, did you?

Next

I shook my head and assured her I was fine. Soon after she put down her sweater again and I looked around, but it seemed nobody had noticed her strange behavior!

Okay, good!
So, about the decoration. You knit it right here and...

Next

I went over to Jesse,
Beth's sister and we
ended up talking
about her education.

I finished high school
last year and now I'm in
my first semester at
university. I study
linguistics. I currently am
fluid in English, French,
Latin and Spanish.

Next

As we kept talking something poked me in the thigh. It was the bell I had stored away in my pocket. I took it out...

Oh, a Christmas bell! Cute present. For Beth? Jingle it, will you? I'd love to hear its sound.

Next

Well, whatever. I did not have to tell her the “true purpose” of this bell and so I gave it a jingle... just to be awestruck with Jesse’s reaction.

Just like that she hooked up her sweater showing off her quite impressive bosom!

Next

I was completely
lost in the moment.
My eyes fixed on
her beautiful tits.

Err, Jacob?
Are you
okay?

Next

But the moment did not last long and soon she had her boobs covered up once again.

Eh, sorry, what?

I asked if you were okay.

Oh, yes. Sorry! I just spaced out for a moment.

We continued our conversation for a bit longer. Jesse really had no idea she just showed me her boobs, I think! Neither did anybody else notice! Fascinating!

Next

Obviously, I approached my girlfriend Beth first and gave her a little peck on the cheek.

Glad you could make it. I think it's pretty cool that we celebrate Christmas together this year.

Hey, babe!

Next

Oh, what
have you got
there?

She was talking about the
golden string falling out
of my trousers' pocket
where I stored the bell.

Next

I took out the bell and showed it to her while telling her I took a detour to the new magic shop. Obviously, the bell jingled while doing so...

Oh, my!
Don't tell me you
had to buy some
more junk because
you did not want to
leave the shop
empty-handed!

She knows
me too well!

Next

Now...usually... I'd try to defend my actions... or say that it's rude to leave a store empty-handed... But Beth had pulled up her sweater revealing her breasts, right there in the living room!

"Flash Tits" – really? So, it's a lewd bell?

Next

Fine we can
play with
that later.

But I hope
you did not
pay more than
5 bucks for
that junk!

Next

A woman with long brown hair and bangs is wearing a red Santa hat with a white pom-pom and a red turtleneck sweater with white snowflake patterns. She is looking directly at the camera with a surprised expression. Her hands are pulling down the sweater, revealing her bare chest. The background is a warm, out-of-focus indoor setting with Christmas lights and a tree.

I was kinda dumbstruck by the situation at hand. I mean... what would you say right now?

Jacob?

I looked around the room. Beth's mom and sister had left, and her Aunt and cousin were talking with their backs to us. So, nobody but me saw Beth's goods on display...

Next

And then the spook was over. Beth pulled down her sweater once again storing those wonderful globes away.

In front of my family!
whisper You can play with them later!

Are you okay?
You are kinda staring at my chest.

I averted my eyes from that beautiful cleavage and established eye contact - assuring her that I was fine...

Next

I sat down with Beth's mother to introduce myself. After all, we are meeting for the first time in person.

My baby girl has told us a lot about you.

But it's good to finally meet you in person, Jacob.

As I sit down next to Miss Hendrix I hear the bell I had stored away in my trousers pockets jingle.

Next

I take it out of my pocket because it's also uncomfortable while sitting... and as I look up again I see... this!

Miss Alcone had lifted her Christmas sweater and was presenting her glorious mountains to me. (Now I know where Beth got hers from!)

The most shocking part was that she kept talking as if nothing was off! I had real trouble keeping the conversation going as I was pretty distracted by the sight before me.

Next

Time felt really slow as I tried to answer several of her questions. I think I started to sweat because she asked me if I felt alright. Thankfully by that time, she covered up once again and I assured her I was fine.

Are you feeling alright?

The bell really worked! Holy smokes! Beth's mom just flashed me her tits and nobody not even herself found it strange!

Next

What happened there was totally insane!

The bell had worked!

I kept talking to Beth's family, but my thoughts kept drifting back to the bell... Should I use it again? Maybe on somebody else?

But one thought got stronger and stronger... dominating my eagerness to try out the bell once more...

If this bell worked...

Would the others work in a similar fashion?

Next

I headed back out towards the magic shop. I had excused myself from Beth and her family saying I had forgotten something and that I'd be right back.

Merry Christmas. Oh, hello again. **No refunds!**

I assured her I was very happy with my purchase and went straight for the shelf with the bells.

Next

I was quite low on funds... so all I was able to pick up was the BJ bell. But if that one worked just like the other... I would be a happy man!

Enjoy your purchase. And once again, Merry Christmas!

Leave the shop

Jingle the bell

I got back to Beth's house in
no time ...

This time my ringing was
answered by Jesse.

Hey!

That was quick.
Managed to get
whatever you
forgot?

Tell her an
excuse

Jingle the bell

I make up some quick excuse about an item of my grandfather I want to have with me at Christmas and Jesse believes me as we walk into the living room and join the others.

Aww!
That's so
cute.

You and your
granddad must
have been
really close!

Next

I jingle the bell
hoping it will work...

And I don't have to
wait long...

Next

Jesse drops to her knees
right in front of me looking
up to me adoringly.

What do you
say? Shall we
spread some
Christmas love?

Next

Before I can answer
Jesse has stripped
out of her sweater
and was fiddling
with the zipper of
my pants.

Let's get this
bad boy out
real quick
and...

Next

A close-up photograph of a woman with vibrant red hair and striking blue eyes. She has a surprised expression, with her mouth wide open in an 'O' shape. She is unclothed, and her skin appears slightly moist. The background is a warm, out-of-focus wooden interior.

Oh, my!
That's a
big one!

Next

I was rock hard by that time even though Jesse hadn't touched my cock yet. The way she talked and looked at me was enough to arouse me to full mast!

I'll make this big boy feel really good!

Next

And then she went
down on me!

suck

Next

The way she
slobbered up my
dick felt amazing!

slurp

Next

Her green-blue eyes
keeping constant
contact with mine...

Next

As her head
bobbed up and
down on my dick...

Next

A close-up photograph of a woman with vibrant red hair and green eyes. She is looking directly at the camera with a neutral expression. Her mouth is open, and she is performing oral sex on a man. Her hands are visible, holding the man's penis. The background is slightly blurred, showing a wooden floor and a white wall.

I was in heaven!

Next

And it did not
take long until I
was ready to
shoot my load.

Next

Oh, yes!
Give me
that load!

Cover me
in your
jizz!

Next

Obviously, I
complied with
that request.

I aimed for the
tits but some
jumpy shots also
hit her face. It
felt amazing!

Wow!
What a load! My
cousin should
take better care
of you. **giggle**

Next

I quickly helped
her clean up
with a tissue
and she gets
dressed again
and thanks me
for my cum!

Then she starts
talking normally
again as she
leads me into
the living room
as if nothing
happened!

As she sits down, I
notice we missed a
spot during clean
up... well it's too late
now... Hopefully,
she'll default it to
cookie cream...

Help Auntie
Beatrix

Stay with your
girlfriend

Look for Beth's
sister

Meet Miss Alcone
in the kitchen

Aunt Beatrix asks me to help her with the beverages and I follow her. Once we are alone I...

Hey, Jacob.
Can you help
me get the
beverages?

I help her

I jingle the bell

A woman with long, wavy brown hair and light makeup is sitting on a white sofa. She is wearing a red cable-knit Christmas sweater with a white snowflake pattern along the V-neckline. The background is a living room decorated for Christmas, with a Christmas tree and lights visible on the left and a decorated branch on the right.

Thanks a
lot for the
help.

After helping
Beatrix, I find
myself in the living
room once again...

Next

I jingle the bell
and it takes
immediate
effect!

So... I know... you are
Beth's boyfriend. But
I was just thinking of
something more fun
to pass the time...

Next

Before I can answer
Beatrix strips off her
Christmas sweater
and gets on her
knees.

You like them?
I noticed the
way you've been
staring at my
breasts.

Next

Then she gets on all
fours and starts
crawling towards me.

If your girlfriend
does not give you the
needed attention you
can always CUM to
Aunty Beatrix.

Next

A woman with long, wavy red hair is kneeling on a light-colored carpet in a living room. She is looking directly at the camera with a slight smile. She is wearing a thin necklace and has her hands resting on the floor. In the background, there is a fireplace with a fire, a Christmas tree with lights, and a wreath on the wall.

I'll show you
what a more
experienced
woman can do
with her mouth.

Next

I could only nod and
did what I was told.
This was so crazy!

Please
take your
cock out
now.

Next

As soon as my cock
was free Beatrix
grabbed it with her
hand and jammed it
in her mouth.

slobber

Next

It felt amazing!
She indeed knew
what she was doing!

From the movements
of her tongue to the
suction from her lips
- everything felt just
perfect!

Next

It did not take long
and she had me on
the brink of orgasm!

But she knew how far I was gone and slowed it right there. Keeping me on the edge! Playing with the tip - Teasing me - for a good minute longer...

Next

Until – with a few
final strokes – she
made me erupt all
over her tits. **Wow!**

Uhhh.
That's a lot
of cum, boy.

I think you
really enjoyed
that.

Maybe I
should teach
my niece a
few tricks.
giggle

Next

Beatrix simply slid her Sweater back on and then she was back to normal. I was fearing the worst but it kinda worked out.

Oh, my. It seems I spilled some.

I'll go wash up real quick.

Thanks for the help, Jacob!

Next

A woman with long brown hair and green eyes is sitting at a table. She is wearing a red turtleneck sweater with a white and green snowflake pattern. She is looking directly at the camera with a slight smile. In the background, there is a fireplace with a warm fire and a Christmas tree decorated with lights and ornaments. A white mug is on the table in front of her.

There you are
again. What
were you even
looking for?

Just jingle that bell!

I jingle the bell and
suddenly she leans
seductively leans
over whispering into
my ear.

Let's go to
my room real
quick.

Next

As soon as we are in and Beth closes the door behind us she throws me onto the bed, puts on one of those Christmas hats and frees my cock.

Don't I look cute with this on?

*suck

And what can I say?
She indeed looked
cute as she was going
down on my cock,
that bumble at the
tip of her Santa hat
going up and down in
rhythmic motion.

Next

I informed her that I was about to cum and got ready to pull out – she never liked the taste – but to my surprise...

No problem.
Just let loose
in my mouth,
babe.

kiss

Next

A close-up photograph of a woman with long brown hair, wearing a red and white Santa hat and a red and white patterned Christmas sweater. She is looking directly at the camera with a playful expression, sucking on her index finger. The background is softly blurred, showing warm indoor lighting and some white fabric.

And she bobbed
down again on my
dick...

suckle

Next

My cock erupted
right there and
filled her mouth
with my biggest
load in a long
time!

Next

You must
have really
enjoyed
that.

Oh, wow!
You came
a lot!

Next

Then, one moment to the next, Beth was back to normal... and confused.

Oh... err.
What are we doing in my room?

gulp
You... said you wanted to show me something?

Hm... Okay. Sorry, I forgot. Let's get back to my family before they start any rumors about us...

Though... I'll hit the bathroom real quick. I have this weird taste in my mouth.

Next

I tracked down Amalia who had withdrawn to the house's library room where she enjoyed reading a book in silence.

Oh, hey Jacob. Did you need something?

Just jingle that bell!

I take the bell out
and hold it to her
face. Shortly she
looks confused
but as soon as I
jingle it...

What's
with the...
bell...

Next

She drops to her
knees in front of
me and has my
cock out faster
than I can scream
“halleluiah”!

Slurp

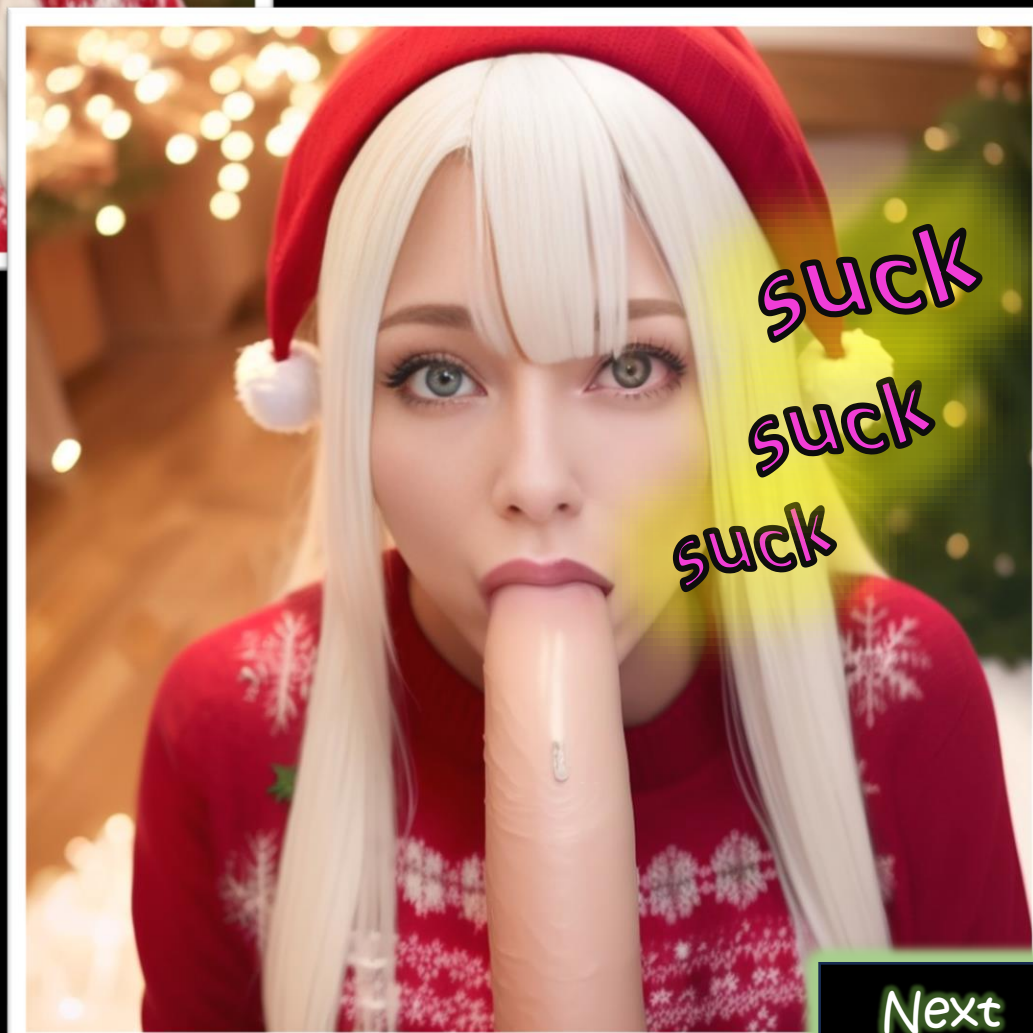

Next

The girl had experience!

You don't get this good at sucking cock from just sucking one... I think.

Whatever. I really enjoyed her...
administration to my member.

Next

I could basically see the determination in her eyes. The girl was a predator! She was about to make me cum... no matter the costs!

GAK
GAK
GAK

Next

I had never experienced such an intense blowjob. Of course, I exploded into her mouth soon after – and happily, she licked me clean.

slurp

Next

Mhhh!
You came a
lot. I like
that!

Next

And then, from one moment to the next, Amalia was back to her normal self.

Oh, my!
I was drinking milk earlier. I guess I must have spilled some!

How embarrassing! I'll go quickly and wash off this mess.

Next

Shortly later Miss Alcone informs everyone that dinner is ready and soon we all find ourselves at the beautifully decked Christmas table.

A Toast!
To Aunt Monica. Thank you very much for this lovely Christmas dinner!

From decorations to the food. Everything is just perfect, and it feels really like Christmas!

[Next](#)

Oh, thank
you, Jesse.

You really have
the sweetest
daughter, Bea!

Yup, she's a
treasure.

Too bad your
husband could
not join us.

A snowstorm had
come up and Beth's
dad was trapped at
work. I did not
particularly mind...

Next

You hear
that Beth?

Yup. She's the
sweetest daughter.
Mom does not
appreciate us.

Oh, come on
you guys. It's
just a phrase.

Trying to
cheer us up.
Isn't she the
sweetest?

Next

The girls kept bickering for a little longer. The sister's acting pouty and all. It was adorable! And then, after dinner, we got to the presents.

Beth liked my present – a cute ring in the form of a heart.

Next

So, Jacob... I've talked with my mom about you saving up for a motorcycle.

I know it's not very Christmas-like gifting money but may you reach your goal sooner with this.

And we decided to support you in that endeavor.

Oh... wow. That's 500\$. Are you sure, Miss Alcone?

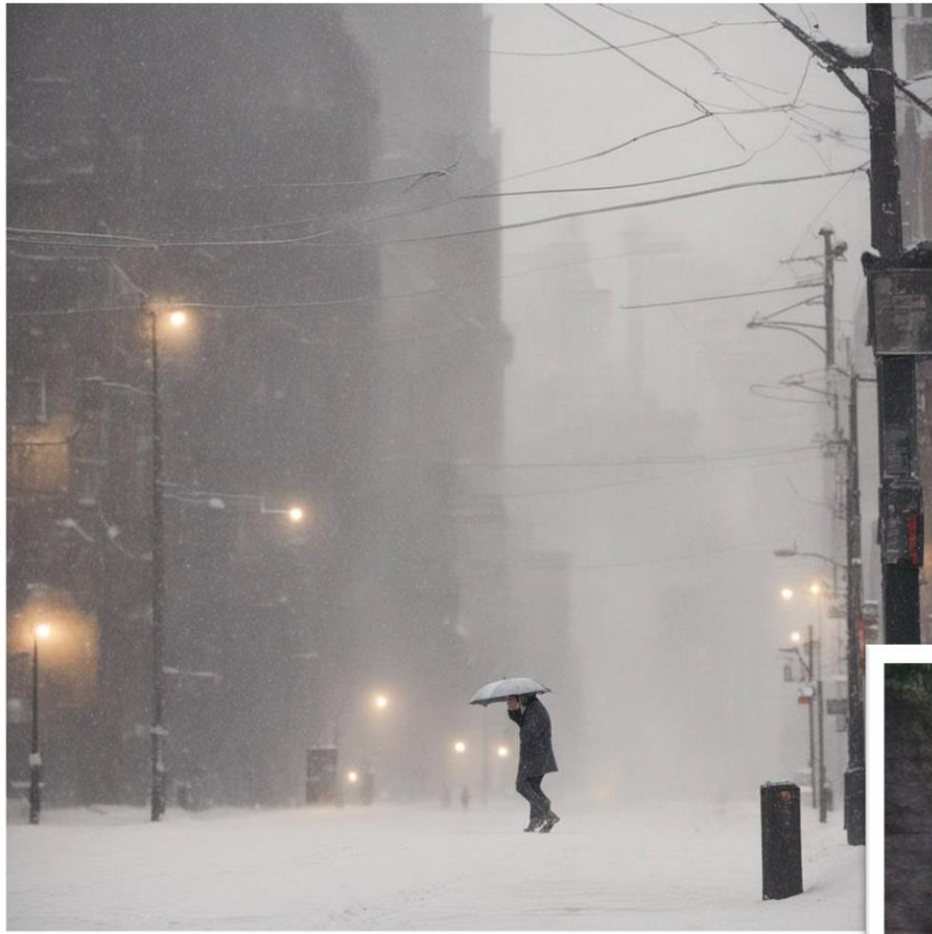

Thank you very much!

Please, call me Monica. And yes, I'm sure.

Next

Beth's family was kinda loaded and Beth and I were together for almost a year but still – 500\$ just like that. Wow! That motorcycle is becoming a reality sooner than expected... **Or not...**

This is me, sneaking out of the house into the snowstorm... my feet leading me to that magic shop once again...

Next

That motorcycle had to wait...
Cause there was something
here I wanted more! And 500
bucks was just enough!

Merry
Christmas. Oh,
it's you, again.

I greeted her and headed straight over to the
bell section.

Next

I grabbed the
“Sex-Bell” from
the stand and
paid up.

Here you go,
Sir. Have fun
with your
purchase.

But if I may,
please don't
jingle the bell
in here.

Leave the shop

Jingle the bell

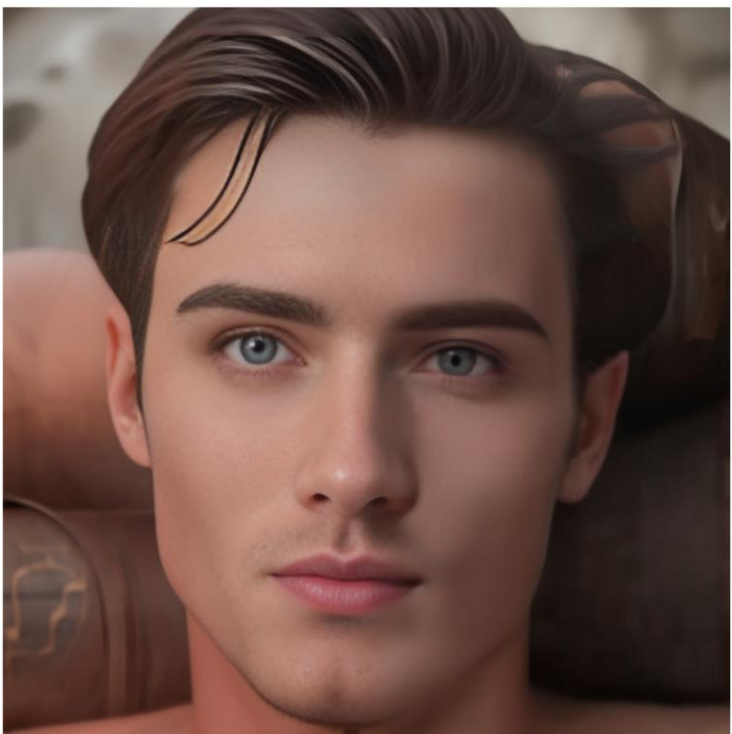

I leave the magic shop and head back into the snowstorm over to Beth's house.

And I sneak back in.

This time I had borrowed a key, so nobody noticed me leaving.

Next

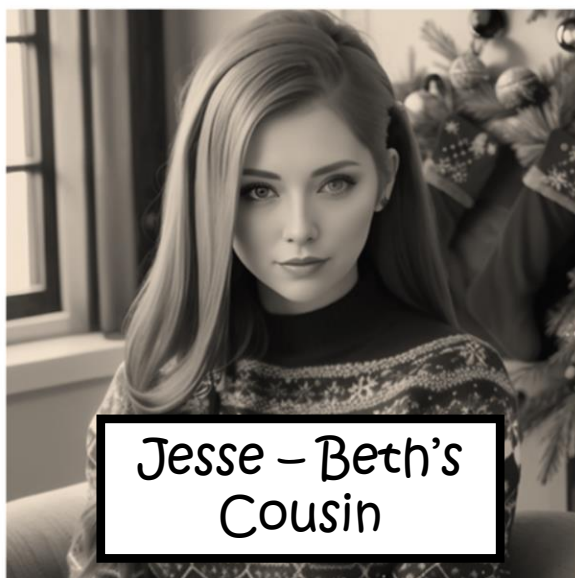

Beth – my
girlfriend

Monica –
Beth's mom

Amalia –
Beth's sister

Jesse – Beth's
Cousin

Beatrix –
Beth's Aunt

With the sex-bell in hand, the only question was... was I using it on my girlfriend? Or on one of the other four?!

Hey!
Where did
you snuck

Next

Whatever!
I have a
wild idea!

Next

A woman with long, wavy brown hair and light-colored eyes is sitting on a red couch. She is nude, wearing only a thin gold necklace and large hoop earrings. She is looking directly at the camera with a slight smile. Behind her is a decorated Christmas tree with gold and red ornaments and lights. To the left, there are white curtains.

Let's

A woman with long brown hair and blue eyes is lying on a red velvet sofa. She is looking directly at the camera with a slight smile. Her hands are resting on her lap. It seemed a bit

Next

We managed to clean up before anybody came back into the living room. And again, from one second to the next, Beth was back to normal.

Hey!
Where did you sneak off to?

Errr...
Bathroom...
Guess I did not stomach the food so well...

Next

The girls and Aunt Beatrix where up in the study doing some more Christmas singing. Only Miss Alcone... I mean Monica had just finished cleaning up and sunk into the living room sofa.

Oh, Jacob!
It's so sad my husband could not come home. I hope you had a lovely evening.

Oh, I most definitely had.

And it's only getting better, Monica.

The bell shows immediate effect as the previously exhausted Monica lights up with excitement, removes her skirt, and shows me her panties.

I'm even

Christmas
panties!

I can't believe
Beth wanted
to keep this
big one to
herself!

Oh god,
Jacob!
I'm close!

Next

Oh, god,
Jacob! That
was the best
orgasm ever!

Now give me
that cum!
Shoot it all
over me!

Yes!

Next

What a load!
A girl could
get addicted
to that dick
of yours!

A woman with long, straight blonde hair and blue eyes is smiling warmly at the camera. She is wearing a red V-neck sweater with white snowflake patterns. The background is a softly blurred Christmas scene with a tree decorated with red and gold ornaments on the left and warm, glowing lights on the right.

We cleaned
Amalia up real
quick, and **poof**
she was back to
normal.

Oh, hi, Jacob! I
think my sister's
been looking for
you.

Of course.
I'll go see her
ASAP.

Next

I approached Beth's Aunt who was idle playing with one of her locks alone in next to the Christmas tree.

Oh, hello, Jacob. I was lost in thought...

Next

First Aunt Bea
revealed her
gigantic tits to
me...

I was thinking
about what a
lucky girl our
Beth is.

Next

Before spreading her
legs and showing me
her see-through
panties!

Having
scored a
handsome
guy like you.

Next

I see we do
understand
one another,
young man.

She started
playing down
there while
watching me
take my cock
out...

A woman with long brown hair is sitting on a brown leather chair. She is wearing a red turtleneck sweater with white snowflake patterns and a matching red skirt. She is also wearing brown fishnet stockings and black lace garters. In the background, there is a Christmas tree decorated with gold lights and red bows. A speech bubble is pointing towards her.

What a nice
dick you
have there.

Next

A woman with long brown hair is sitting on a red couch, looking towards the camera. She is wearing a red sweater with white snowflake patterns and red knee-high stockings. The background is decorated for Christmas with stockings hanging on the wall and a lit Christmas tree. A speech bubble is positioned near her head.

May I take
a closer
look?

Next

That closer
look, indeed
got **very** close!

After a short but deep
fellatio, Aunt Beatrix
was popping the
question...

I know I'm not
that young
anymore...

But... would
you consider...
fucking me?

Beatrix, you
are beautiful.

Next

She laid back and I inserted my dick in her anticipating pussy.

Oh, wow.

A woman with long brown hair is lying on a red surface, wearing a red Christmas sweater with white snowflake patterns. She is unclothed from the waist down and has her mouth open in a moan. A speech bubble above her head contains text. A yellow highlight is behind the word 'Moan' on the left. A text box on the right contains a narrative description. A 'Next' button is in the bottom right corner.

Moan

Oh, god!
I'm ... I'm... I'm
having an
orgasm!

I came together
with her, shooting
my load deep inside
her womb.

Next

Thank you
for this
Jacob.

If Jesse's dad
was half the
man you are
we might still
be together.

And who
knows? Maybe
Jesse will have
a little sibling
soon. **giggle**

Gulp Had I really
knocked her up?...
Only time would tell.

Next

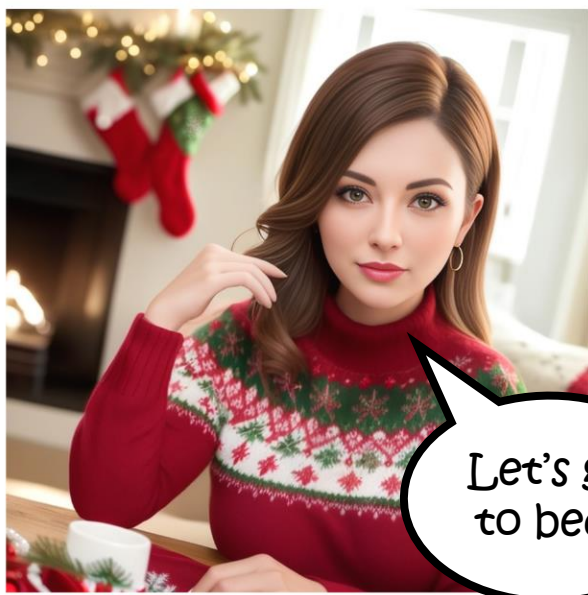

After redressing,
Beatrix was back to
normal.

Oh, hello,
Jacob. I
was lost in
thought...

Was I just imagining things
or was she carefully
caressing her belly?

Next

Let's go
to bed.

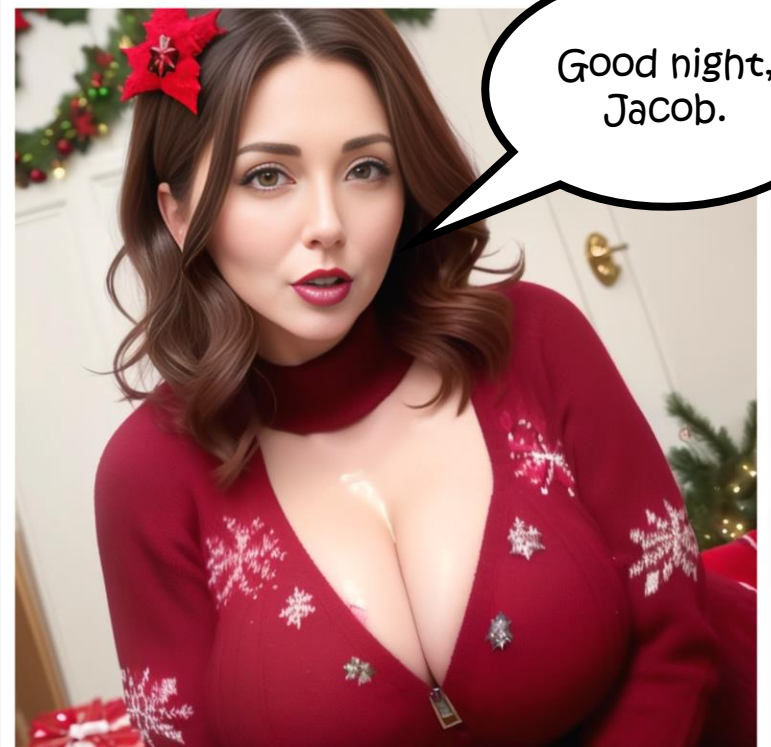

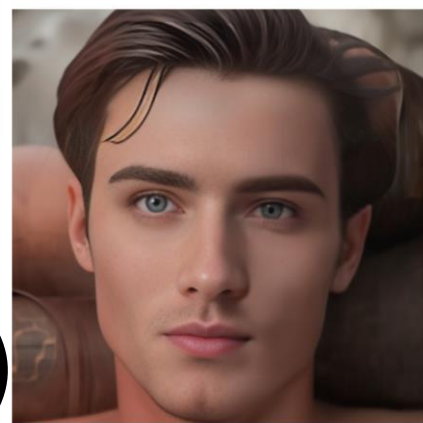

Good night,
Jacob.

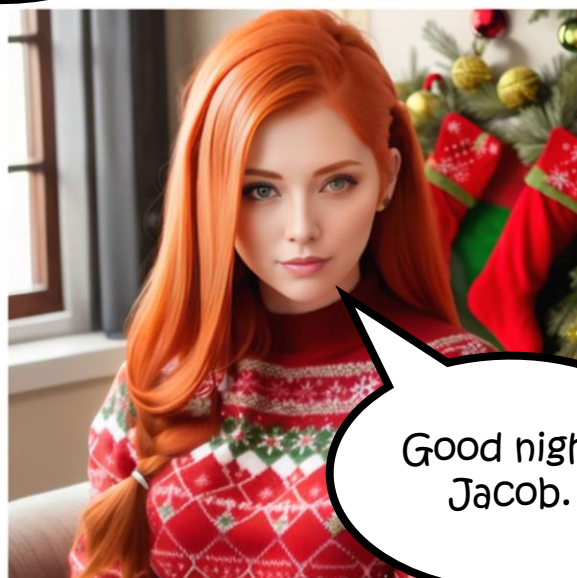

After that, the
festivities soon
subsided, and Beth
and I withdrew to
her room for the
night.

Good night,
Jacob.

Good night,
Jacob.

Good night,
Jacob.

Next

Alright!
Ready for
some action?

Huh?

Oh, come on. Did
you think I would
not notice? You've
been horny all day!

Let me tell you a
secret. So have I!
So, let's fuck!

I... I'm a
bit tired...

Next

At first, I was
confused... had I
accidentally jingled a
bell? But no... Beth
was just genuinely
horny...

You are
joking, right?
I'm horny!

And usually,
you are too! Did
you wank off in
the bathroom?!

Next

Come on.
I know you
want to.

Oh, boy...
How many times
had I cum today?

Next

I was tired and my
cock was fucking
spent! But well...
duty calls...

Mhhh
Yes, right
there, Jacob.

As I dutifully go down
on my girlfriend my
thoughts drift back to
the magic shop... I really
wish I had bought that
orgasm bell right now...
