The Girlfriend Multiplier

Previously Marco has wished upon a star for all his wishes to come true... and now they are! His girlfriend is getting super horny whenever he calls her hot. Her best friend and her sister have turned into identical copies of his girlfriend and now he is about to have a fucking foursome with identical triplets! What else will his omnipotent wishes bring to the table? A doll collection?!

But when Marco pops the question who's
the real Sarah the girls make fun of him...
and he does not like that...

A thorough body inspection revealed that the three Sarahs were identical from head to toe! There was no way to determine the original!

But by restoring their original hair Marco
finds a way to distinguish his dolls!

Having restored the girls' hair to their original Marco finally had a way to distinguish his dolls!

End of Teaser!

Hello, Hexxet here,

The first half of this chapter focuses on a hot foursome with the identical triplets while the second half focuses on them being turned into obedient plastic (life-sized) dolls – like reverting their hair, and a bit of Breast and Ass expansion. Also, Marco will do a one on one with the “previous sister model”. 😊

This part is **~75 pages** long and entails **9 pinups**. It's for adults only and available on my Patreon for Connoisseur Tier or in my Gumroad-Shop airing on 01.12.2023.
