Previously on Transform or Command our two rule-knowing protagonists come down to a similar train of thoughts...

I wouldn't mind turning Nicole into my slave...

Look at those boobs... I've been horny this whole time... Maybe I should just...

But it should be enough to have some fun...

I don't have enough points for a limitless change...

Who will prevail? And what do they have planned for each other?

Transform or Command?

Transform or Command?

We continue from here...

Oh, no!  
He ToCed me?!

Was he faster  
than me? Do  
both count?

Do I need to  
choose? What  
shall I choose?

No fricking way!

Who was faster?

FUCK!  
Do I need to choose? What will she do to me?

Oh, shit!  
I... I **need** to  
choose!

No clue what she's  
about to do... But  
I don't wanna get  
transformed!

**FUCK!**

I choose  
command.

**Nice!**  
So mine was first,  
and since you can't  
instantly TOC the  
person who TOCed  
you his got canceled!

Looks like I  
win. \*chuckle\*

What... are  
you going  
to do?

Oh, don't  
you worry.

You'll  
like it!

I don't  
like that  
smile...

You've been staring at these the whole night...

You'd like to touch them, don't ya?

carass

Those are some fine boobs.

It does not really matter who's in control as long as you get your hands on these, no?

Nicole's using the trick from the rulebook to lower the ToC costs of her upcoming command!

I guess?

Where is she going with this?

I command you to be my love slave for the next hour.

Oh, don't act so shocked. As if you were planning to do anything else to me. \*chuckle\*

What?!

I love being in control.

Now get hard for me!

Nice!

boing

Good boy!  
Now my panties.  
Take them off  
for me.

See that little  
pearl at the top?  
That's my clit.

Now latch  
onto it and get  
that tongue to  
work!

Awww!  
It's so cute  
how you are  
pleading for  
release.

# End of Teaser!

Hello, Hexxet here,

This chapter is 100% FD flavored. Sorry for that? But as a successor of GoC I feel like this story needs a female antagonist. So... while this chapter might not contain what you were hoping for you might still like it? Otherwise, don't worry, Dylan is still the main Character of this story and he will end up on top in the end. (Though there might be an optional Nicole Ending at some point... :P)

This part is ~**60 pages** long and entails **8 pinups**. It's for adults only and available on my Patreon for Connoisseur Tier or in my Gumroad-Shop airing on 15.12.2023.
