Fembot Factory Tour

The Kalingtons are a noble family playing with the thought of buying a Fembot for household duties. For this purpose, they have booked a tour around the Fembot Factory to inform themselves about this topic...

Featuring

James... A guy interested in robots... and his stepdaughter
Lucine... James' wife, Amara's mother
Amara... James' stepdaughter
Marco... A handler at the Fembot Factory
Erika... A fembot and a tourguide at the factory

And many more robots...

The Kalingtons, with James bringing it up, have decided to get a domestic bot to do the chores around the house. But it's good to inform yourself before adding a new "being" to your household so they have booked an info-tour at the local Fembot Factory.

Welcome to
"Fembot for you",
creating fembots
at an affordable
price – for daily
use.

Ah, good
morning, Sir.
You must be
the Kalingtons?

You are a
bot too,
right?

Yes. I'm Erika, a
second-generation
model and I will be
your tour guide.

When you are ready, please follow me.

First up is our exhibition area displaying various models available.

Wow!

These are all second-generation models like myself. Easily recognized by our shiny plastic-like skin.

This is the Victoria model. It was designed with outdoor sports in mind but it can do other stuff too.

The Kalingtons inspect the Victoria model in more detail...

This model is called Layla. She's our best seller from the second generation.

The Layla model was designed as an exotic dancer to replace strippers and go-go-girls but with her diverse programmable skill set she has also found her way into many single male households.

Back here we have the Stephany model.

As the Tour progresses the Kalingtons also get to see some of the bots in action...

Like this demonstration of domestic duties!

This bot is not wearing any panties!

It's to showcase they can work under any conditions.

Or this demonstration of sexual skills of the third-generation models! Who look almost human!

That's hot!

I don't think we need to see this...

Really?

This is one of our highest rated simulations...

And it is very important as well.

And as if things could not get any weirder... Amara has the shock of her life!

New bot reporting for sexual education training.

eeeeekkkk

"Fembot for You" would never create a bot after a real human...

Why have you created a bot after my image?!

But this bot looks exactly like me!

End of Teaser!

Hello, Hexxet here,

What is going on at the fembot factory? Had somebody ordered a bot in Amara's image? Has it something to do with James?! And how will the story progress from here on out? Surely, they won't buy that Amara bot... or will they?

This part is **~65 pages** long and entails **10 pinups**. It's for adults only and available on my Patreon for Connoisseur Tier or in my Gumroad-Shop airing on 12.01.2024.
