Hi! My name's Beth. I'm a typical
nerd girl. Big brain, big glasses...
tiny ... body.

Yo,
smalltits!

Got my
homework?

God, you are
so pathetic,
girl!

How can you
even live with
those bug
bites!?

Most of the girls
in my class are
mean bitches
who value fat on
their chest more
than brain mass
in their head.

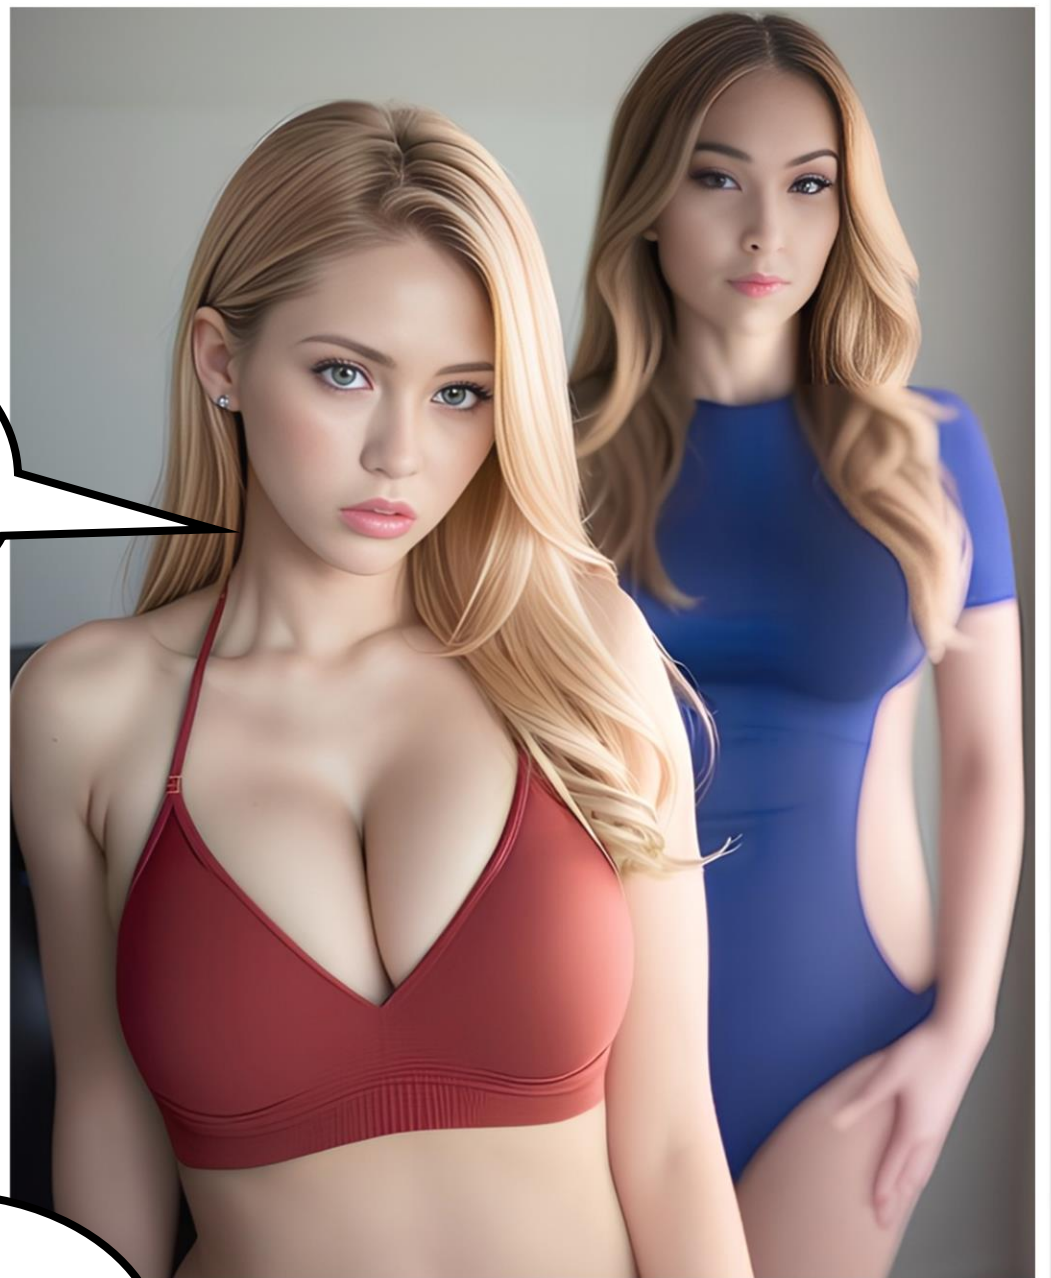

This is Bridgette, my best... and only friend. She's a bit sheltered and a bit naive sometimes. But she's good at school and has the same problems as me... for the same obvious reasons...

Think you
are better
than us?

You are making
us look stupid by
answering the
teacher's questions
that easily!

Disgusting
no tits!

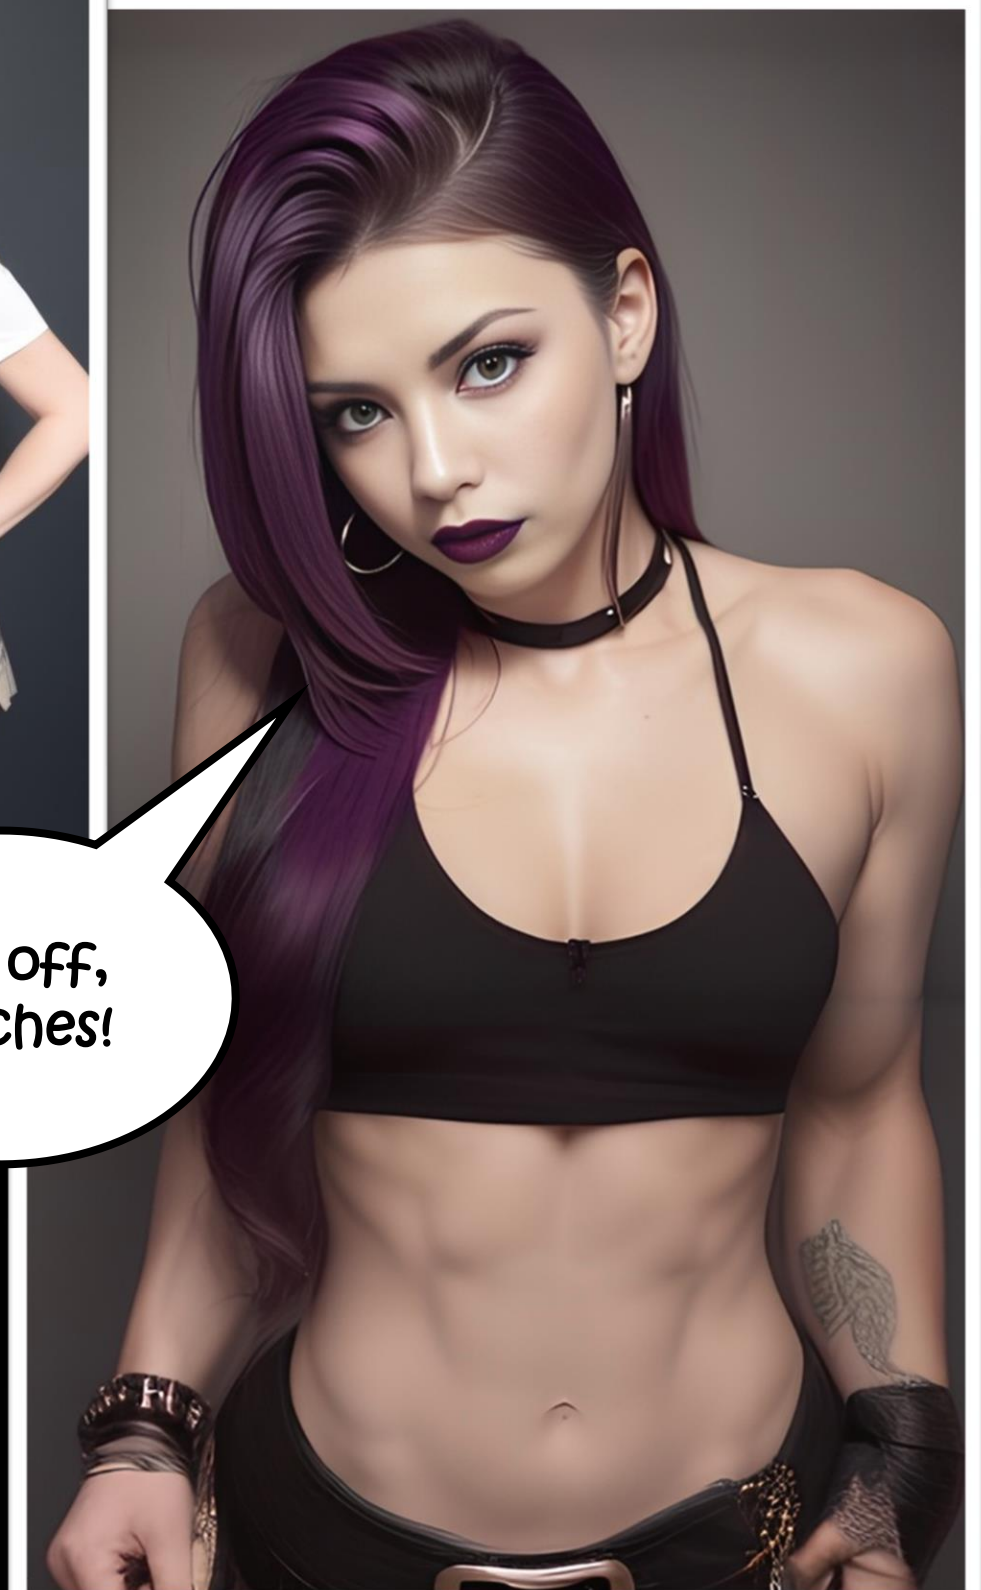

Look, it's
that dyke
again.

And that's Erin... She's a
dyke... I don't really know
her... but she's a target as
well...

Look at
that outfit.
giggle

Must be hard
without boobs.
Guess she was
born half a boy.
Ha-ha.

Piss off,
butches!

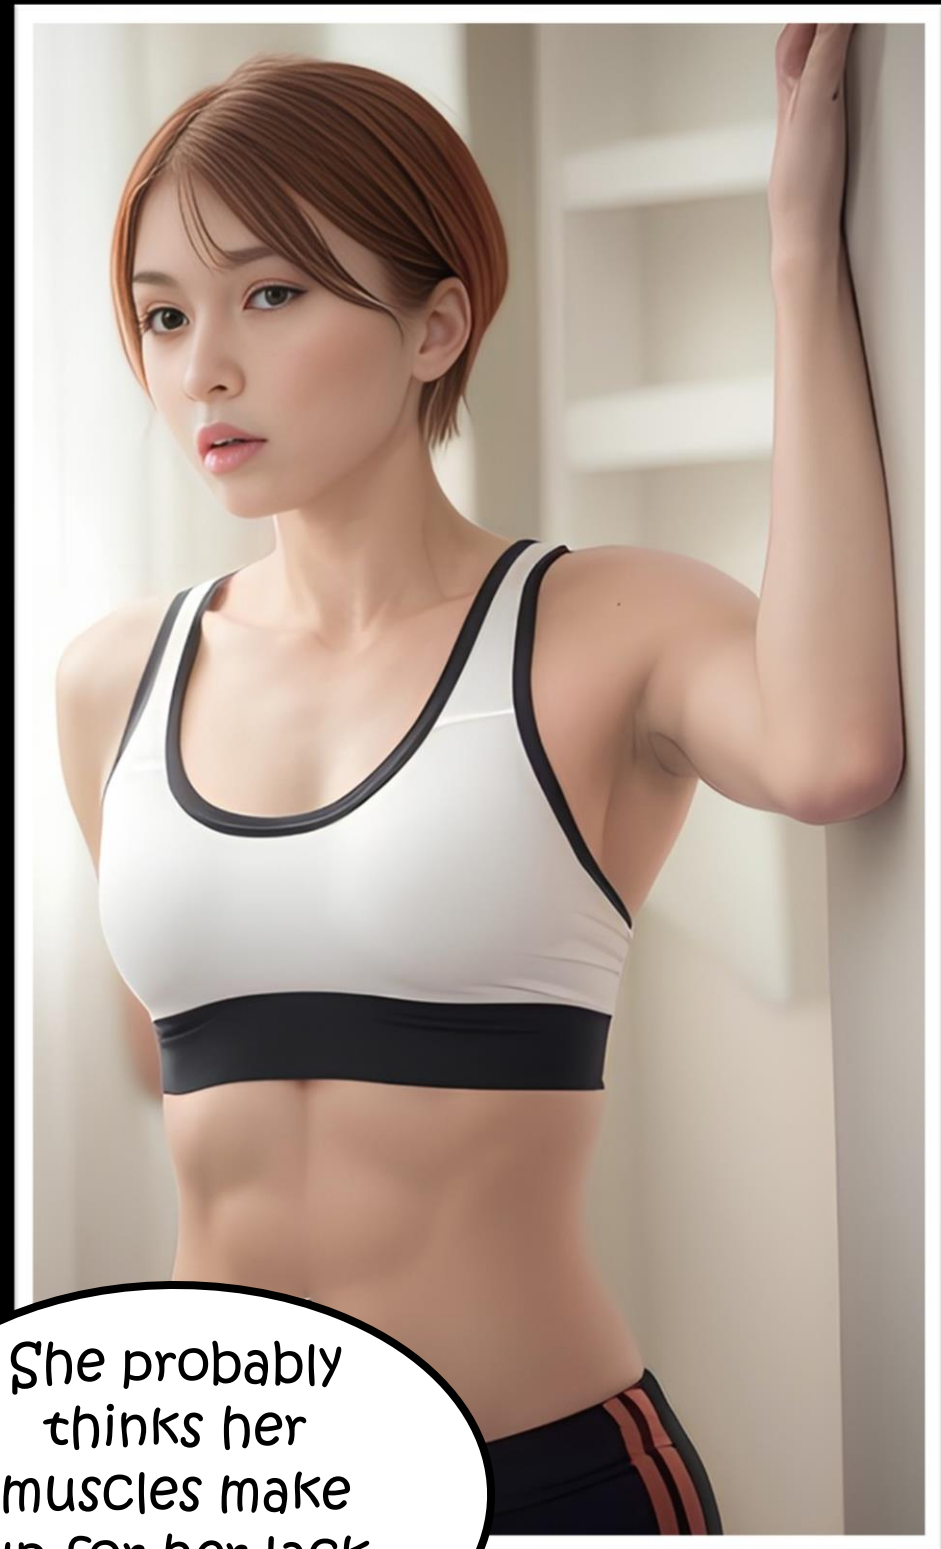

And we have Jacky. She's a track runner. Super sporty... strong... no boobs. Therefore, she's a victim too.

Look it's Jacky.

She probably thinks her muscles make up for her lack of curves.

Jacky is strong... but she never gets back at them... Cause we all know it's futile...

Life at school was... not nice.
Not for us anyway. And the
worst of the worst times was
after sports... in the shower...

One day, Bridgette and I were showering. I had just made a joke none of the other girls would probably even understand...

A photograph of two nude women in a shower. The woman on the left has dark hair and is looking towards the camera with a slightly surprised expression. The woman on the right has light brown hair and is laughing heartily, looking towards the first woman. Both women have wet skin and are standing in a shower stall with tiled walls and a glass door in the background.

Ha-ha-ha.
That's
hilarious,
Beth!

When we get interrupted by a group of those busty bimbos!

What's so funny?

They are probably going insane Cause they've compared their chests to ours.

Why... why
are you always
so mean?!

Forget it,
Bridgette.
They have
boobs for
brains.

Uhhh.
Look at her
serious face!

Is the itty-bitty
titty committee
going to lecture
us again?

hahaha
giggle

That was Heather. Cheerleader
and a mythic bitch. She was
always up front when it came
to bullying us...

It's the Itty-
Bitty Titty
Committee!

Usually, the bad nicknames she comes
up with go away after some time...

A photograph of three nude women standing in a locker room. The woman on the left has long brown hair, the woman in the middle has blonde hair, and the woman on the right has long blonde hair. They are all looking towards the camera. Three speech bubbles are overlaid on the image: one pointing to the woman on the left, one pointing to the woman in the middle, and one pointing to the woman on the right. A text box is at the bottom right.

Itty

Titty

Bitty

But this time it was different...

Itty Bitty
Titty
Committee!

The term trended! And it
stuck!

Look, it's the
Itty-Bitty Titty
Committee!

Oh, it's the
committee!

And was even used by people who
did not usually bully us...

Our situation got worse by the day...

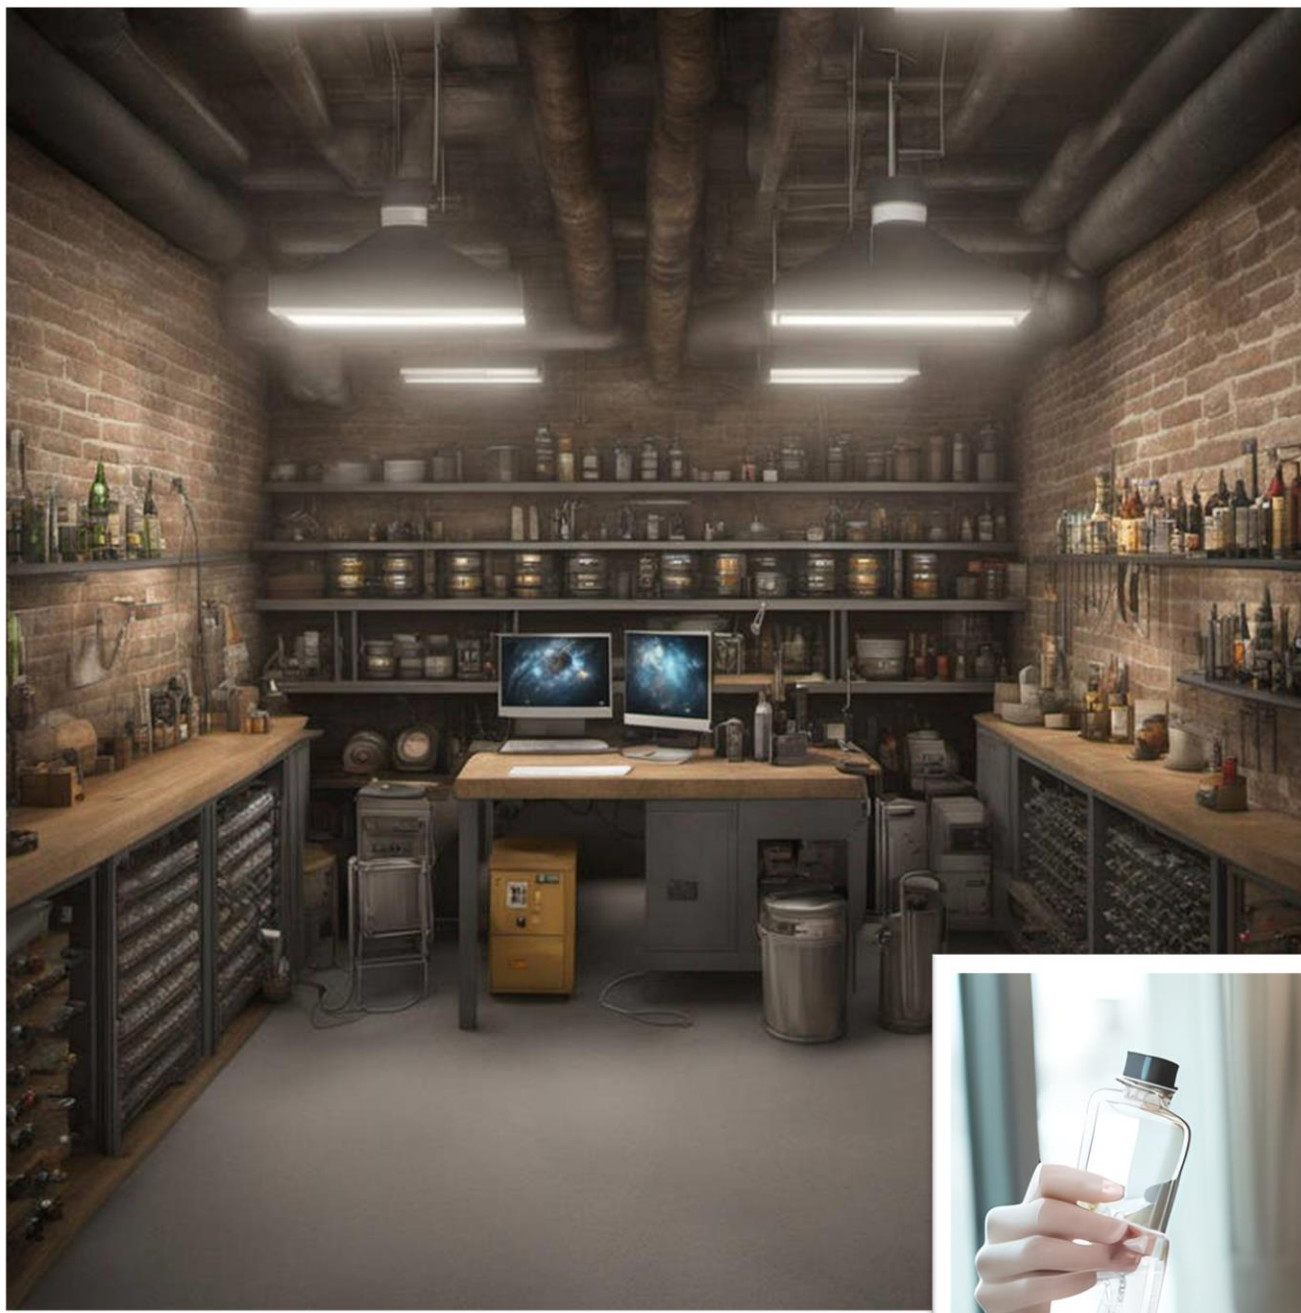

Itty-Bitty Titty!
Itty-Bitty Titty!
Itty-Bitty Titty!

...

And reached a point where it was intolerable any longer!

And then there was summer break.
Finally, a temporary escape from that
hell called school... an escape from
all these stupid people...

But I knew there was nobody who'd stop this madness! Once the new semester starts we'd all be back being harassed by the dumb and boobed! If I wanted this to end, I had to end it myself!

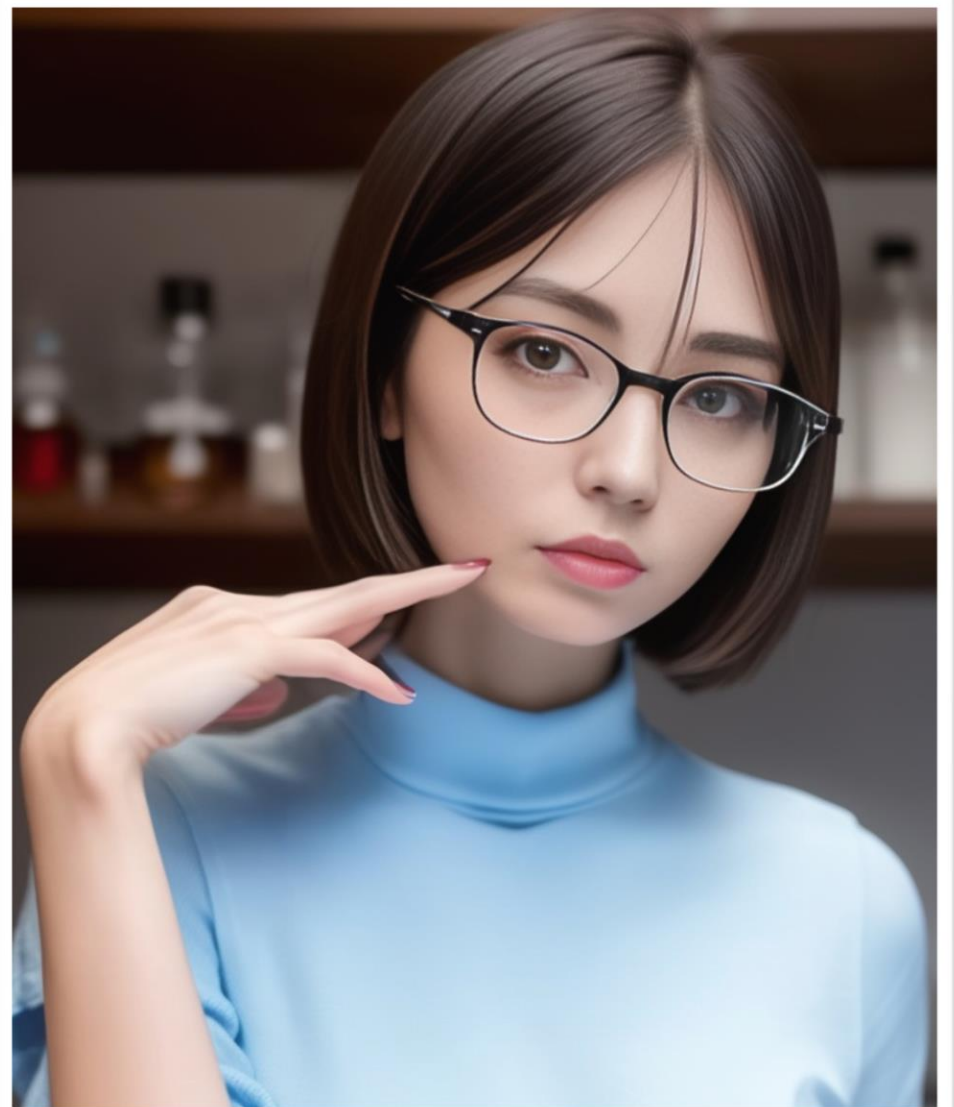

And so, I withdrew to the cellar... **I mean my lab!** ... And I started working...

I knew what I was aiming to
do had never been achieved...
Hell... any scientist would
have called me nuts just for
trying...

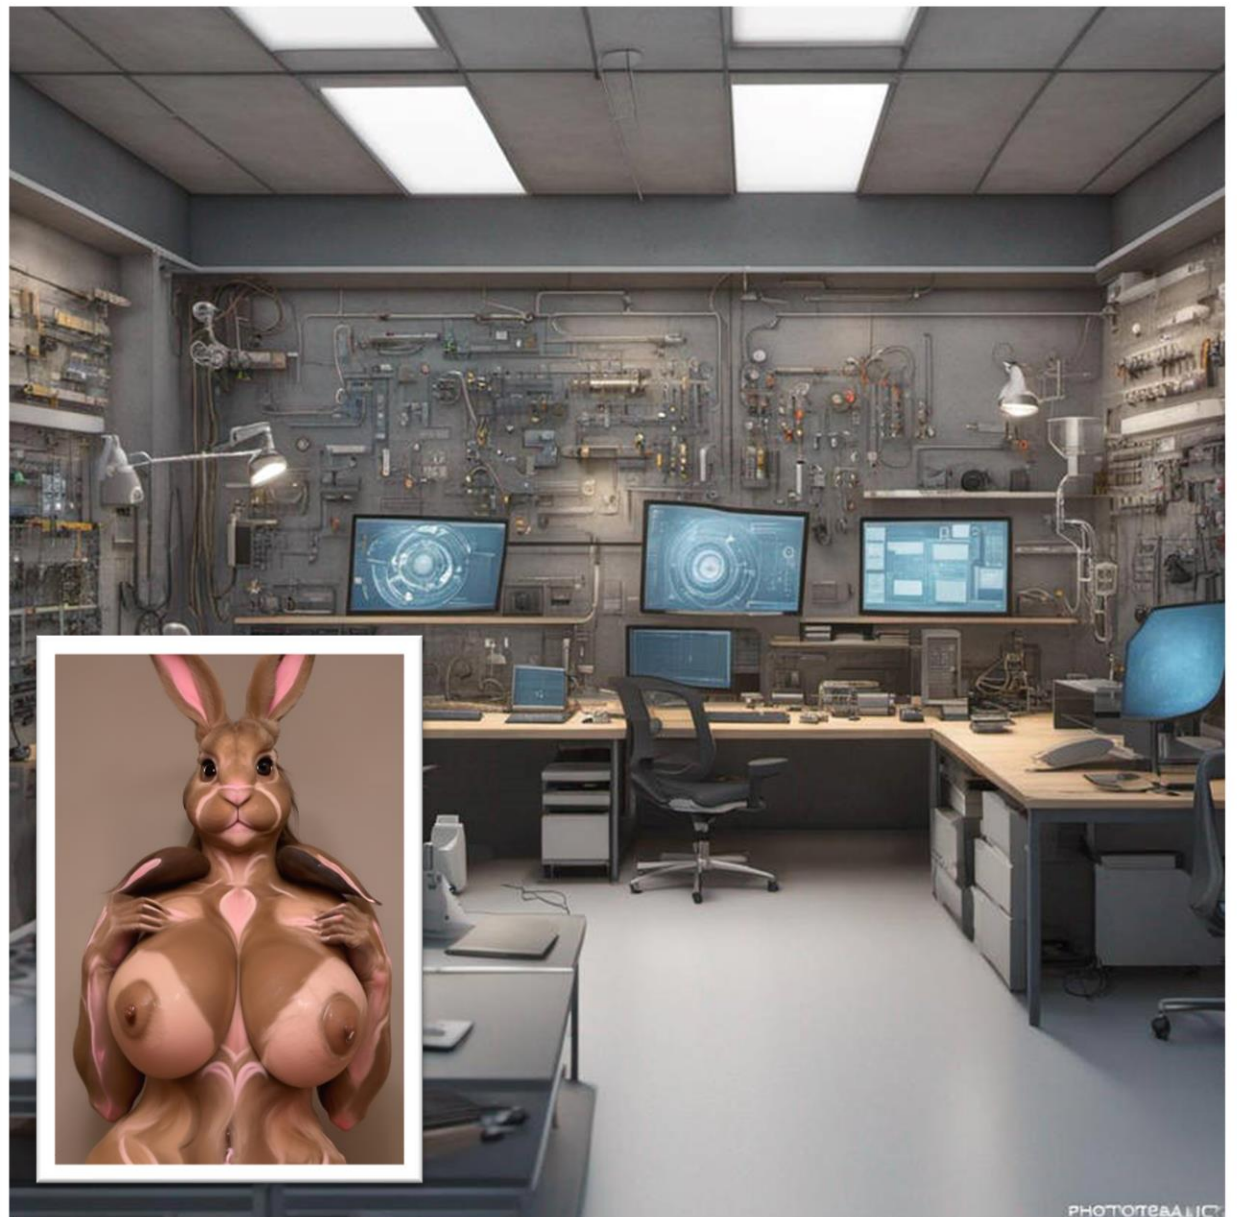

But I was dead set on achieving
my goal... **no matter the
costs!**

I invested all of my saved-up lunch money in some sick hardware. And piece after piece my cellar turned into a high-tech lab for real!

There were many setbacks... and... unexpected results in between... but my faithful pet bunny Bunbun proved to be an excellent test subject...

And once summer break was over, the deed was done. I had achieved the impossible! And made it even into a portable version in the form of a gun! But I knew I needed allies. For one person can break, but an idea will never die!

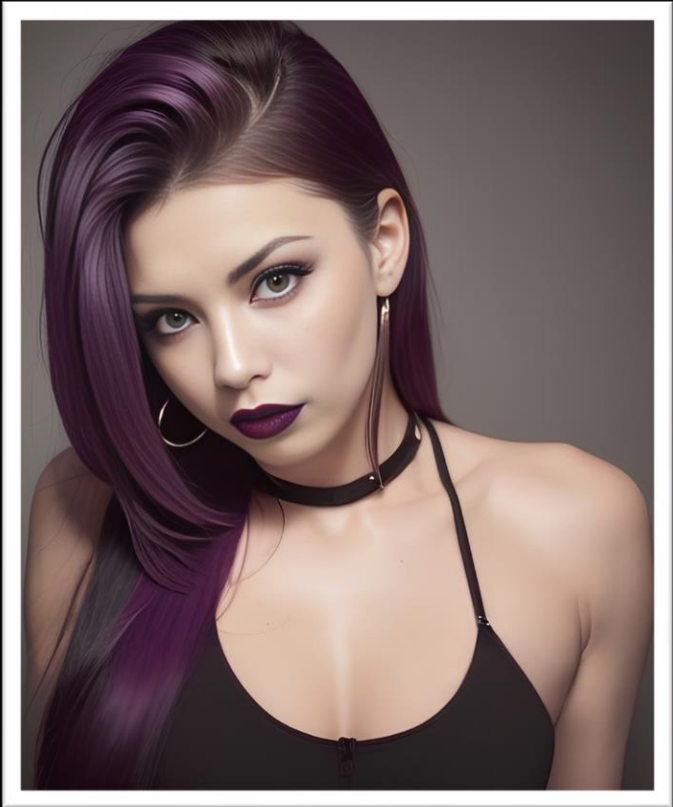

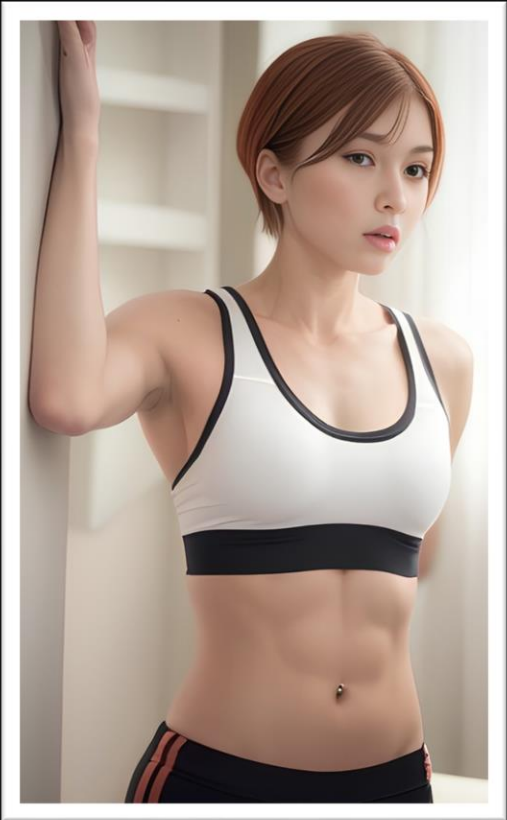

Last day before school starts again...

Err...
what are
we talking
about?

Are you
with me,
gals?

So, you
want to
stop the
bullying?

Yes!

Heather and the
rest of those
dumb big-breasted
bimbos need to be
stopped!

Well, I
agree...
but...

I don't see how
us small-chested
girls forming a
squad will help
in any way!

It's not just
about forming a
squad! It's about
taking those
bitches down a
few cup sizes!

Bridgette, a
little help?

Sorry, I'm
confused...
what's **she**
doing here?

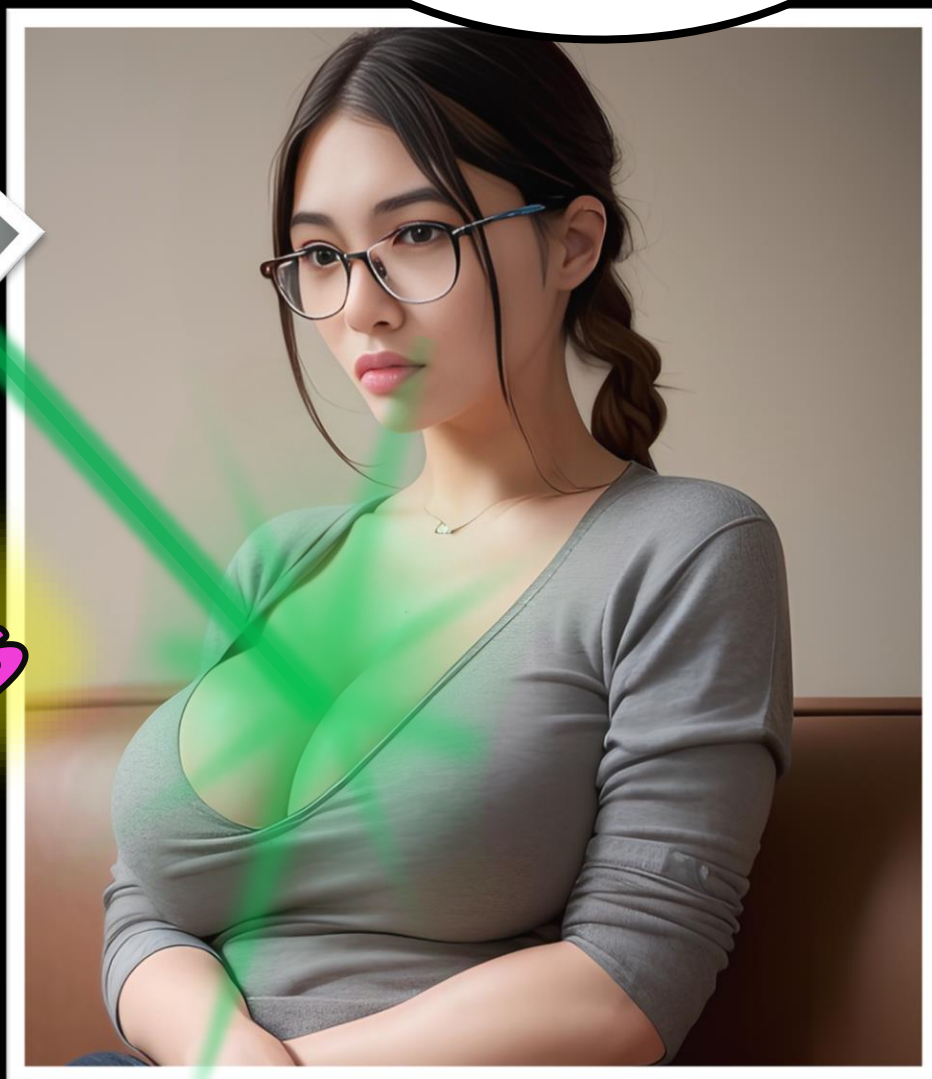

Thank you,
Bridgette!
Very good
question!

Hi, I'm
Jenny!

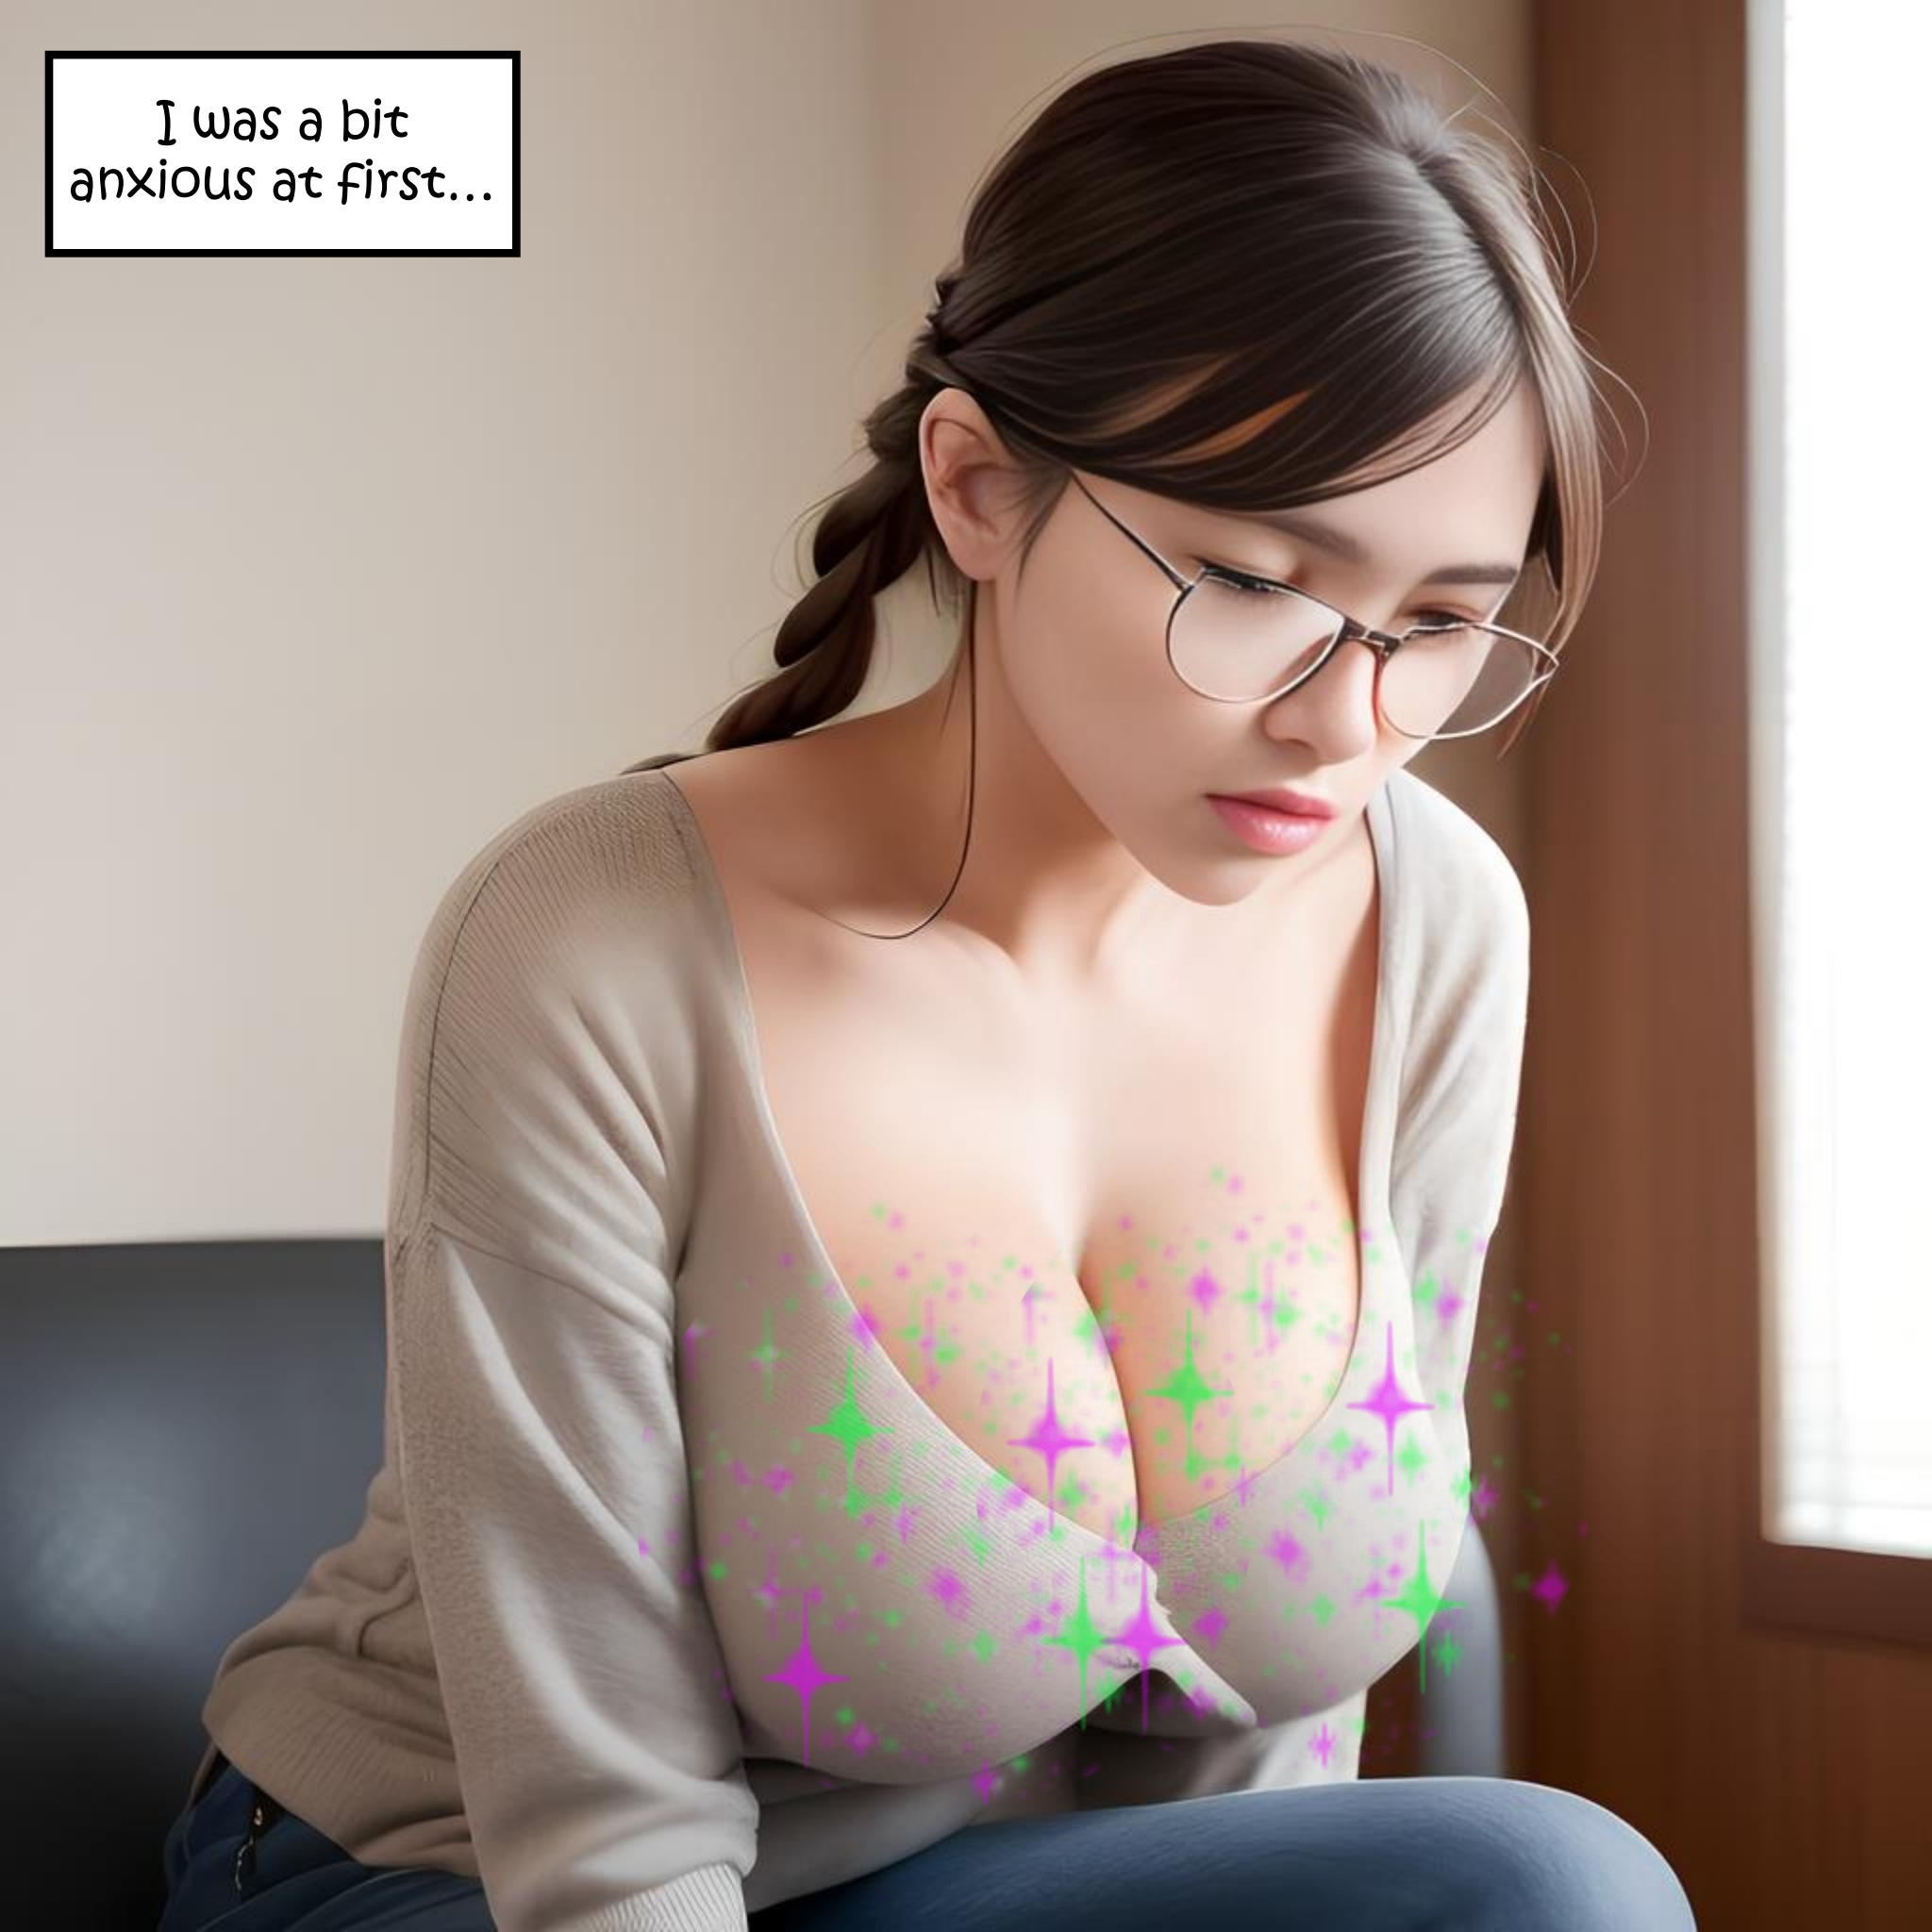

Please, no
talking, test
subject
zero-two.

Cause without
actual proof you
guys probably
won't believe!

I was a bit
anxious at first...

After all, I had
only tried this on
Bunbun so far...
and the human
body was a tad
more complex
than a rabbits'...

So, it was quite a relief when I finally saw those bags of fat shrinking!

All those
scientific web
forum trolls I
asked for help
said I was mad!
They said I
was mad! **But**
it works!

Jenny's
ridiculous big
bosom was
reduced right
there in front of
our eyes.

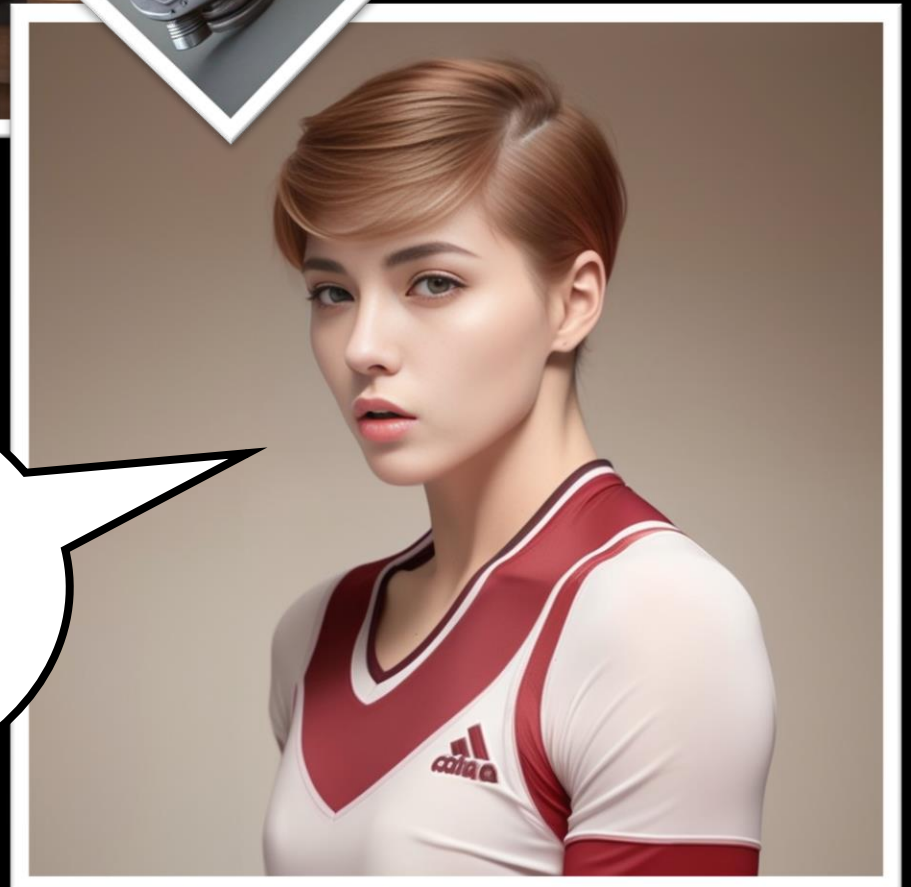

Until not much more
than a flat-chested girl
remained before us!
The Boob Vanquisher
3000 was a full success!

Awesome right?
As you can see,
my invention took
a weight load off
Jenny's chest.

Holy fuck!
This is crazy!
Are you okay,
Jenny?

I...

Don't worry.
She's fine.

Jenny has complained
about breast-induced
back problems this
past year and on top
of it she will be well
compensated for this
demonstration.

A young woman with long dark hair in two pigtails, wearing black-rimmed glasses and a grey V-neck sweater, is smiling at the camera. She is sitting on a red couch. A large thought bubble is positioned to her left, containing text. Three small circles lead from the bubble to her forehead.

The fuck?! This
actually worked?
I thought it was
an easy 20 bucks!

So, are
you in?

Hell,
yeah!

Aye!

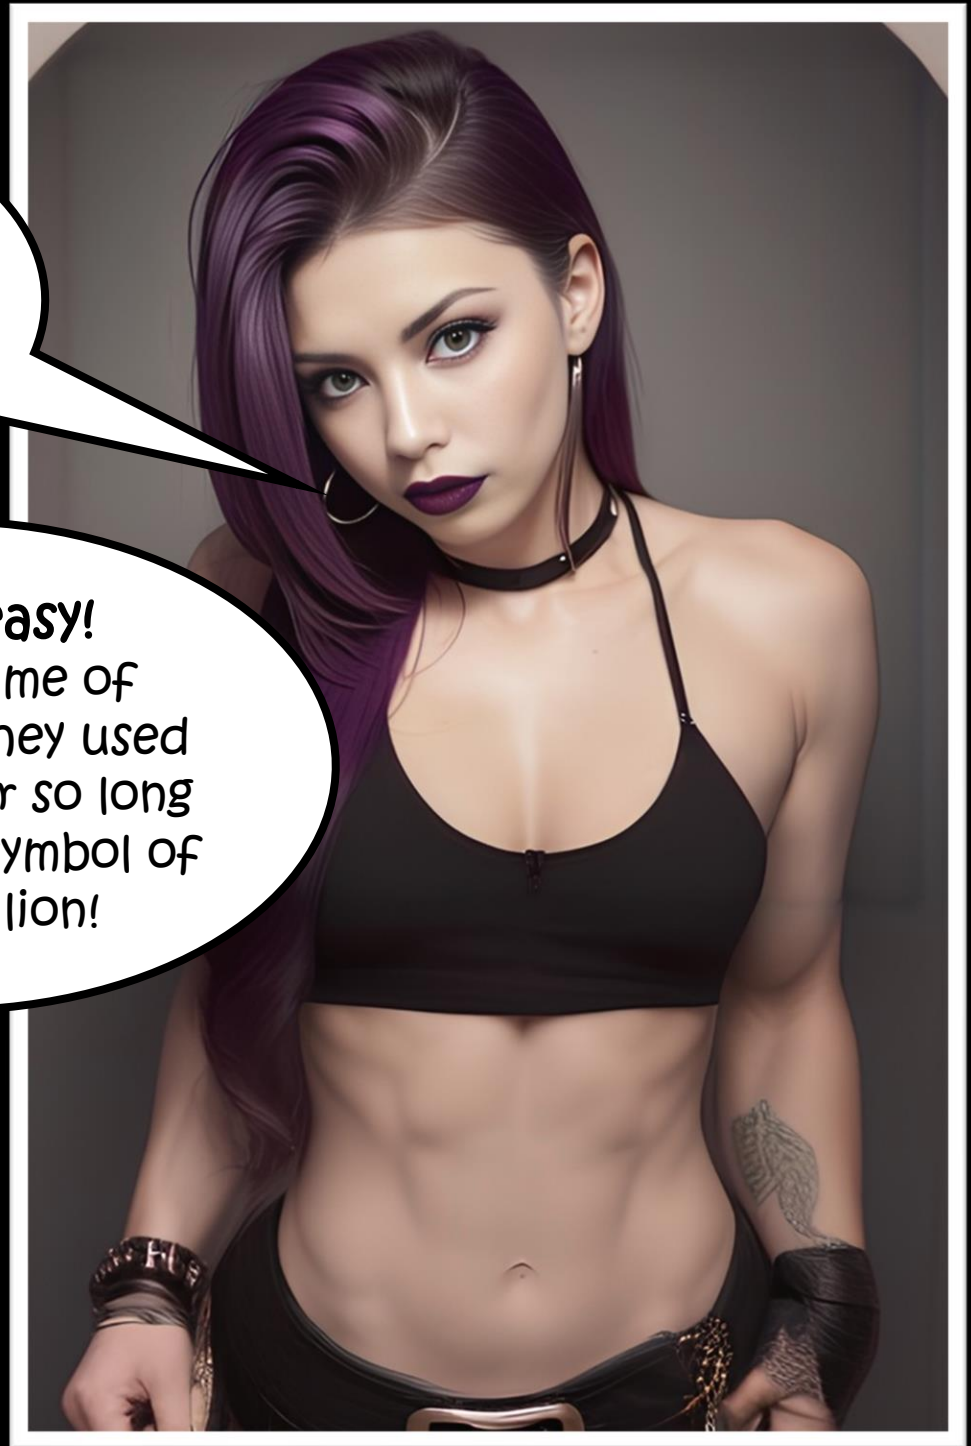

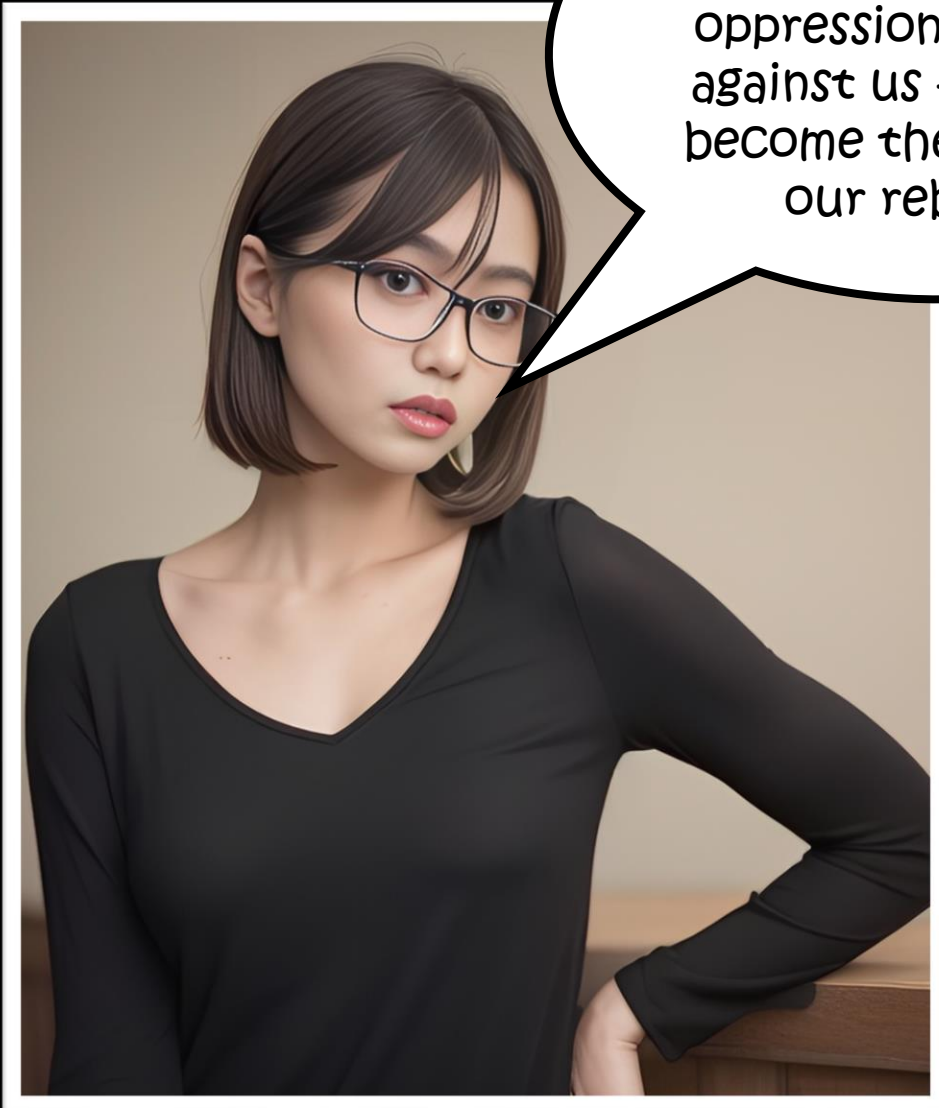

Let's
show those
bitches!

What should
we call our
little group?

That's easy!
Let the name of
oppression they used
against us for so long
become the symbol of
our rebellion!

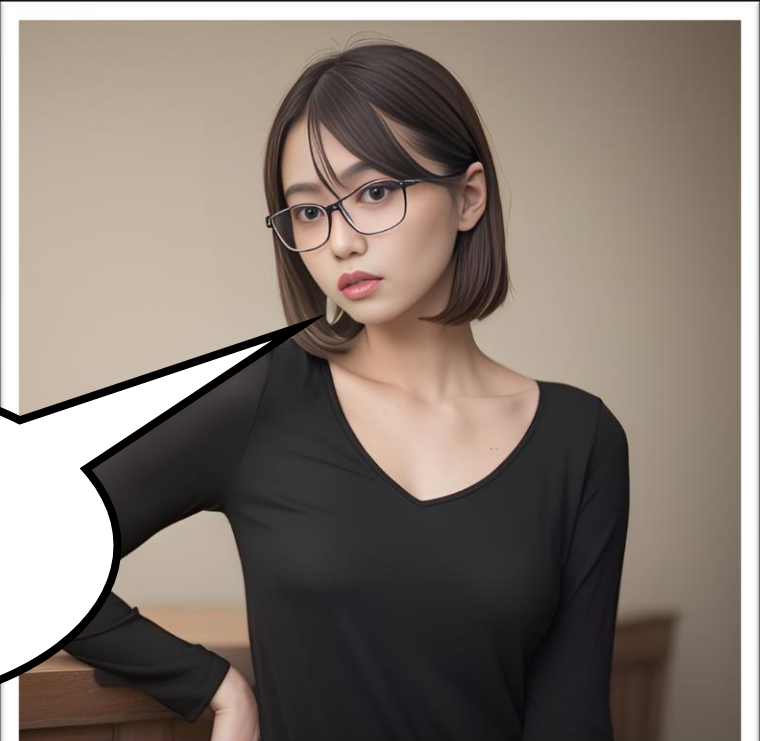

The Itty...

Bitty...

Titty...

Committee!

And that's how the Itty-Bitty Titty
Committee was formed...

The school did not know it by
then... but it was in for a lot of
trouble.

Hello, Hexxet here,

I hope you liked this intro to my new story. It's planned to have multiple chapters (at least three more). And while the name hints at being mostly breast reduction themed, there is actual Breast Expansion planned for the later chapters 😊.

More PAs and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAs you probably want to visit the shops, not the Patreon). Some free PAs can be found on my homepage.
