Soul Swap Phone

Somehow our protagonist got his hands on an app that can zap people into a hypnotic trance and/or swap their souls with other entities. Without morals or remorse, he roams the campus and uses people left and right for his own pleasure not thinking of any consequences. This story is rated E for Evil!

Featuring

Mikael...	The protagonist with the soul swap phone
Lucy...	A red-haired girl – Mika's first target
Prof. Harrison	Lucy's stepdad

...

And a ton of other characters getting used during Mika's soul-swapping spree. Note that all characters are over 18 and no real animals have been harmed throughout the production of this comic.

The boy makes his way across the meadow to the nearby park entrance where he addresses the two women spotted earlier.

Hi there!
I don't want to bother you for long.

Could you please take a look at this?

It will only take a moment.

As the brunette girl's eyes fall upon the spiral displayed on the boy's phone the pattern engraves itself in her brain – making her utterly receptive to any suggestion thrown her way in the boy's voice.

As the distortion in her facial expression subsides her eyes are blank – a mirror of her empty mind – devoid of any thought of her own.

The boy leads the girl into a shady corner of the park. The confused mother follows behind...

Honey!
We are
leaving!

As the woman starts to complain some more the boy selects her with the camera function of his phone and then he decides on the second target of the upcoming swap.

Most traces of intellect vanish from the woman's face as the boy activates the soul swap function.

And her own soul gets exchanged with that of a nearby dog!

In the meantime, the woman's daughter has finished stripping and is waiting for further instructions... which our boy is all too eager to give her.

Yes...
undress
her...

Now undress
her. A dog
does not need
clothing.

Without any traces of resistance, the girl crouches down and starts to undress her mother's body...

chuckle

The dog inside her mother's vessel seems to enjoy the attention, and to our boy's amusement, it starts yipping.

yipp
yipp

But that's far from all. Watch on as our guy has strange "fun" with even more women he meets in the park...

How dare you walk around like that! What are you even thinking!?

Hey! Are you listening?! I'm talking to you!

Stop playing with your pho...

Ehhh...

Ooorh...

The girl's body drops to the floor as her mind is exchanged with that of a nearby snake.

As the girl's mind gets replaced with that of a snail which is not used to boney vessel, the girl's body collapses and lands unsightly on the floor. Is the snail moving? Surely not faster than in her original body...

Oh, my god!

What have you done to my friends!?

Ehhh...

Ha-ha! You wanna see? No problem! I'm gonna show you!

Uoorh...

Being reduced to only four limbs the cockroach trapped in the girl's body is confused and with panicked movements tries to control this new strange body... in vain... as it lands on the ground, struggling to get back up like a bug on it's back.

kreh

And shortly later we have a fully grown orgy happening in that park!
