Collaboration Notice

This comic is a collaboration between **3D-Swede** and myself. I‘ve commissioned 3D-Swede to create the renders for this comic, while I‘ve provided the script and added the text. I‘ve also bought the rights to sell the finished piece from 3D-Swede. Note that the base idea for the script was derived from my Patrons who could put options to vote and the most voted options were turned into this script.

If you want to know more about 3D-Swede, have a look at his Deviant Art Page. He has already created a lovely story about mannequins that is over 300 pages long and I‘m looking forward to anything new he might create in the future:

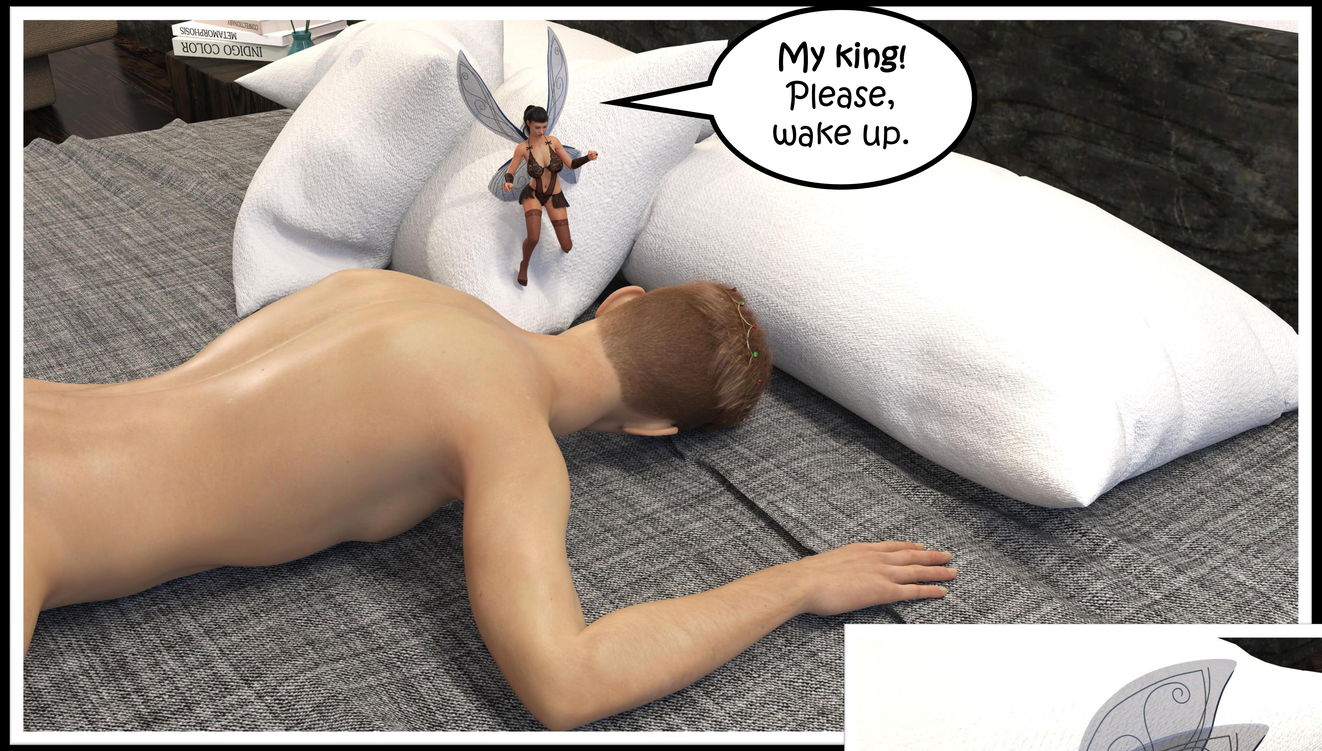
Once upon a time, a young man found an amulet…

Window Wishing X
Trouble in Fairyland Arc II

Previously on Window Wishing Veronica used her lying powers on Erik the Fairy King so he‘d reveal to her the location of the wish-granting amulet. After a hard fuck that left the King exhausted in bed, Veronica is now on her way into the King‘s vault to retrieve said magical artifact. Only Katarina, the fairy, knows about her plans. She managed to escape her glassy prison at the end of the last chapter and is now on her way to warn King Erik. Will she be in time? Or is Erik about to lose everything?!

Cast of Characters:

Erik …	**The Fairy King**
Veronica …	A woman who is after the amulet
Katarina…	A Fairy Girl in King Erik‘s harem
Nicole, Beatrix, Carin, Jana …	Elf girls in King Erik‘s harem



My king!
Please,
wake up.

The hell?
YAWN

WAKE
UP!

Katarina?

That woman is after the amulet!
Veronica?

Emergency!
Quick!
If she gets her hands on the amulet, it's too late!

Damn it!

Meanwhile in the King's vault...
Wahahaha
Finally, back in my hands!
My Treasure!

Just as the King, Katarina, and Beatrix, the one guard he could mobilize this fast, arrive there.

Horrified King Erik comes to a halt inside the vault as he sees the amulet sparkle in Veronica's hands.
Looking for this, oh "Fairy King"?
Oh, shit!

I wish you were frozen in time.
Haya!
Beatrix, don't...

Oh, Beatrix...

I can see the fear in your eyes.
Good!
Give that back! You don't know what powers you are messing with!
Oh, don't I?

Trust me, I know what this treasure can do. *chuckle*

Give it back you filthy thief!
The amulet belongs to the fairy king!
The amulet was mine a long time ago...before I lost it.
I'm just taking back what's mine.

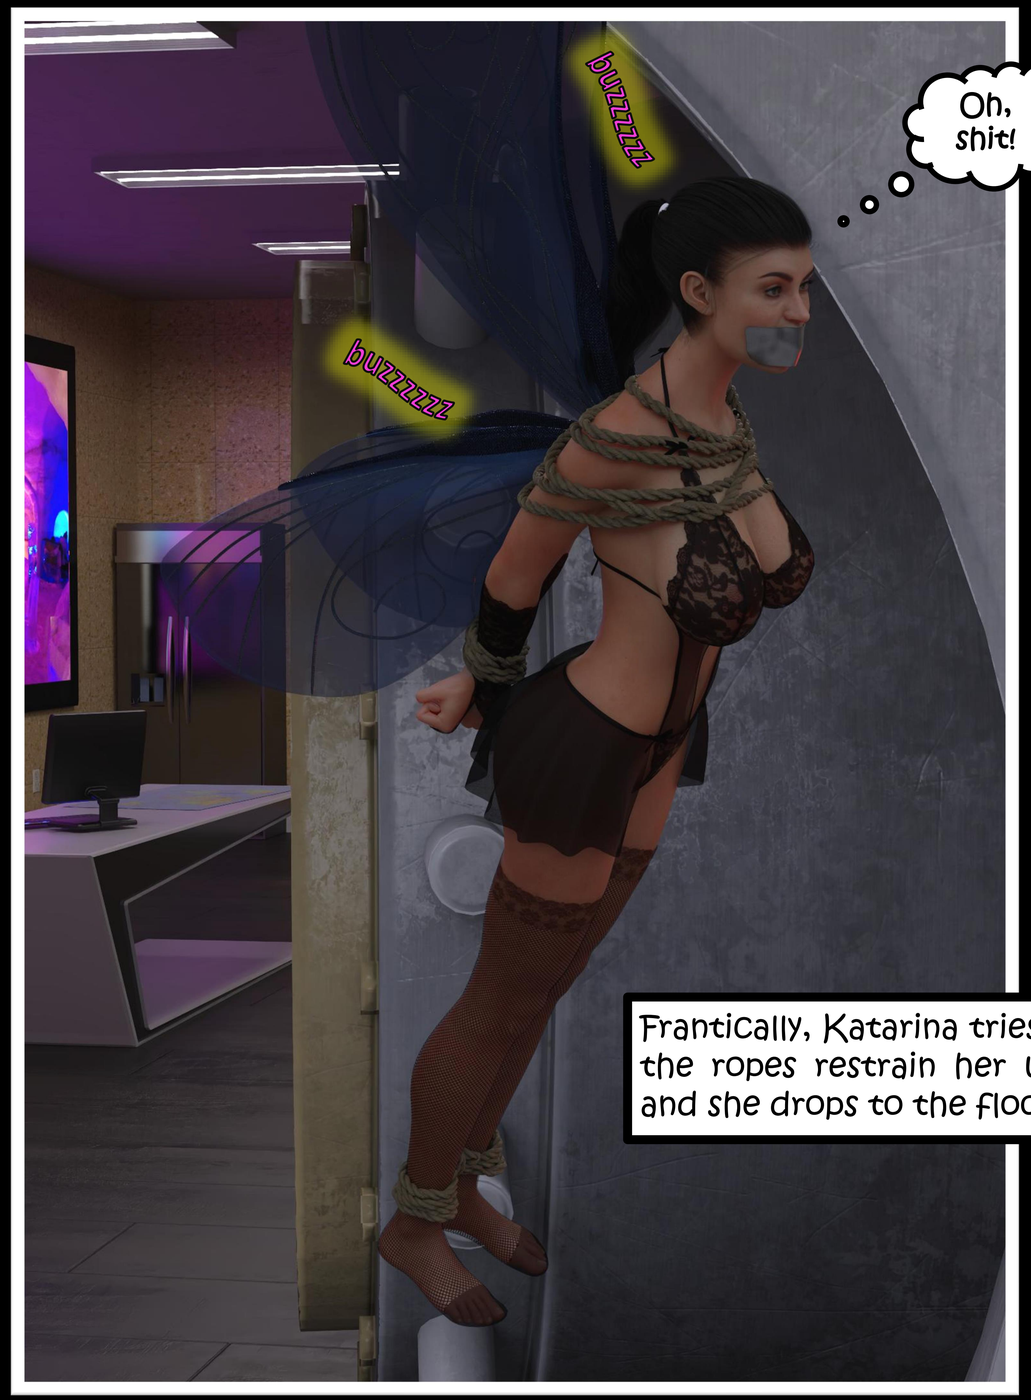
It now belongs to the fairy king!
Then you should not have lost it!
Wow! This one is annoying.

Give it back!

I wish you were gagged and bound.
You talk too much.

How dare you!
I'm the fairy king's attendant and I demand re...

Hmpf?!



Frantically, Katarina tries to flap her wings but the ropes restrain her upper body too much and she drops to the floor.

Desperately, Katarina tries to lose her restraints, but the ropes hold. She's bound for good!

struggle

Mmmmmmpff!

squirm

Please stop.
I know you may think of me as someone evil.
But I care deeply about all of them.

... I guess... I did that... It does sound kinda evil when you speak it out loud...
You turned the whole city into your personal harem sex slaves!
Care deeply about them?

I'm not judging you.
In fact, I think what you did here is great. *giggle*
But don't try to bullshit me with some emotional story. *chuckle*
I... I'm sorry!

Please.
I bow before you.
A wise choice.
chuckle
You are giving up?

Take the amulet and leave my kingdom untouched.
Pathetic!
Now why would I do that? I really like what you did with the place.

In that case, I have the perfect solution.
Let's see this loser struggle some more before I take away everything! *chuckle*

Here, let me...
Don't!
I wish I was immune to all sorts of weapons!

It's not a weapon!
This is the golden key of Fairyland. It's our greatest award.
And all fairies will heed to your wishes.
By accepting it you will become an honorary citizen.
You can visit fairyland anytime you like and enjoy anybody around.
Cute!

It's very cute how you beg for your kingdom.
Maybe I would have considered mercy at some point...
If you did not make me sleep with you!
Huh?!
That's not what happened... and... I thought you enjoyed that...
Veronica snatches the key from Erik's hand.

TSK!
Men! Who would ever enjoy sharing a bed with you?!
All you had going for you... all you were worth... was the amulet!
And now, it is mine!

Please, mercy! You can be the queen! Then please, leave me with the key.

So, I can at least enjoy this kingdom like that.

Also, Fairy Queen Veronica sounds like a worthy title! Ha-ha-ha

You were nothing and you are nothing again!

You don't get it, do you?
You deserve to be punished!
I'm taking this key. It is mine now!
The fairy kingdom welcomes you as an honorary citizen!

Stop spouting stupid stuff!
I will now decide on a punishment for you.
Oh, so noble ex-fairy-king. Ha-ha-ha!
Will you now...

Well, before you do that, I have one last request.
And what would that be?

Please hand me back the amulet.
laughing You really are full of yourself.

I don't know what you are thinking...
Or how saying that will benefit you in any way.
But I will never ever let go of this treasure again!
drop

Thank you!
No, way!
What am I doing?!

Not so proud anymore, are we?
What did you do to me?!

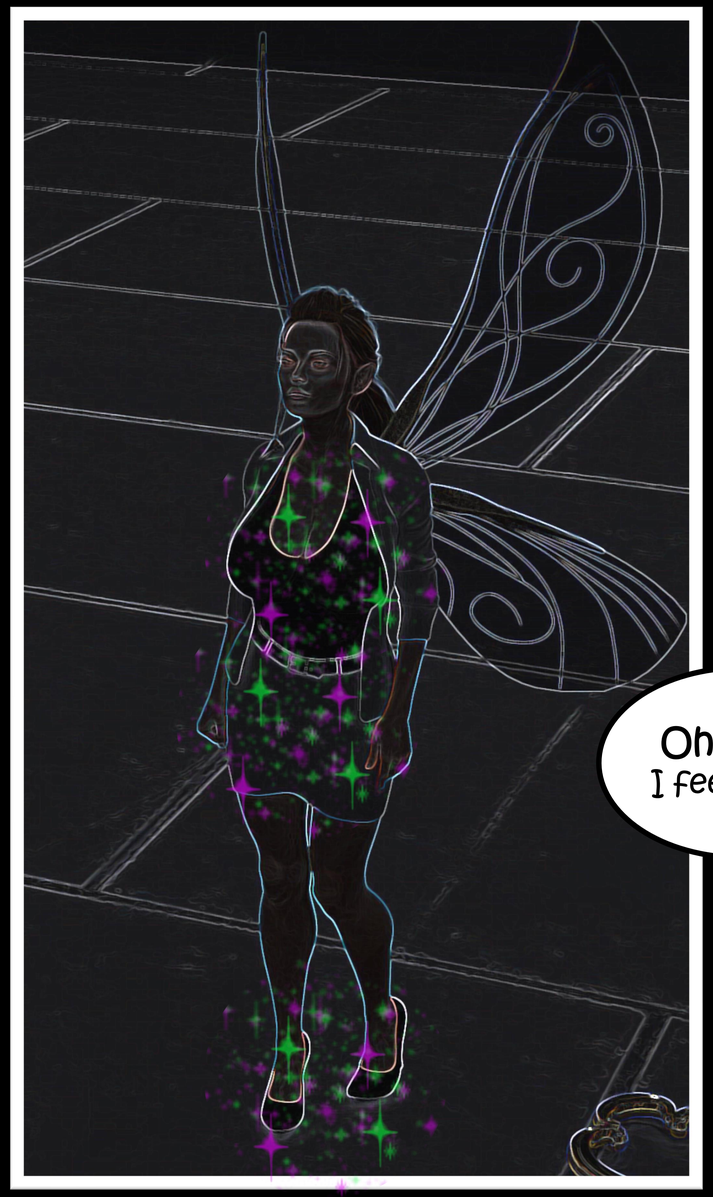
That's easily explained.
The fairy kingdom was built on a single wish.

"All inhabitants are obedient, slutty female elves or fairies worshipping me, the fairy king."
By "accepting" the key you have become a subject of the fairy kingdom.
But I am not...

Therefore, you are obedient towards me.
What is happening?! Everything is so big.

Isn't it obvious?
You are turning into a fairy!
I was so close to having it all!

But!
Small human...
I don't want...
Wings!
Uhh...
Fairy!
How may I serve you, my liege?
Obedient Fairy!



Slutty Obedient Fairy!

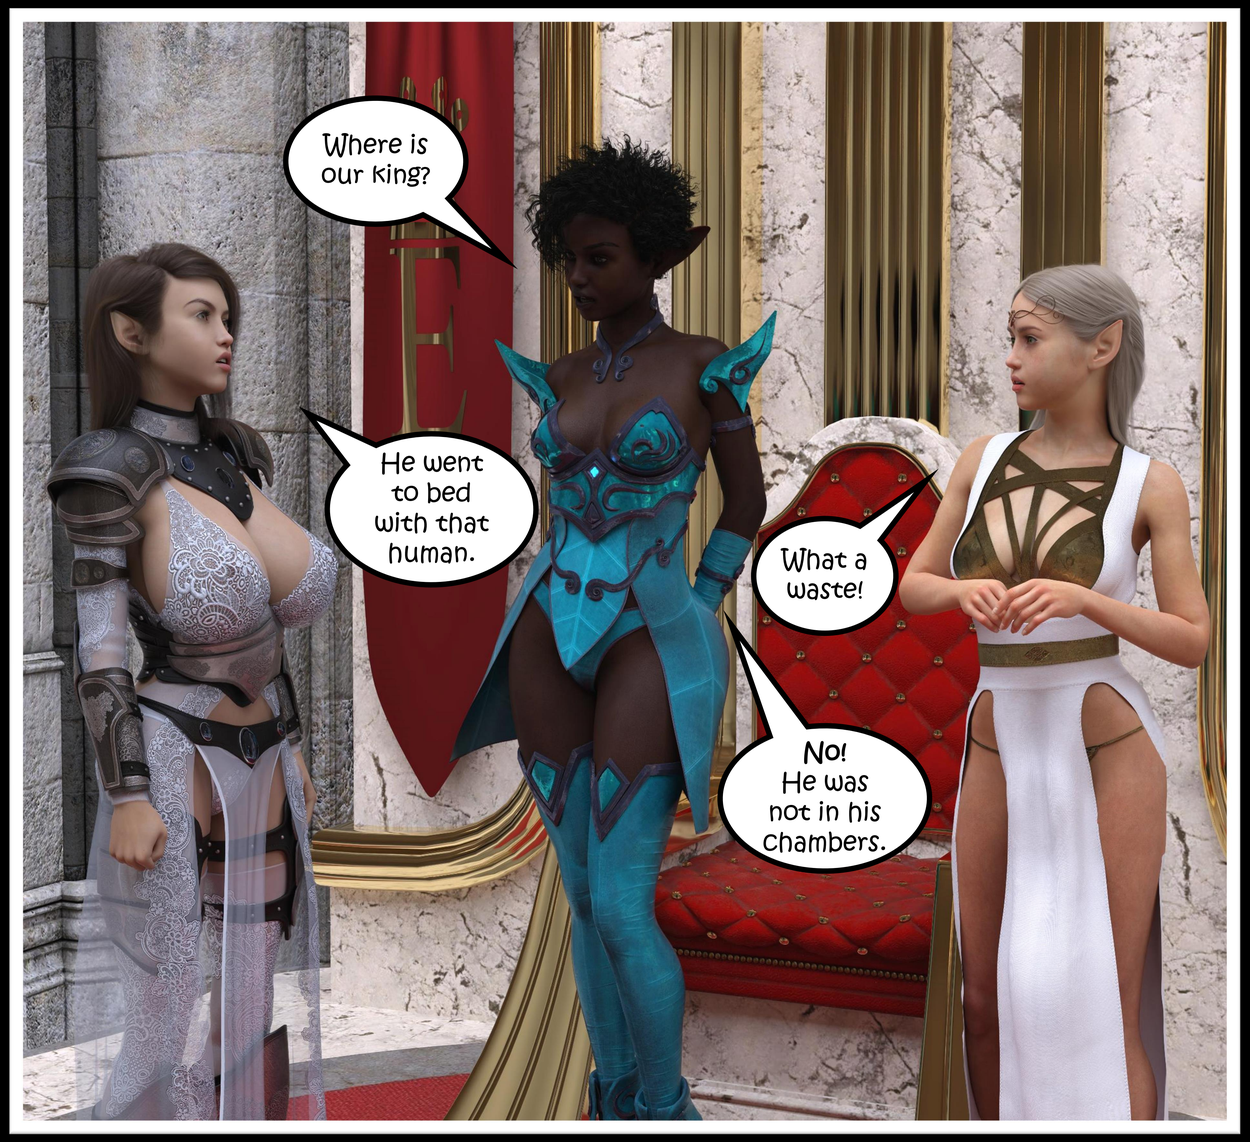
Have I ever told you how attractive I think you are, my king?

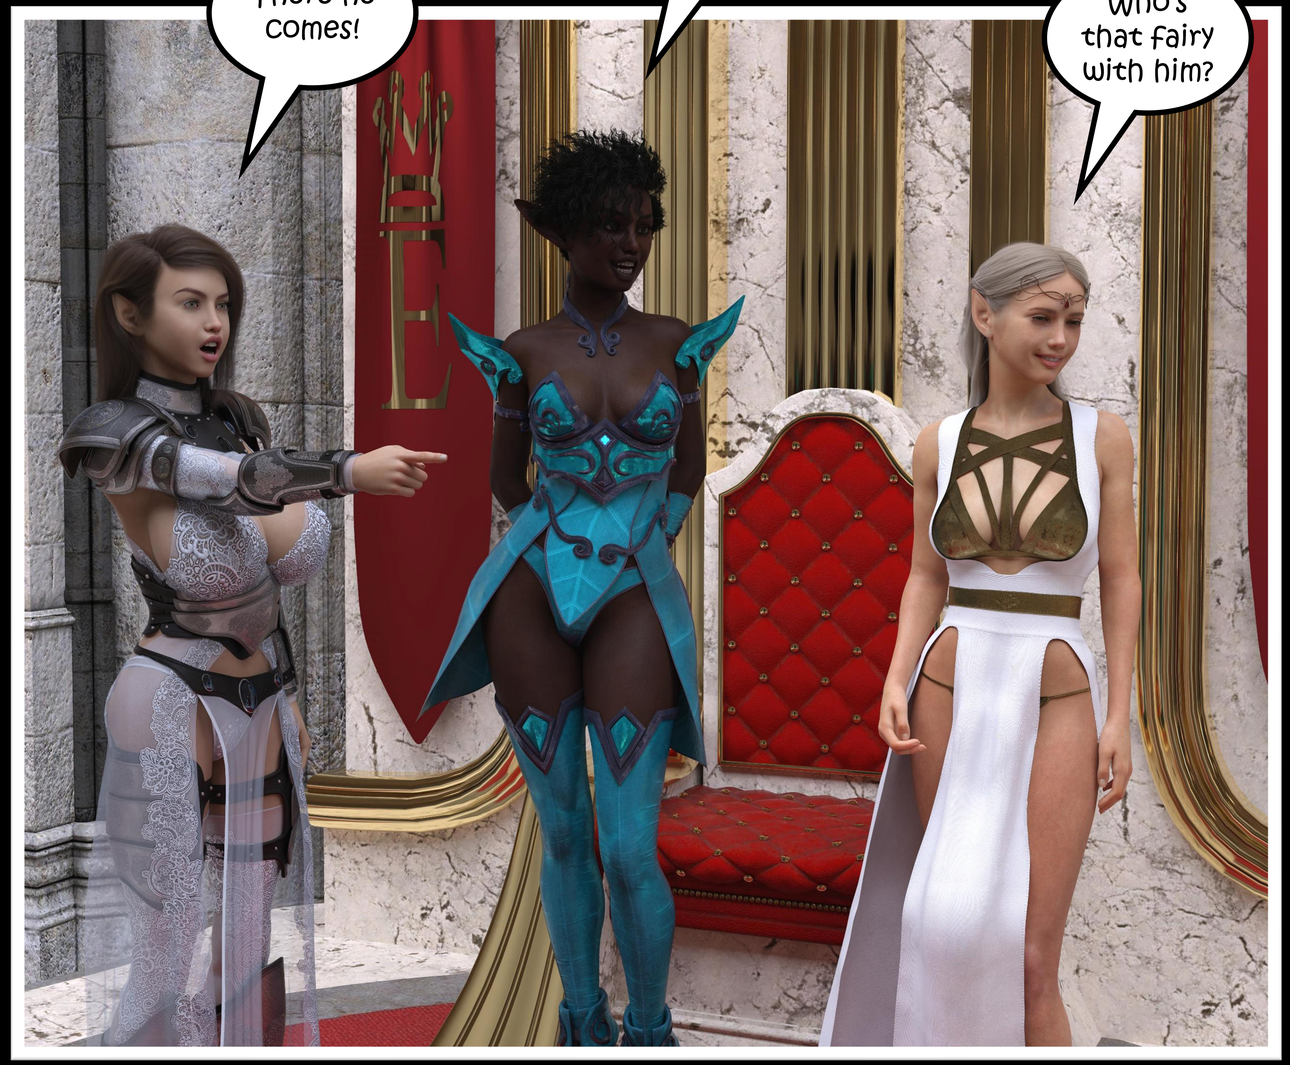
I wish you were no longer frozen in time.
And I wish for you to not be bound... even though it looks kinda hot.

Stand down, Beatrix. The situation has been resolved.
Free!
Haya!
landing

Hello!
Looking forward to working beside you.
I don't like her!
Don't worry, Beatrix. She's now my loyal subject.
Can I break her in?
Show her the ropes?
I think you had enough ropes for one day. *chuckle*

Meanwhile in the Throneroom.





Got it?
Victory Orgy.
Yes, my liege, I understand. What a splendid idea!
This will be my first orgy!
In general!
As a fairy?
O.M.G.!! Then prepare for the erotic adventure of your life!

You look happy, my liege.
I know that smile.
You are feeling frisky, my lord!
Can we start already?

You know me too well, girls.
Orgy Time!
Orgy Time?
Hush! Wait for the royal orgy decree!

Can we let loose now?
Absolutely, you horny minx!

And that's how the throne room slowly filled with the moans of King Erik and his entourage.
Let's start with a kiss.
Which lips?
giggle

You like my big tiddies?

I love them!

While Carin and Beatrix were entertaining themselves with Beatrix's humongous bust, Jana had the honorable task of polishing the royal rod.

Shortly later, both elves were on top of Erik enjoying an awesome ride while heavily making out with one another.

The fairies on the other side were directly homing in for some kissing on the lower lips mid-air doing a **rotating** 69!

Nicole's big breasts were flopping up and down with every bounce she took on Erik's cock.

Carin was very pleased with Beatrix's administration...

But soon their King claimed Beatrix for himself

Obviously to the elf's delight!

That looks like a cozy spot!
Yes! Let's join the big girls!

With the two fairies lezzing out atop Beatrix's ass Erik had even more visual stimulation while pounding his hips against hers.
Moan

But of course, Erik is a true gentleman and graces each of his girls with his dick during his orgies and it soon is Carin's time!
giggle You like licking my juices of our king's cock?

With Carin doing a pretty good job, the fairies see another opportunity for pleasure.

What now?
Follow my lead.

Katarina flaps her wings in short but very fast motion to hover in front of Beatrix's mouth...

This feels fricking amazing! But it's really taxing on the wing muscles!

While Erik entertains himself with the two fairies and the other two elves, Jana goes down on Nicole.

When our fairies run out of stamina, Erik commands Carin to eat out Beatrix while taking her from behind. This way he has the perfect view of Beatrix's giant hills of boob flesh!

And soon he is ready for the money shot!

Our naughty fairies are the first to follow their King's call. They sit down on the armrests of his golden throne and start dirty talking.

We want your cum!
rub

Give us that kingly load!
rub

I'm so wet for Your Majesty!
Shoot whenever you want, my King!

Finally, Jana and Nicole join them on the throne as well. Jana sits down while Nicole proceeds to finger her.
Moan
Watch us, my King!
Please cum all over us!

Moan
Groan
Moan
Cover us in your spunk!
Yes! Do it!
Almost there, girls!

Eagerly Veronica leaves her post and approaches her king in an attempt to be of more use...
Oh, yeah. Here it comes!
My liege. Maybe I can help more.
!
Moan
lick lick lick
Oh, no! Get down noobie!
It's dangerous!

Bad move! Just at that moment, King Erik is about to release his load. After pulling his cock out of Carin's tight cunt it is now aiming toward Jana...
Groan

But a little fairy girl has flown right into the line of fire...
Groan

Our King's magically enhanced load squirts to freedom with an impressive speed of 69 km/h... A fairy's max speed limit when sprinting amounts to about 50 km/h... and only after quite some acceleration! At the distance of about one meter...
Oh-oh!
Oh, Icarus! The daring fairy who flew too close to the cock.

If you do the math... there is no way for Veronica to escape her sticky fate!
Woah!
blast

The blast is so strong that she is pushed back mid-air, right into Jana's cleavage! The large spurts cover not only her from head to toe in sticky goo but also Jana's chest and stomach!

squirt
Ha-ha! Nice shot, my liege!
Better look out next time, noobie!
But of course our King is far from done...

And another stream hits Katarina from behind and knocks her out of the air!
Woah!

What a load my king! *moan*
Crash
Phew At least my fall was softened this time.
lick
lick
lick

A marvelous load, my liege.
Phew I really needed that after all that tension.

Wow!
Slowly slid down that sticky stomach.

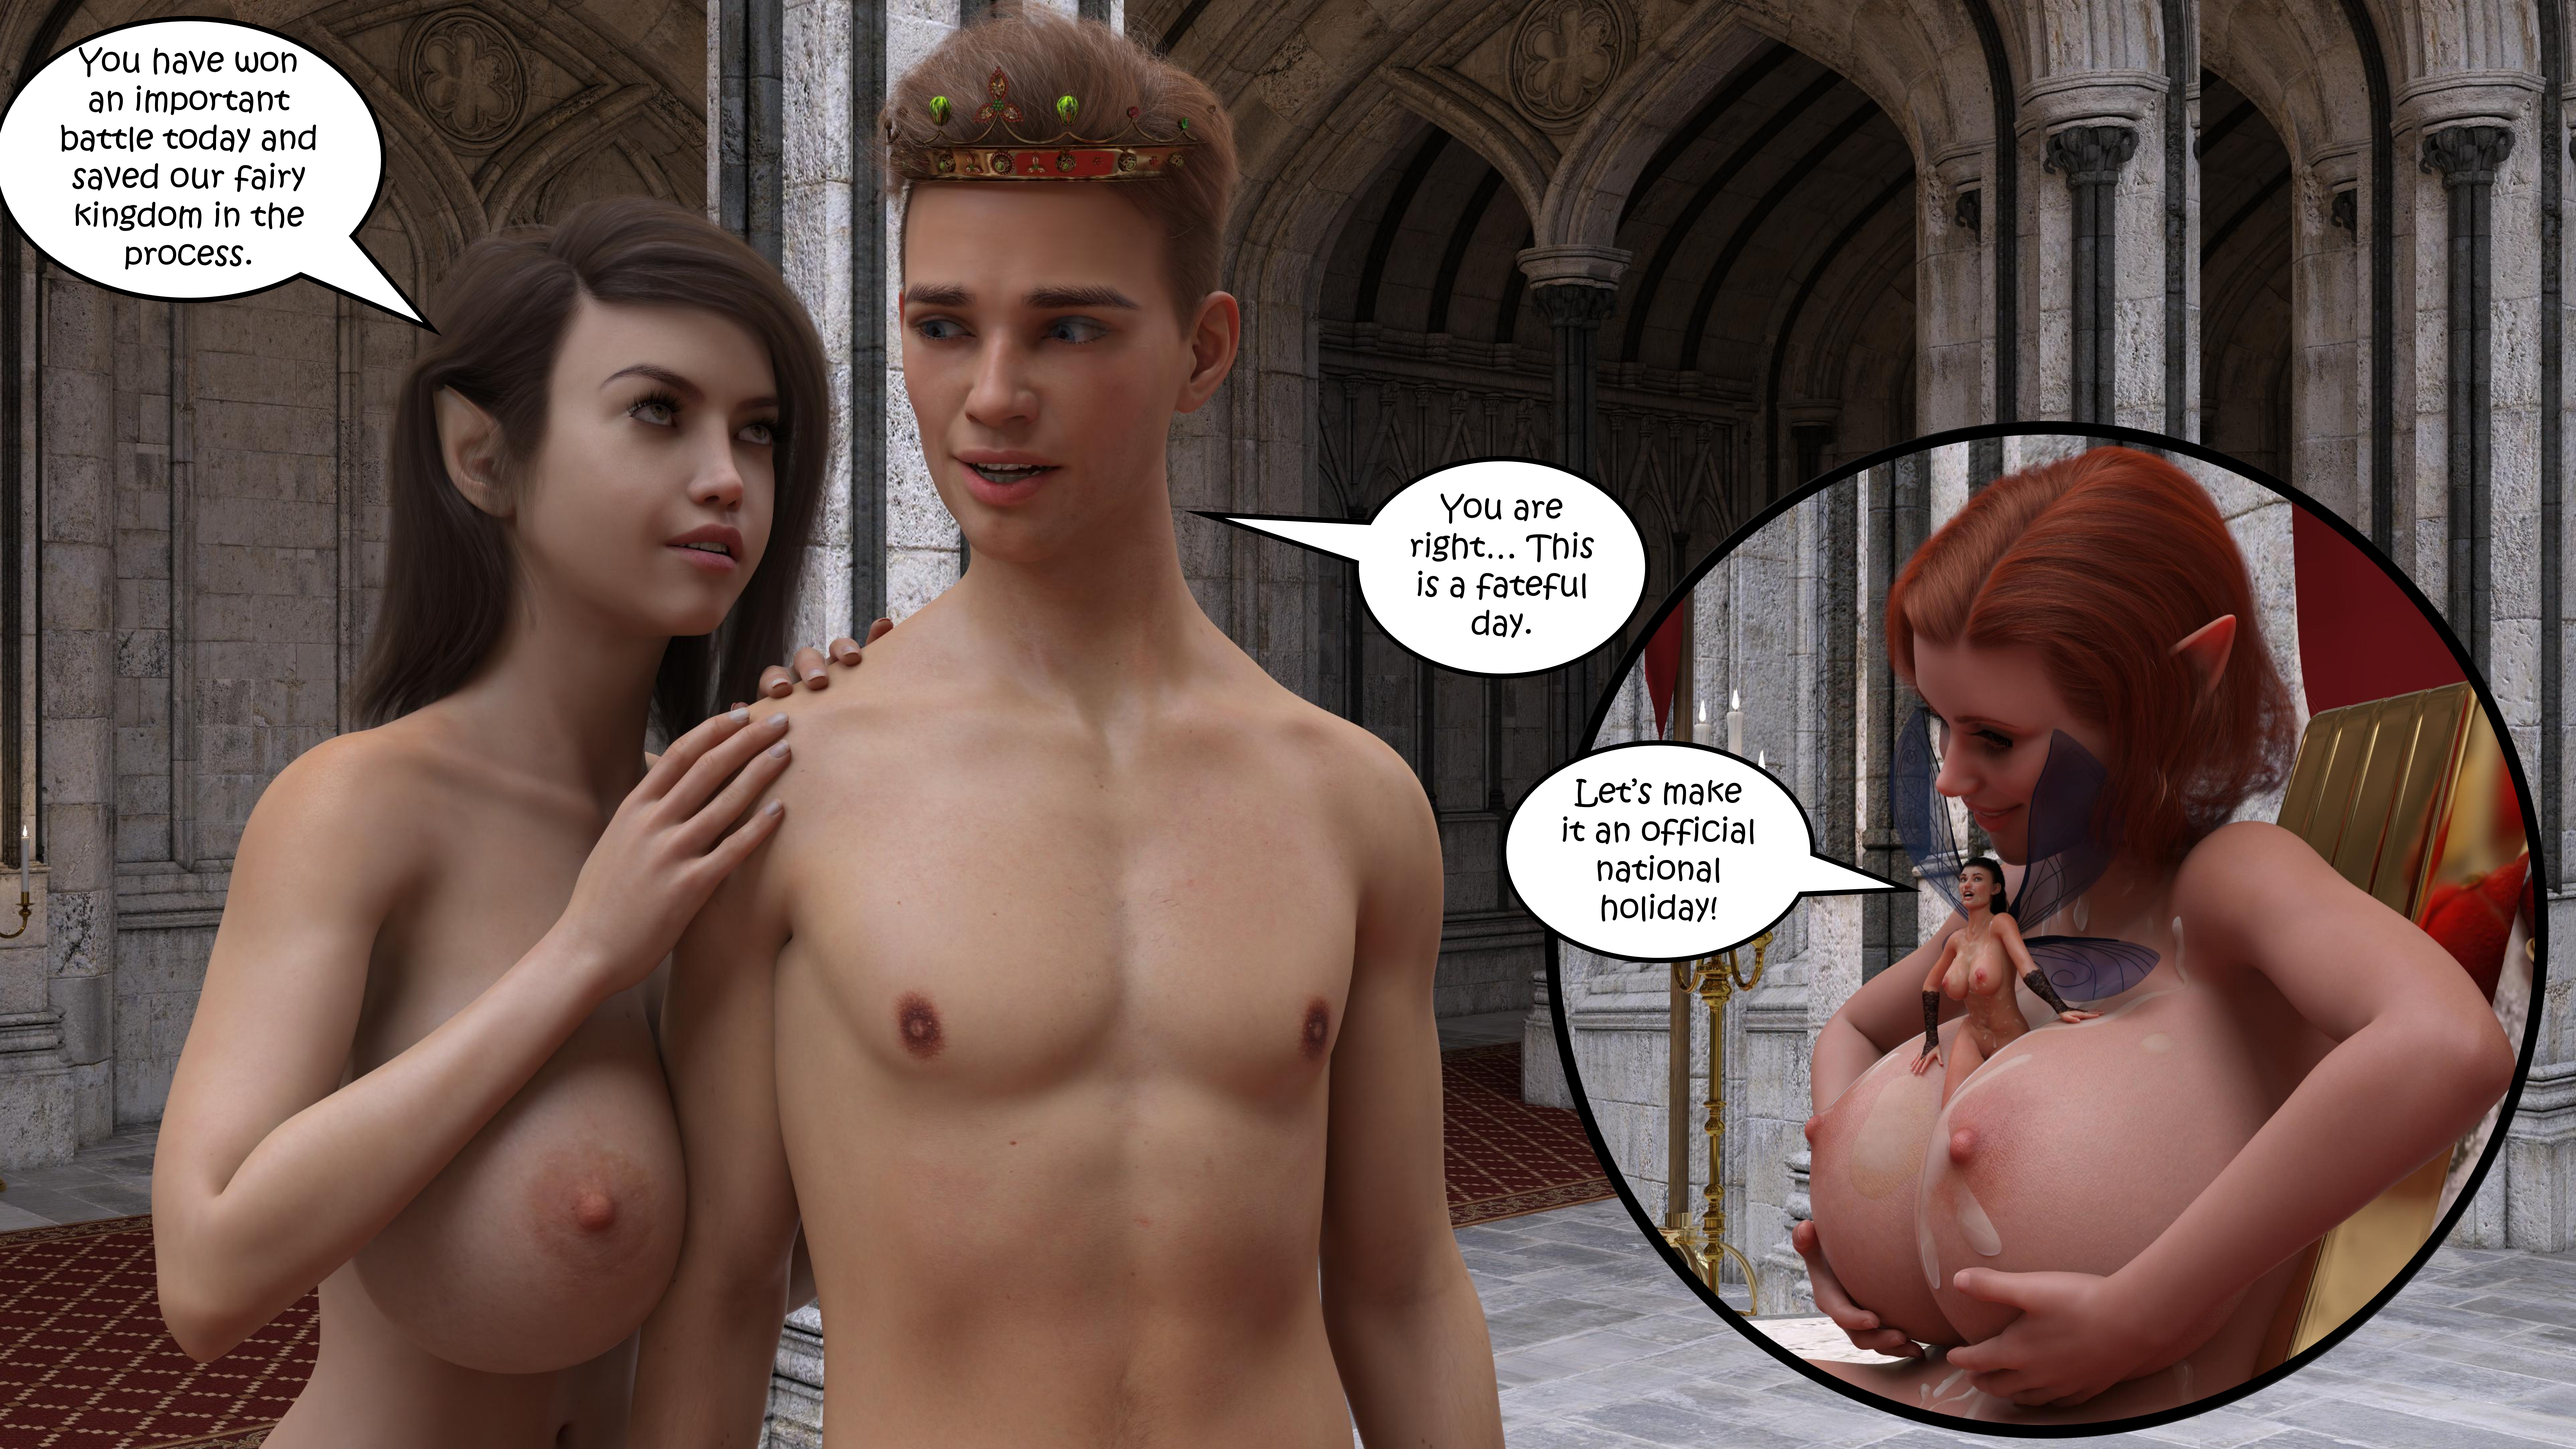
What a load!
You okay down there, little one?

But you really got me good, Your Majesty! *giggle*
I'm fine! I love cum!

You okay, Kata?
Totally fine!
You got some awesome cushions, Bea!

Oh, you girls. I'll never get enough of you.
You better not! We love serving you more than anything!

And so, our orgy comes to an end...
All hail the fairy king!



You have won an important battle today and saved our fairy kingdom in the process.
You are right... This is a fateful day.
Let's make it an official national holiday!

The End

The day of the fairy King's victory over the evil human sorceress would become a national holiday in fairyland. Young fairies and elves would learn about the events of this fateful day... and this orgy would go down into the annals of history as the "Big Bang"...

And Erik and his harem of elves and fairies lived happily ever after!

To be continued

Hello, Hexxet here.

As Katarina already said, I hope you enjoyed this series. With ten chapters and a few breaks, Window Wishing took about a year to finish and therefore is one of my longest series so far ☺. I think it turned out nicely and I think a lot of you enjoyed it as well.

Note that this was a series partly directed by Patreon polls with the graphics being created by 3D-Swede. I hope and plan to continue this collaboration and poll work, as it is quite interesting, and I'm already looking forward to what kind of story we all come up with together next. ☺

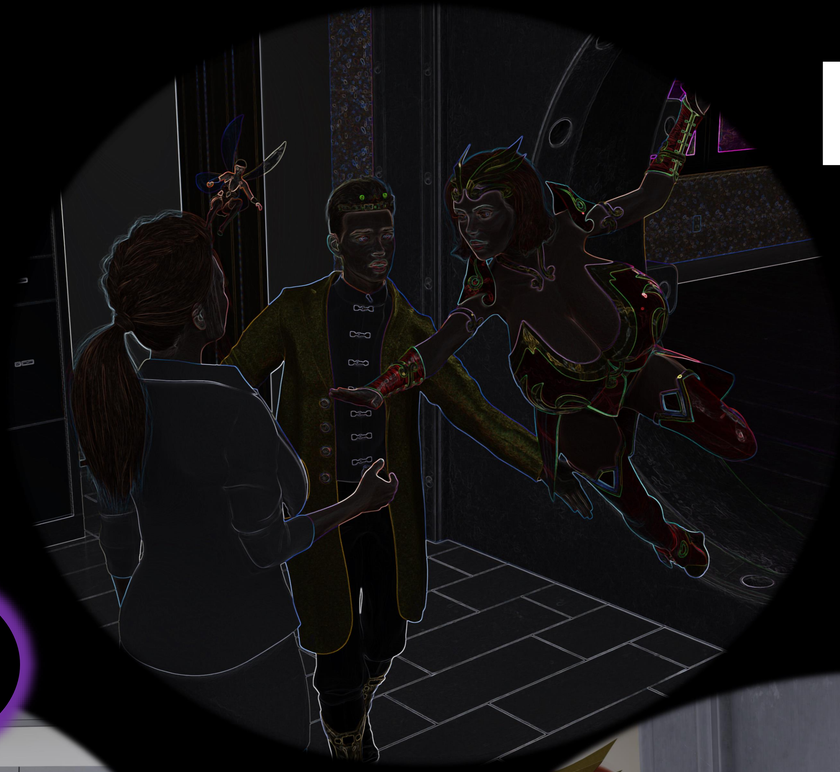
Pinups

Fairy King Erik mobilizes his guard and rushes to the vault...



The royal guard is powerless against her...

But once Veronica has her hands on the amulet...

Basically, left hanging in mid-air... literally!

Is the Fairy Kingdom lost?

The fairies of the kingdom are a naughty bunch...

Orgy Time?
What say you, Nicole?
I say...
Orgy Time!

That's the spot!
Right there!

When you are as small as these fairies, you'll always find a spot to have some fun at the orgies in the palace.

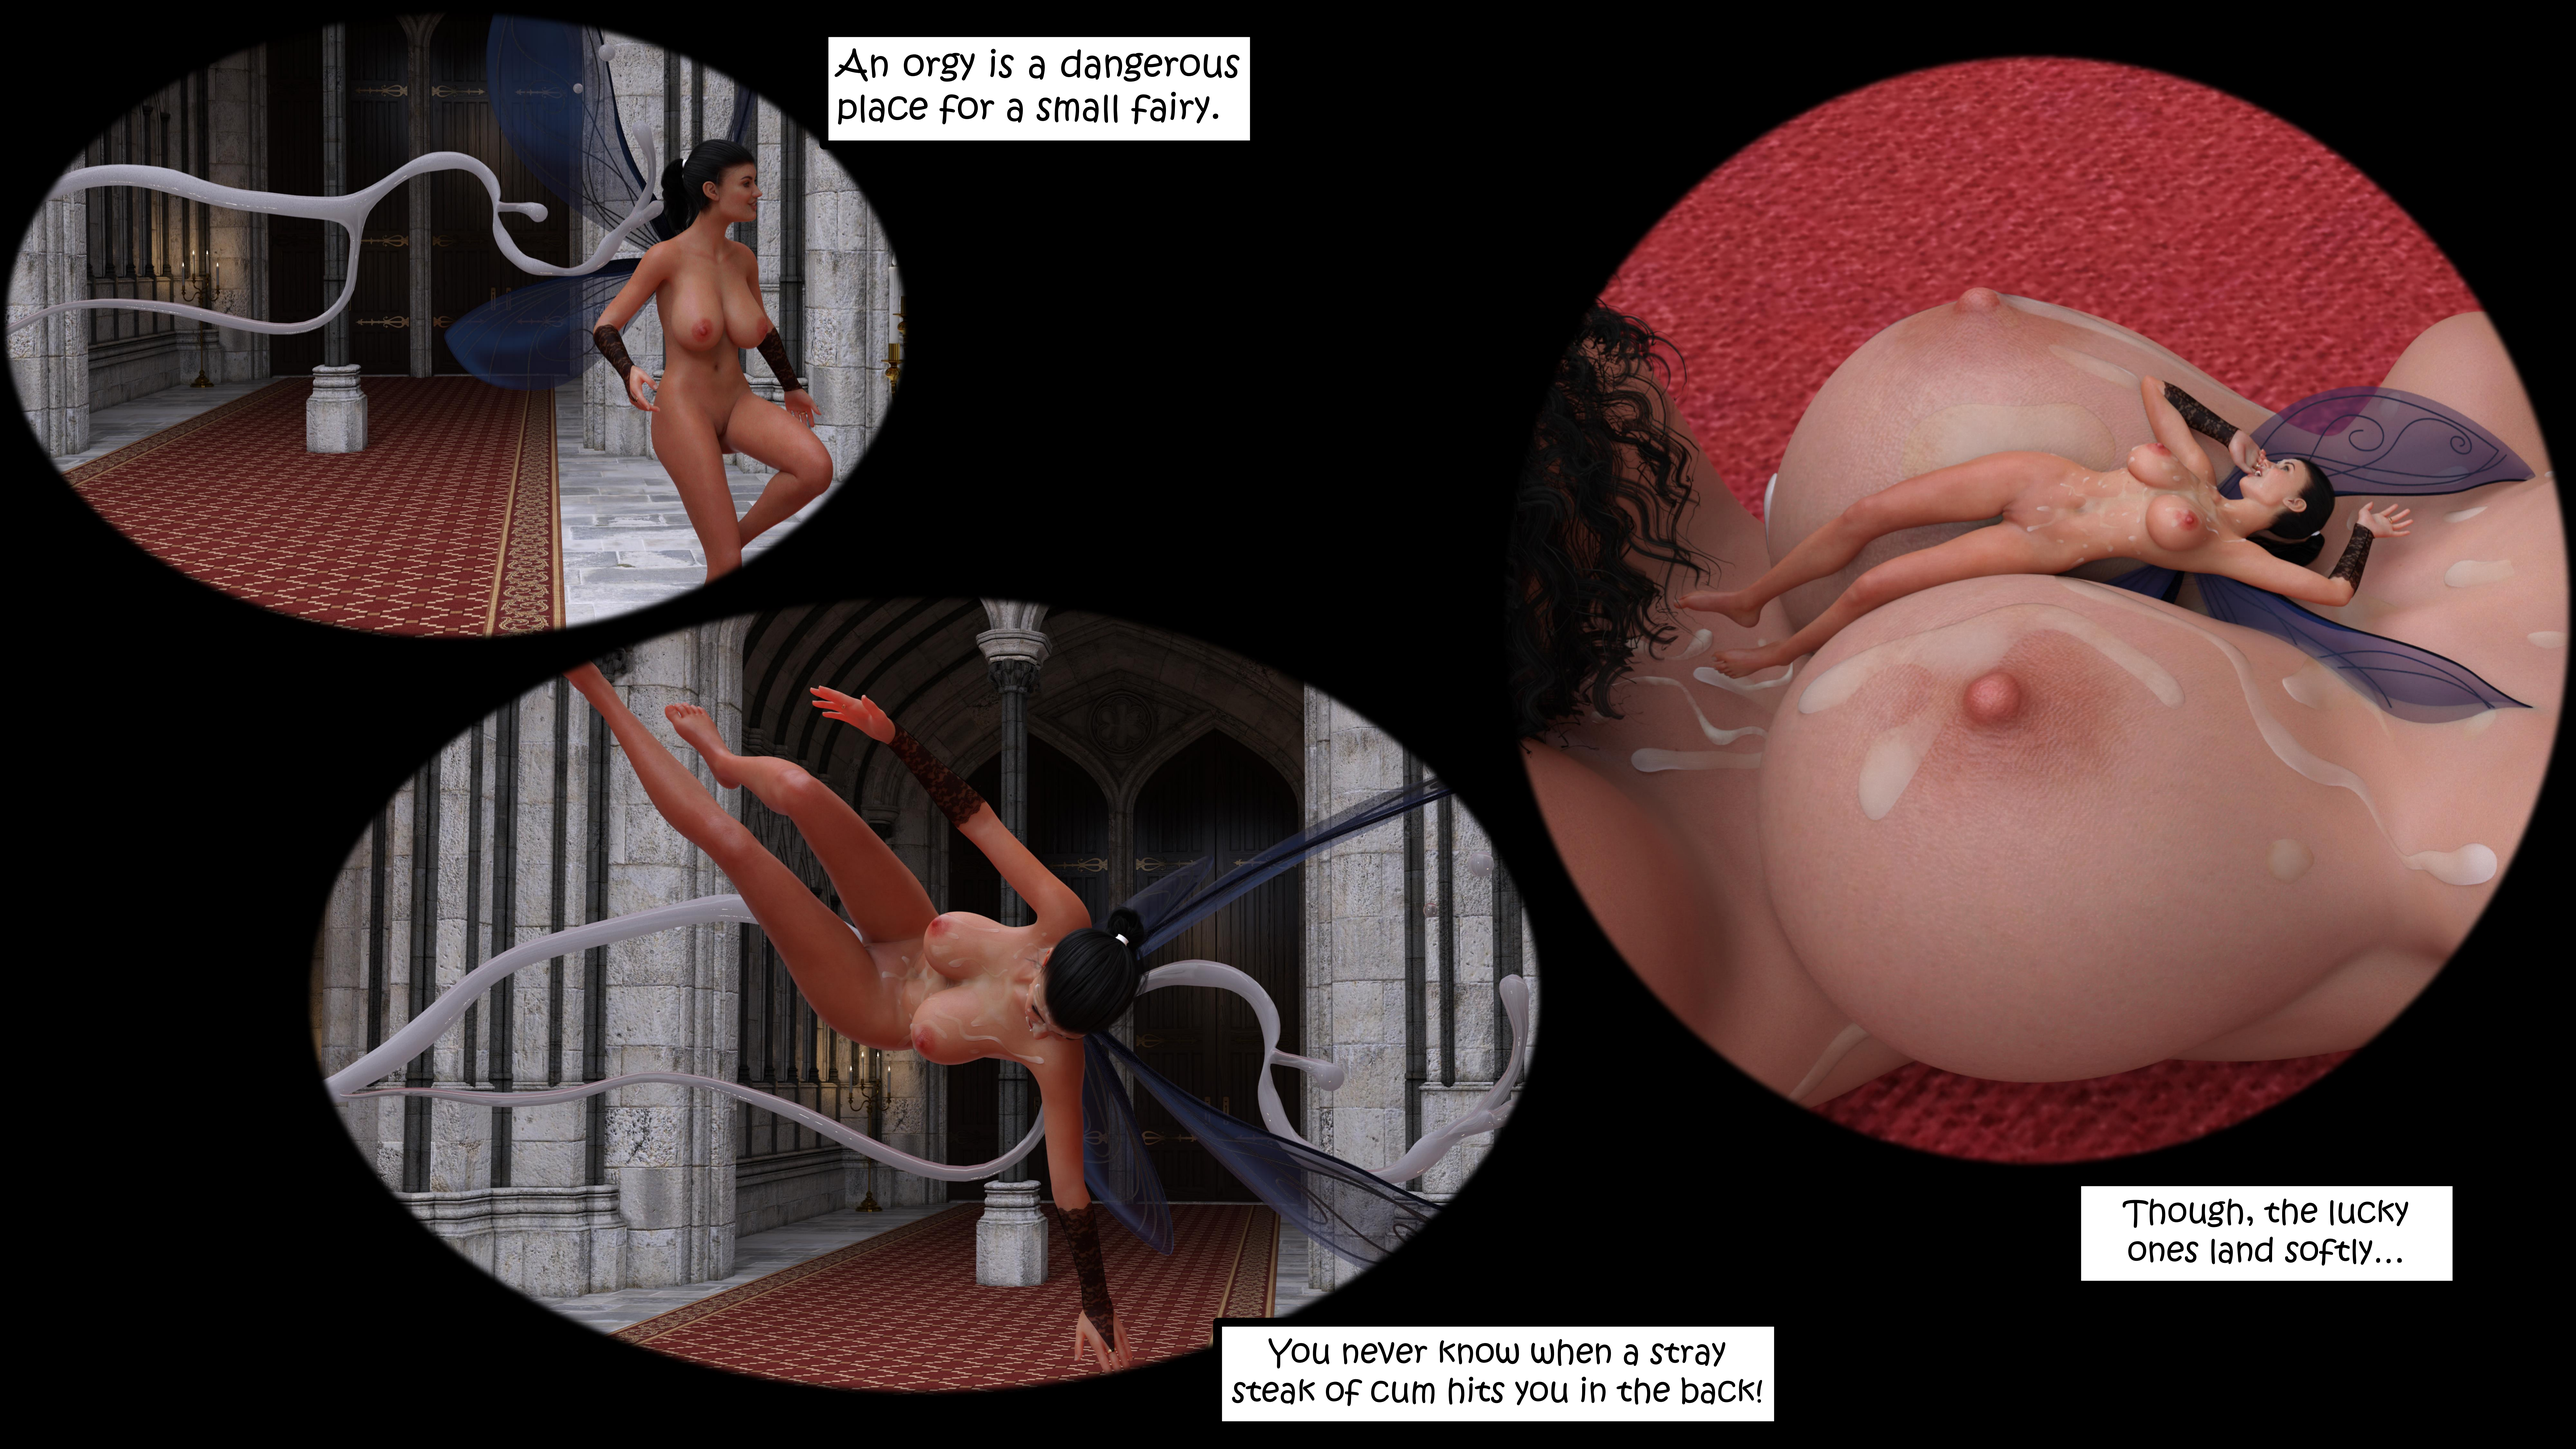
You never know when a stray steak of cum takes you down!

Getting pushed into Jana's Cleavage by a full blast of magically enhanced cum...

And taking down the cum slide down her stomach...

Veronica comes to a rest in between Jana's legs where she takes a little breather from the shock.



An orgy is a dangerous place for a small fairy.
You never know when a stray steak of cum hits you in the back!
Though, the lucky ones land softly...

Eh, Katarina! Are you okay? That was quite the fall!
Totes fine! I had a soft landing.
