# Blind Possession

Angela and her stepdaughter Emma move to a new home. After Emma's father died several years ago their money is running low due to Angela losing her model career (due to age issues) and also due to several expensive therapies to try to cure Emma's blindness – without any success. Their new home is much cheaper than their old city apartment but it's also pretty isolated and in a backwater town... Neither of them is too thrilled about all of this but what can they do...

But their lack of enthusiasm is about to change when Emma discovers a mysterious mirror in the attic...

## Featuring

Angela...	Previously had a modeling career but age takes its toll
Emma...	Angela's step-daughter
Kessy...	A mysterious being trapped in a mirror!

While her mother continues to unpack the car Emma starts exploring the house.

It's a task that takes quite a while. But it's a necessity for Emma to remember all the corners... every nook and cranny of her new home...

For Emma is blind – an affliction making you leave your familiar home and move somewhere new even worse than that normally would be...

When Emma has finished exploring the base floor she follows up a staircase to the attic.

Emma does not expect much...

But when she reaches the end of the stairs, she can't believe what she's **seeing** there!

The Attic – normal view

Emma's perspective

Which is extremely strange for her, as Emma is blind and usually does not SEE anything!

Suddenly Emma's mirror image shifts and gives way to a strange woman... with wings... and horns!

Boo!

Can you help...

Why yes, dear, you very well can...

24 hours. Lend me your body for 24 hours. And then, if the people closest to you want the old you back I'll leave again.

If you win I will restore your eyesight.

A woman with short dark hair and bangs, purple eyes, and a glowing blue energy cloud in her chest. She is wearing a dark, sleeveless top. The background is a dimly lit room with a mirror.

Alright...  
*We have a deal.*

As Emma agrees to the deal, a cloud of fog comes out of the mirror forcing itself into Emma's mouth and down her throat.

A woman with long dark hair in a bun, purple eyes, and a dark, sleeveless dress. She is looking back over her shoulder. The background is a hallway with a door.

Good girl.

A woman with long dark hair in a bun, purple eyes, and a dark, sleeveless dress. She is walking away from the viewer. The background is a hallway with a door.

See you in  
24 hours...

Now let's see if there are any usable clothes in this girl's closet...

Hm... the times sure have changed since the last time I walked the Earth...

This should work fine.

Your eyes...  
what's wrong  
with your  
eyes...

Don't worry,  
mommy. I mean  
you no harm.

Just look into  
my eyes...

Look into  
them and let  
go...

Let...  
go...

Here you go, one pair of panties. Looks like you could use one!

leeeek

It's fine, mom.  
You are allowed  
to feel young  
and wild again.

Just look  
into my eyes  
and let loose.
