Another normal school day. The weather outside is mediocre and students are sitting in their respective classrooms.

Being taught in various subjects like Math, English, History and so on and so on.

Personally, I don't mind being at school. It's nice here. I like my teachers and my classmates...

And currently, we are
having my favorite
subject. **Reproduction
and sexuality.**

Obviously, this has not
always been a subject
here, but everyone
attending here would
swear it was... Those
memory-bending powers
sure come in handy!

Same about the tits. Not even one of my classmates used to be naturally endowed like that...

Hey, can I be next?

Pick me!

Me!

Also, my
class does
not consist
only of girls.

Don't worry. I didn't do anything to the boys aside from making them believe that this is a girls-only lesson.... Girls only and me of course.

Except for this guy.
That's Chris. He always
helped me cheat over
these past three years on
various tests and he has
the hots for our biology
teacher so I thought it'd
be fair to let him attend
my orgies.

Wow!
You did
it girl!

O.M.G.!!
Did you
just cum?

Please show us
how this sex
thing works,
next.

It looks so
pleasurable.

Obviously, I also removed any memories about sex
from their minds for this lecture to make it more
fun... there were, after all, quite some sluts in my
class previously... Can't have them rule the orgy!

A photograph of three young women with large breasts standing in a row. In the foreground, a man's legs are spread wide, and a penis is visible between his feet. The women are looking at the camera. The woman in the center is smiling. There are two speech bubbles and a text overlay.

So, that's
sex?
Wow!

Isn't the cock
thingy supposed
to go into the
other hole
though?

moan

It's
called
anal sex.

Don't worry girls.
This still counts as
sex, even though
you can't make
babies like that.

rub
rub

Anal sex.
Wow!

Does
it feel
good?

Fuck
yes!

I feel his penis so
deep and I can
still fully finger
my vagina at the
same time!

Having an orgy with a bunch of busty babes is great. But in case I ever get tired of them...

Oh, yes
give it to
me hard!

fap

I just change their ethnicity and it's like having a bunch of new girls!

哦是的!
狠狠地给
我吧!

fap

Snap! Just like that!

¡Oh sí!
¡Dámela
duro!

Whether I want to hit it off with three tall Swedish blonde chicks...

Or fool around with three petite Filipino girls.

My Bender Powers
make it possible!

Are we
next?

Please
teach us all
about sex!

moan

Like
this?

Oh,
wow!

Your cock
giggle feels
incredible
between my
legs!

fap

Okay girls!
Next point of
the agenda is
tit fucking.

Can I go
first?

What's tit
fucking Miss
Roberts?

So... I just put
it between my
breasts and
it's called tit
fucking?

Well, that's
easy.

Overall, my
reproduction orgy
classes were very
entertaining.

Classmates

Teachers

Friends

We all had a
lot of fun.

squirt

But every orgy class
has to cum to an end...

Which is the case
once I'm spent....

I wonder if there are
some stamina-bender
powers so I could
prolong my pleasure...

And this
girls, is called
sperm. Or
cum.

For some
reason, boys
love to dump it
all over out tits
and faces.

After resetting their boobs
and Ethnicities and removing
those false memories and
restoring some of their
sexual knowledge it's finally
time to get back home.

Where I watch some
TV with my sister. Our
relationship has been
quite good ever since
she turned into a
ginger. *chuckle*

He bro.
What did you
wanna watch?

I have to admit
changing and reverting
these many people for
my orgies is a bit
tedious... But well... it's
a small price to pay for
not being discovered by
another bender...

Okay...I'll just
put on the
news for
now.

Woah!
Bro! Are you
seeing this?!

Dear viewers, I'm
Lucy Kayan and I'm
reporting life from
the Eristen High
building.

A woman, tall
as a skyscraper
has appeared in
the city!

Boob
Bender!

The woman is
calling for
somebody named
"Boob Bender",
threatening to lay
waste to our town!

Come out
"Boob Bender"!
I know you are
here!

I'll give you three
hours before I
start destroying
your town and
everyone you
hold dear!

Holy, shit, bro!
That's like one of
those Godzilla
movies!

Whoever this
"Boob Bender" may
be. He's in for a lot
of trouble!

Well, fuck me. I
wanted to relax a bit
longer... but what can
you do... **to war!**

Hello, Hexxet here,

The time of rest is over for our Boob Bender. Conflict is neigh! Will he be able to beat this giantess in a fair and square bender battle? Or will he be flattened, and lose his powers to this amazon? Tune in on the next issue of the last Boob Bender when we are back in our Battle Royale setting...
