

POST HYPNOTIC CHORE LIST

* WASH THE DISHES

* CLEAN THE HOUSE

* PLEASE BOYFRIEND

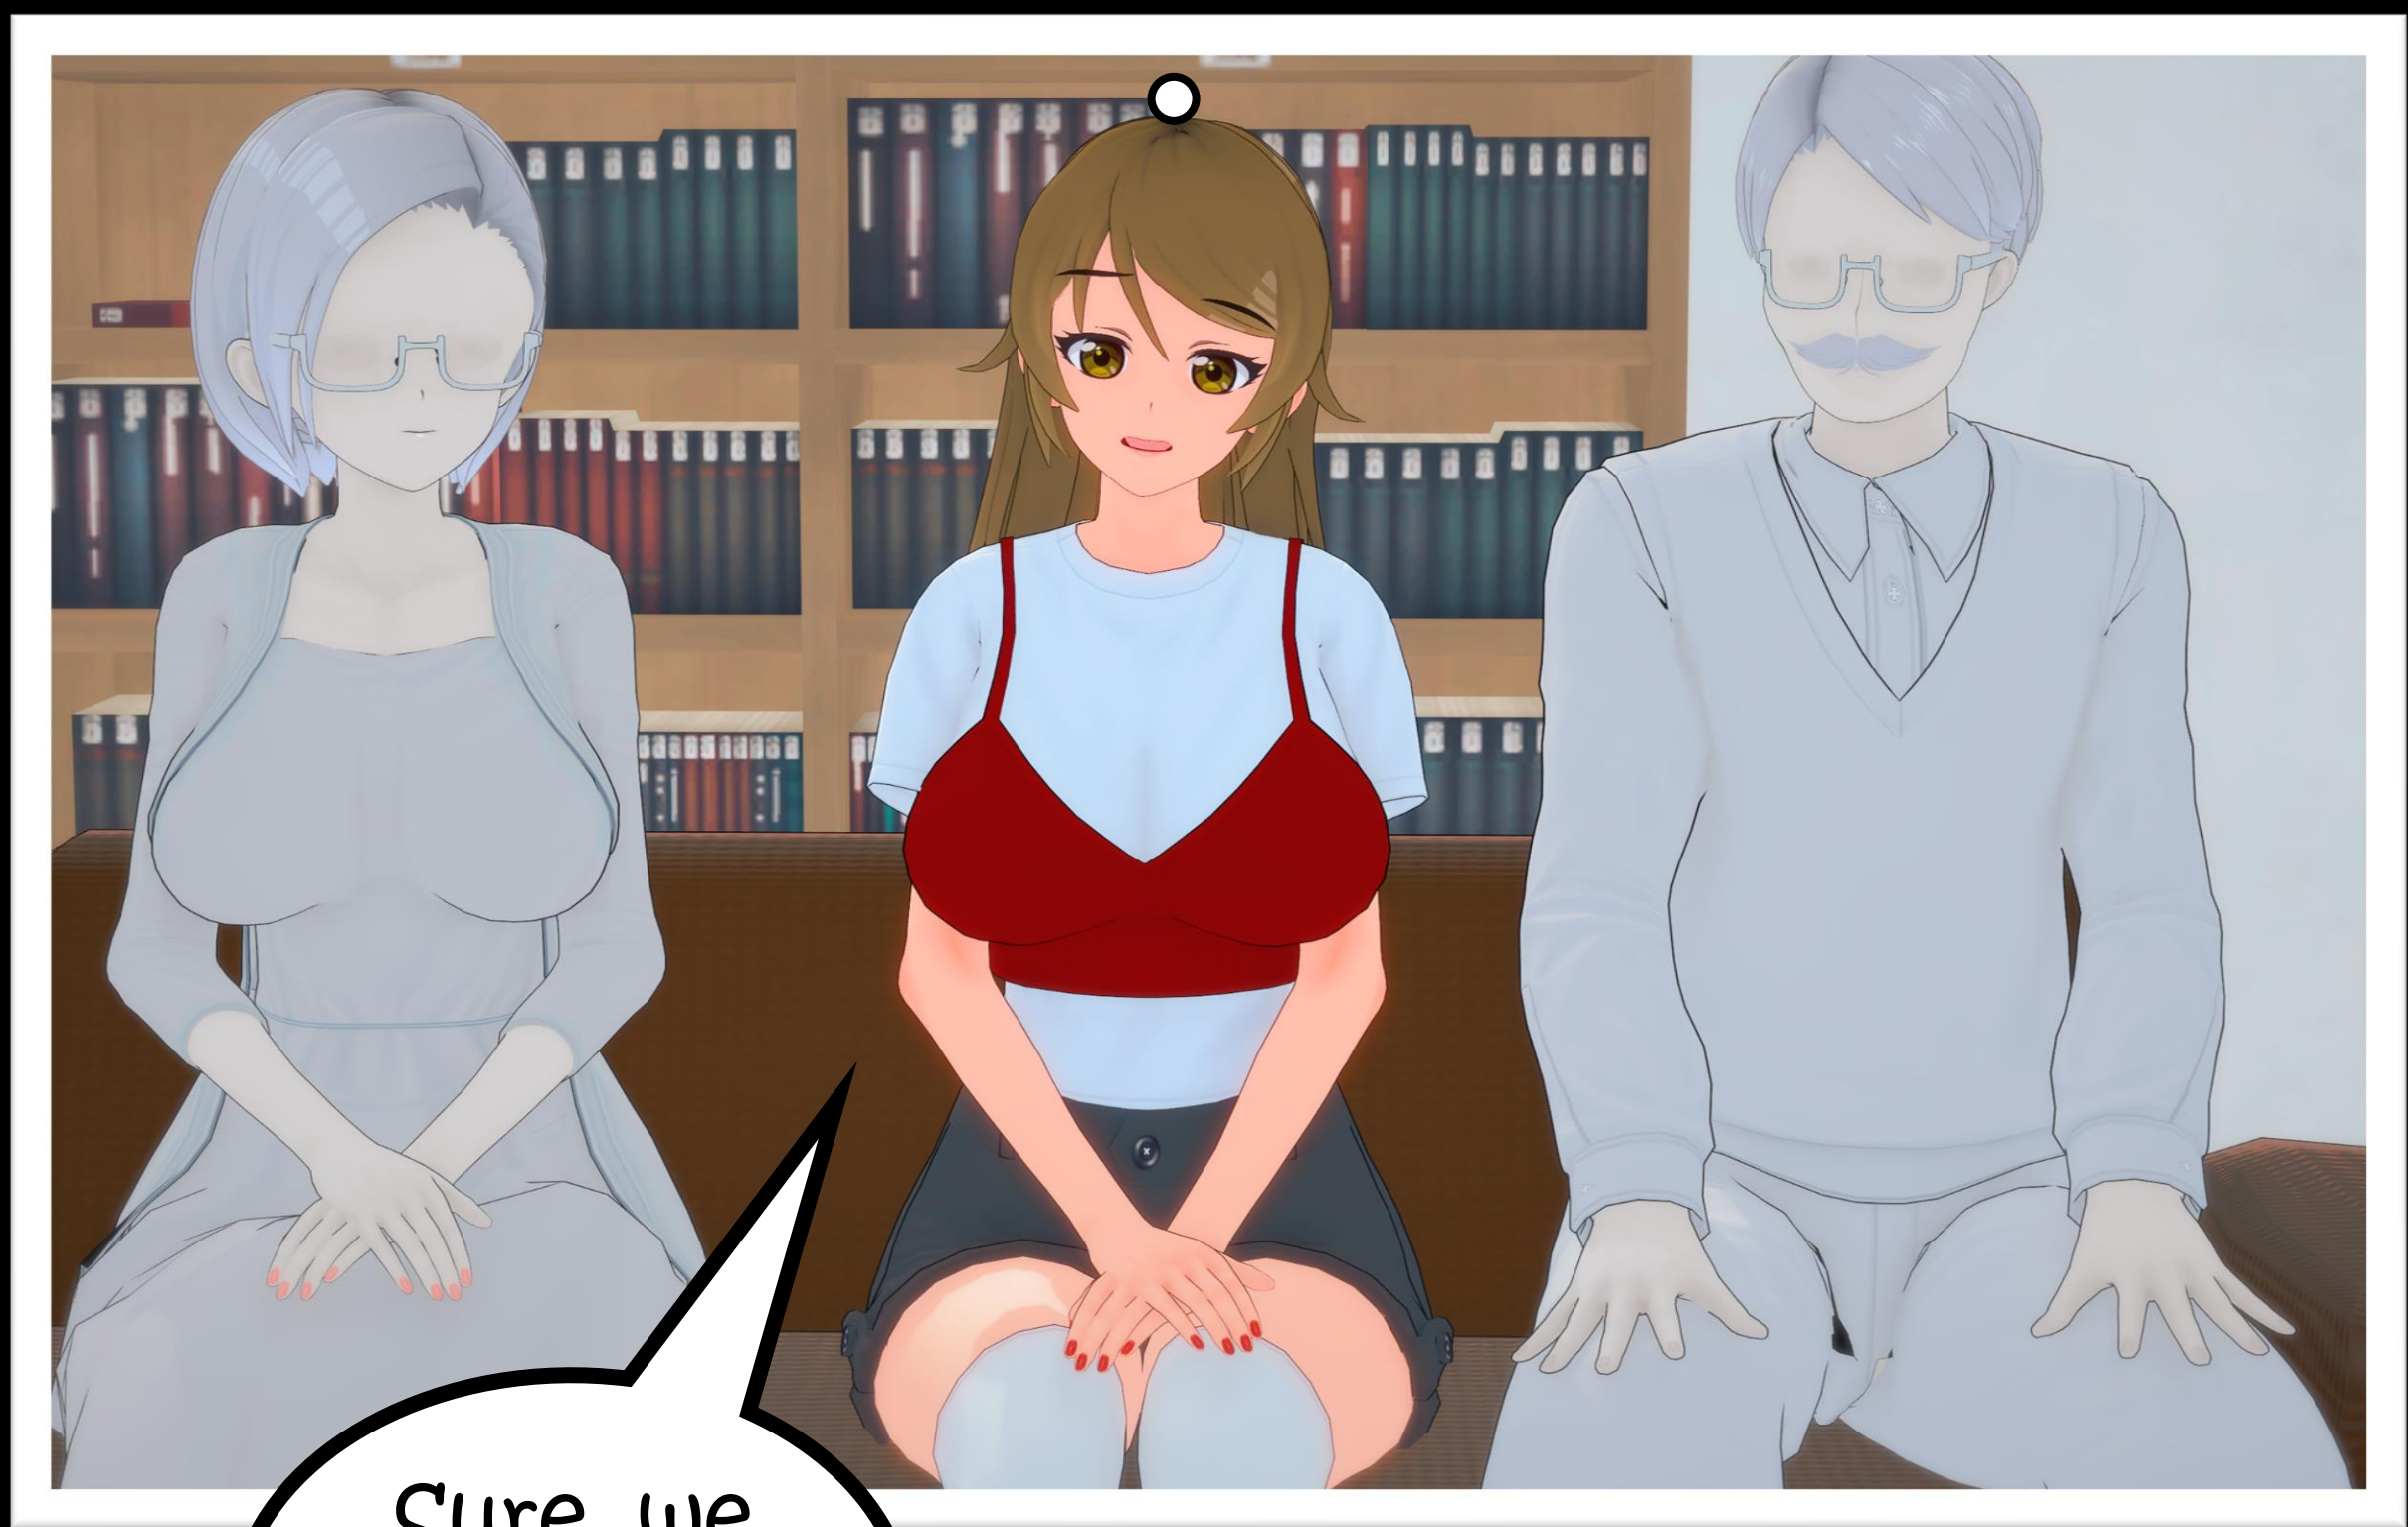

Would you consider trying hypnosis to make doing chores more appealing to you?

Chores are so boring. *sob*

Sure, we can try that.

Hypnosis is just a cheap parlor trick. It will never work.

Your eyes are getting heavy...

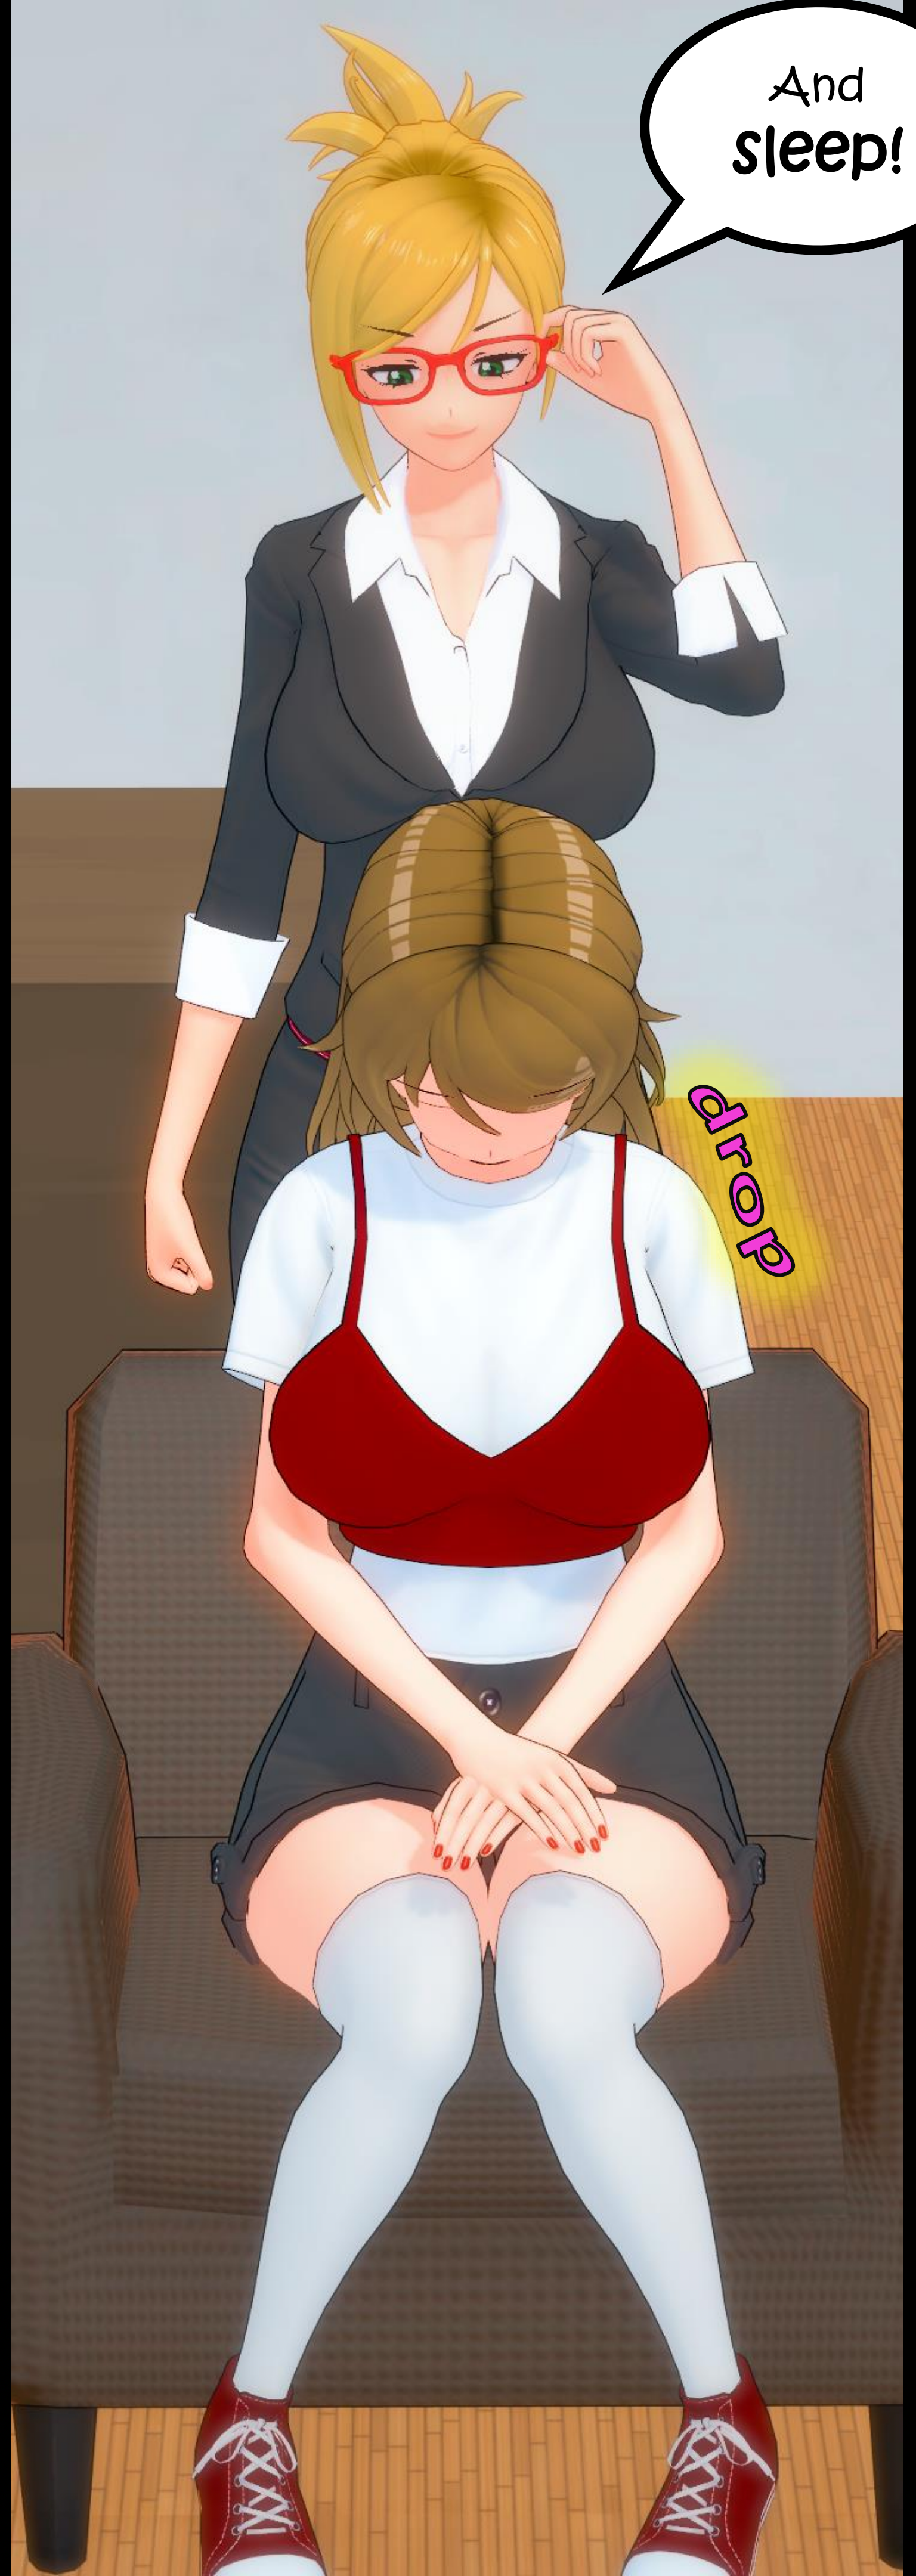

Your eyes are getting heavy...

You are getting sleepy.

You can barely keep your eyes open...

Soo... sleepy...

And sleep!

Good girl. Now listen closely to my voice.

I will now implement a post-hypnotic suggestion in your mind.

Tiffany has been hypnotically conditioned to love doing any task written on her parent's chore list at home...

Now what will happen when her parents are on vacation and her boyfriend Daniel finds said list?!

That post-hypnotic suggestion is a total success. No matter what is written on that chore list, Tiffany just loves the task!

Wash the dishes

She even prioritizes them before other less important things... Like getting dressed!

Everything squeaky clean!

Clean the bathroom

Chores, chores, chores. Humdium.

Tidy up the living room
