Portega City. It's dawn as an extravagantly dressed guy gathers a group of ruffians around him... explaining his plan. Their eyes are all white and mindless – a clear sign of the guy's powers – for he is known as Rewire, a local supervillain!

You think I let you, Rewire?!

You've chosen a bad day to do evil!

Take this!

You, block her! The rest of you, run!

A woman with long, straight red hair and pale, white eyes stands in a modern, brightly lit interior. She is wearing a white, lace-trimmed top with a crisscross pattern at the neckline. Her expression is one of submission or nervousness. A speech bubble is positioned to her right, containing the text "Uhh... I will obey, master!". The background shows a contemporary living space with a dark door, a white table with a plant, and a window looking out at night.

Uhh... I will
obey, master!

Everything will become clear, my dear.
