Rewire versus the Firestarters II

Last time on „Rewire vs the Firestarters“ the Firestarters prevented Rewire’s latest coup but he managed to escape and infiltrate a home where he took control of the three women living there. By sheer luck, it turns out that, Charlotte – the homeowner, is the stepsister of Flame – the leader of the Firestarters! With her identity revealed Rewire realizes he has taken control of her back in the days! So, it should be easy for him to retake her! Finally, Rewire has Tiffany prepare a trap for Ember and it works like a charm!

Now the rest of the Firestarters are searching for their missing member... Let’s see how that turns out...

Featuring

Rewire...	A minor supervillain with MC powers
Erika...	as Flame, the leader of the Firestarters
Velia...	as Ember, Erika’s daughter
Lucy...	as Spark, Erika’s daughter
Charlotte...	as Erika’s stepsister
Ally...	as Charlotte’s stepdaughter
Tiffany...	Ally’s stepsister, Charlotte’s stepdaughter

Velia, aka Ember, has not returned home that day, so Flame and Spark are searching for their third member by patrolling the town.

Mom!
Look! That flare!

Let's go!

We need to help her.

Please be safe, Ember!

The flare leads Flame and Spark to an abandoned factory where they see Ember standing next to Rewire!

He's
controlling
Ember!

O.M.G.!!
Flame! Look
at her eyes!

What have you
done to her,
you fiend!?

Huh?!

What...
I...

I will
obey...

Yes,
Daddy!

Go get
her! Hold
her down!

Yes,
master!

Mom, I'm gonna
distract, sis.
You burn that
motherfucker
to a crisp.

Motherfucker... What a
fitting choice of words...

What the...
Mom?

What are
you doing?!

Get your
dirty fingers
off me!

I will never
succumb to
your dirty
mind tricks!

I will
resist you!

I will...

I will...

I will
obey.

With all three Firestarters under his control now, Rewire has them kneel before him.

Chuckle
I did not even
know I could
have children.

But thanks to
you I now have
two marvelous
daughters with
superpowers!

Isn't it great to
have the family
back together?

The image shows three female characters in different costumes kneeling on a dirt ground. The character on the left is wearing a pink bikini and a black mask with heart-shaped eye cutouts. The character in the middle is wearing a shiny red bodysuit and a black mask. The character on the right is wearing a black and yellow costume with a target-like emblem and a black mask. All three are looking upwards and speaking, as indicated by their speech bubbles. The background is dark and appears to be an outdoor setting at night.

Yes,
Daddy.

Yes,
Love.

Yes,
Daddy.

After feeding his family several suggestions and triggers Rewire wipes their memory and leaves the scene.

Once the Firestarters come back to, they are oblivious to what has occurred here or that they are now Rewires triggerable slaves...
But they are very happy to be reunited once again.

Yes,
mom!

It doesn't
matter girls.

He's just a
small fry.

We'll get him
next time.

Now let's go
home and dress
up in some skimpy
nightwear.

Yes,
mom!

Later at the Rivers' house. Rewire is enjoying excellent service from his three slaves as he relaxes on the sofa.

Of course,
master.

Please let us
know if we
can be of
service.

Oh, you will.
Very soon.
Don't worry.
chuckle

Charlotte,
get the door
my dear.

Ah, that
must be our
guests.

Yes,
master.

Love, we
are here as
instructed.

Welcome
honey.

As the Rivers girls lineup in front of the Firestarters, Rewire enjoys a great view of bare asses.

Ah, I doubt I will
ever get tired of
this sight.
chuckle

Very good
girls. I like that
line up. Now...
make out!

Yes,
master.

Yes,
love.

Yes,
Daddy.

As instructed the six girls start making out under Rewire's watchful eyes.

Velia and Ally started making out passionately...

While Lucy went down on Tiffany's big boobs, sucking on her nipples.

And their respective mothers were carefully probing each other lips.

Rewire keeps directing the action
and soon it's heating up.

When I took you
back in your
teenage days I was
not aware you had
such a lovely sister.

While their mothers enjoy each other's company on the sofa their daughters are showing each other a wonderful time down on the floor.

Lucy, Ally, why
don't you return
the favor now?

And Rewire is enjoying the show.

The girls on the floor switch around and Lucy and Ally start eating out their stepcousins.

Oh wow!
You are good
at this, Lucy!

After some more watching the two families getting along Rewire decides it's finally time to join in on the fun...

Yes, Love!

Alright, girls!
Great work,
I'm rock-hard!

Rivers girls,
keep enjoying
yourselves
down here.

Now,
Firestarters,
join me in the
bedroom.

Yes,
Master!

Yes,
Daddy!

Yes,
Master!

As the Rivers girls stay
downstairs, we follow Rewire and
his family into the Master's
bedroom...

Where he thinks back to the old days when he first took Erika in her teenage (18!) days...

Thank you, master.

Gifted with his superpowers of controlling others, Rewire never had anything to wish for... except one thing...

He never was able to produce any offspring... with no woman. Except with Erika, as it turns out now!

Back in the here and now, up in the Master Bedroom.

Yes, Lucy.
I think I am!

Awesome!

And that's how Rewire's supervillain days ended... He refrained from any more evil deeds and became a family man! Which means... Another victory for the good guys as one less bad guy roams the streets!

Woohoo! ^^

Some days later at the Williams' house. It's evening and the Firestarters have only just returned from another mission.

Lucy!

Come down,
real quick
please.

Coming!

flyin'g

Who is it,
mom?

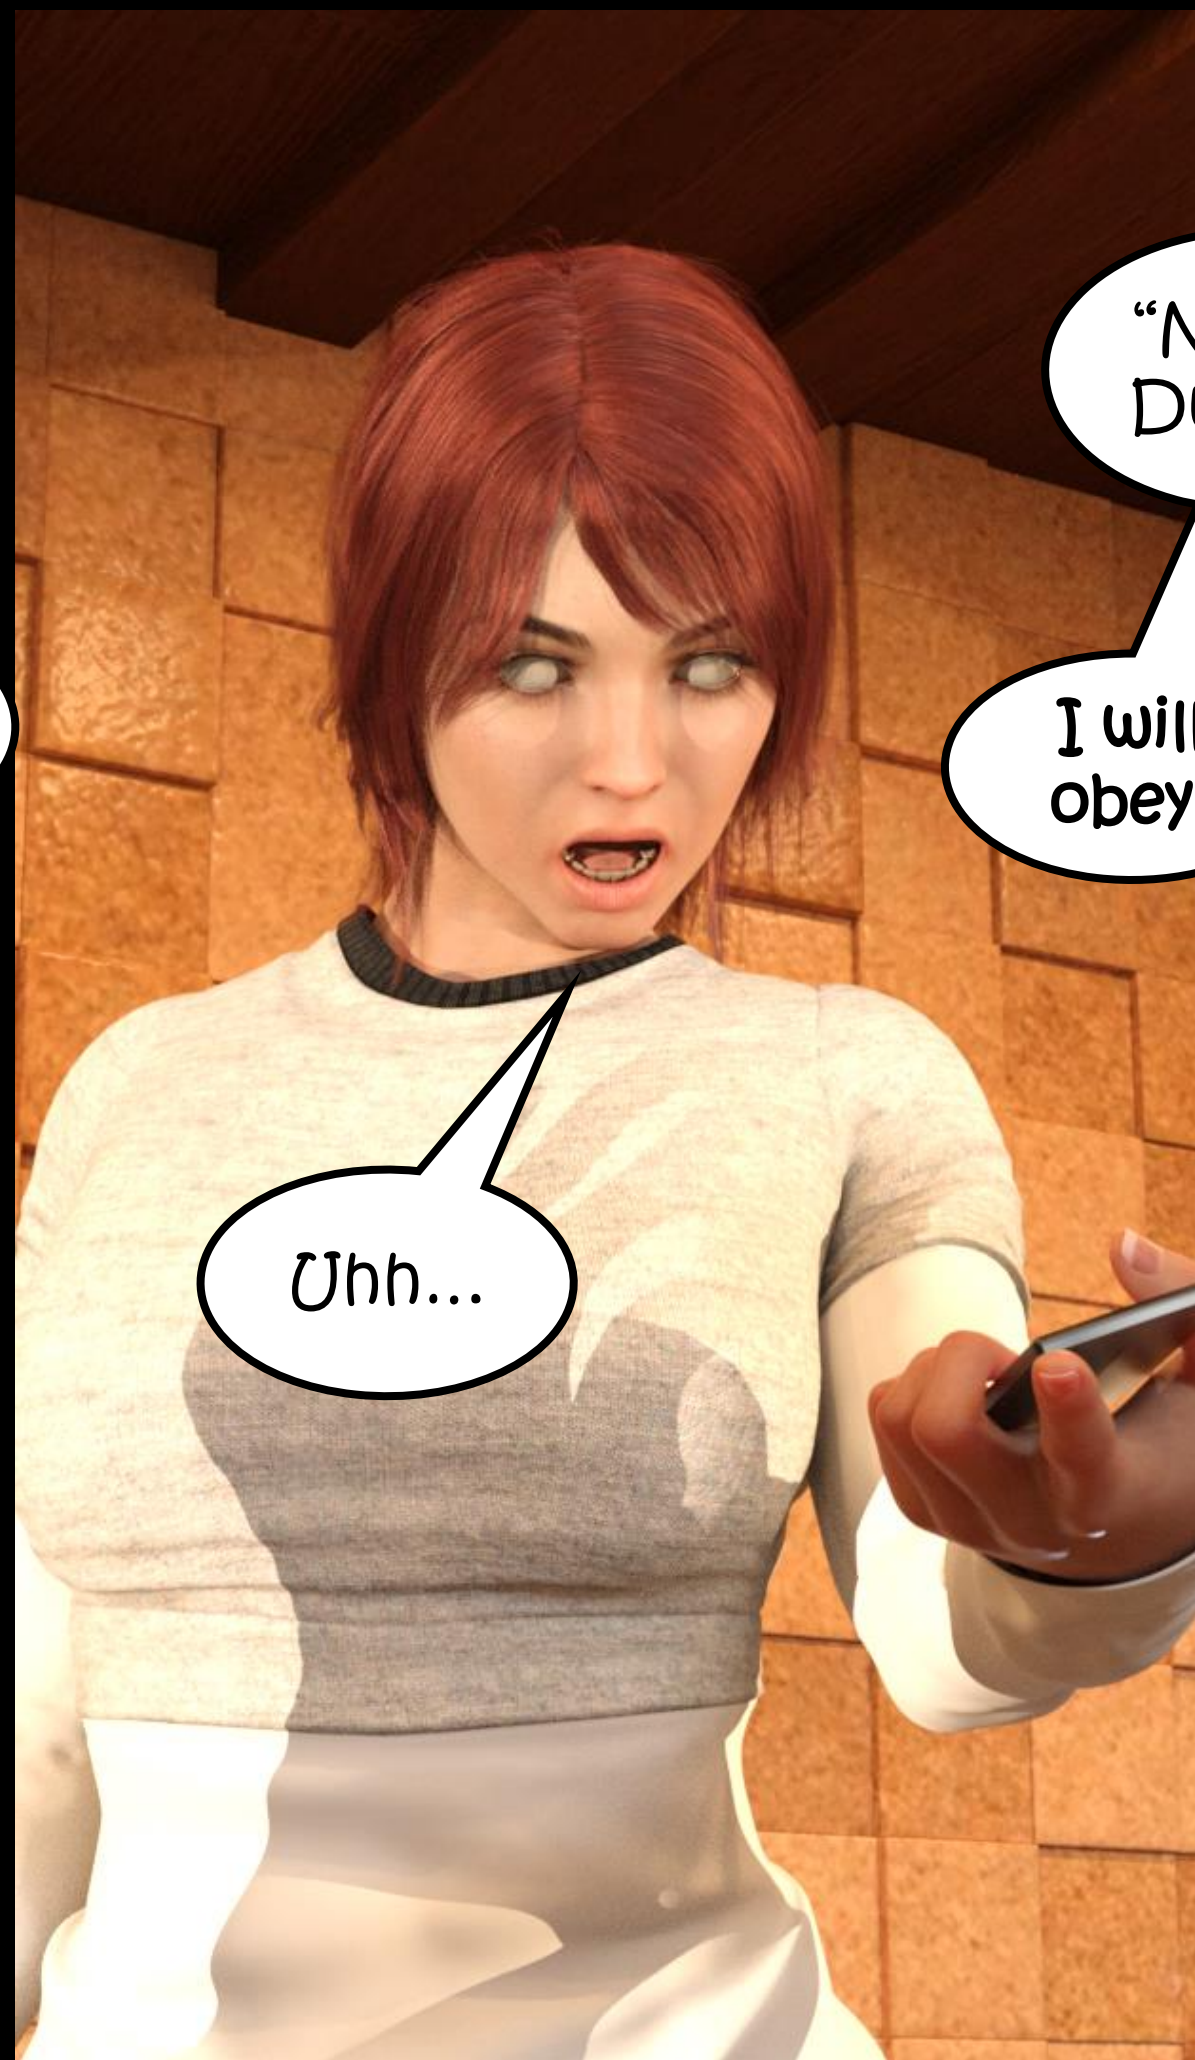

fly!n@

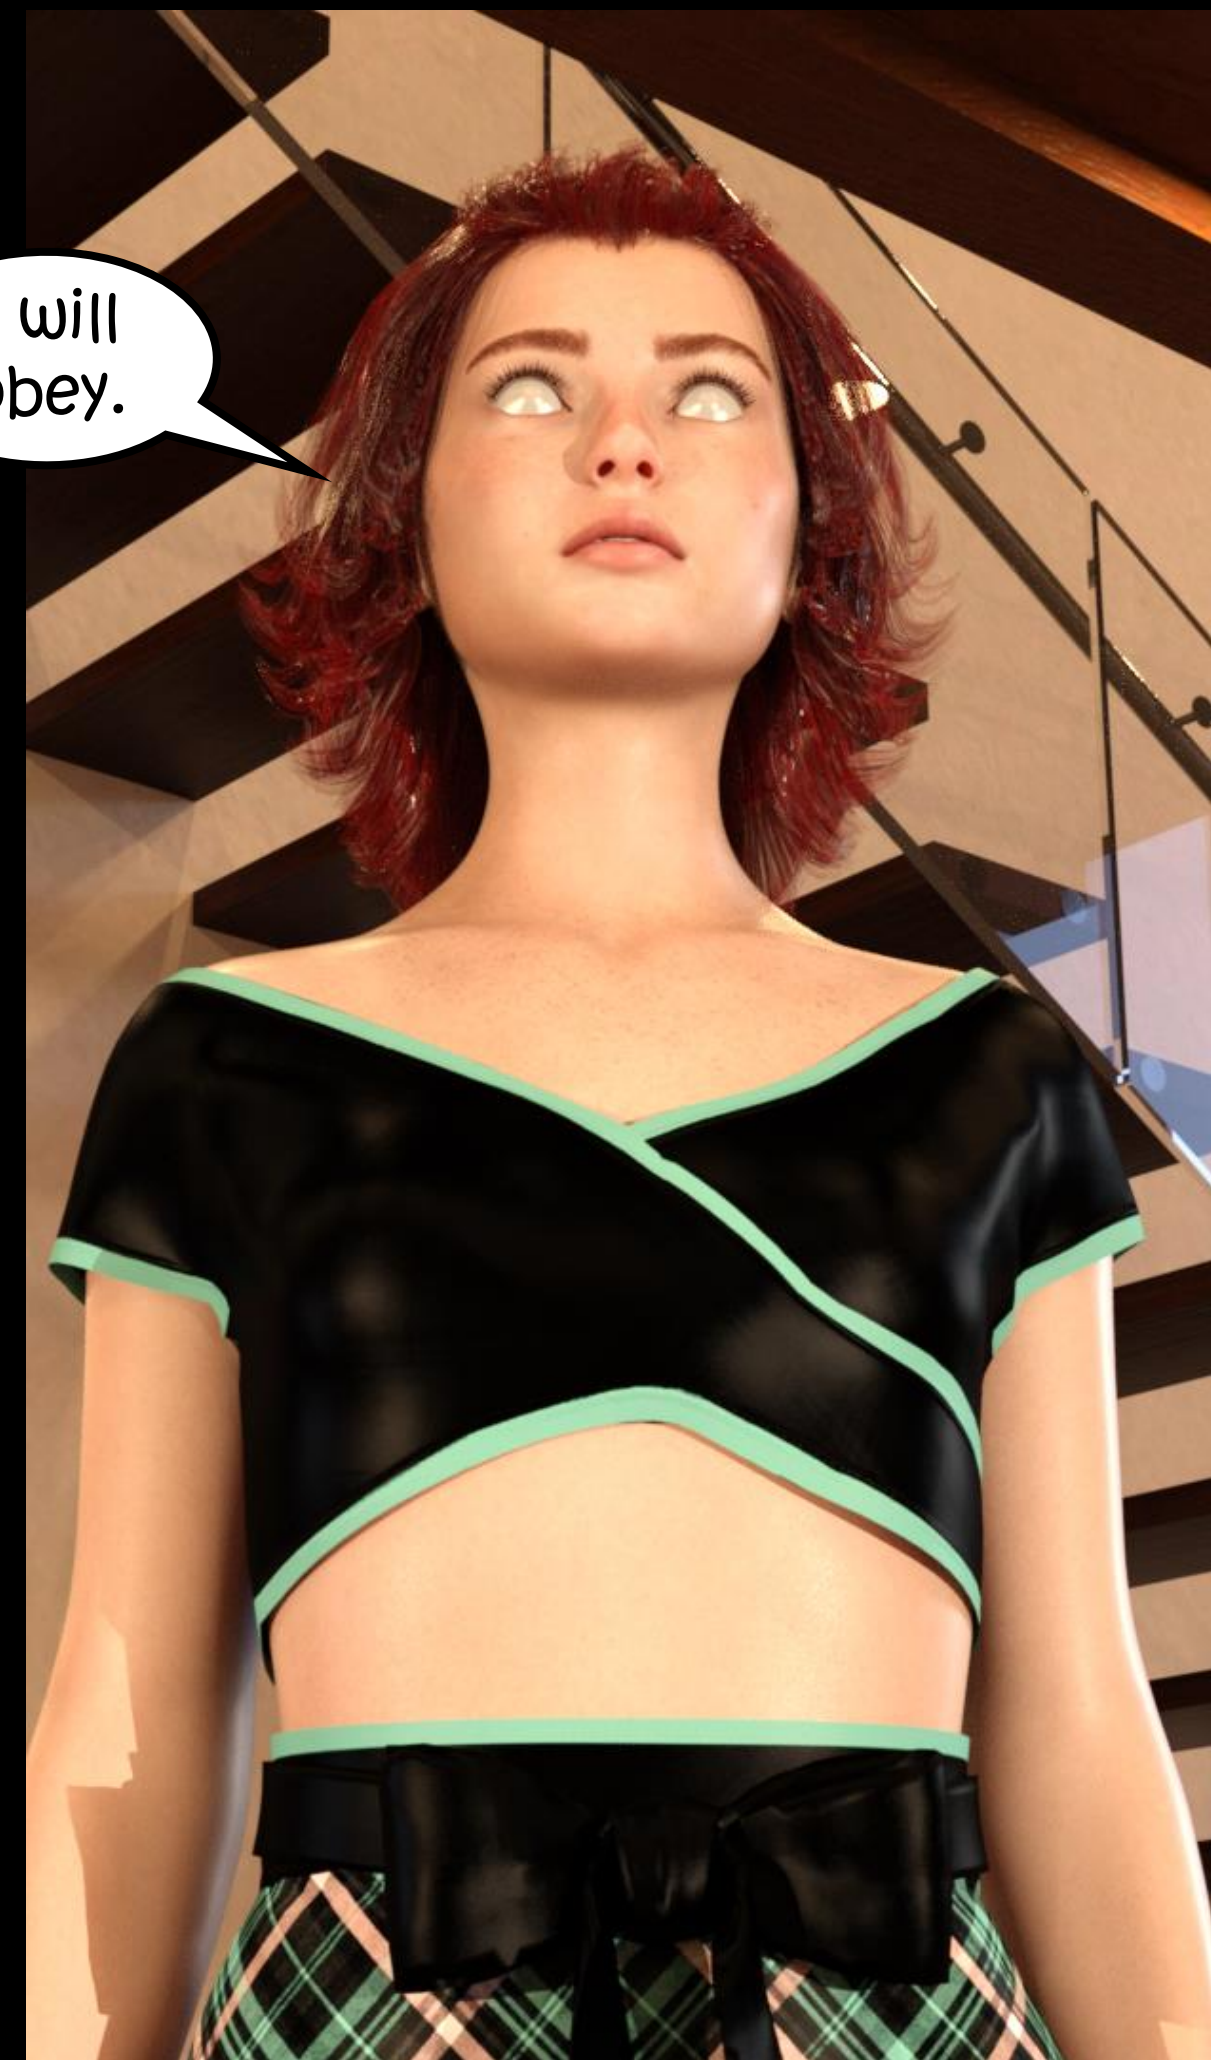

It's aunt
Charlotte.

Unexpectedly it is not Charlotte who speaks up next, but Rewire, triggering the Firestarters over the phone!

Yes, Love.
"Nightly Duties"
protocol
activated.

We'll be over
ASAP, Daddy!

Yeee!
Nightly duties!

The girls immediately start to dress up and get ready to leave for the Rivers house where Rewire resides...

Velia?!
Where are you?!

I can't find my red lace panties, mom!

We need to go!

For fucks sake, sis! Just go without them!

Fine!

And so the
Firestarters leave
their house, clad
only in sexy lingerie
(or the lack of it).

Thanks to their flying
ability almost nobody
notices them on their
way to their aunty
Charlotte's house...

And soon, Rewire is enjoying the company of all his girls back in "his" living room.

The End

Thank you for reading!

Hello, Hexxet here,

And that's the story about the Firestarters. Another story where the superheroines prevail... After all, this is one super villain off the streets! 😊
