Are you sure
you want to
do this
Hanna?

100 percent!
If I flunk that
test I'll fail class
and my parents
will go nuts.

Then I can't
meet Jake
anymore.

And I won't
be able to stay
on the team.

But... isn't
this taking it a
bit too far?

No-no!
I have to
do this!

Welcome to
Shake Shifters,
what can I get
you?

A young woman with blonde hair styled in two braids is posing in a blue and white WWF bikini. She is smiling and has her hands on her hips. The background shows a busy mall with other people and store signs like 'ZyGard' and 'M.C. HO'.

One nerd-
shake, please!

One moment.
Let me fill
out the form

And here we go.
Your shake,
Miss.

Don't do it!

You can still back out, Hanna!

Ach!
What's the worst that can happen?

It's only for a week!

Here goes nothing!

GULP

Ahhhh.
Delicious! I
love Kiwi.

How do I
look?

Do you feel
smarter
already?

... Absolutely...
horryfiyng.

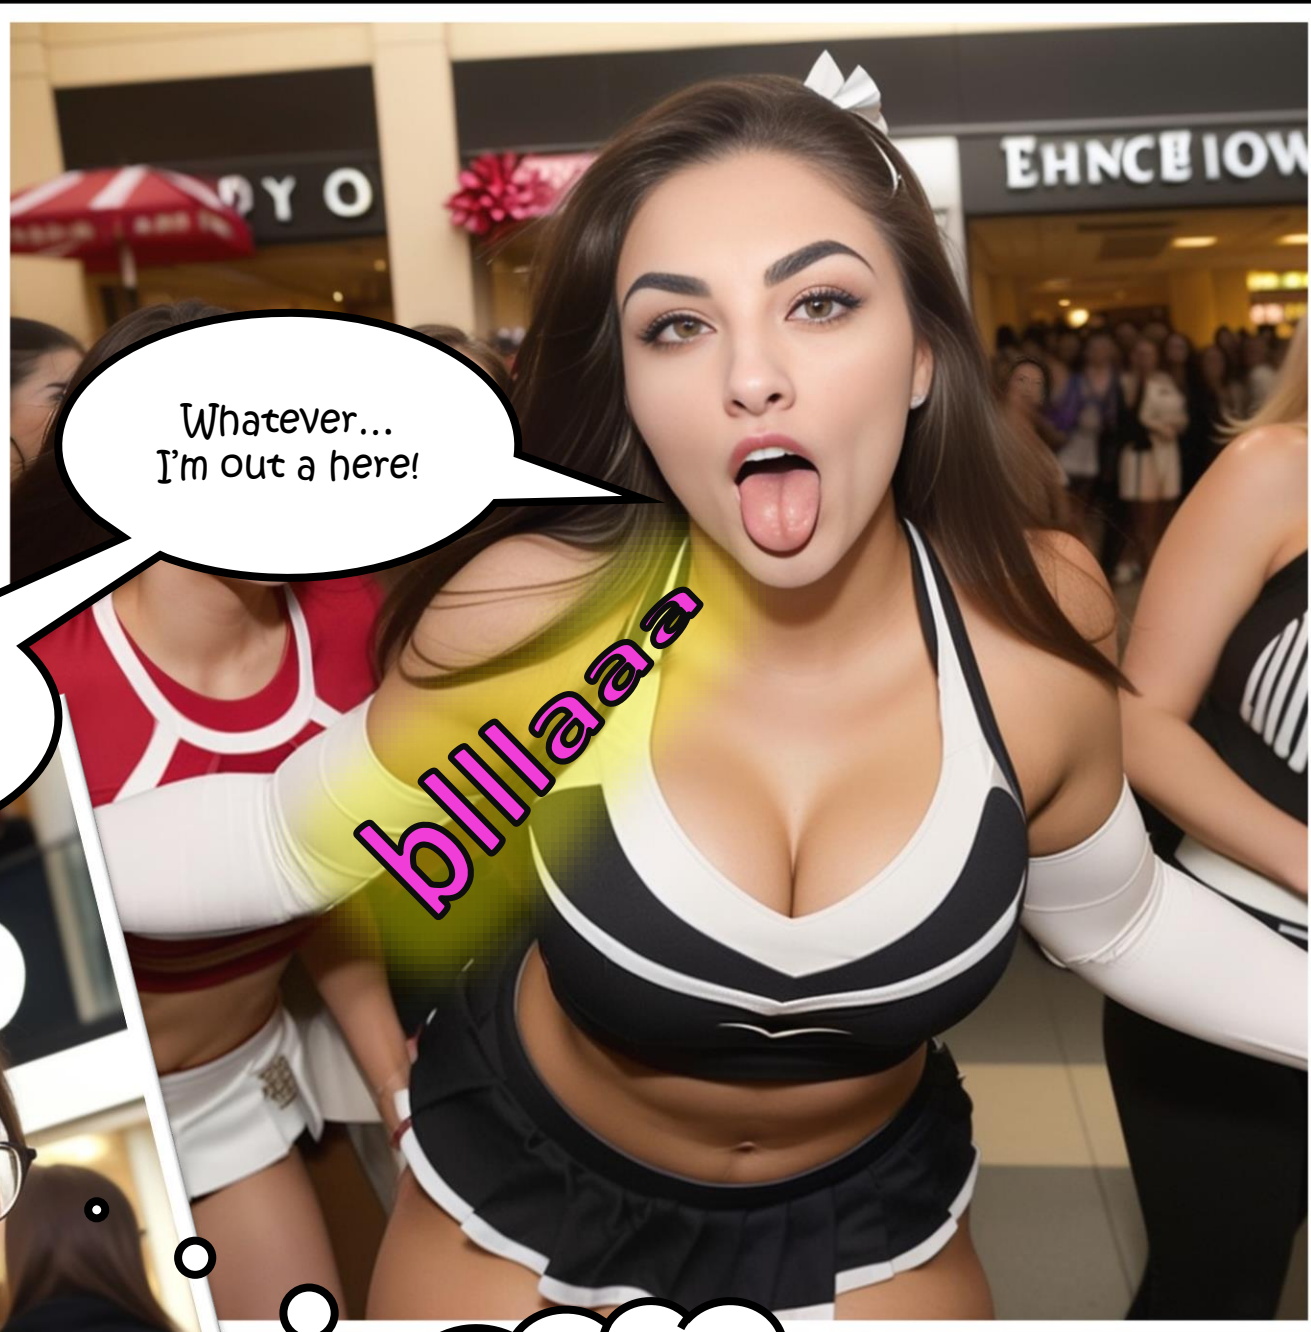

Do you
know all the
answers to
the test
now?

Sorry, the
shake does
not come with
knowledge.

But she'll be so
much better at
studying now.

See ya in a week, nerd!

Whatever... I'm out a here!

I can't be seen with you... **not like this!**

blliaaa

That... Did hurt... I thought we were friends...

Well... I guess the original me... would have done the same...

Back at home Hanna starts studying and is surprised how easy she can remember stuff like historical dates now. Or how well she can connect the dots to solve a problem...

Holy cow...
I used to be
sooo dumb...

I should
call him...

Studying is progressing well
and after several hours
Hanna decides it's time for a
little break...

Hey
Jake!

I've got a
surprise
for you.

Why don't
you come
over real
quick?

Hey babe! I
came over as
fast as I...
Woah...

Who are
you?

It's me!
Hanna!

Do you know
Shake Shifters?
It's this slushy
shop with
amazing...

Da fuck?!

So long story
short. I'm a
nerd for a
week now.

So... wanna
fuck?

Hell
yeah!

Hanna leads Jake into her bedroom. Nothing too out of the ordinary. They've been sleeping together a lot these days... One could call fucking their hobby... their workout routine... You get the drift...

It's like cheating on you... but with yourself ha-ha!

Did you have to put it like that?!

Darn... I try to
move sexy...
but I just feel
awkward...

Strip for
me, babe.

Show me
that new
bod of
yours.

A young woman with long brown hair tied in a ponytail, wearing glasses and white underwear, is posing in a bedroom. She is standing in front of a bed with white linens. A speech bubble is positioned to her left, containing the text "What do you think, Jake? Hot?".

What do
you think,
Jake? Hot?

Hm...
I'm gonna
miss your
boobs...

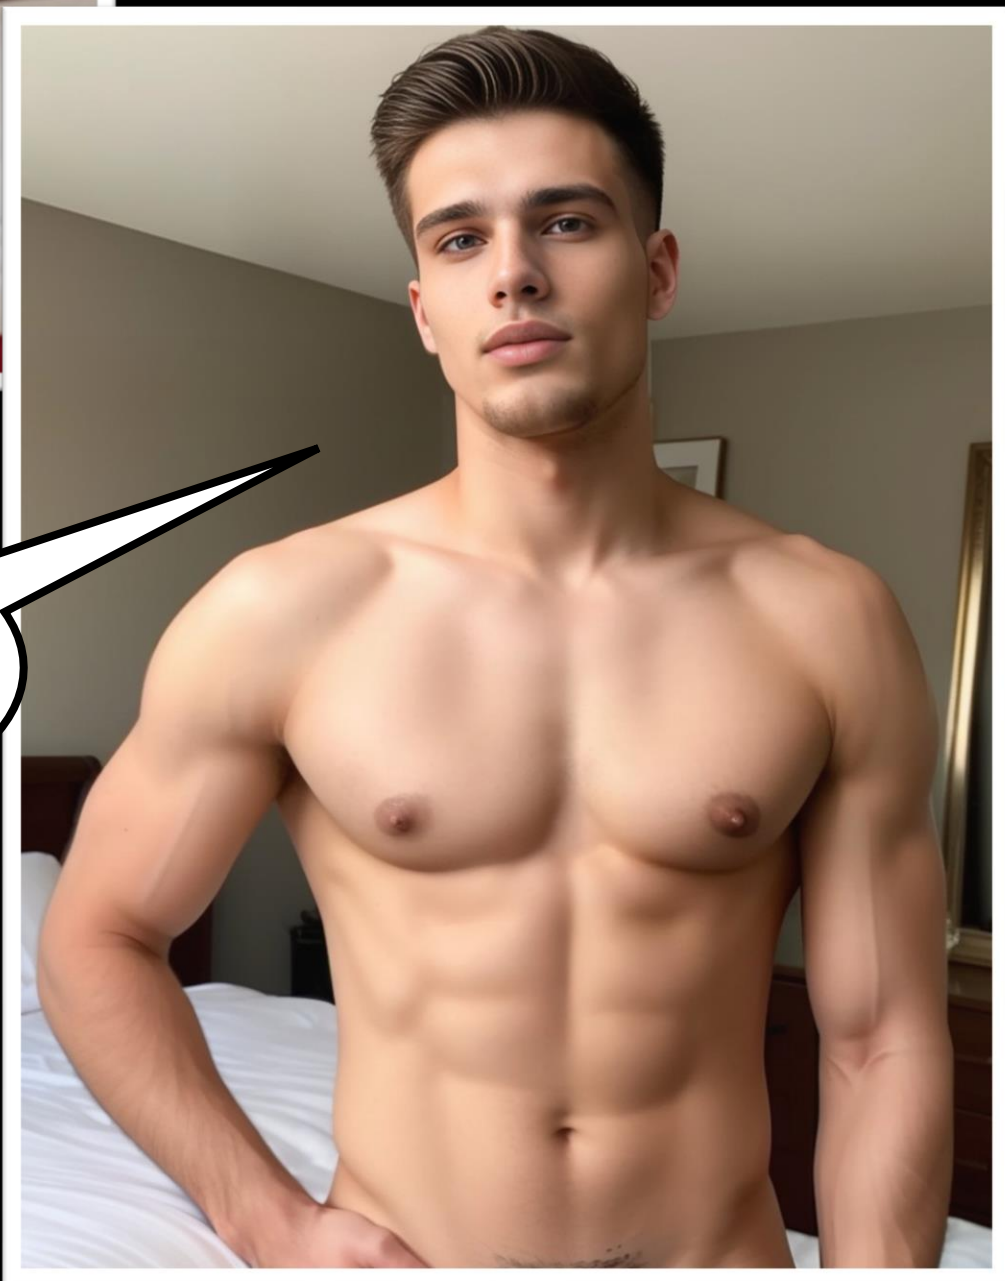

...
It's just for
a week!

Idiot!
I'm so much
more than my
boobs!

So... will this
nerd chick get...
some stud ...
meat or what?

Ah, fuck!
That sounded
really stupid,
didn't it?

Chuckle
Spread those
legs, babe.

Like this, babe?

Darn... does this look sexy? It's like all my self-confidence in my body is gone!

So, wanna
eat out
some nerd...

Uff!
He put it
straight in!

No
foreplay?

You never needed
that... though you
do feel a bit dry
today... but tight!
Oh, yeah! Fucking
tight, babe!

fap
fap
fap

Huh?
I used to be really
acoustic during sex...
but now... it just feels
dumb... and... somebody
could hear...

Oh - yeah.

Oh - yeah.

Mhhh...

fap
fap
fap

Hm... this is taking some time...

The brain can be a very useless thing during sex... As her thoughts wonder Hanna does not enjoy the fucking as she used to...

I should get back to studying...

Is he done back there soon?

Oh, fuck, babe! I'm close!

Finish me off with your mouth!

Really?

Yes,
Babe!

Oh, fuck.
Yes. Just
like that.

lick
lick
lick

Why put your mouth where the other pee's from?!

Who came up with this stuff?

Just a little more!

A photograph of a young woman with dark hair in a ponytail and bangs, wearing black-rimmed glasses. She has a white string tied around her mouth. She is looking towards the camera with a neutral expression. To her left, a penis is visible, partially covered by a pink condom. The background is a plain, light-colored wall.

Oh yeah,
babe! That
was great!

YUCK!

Urgh!

Now... that was
a waste of time.
I did not even
cum...

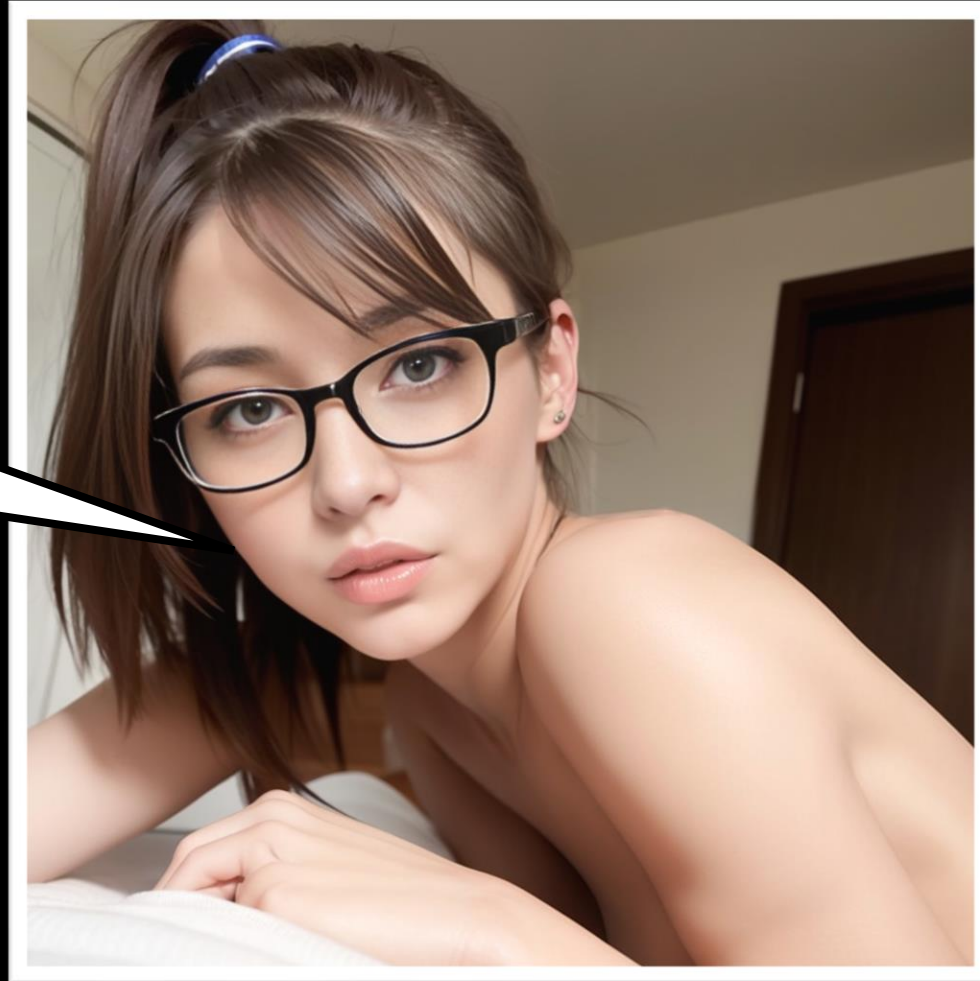

I think
Bettina is
having a party
at 9!

So, let's
hang out
some more?

I have no
time for
parties!

Dude!
I'm studying. I
need to ace
that test.

Uhhh, serious!
Suit yourself,
nerd! *chuckle*

With Jake gone, Hanna returns to studying... but some thoughts linger on her quarterback boyfriend...

Not convinced by their sexual encounter she stays away from him for the rest of the week and focuses on her books...

6 days and a bit
later...

Obviously, Hanna aced
her test. Everything
was good...

But Hanna had doubts...
doubts whether she really
should get back to her old
vain self...

And so Hanna kept thinking as she was standing in front of her mirror... A decision was about to be made...

On the other side... the sex was so much better...

It's kinda nice understanding stuff...

I feel like the old me was extremely dumb...

If I stay like this I could get a good job and not end up like some trophy wife...

I need to return to normal!

I want to stay intelligent!

Having made up her mind
Hanna hurries to the mall
and to the Shake
Shifter's shop.

Hi!
I need a nerd
shake. Full
power, forever!

A woman with long brown hair, wearing a white, shiny, corset-style outfit with pink accents, stands in a kitchen. She is holding a large pink milkshake with whipped cream and a pink straw in her right hand, and a smaller yellow milkshake with a red straw in her left hand. A speech bubble is positioned to her right, containing the text: "Oh, hello! It's you again! You liked your shake?".

Oh, hello!
It's you again!
You liked your
shake?

Huh?
Do I know
you?

I sold you
that last one,
dummy!

Don't worry.
I guess I look
different.

I tried out a
bimbo shake
for today.

Workers at
Shake Shifters
get a free shake
each day! It's like
real cool!!

The time really flies
by today... Though I
get distracted
easily... What were
talking about?

A woman with blonde hair, wearing a white bikini and a black bow in her hair, stands behind a bar. She is smiling and holding a pink milkshake. The background shows a bar counter with a menu board and warm lighting. There are four speech bubbles and one text box overlaid on the image.

Nerd Shake,
NOW!

Ah yes.
Sorry deary. But
house rules say I can
only give you another
shake once the old
one's effect wears
off.

It's for like
safety reasons
or something.

Totally lying to
that poor bimbo!

Oh, ... but I talked
to the manager
and it's okay to
make an exception
for me.

Oh, well in that case.

Here you go miss.

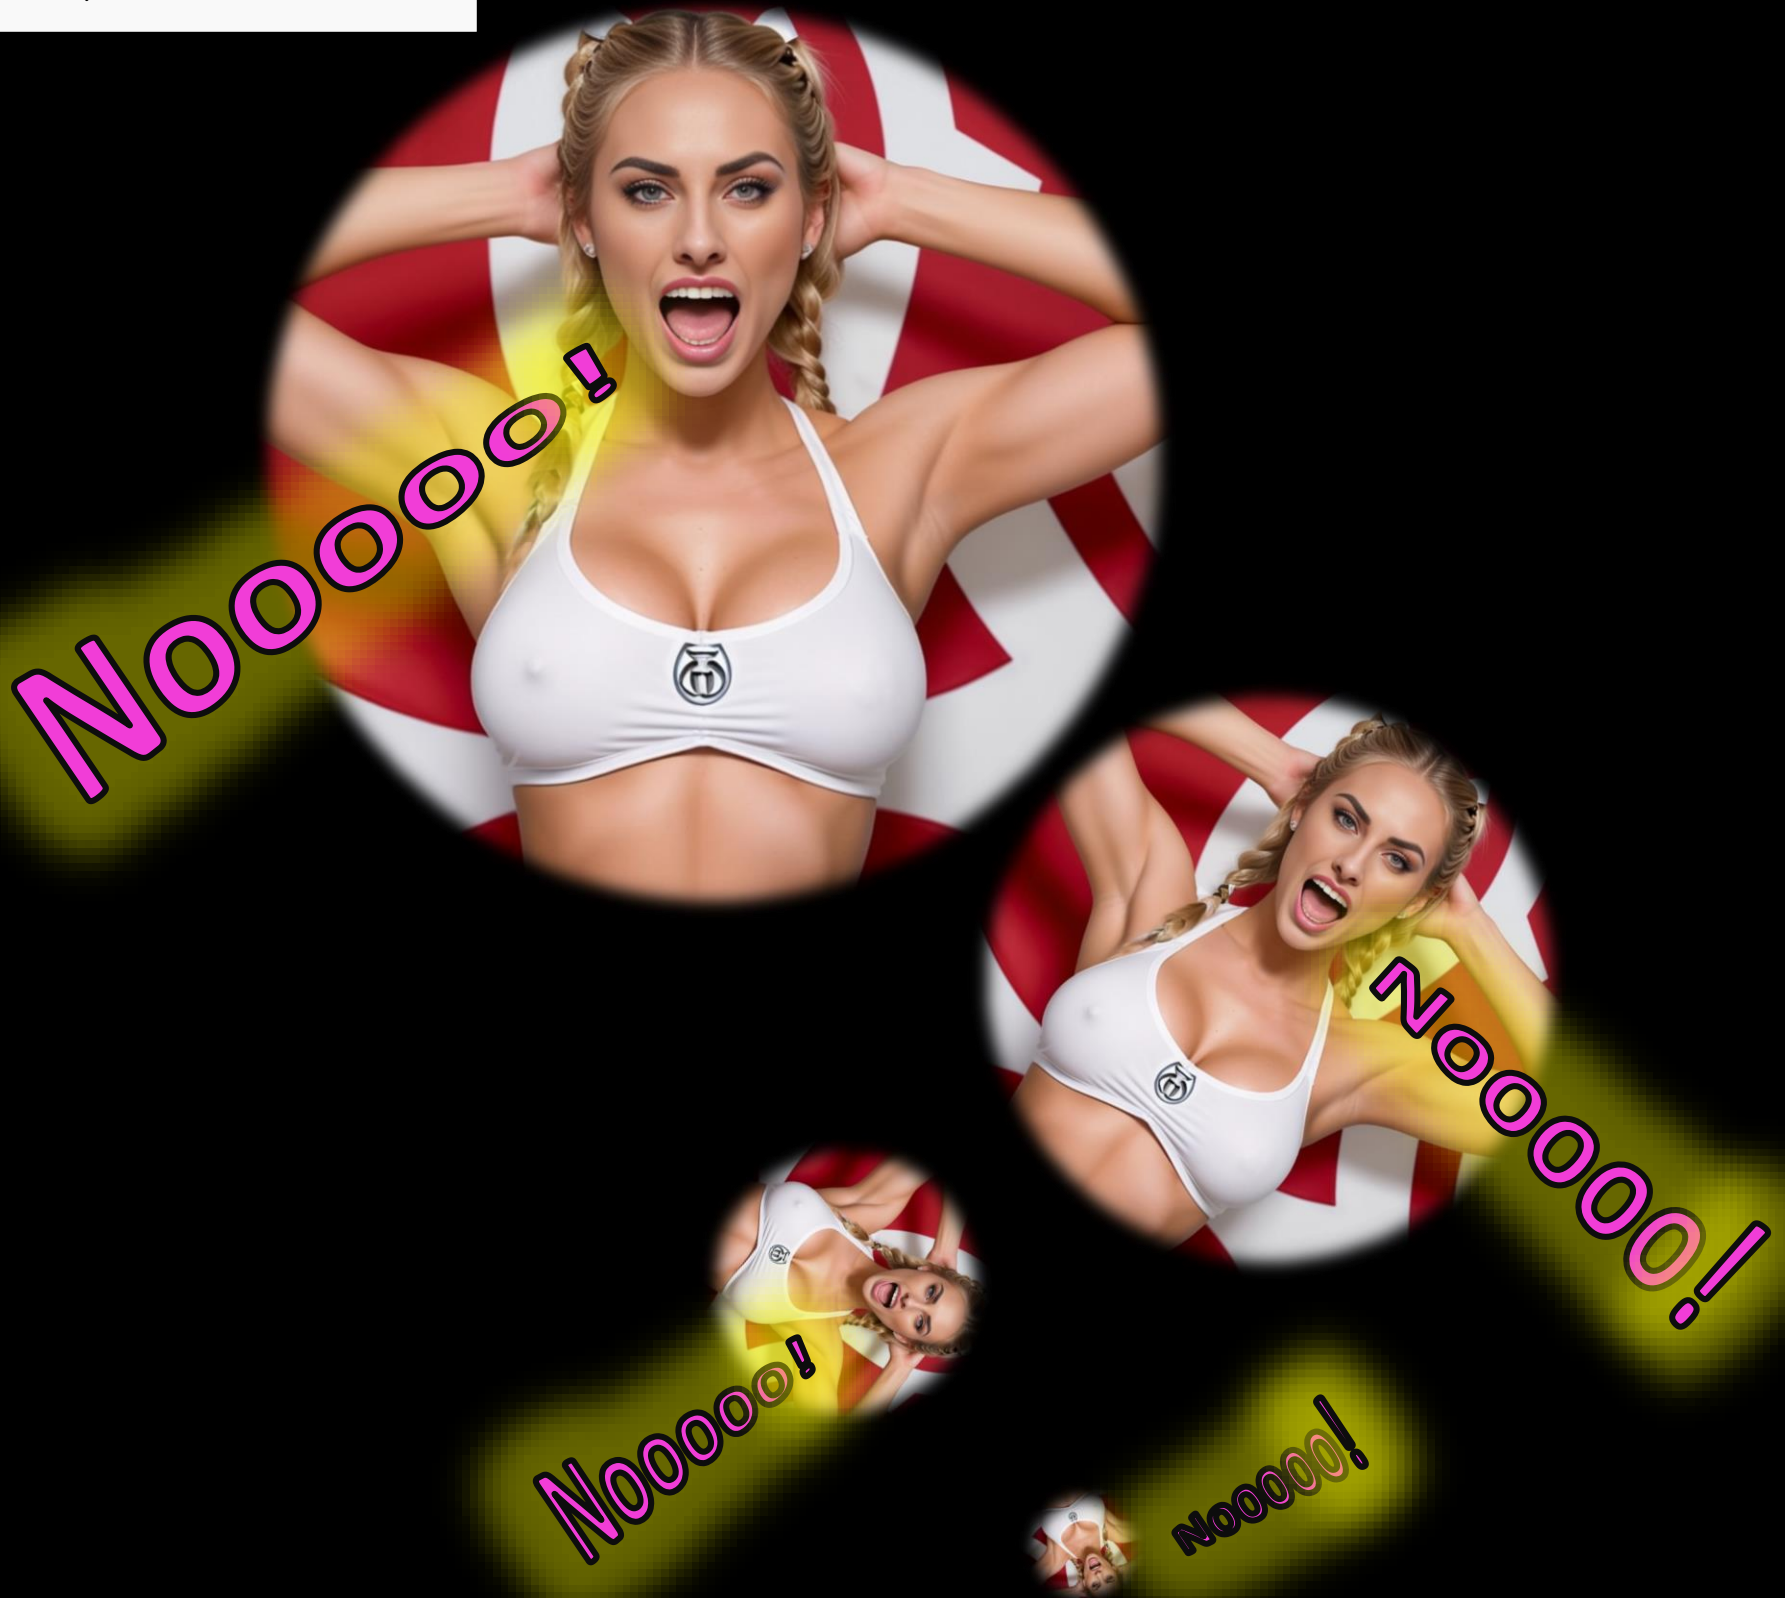

Thank
you!

GULP

GULP

Hastily Hanna gulps
down the shake before
the old Hanna manages
to return... and Vanishes
forever instead.

Alright!

New life, here I come!
First I break up with
that loser boyfriend...
I hope it does not get
awkward.

Hey,
Jake...

No... I've
decided to
stay like
this... and...

Hey, Babe!
You back to
normal?

I see... Sorry
babe. But I'm
breaking up
with you.

I won't date
a nerd. Cya!

Well... I guess
that went
smoothly...

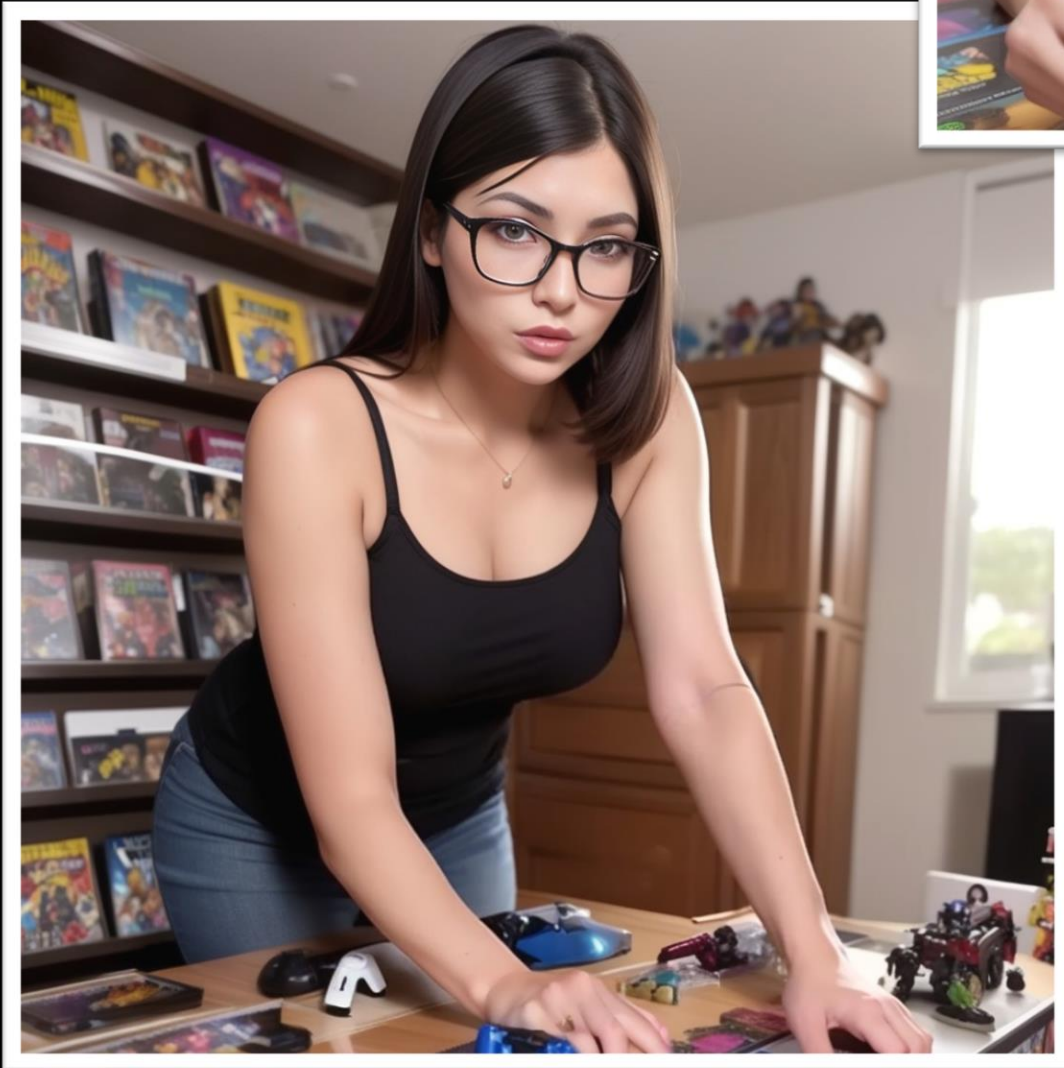

From that day on, Hanna embraced her nerdiness and she soon found a more suitable boyfriend.

Where she previously spent her weekend cheering for some sweaty sports guy...

Hanna now attends regular DnD nights, plays board games and computers.

Hanna graduated with honors and found a good job after school that enabled her to go after her hobbies.

She never looked back at her old life...

A woman with dark hair and glasses is leaning over a table in a room filled with manga and anime merchandise. She is wearing a black bikini. The room has shelves filled with manga and anime merchandise. She is looking directly at the camera with a serious expression. Her right hand is resting on a glass containing purple liquid. The background is filled with shelves of manga and anime merchandise, including a large red and green cushion and a yellow and black cushion.

And the sex, you
might ask?

Well... it might not be
that acrobatic mind
blanking sweaty
scream fucking
Hanna was used to...

Hey, there
mighty wizzard!

Is that an extra
large magic wand
or are you just
happy to see me?

Can this horny
barmaid maybe
entice you?

But she took the roleplay into the bedroom... or really... any room...

Moan

Life was good...
And for the
right guy...

Let me handle
that joy stick
for you...

She even got
around to giving
blowjobs again!

suck
suck suck

Drinking that
Permanent shake
was definitely the
right decision!

Thank you,
Shake Shifters!

Back to the
decision.

End the story

Having decided to just wait it out and return to her original self, Hanna stays home and waits for the shake's effect to dissipate.

Huff!
Now that was a horrible experience!

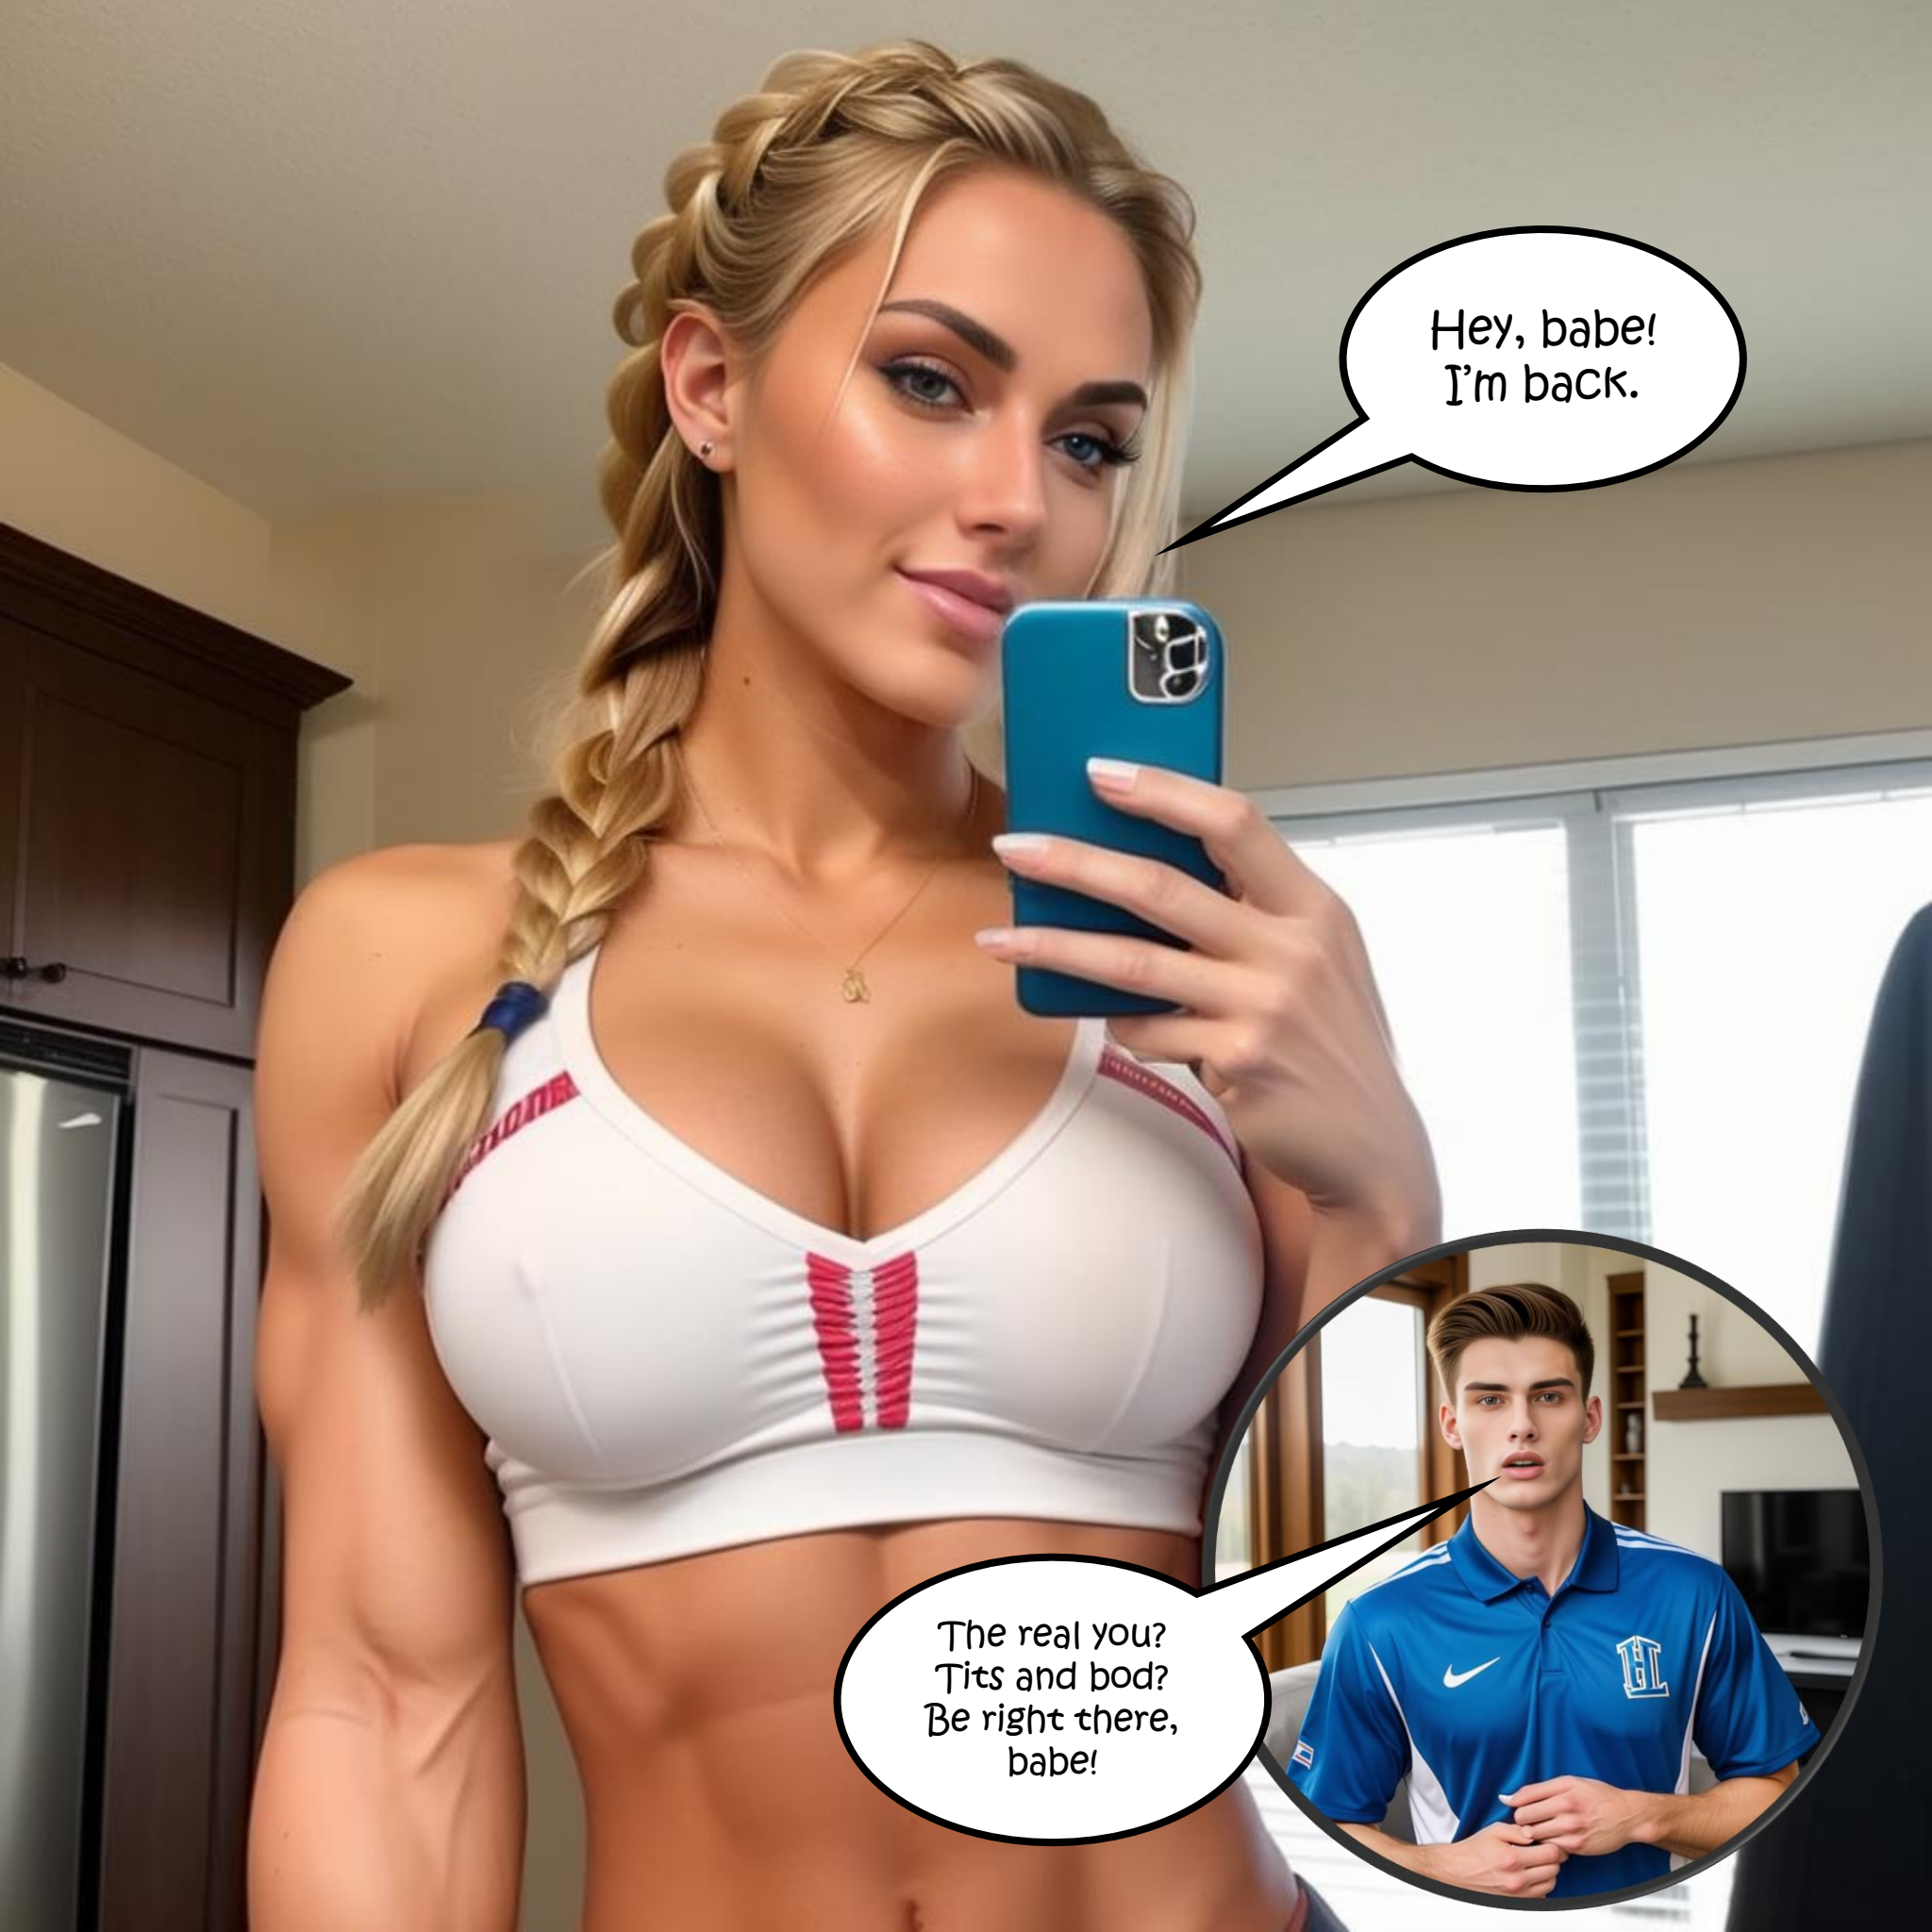

How could I
ever be this
boring?!

Better call
Jake that I'm
back. *giggle*

I haven't had
sex in like
forever!

Hey, babe!
I'm back.

The real you?
Tits and bod?
Be right there,
babe!

Oh, fuck
yeah! I've
missed this!

Moan

Yes! Fuck
me!

Give it to
me hard!

Your big cock
feels amazing
in my tight
cunt!

Everything was back to normal, and Hanna was experiencing the best sex of her... well this week...

Moan

Oh yeah!
Put it in
my ass!

Nerd-me
would have
never done
that. *giggle*

And thanks to her breasts being back to her original size, she's finally able to give proper boob jobs again!

Oh, yeah!
You like
that?

Very much to Jake's delight. He has missed those babies!

Me squeezing
your throbbing
cock with my
huge melons?

Oh, wow!
You came
so much!

Hanna and Jake basically spent the next few days fucking to make up for Hanna's nerd time.

Moan

Thanks to nerd-
Hanna's studying
Hanna was mostly safe
at school for now...

Moan

Moan

So, she could spend
some more time on
the fleshly sins in
life...

FUCK!
I love you
babe!

Glad you
are back,
babe!

Jake and Hanna spent an awesome last year at high-school. Obviously, they were prom Queen and King... but soon thereafter they broke up and went their own ways.

A woman with blonde hair in a braid is lying on a white lounge chair by a swimming pool. She is wearing a light blue bikini and has her eyes closed, appearing to be sunbathing. The pool water is bright blue and rippling. The background shows a wooden deck.

Hanna soon found a rich guy who married her, and she became a trophy wife. Mostly lazing around by the pool in her hubby's Villa.
Life was good!

Back to the decision.

Hello, Hexxet here,

I hope you liked the idea of “Shake Shifters” cause this is most likely turning into a “series”. Though with no connections aside from different people visiting “Shake Shifters” and changing their lives 😊
