Soul Swap Phone

Somehow our protagonist got his hands on an app that can zap people into a hypnotic trance and/or swap their souls with other entities. Without morals or remorse, he roams the campus and uses people left and right for his own pleasure not thinking of any consequences. This story is rated E for Evil!

Featuring

Mikael...	The protagonist with the soul swap phone
Lucy...	A red-haired girl – Mika's first target
Prof. Harrison	Lucy's stepdad

...

And a ton of other characters getting used during Mika's soul-swapping spree. Note that all characters are over 18 and no real animals have been harmed throughout the production of this comic.

It's a beautiful sunny day. The birds are chirping, and the light breeze feels great on the skin...

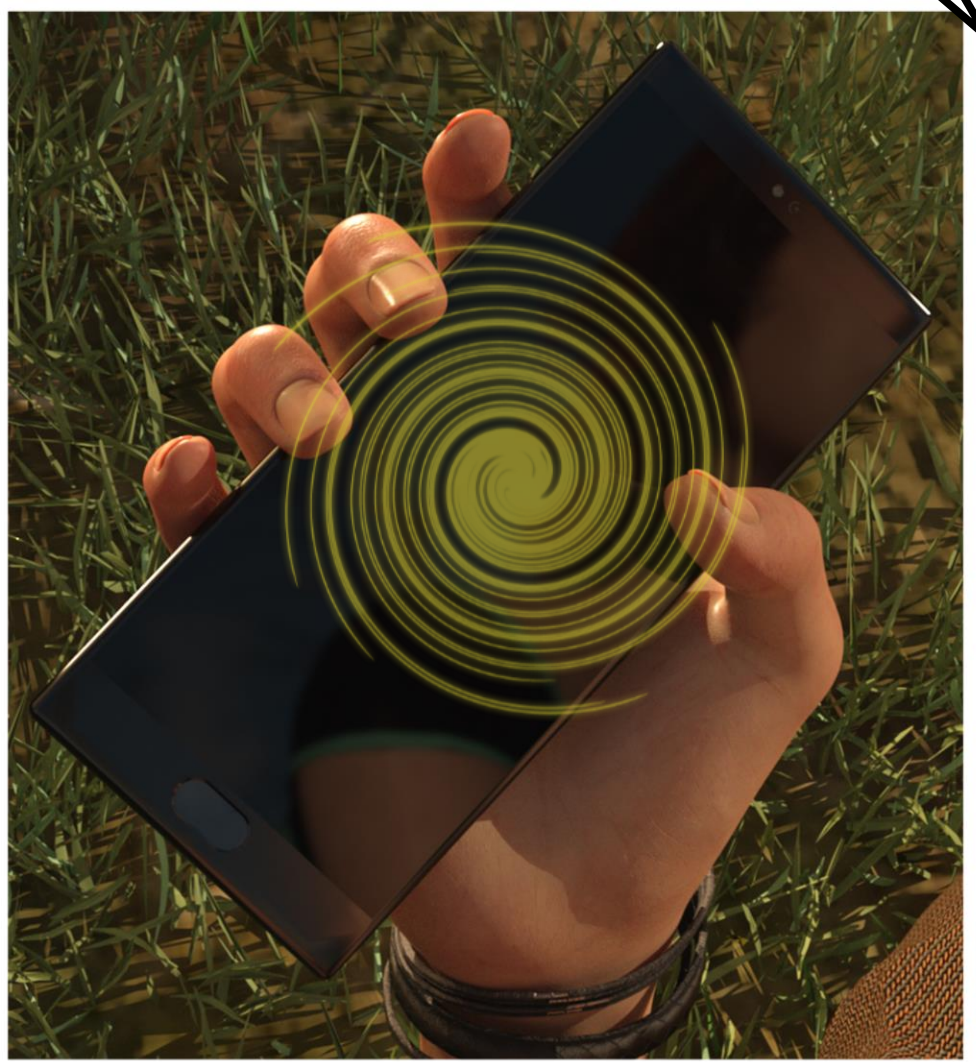

You love how
my big dick
feels inside of
you.

The perfect day to take your newly downloaded
Mind Control and Soul Swap App for a spin!

In the shade of a large tree, a
redhead teen is riding a blonde
boy, without much of an
expression on her face as she
stares at the boy's phone...

You love how
my big dick
feels inside of
you.

Next to them, the girl's stepfather is capturing the act for posterity.

I love how your big dick feels inside of me.

Maybe smile a little?

That's it, honey! Great shot!

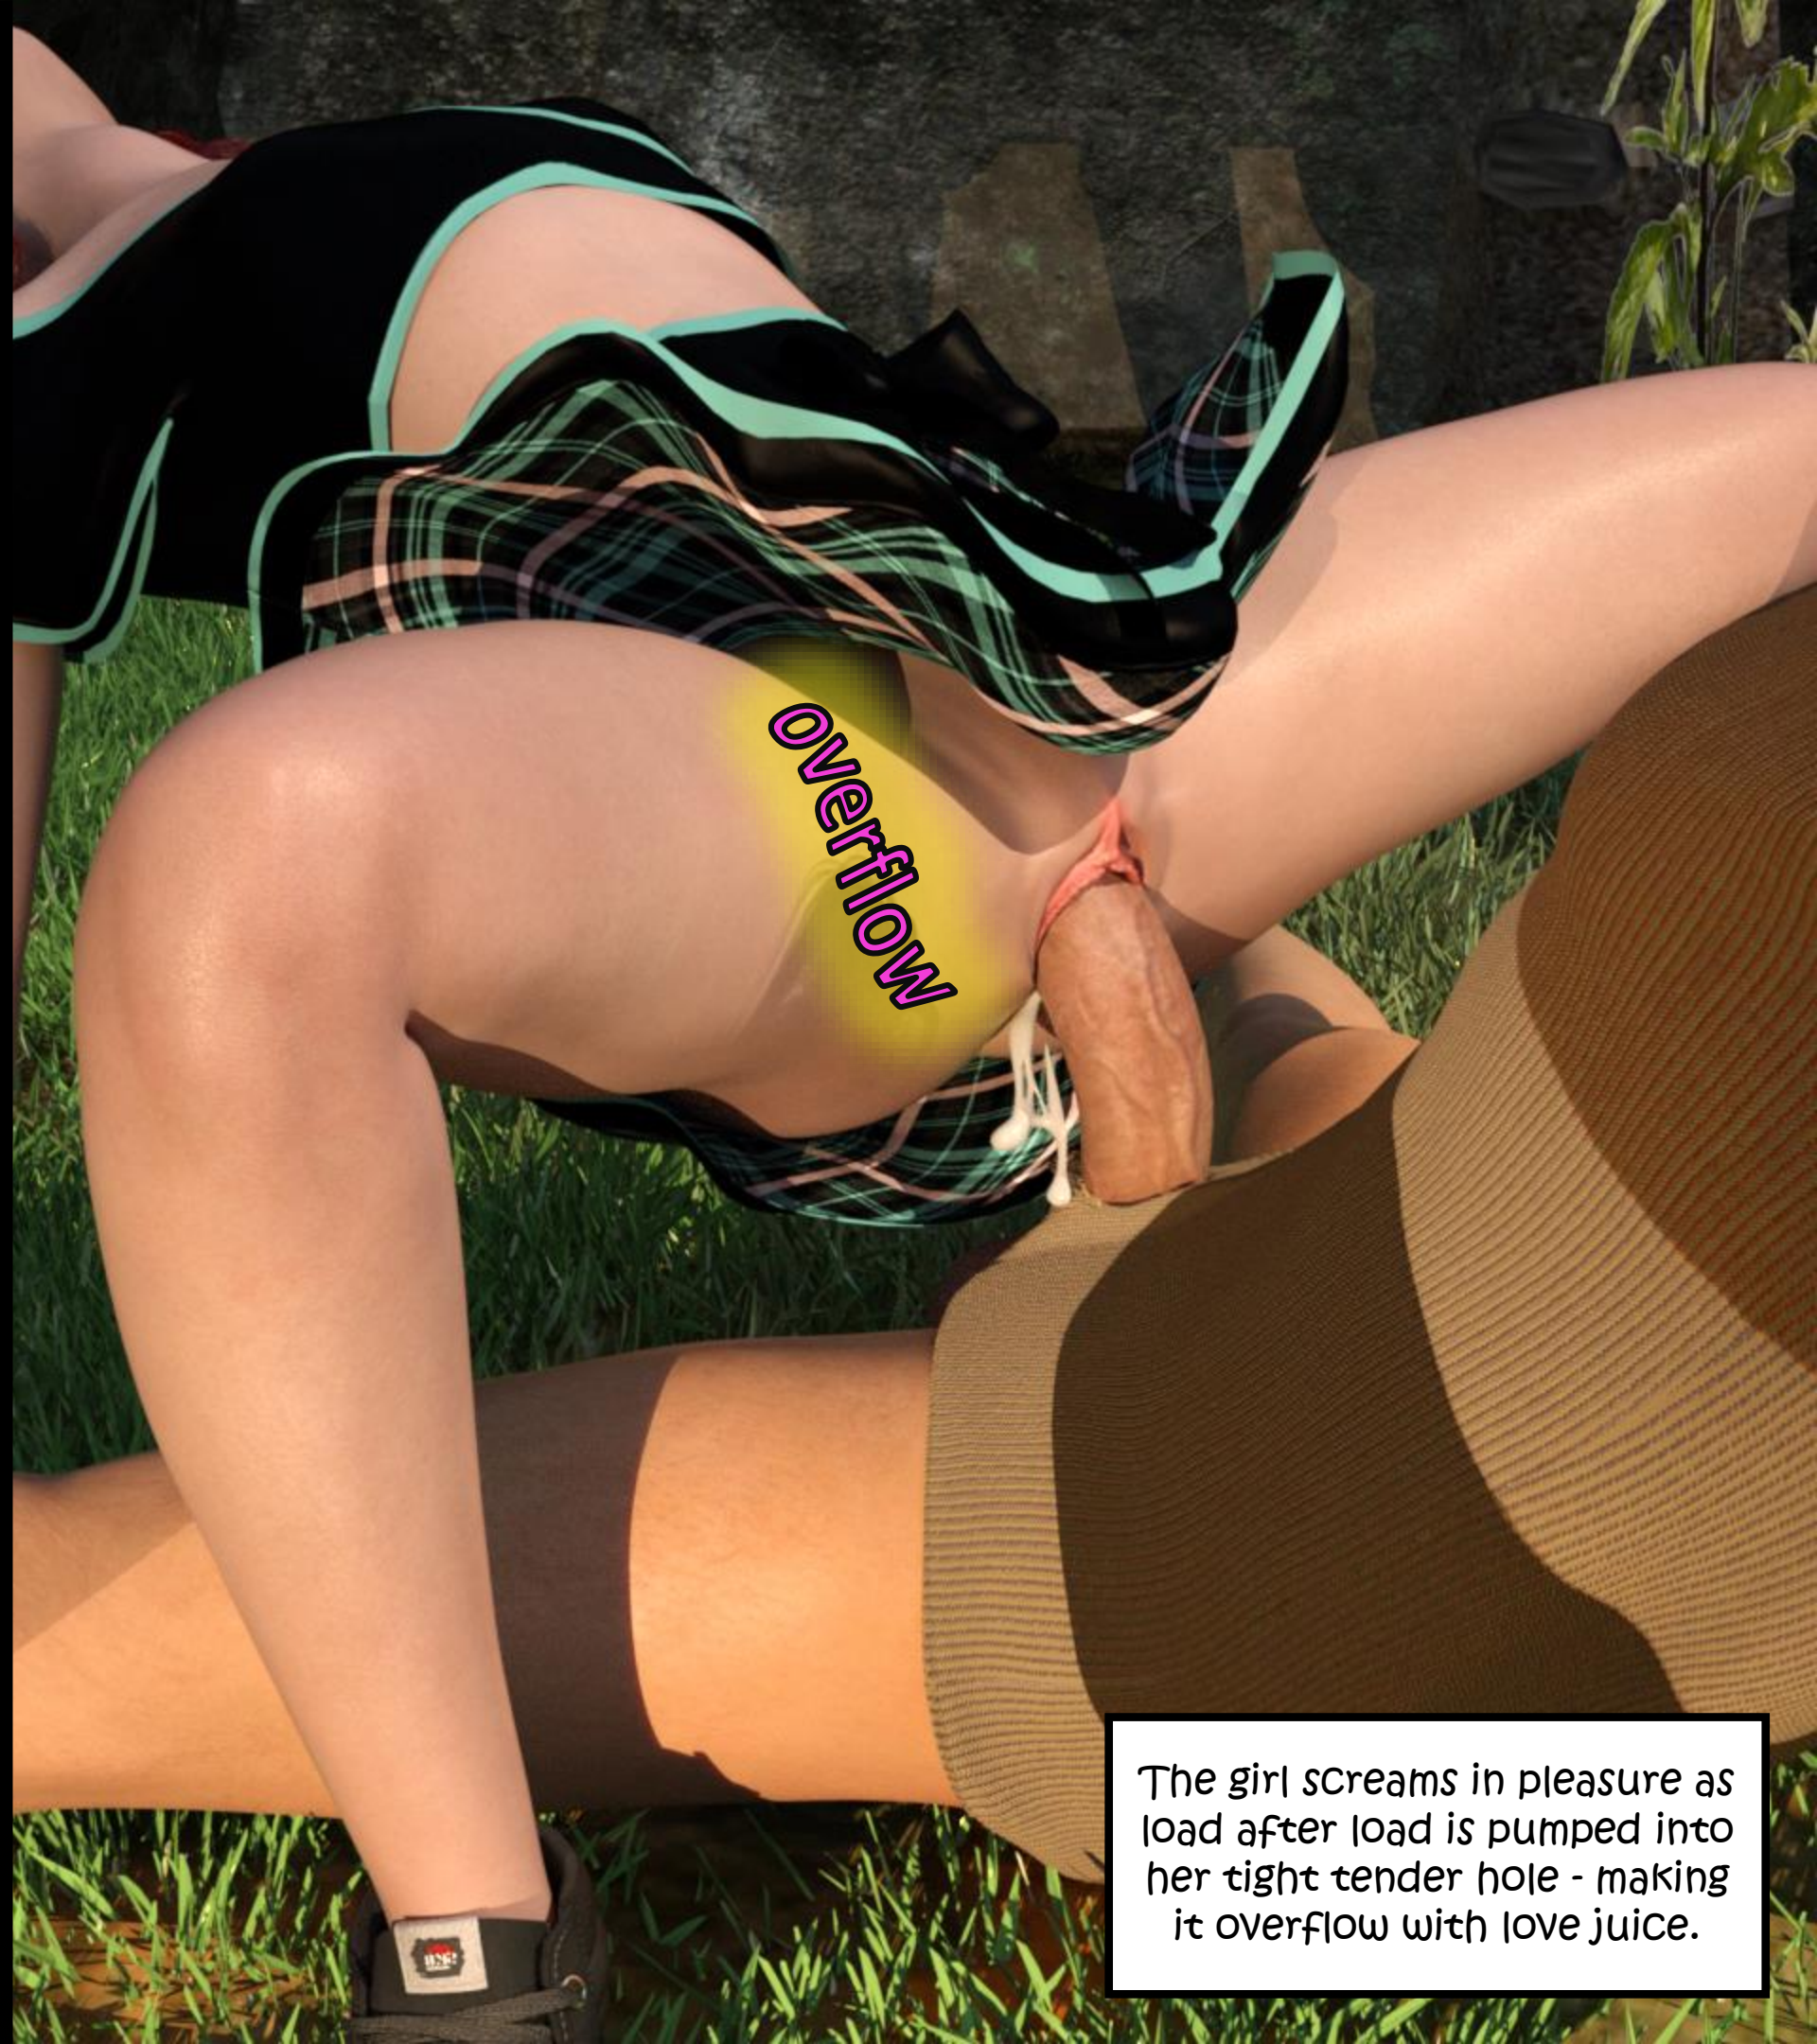

The mother is standing next to them blankly staring into the distance.

The father keeps the camera steady – not willing to miss the grand finale. And really, it does not take long for the boy to release his seed in his step-daughter's pussy.

moan

Groan

overflow

The girl screams in pleasure as load after load is pumped into her tight tender hole - making it overflow with love juice.

With the “deed” being done the boy loses interest in them and has the family stand at attention as his eyes fall upon his next victims...

Two women... presumable a schoolgirl and her mother are heading towards the nearby school...

The boy addresses the family while casually groping the red-haired girl's tits.

Cum still oozes out of the motionless girl's pussy – trickling down her thighs – forming a little puddle between her feet.

Mommy!
You look thirsty,
why don't you
lick up that cum.

Also, everything
your husband
and daughter do
together is fine
by you.

Redhead!
It's normal to
fuck your daddy.

Daddy dearest!
You'll keep fucking
her. And you'll film it
and sell the videos
online. It's normal
for fathers to do
this!

Got it?

It's normal to fuck my step-daddy.

So thirsty. Want that cum...

Need to fuck and film my stepdaughter.

Without wasting another look on the trio the boy turns his back on them and runs after his next prey.

In the meantime, these three follow the boy's last instructions to the letter.

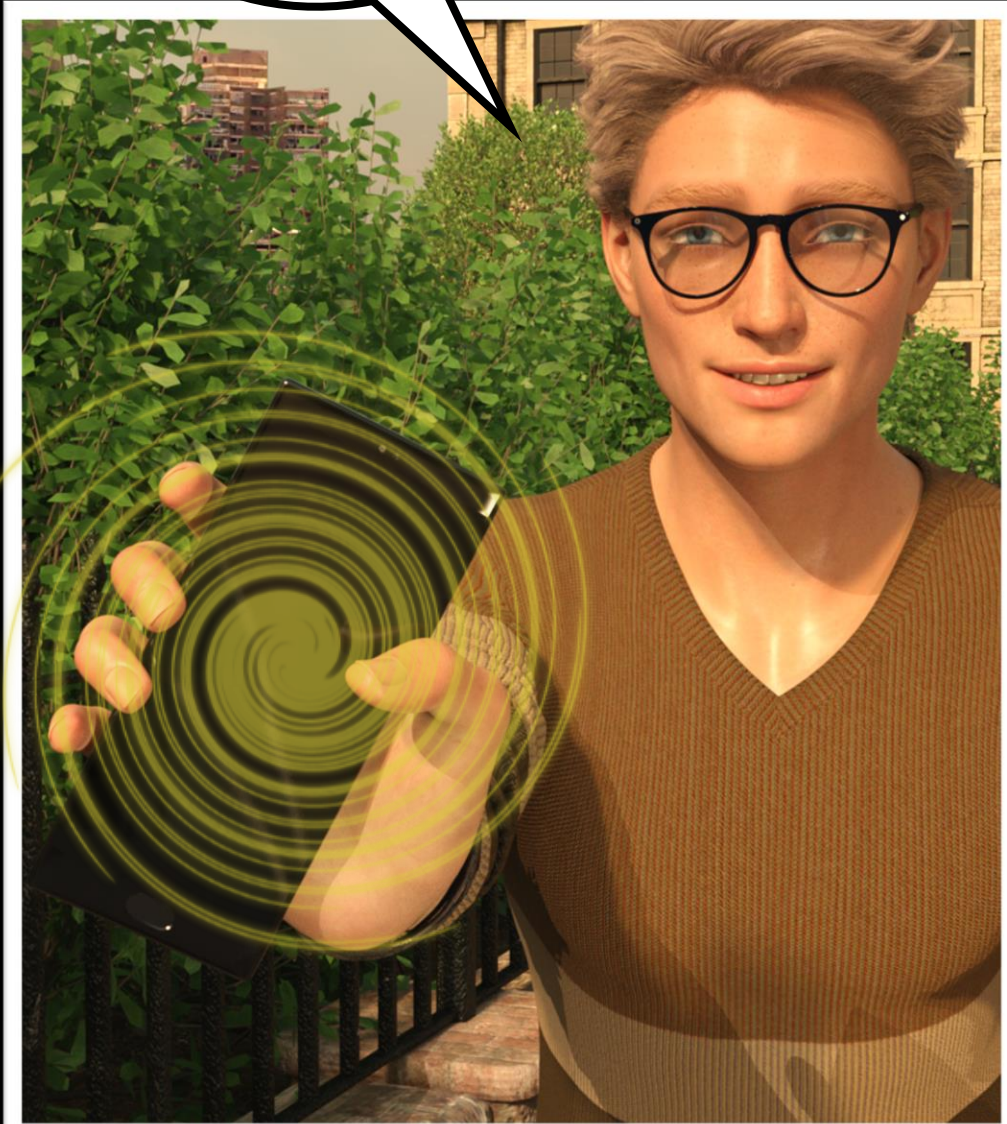

At the same time, the boy makes his way across the meadow to the nearby park entrance where he addresses the two women spotted earlier.

Could you please take a look at this?

It will only take a moment.

As the brunette girl's eyes fall upon the spiral displayed on the boy's phone the pattern engraves itself in her brain – making her utterly receptive to any suggestion thrown her way in the boy's voice.

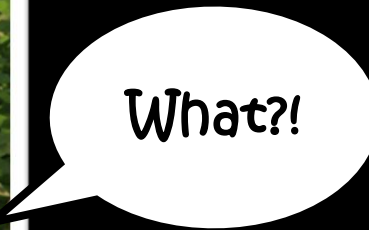

As the distortion in her facial expression subsides her eyes are blank – a mirror of her empty mind – devoid of any thought of her own.

The boy leads the girl into a shady corner of the park. The confused mother follows behind...

Most traces of intellect vanish from the woman's face as the boy activates the soul swap function.

And her own soul gets exchanged with
that of a nearby dog!

And soon she drops to the floor onto all fours - that dog mind not capable of balancing her body on two legs.

In the meantime, the woman's daughter has finished stripping and is waiting for further instructions... which our boy is all too eager to give her.

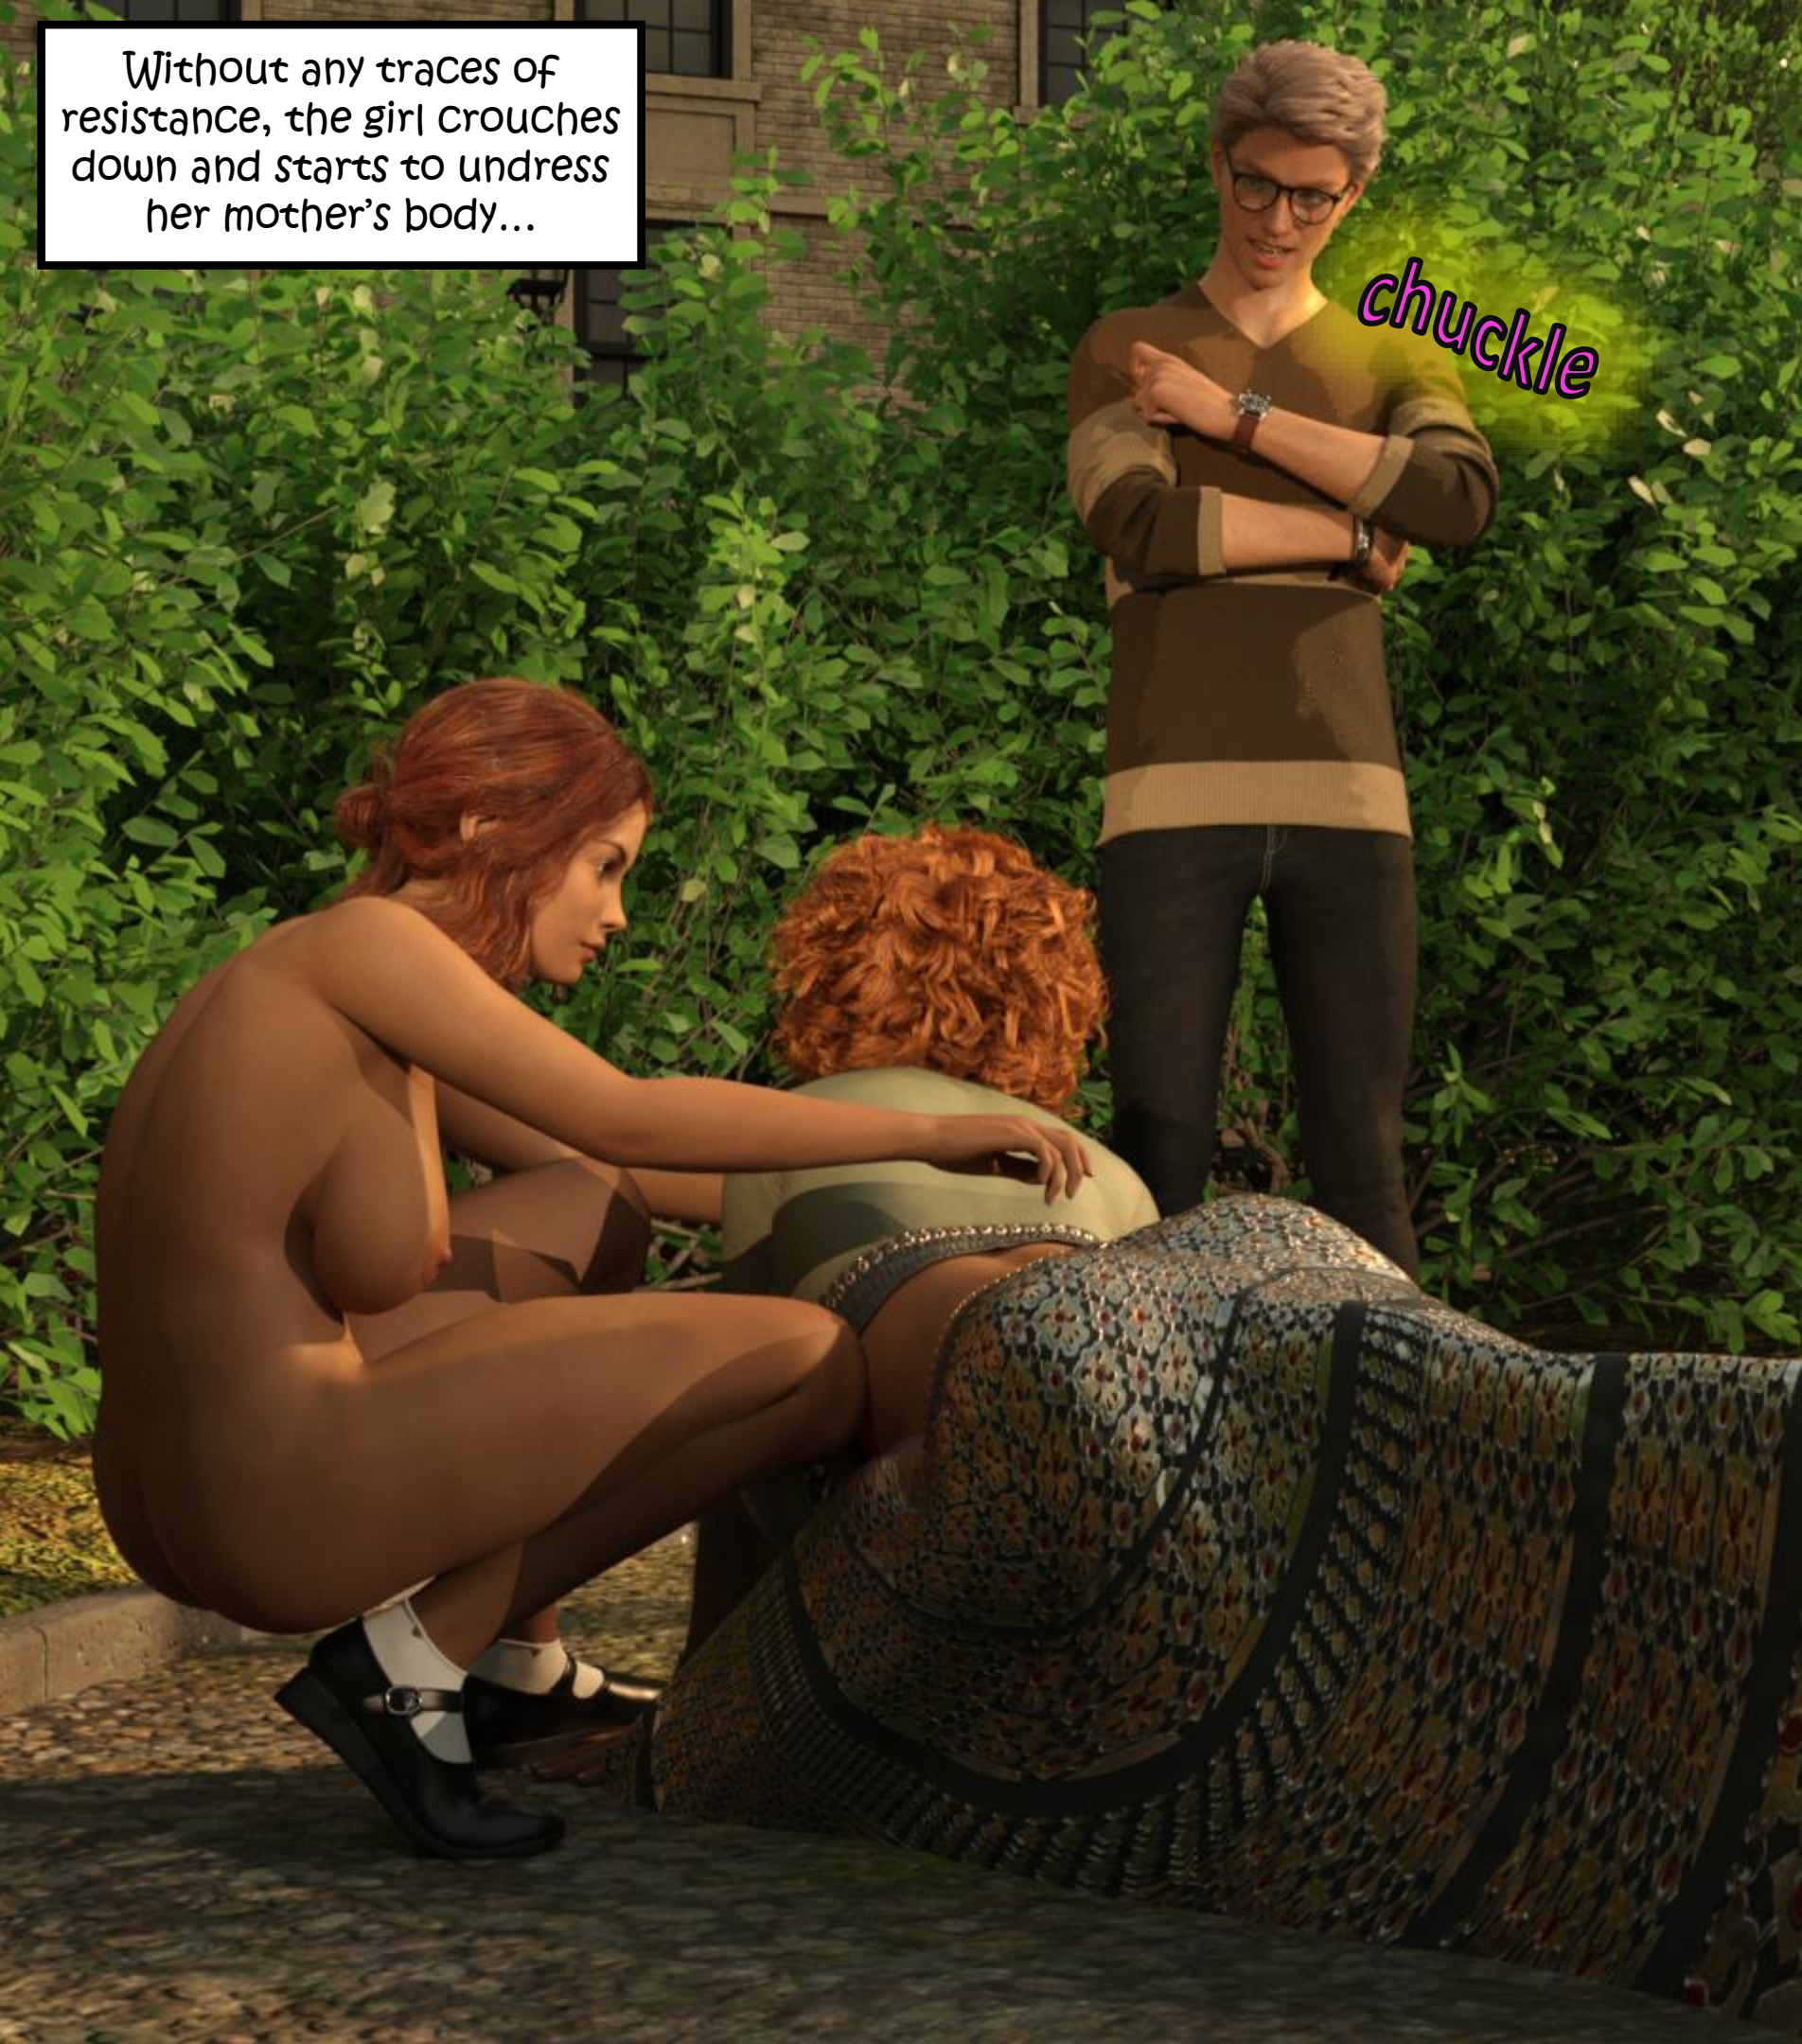

Yes...
undress
her...

Now undress
her. A dog
does not need
clothing.

Without any traces of resistance, the girl crouches down and starts to undress her mother's body...

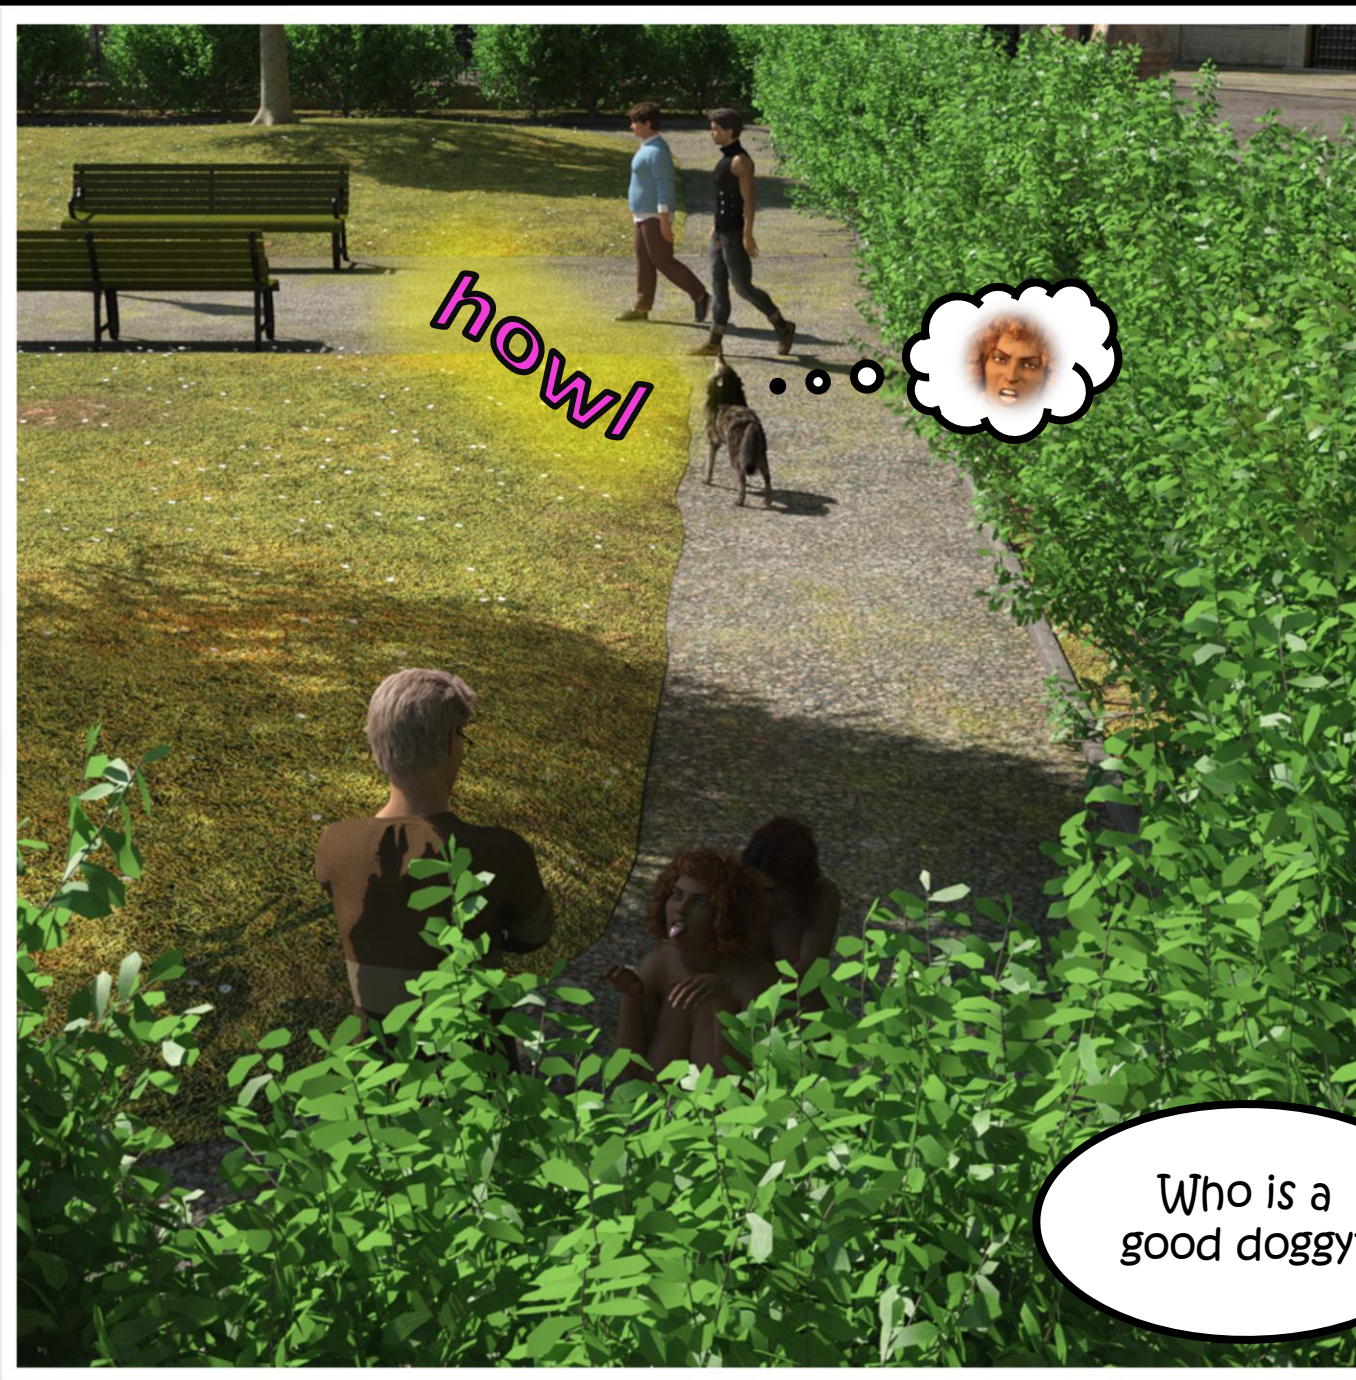

chuckle

The dog inside her mother's vessel seems to enjoy the attention, and to our boy's amusement, it starts yipping.

yipp
yipp

Who is a good doggy?

But just as our boy is ogling up those big beautiful mountains of boob mass on his newly minted dog mother two teachers walk into the park...

And by the dog vessel's howling they notice the lewd scene unfolding there in the corner of the park!

Respect to our mother in dog form for managing to use this new body's vocal cords so fast after inhabiting it!

What do you
think you are
doing there?!

Holy fuck!
Those boobs
are gigantic!

There's a
school over
there!

You can't do
this... well...
ANYWHERE!

Let loose...

And join...

It's okay gentlemen. I forgive you for the interruptions.

I was looking for some extras anyway.

Look at these two busty ladies.

You want to let loose and join!

Cool!

Boobies!

Yes, I will
look at your
phone...

You are a
depraved
slut.

You are
constantly
horny.

Your pussy is
always wet
and ready for
use.

And you only
think about
sex.

I'm a slut!

With her personality overwritten
and reduced to a living sex object
our girl addresses the teachers...

Hi, boys!
Wanna fuck?

Ha-ha-ha!
I don't know if this
is a side effect of
the swap or if you
have a little one at
home.

But I love that your
udders are squirting
milk everywhere!
Makes up for your
loose pussy!
chuckle

From afar the dog watches her
prior vessel being desecrated. Why
has this boy all that power? And
why was he doing this?! Devastated
she resigns and starts whimpering.

Meanwhile, the daughter is embracing her new slut personality and pleasures both teachers at the same time!

Everybody is having a good time... well everybody aside from our mouter's soul trapped in that dog's body...

The other teacher had given up after shooting his load into the slut's mouth, but our boy and the gym teacher are relentless in their pursuit of pleasure.

But after some more fucking those two are ready to shoot their load as well...

And they have the girls kneel before them – ready to cover them in their love juices.

Wow!
Will you look at that doggy? That guy's stamina is off the charts. Must be nice being a gym teacher!

whimper

The girls give those bones in front of them some final lapping and soon love juices are flying!

The girl managed to catch our gym teacher's load gracefully with her mouth while our dog mother... got hit right on the chest. (Though, taking their size into account, one has to admit, it's hard to miss those.

Why don't you share with our doggy?

Wuff?

GULP

Aaaaa

As our slut is basking in the afterglow of her recent fucking, three innocent 18-year-old schoolgirls walk by! Man! Our boy was almost about to call it a day!

Obviously, they notice our five nudists lingering in the park!

Realizing he has been discovered once again, and spotting new pray, our boy runs over to greet the trio...
- his big cock dangling with every step he takes.

Ewww!
Will you put
that away?!

You can't do
that here!
Pervert!

Wow!
So that's a
real dick?

Have you no
shame?!

How about
you shut up
and join my
collection?

As the phone's soul swap
function activates the girl's
facial expression distorts.

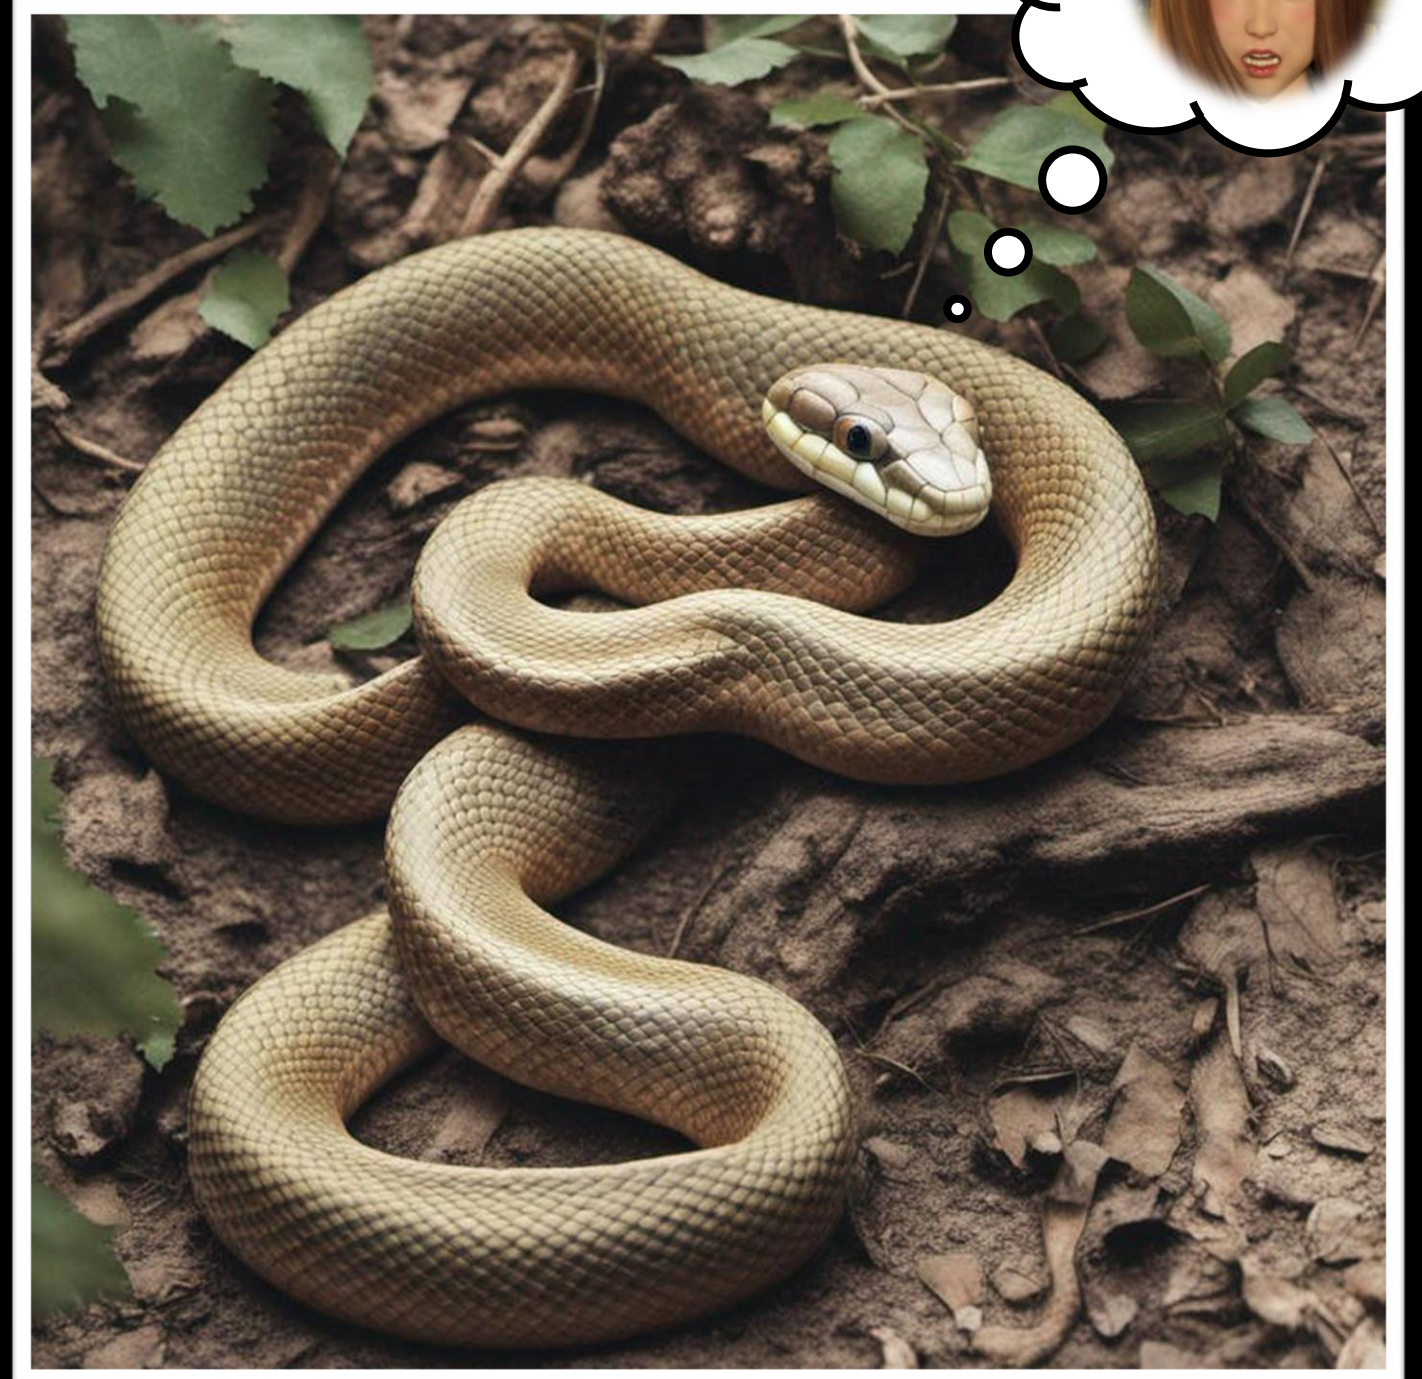

Her body loses tension,
and she drops to the floor.

Soon her body is squirming on the ground, trying to move – just like a snake would do.

What the
fuck?!

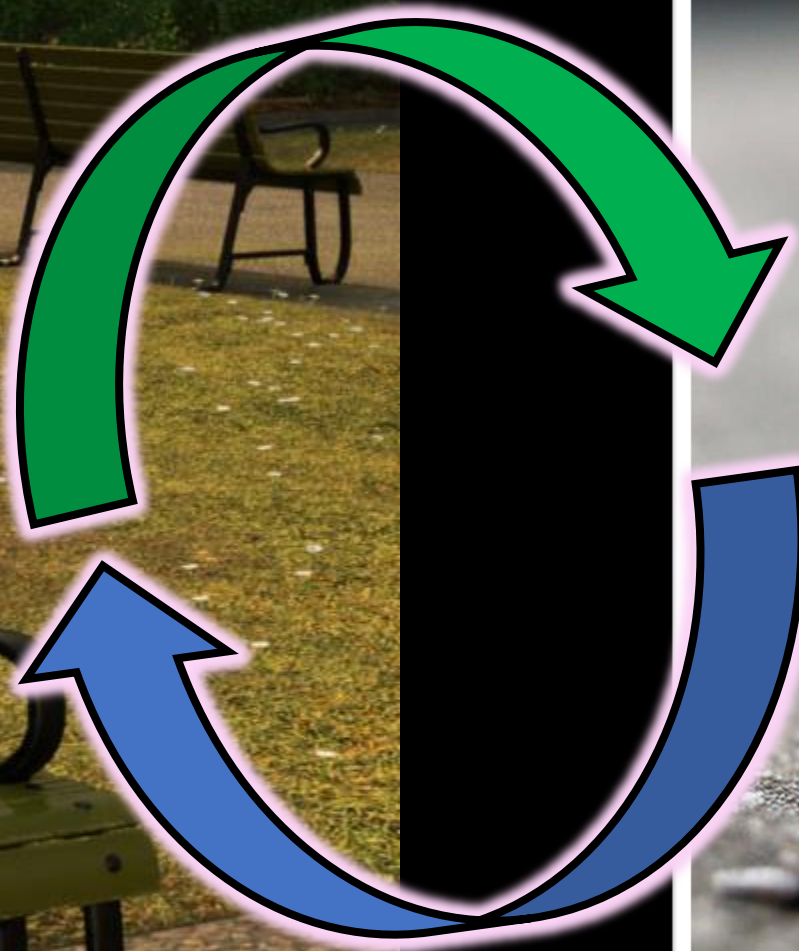

I'm gonna
Call ...

Yeah, yeah.
You got a lot of
backbone... well
not anymore.
chuckle

Again, the phone
activates, and another
pair of souls is swapped...

Not used to having a body
filled with bones the snail
trapped in the girl's body
soon drops to the ground...

And lands in a very unfashionable manner... staying in that position...

Oh, my god!
What have you
done to my
friends?!

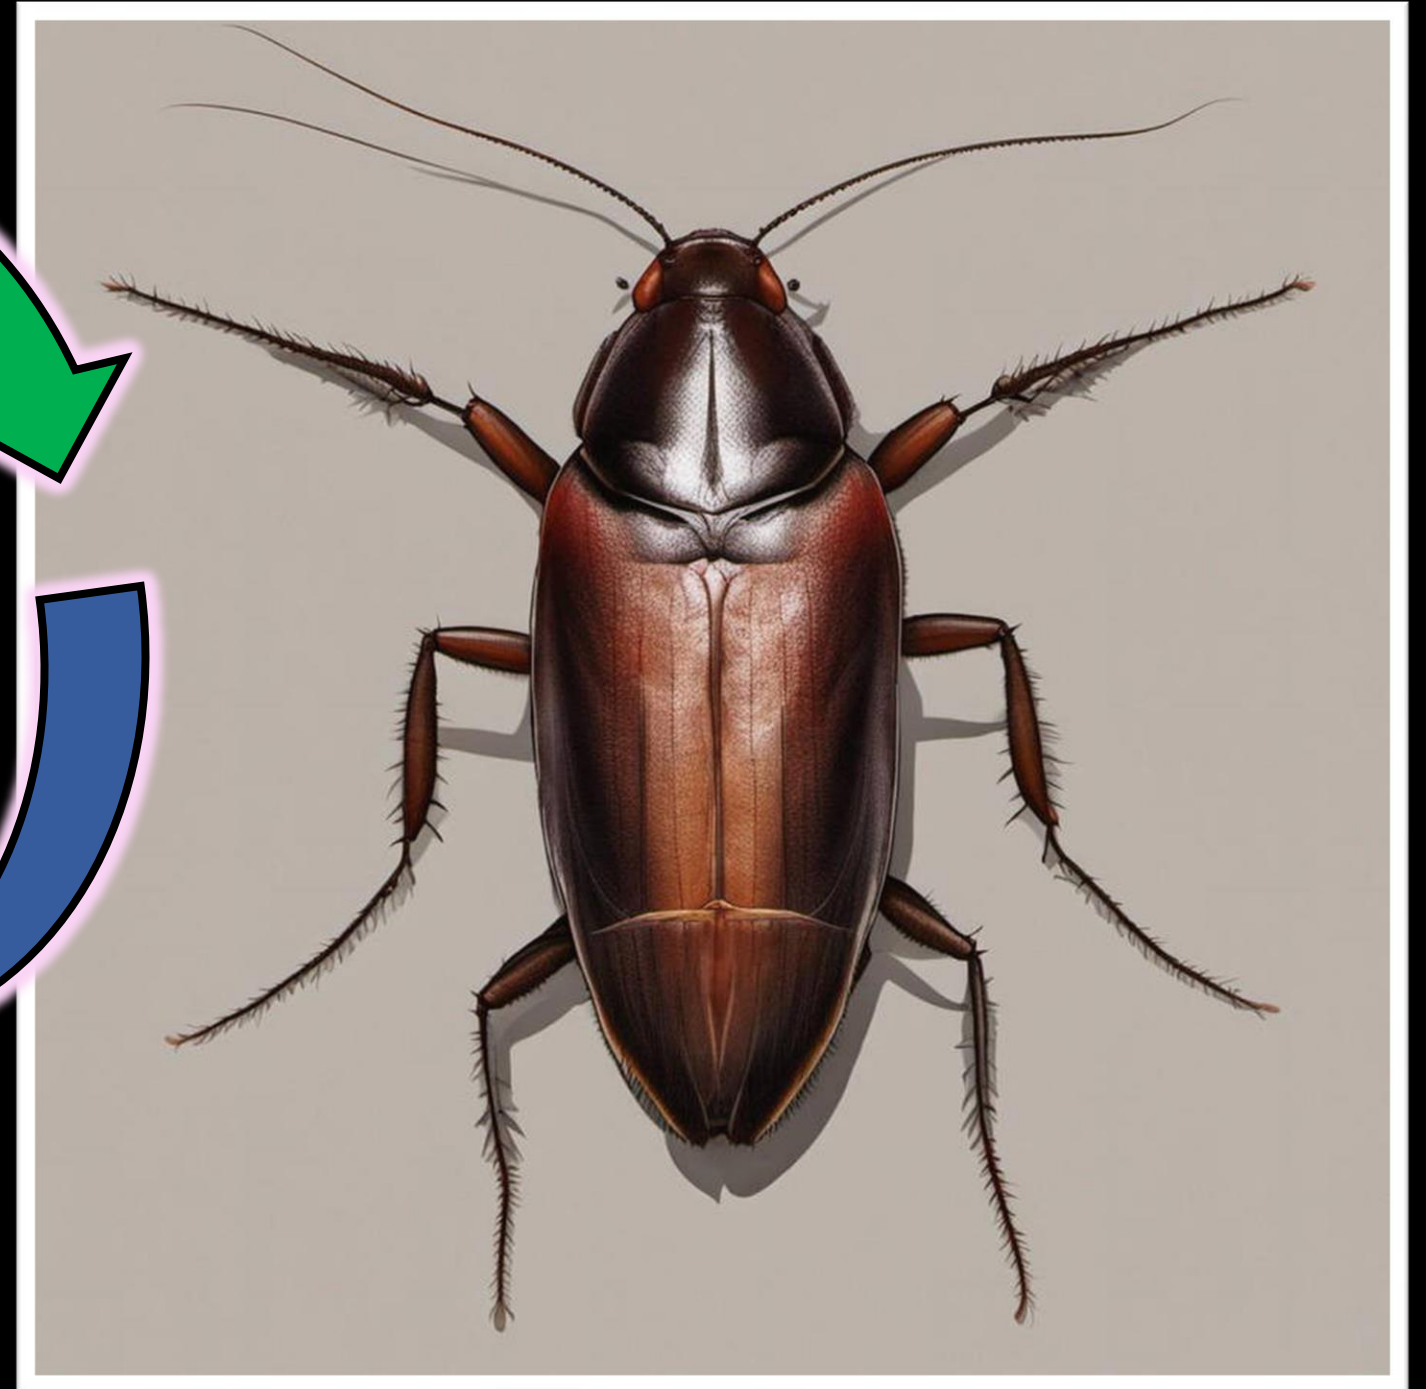

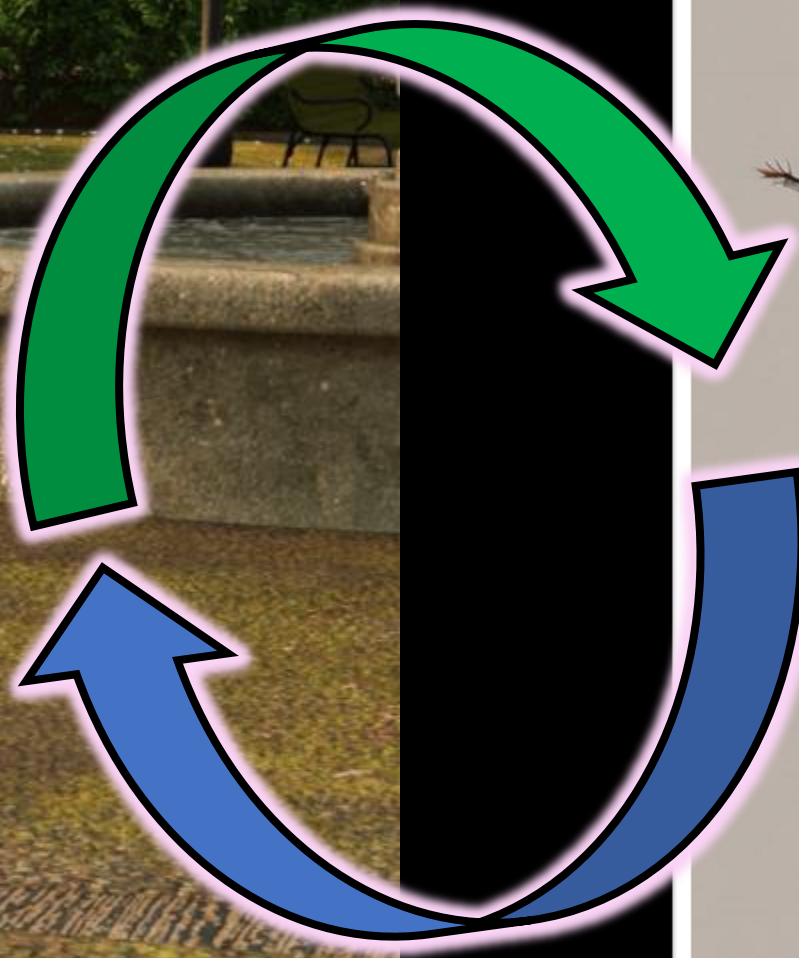

LOL! Really?!
That's your choice
of wording?
chuckle

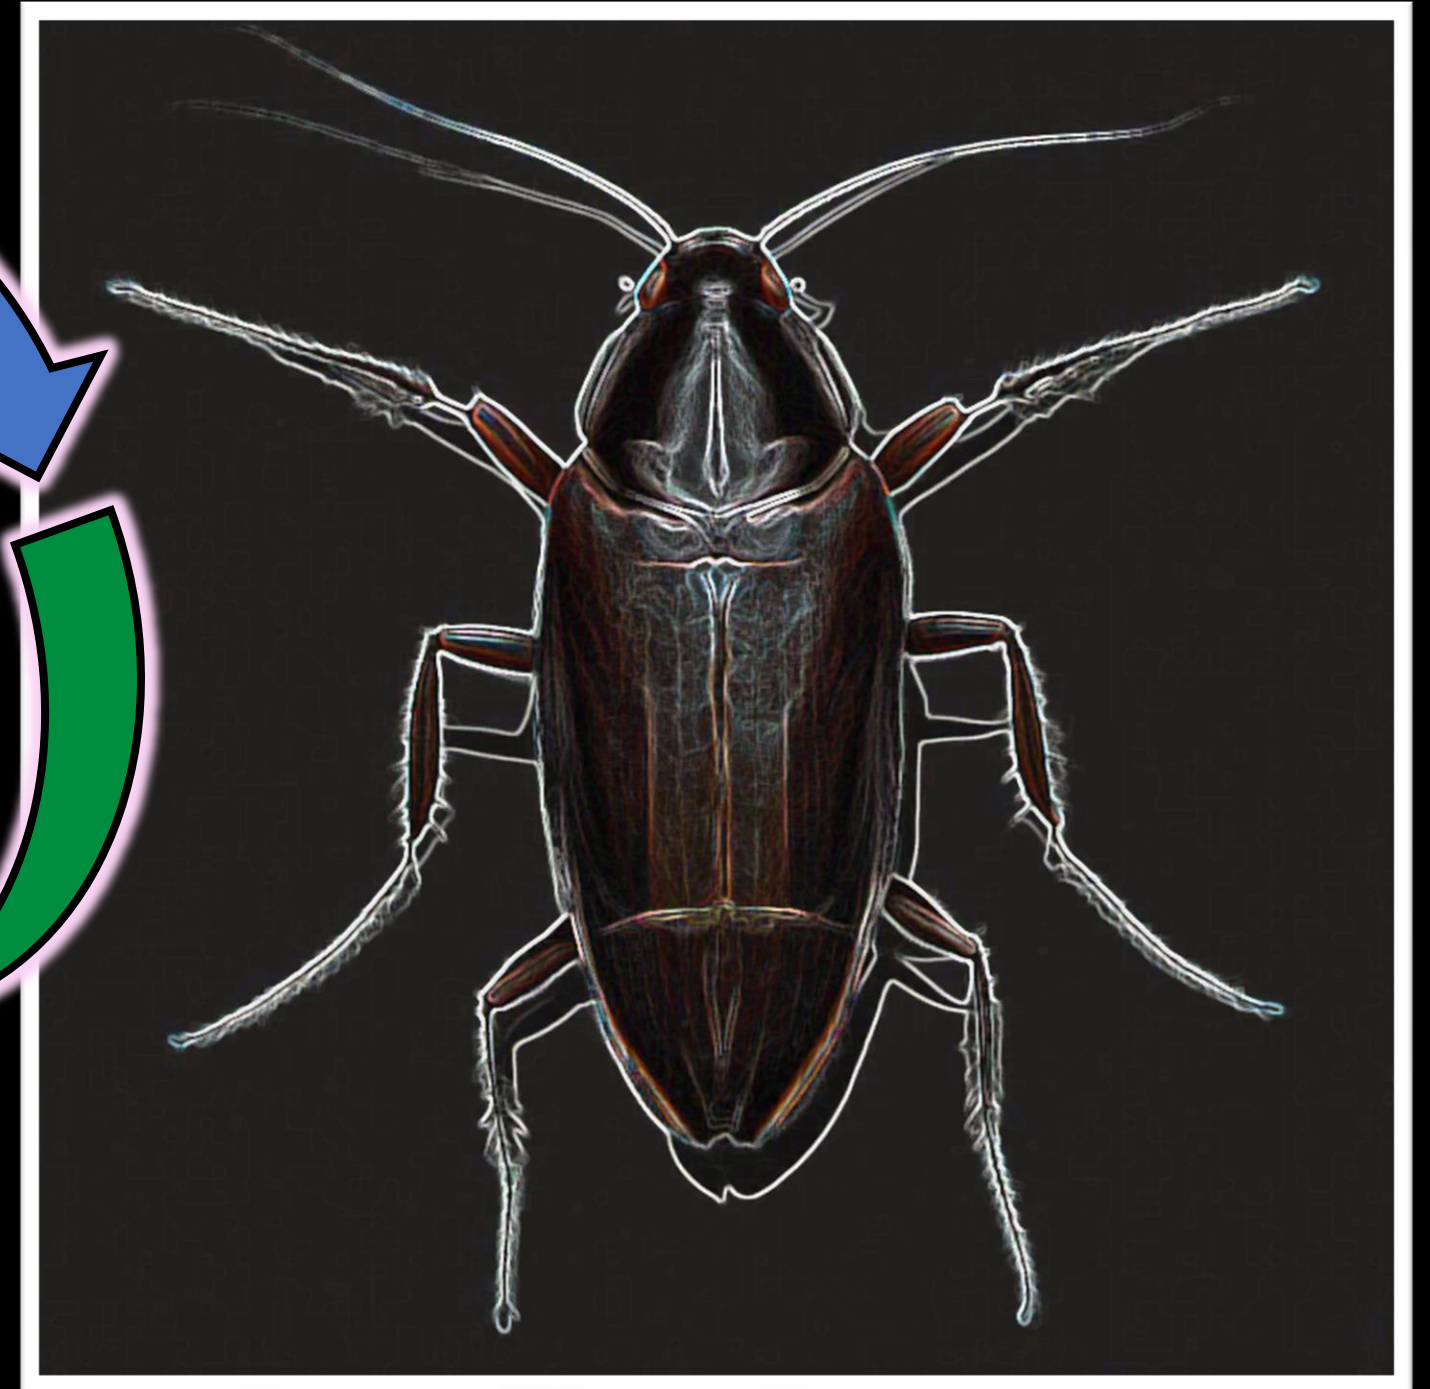

Here! Let me
show you! This is
what I have done
to your friends!

And just like her friends, a similar fate befalls the third girl of the flock, as her soul is swapped with a cockroach!

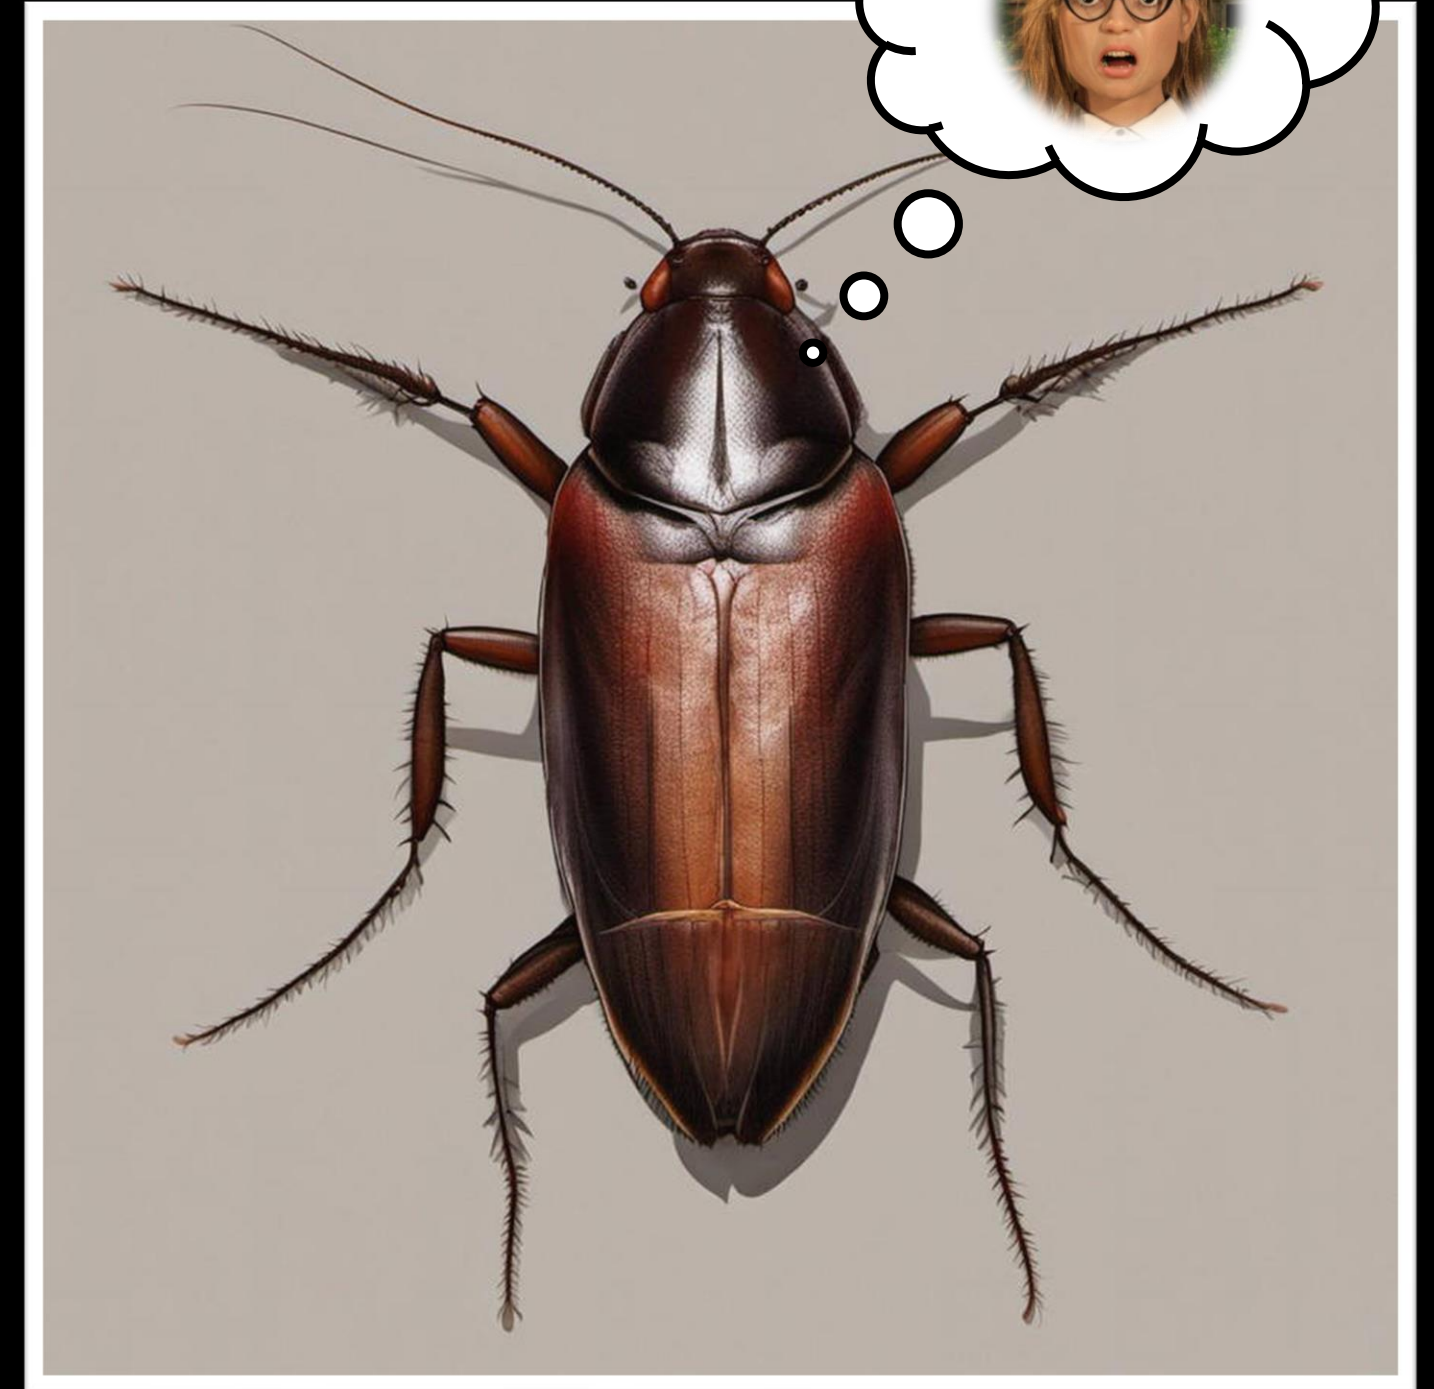

Being reduced to only four limbs our cockroach has trouble moving...

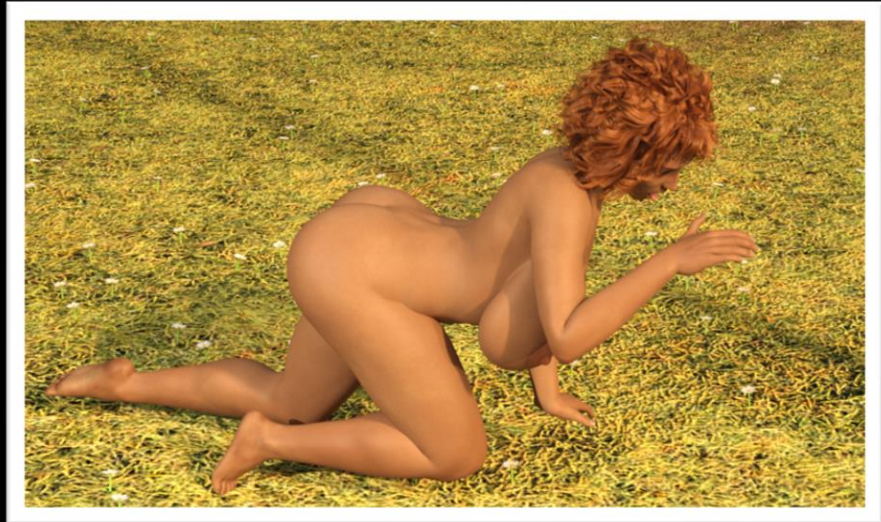

And soon lands on the ground having serious trouble moving that human body.

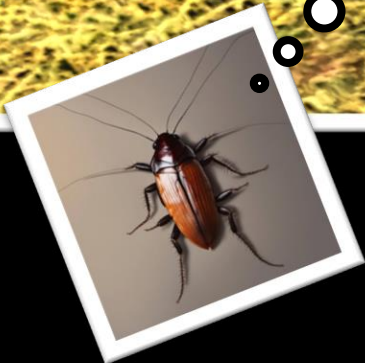

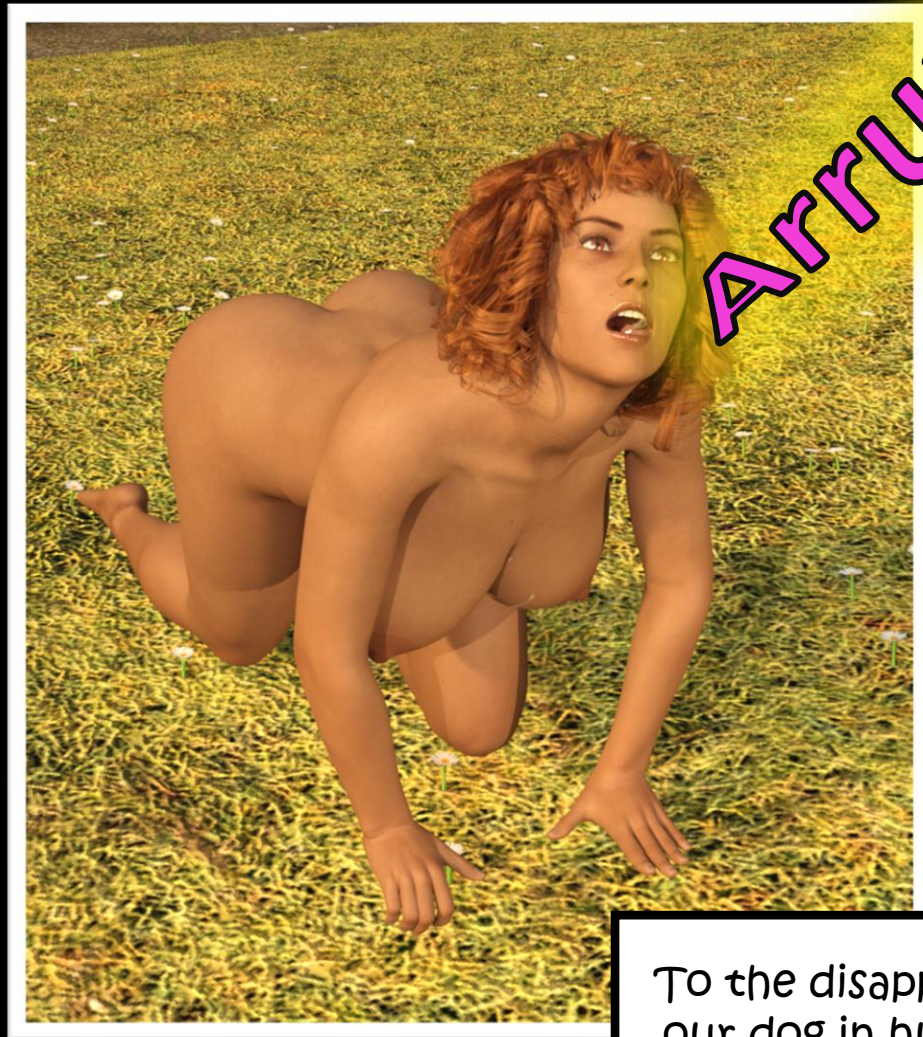

However, our boy is not the only one who has spotted that cockroach and soon dog mommy is in pursuit.

Oh, fuck!

Thankfully, the imminent danger inspires our girl to navigate that cockroach body in time and she manages to escape under a rock

Arruuu

To the disappointment of our dog in human form...

The other two animals go unnoticed. Anyway, set on "letting loose" our gym teacher is the first to really enter the stage.

Ha-ha!
Fuck yeah!
I always wanted to give you a good fucking!

Damn, girl!
Look at that
ass!

And shortly later we have
a fully grown orgy
happening in that park!

Our boy has settled for cockroach girl. Her face and body still look distorted – Clearly unable to get that human body under control...

But just look at those boobs flopping up and down as his cock penetrates her deep!

Slut girl recognizes snake girl's talent and has placed herself right before that flickering tongue.

That's it!
Right there!
Right there!

And our gym teacher is giving snail girl the
dicking he always dreamed of...

Always seeing
that big ass of
yours in those
tight sports
shorts!

Now I can
finally see it in
real action!

Oh,
yeah,
baby!

fap

It does not take long for our boy to release his load inside cockroach girl and soon he's back with dog mommy – having her clean his dick as he carefully oversees the chaos he has created in the park.

This day couldn't
have gone better.
Muhahahaha!

Closeby, slutgirl was eating his seed out of cockroach girl's pussy. His seed should still be fresh as he just finished in there...

Cockroach girl still had lots of trouble putting that human body to use, but she was starting to moan, so it seemed she was enjoying what was happening to her...

Our gym teacher has switched over to pounding snake girl.

I'm glad you get along so well with your step daddy.

And snail girl... was still in the same position she was left in... was she moving? Who knows!! Definitely not faster than in her original body.

Further away one could still see our boys first victims engaging in some family bonding...

Moan

But the interruptions don't stop.
This time two cops enter the
park! Probably drawn to by all
the commotion.

They are shocked by the depravity unfolding in front of their eyes - Unsure whom to arrest first...

Thank you for reading!

Hello, Hexxet here,

I think this comic turned out pretty evil. If you ever find a phone app or magical artifact capable of doing the above, please don't use it in such an irresponsible way as Mika does in this comic.

If you have pity with the poor animals (and girls) of this story you can read on. There is a small optional Ending resolving the issue somehow...

If you like my comics, please consider supporting me on Patreon or Gumroad by buying my work. I need your support to keep creating more Mind/Magic-Control comics! 😊

Optional Bonus Ending

Agent 69!
I hope you
understand the
severity of the
situation.

One app user
on the loose
and one woman
with an animal
soul missing.

Sounds
manageable.

Don't make
light of the
situation!

If that idiot
shares the app
with others hell
might break loose
on Earth!

Also, we are still
investigating how
our secret invention
got leaked like that!

And why it
works on a
fucking
smartphone!

Okay, okay.
Do we know
which animal
spirit is inside
that missing
woman?

No. We are still trying to match the animals with the girls. 1

But we don't talk "animal" – so we are using trial and error.

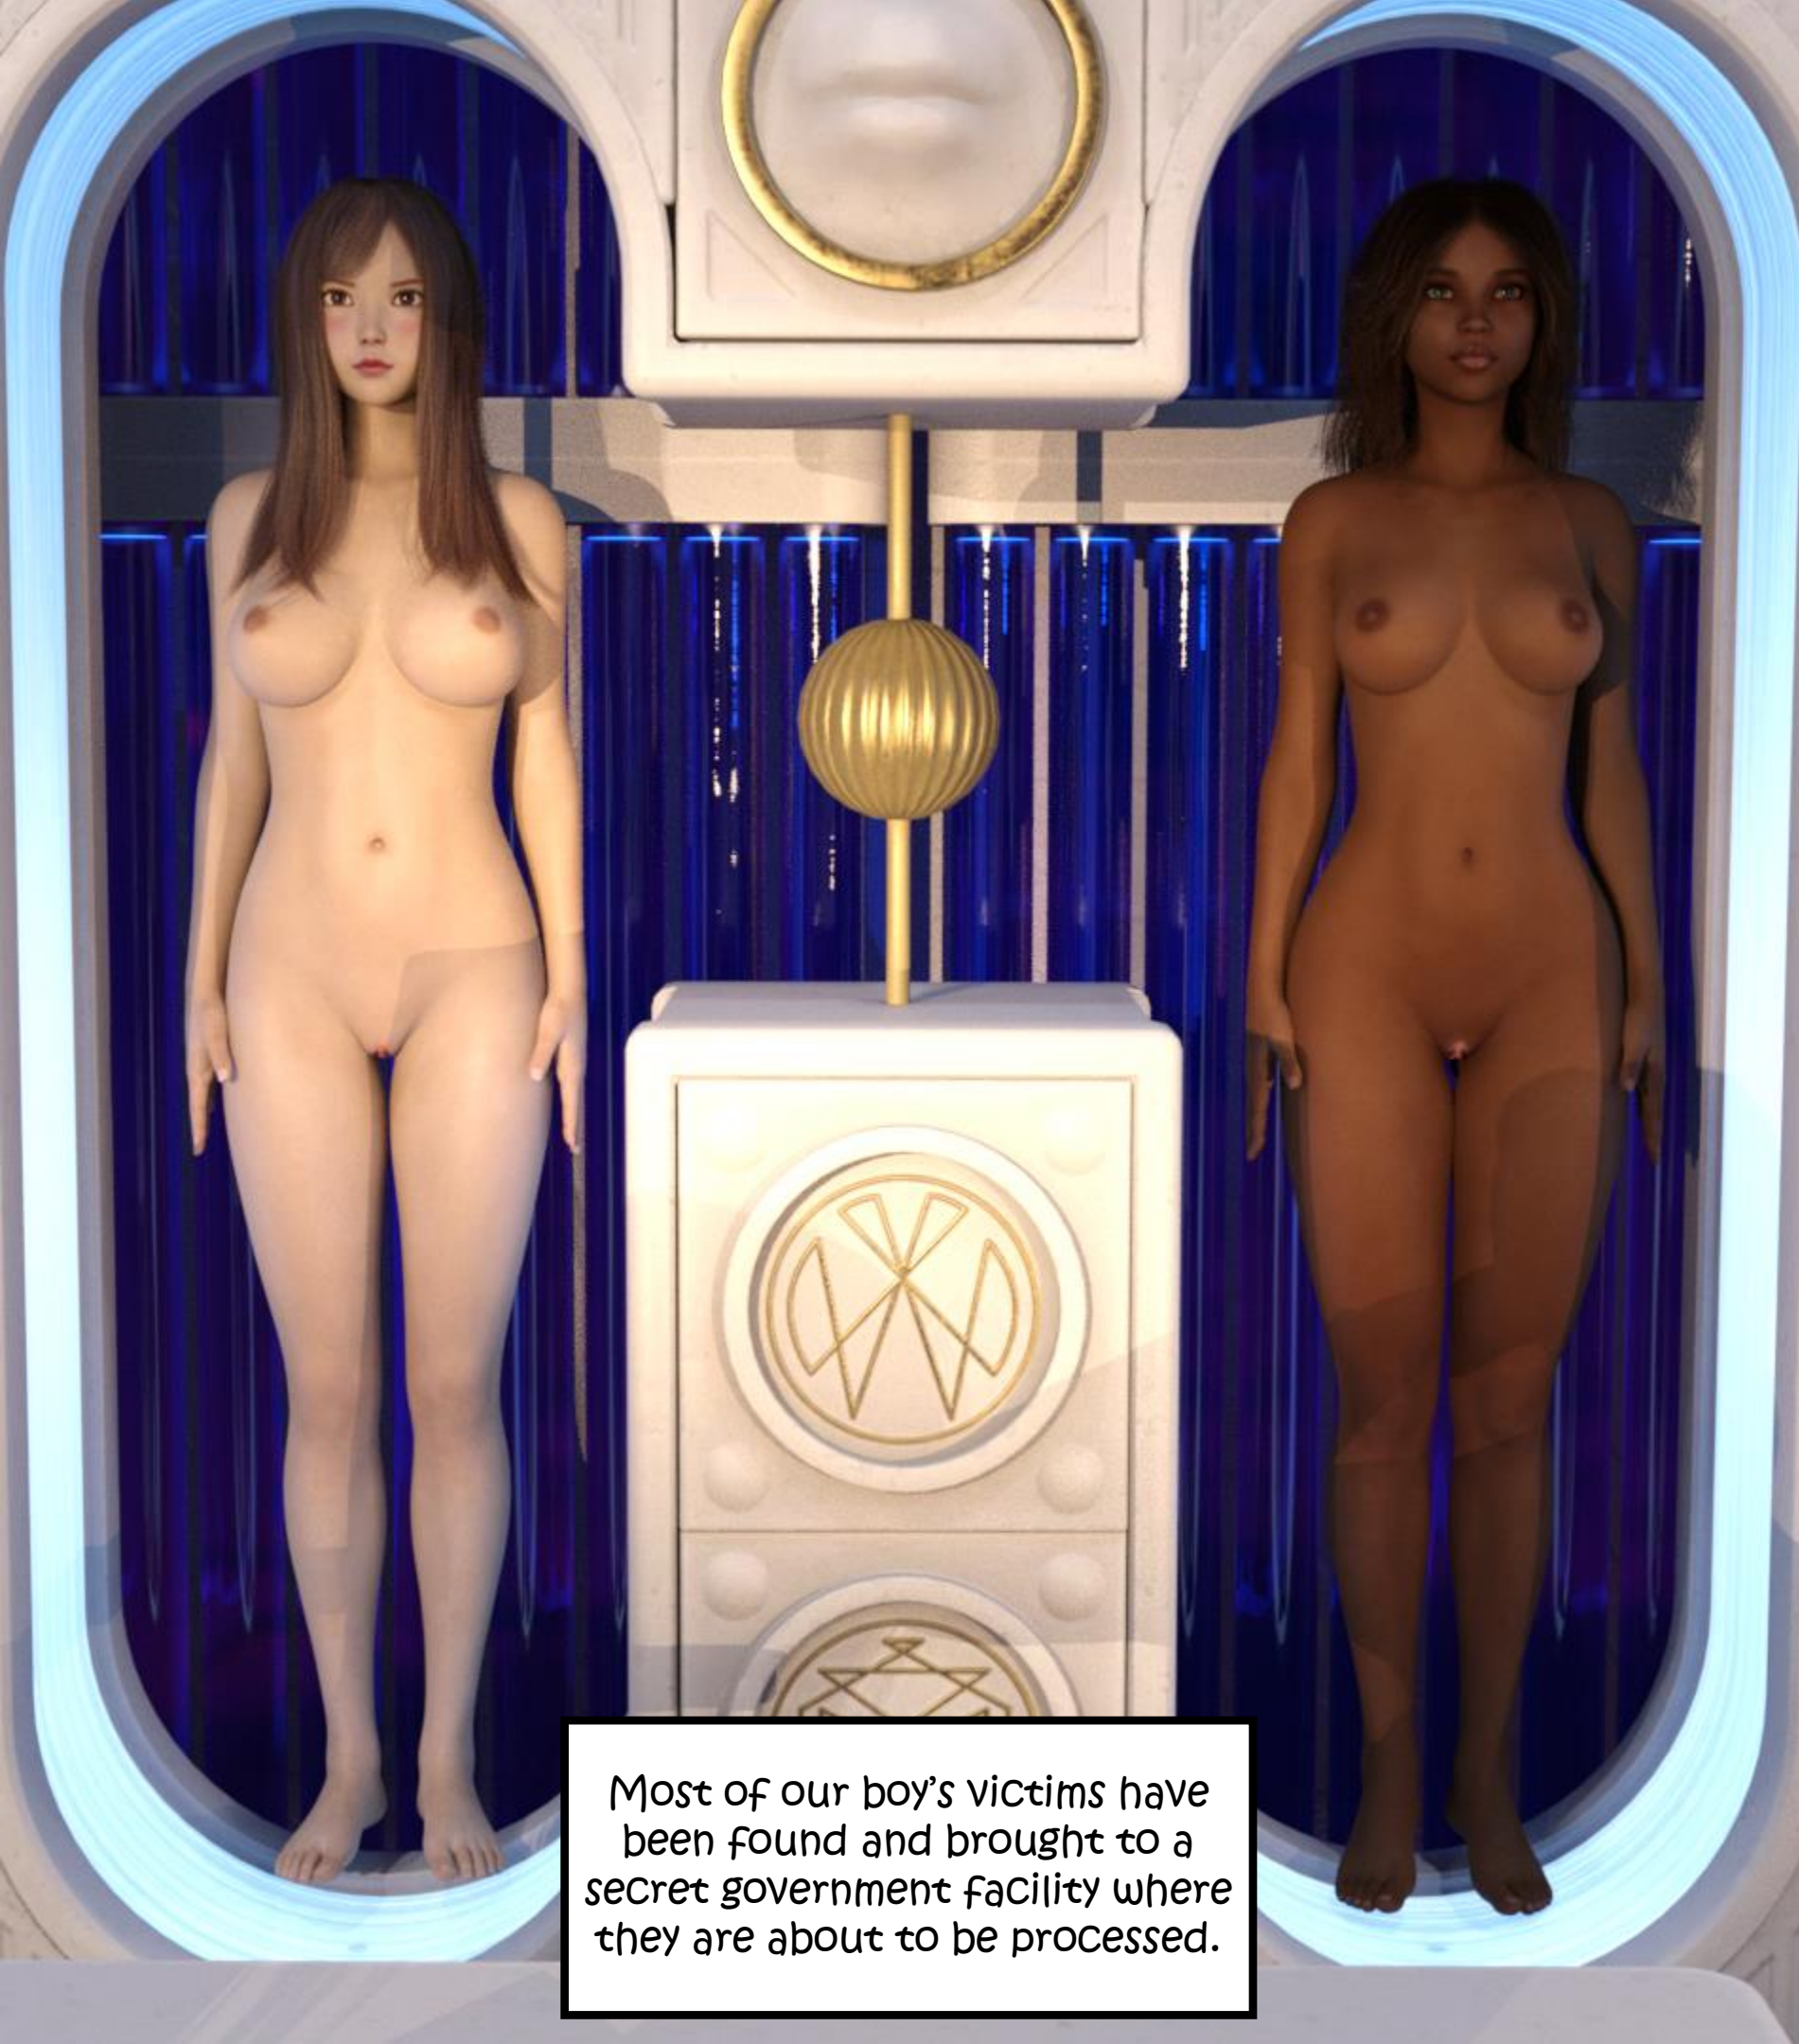

In total we've gathered one dog, a snake, a cockroach and a snail.

But only three human soul-swap victims.

So, the missing woman could contain any of those. We are counting on you, Agent 69.

I will rescue that poor animal!

Yes, ma'am! I will not disappoint you! 2

Most of our boy's victims have been found and brought to a secret government facility where they are about to be processed.

Matching the girls' bodies to the correct animal will take some tries but don't worry, it's only a question of time until those animals are safely back in their bodies!

The End.
