The Itty Bitty Titty Committee has established dominance over the school. Big boobs were eradicated on a large scale and the few surviving C and D cups were in hiding, always darting around with their eyes to spot possible Committee members so they could run away before their chest would get reduced to bug bites as well.

“It was a good life! Fairness and equality made for a happy school life” Erin, one of the Committee’s members, thought to herself as she entered the school building...

What the
fuck?

Erin was on her way to class
when suddenly her eyes fell
upon something unusual...

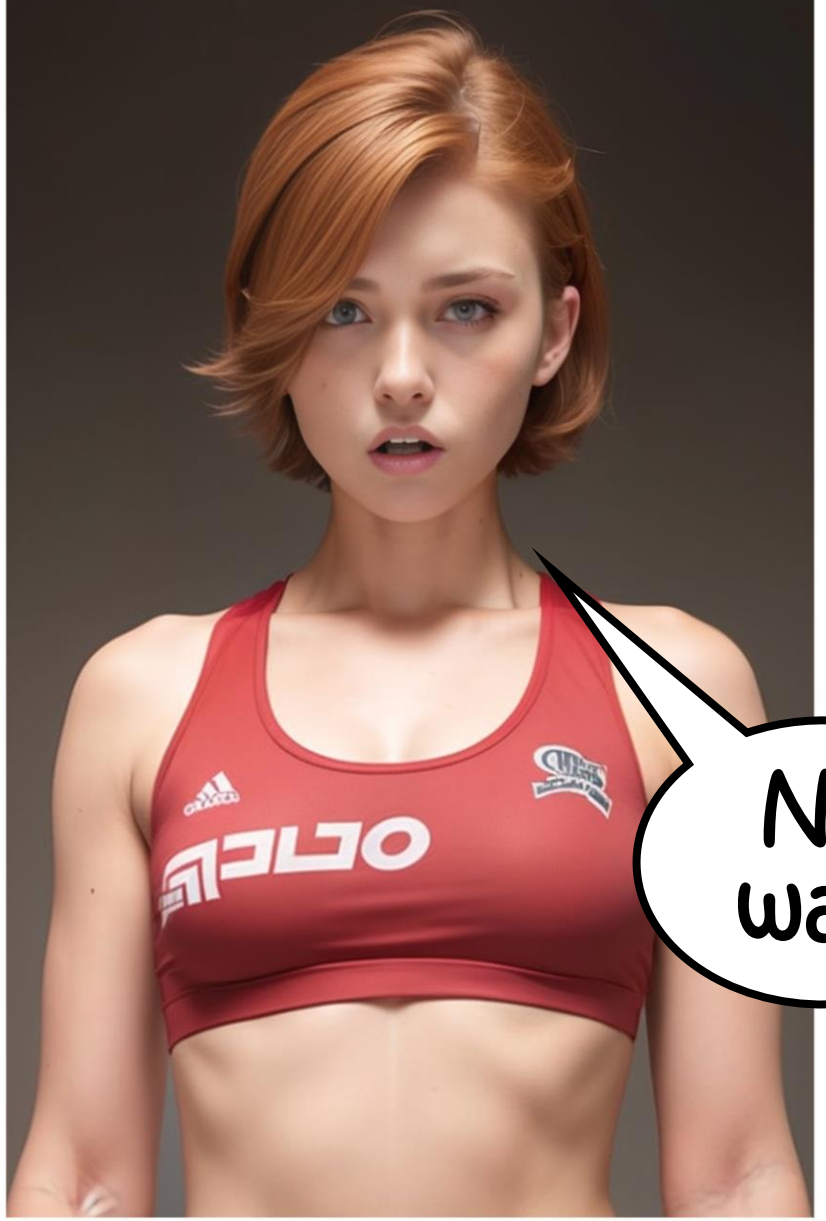

At first, she thought her
eyes were betraying her...

But there really was a girl
standing in the corner with
boobs so big... Erin had
never seen such melons...
not even on the internet!

That same day Jacky was on her way to track training when she spotted a blonde with a cleavage out of this world...

No way!

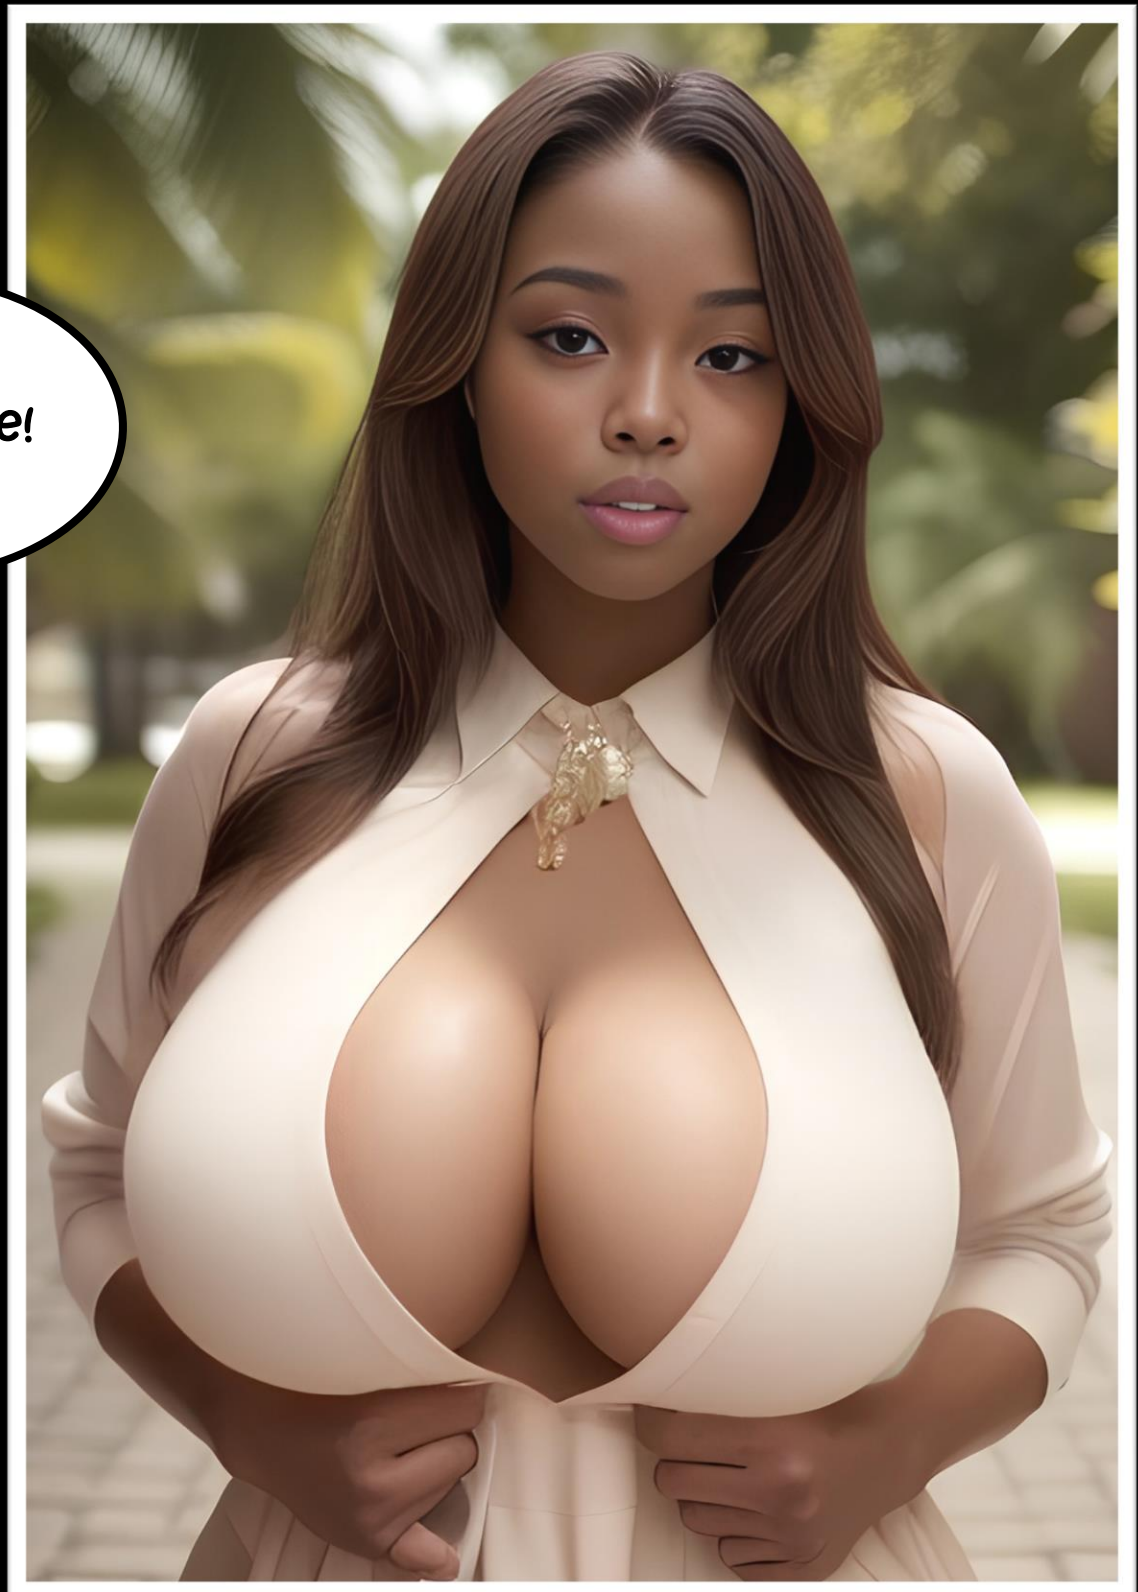

Tits like that should not exist... they even overshadowed Heather's from back in the day... TENFOLD! But Jacky couldn't deny it... There was indeed a girl with beachballs for tits right before her... and she entered her school!

A similar encounter happened to Sally, our third Committee member. A chick with an incredible bust was talking to several guys in the school's park...

Impossible!

Sally could not
believe her eyes...
but there was
nothing she could
do. She did not
have the device
with her...

Yeah, of
course, they
are real!

The only one of
the committee
who did not
happen to run
into a pair of
gigantic bazongas
was Beth – the
one currently
carrying the Boob
Vanquisher 3000.

Ah, what
a peaceful
day.

When the committee met that afternoon for their daily meeting, Beth expected business as usual. For the past two weeks nothing special had occurred in school and these meetings were over in less than 10 minutes... but today was going to be different...

Alright, girls. Daily Committee meeting is open.

I assume it's business as usual?

Giant tits!

Boobs!

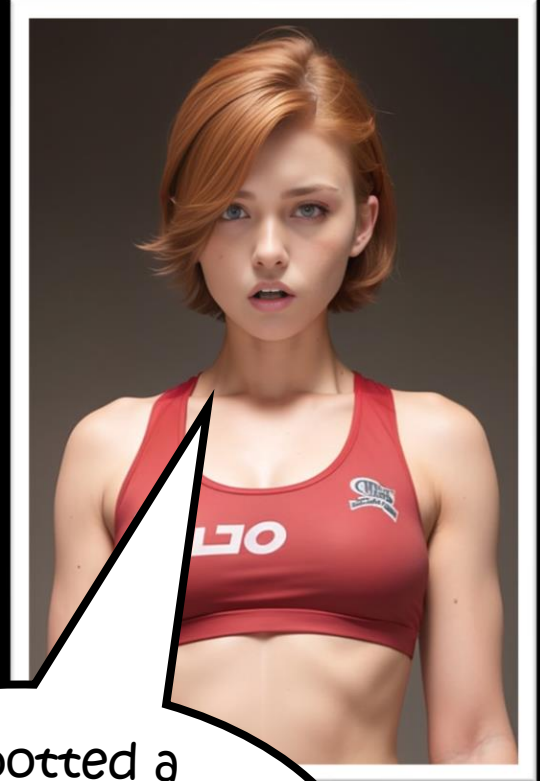

They are everywhere!

Wow...
Slow down,
girls. What are
you talking
about.

I've spotted a
blonde chick on my
way to my training.
She had boobs
bigger than
watermelons!

When I entered
school today
there was a girl
with beachballs
for tits!

And I saw a girl
with knockers like
beanbags! The boy
were all leering! It
was disgusting!

Now... the committee members were exaggerating. The super-sized tits were actually hard to find... they were not everywhere... there were only a few of them. But after some roaming the school corridors, they found one... and Beth could not believe her eyes.

No fricking way! How is that possible?!

Without second guessing Beth draws the Bob Vanquisher 3000 and Zaps the girl's boobs...

Begone
obscurity!

Oh, no! The
Committee!

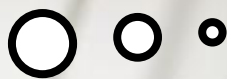

shrink

FUCK!

shrink

Well... it was
nice while it
lasted... Fucking
Committee!

One after another the Committee hunts down those obscenities at school.

Unbelievable!

Zap!!!!

The
Committee!

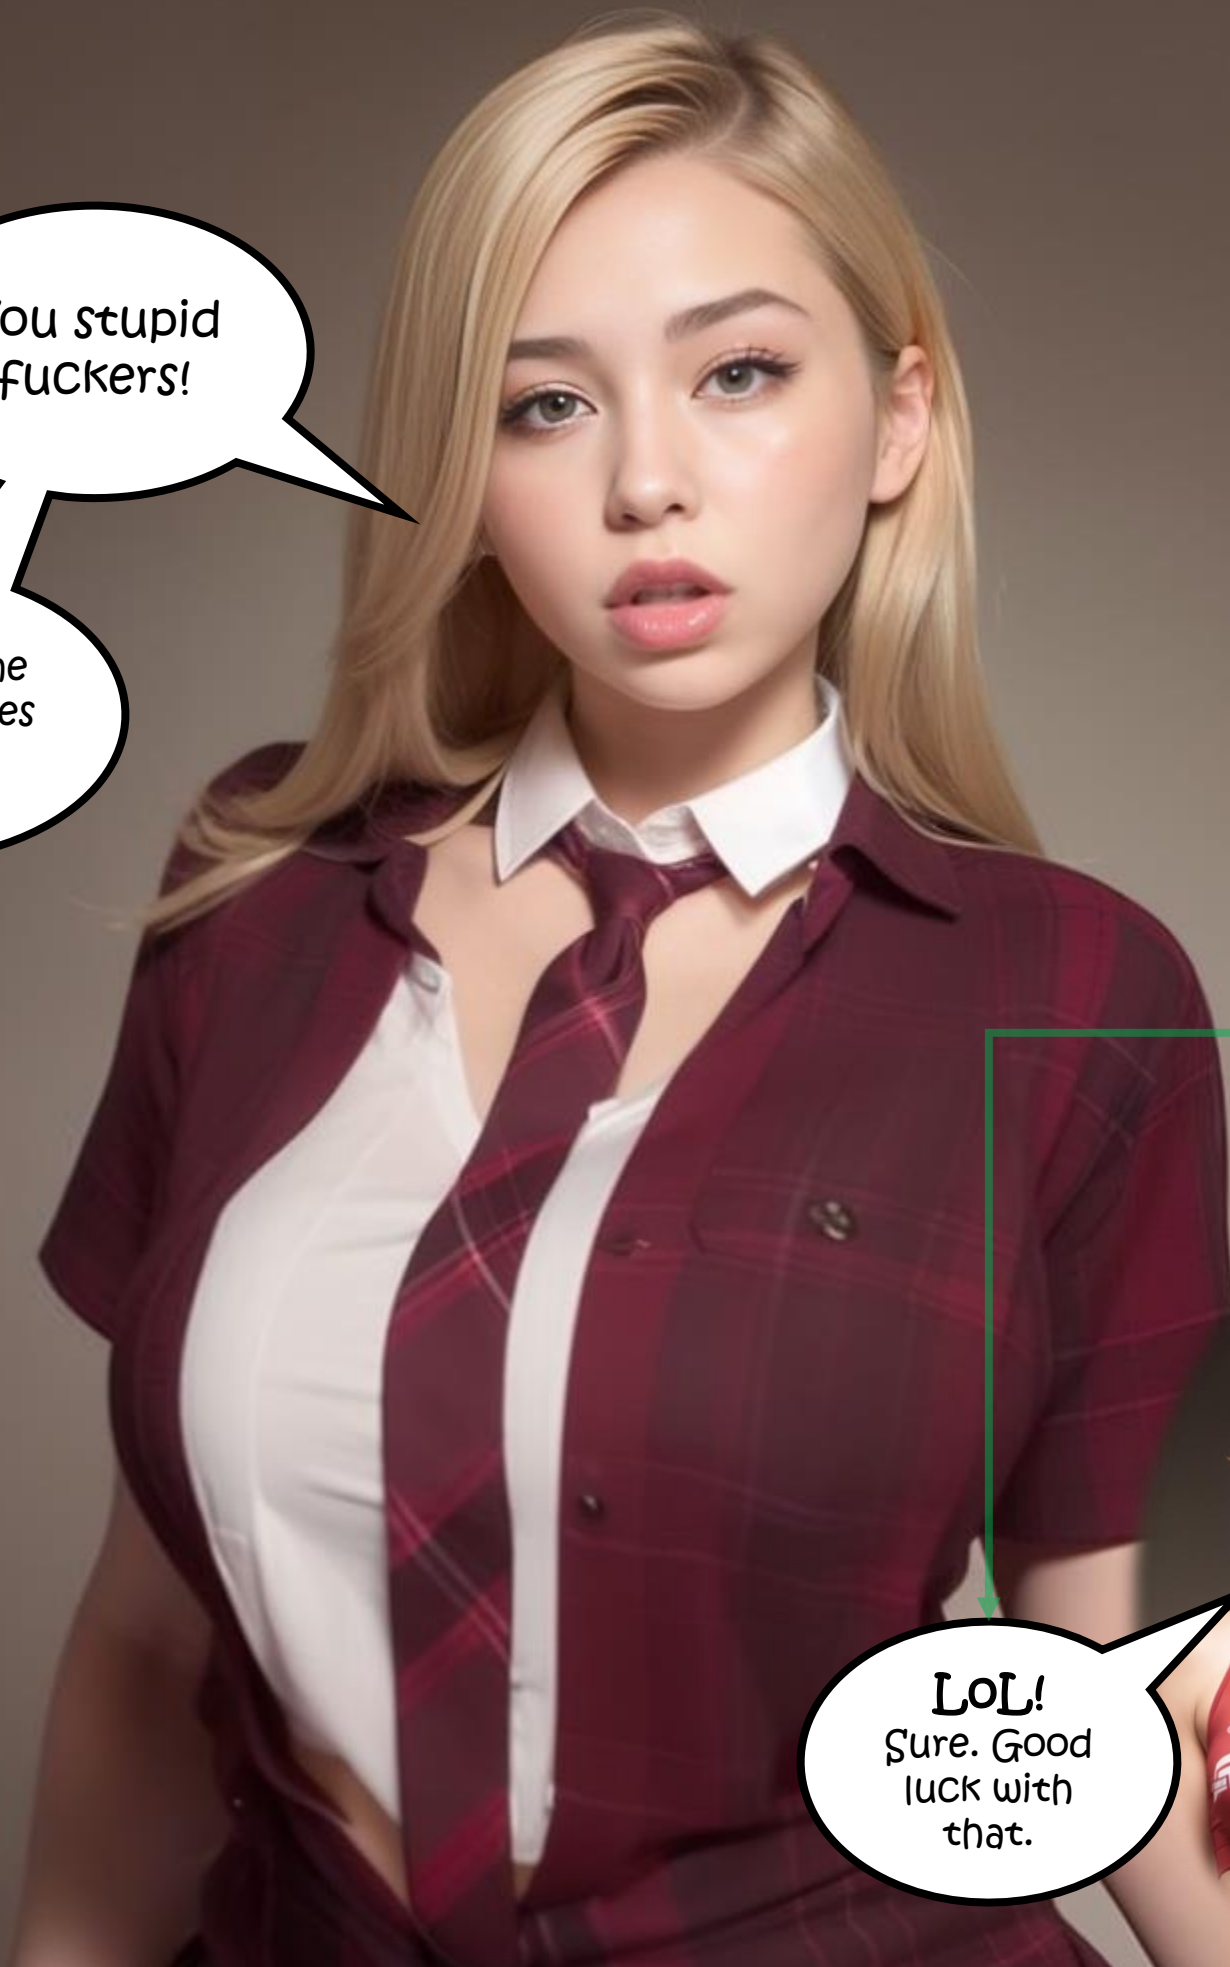

shrink

Not again!
My Boobs!

This one previously
had big boobs and
has already been
shrunk once by the
committee! What is
going on?!

shrink

You stupid
fuckers!

I'll just get me
some new ones
tomorrow!

Totally
underestimating
the situation!

LoL!
Sure. Good
luck with
that.

zelp!!!!

We will not rest
until all of these
abominations are
slain!

Please!
Can't we
talk about
this?!

shrink

Mercy!

shrink

Like a sad puppy, the
girl fiddles with her
loose shirt that
suddenly has far too
much fabric for her
tiny chest while the
Itty Bitty Titty
Committee members
walk off the scene...

sob

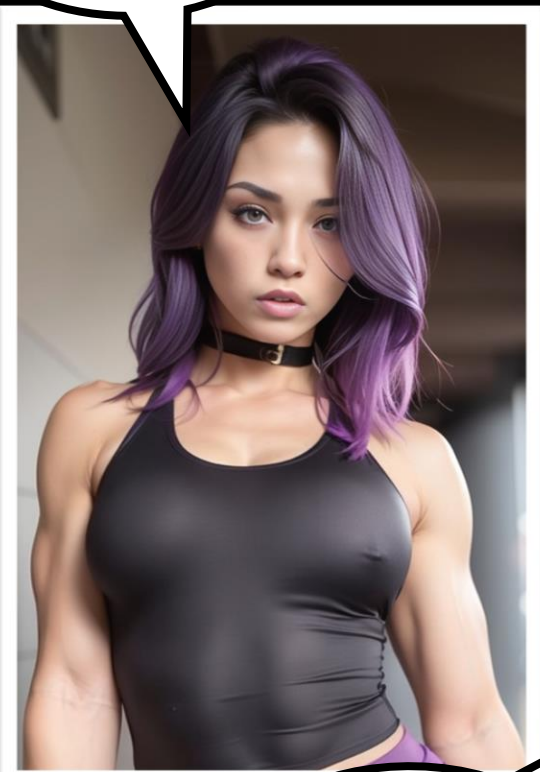

Only once the situation at school is again in order the Committee rests and calls it a day...

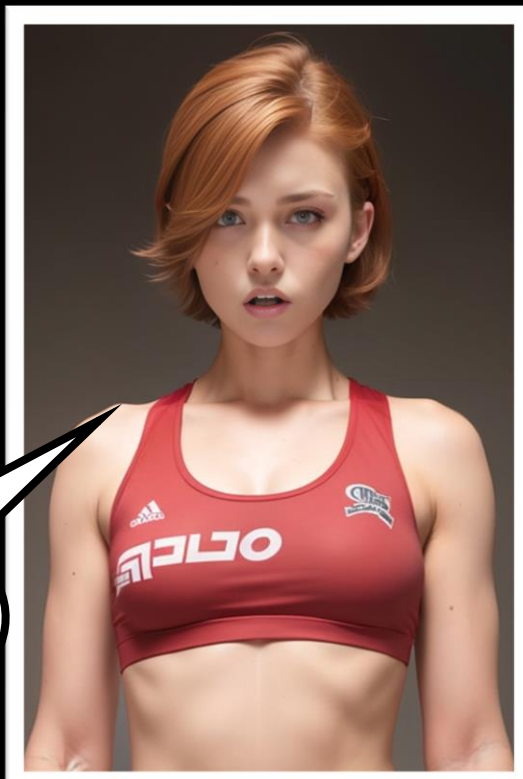

Good work gals. I think we've got them all.

Yeah... but how...

Boobs like that are not natural!

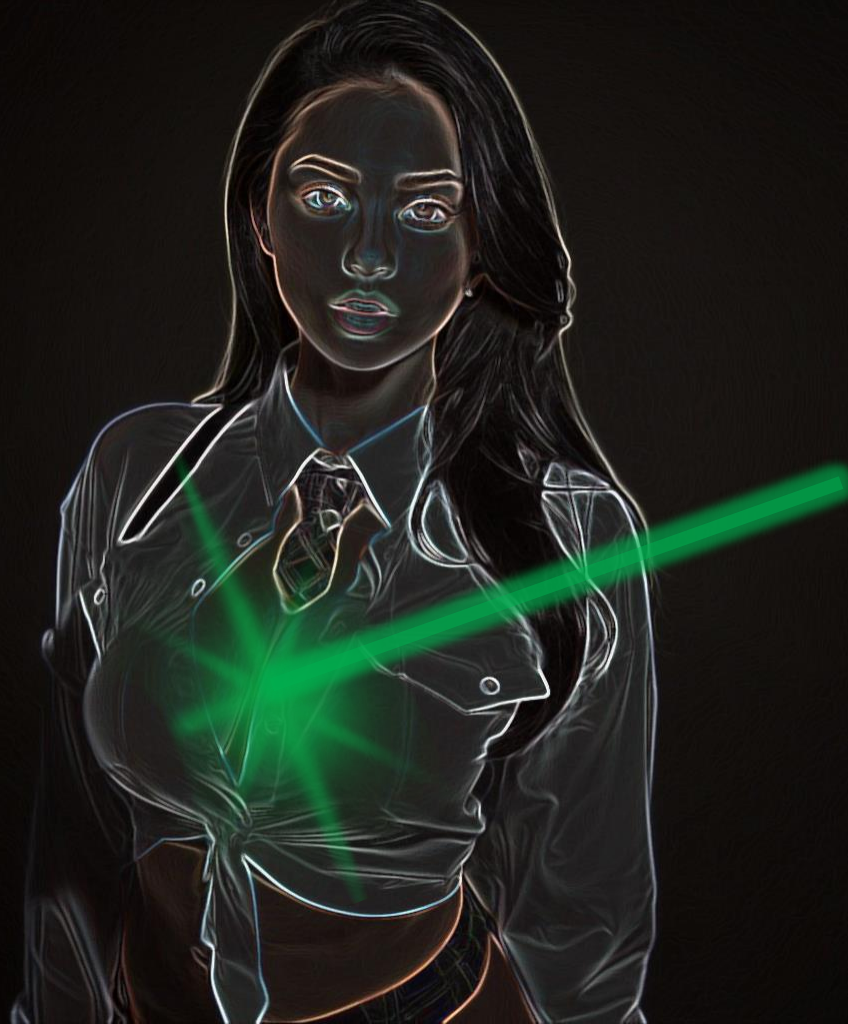

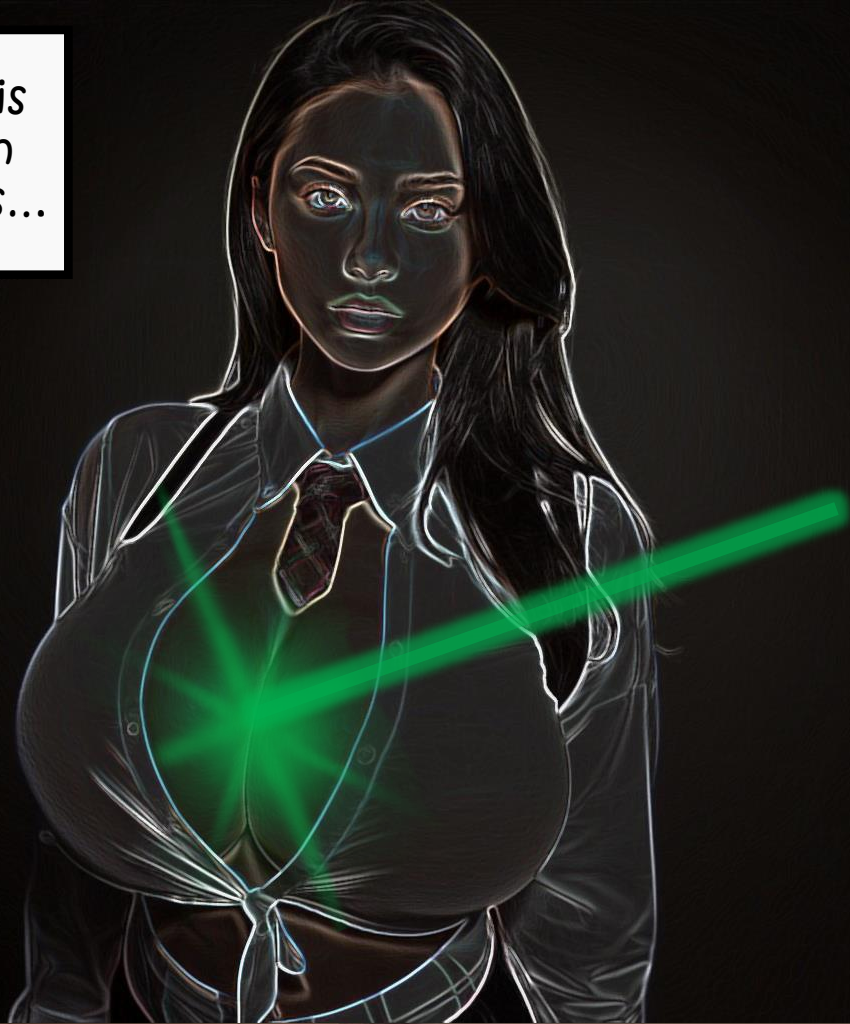

Let's think about that tomorrow. I'm totally exhausted from all that running around.

The next day at school...

The committee is
faced with even
more busty ladies...

Oh,
come on!

Day after day
another wave
of big bouncy
boobies hits
the school...

Fuck the
Committee!

And shrinking them all
back down takes a toll
on the Committee...

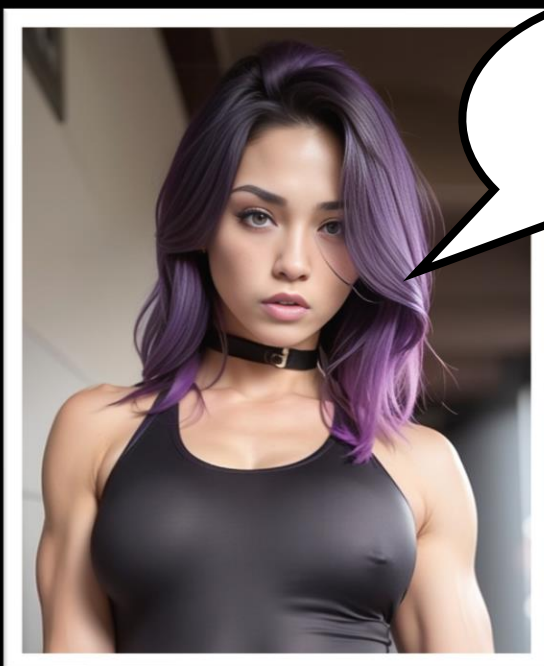

We still don't
know where
these boobs
come from...

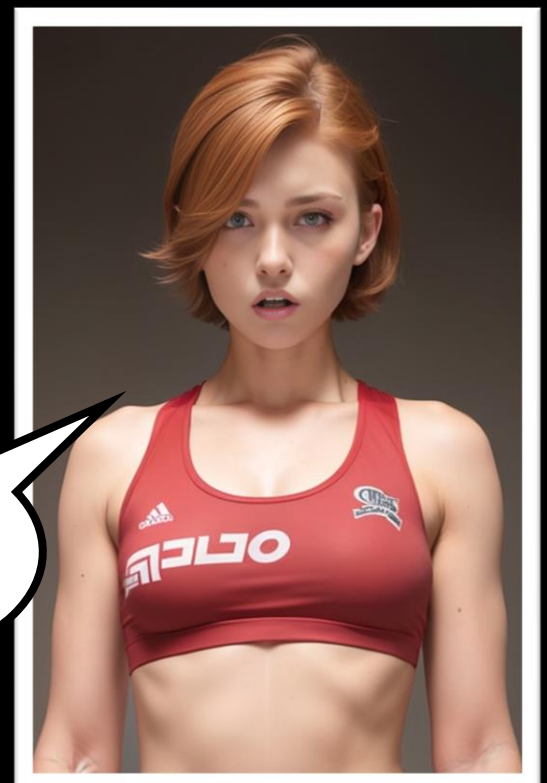

Girls,
this can't
go on.

My grades are
dropping from all
the Committee
work we have to
do.

I think it's
time for a
compromise
...

We are
listening
Erin...

And so the committee stops
their approach of shooting
first and they actually start
asking questions!

The
Committee!

Calm
down!

We have a
proposal
for you.

A woman with long, dark brown hair and a serious expression is looking directly at the camera. She is wearing a white long-sleeved button-down shirt with the top buttons unbuttoned, revealing a large cleavage. A red plaid necktie is loosely draped around her neck. The shirt is tied at the waist with a white ribbon. She is also wearing a red plaid skirt. The background is a simple indoor setting with a light-colored wall and a wooden cabinet on the right.

You want to
know where I
got these boobs
from?

In exchange,
we will leave
you with a D
cup.

But... if I tell
on them they
will never give
me...

If you do not tell on
them we'll reduce you
to total flatness and
we will visit you each
and every day to ensure
you stay that way!

Go on, Beth.
Zap her!

Oh, my god!
Please,
don't!

You better
speak up fast
before there
is nothing
left, girl!

It's the
nerds!

They
have a
machine!

It grows
your boobs!

Please! Stop!
I don't know
how it works!

Keep
talking!

gulp

Okay. Beth,
stop!

We got the
info we
came for.

Don't
make me
regret it,
girl!

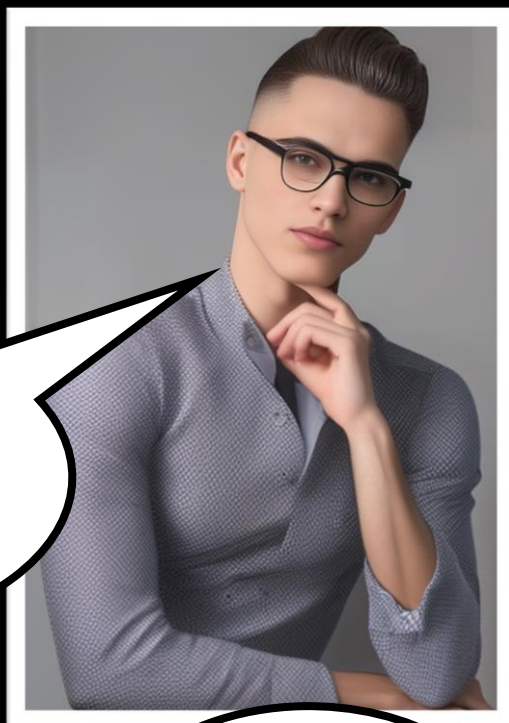

Fine...
We'll leave
you like
this.

Meanwhile, at the Nerd
society headquarter...
(Billy's cellar)

We are still
far off from
re-establishing
the Boob
Equilibrium...

But mission
"Breast regrowth"
is shaping out
nicely.

Soon they
won't be able
to keep up any
longer.

And the big
boobed population
at school will grow
once again!

The Committee is
chasing boobs left
and right while our
machine's breast
output grows by
the day!

Please! Don't call
it a "Machine". It
has a name! It's
the Boobhatcher
Mark Two!

Okay, okay...
So, how fast do you
think we can ramp
up production up to
like... twenty boobs
a day?

Twenty
Boobs, or
pairs of
boobs?

Boobs always
come in pairs.
He means
pairs!

I think we can
achieve 9...
maybe 10 pairs
in a week from
now.

But more
than that...
the network
can't take
that load!

**20 Pairs?! A
day?!** Are you guys
nuts?! Creating mass
out of nothing eats up
enormous amounts of
energy!

And while our friendly nerds try to save the Boob Equilibrium, the Committee swears bitter revenge!

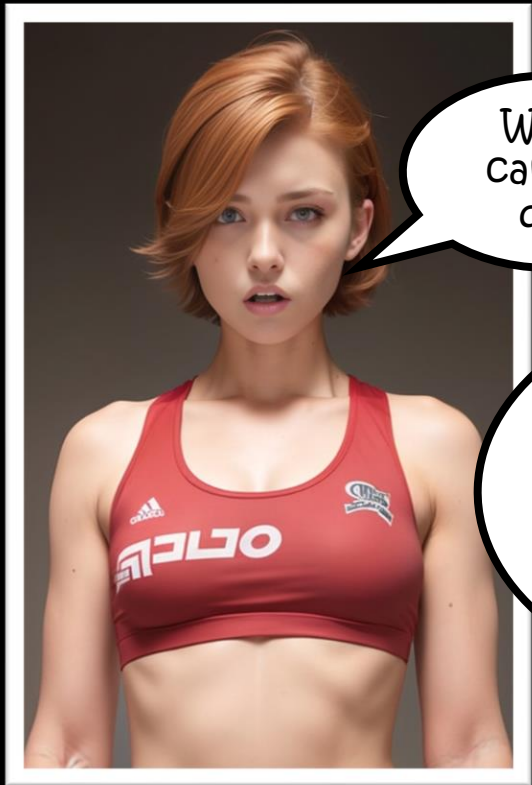

We should have known!

The nerd society!

I Can't believe they managed to create mass...

What can we do?

I'm "mass producing" the Boob Vanquisher 3000 now. By the end of the week each Committee member will have their own gun!

If we split up this will quadruple our Boob shrinking rate!

Hello, Hexxet here,

The Itty Bitty Titty Committee now knows whom they are up against. Will mass production (4 pieces) of the Boob Vanquisher 3000 be enough to stop the Nerd Societies Boob regrowth plans? Or does Beth still have an ace up her sleeve? We'll see in the next chapter when the "Committee strikes back!"
