# Rewire versus the Firestarters II

Last time on „Rewire vs the Firestarters“ the Firestarters prevented Rewire’s latest coup but he managed to escape and infiltrate a home where he took control of the three women living there. By sheer luck, it turns out that, Charlotte – the homeowner, is the stepsister of Flame – the leader of the Firestarters! With her identity revealed Rewire realizes he has taken control of her back in the days! So, it should be easy for him to retake her! Finally, Rewire has Tiffany prepare a trap for Ember and it works like a charm!

Now the rest of the Firestarters are searching for their missing member... Let’s see how that turns out...

## Featuring

Rewire...	A minor supervillain with MC powers
Erika...	as Flame, the leader of the Firestarters
Velia...	as Ember, Erika’s daughter
Lucy...	as Spark, Erika’s daughter
Charlotte...	as Erika’s stepsister
Ally...	as Charlotte’s stepdaughter
Tiffany...	Ally’s stepsister, Charlotte’s stepdaughter

Velia, aka Ember, has not returned home that day, so Flame and Spark are searching for their third member by patrolling the town.

Mom!  
Look! That flare!

Let's go!

We need to help her.

Please be safe, Ember!

The flare leads Flame and Spark to an abandoned factory where they see Ember standing next to Rewire!

O.M.G.!!  
Flame! Look  
at her eyes!

He's  
controlling  
Ember!

What have you  
done to her,  
you fiend!?

Yes,  
Daddy!

Go get  
her! Hold  
her down!

Yes,  
master!

Mom, I'm gonna  
distract, sis.  
You burn that  
motherfucker  
to a crisp.

Motherfucker... What a  
fitting choice of words...

restrain

What the...  
Mom?

What are  
you doing?!

When did you take control of Flame, mother-fucker!?

About nine months before you were born, my little spark.

Yes, Master!

Now let's reunite the family. Gals, move her lower so I can reach her forehead.

Get your  
dirty fingers  
off me!

I will never  
succumb to  
your dirty  
mind tricks!

I will  
resist you!

I will...

I will...

tap

I will obey.

\*Chuckle\*  
I did not even know I could have children.

But thanks to you I now have two marvelous daughters with superpowers!

Isn't it great to have the family back together?

Yes,  
Daddy.

Yes,  
Love.

Yes,  
Daddy.

# End of Teaser!

Hello, Hexxet here,

Ember and spark are Rewire's kids! The family is finally reunited under Rewire's Patronage... What way of living will he decide for his family? Will he resign his super villain life and become a family man? Or will he use the firestarters for his own ambitions?
