## Window Wishing XI

### Sex Romp Arc I

### Sports and Arts

The story of Window Wishing has concluded with Chapter X, but there are several cute girls King Erik did not get to fuck. This Bonus Arc is here to amend that! So buckle up for a sex romp through Fairyland, revisiting places from chapters 7 and 8 as the fairy King uses his wish-granting amulet for sexy stuff only!

### Cast of Characters:

**Erik ...**

**Joggers ...**

**Police Officer...**

**The Fairy King**

Two elven joggers at the promenade. They work as financial consultants.

Erika, an elven police officer on patrol

It's another beautiful day in fairyland and the inhabitants go about their life as normal. Like these two women going for their morning jog.

It is this day that King Erik decided it was time go and enjoy the beauties of his country on his own. With his wish-granting amulet around his neck he leaves the Castle and looks for something fun today.

Are you seeing what I am seeing?

I think he did!

Did he just wave at us?

That's King Erik!

Hi there, ladies.  
Beautiful day,  
isn't it?

Y...Y...Yes  
my liege. It's  
an honor to  
meet you.

How can we  
be of service,  
Your Majesty?

Oh, please.  
There is no  
need to be  
nervous.

I was just taking a stroll, enjoying the nice weather when I saw you two lovely ladies jogging my way.

And that's when I started wondering how your lips would feel wrapped around my cock.

So, ponytail, why don't you lose the top and get down to work?

Hi!

You are not really my type... you need bigger...

Boobs!

Ass!

Bigger!

Hair!

Bigger!

Hair!

Dumber!

Perfect!

Oh, dear. They are getting quite big don't ya think?

Boobies! \*giggle\*

What the hell...

Just as King Erik is enjoying himself with these two ladies a police car drives by and starts its siren.

Really? Again?!

Whoop whoop

Enraged the officer engages the trio...

Hey, you!

What do you think you are doing?!

But soon she is playing to a different tune...

I think I have better use for you, officer.

Why don't you join in?

moan

slurp

Oh, my god! Really?

I'd love to!

Yes, my liege!

Please grace us with your kingly load!

Give yummy cummy!
