NEXT

I'm Bianca Larsen and since my mother remarried, I'm living with my stupid stepbrother in this crappy town.

I'm pretty athletic. Part of the cheerleading squad and I'm training to be a successful gymnast.

Anyway. I was just about to go to bed. So, see you tomorrow when I'll have to wake up my lazy bum of a brother again...

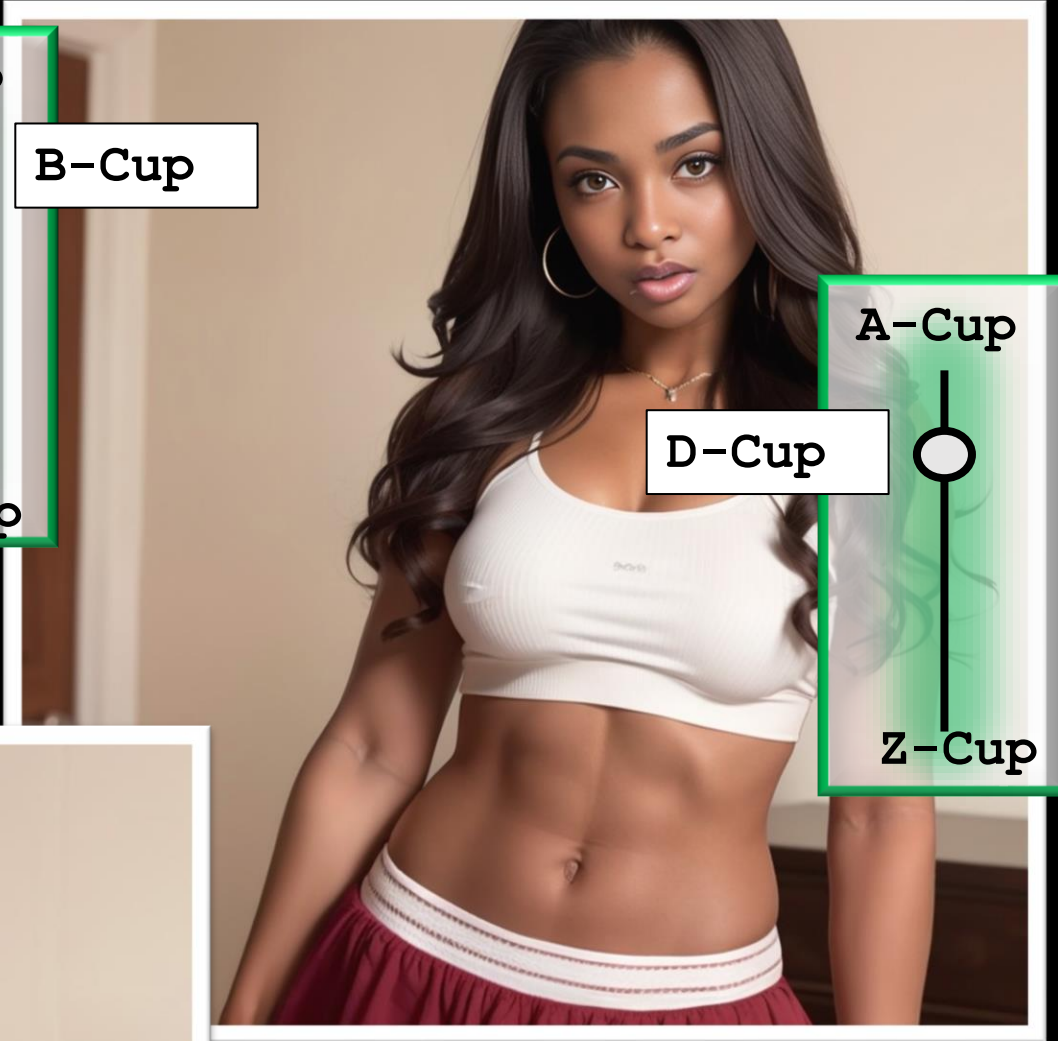

That lazy bum almost never wakes up in time on his own! Probably because he plays computer until late in the night. Stupid nerd!

NEXT

I get into bed and try to fall asleep fast...

B-Cup

D-Cup

G-Cup

I roll around. Why the hell was I trying to sleep on my stomach? That does not work with breasts as big as mine!

NEXT

I sleep a peaceful undisturbed sleep and wake up the next morning full of energy. I do my morning routine and take a look at my reflection in the mirror...

A soft sigh escapes my lips... If it wasn't for those humongous tits, I could become a great gymnast. But the way things are I can be thankful to be part of the cheer squad... God those things jiggle...

NEXT

Teeth brushed, my hair done, dressed for the day...
I'm basically ready... my brother is still sleeping...

Knock

Knock

Knock

Wakey
Wakey,
Pipsqueak!

UNBELIEVABLE!

I don't hold back knocking on his door. The
bus would arrive in 15 minutes...

NEXT

My brother's exceptionally fast in the morning... once he has stood up.

So, catching the bus is no problem... but I'm still annoyed by his lazy attitude.

What?

Sis...

Your boobs are huge.

SLAP

Henry

That statement is wrong on so many levels! He knows very well that I hate their size for being in my career's way! In the end, I just slap him and walk away to another seat far away! **Stupid idiot!**

NEXT

When I enter the classroom I can see several of the guys stare at my cleavage. Disgusting pigs!

I on the other side only have eyes for one... Marianne... I really am into that girl... Yes, I am a lesbian... But nobody knows.

And yes, that means Marianne does not know I have a crush on her either. I don't think she is into girls... which is a pity.

Anyway... we are friends... or... rather I'm trapped in the friend zone... life sucks! Still, seeing her makes my heart skip a beat and I feel happy as I sit down.

NEXT

We talk a bit before the class starts...
then some more during the breaks.

Oh, she is so easy to talk to.
Funny as well!

NEXT

The school day goes by pretty quickly and we take the same bus home. I admire her fiery red hair as Marianne sits down leaning against the seat. She's so beautiful...

[NEXT](#)

Hello? Earth
to Bianca?

Err. Sorry.
What?

You kinda
spaced out.
What's wrong?

Oh... I just
thought... The
weather is
really nice
today!

Wanna hang
out by our pool
later?

NEXT

Sounds like a great idea!

I'll just go grab my swimwear from home and come by in an hour?

Awesome! Marianne's coming over... And I'm going to see her in her bikini! Today's a great day!

NEXT

Just as I am getting ready for my pool time with Marianne my stupid brother turns up with his nerd friend in tow. God damn it! Those two are the last people I want around right now!

What are you looking at dweebs?

As if there was anything to look at!

TSK!
Marianne's coming over. Don't you guys dare letch on us at the pool!

H..h.. hi Bianca.

NEXT

God damn nerds!
I can hear them talk
about my boobs as I
walk past them. **Yes,**
they are big! Get a
picture you asshats...
On second thought...
DON'T! Urgh, I don't
have time to lecture
them.

Man... your
sis has the
biggest tits...

Yeah...
about that...
I wanted to
talk to you.

NEXT

I lean over the garden fence and wait for the bus to arrive. I don't have to wait long, and I can see Marianne exit. I love the way her red hair waves around in the slight breeze that is going around today.

NEXT

Hey girl!
Looking
good.

Hihi!
You too!... I
mean... Nice
weather for
a swim!

NEXT

A woman with long, dark, wavy hair is sitting on the edge of a swimming pool. She is wearing a white, two-piece bikini with a large, deep neckline and a small white tie on the side of the bottom piece. She is looking directly at the camera with a slight smile. The background shows the blue water of the pool and a light-colored wall.

I sit there in anticipation as Marianne goes into the nearby cabin to change. I wonder which swimsuit she picked for today...

NEXT

So... How do I
look? I just bought
this one some days
ago.

Wow!
Absolutely
stunning!

NEXT

A woman with long, wavy red hair is sitting on the edge of a swimming pool. She is wearing a blue bikini. The background shows a green lawn and some bushes. There are two speech bubbles and a text box overlaid on the image.

Awww
that's sweet.

I just wish Erik
will think the
same... bought
it to impress
him.

And there's the mood
dampener. Erik... The boy at
school Marianne currently
crushes on... I should be used
to it... but it still hurts...

NEXT

A woman with long, wavy red hair is sitting on a blue mat by a swimming pool. She is wearing a blue bikini and is smiling at the camera. The background shows a green lawn and a concrete pool deck.

After some swimming we
decide to relax and tan in
the nice summer sun.

NEXT

I throw Marianne one more longing look before I decide to close my eyes, lay back, and enjoy the hot summer sun on my skin.

NEXT

I try to relax... Think of mundane stuff... that usually works... not today.

NEXT

My mind keeps going back to Marianne in her new Bikini... and my hand slips in between my legs... starting to rub...

Moan

rub

NEXT

A woman with long dark hair, wearing a white bikini, is lying on a lounge chair by a swimming pool. She has her mouth wide open in a moan. The word "moan" is written in large, pink, outlined letters across the image. In the top right corner, there is a black-bordered box containing text. In the bottom right corner, there is a green button with the word "NEXT" in black.

moan

My arousal grows by the second and like in a dream there is nothing I can do against it... until my pussy explodes in a mega orgasm that makes me scream out like never before...

NEXT

As the orgasm slowly subsides, I start to think clearly again... Oh god! I did just scream at the edge of my lungs... Did Marianne hear?! I'm so embarrassed...

Oh God!
My swimsuit had already dried, but my panties were soaked through!

NEXT

One quick glance at Marianne gives me hope. She seems to have dozed off... But then she starts sitting up... My screaming must have woken her...

NEXT

Hey.
Are you okay?
What happened?

Phew! At least she did
not realize that was
my orgasm screams...
Think Bianca! Come
up with an excuse!

NEXT

That's when I see my stepbrother and his stupid friend in the window above us.

O.M.G.!!
I can't believe your sis just friggd herself to orgasm next to her best friend!

Dude!
I just made her orgasm with the program!

Yeah, sure.

Ugh... Hm...
Oh, there is an awareness setting.

I cannot hear what they are saying, but they are clearly watching us... I jump on the opportunity!

Hey!
You fucking latches! **FUCK OFF!**

NEXT

A woman with long, dark, wavy hair is sitting by a swimming pool. She is wearing a white, low-cut bikini top and white bikini bottoms. She has large gold hoop earrings. Three speech bubbles are overlaid on the left side of the image, connected by a single line. The background shows a swimming pool with blue water and a concrete deck. In the bottom right corner, there is a green button with the word 'NEXT' in white capital letters.

I'm so sorry,
Marianne.

My brother's
such an idiot!

I'll go up real
quick and hit
him. He'll never
peek at us again!

NEXT

giggle

Boys! Want me to
come with? Give
them a lecture?

No

I tell Marianne to stay down here... Henry or Jake might have seen me rub one out to her... that would be... **Very awkward!** God! I need to resolve this situation **ASAP!**

No

NEXT

Anxious I walk up to Henry's door, and I am about to knock when I hear his and Jake's voices through the door...

Finally!

I told, ya! This program can alter reality. I just turned our neighbor into an 18-year-old Asian chick. Also, she was no nudist until just recently.
chuckle

Holy shit!

There's an Asian chick masturbating where Mrs. Roberts was just a second ago!

**This is
Crazy!**

What are these idiots talking about?

"Mrs" Robets has been a nudist ever since Mr. Roberts brought her back from one of his sex trips. She's a fucking teenage trophy wife. Everybody around the block knows that!

Should I just enter, or wait a bit longer?

Go In

Wait

Go In

As I enter my brother's room I can see those nerds standing over their laptop.

As they hear me walk in they quickly turn around with a shocked expression.

I can smell fear.
Good! Fucking Pervs!!
Now whom should I approach...

Approach the PC

As my eyes fall on the computer screen I can't believe my eyes. There's a video of our neighbor's trophy wife - that Asian skank! Are these guys crazy? Are they filming her?!

No, sis. Jake's actually right. This thing can change reality!

How gullible do you think I am?

Here, let me show you!

A woman with long, straight blonde hair and large, prominent breasts is the central focus. She is wearing a black, low-cut bikini top and a black choker with a silver ring. She is sitting on the edge of a swimming pool, with the blue water and white tiles visible in the background. The lighting is bright, suggesting an outdoor setting.

As I slip back into the pool, my thoughts drift to my brother's words. I don't know what I did, but if he says I helped him it must be true.

It makes me very happy that I was able to help my genius brother!

Bianca Larsen... Profile locked

Obviously, we could not trust each other with an omnipotent reality-changing computer program. But thankfully there was an option to lock your profile.

Henry Larsen, Jake Renolds and Bianca Larsen reign over their school as absolute rulers. Students and teachers obey them happily and without question.

We then made the school our playground...

So, I gave them a new personality... and goal...

Your first Class today is History in room 301, my queen.

May I carry your books, my Queen?

Their sole purpose in life was now to wait for my every command and make sure I had nothing to want for. They were quite handy!

Mrs. Davis

Soon thereafter History Class started, and my classmates intently listened to Miss Davis's lecture.

NEXT

Mrs. Davis's a pretty hot MILF, I gotta admit. But her lecture is boring as fuck in my opinion! Time to spice it up.

Christopher Columbus was an Italian explorer and navigator.

Show us that ass, Mrs. Davis!

Without interrupting her lecture Mrs. Davis turns around, tucks up her skirt, and starts wiggling her ass.

In the background, another woman with dark hair and large hoop earrings is looking towards the camera. The scene is set indoors with a window in the background.

Mrs. Davis unbuttons her blouse some more as she kept on talking about Columbus.

His landing place was an island in the Bahamas, known by its native inhabitants as Guanahani.

Panties off. One leg in the air, pussy on display!

*Alright, class.
See you on Friday.
Please study up on
Christopher
Columbus it will be
on the test.*

But soon the bell
interrupts Mrs.
Davis little show
and ends this
lecture.

NEXT

After the lesson, I approach my teacher.

Please swing by my place in the evening.

Mrs. Davis...

Of course, Bianca. Do you need extra tutoring?

Nah I just wanna use you as my personal fucktoy for the night.

Oh, I see. Okay. See you then, Bianca.

NEXT

I was looking forward to my evening date with Mrs. Davis but that was still a long time from now.

He is so cute!

During lunch break, my good friend Jenny told me she had a crush on Joshua, but she did not know how to approach him...

NEXT

It was quite obvious for a while now that Joshua had an eye on Jenny as well... so I was more than happy to help her out...

Just take off your clothes, get your ass over there and fuck him.

O.M.G.!
You really think that's best?

NEXT

O.M.G.!
Thank you, Bianca!
It really worked!
We are totally
together now!

I'm not necessarily into watching boy/girl sex, but Jenny was a good friend, and her moans were delightfully echoing through the Mensa while I was enjoying my lunch.

NEXT

Next up was cheer training...

NEXT

Of course, team dynamics changed quite a lot since I'm now in charge of the team.

NEXT

I ensured they'd work their bodies so they'd be ready for the next competition.

NEXT

Some of them got special training... to respond to their personal needs... or mine *chuckle*

NEXT

Also, I encourage team spirit a lot.

And I think the team got
a great training today.
They are shaping up
nicely!

A woman with long dark hair, wearing a black latex halter-neck dress and large hoop earrings, is sitting in a limousine. She is looking towards the camera. To her left, a silver tray holds two glasses of champagne. The interior of the limousine is illuminated with purple and blue lights.

I gotta admit to myself as I sink into that comfy seat of the limousine driving me home, I'm a bit exhausted from a long day at school.

But, as I sip one of the cocktails prepared for me, my thoughts wander to what's waiting for me at home and my fatigue is like blown away.

NEXT

No! Not that!

It seems my brother
had brought home
one of his MPC-
enhanced sluts and
is banging her by
the pool...

Moan

NEXT

Good for him, but I'm not interested in that. I try to sneak by, but my brother notices me.

Oh, god, yes, Henry!

Your dick feels so big inside my tight cunt!

Oh, hey sis!
Your teacher swung by. She's waiting inside.

Thanks...

NEXT

As I open the door
and enter my home
I'm greeted by a
lovely sight.

Welcome
home, babe!

NEXT

Marianne is now
living with me as my
lover... and yeah... I
did not return
those boobs to
normal... Sue me!

Your
teacher is
waiting upstairs
in the bedroom.

NEXT

Hi, I hope you like the dress I chose for you, Bianca.

NEXT

What do
you think,
M?

Very
cute...

NEXT

A woman with long, wavy, reddish-brown hair and large, prominent breasts is shown from the chest up. She is looking directly at the camera with a neutral expression. Her hands are positioned near her breasts. The background is a simple indoor setting with a wooden wall and a window with a white frame.

But I don't
think you'll be
wearing it for
long, teach.

NEXT

A photograph of a nude woman with long, wavy blonde hair and blue eyes. She is leaning forward, resting her hands on a white surface, possibly a bed. She is wearing a thin gold bracelet on her left wrist. A speech bubble is positioned above her right shoulder, containing the text "I see where this is going, girls." In the bottom right corner, there is a green button with the word "NEXT" in white capital letters. The background shows a bedroom setting with a window and a lamp.

I see where
this is going,
girls.

NEXT

We started with
Marianne going down
on Mrs. Davis.

Please enjoy
my tongue,
teach.

NEXT

Oh, and she did enjoy Marianne's tongue. Marianne knows what she does down there. I made sure of that!

Oh, wow!
You are so much better at that than my husband.

I had a lovely time with my lover

Our teacher's butt was almost as big as Marianne's breasts. "An impressive feat!" I think to myself as I rest my head between Marianne's pillows after another great orgasm.

Today was very productive! I love that Master Control Program! I wonder what tomorrow brings...

Hey
guys!

This is just
the preview

Showing
two possible
endings.

But you
have missed
several hot
endings!

Like the one
where Jake

his personal

Or were I
use the MCP
to remodel my
whole cheerleading

So, what are you waiting for?

Hello, Hexxet here,

Thank you for showing interest in my fourth PAI Book. 😊 The full version is over 500 pages long. It is interactive with 11 endings/paths.

The full PAI Book contains Endings where Bianca either gets changed by the boys or uses the MCP for her personal gain in a dominant manner. Another PAI Book is planned where Bianca is sharing the MCP with Marianne in a more “playful” manner.

More PAIs and of course my regular 3D Comics can be found on my Patreon and in my shops. Some free PAIs can be found on my homepage.
