The lost Temple
Chapter 15
Hookers & Loyalties

Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic – though he is not very skilled at it. One thing leads to another and he has infiltrated a camp of ether-wielders who are on the hunt for demons... He becomes a member – secretly a spy for Kassandra. In the meantime, he tries to juggle his social and school life with his now secret magic life...

At the same time, Harry who also came in contact with Kessy has learned the Ocavum spell and is training vigorously to master the transmogrifae spell. His test subject... his girlfriend Kim! After expanding her breasts A LOT he is still frustrated that she won't put out... Frustrated he sets out to find another way... Entering a certain establishment on the outskirts of town...

Previously on "The last Temple", Elizabeth found a pattern in the old text Mika found. But she is stuck... Thanks to Mika's magic he can identify the nature of the text – a magic incantation. Liz sets out to decipher the text with that direction in mind...

And after some magic team building at the camp... Velia tells the group about the old geezer in the woods possibly being a demon!

That explains a lot... But he appears to be a nice guy...

Somewhen in between at night, Harry entered the Rising Sun – a certain establishment on the outskirts of town.

What are you looking for, lonely?

He's looking for something special...

Phew... I mean... Any of our girls can act that out...

No!
It has to be genuine!

We continue from Harry's view a blonde woman in thrilly clothes enters the bar area.

Heya,
Marie. I'm
in.

Phew...
That is a tough
request...

I think
you are in
luck.

Sybil, come over here if you will.

She's cute!

What's up, boss?

Possible customer.

This gentleman here is looking for a girl with your certain... skillset.

Skills? Moi?

So... what exactly are you looking for?

Well... you see... I've not got much experience...

Cute, a virgin.

So... err.... I'm looking for a woman...

Who's easily stimulated... down there.

So... er... are you... I mean...

Oh, yeah!
I cum like a
firecracker from
the slightest
touch!

giggle

Actually... I
just want to
touch you...
work on my
finger play...

But are you
sure you want
to spend your
first time like
this?

Alright!
Then let's level
up your hand
game. *chuckle*

Follow me.
I've got a
room on the
top floor.

And so, Harry finds himself once again in an old room with a woman from the red light district...

What are you waiting for?

Time to get to work!

Carefully Harry moves his hands to grasp the lining of Sybil's panties. Slowly he removes her undergarment... and looks at them in awe as he holds them in his hand... they feel damp.

Wow!

Hey, boy.
It's just
panties.

The real
deal's up
here.

Let's take this off too.

Gulp

Not waiting for Harry Sybil removes her skirt to grant easier access to her privates...

Ready when you are.

Already wet from walking up the stairs and you removing my panties.

I'm really sensitive.

Nice!

Alright! Then I will start now.

As soon as Harry starts his “work” down there, the room is filled with Sybil’s moaning – intensifying with every action Harry takes.

Harry's actions...

twitch

Moer

Erm... could you squirm less, please?

squirm

I can't really see if you twitch that much.

Make up your mind boy. It's called hypersensitivity for a reason!

I just wanna take in all
your beauty down here.
Please, constrain
yourself if possible.

Damn, you
are good with
words, boy.

Fine, I'll try
to bear it!

Oh...

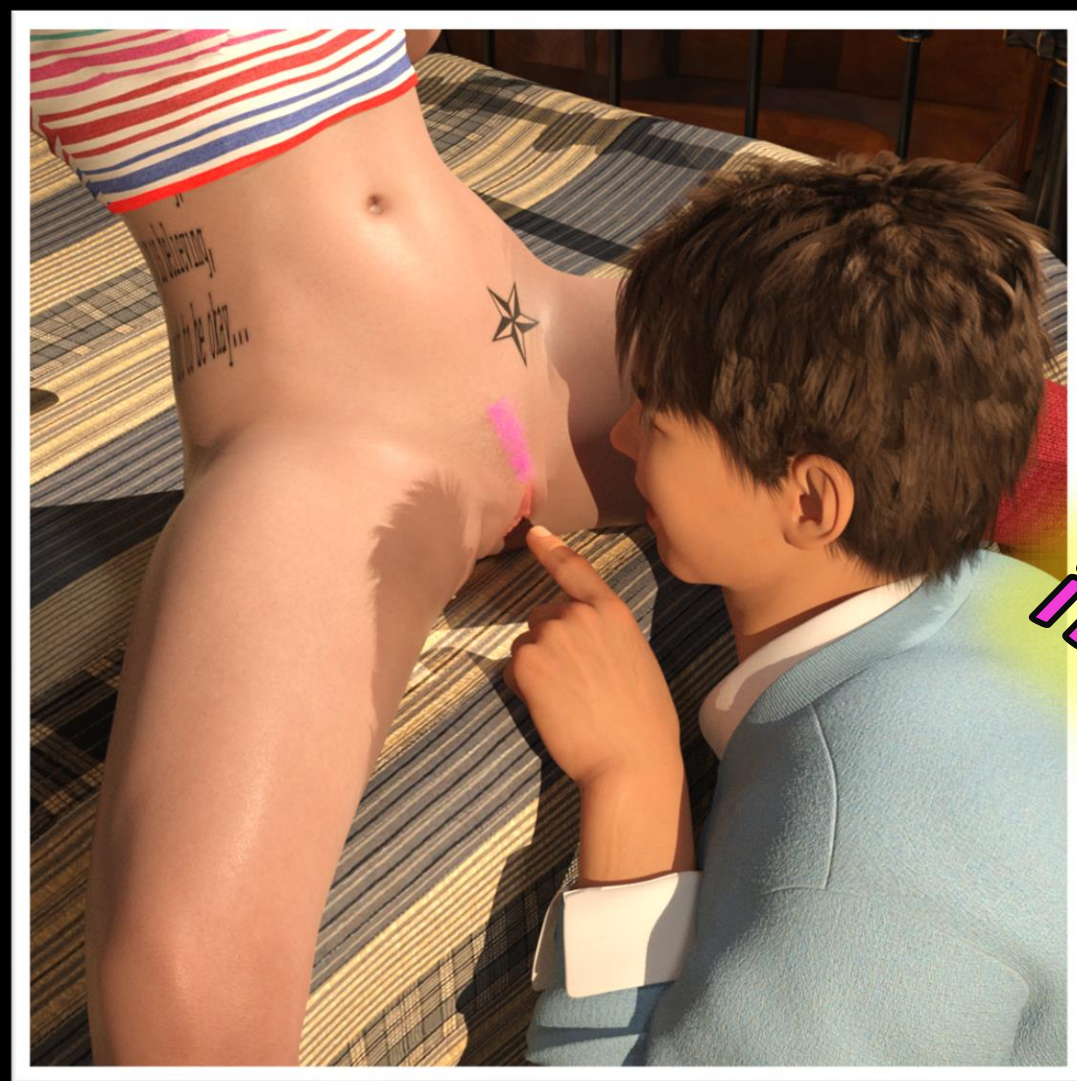

FUCK...

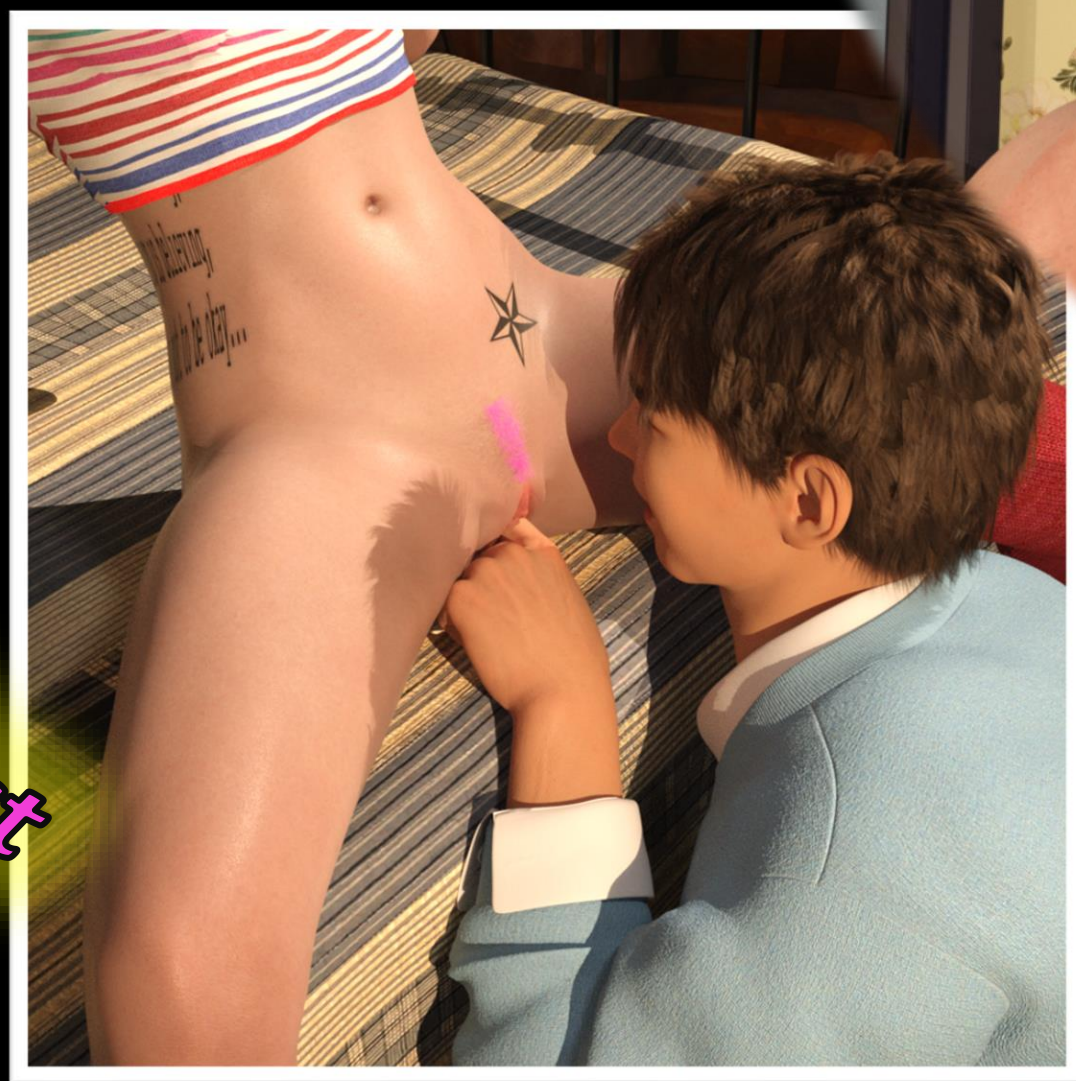

suckle

Moan

insert

Sorry!
It's not like I can
control this!

I can't work
like this!

I don't get it!
Wasn't he looking
for just this?

I'm confused...
How about you just
tell me what you are
looking for and we
start again?

How about you
shut up and just
look into my
eyes!

Ocavum!

You can't talk
to me like...

What... your eyes...

You will obey!

I will obey.

Now just lie
down and
hold still.

Yes,
Master.

Lie down...
hold still...

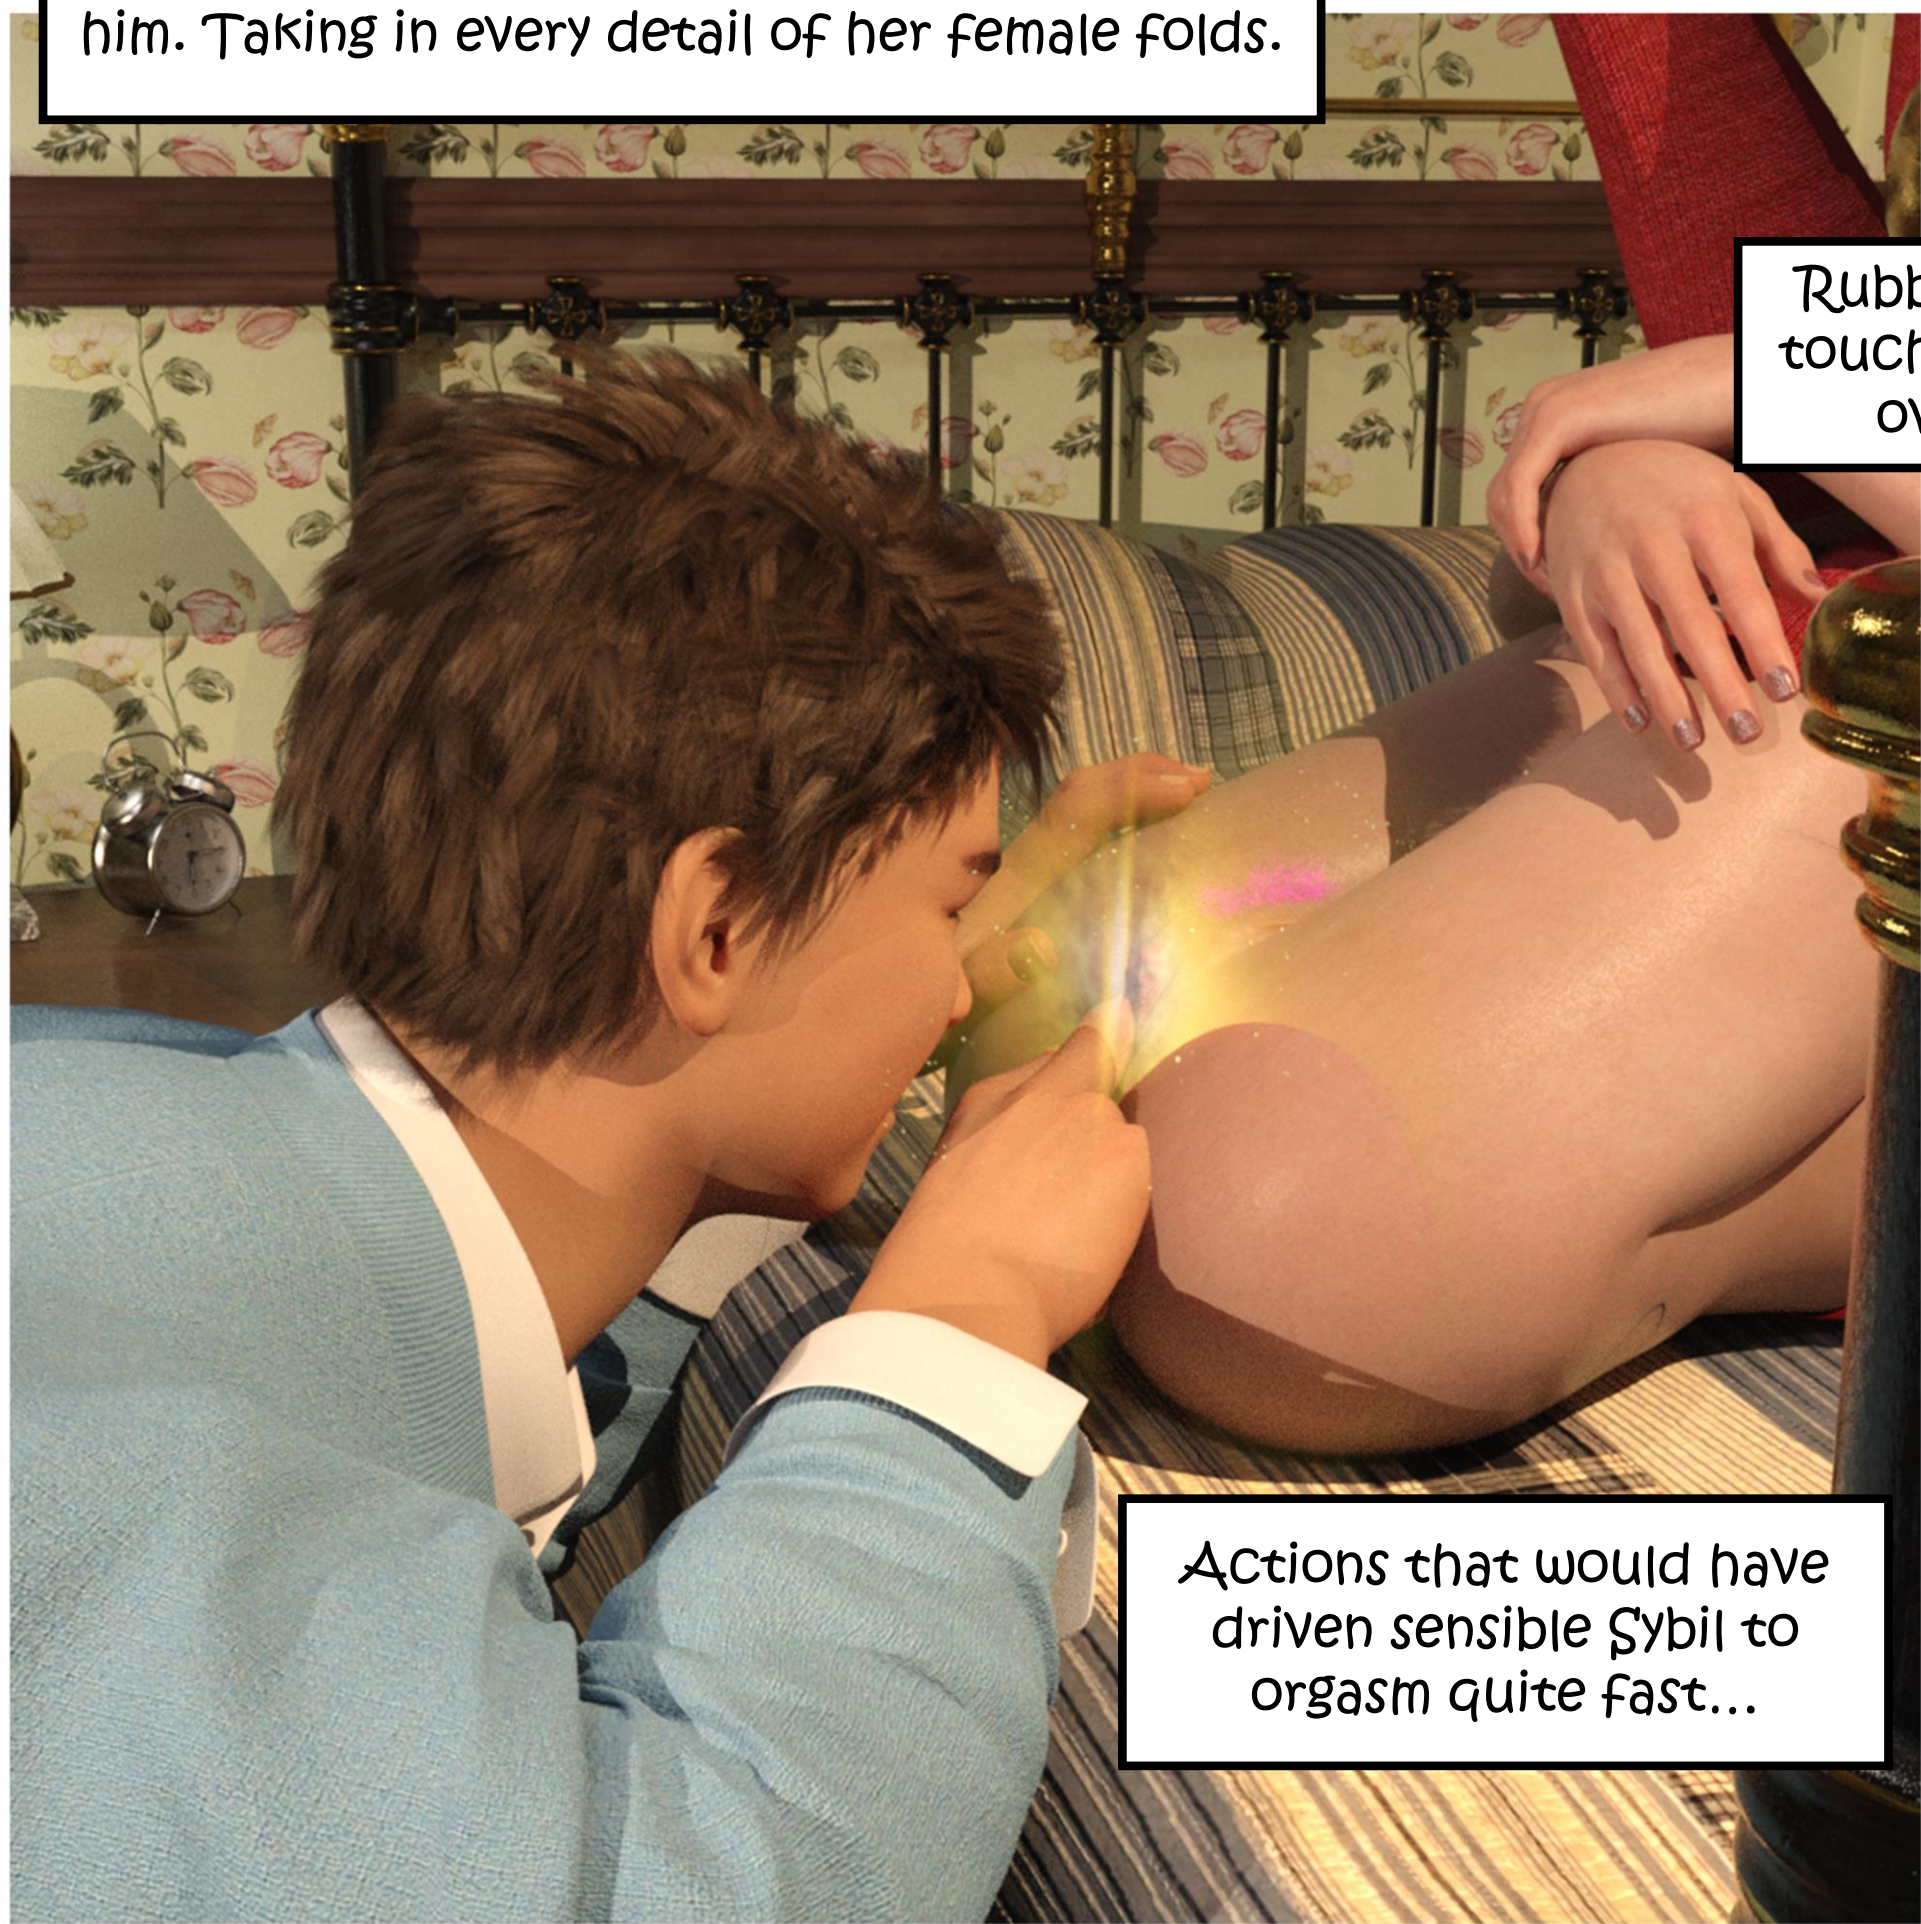

Obediently Sybil lies down – legs in the air to give her master full access to her nether folds.

Harry starts inspecting the vagina in front of him. Taking in every detail of her female folds.

Rubbing and touching it all over...

Actions that would have driven sensible Sybil to orgasm quite fast...

But bound by the Ocavum spell, she follows her master's orders to the letter and does not squirm, buckle or twitch. Not even her expression tells about the raw physical sexual tension building inside her body...

Sometime later...

I know
Cunt-Fu!

Having finished what he came for here, Harry finally decides to enjoy this situation and the pussy in front of him a little...

slurp

lick

lick

lick

lick

So, you are super sensitive?

Let's see what happens when I do this!

rub
rub
rub

And
wake you
up!

Swap

Release!

...

What the?

oh my god!
moan

What is...

Cool!

Moan

squirt

I'll let myself out.

Consider me a very satisfied customer.

And enjoy your orgasm.
chuckle

...

moan

Satisfied Harry leaves the "Rising Sun" establishment – looking forward to put his gained knowledge to use.

He-he!
Oh, Kim...

In the meantime, Sybil has finally recovered from her squirting orgasm.

Holy shit!

I cum easily...

But I never came that hard! What was that?!

Another time -
Another place.

We join back with Mika as he leaves the camp after a successful training session. Velia's talk about the old man in the woods is still weighing heavily on his mind and heart.

And his steps directly lead him to the old man's hut.

Oi! Look,
uncle Zander.
It's Mika!

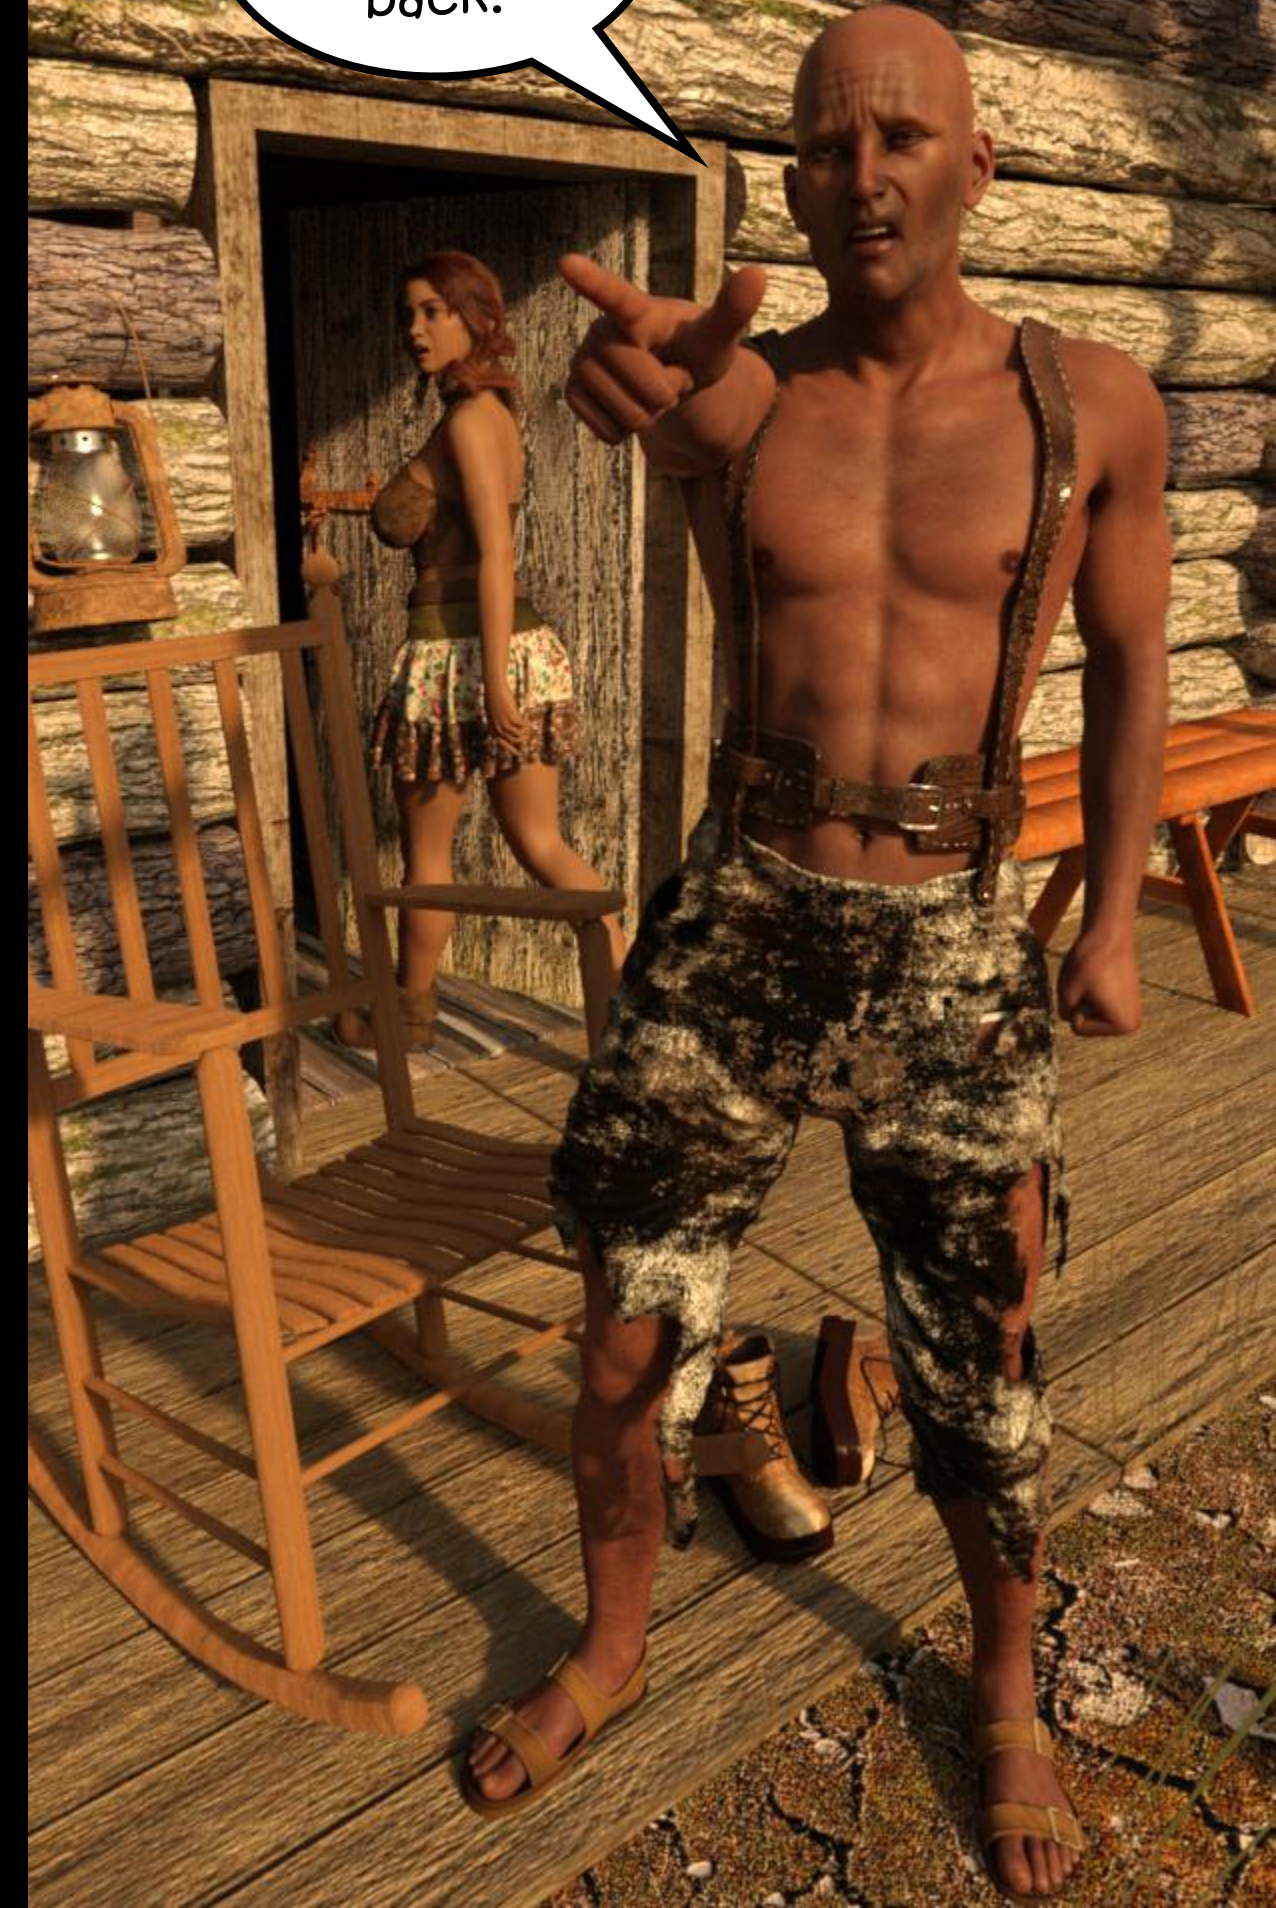

Go
inside!

GO
INSIDE!

But...

Oi, boy!
You are
back.

Shortly later...

So, is it true?
Are you a
demon?

Pah!
Demon?

A crude word
for anybody
"they" don't
approve of!

You should
ask them for a
definition one
day!

Am I living
to my own
set of rules?

Did I do
things others
might consider
not good?

Hell, yes I did!
Did I do more
bad than good? I
don't know!

Considering that
artifact you were
carrying last time
you are not that
innocent yourself.

Was it that bad?
The artifact?
What was it
even?

No clue, lad!
But if you were
not with "them"
by then, whom
did you get it for?

Don't
answer that!
I don't wanna
know. *chuckle*

Anyway...
Thanks for the
heads up... I
will leave this
place...

But... I'd have
one more favor
to ask of you.

And what
favor is that?

Can you look after my girls?

Huh?!

They like this place. They are happy here.

And I think the young one has taken a liking to you.

I'm just a student. I don't have much money.

Oh, they won't need money. They are mostly self-sustained here.

But they might need some help living on their own.

Can you do that?

Errr... Sure. I'll help them out as well as I can.

Thanks, lad. You won't regret this.

After warning the warlock Mika had to quickly head into the towns shopping district. He had an important meeting with someone who's better not left waiting...

Mika was early to ensure he was not late... but the person he was waiting on was running late anyway...

Was I wrong to warn him?
...

He seems nice... but maybe he is an evil bastard...

But who am I to talk? I'm conspiring with a demon girl from another dimension?

If they knew... if **Velia** knew!... I'd be vanquished too? Or what do they even do to guys like... us?
gulp

I can't trust them, for my background with Kessy...

I obviously can't trust Kessy...

Damn it!
What am I
even doing?!

This minion
has proven
useful so
far...
But this
sounds just
nuts...

Paint my own picture...

I need more information!

I need to get stronger!

Hey there!

Why look so glum, minion?

Err...
Nothing!

You are
just late.

Cocky as
ever, minion!

Tell you
what, minion.

If you are wasting
my time with this
"powerful item that
can transcend
space"...

I will
kill you!

I did not lie. Come, follow me.

Yep, „minion“ definitely is not a career with a future...

Tsk! He's so bluffing.

Shortly later, after
exiting the store...

Wahahahaaha!

He did not
lie! This is
amazing!

This power!
Within such a
tiny artifact!

Minion!
Can you hear me?

*Loud and clear.
Please don't
laugh that loud
into the
microphone.*

Fascinating!

And we can reach one another from anywhere with these so-called "phones"?

Yup... aside from underground places, I guess.

Erm... Could you please step away from the door, Kessy?

It's automated. It keeps opening and closing if somebody stands there...

A woman with dark hair, wearing a blue two-piece outfit with a white belt and high heels, stands in a doorway. She has a surprised expression. The scene is overlaid with comic-style speech bubbles. The background shows a city street with a statue and buildings.

What?!

You mean it
opens for
anyone?

I thought it was
showing me respect
for my tremendous
etherical powers!

*... Nope.
It does that
for everyone
standing
there...*

Alright...
I'll forgive that disrespectful door for now cause I'm happy.

This "phone"-thing is pretty cool!

I can't wait to try out this Candy-Crush thing you showed me!

Cya later...

She totally shouted that last part at me instead of speaking into the phone...

Mhm...
Bye...

She's a strange one, isn't she?

Uhh...

She your girlfriend?

Hell no!

Also, currently single.

End of Chapter

Thanks for reading!

Hello, Hexxet here.

The Harry part kinda took over this chapter even though it was just intended to spice things up sexually ... anyway I hope you liked it. I think Sybil looks pretty hot with Ocavum eyes. 😊

Next chapter will be mostly focused on Mika as he continues the story with Lana and the hut in the woods...
