LEXI – Bathtime

Previously on LEXI, Mika ordered the home assistant unit LEXI online. After delivery, he installed LEXI in several rooms of the house and made a shocking discovery. LEXI can do more than jsut turn on the TV! Advanced settings entail functions like Rewinding Time and „Ignore Mode“ which makes the user’s presence and actions completely oblivious to the people around him!

Time to take those functions for a test drive. And what better way to test things out than to prank your stuck-up step-sister? Well... at least that’s the plan...

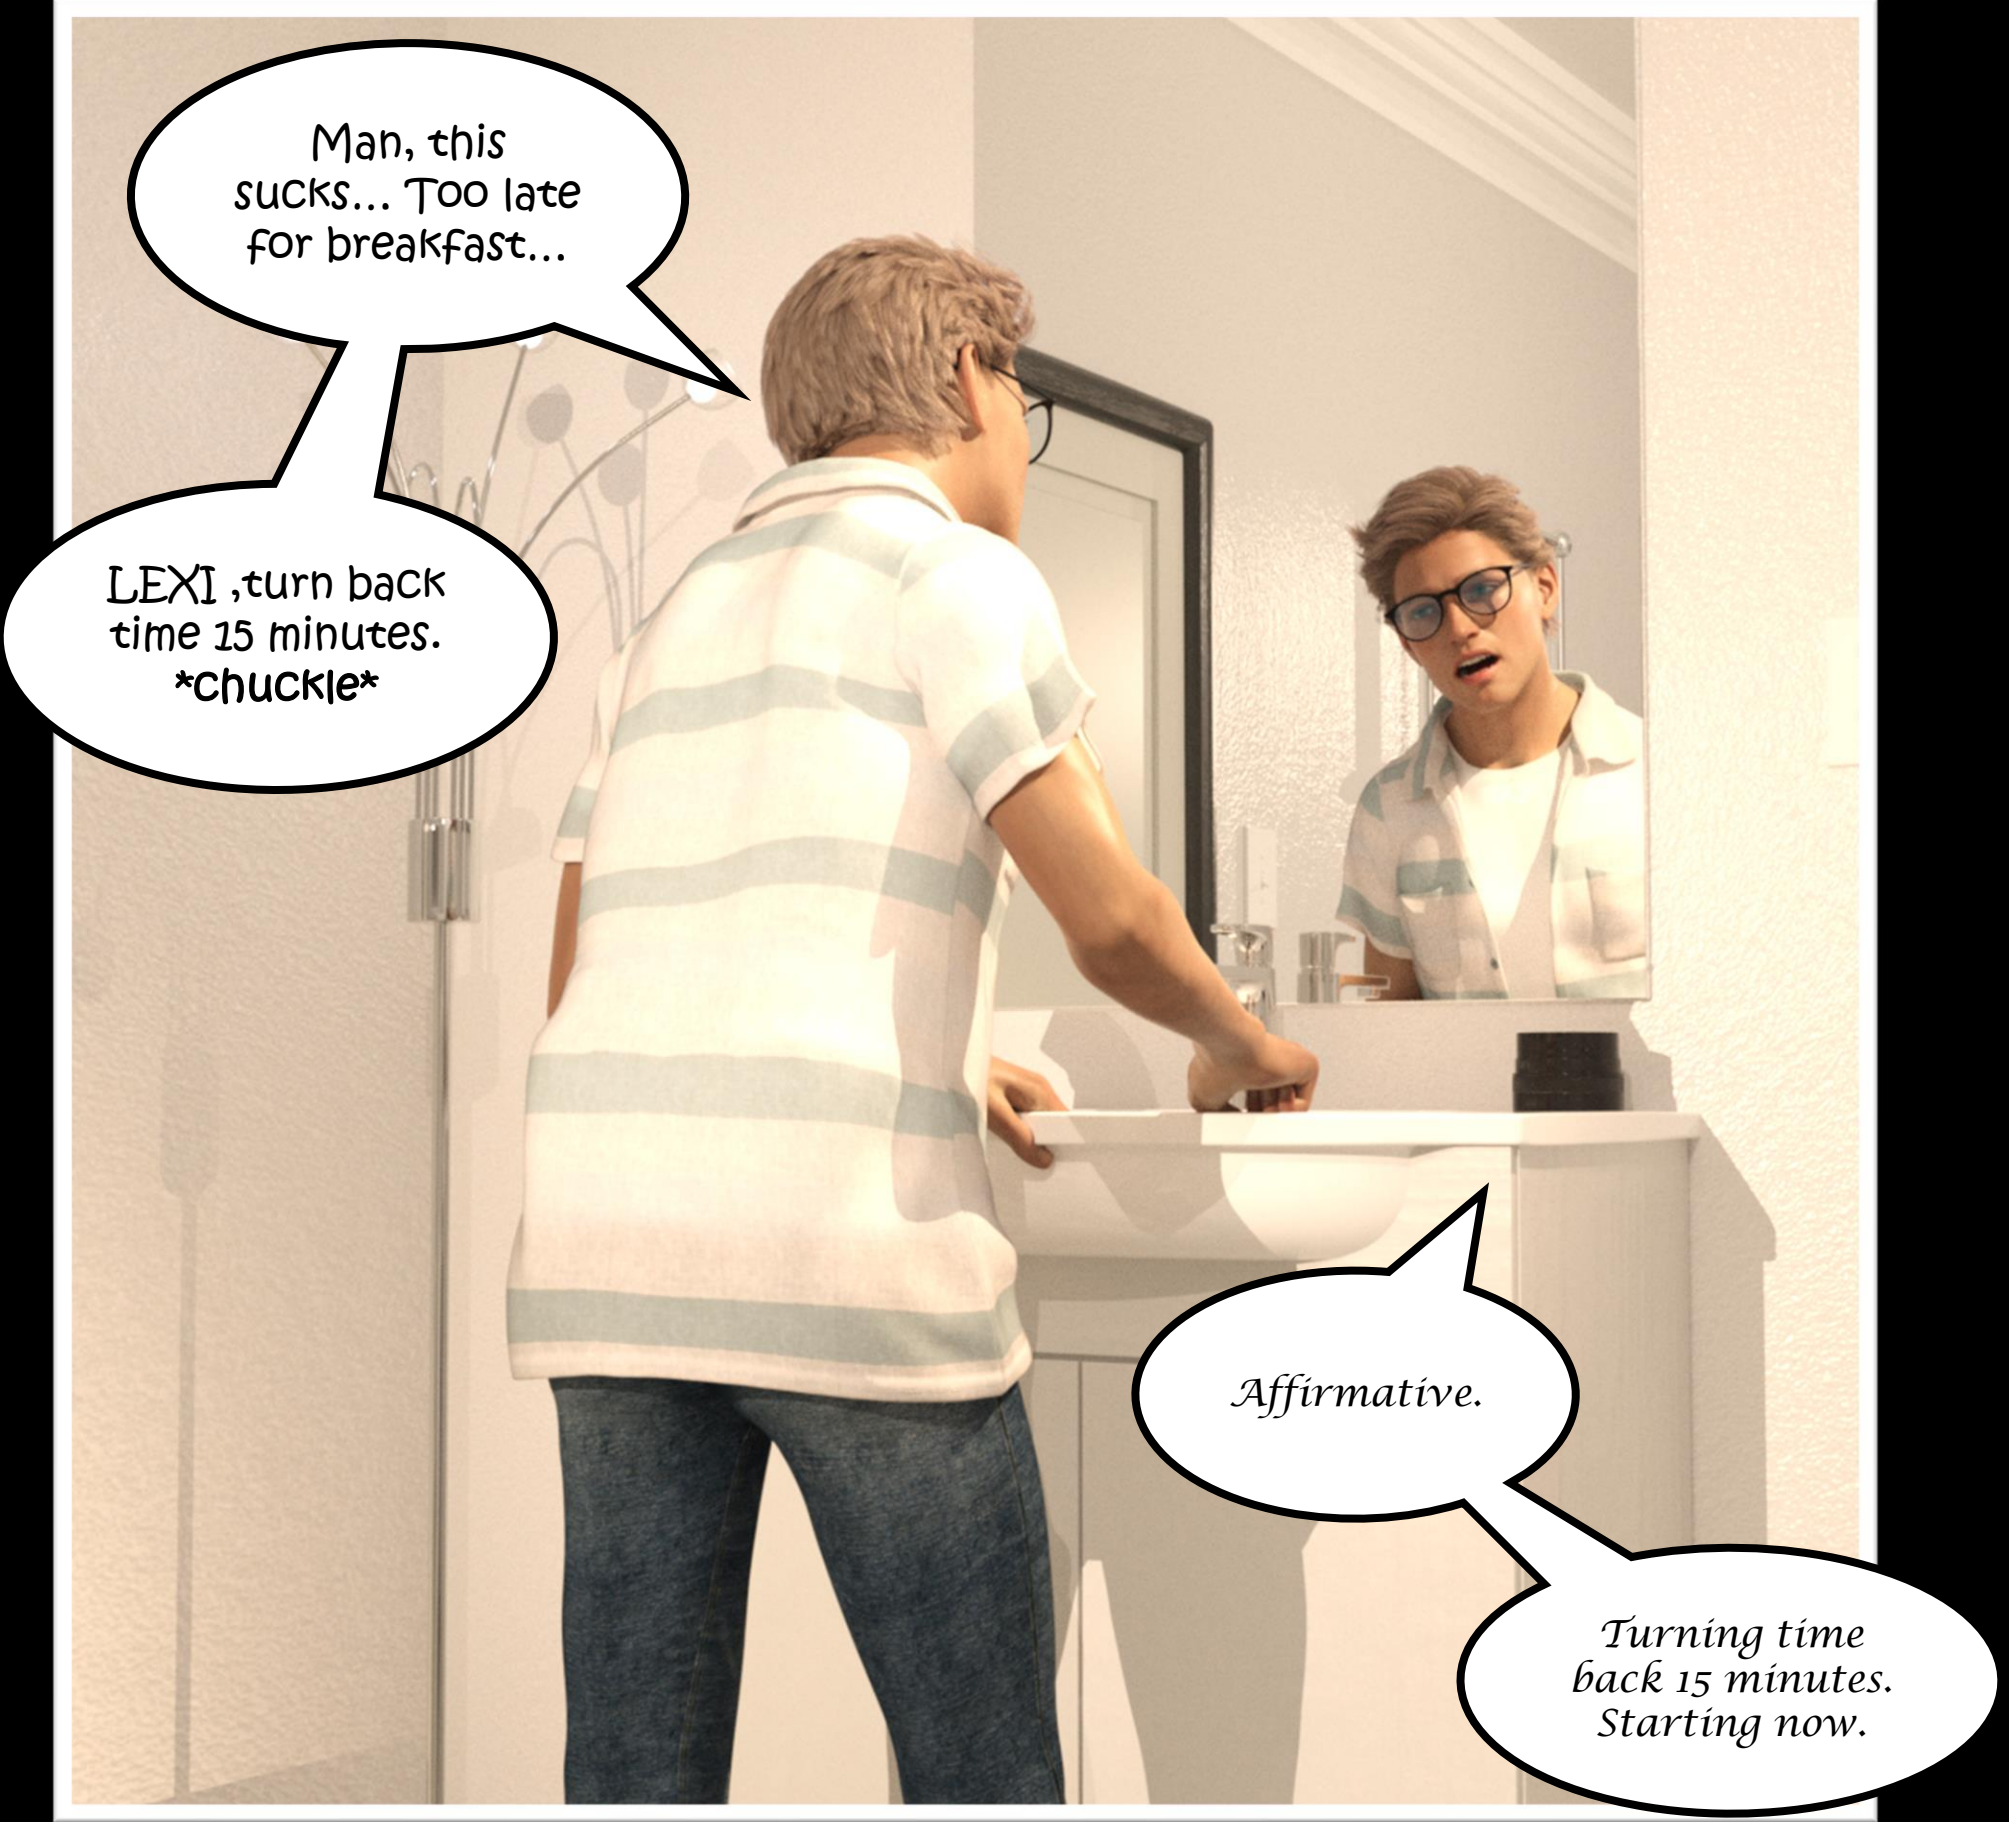

Featuring

Mikael...	a guy on holiday at the beach resort
Jessica...	Mikael’s stepsister
Julie...	One of Jessica’s friends

Previously on LEXI...

My LEXI unit had arrived by postal service and I immediately installed it.

The next morning my sister was hogging the bathroom and I was running late so I made a joke...

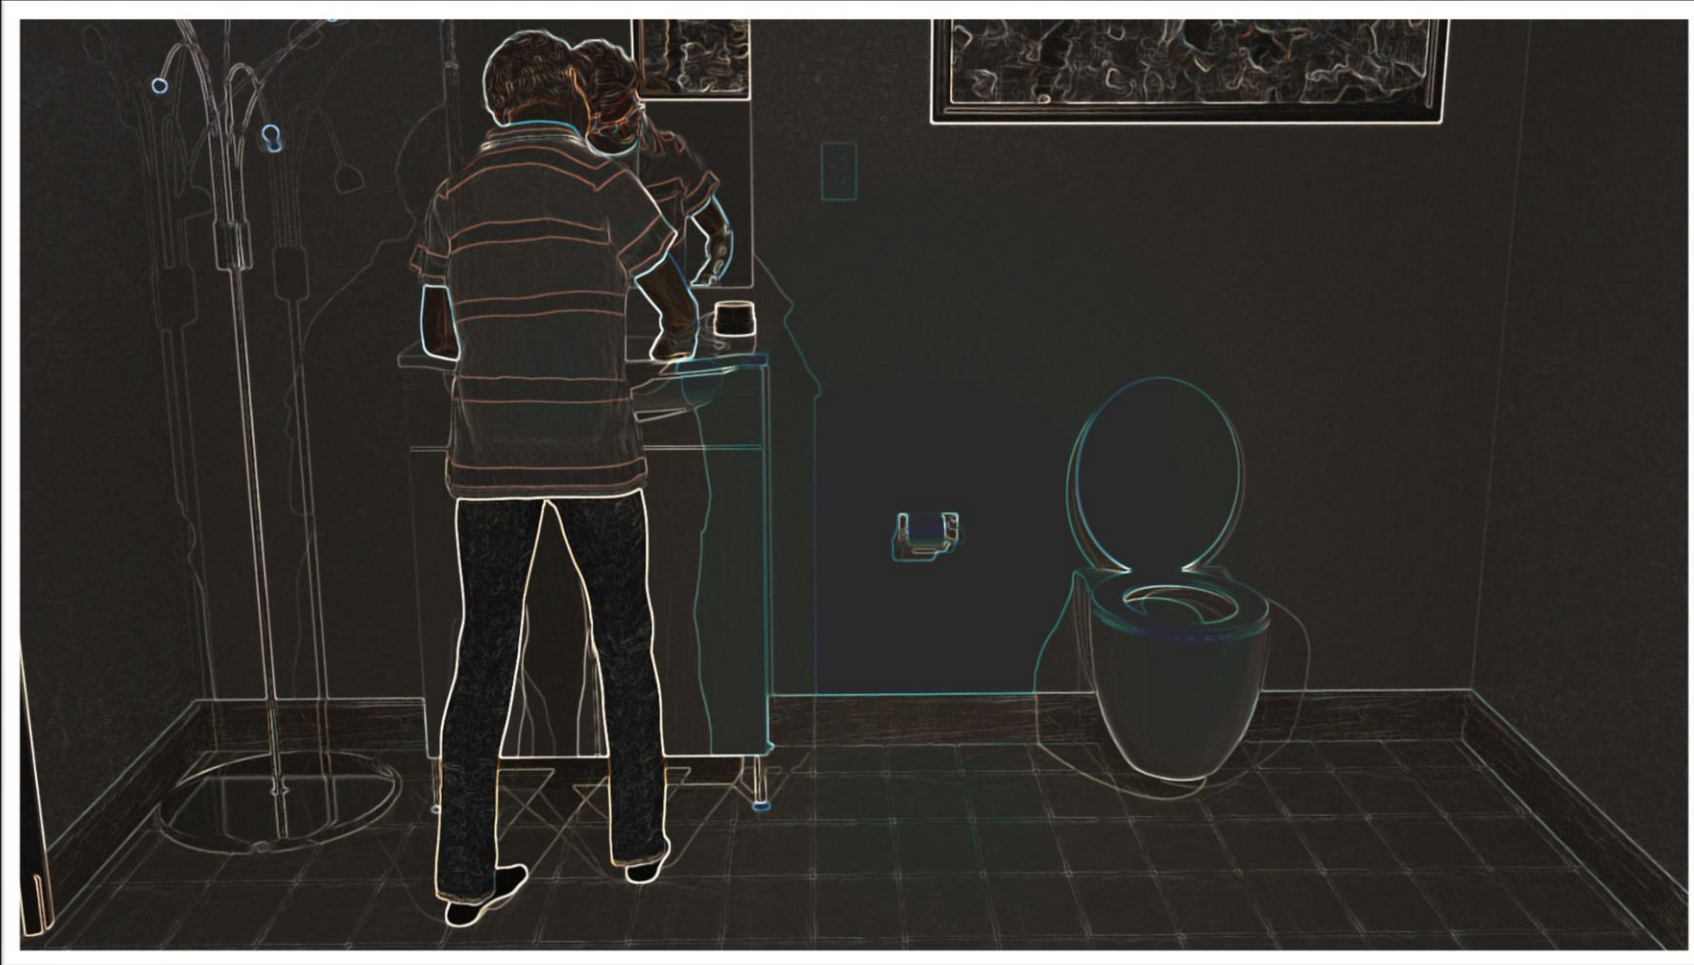

Turns out LEXI can't take a joke... and can do much more than expected!

One moment I'm late washing my hands in the bathroom. Next my sister's right next to me screaming pervert!

I'm gonna kill you you fucking pervert!

LEXI really had turned back time!

After fixing the troubles I got into with my stepsister (by rewinding time once again) I asked LEXI what else it could do and among other stuff it revealed: "Ignore Mode"!

You can activate Ignore mode by saying "LEXI, activate Ignore Mode"

You will be completely ignored while this mode is active.

Actions you undertake during ignore mode and their results will be ignored as well.

To exit ignore mode say: "LEXI, deactivate Ignore Mode."

No reaction!

jiggle

Obviously, I had to test it out... for science!

With ignore mode working, I wanted to prank my stepsister, Jessica.

But meeting her exit the bathroom once again, she kind of challenged me...

And that's how I find myself in my current
situation – entering the bathroom...

Now...

The air is still damp from my sister's bath as I position myself in front of the LEXI Unit and, like a supervillain, command her to do my bidding.

LEXI, rewind
time by 15
minutes!

*Rewinding
time by 15
minutes.*

Affirmative!

That strange feeling
washes over me once again.

Knowing what was about
to happen...

I focused...

In the mirror, I could see
my sister open and close
the door in reverse order.

Before “walking backward”
to the bathtub...

All of this was of course
incredibly fast.

So, I did not really get a
good look...

But that's to why I am
here anyway!

I'm here to prank
Jessica!

Ehhh?!

leeeeeeeekkkkk

What the
fuck?!

How did
you get in,
perv?!

Oups!
Guess I got
carried away a
little.

LEXI,
aCtivate
Ignore Mode.

Affirmative!

*Activating
Ignore Mode.*

Who the
fuck are you
talk...

Woah!

The
fuck?!

Mika!

Where are
you little
perv!?

LEXI, rewind
time by 10
minutes!

gulp Okay... so
ignore mode is not
retrospective.
Good to know!

You are
scaring me!

Affirmative!

He was talking
to that Lexi
thing and then
he vanished!

*Rewinding
time by 10
minutes.*

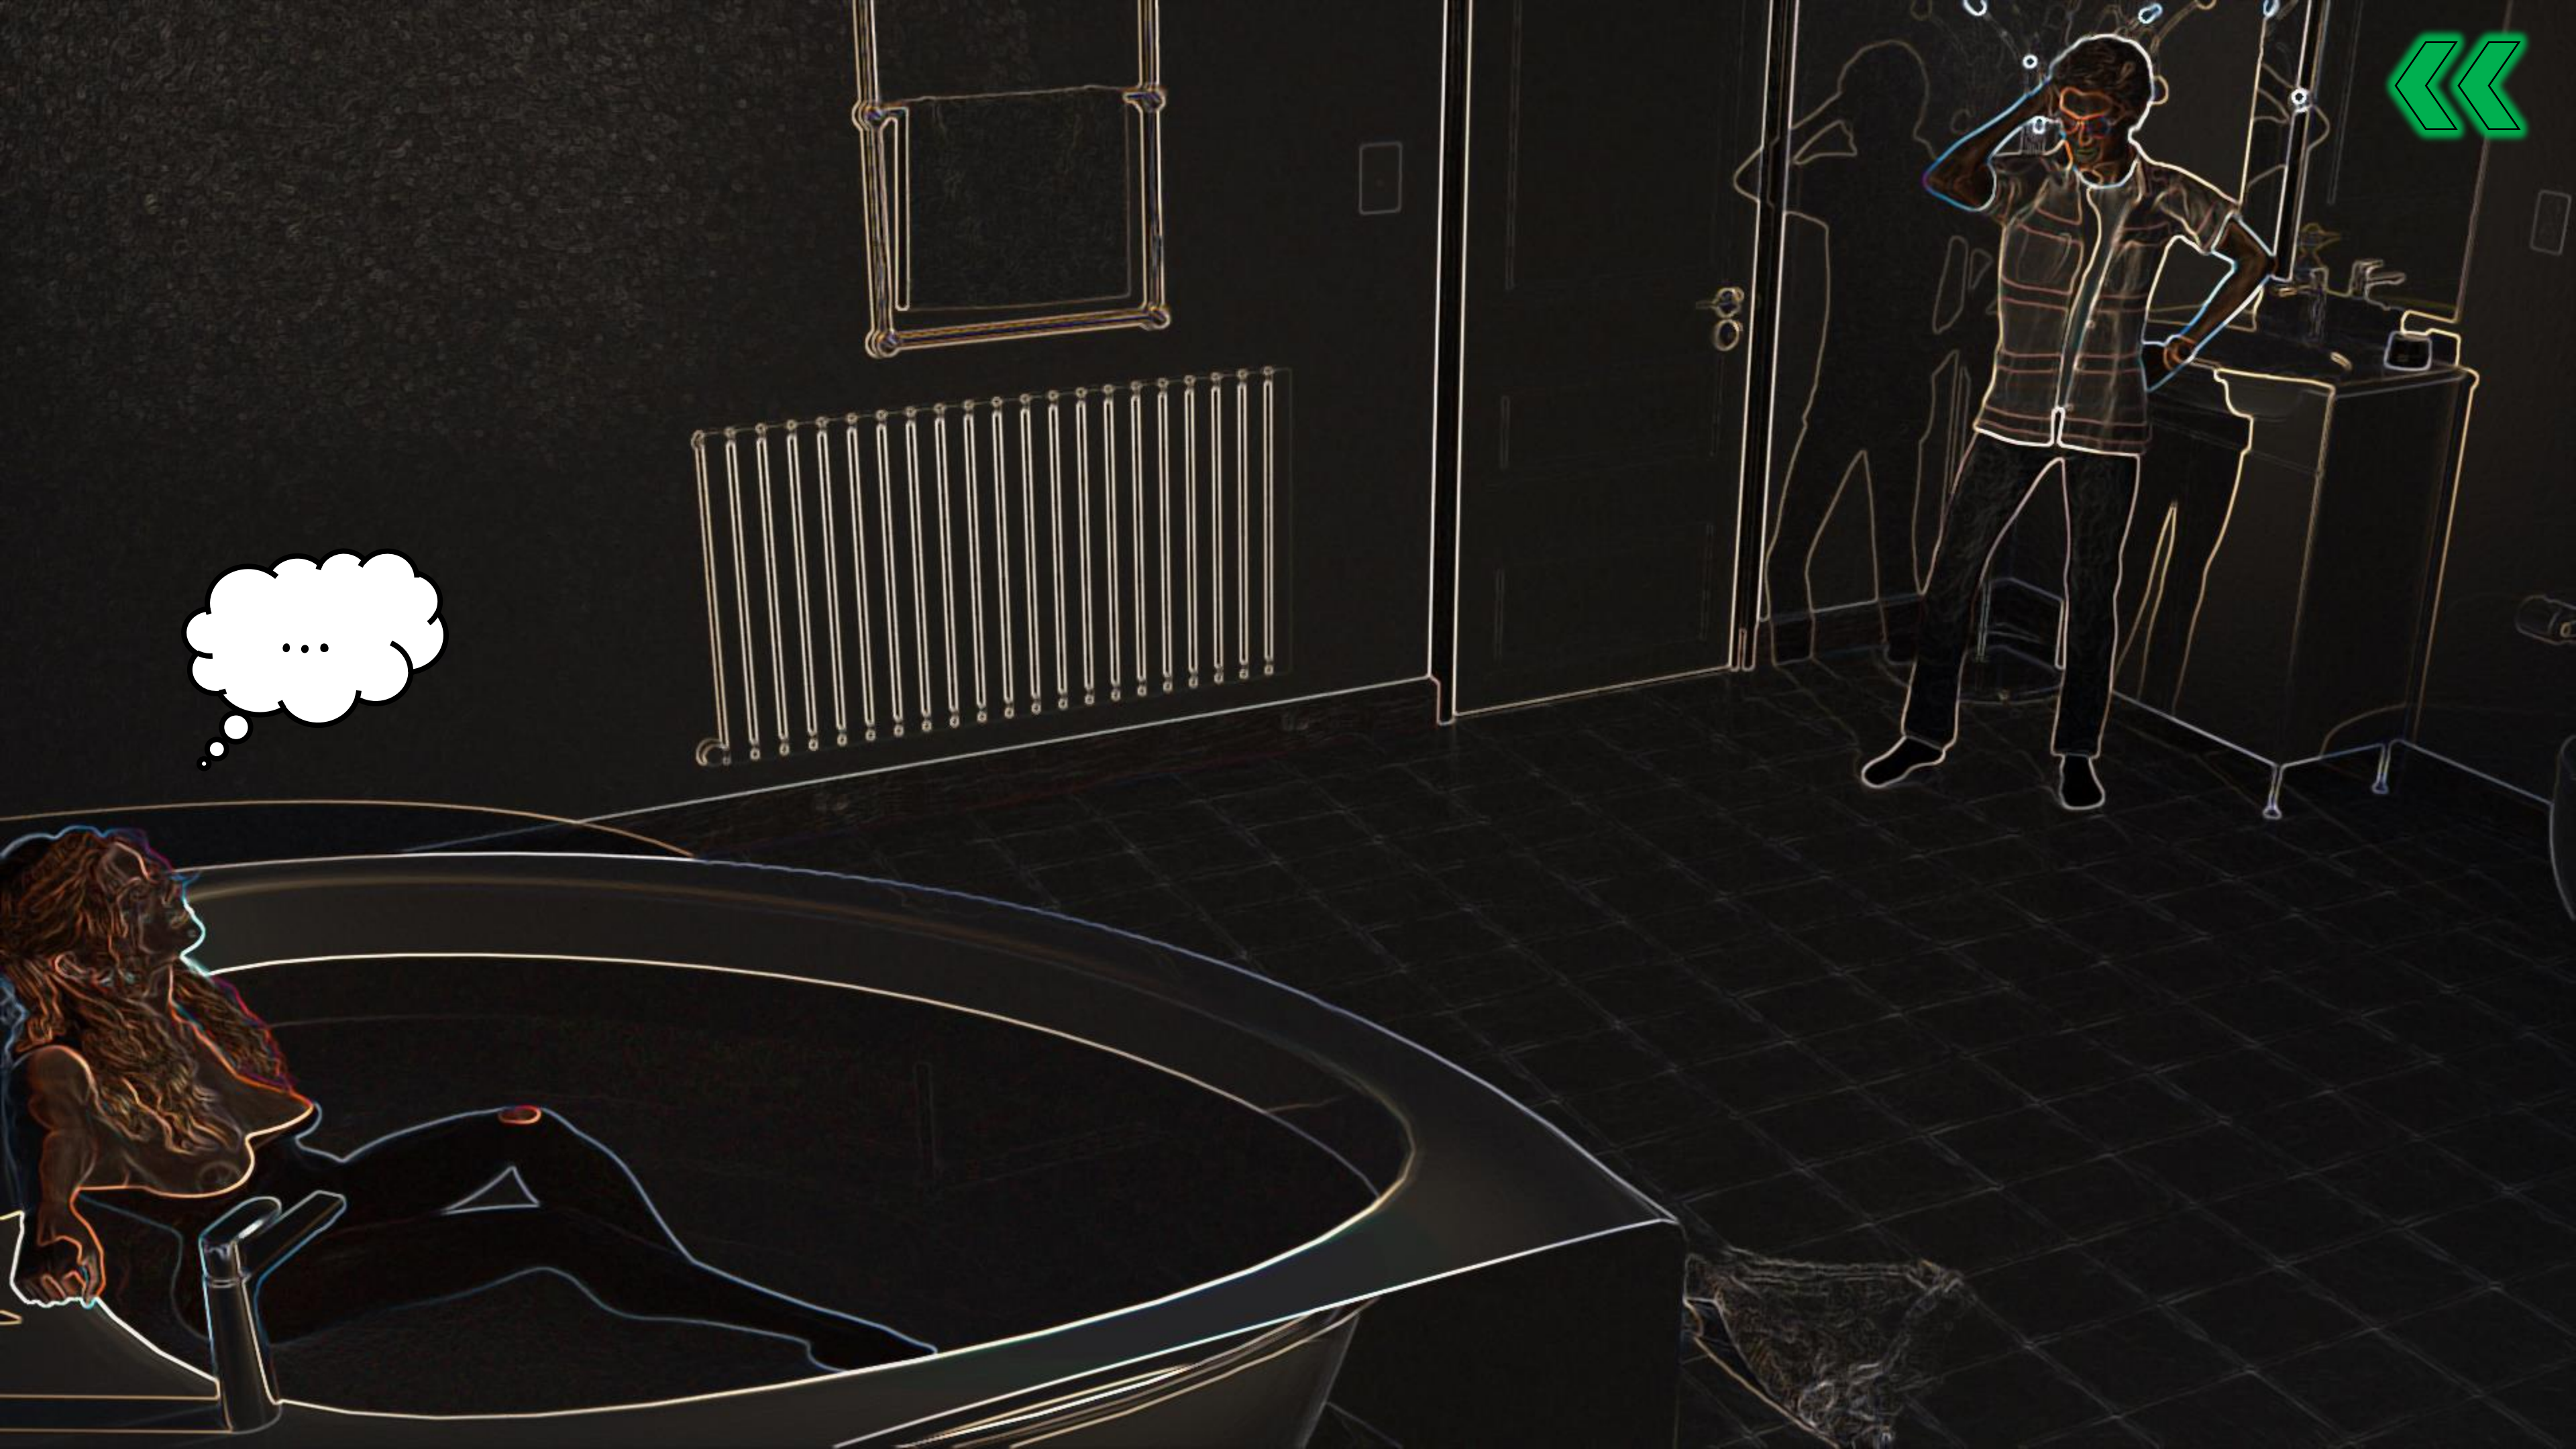

Did that
thing make
him invisible?!
O.M.G.!!

When I get my
hands on that
little twerp
I'm gonna...

Alright! Crisis averted!
Time reverted, and Jessica
is none the wiser!

Time to play a prank on her!

Well, so much
for I'll never see
a body like yours.
chuckle

Darn... Jessica really was hot... Those
daily workouts seem to pay off...

While my sister was enjoying her bath...

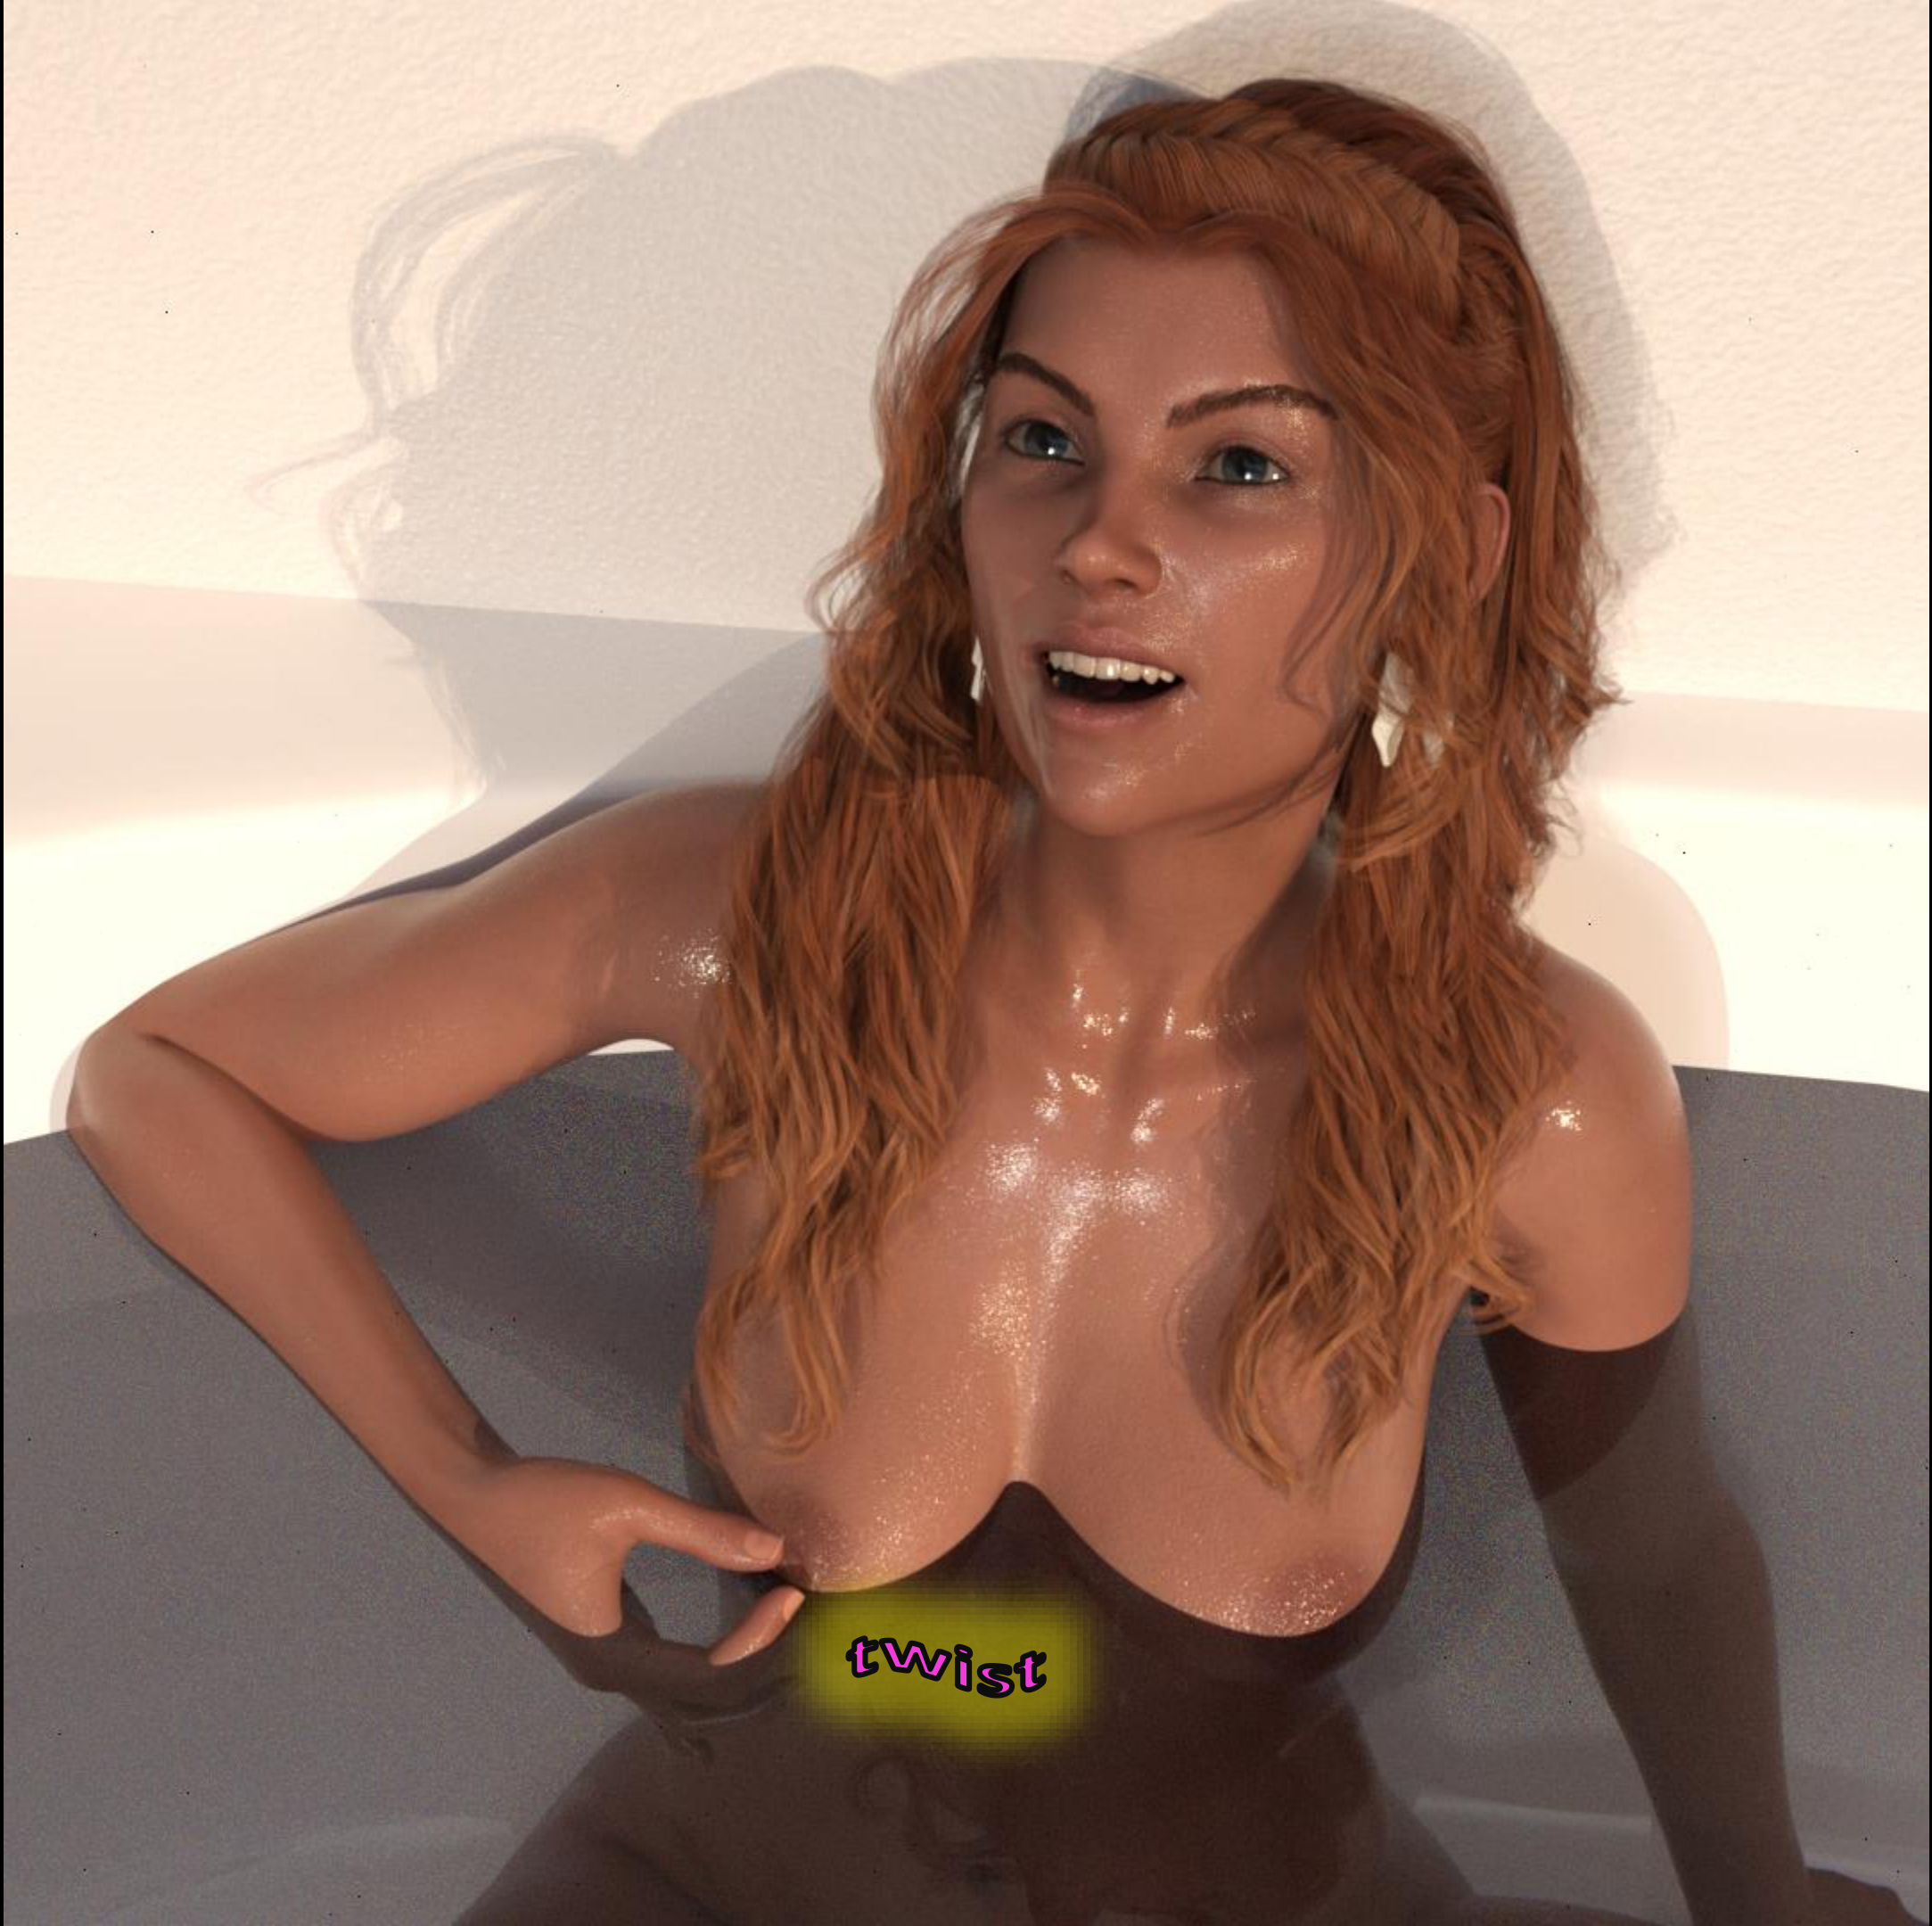

I was trying not to peek too much while thinking about how to prank her...

I guess I could steal the towel...

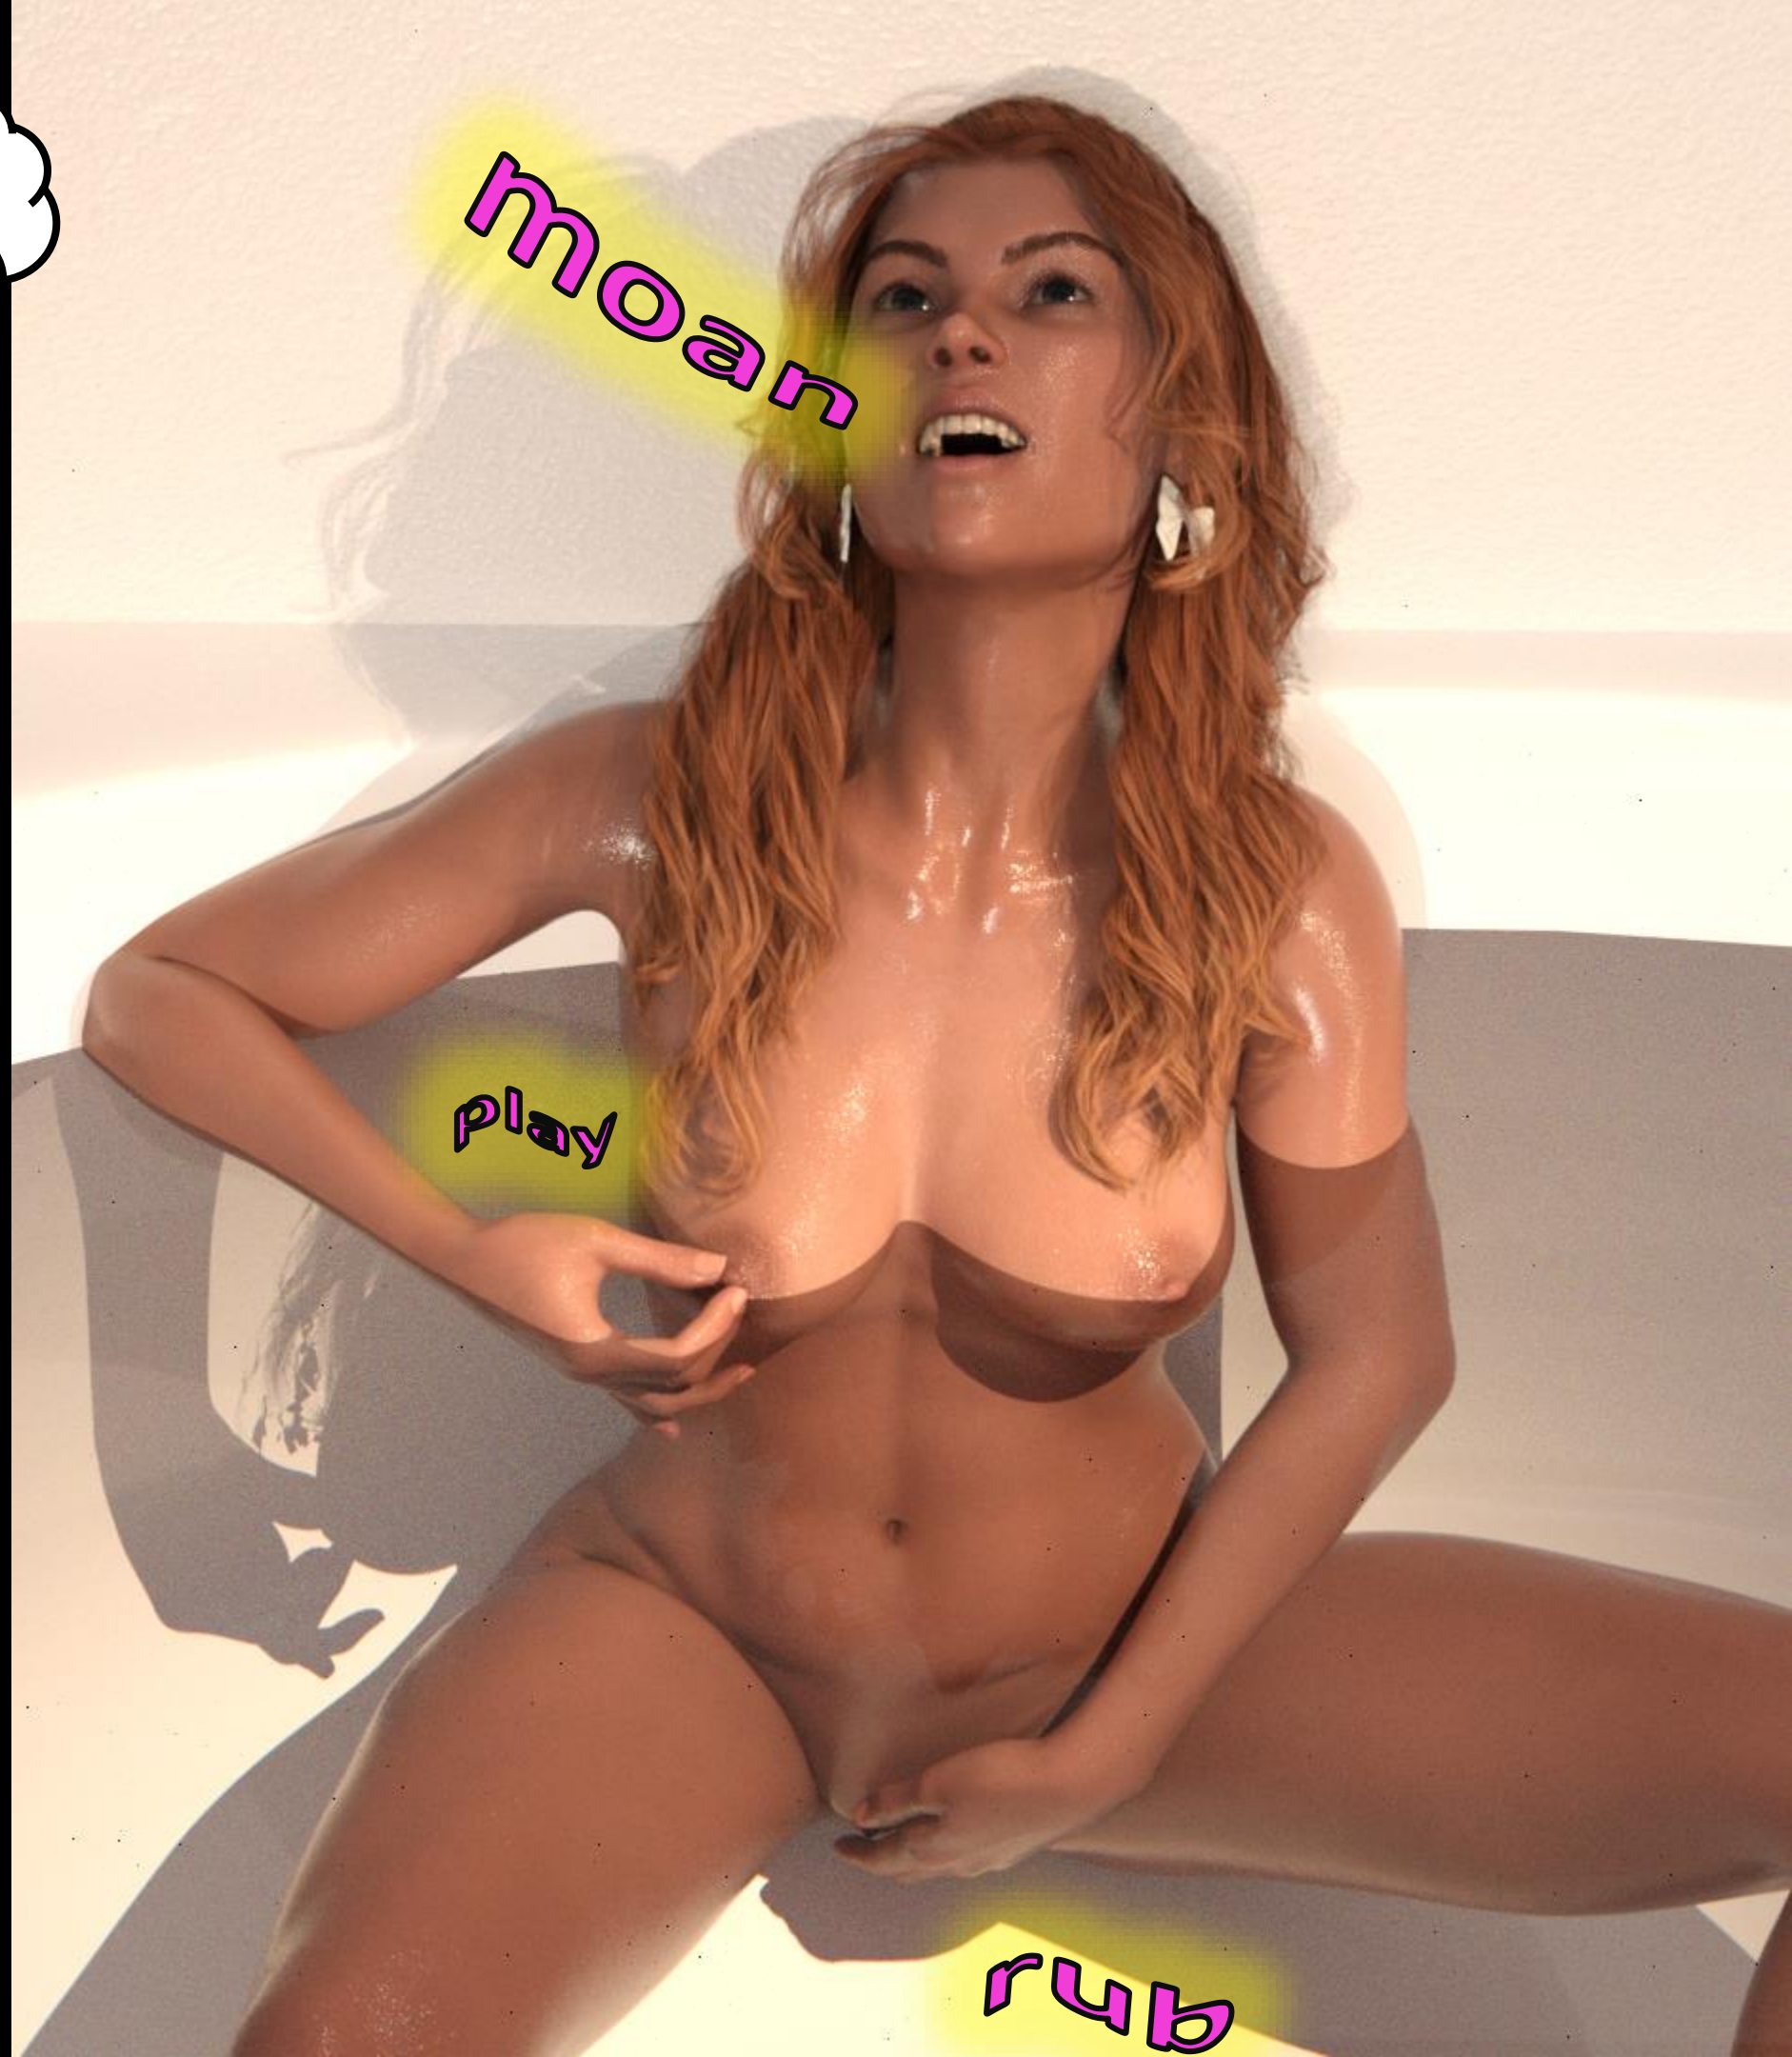

But there are more towels over there...

I guess I could try to hide them
all... but it's a hassle...

I did not expect Jessica to... do
THAT in the bathtub...

But while I was busy thinking
about how to best prank her...

She had started to masturbate!

What is she doing now?

Jessica turns around in the tub and reaches for the tap...

So... that's what she's
going for... I see...

Feeling
good, sis?

moan

Jessica has turned the tap on full throttle and placed her pussy right underneath... Clearly enjoying the stimulation.

Obviously, my comment is completely ignored as she is completely oblivious to my presence right now...

I notice her hips buckle and her whole body shudder... She's really enjoying herself there

Oh,
Frederick!

I'm
cumming!

I wonder who that Frederick
guy is. As far as I know, Jessica
currently has no boyfriend.

It's fascinating what you can learn about another person if they are ignorant of your presence.

I for example never knew my stepsister
was cleanly shaven down there.

Having finished her "business", Jessica lets some of the water pearl off her smooth skin before she lifts her leg and gets out of the bathtub.

Now... this might be a good point in time to point out that I'm still a Virgin...

Never had I seen a pussy up close like this... not in real life...

So... while I never had any sexual thoughts about my stepsister so far...

This was a great show!

After drying herself with the towel, my sister wrapped it around her and started to walk out the bathroom door.

My gaze followed her...

And I stared the way she left
a good minute longer...

Trying to process the events I
just witnessed...

Thinking about stuff...

Oh,
shoot!

I totally forgot to prank her!

I got out of the bathroom and lay down in my bed. Thinking back...
I'm not proud of it... but I'm really aroused right now...

When I suddenly hear the doorbell ring. Followed by two girls talking...

It's Julie! One of my sister's friends!

To be continued...

Thank you for reading!

Hello, Hexxet here,

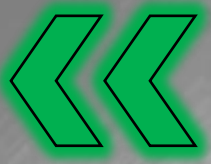

Again, no HC action in this chapter, but I hope you did enjoy that bathing scene. I think it turned out pretty hot even though Mika is in kinda an awkward situation there.

Next chapter will finally feature some free-use action as Mika needs to relieve the built-up pressure. Thankfully Julie is paying his sister a visit! Great timing, right?! 😊
