She'll be a
laughingstock
at the office
tomorrow!

Muhahaha!!
This thing is
incredibly
powerful.

Glad you are
having fun... But
why did you give
that bitch boobs
bigger than
mine?!

neon

Oh, god!

Looks so delicious!

I really wanna take a lick!

The lady in the background wondered when her delicious treat would arrive. After all, she had ordered an ice cream on that strange app... right?

I am a dumb slut who needs to display her naked body.

I am a dumb slut who needs to display her naked body.

press

With so many people getting their hands on the remote, the beach soon was a place of utter chaos!

When the young man asked them whether the little device he found in the sand was theirs they did not expect to experience the most incredible orgasm of their lives the next moment...

Cumming!

Oh, my
god!

Sorry, I think I
pressed... Ladies?!
Are you alright?

press

Oh, shit!
I totes pressed
like a button right
now, didn't I?

press

Hey, girls!
I'm feeling quite
top heavy all of
a sudden!

Sorry!
I just tapped this
button here several
times on that thingy
I found in the sand.

Jessica!
What did
you do?

Oh, my god!
I'm cumming!

What did
you do to
her?!

Let me
show you...

press

Moan

That will teach them!

Moan

press

moan

Zapping their brains away was easy...
finding their way home was hard...

Like
where are
we again?

Duh! Silly!
The beach!

Like can
you Zap my
boobies as
well, Vicky?

Hurry up!
Return our boobs
back to normal before
somebody sees!

Oups!!
So, that's what
that button
does...

I'm
trying!

leeeek

Hiding Josie's clothes on their beach trip was their first mistake.

Holy F...!!
With this thing
I can control
you like a game
character!

Ignoring the shiny thing on the ground that Josie picked up later was their second...

leeeekkk

press
Serves you
right bitch.
Ha-ha!

Oh,
fuck!

Where did
my clothes
go?

press

Run Jenny!
Run, before
they make us
bigger as well!

I think... it's
too late for
that, sis!

Oh, my god!
I'm sorry sis!
What did I
do?!

Then quit
pressing that
"up" button!!

Now will you look at that. These three obviously hit the orgasm button then tried to fix it and hit "Pause"!

Well, ladies. I'm gonna take this back.

Thanks for
helping me
find my
remote!

I wouldn't
know what to
do without it.

The End.

Hello, Hexxet here,

And that's the end to our beach excursion. I hope you liked it. I surely enjoyed this new graphic style and I think a lot of the scenes turned out great 😊.

More PAls and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAls you probably want to visit the shops, not the Patreon). Some free PAls can be found on my homepage.
