Yeah... erm... That's me... I usually have that effect on hot chicks I try to speak to. They laugh at me...

Ha-ha-ha

O.M.G.!!
Is this loser really talking to us?

I'm not ugly... at least I think so... but let's just say I'm not wielding the toned beach body these chicks would swoon over...

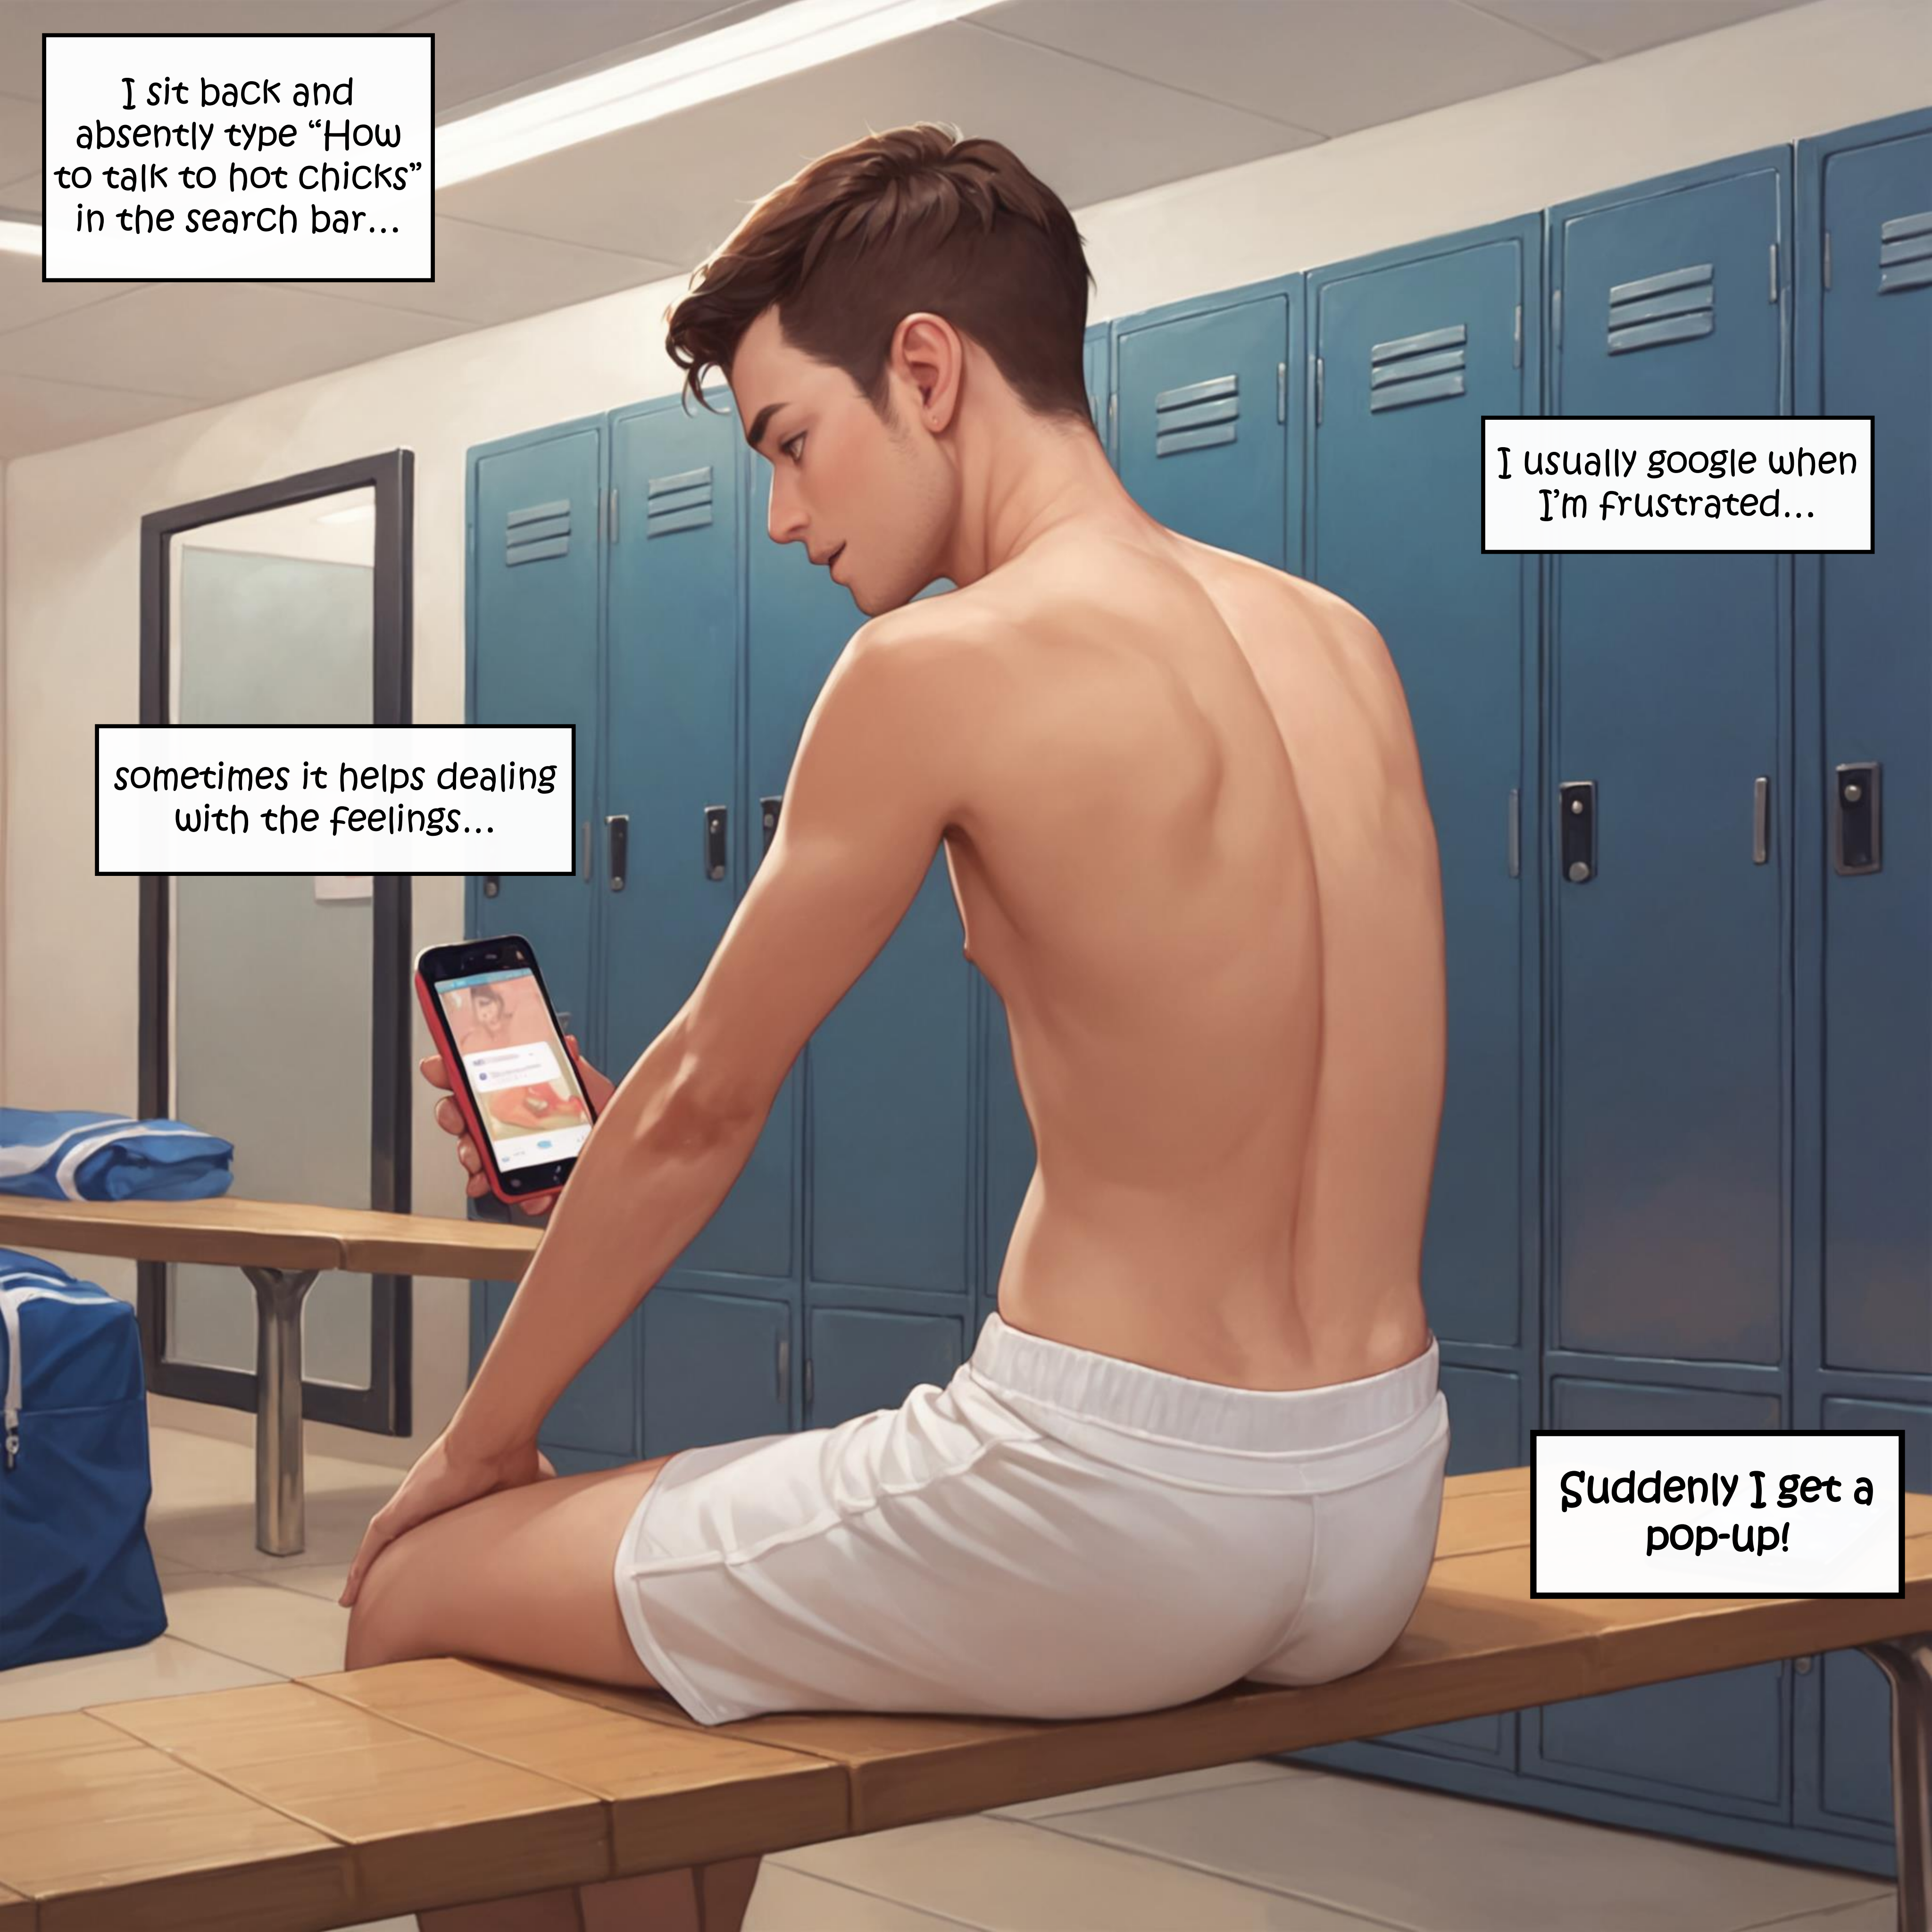

I sit back and absently type "How to talk to hot chicks" in the search bar...

I usually google when I'm frustrated...

sometimes it helps dealing with the feelings...

Suddenly I get a pop-up!

At the same time, a notification pops up that 99.99\$ was added to my phone bill. **Da FUCK?!**

What kinda hack is this?! I've totally been scammed? **FUCK!**

Heya!!
Are you
Mister XXXX?

But before I can wallow in my frustration a chick taps me on the shoulder. She's dressed like... a delivery girl?

As I nod my head in a stupor, she hands me a package.

Confused I take it, but before I can ask how the girl found me amidst the local public pool the girl wishes me a good day and leaves...

Curiously I open the package and inside I find a flask... **That's the flask from that scam pop-up!**

No way... There is no way this is legit...

GULP

GULP

GULP

Hm...
Doesn't taste too bad.

Just as I finish up drinking that potion Katy walks up to me.

Hey!
What's taking
you so long?

Katy is my childhood friend since diapers. And I'm here with her today.

It was a bit embarrassing... but I told her about the potion.

Wait! Let me get this straight.

Some random girl brings you a potion that "makes your... PENIS irresistible to women"?

And you just drank it?

That is the
dumbest shit
I've ever heard.

Come on, let's
go. It's great
weather today.

Huh?
What do you mean "What if it slips out of your trunks and a girl sees it"?

Are you stupid?

But if it's true...

Really,
dude?!

Okay fine! Pull it
out! If I don't get an
uncontrollable desire to
worship your cock you
are paying for lunch!

Oh, shut up! You
are wasting my time
here. I've already
seen it so let's get
this done.

I want to
get a tan,
TODAY!

I... I don't know.
That would be
awkward...

That
was like in
kindergarden!

Okay!
Fine!

SCHLUP

As I pull down my trunks Katy screams at me... Yeah... I've gotten a bit aroused by this... **sue me!**

Oh, my god!
You have a semi from this?! **Really?!**

Sorry!
I'll put it away.
It's clearly not working.

Stupid me!

Wait!

Huh?

A woman with long red hair and glowing purple eyes, wearing a red bikini, stands in a locker room. She has a surprised expression with her mouth open. To her right, a muscular man's torso is visible. A glowing orange penis is shown in the foreground. Two speech bubbles are present: one from the man saying "It's the most beautiful thing I have ever seen!" and another from the woman saying "Ha-ha! Very funny!".

It's the most beautiful thing I have ever seen!

Ha-ha!
Very funny!

No! Please!
Don't put it
away.

I'll do
anything!

Katy was revealing
one breast to me...
would she really go
that far for a joke?

No!

Please!

You have the most amazing dick!

You are joking...

Please, let
me worship
it!

Huh!
You are
right!

Here!
Boobs! Your
dick likes them,
right?

O.M.G.!!
Katy! Somebody
could walk in
any second!

PUSH

Woah!
Katy what are
you...

Katy pushes me into one of
the changing cabins close by.
Is this really happening?

As Katy sinks to her knees before me...
It dawns on me...

So
Beautiful.

Katy is not playing pretend!

I love it!

The potion, it really worked!

Please tell me I can wrap my lip around your shaft!

As Katy's soft hands wrap around my dick any moral concerns about her being my friend are washed away by pleasure.

OH, god!
I love it!

!!!

Katy's cute face
looking up to me...
her eyes full of
adoration... her lips
kissing the tip of my
cock...

I knew I would not hold out for long...

And Katy probably felt my cock twitch.

As she suddenly
doubled her
efforts! God I
could feel the
pressure in my
balls building
with every
suction!

Katy's mouth felt amazing around my dick! But... was this alright? Katy was my best friend...

And just as I was
thinking that,
Katy dove deep!

GAK

That sudden stimulation drives me over the edge!

And I release spurt after spurt into my childhood friend's throat and mouth!

Never did I
come so much!

Katy kneels panting for air in front of me.

Huff
Huff
Huff

Cum and spit are dripping from her mouth... but happy...

Your cum tastes like ambrosia!

Her boobs are covered in my spunk. There's lots of it on the floor as well...

I love it!

Those are not normal amounts of cum! Did the potion mess with my sperm count as well?

Let me clean this up for you.

The situation was so surreal...

Can we do it again?

Can I stick your dick in my pussy?

♥

There was something needy... maybe even mad in Katy's voice.

Please!
I want more!

And with my balls emptied for now I found the courage to address the situation like an adult... **I ran away!**

No!
Please don't go!
I love your dick!

Please I'm
addicted to
your cum.

I love
your cum!

Cum...

There's still
some on
the floor...

I don't know what Katy was doing back in the cabin...

So good!

I was just glad she did not follow me.

I'll never get enough of this!

Tfani

That gave me some time to think about this crazy situation...

To be continued?

These pix did not make it into the
story but still turned out hot. 😊

A woman with long red hair and glowing pink eyes, wearing a red bikini, stands in a locker room. She has a shocked expression with her mouth open. To her left, a muscular man's arm is visible, holding a large, orange, ribbed object. A speech bubble points to her from the left. The background consists of blue lockers.

O.M.G.!!
I did not know my
best friend was hiding
the most beautiful
cock in the world in
his trunks!

Please!
I want to feel
it inside of me
so bad!

Thanks for the
cum! I love it!
It tastes so
yummy!

Please,
don't go!
I need you!
I need your
cock!

Hello, Hexxet here,

Found a way to make dicks glow! So, reviving the IP³ series was kind of a no-brainer! 😊

I know this story started out more realistic and drifted into a comical style with the later pages. Sorry for that! I'll need to figure out what made that happen in the AI in the future...

More PAls and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAls you probably want to visit the shops, not the Patreon). Some free PAls can be found on my homepage.
