What the fuck are you doing?

The day of the final battle has come...
Two girls (among others) are residing in the schoolyard, observing their surroundings...

It's Heather and Becky. A team no one would have deemed possible weeks ago...

They are on a secret mission for the nerd society...

Shhh!
I'm blending in!
This is a secret mission.

Don't you shush me, nerd!

We are in the schoolyard! Maybe you should have dressed up as a schoolgirl not a ninja if you wanted to blend in, moron!

BAWL

Hear that?

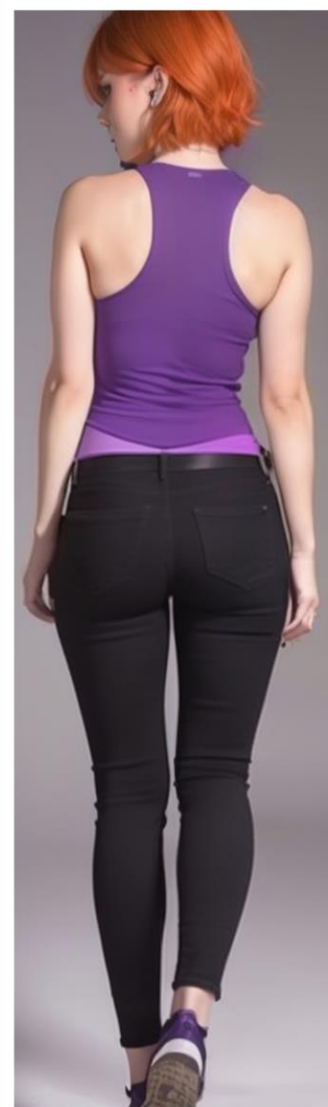

That's the signal!

And so, our two “secret agents” who could not be more different from one another, head into school through a side entrance...

Unified by only one thing – **small boobs!**

Their mission clearly in front of them.

Their target: at the rooftop –
The breast shrinking emitter!

Meanwhile on the other
side of the school...

We haven't heard from the nerd society in several days.

I'd say we can finally rest. We have won, Bridgette! 😊

And no big boobed bimbos sighted on campus ever since.

Beth! Quick! Look out the window!

Oh, my god!

A huge crowd has gathered...
demonstrating for the right to bear
boobs! – Organized by your lovely
neighborhood nerds.

Stand up
against breast
oppression!

Stop the
committee's
Tyranny!

The nerd society has
spared no boobs for this
occasion. Therefore,
among those many flat girls'
huge wobbly chests can be
seen – standing tall... a
sign of rebellion!

Support the
nerd society,
and get your
boobs back!

Let us wear
the boobs
we want!

Students
against breast
regulations!

A woman with long brown hair, wearing a white short-sleeved button-down shirt with a dark blue tie, a white ribbon tied around the waist, and a grey and white plaid skirt. She is also wearing white thigh-high stockings with white garters. She is holding two large cardboard signs. The sign on the left says "Down with the Committee!". The sign on the right says "Support free range Boobs!". A speech bubble coming from her mouth says "Bearing boobs is a fundamental female right!". She is standing on a city street with other people in the background, including a person in a police helmet.

**Down
with the
Committee!**

**Support
free range
Boobs!**

**Bearing
boobs is a
fundamental
female right!**

Holy shit!
Are the fucking
serious?

If they get
in... and get
physical... we
are fucked!

Hey, girls!
Are you alright?
What's going on?

Arriving right now in the
student council room. (IBT-
Committee Headquarters).

Oh, Jacky!
Thank god!
You are a sight
for sore eyes!

The nerd
society has
gathered an
army!

Don't worry!
Erin's still up
there protecting
the emitter.

If you
are down
here...

...alright... fine.
Everybody grab a
Boob vanquisher
3000.

If they get in,
shoot on sight.
Shrink whatever
you can! **This is
not a drill!**

Oh, god... so
it has come
to this...

Still... I can't help
but think this is a
distraction...

Several days earlier ...

Nerd Society's headquarters. (Still Mark(2)'s cellar).

We have gathered here today... to discuss exactly that.

Yo, boss! What's the plan?

Shouldn't we call Becky and our female supporters?

Yeah, we will need their numbers, no? They should know about the plan, right?

NO!

NO girls!
No other members.
Just the inner
circle.

Yes, we need their
numbers. We need
their strength for
our nerd power...
ends in cyberspace...

But what I'm about
to tell you must never
leave this room. Do
you understand?!

Understood

...

gulp
nod

He's getting
serious!

Yes,
boss!

Okay... so... to put it simple. The Committee beat us. Fair and square.

I wouldn't say fair. I mean... evaporating mass is so much easier than creating mass...

Doesn't matter. They had a flawless victory. There is nothing in the breast department we can do to win this battle.

Even if we break their emitter, Beth will come up with a new and better one. The girl's a genius...

So true... Why did we not recruit her for the nerd society in the first place?

Cause she's a girl!

Becky's a girl as well!

...

Be it as it
may, We are
fucked.

I want you to
understand
that.

Because if there
was any other
way I would not
propose this...

So... here's
the plan...

nod

nod

nod

whisper
whisper

Leaving them
BEEP

BEEP and it will
BEEP their
BEEP...

NO
WAY!

You
can't be
serious!

What
about
Becky?!

You can't make an omelet without breaking an egg...

I need you all on board with this. What do you say? Shall we do it? Or do we let the Committee win?

I've thought long and hard about this. But unless you want to spend the rest of your school days in a boobless trauma, this is the only way.

Gulp
To say it with Captain Taggart's words:
"Never give up - Never Surrender!"

For the Boob Equilibrium!

We could just tell the authorities... They could stop the committee...

Nah that's too easy. Surely he considered that option already...

... I'm in.

So, here's the plan in detail...

Mark2 and I will develop a program to hijack the Emitter.

Doable... but it would need to be deployed physically via a USB drive...

The emitter is on the school's rooftop...

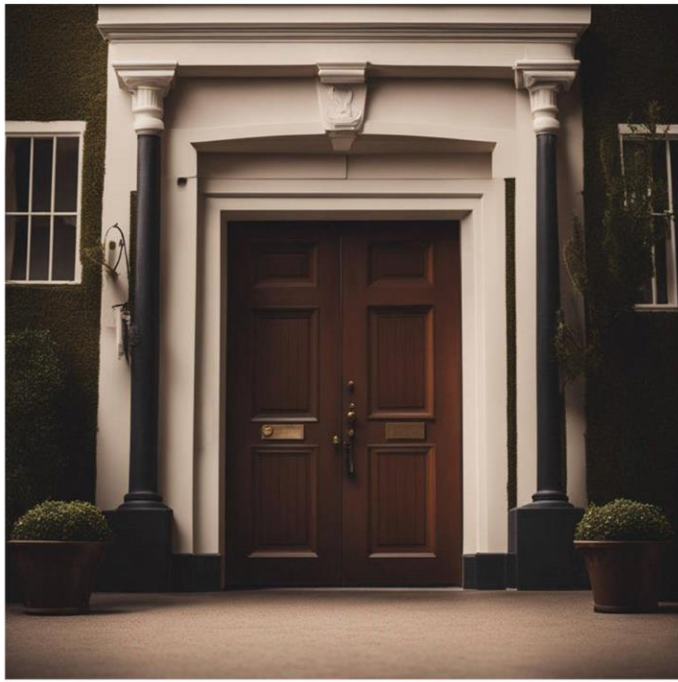

Two committee members stand guard all the time...

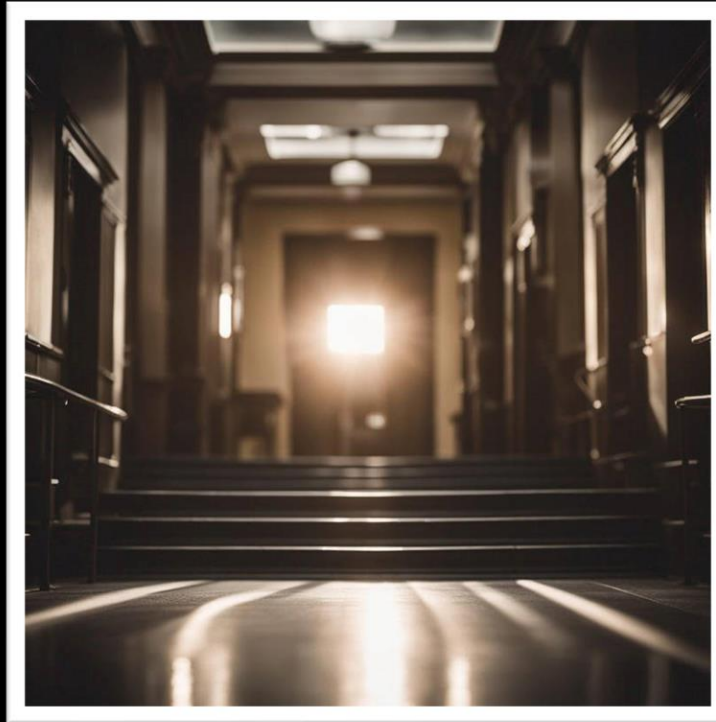

And the only floor leading up there is booby trapped with lasers that will inform the Committee of any intruders!

That's where Becky and Heather come into play...

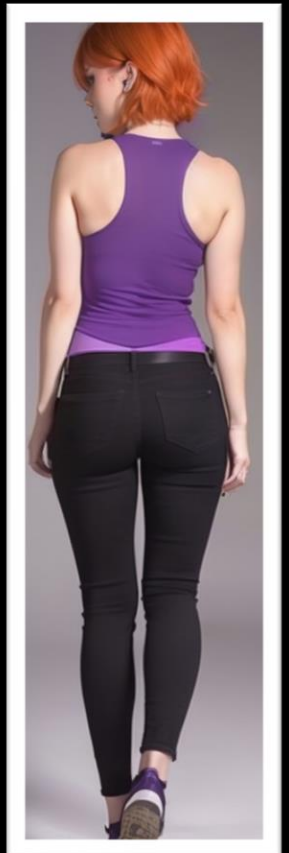

After entering the school
through the side entrance...

And making their way
through school unseen...

They will arrive at the laser barrier.

And
checkmate.
What can
they do?

You are forgetting about
Heather's background!

She's a
cheerleader!

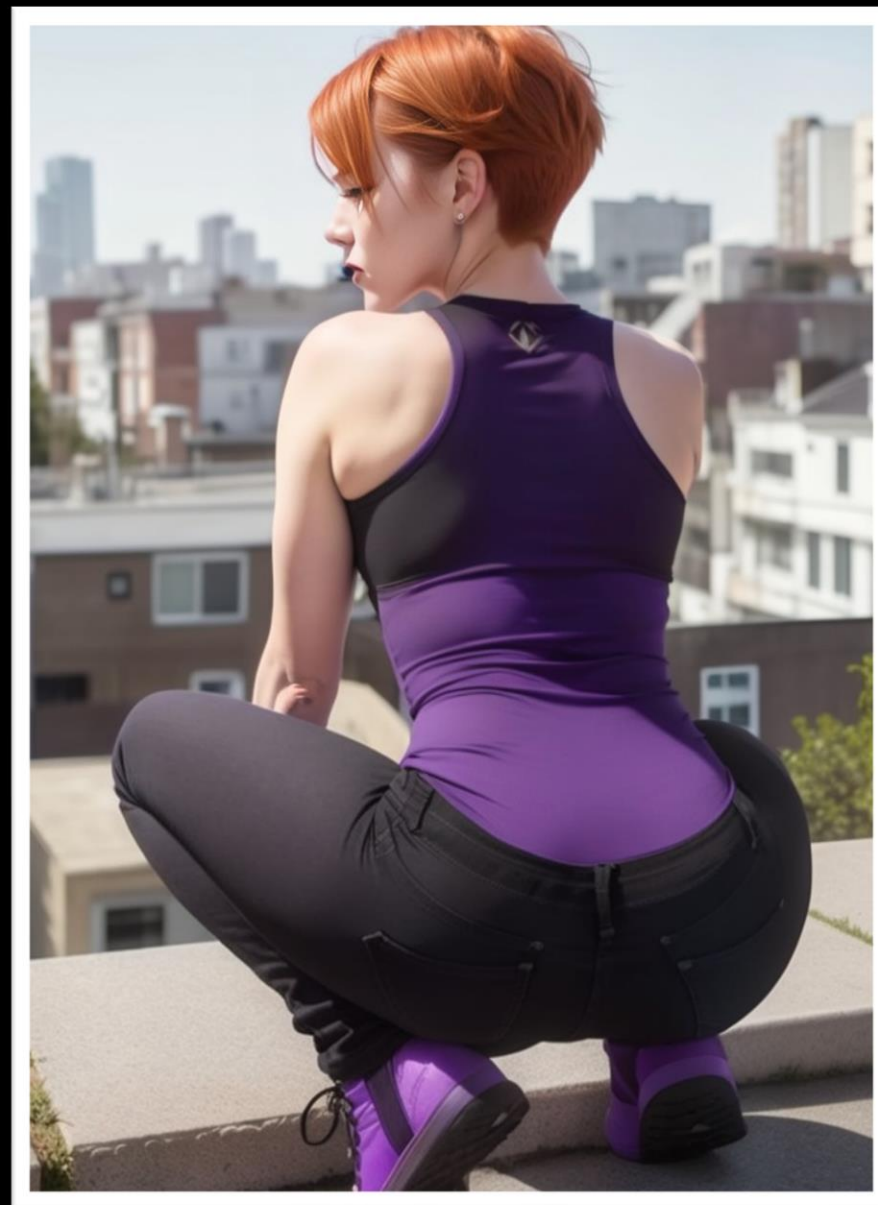

Go left!
The other
left!

With Becky telling her where to go, Heather will just “yoga” herself through those lasers like in a spy movie and deactivate them on the other side to let Becky pass!

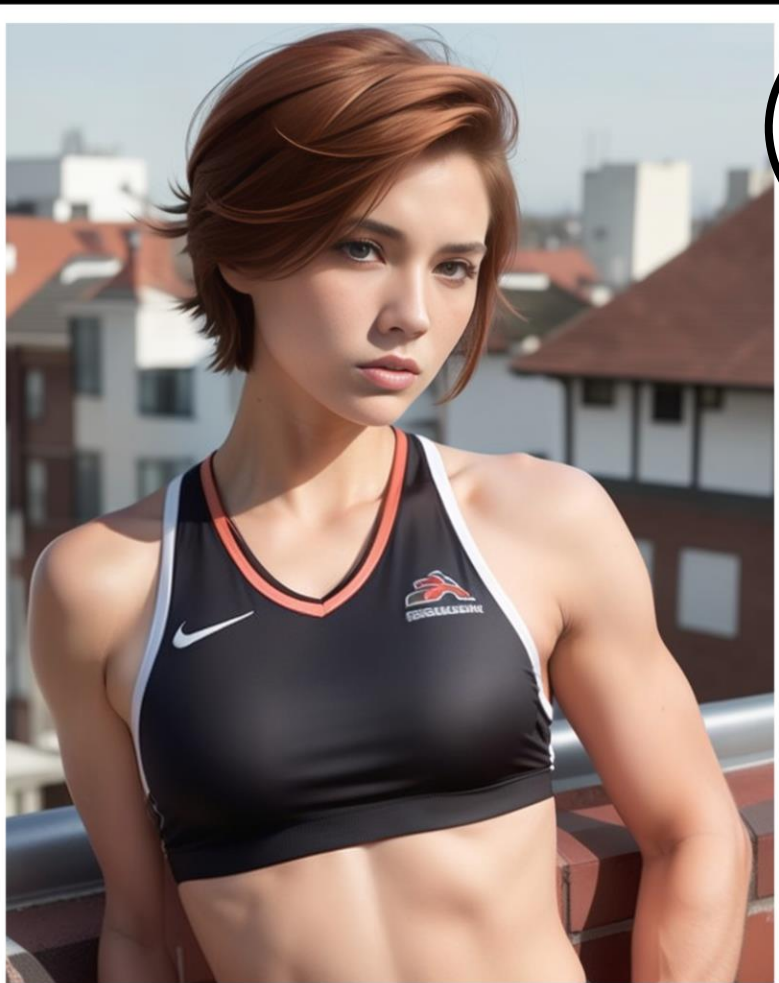

Once past the lasers they will be on the rooftop and have a good view of the emitter.

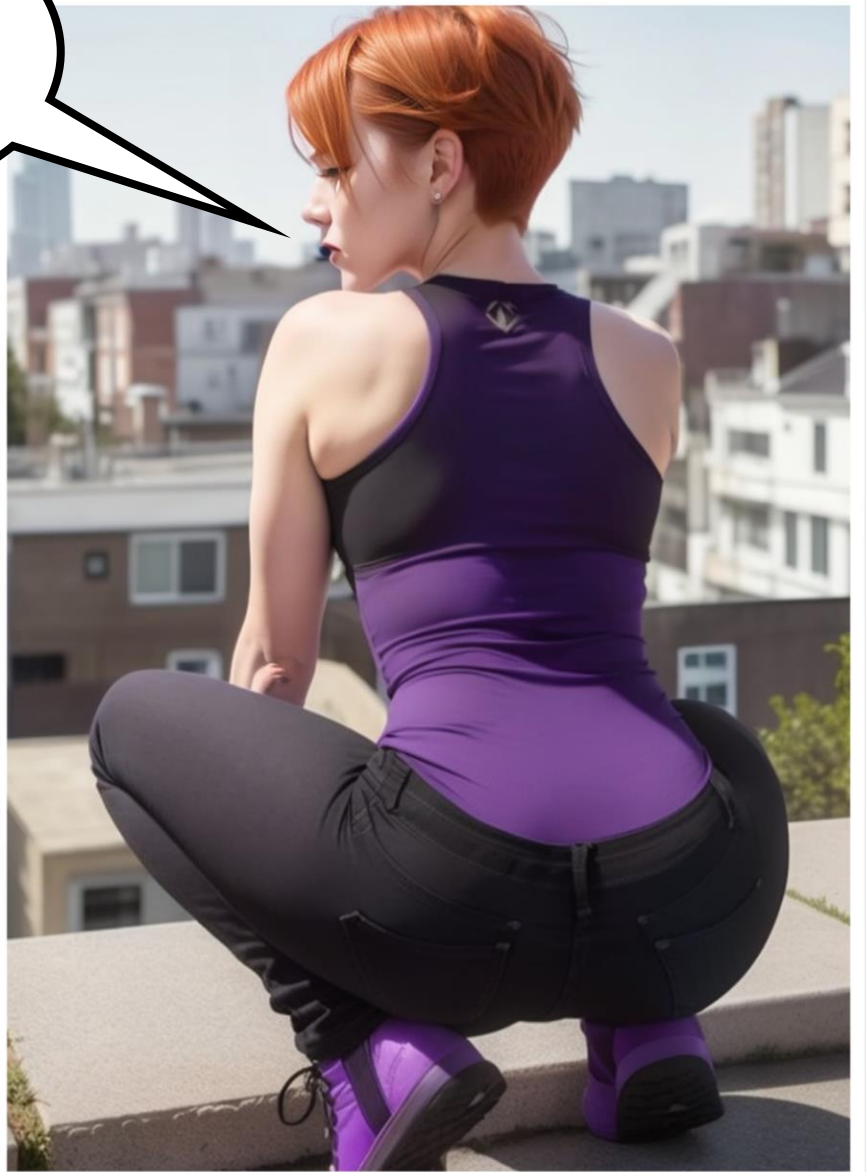

They will also see their adversaries.

Worst case, Erin and Jacky are on guard duty...

The committee's physically toughest.

FUCK! It's
Erin and
Jacky!

Don't worry. That's where our
other supporters play their role.

Mark1, Billy, you will gather our supporters and organize a demo in front of the school.

We'll add some extra boobs into the mix.

Restore the Boob Equilibrium !!!!

The Committee must fall!

And I'll draw up some boards!

**Tit
tolerance!**

**Give our
boobs
back!**

**Down
with the
Committee!**

**The only thing
restricting our
breasts should
be bras!**

Give us
back our
breasts!

The committee
took everything
from us!

We had
D cups!

The demo should draw their attention.

Holy F...

Are you
seeing
this?!

Beth and
Bridgette must
be scared...

One of us
should go
down and help
them out...

I'll go.

With one of the guards gone, Heather and Becky should manage to overpower the remaining one.

And with both guards out of the way ...

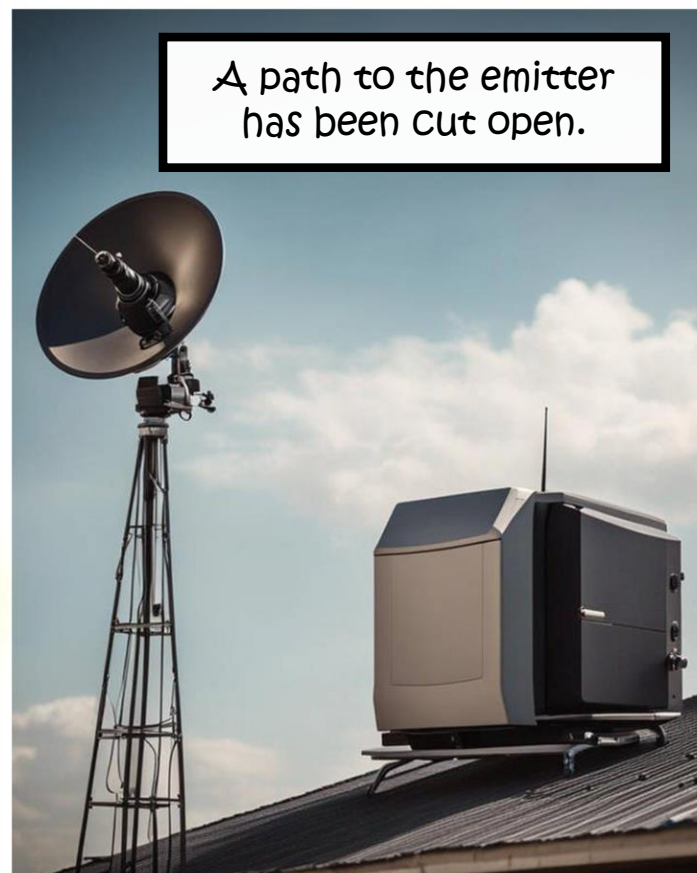

Becky will insert
the USB drive and
hack the Emitter.

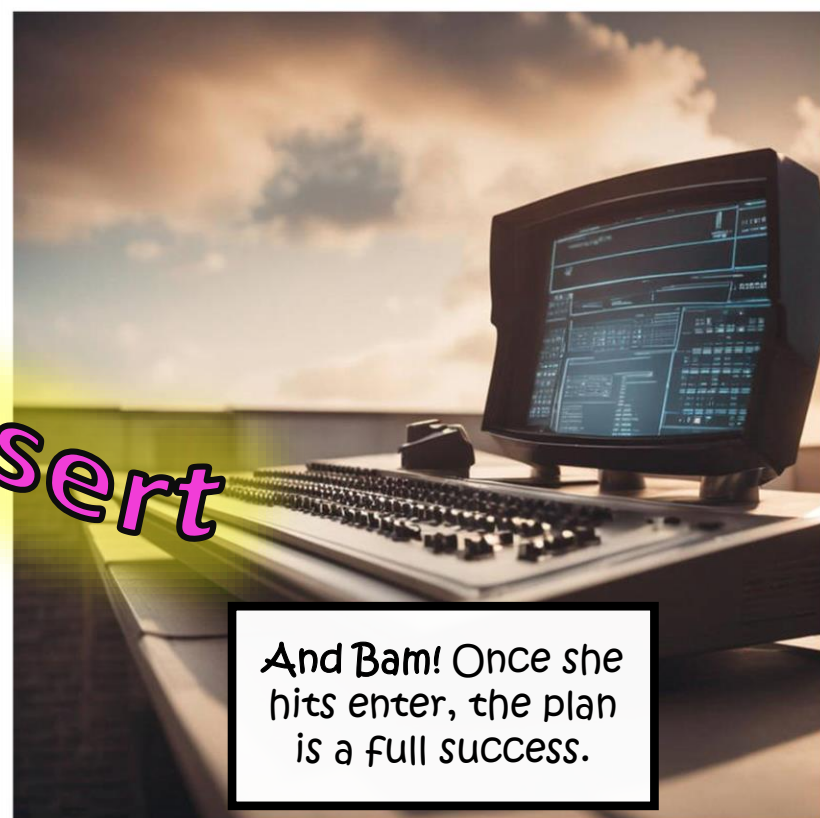

insert

A path to the emitter
has been cut open.

And Bam! Once she
hits enter, the plan
is a full success.

Back in the present.
Everything has worked out
exactly as planned and we join
Becky as she is about to hit
enter. **What can go wrong?**

Emitter Control...

External drive detected...

Opening...

...

...

...

Execute Emitter_Hack.exe?

YES

NO

A small click for
me but a huge
step for the boob
Equilibrium!

Checkmate,
Committee!

Becky is about to hit enter when suddenly a video feed of Beth appears on the emitter's screen.

Emitter Control...

External drive detected

Opening...

Execute Emitter_Hack.exe?

Do you have any idea what you are doing?!

Oh, my god! Wait!

YES

NO

Winning?

Emit

Extern

Opening...

...

...

...

Execute Emitter_Hack.exe

It will recalibrate the emitter to **shrink female brains!** It will turn all girls on campus into **stupid bimbos!**

I don't know what they told you, Becky. But I just analyzed that program you are about to start.

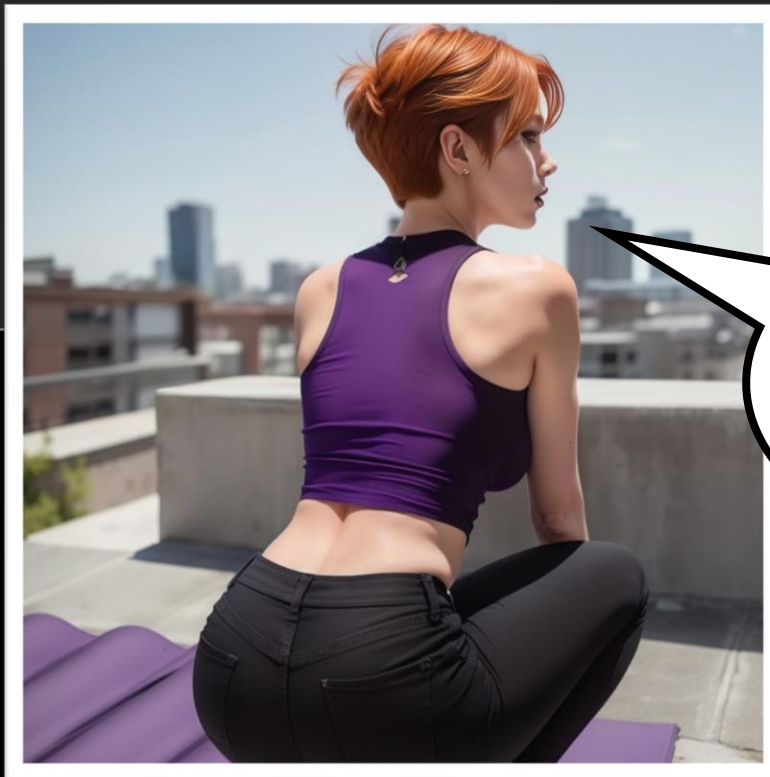

YES

NO

The guys said it would reverse the Emitter's function so we can use it to grow boobs!

Wait, what?!

Emitter Control...

External drive detected...

Opening...

...

...

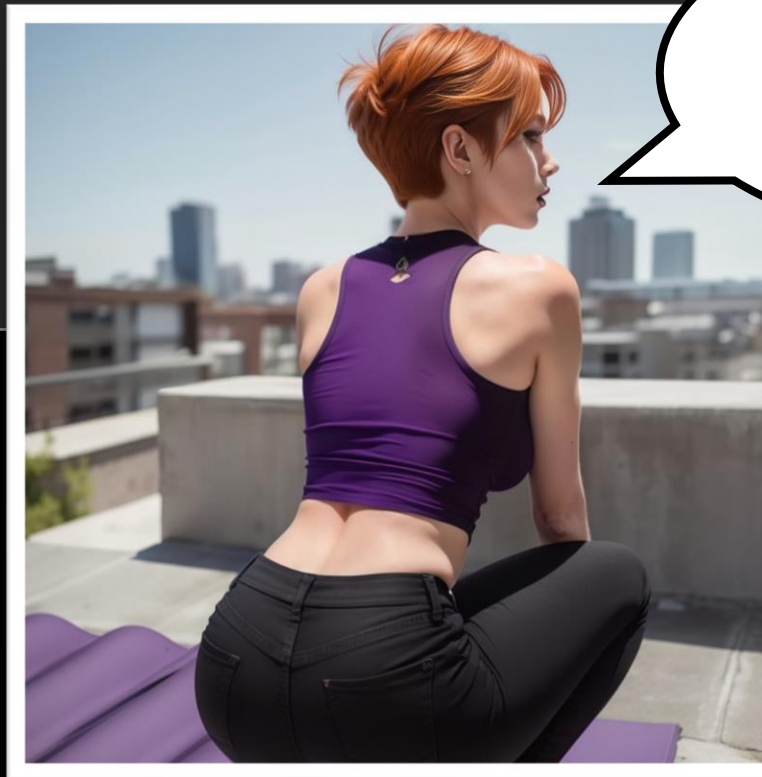

...

Execute Emitter_Hack.exe?

The Emitter can't
create mass! And it
never will. You should
know how much energy
that would take! And
wireless? **No Way!**

YES

NO

FUCK!
Those assholes! That's
why I was not allowed
at the meetings...

I can't believe
they'd do that to
me! **Bastards!** I
will punch them
so hard...

So close, yet so far! The Boob Equilibrium hangs in the balance as Becky is about to remove the USB drive ...

Emitter Control...

External drive detected...

Opening...

Execute Emitter_Hack.exe?

Phew...
Thank you for
seeing reason...

NO

When suddenly something hard

knocking her unconscious...

It's Heather!

Emitter Control...

External drive detected...

Opening...

...

...

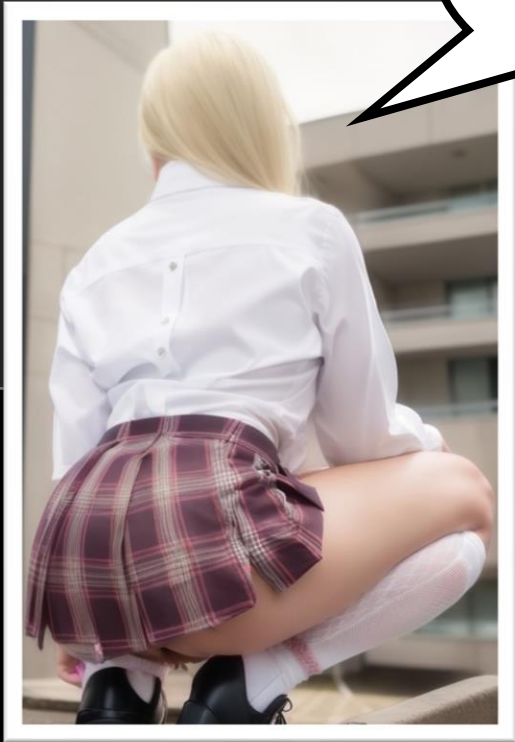

...

Execute Emitter_Hack.exe?

Heather?!

YES

We came this far, we are not pussying out of this!

Heather!
Listen to me!
If you do that you may destroy the committee.

But you are also condemning each and every female student at this school to become a dumb, brainless, bimbo!

Including yourself!

What do I
care about
brains?

If I get my
breasts back, I
can get any guy I
want to take
care of me.

If you make me
choose between
brains and boobs,
10 out of 9 I will
choose Boobs!

So, fuck you,
Beth! Fuck you
and your stupid
committee!

She's already
bad at math...

Nooooo!
Don't do
it!

Emitter Control...

External drive detected...

Opening...

...

Execute Emitter_Hack.exe?

YES

NO

click

Despite Beth's best effort, the "yes" button had been pressed and the recalibrated Emitter began its evil work...

No, no, no!
There must be
something I can do!
I don't want to be
stupid!

Noooooooooo

Oh, god!
It's getting
hard to
think...

Heather!
Please! Destroy
the Emitter!

**Fuck off,
Beth!**

Shit!
What... what
was I like
saying?

Darn!
These are
kinda small...

Like...uhhh... I
think I need
bigger boobies!

School toilets...

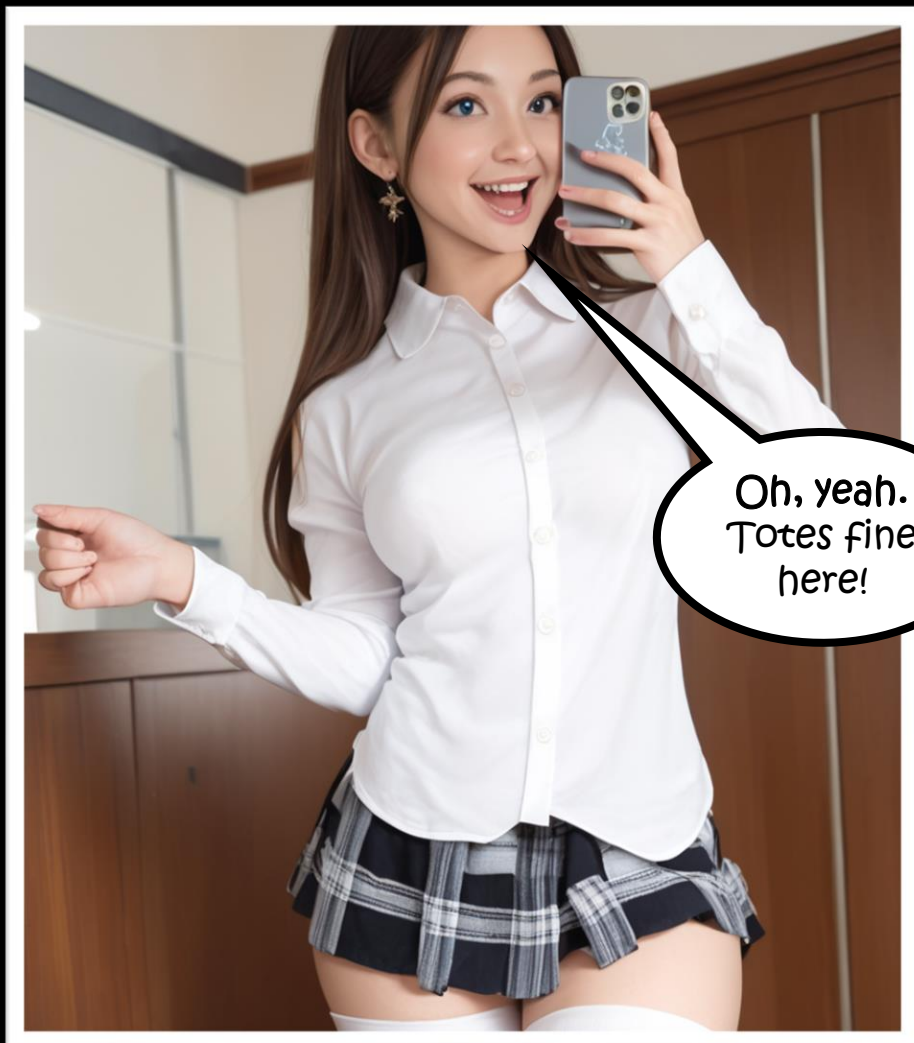

The waves of the "Bimbo Emitter" as the nerds would later call it, penetrated the school walls and hit girls hiding out even in the furthest corners of the building.

I'm telling you,
it's insane!
There's a huge
crowd outside
demonstrating.

They are
shouting about
the right to
bear boobs...

LOL.

As the girls' brains turned to mush, the nerd society's victory was ensured...

Library

What's that
commotion
outside?

I don't
know and I
don't care.

We need to
study for
the examen!

An anime-style illustration of two young women in a library. The woman on the left has long brown hair and blue eyes, wearing a white shirt, a dark blue vest, and a pleated skirt. She is looking towards the camera with a surprised expression, her hand near her chin. The woman on the right has long blonde hair and blue eyes, wearing a white shirt, a dark blue V-neck sweater, and a striped tie. She is sitting at a desk with an open book, looking at the camera with a slight smile. Both have green and purple star-like sparkles floating above their heads. The background is filled with bookshelves. A yellow speech bubble with the word 'giggle' is near the brown-haired girl. A white speech bubble with text is near the blonde-haired girl.

giggle

Uff...
I... I don't
get any of
this!

Moan

Say... have...
have you ever
kissed a girl?

moan

Well... stupid girls get
distracted so easily...
but don't worry. That
test will be canceled
anyway...

But it's not only students
that fall victim to the
corrupted emitter...

Silence in the
classroom!

Ohhhh

giggle

Ti-hi!!
Just joking!

A woman with brown hair in a bun, wearing black-rimmed glasses, a white button-down shirt with the top buttons open revealing a black lace bra, and a tan high-waisted skirt. She is standing in a classroom with a green chalkboard and wooden desks in the background. A speech bubble points to her from the left.

Moan as
loud as you
want.

And moaning, they did...

With their inhibitions
reduced to almost zero...

Most girls embraced
masturbation over studying...

And moans could be heard
throughout the complex.

Moan

All classes got canceled...

Or replaced by sex-ed, if you want to call it that. ☺

Phase 2 of the plan started
in the days to follow.

The nerd society's members were kept busy as dozens of girls lined up in front of their breast growth facility (still Mark(2)'s cellar).

I Can't wait
to get my
new boobs!

Lol,
money?

You got
the money?

With the war against the committee won, the Boob Hatcher Mark 2 was in high demand and the nerd society had ramped up the prices...

Girls could pay a decent amount of money to get their chests expanded...

Or they could pay in...
different ways...

Obviously, most of these
stupefied girls opted in for
payment option number two...

Oh, yeah!
Give me
that nerd
cock!

Love your
glasses! They
make you look
like so smart and
stuff!

Payment would be
delivered in two charges...

moan

fap
fap
fap

One charge before the treatment...

Can we get
our boobs
now?

And another
one after the
transformation.

O.M.G!
Look how they
bounce and
jiggle. *giggle*

Thank you!
Thank you!
Thank you!

A woman with long blonde hair and large breasts is sitting on a bed, looking at the camera. She is wearing large hoop earrings. A speech bubble is next to her head. The background shows a bedroom with a window and a lamp.

I totes love
my new
honkers!

Even with all cocks on
deck, the nerd society was
basically drowning in pussy.

Moan

I can't wait to
pick up some
real men with
these new cans!

You done
back there,
baby?

Most girls were eager to try out their new tits
on the spot...

Not in their sweetest dreams would these
nerds have considered this pleasure land to
become reality!

Oh yeah,
give me that
cum baby!

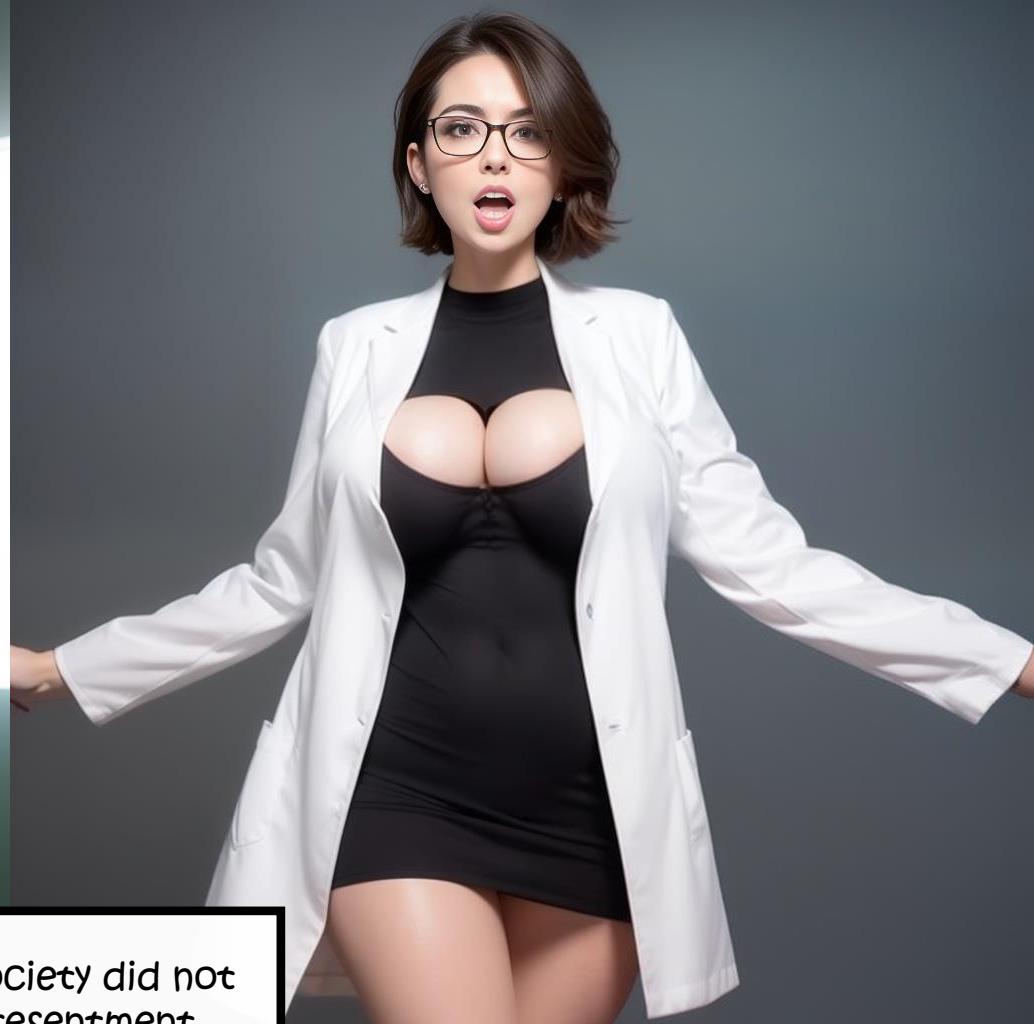

Now, you may ask, what happened
to the Committee members?

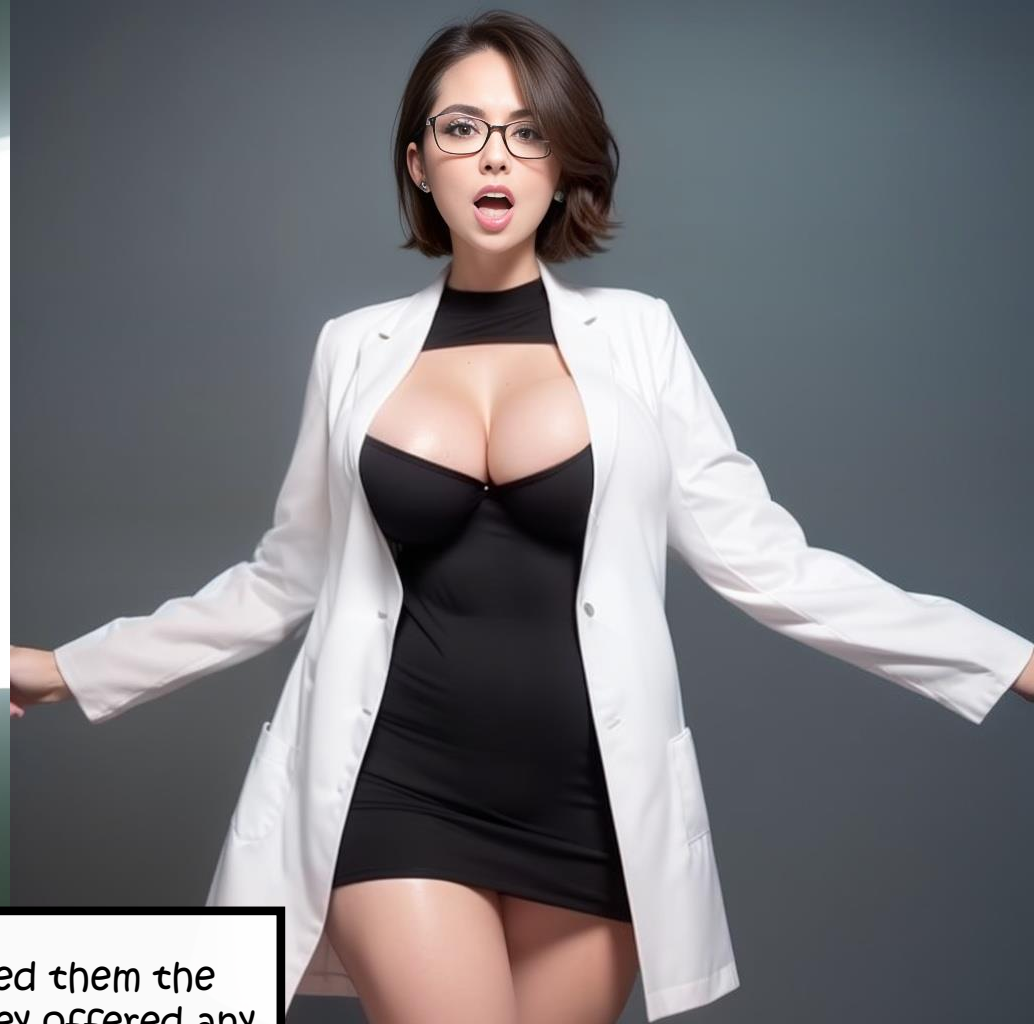

Don't worry!

The nerd society did not
bear any resentment
towards them.

And offered them the
same deal they offered any
bimbo.

Beth, Bridgette, Erin and
Jacky were more than
happy to take it!

Moan

Moan

With honkers like these,
Jacky's sports career was
over... but she did not mind.

She became a fitness influencer
with a lonely-fans page!

Erin left her goth days behind and found a rich guy who's into busty purple-haired girls.

They have lots of sex.
Which makes Jacky a
very happy bimbo.

The posh Bridgette
became a lingerie model.

Photographers around the world were enticed...

...by her brilliant smile...

And her enthusiasm
for the job!

Beth... well, one thing
led to another, and she
married Dylan, the head
of the Nerd Society.

She's basically his trophy wife now. Or... was it literally a trophy of a deserved victory?

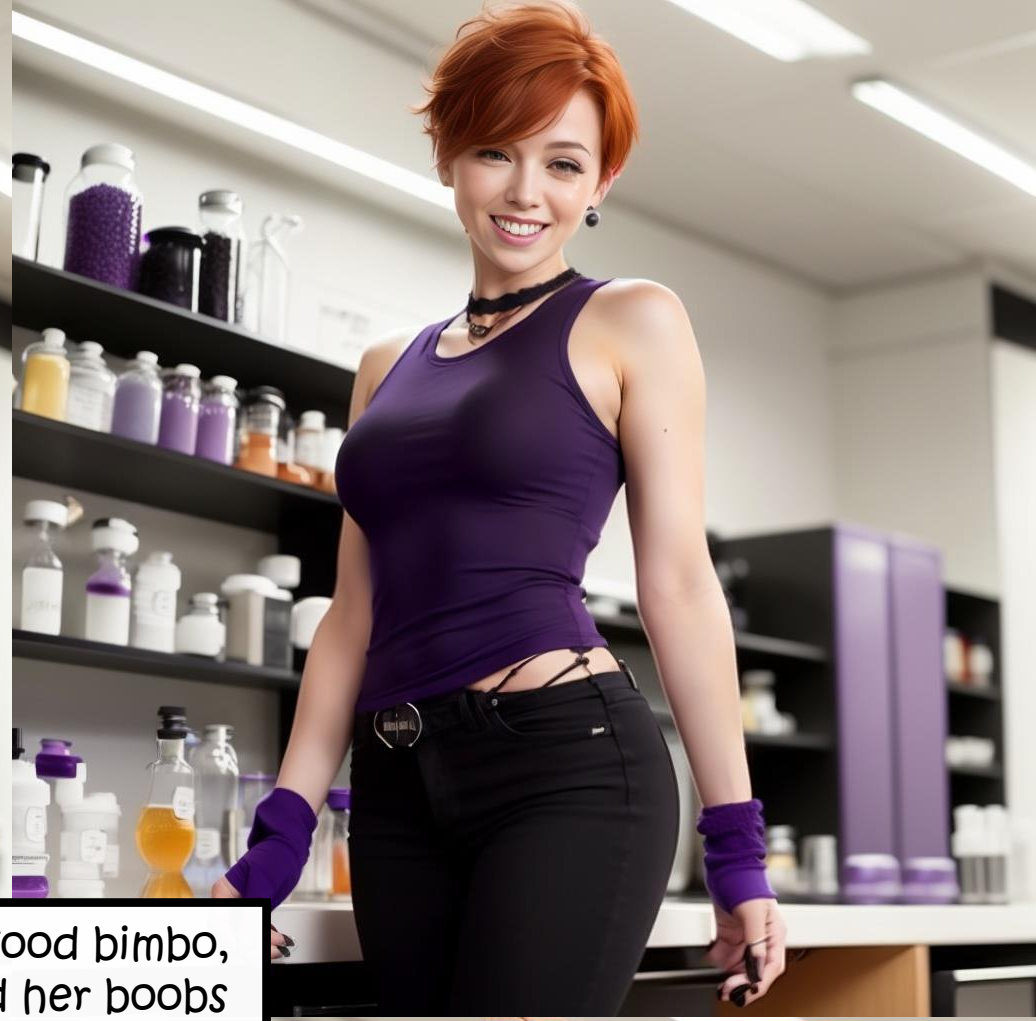

Anyway... there are rumors she's sleeping around a lot... but so does Dylan...

Moan

Aren't we forgetting somebody?

Like any good bimbo,
Becky had her boobs
enlarged by the Boob
Hatcher Mark 2.

And she was allowed
to stay a member of
the nerd society!

Though with the state
her brain was in... she
really wasn't much more
than a mascot...

A mascot with
benefits...

I'm so sorry
this had to
happen to
you, Becky!

A woman with short, wavy red hair and bangs is shown from the waist up, leaning forward. She is unclothed and looking directly at the camera with a slight smile. Her hands are resting on a surface in front of her. A speech bubble is positioned near her head, and stylized text is overlaid on the lower right portion of the image.

At least you
guys treat me
like a girl now!
giggle

fap

And what about
Heather?

With her
contribution to
their success, the
nerd society
enlarged her
breasts for free!

A woman with blonde hair, wearing a white button-down shirt and plaid shorts, is posing in a club-like setting with blue lighting. She has her arms raised behind her head. The shirt is open, revealing her chest. A text box is overlaid on the left side of the image.

She's out
partying ever
since!

I love my
big boobs!

With her new assets it
was easy for her to
score with another
quarterback.

No, not that loser
boyfriend from before.
Another Jock with a
really big dick of course!

And school?

School was
awesome now!

Moan

The nerd society's plan was a full success.

Now that the Committee's power had been broken, everybody was happy!

Everybody?

Well, maybe not everybody...

This is not
the Boob
Equilibrium!

It's just
the other
extremum!

Noooo!!

The End.

Hello, Hexxet here,

Thanks for reading “The Itty Bitty Titty Committee”!! ☺ It was a crazy story I know, with more nerd talk than sexy stuff in it for the most part *chuckle*. But I hope you liked it and enjoyed the journey. With this “The Itty Bitty Titty Committee” – Series is complete!

More PAls and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAls you probably want to visit the shops, not the Patreon). Some free PAls can be found on my homepage.
