Previously on „The lost Temple“:

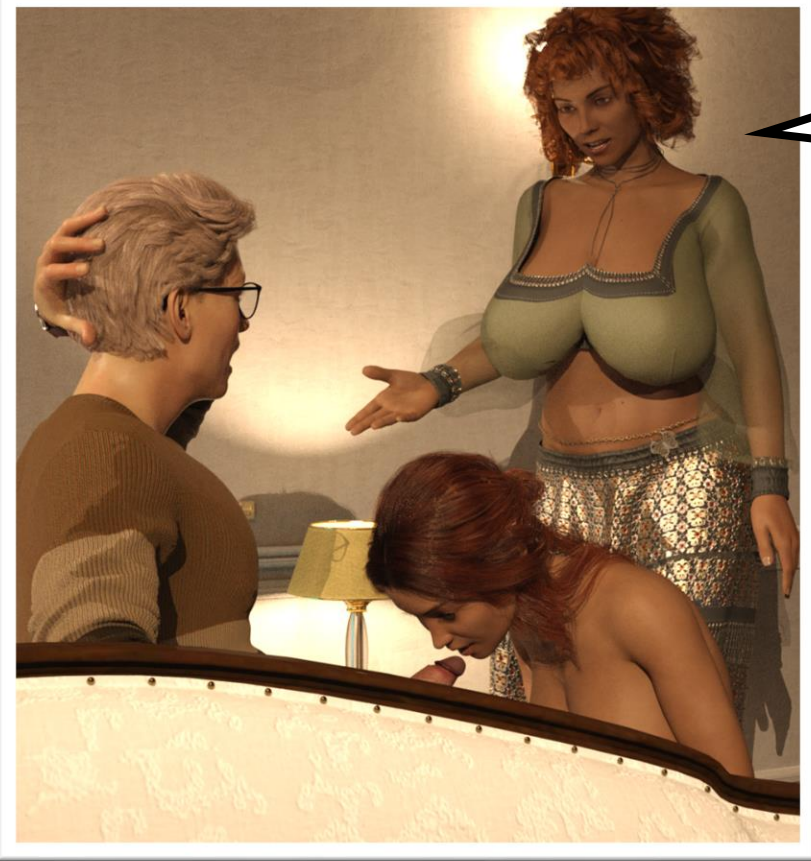

*Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic – though he is not very skilled at it. One thing leads to another and he has infiltrated a camp of ether-wielders who are on the hunt for demons... He becomes a member – secretly a spy for Kassandra. In the meantime, he tries to juggle his social and school life with his now secret magic life...*

*After learning that the old guy in the woods who helped him previously is suspected by the camp's people of being a warlock he goes and warns him – ending up with the old guy's inheritance: A palace, the Vasta Spell, and TWO SLAVE GIRLS!!*

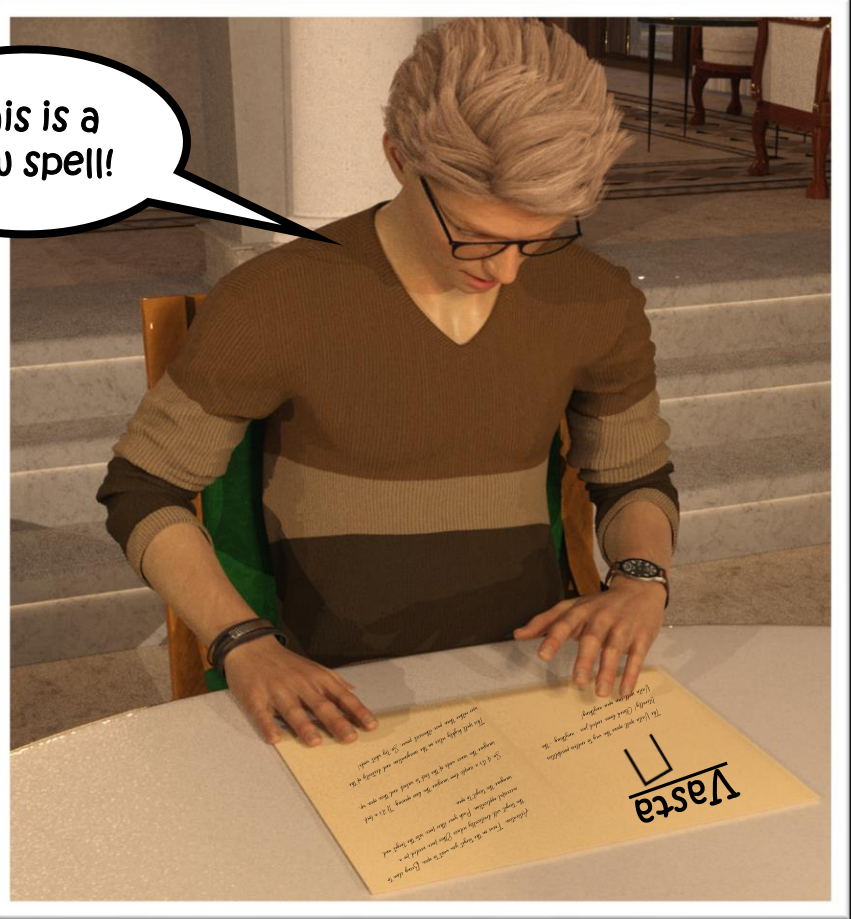

Previously on “The lost Temple”, Mika is finally invited into the old man’s hut by his woman...

Turns out it’s just a hut from the outside!

Among other things...

The warlock left Mika also one of his spells: Vasta – the “open” spell.

And the two girls... are now his humble servants!

We continue from here as Mika is back home, practicing his new spell.

He's sitting on the floor, staring at his bed drawer as he stretches out his hand and recites the spell's name: *Vasta*

The Ether manifests in Mikael's hand...

By magic Mika's bed drawer opens...

And really, it does not take long for the ether to take effect!

Eagerly Mika tries it once again.

His next target – further away – the door to his room.

*creak*

With a soft creak, it opens...

OH, G!!  
You are indecent.  
Sorry!

Woah,  
Barbara!

Oh, my...  
Since when  
do you have a  
tattoo?

Oh, this here  
you mean?  
Eh... well...  
Recently...

I thought we were on one page about tattoos being "urgh"! Traitor!

This girl you keep a secret, she's got no good influence on you!

I guess you are right about that...

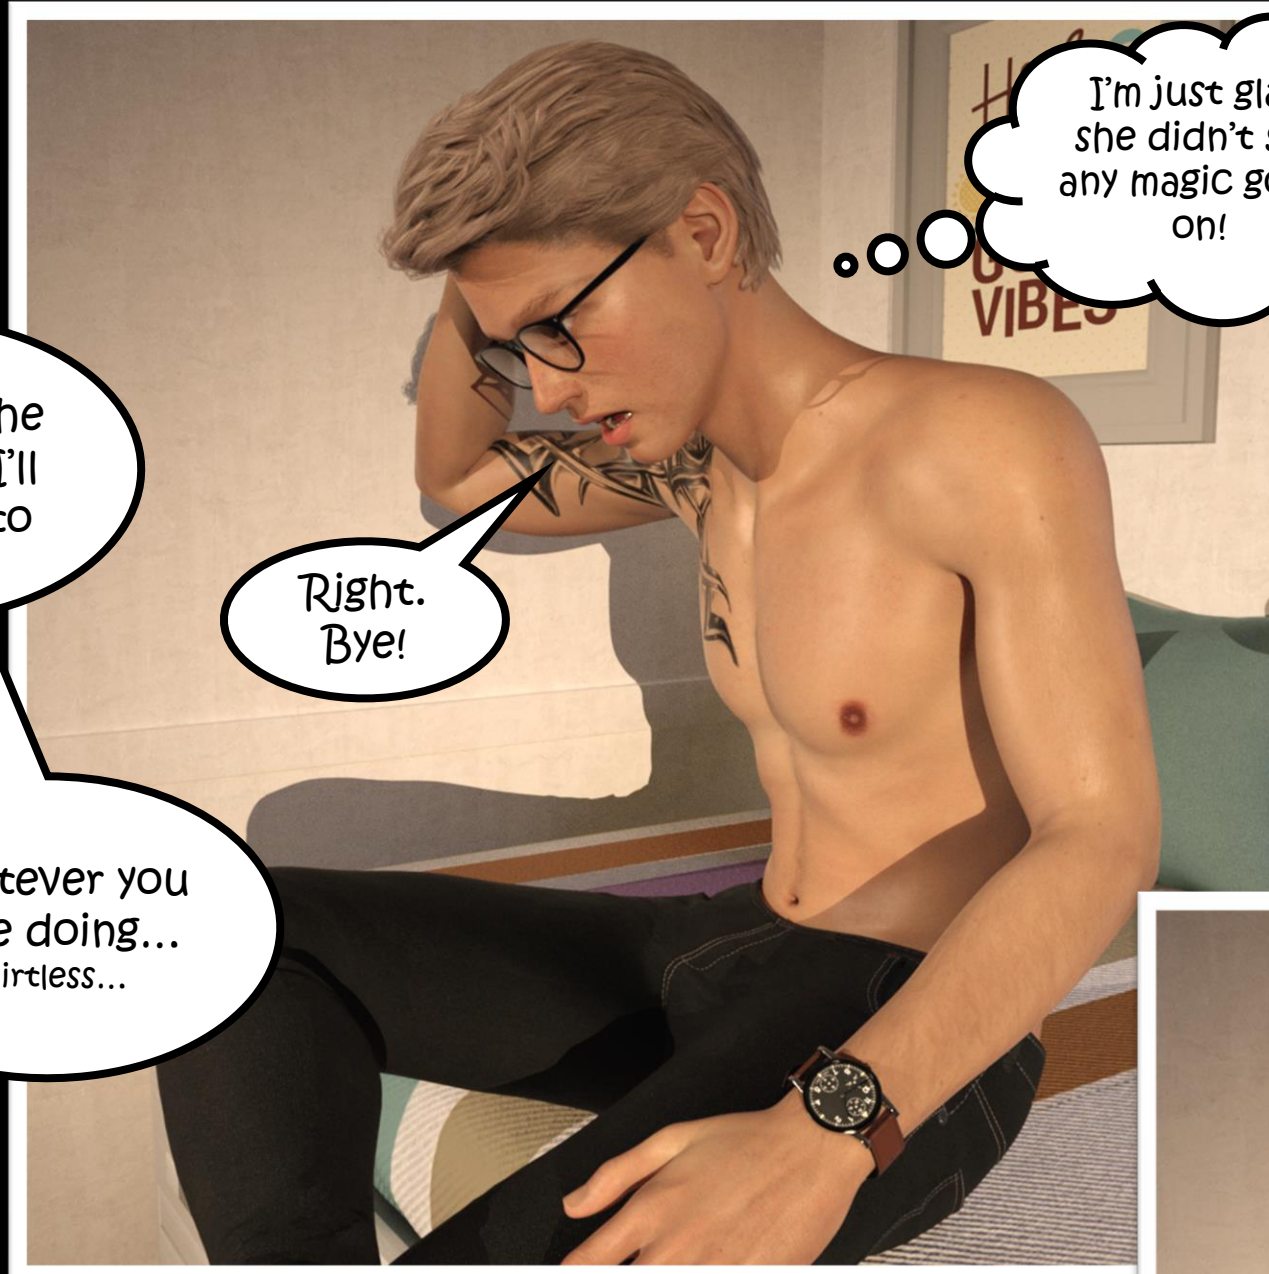

Alright...  
Sorry for the  
intrusion. I'll  
leave you to  
it...

Whatever you  
were doing...  
shirtless...

And with that, Barbara  
leaves the room...

Right.  
Bye!

I'm just glad  
she didn't see  
any magic going  
on!

Mika is left thinking in silence when  
suddenly...

Wahr

Ring  
Ring

His phone rings...

Hey, Liz!  
What's up?

Woah!  
Liz, slow down. I  
don't understand  
a word you are  
saying.

Bla bla bla bla....  
Bla...bla!! Bla bla bla  
bla.... Bla...bla!! Blabla  
bla bla bla bla... bla!  
Bla bla bla...

**\*exhale\***  
I said you were  
right! You were  
right, Mika!

It totally  
made sense!

Deciphering  
this with an  
incantation in  
mind...

Yes!

You mean...  
you're done  
translating it?

And it is  
a spell?

Duh!  
Yeah!

Abruptly Mikael stands up from the bed, looks for his shirt and gets ready to leave.

I'm coming over.

I'm with you in 15 mins tops.

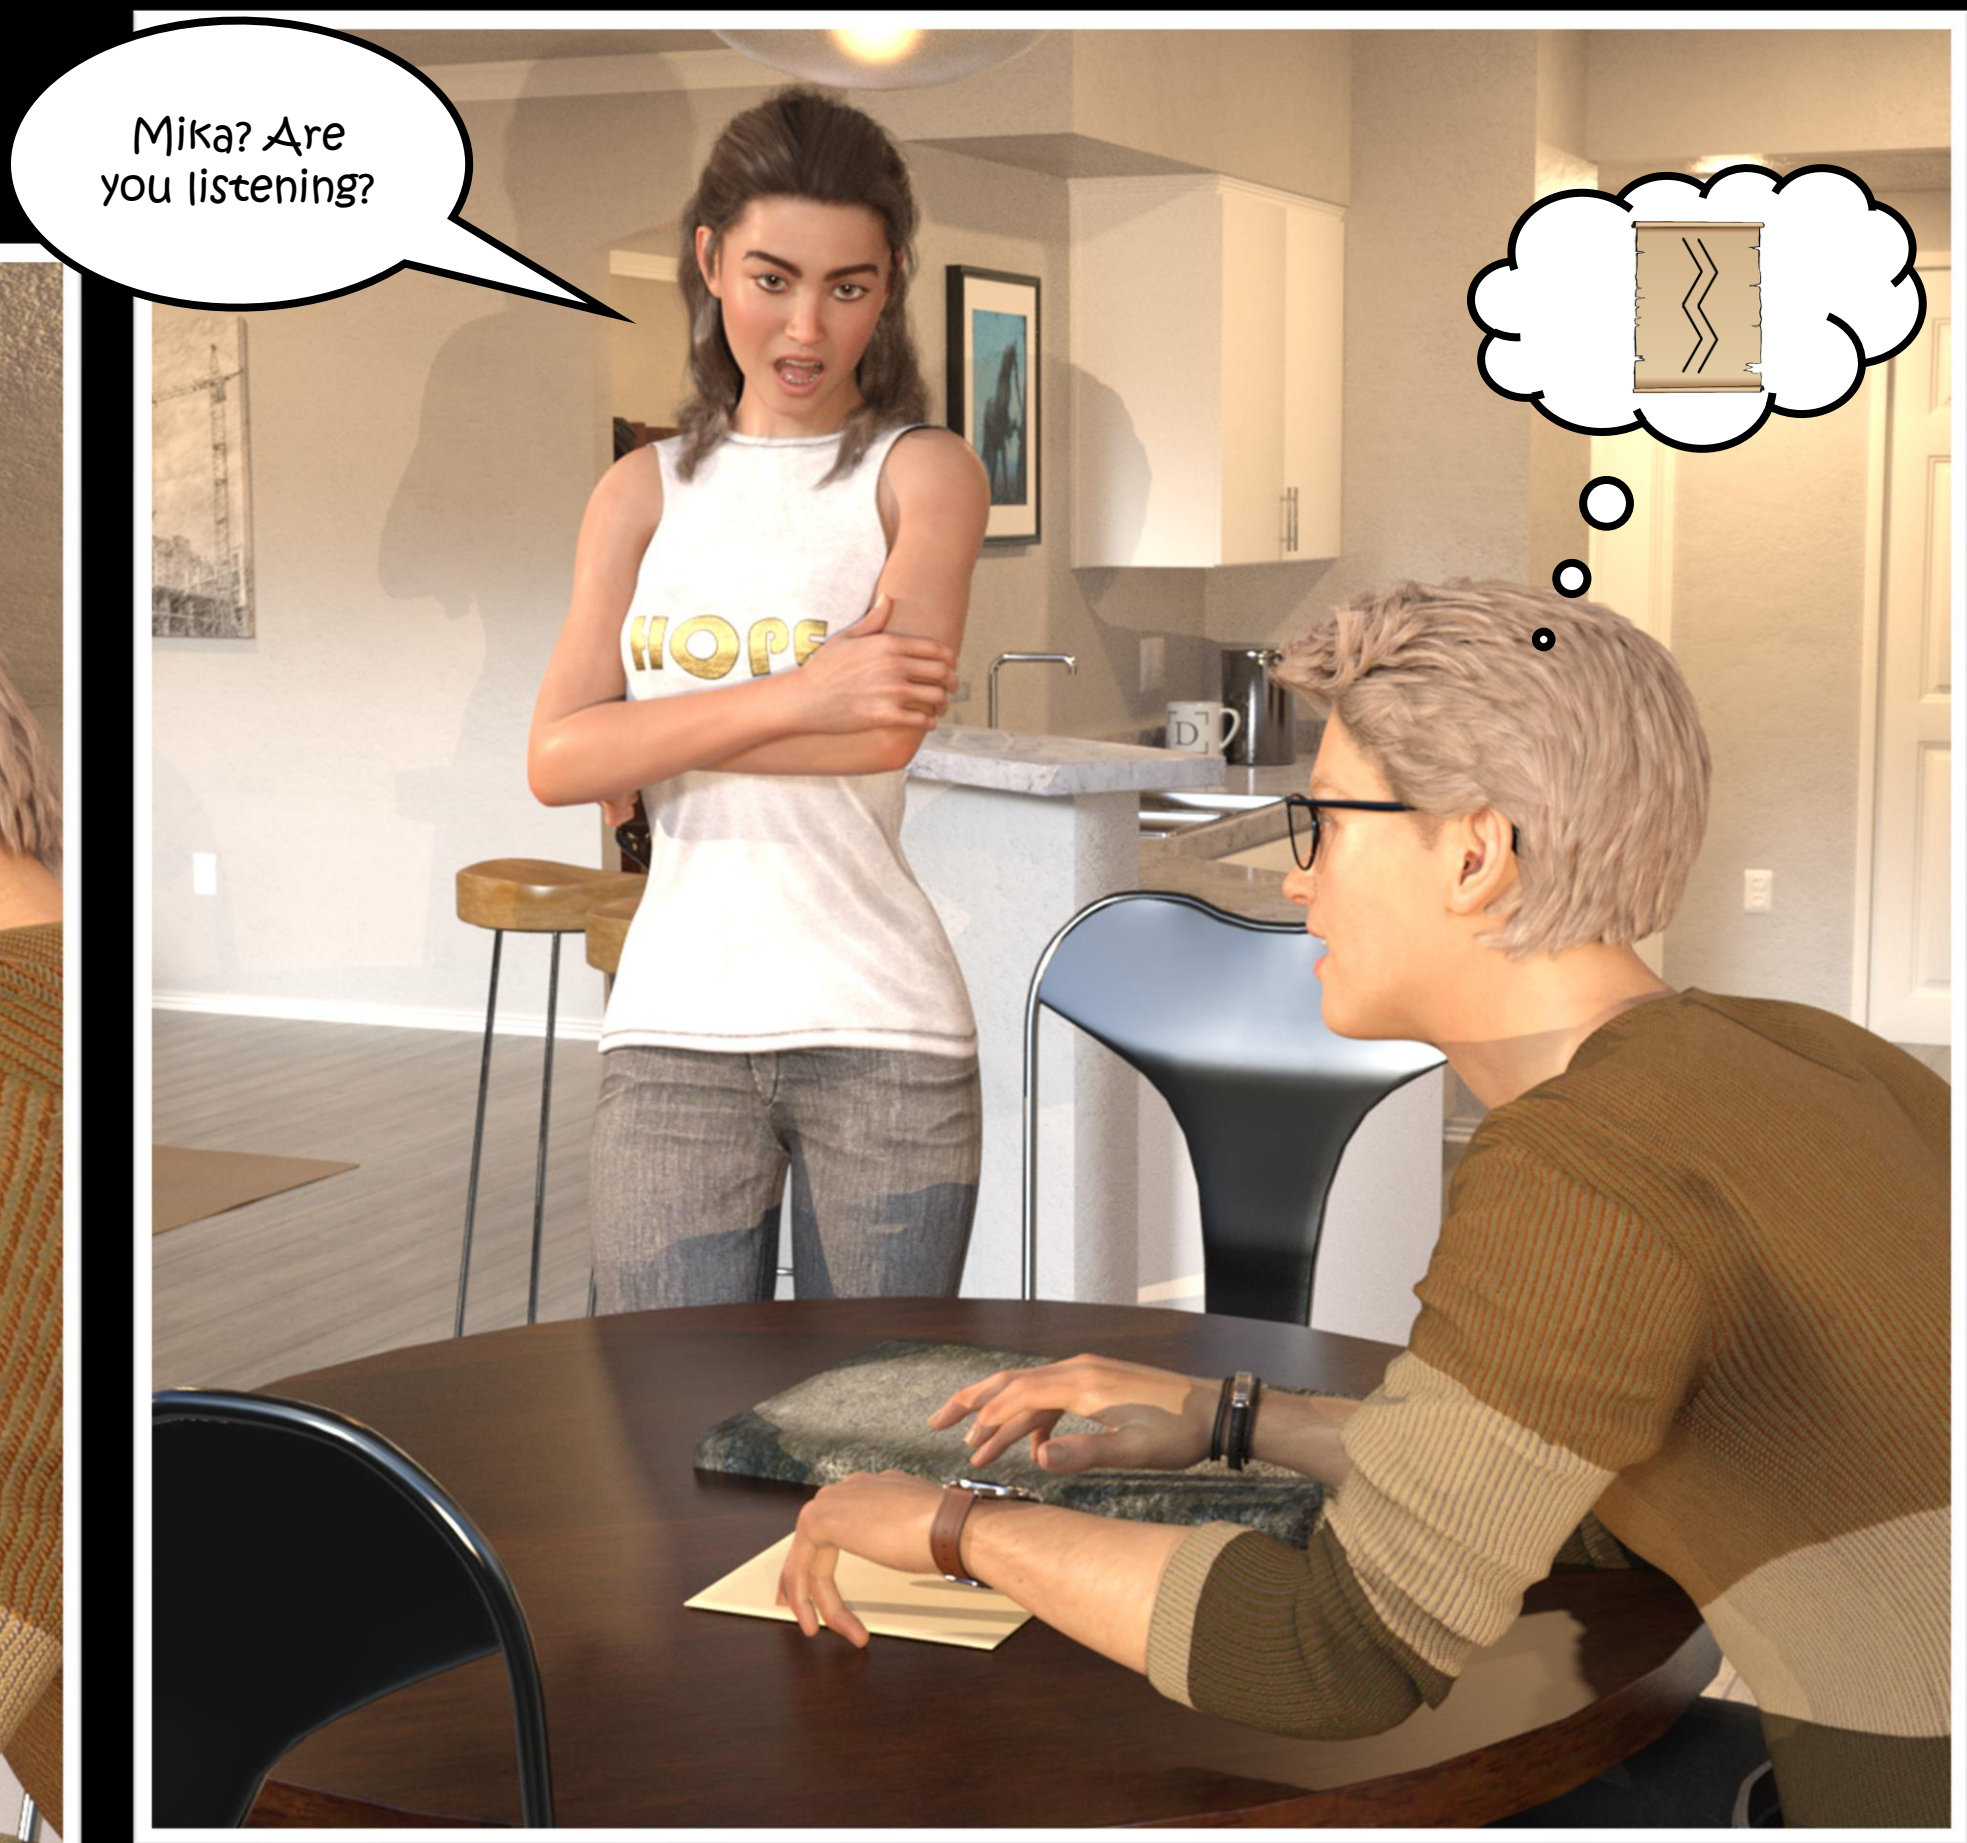

Fifteen minutes later at  
Liz's place...

Hellooo?  
Earth...

Focus on a  
spot you can  
see with  
your eyes.

Align your  
ether with the  
spells rune and  
imagine...

To  
Mika...

Switching  
positions...

Teloris...

Mika?  
Woah!

Oh...  
shit.

Teleportation in a  
sitting position is  
ill-advised...

Mika!  
Are you  
alright?

Shit!  
That was  
stupid!

Groan

\*groan\*  
I... am  
okay...

I was too  
absorbed in  
the spell and  
activated it  
by accident!

What did  
just happen?!

I... don't  
know...

The spell!  
It worked?!

SHIT!

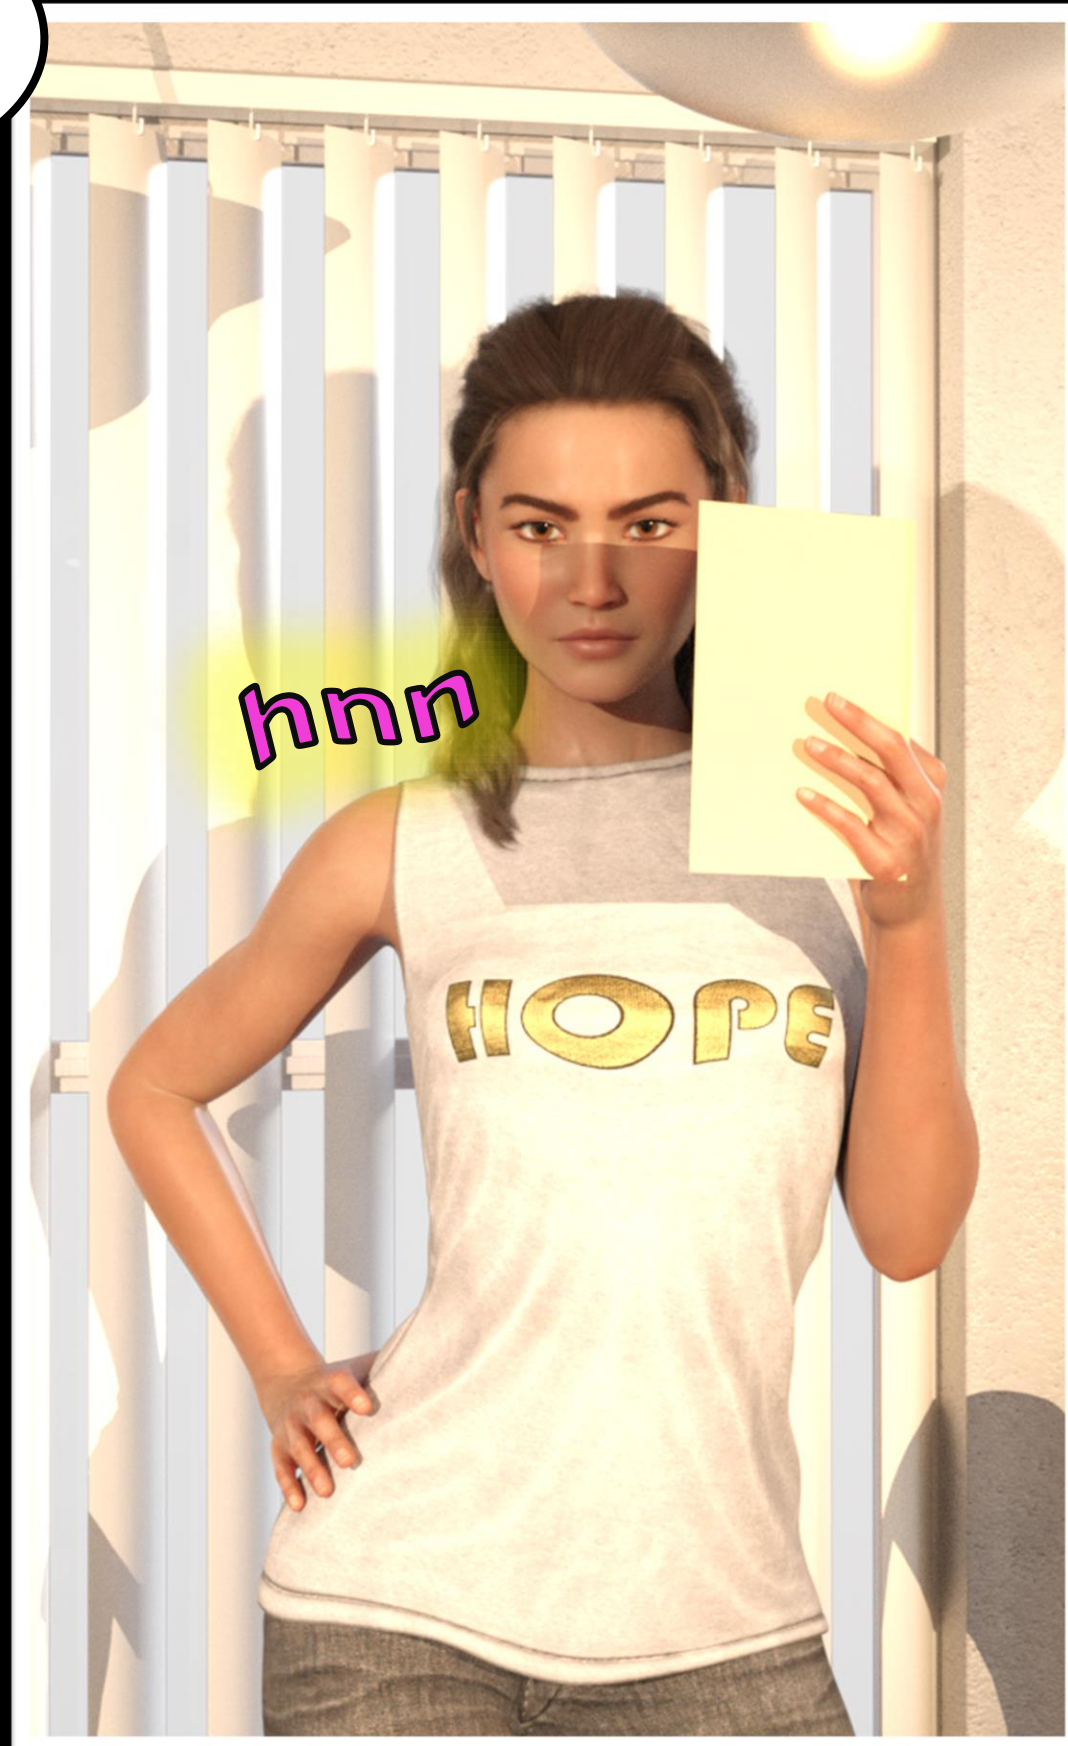

Teloris...

Focus on a  
spot you can  
see with your  
eyes.

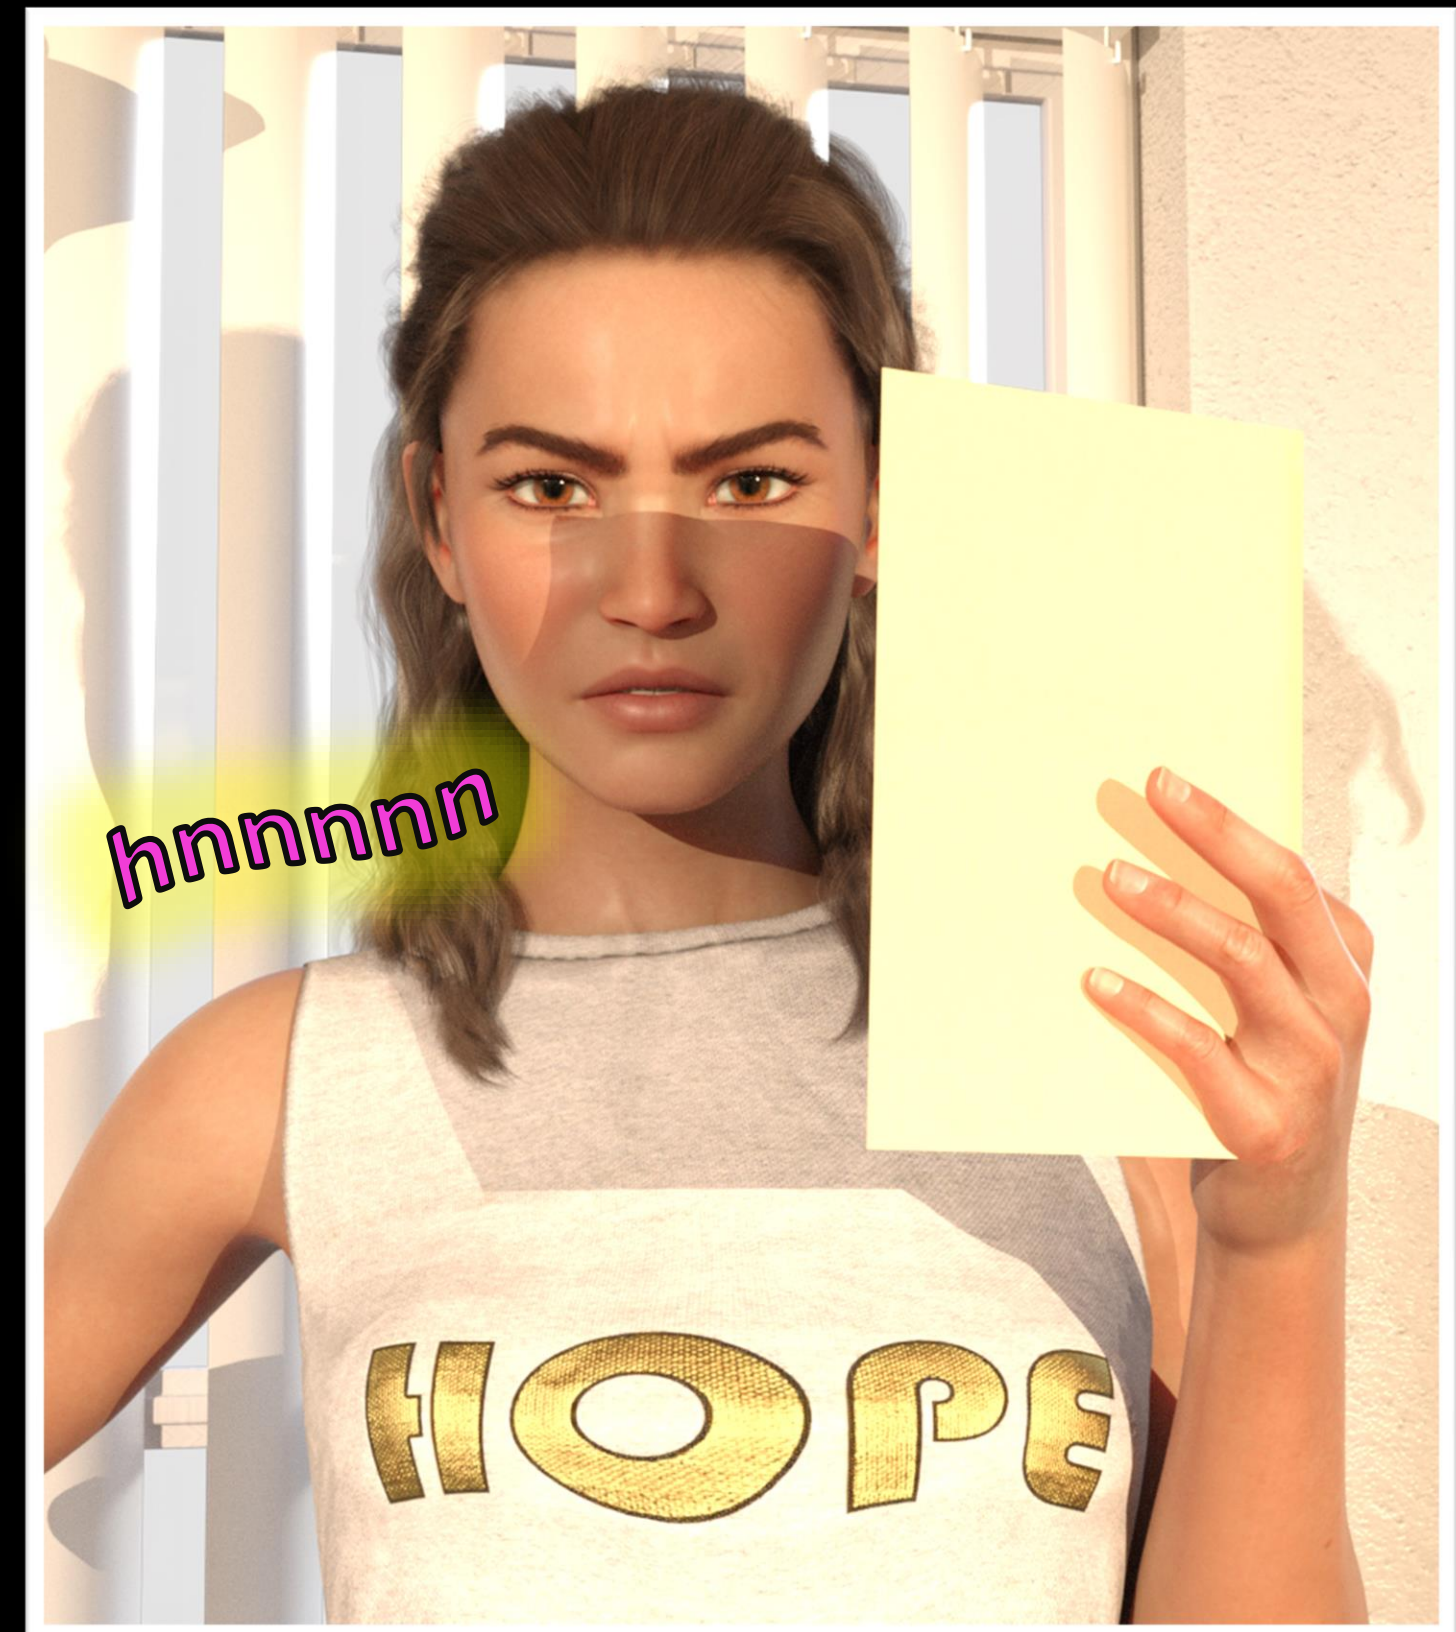

Align ...  
with the  
rune...

hnn

Fully concentrated Liz tries to activate the spell...

Cause you did not risk your life having a demon demolish your physical ether blockage...

Why did it not work for me?

Liz and I "tried" to get the spell working again and again...

Teloris!

Obviously, I was not so dumb as to put ether into it... again...

Unable to reproduce the inexplicable results from before Liz got very frustrated as it got late.

Investing any more time right now is obviously not helping.

So, yeah, I'm going. You coming?

It's infuriating  
how he can be  
so calm about  
this!

But... it's  
kinda cool...

Shortly later Liz and Mika arrive at the nightclub where the students of the Runology course have decided to celebrate the test being over...  
one way or another...

As the two of them enter the nightclub...

They can see several of their classmates already shaking on the dance floor.

Gabriel and his girlfriends are there as well, but having not passed the test he feels kinda down...

Gabriel looks kinda down... better avoid him for now...

I'm gonna head upstairs. I got a call from Emma.

The friend she wanted to come here with could not come now she's all alone.

Who's Emma again?

Long Brown hair, blind?

Oh, right. I met her!

I'm coming with, if that's alright.

Waving to a blind girl...

To Mika's chagrin, Liz started talking about the tablet... and the spell...

Speaking of DnD.

We made an archeological find and you wouldn't believe what was written on it!

As Mika approaches the bar the waitress seems to be lost in thought with her back to her customer...

Hey, Lucy!  
Didn't know  
you work here.

Mika!  
That you?

Well, a girl  
gotta eat...

Don't they  
feed you  
at camp?

There are  
no sweets  
at camp!

I see...

So... with you  
working here...  
Can I get a  
discount?

NO WAY!  
I'm just tending  
to the bar.

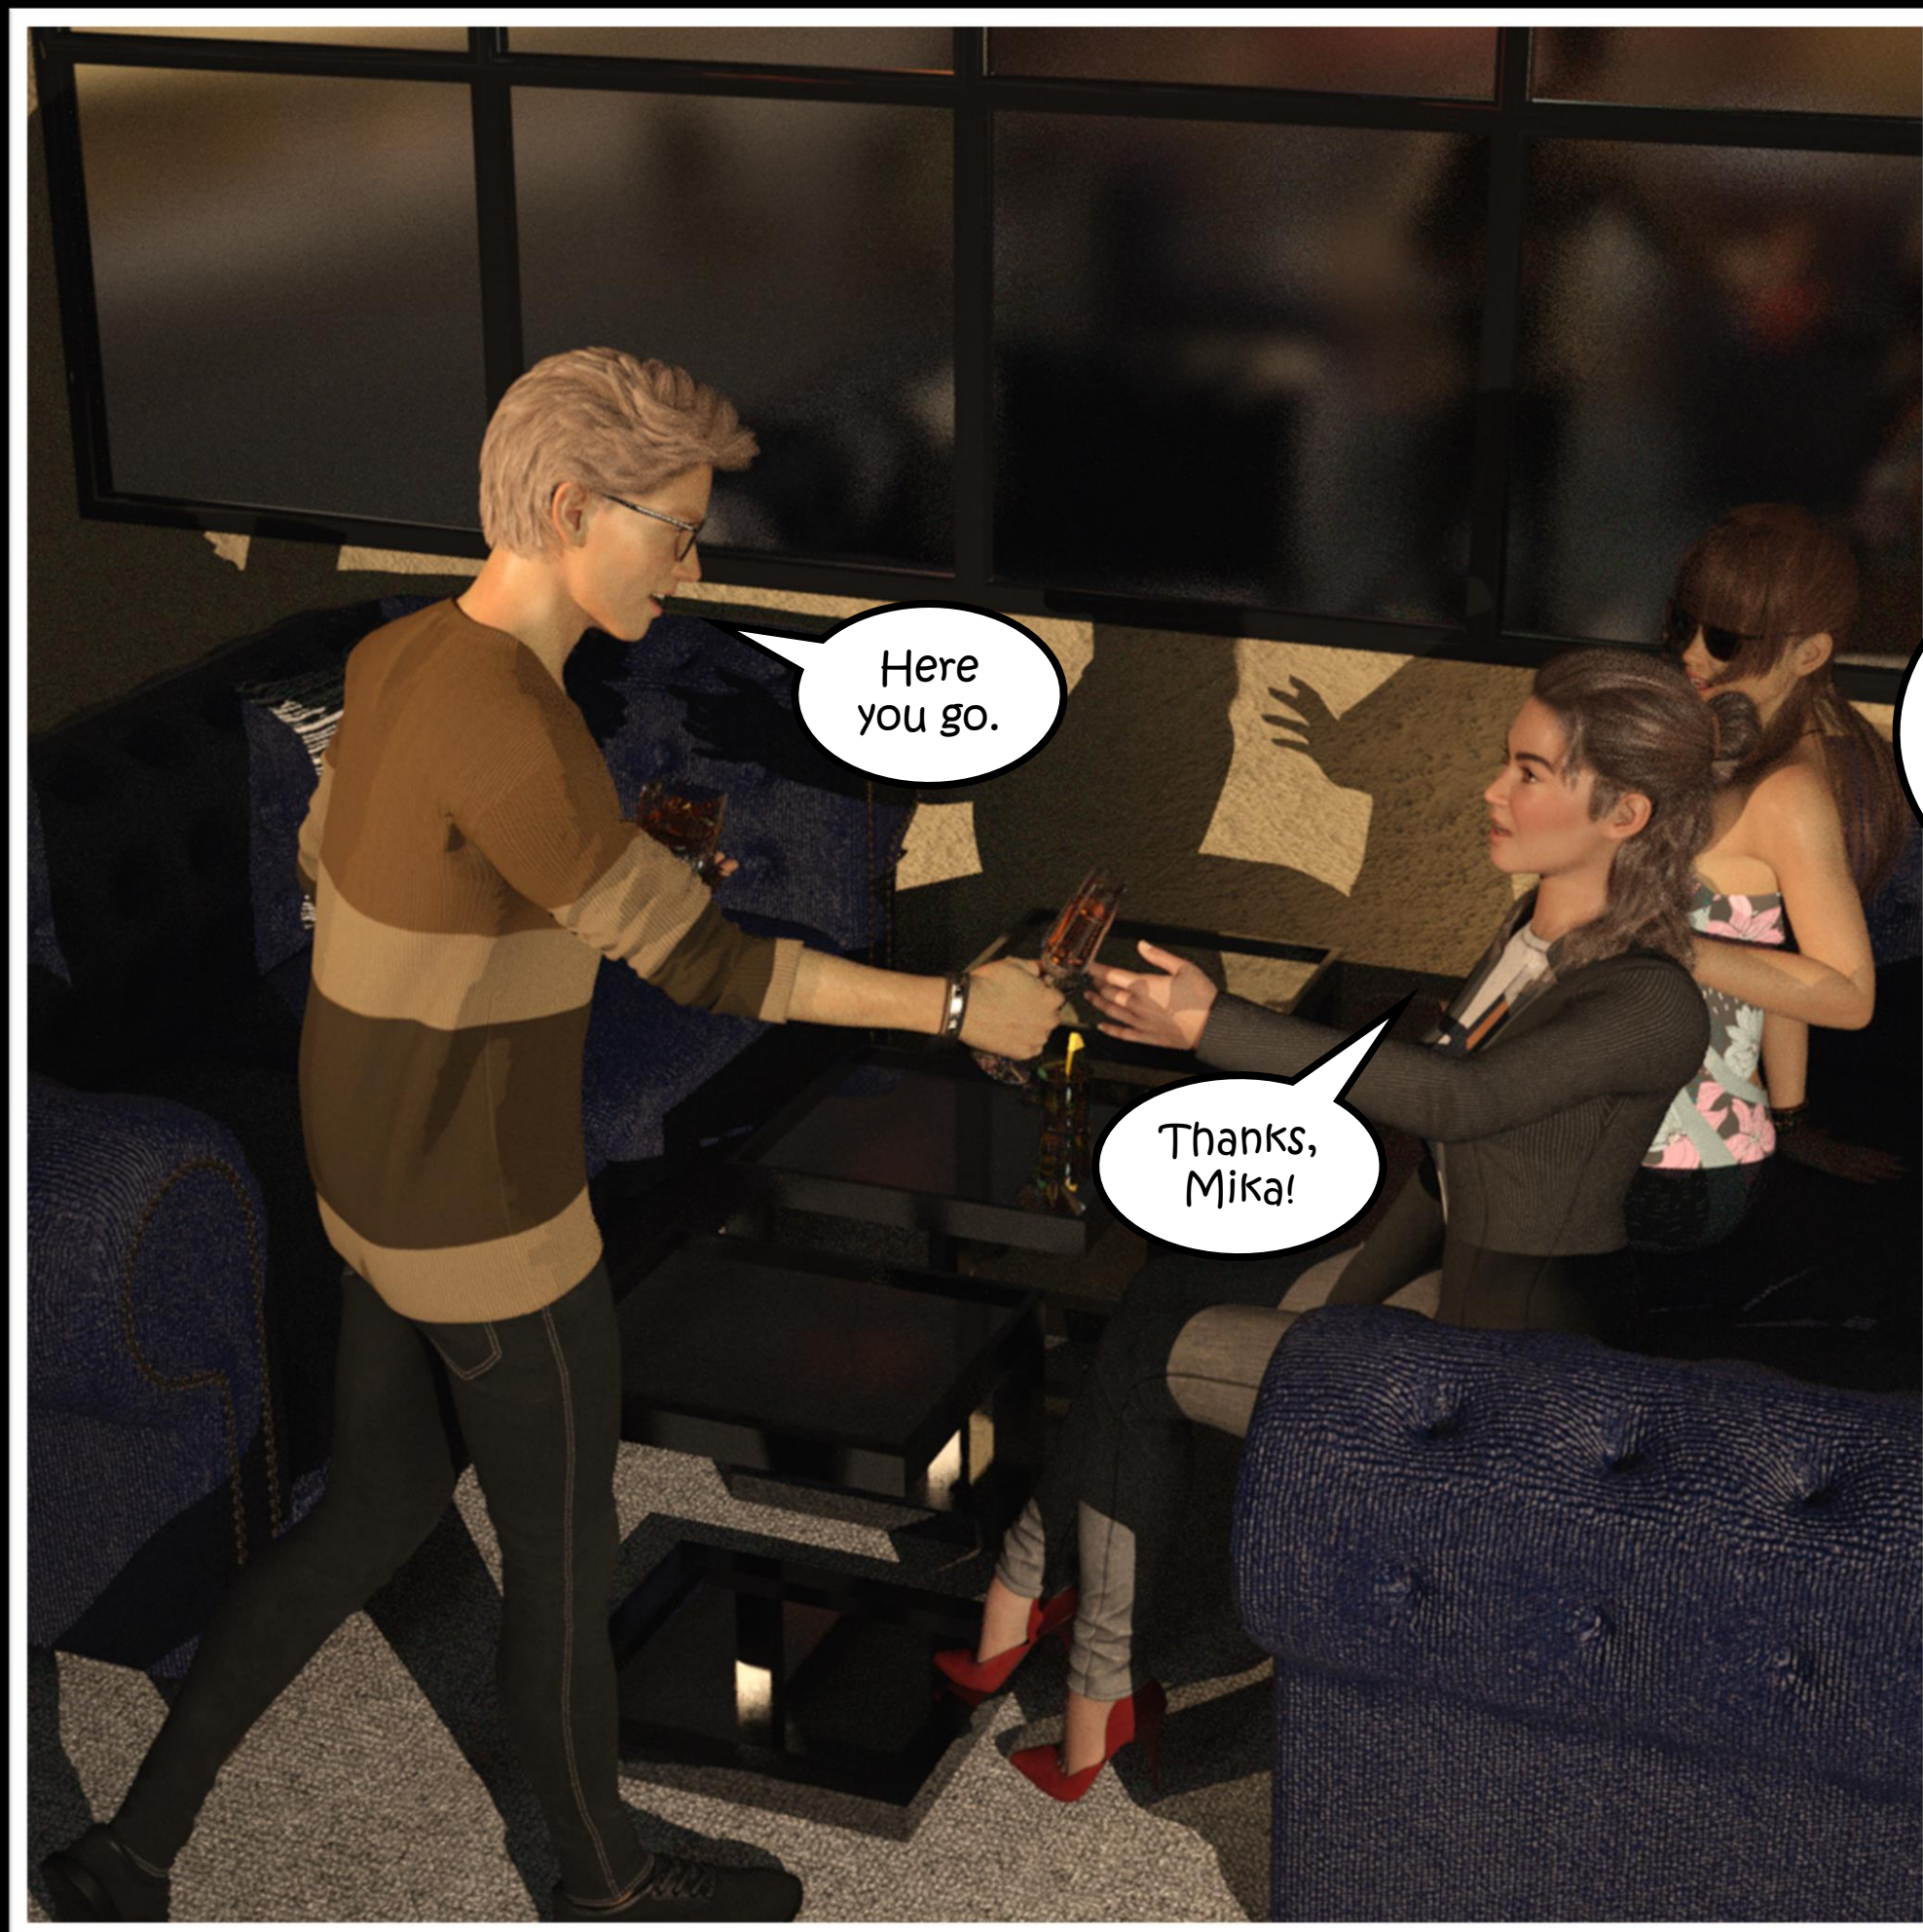

You wanna  
get me fired?!

He...he...he...  
I don't really know  
what happened there.  
For all I know I might  
just have blacked out  
a little.

**What?!**  
One second you are  
sitting at the table  
next you are crashing  
next to the sofa!

**It was  
magic!**

Liz was pissed about me denying what happened, but thankfully we soon got her to change the topic...

Would have never believed hearing Liz talk about magic.  
\*giggle\*

I know what I saw!

We had some fun discussions going on before Liz and I decided to hit the dance floor for a while. Emma stayed back for obvious reasons.

The music was a bit too loud,  
but it had a nice beat.

*Why did you say  
you're not sure  
what happened  
back then?*

What did you  
say? The music's  
too loud!

Huh?  
What did  
you say?

In an attempt to understand each other better Liz moves closer...

The music is quite loud!

I said the  
music is too  
loud. What did  
you say before?

But of course, we are not alone on that dance floor.

And while we were focused on understanding one another's words...

Others were lost in their dance rhythms...  
forgetting about their surroundings.

Donk

Pushed by the girl in green, Liz loses  
her balance and stumbles forward.

Right into my arms...

Oups!  
Sorry Liz!

Wahhh

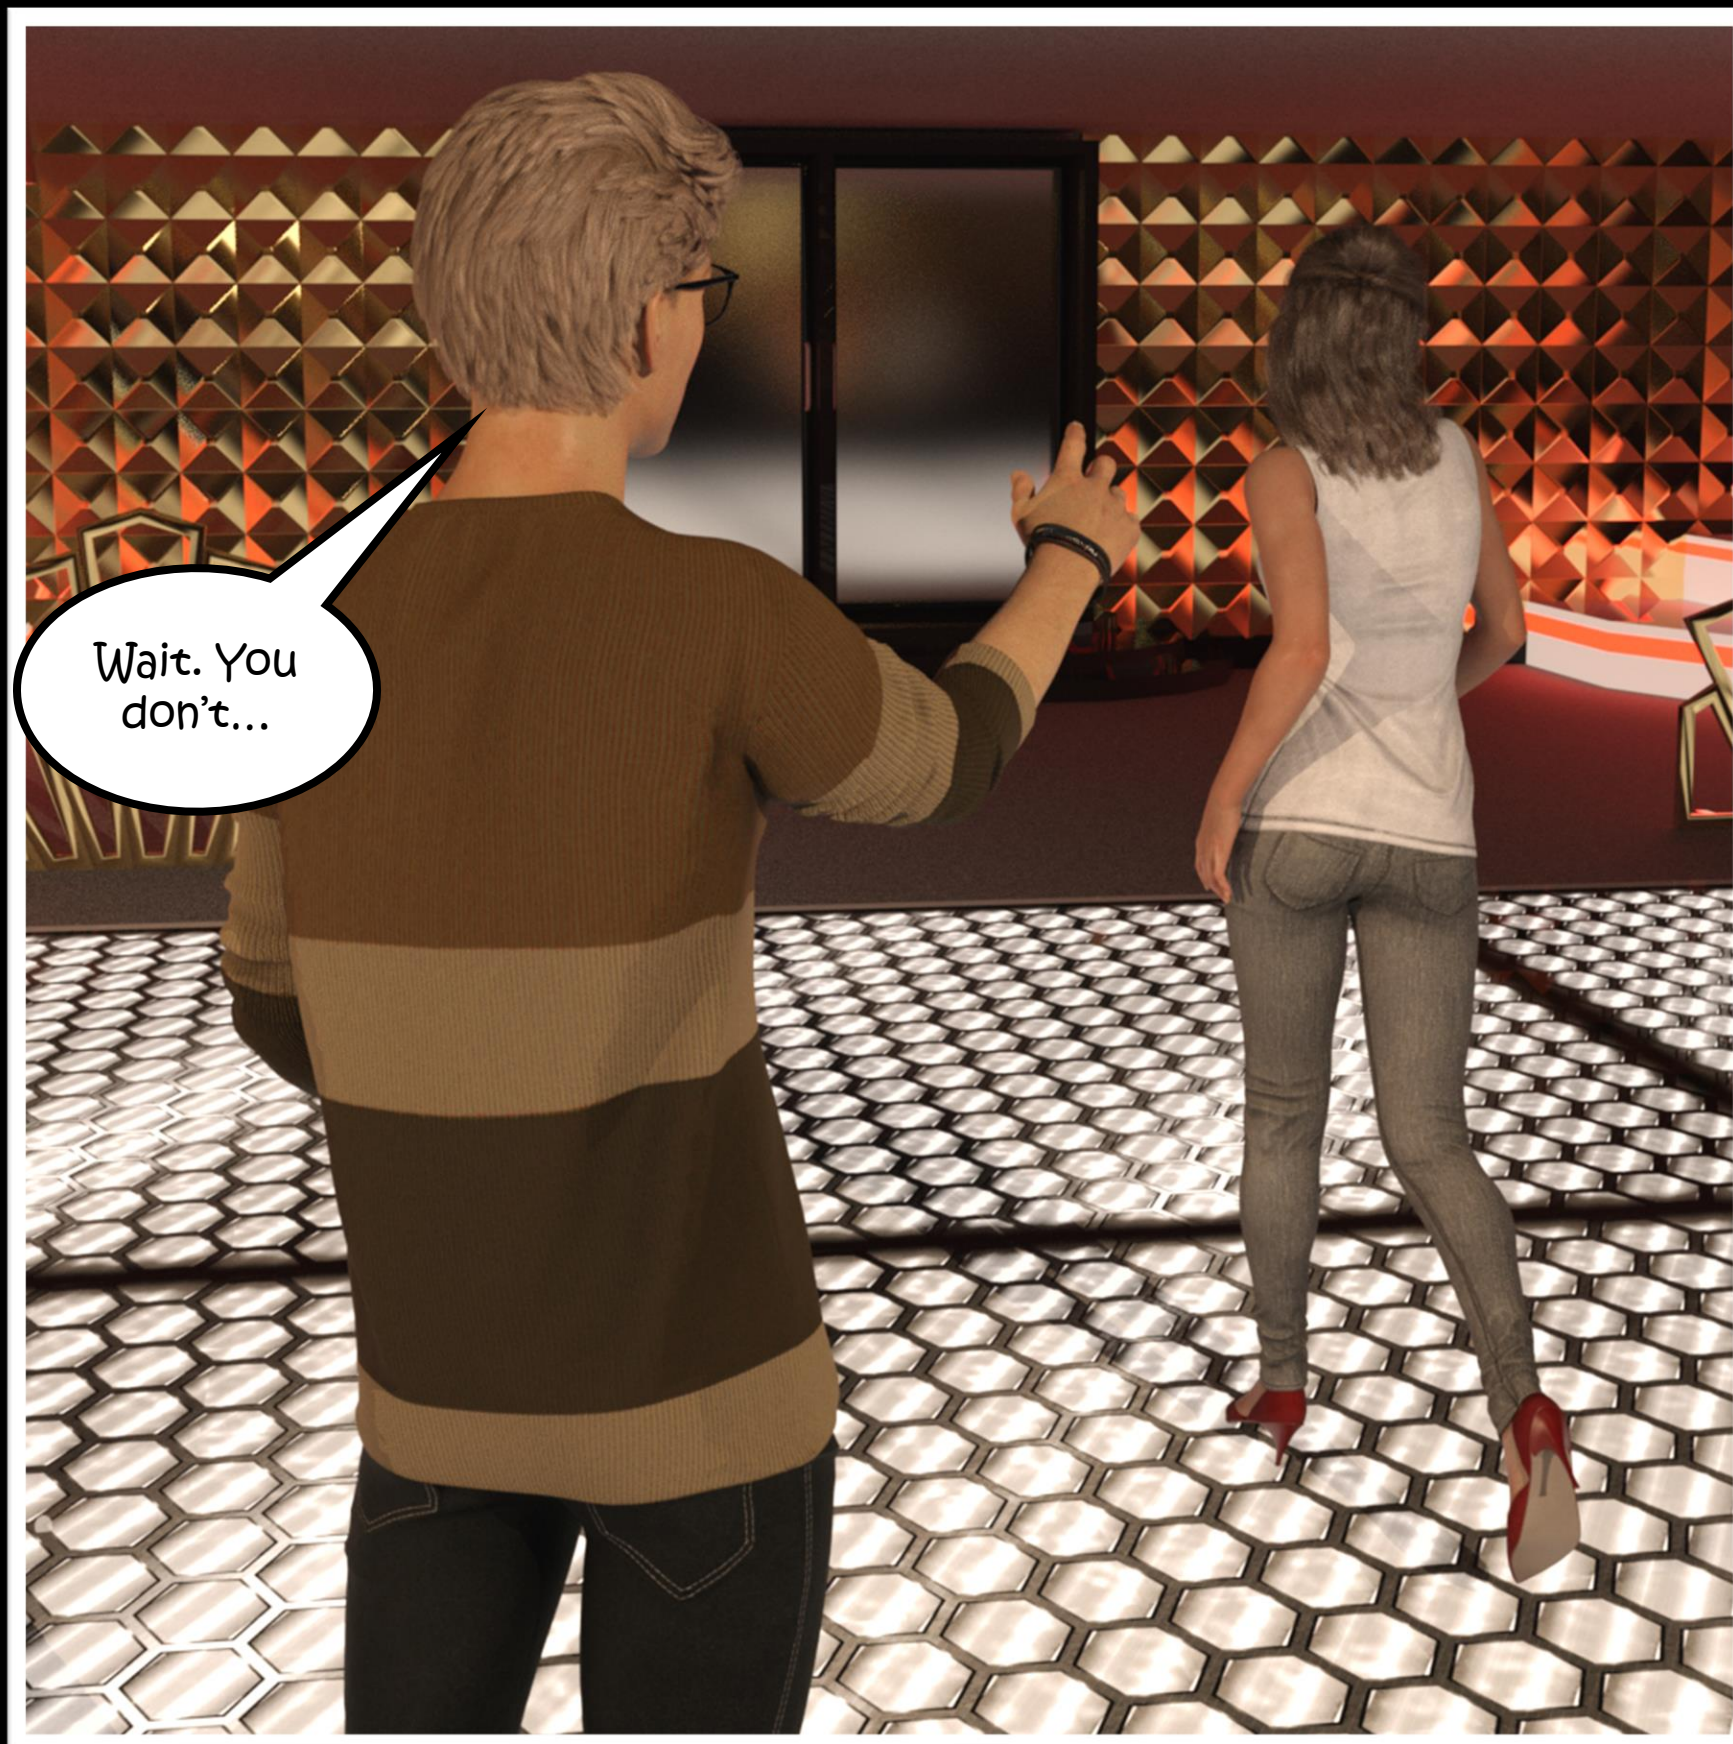

Suddenly Liz breaks the kiss and takes a step back. She looks quite shocked...

Oh god.  
I'm so sorry.

I don't  
know why I  
just did  
that.

Oh great... they saw...

Hey, guys...  
What's up?

What's up?  
What's up?!

You just  
kissed Misses  
"Know-it-all"!!

And then  
she runs  
out on you?

You put your  
tongue too deep  
inside her mouth,  
didn't ya?!

Girls don't  
like that on  
their first  
kiss, man.

Guess you  
saw that...

Oh,  
Shuddup!

We drank – we talked. I really enjoy their company. Gabriel is easygoing and a good friend. And his Jessica is just fun being around.

After some time, we hit the dance floor to shake a bit.

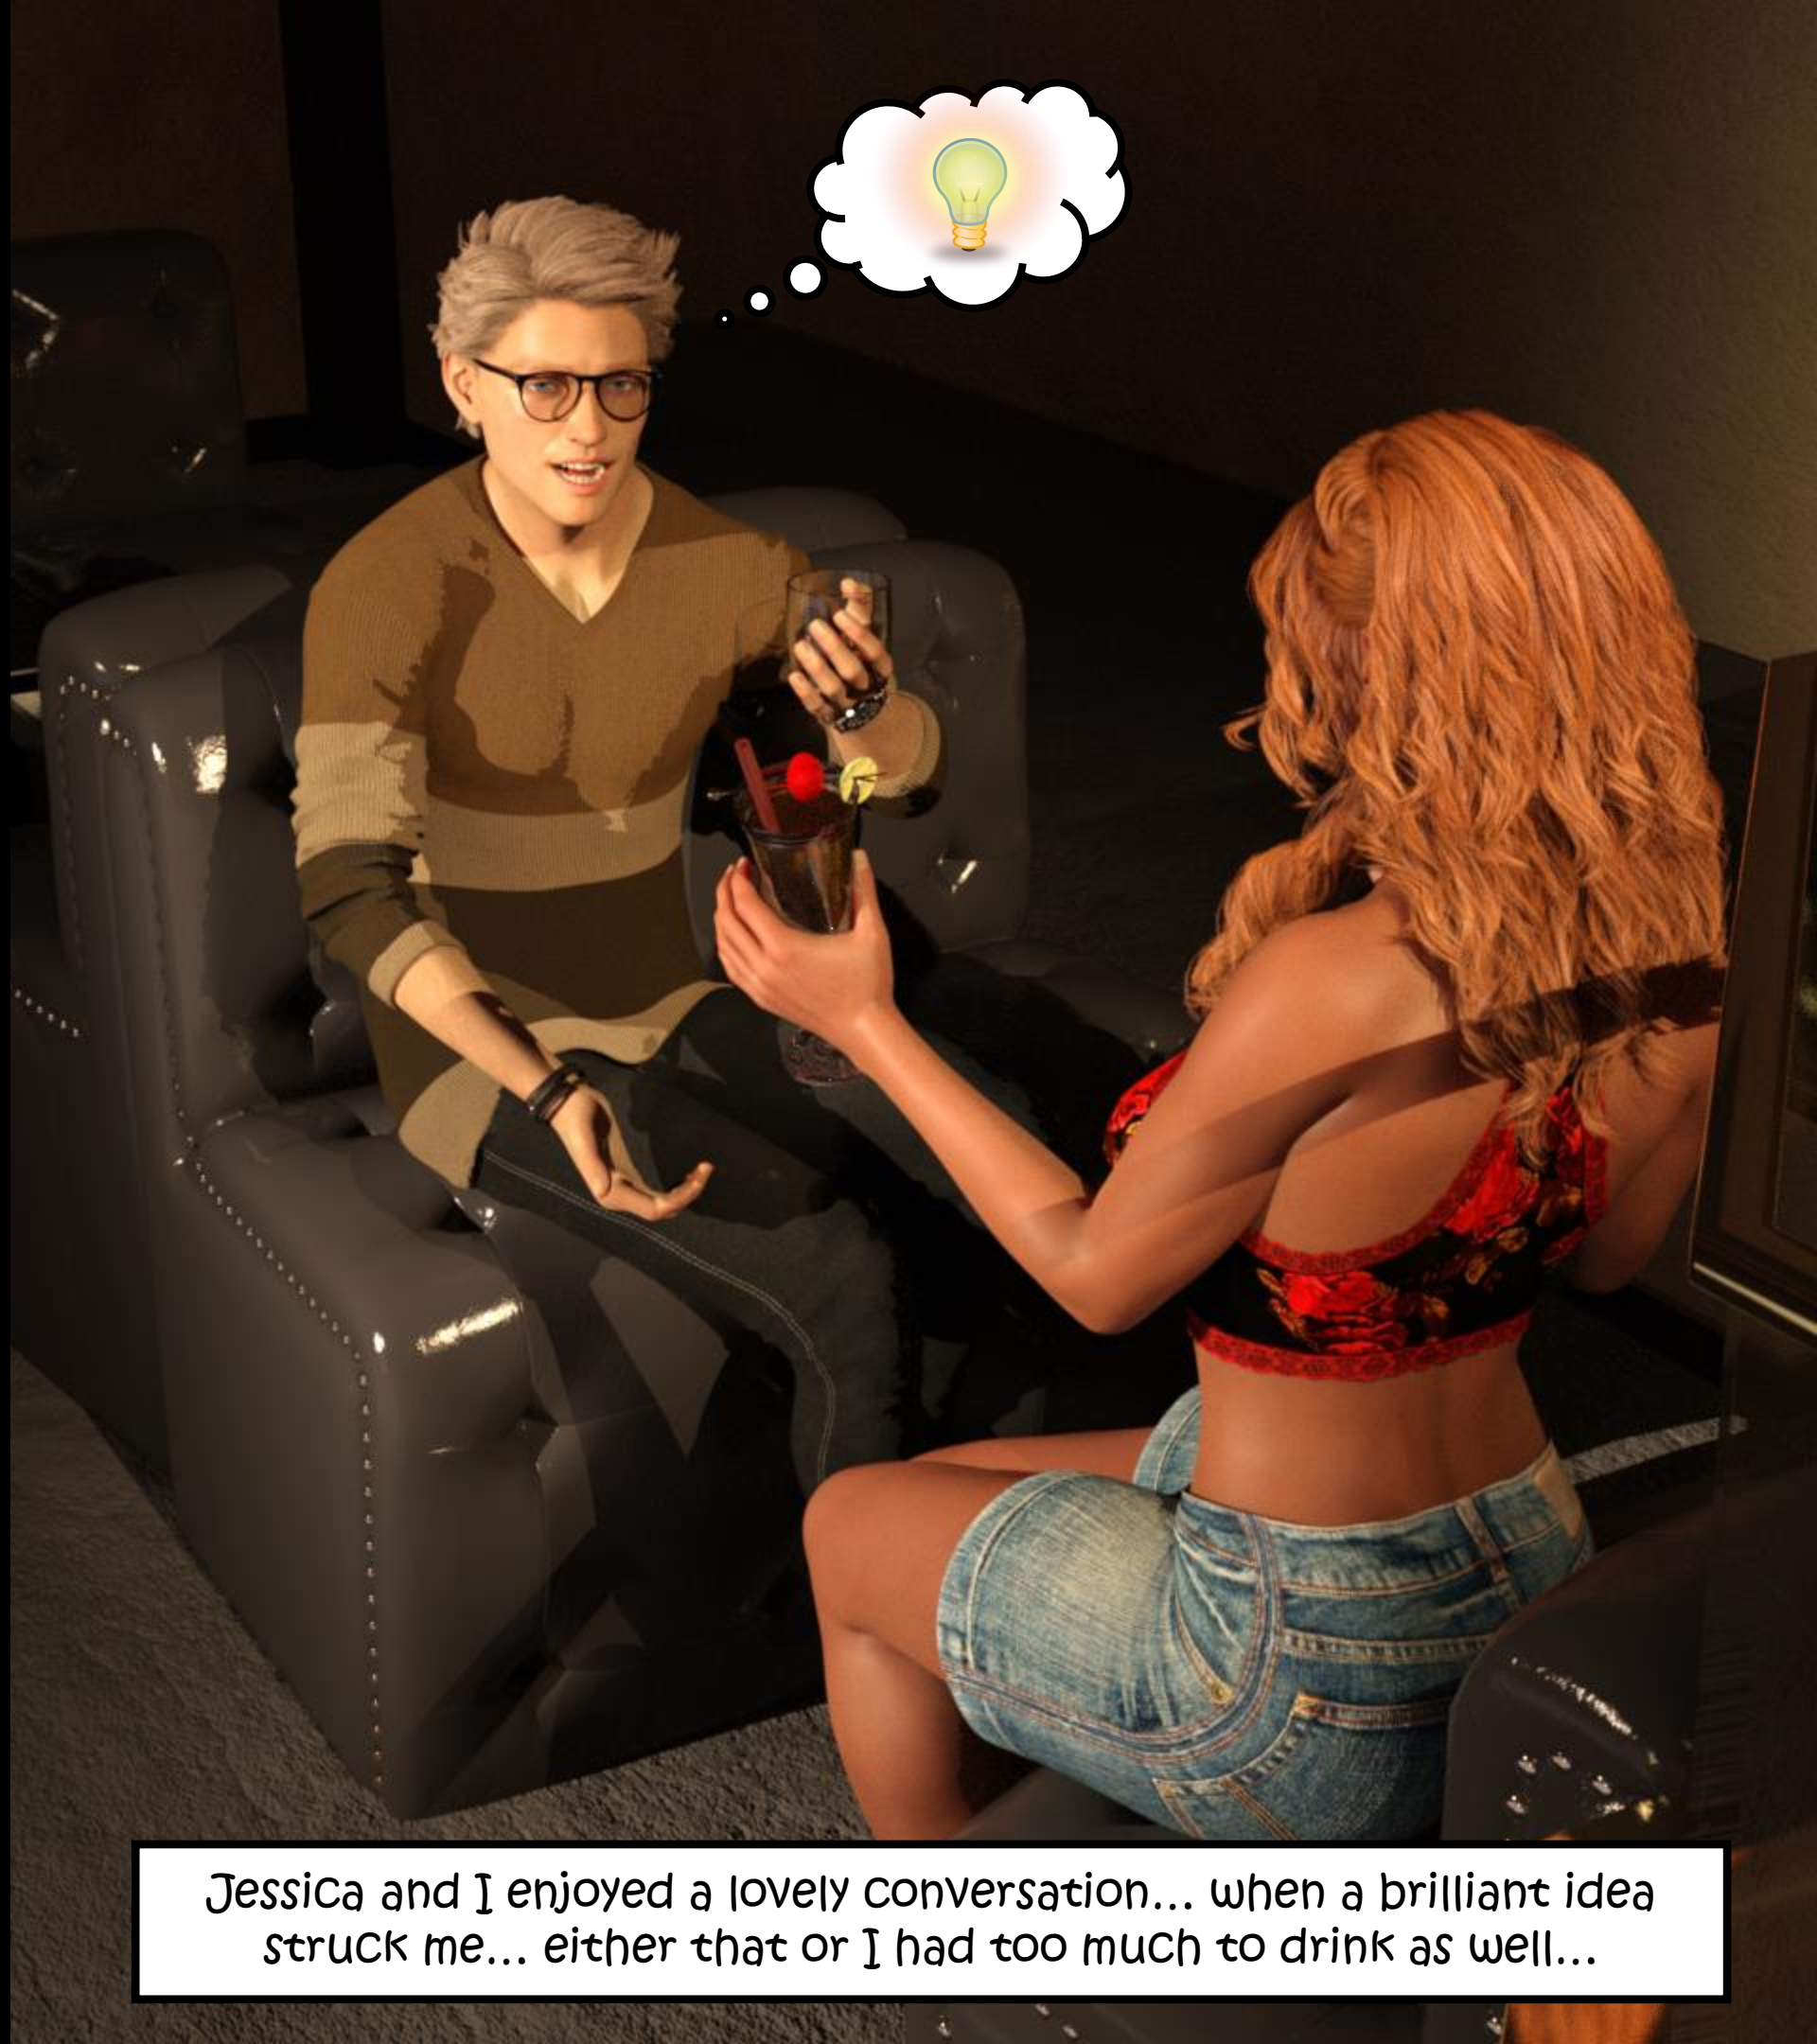

Gabriel kept on dancing for some reason... even when Jessica and I returned to our seats... guess he had too much alcohol.

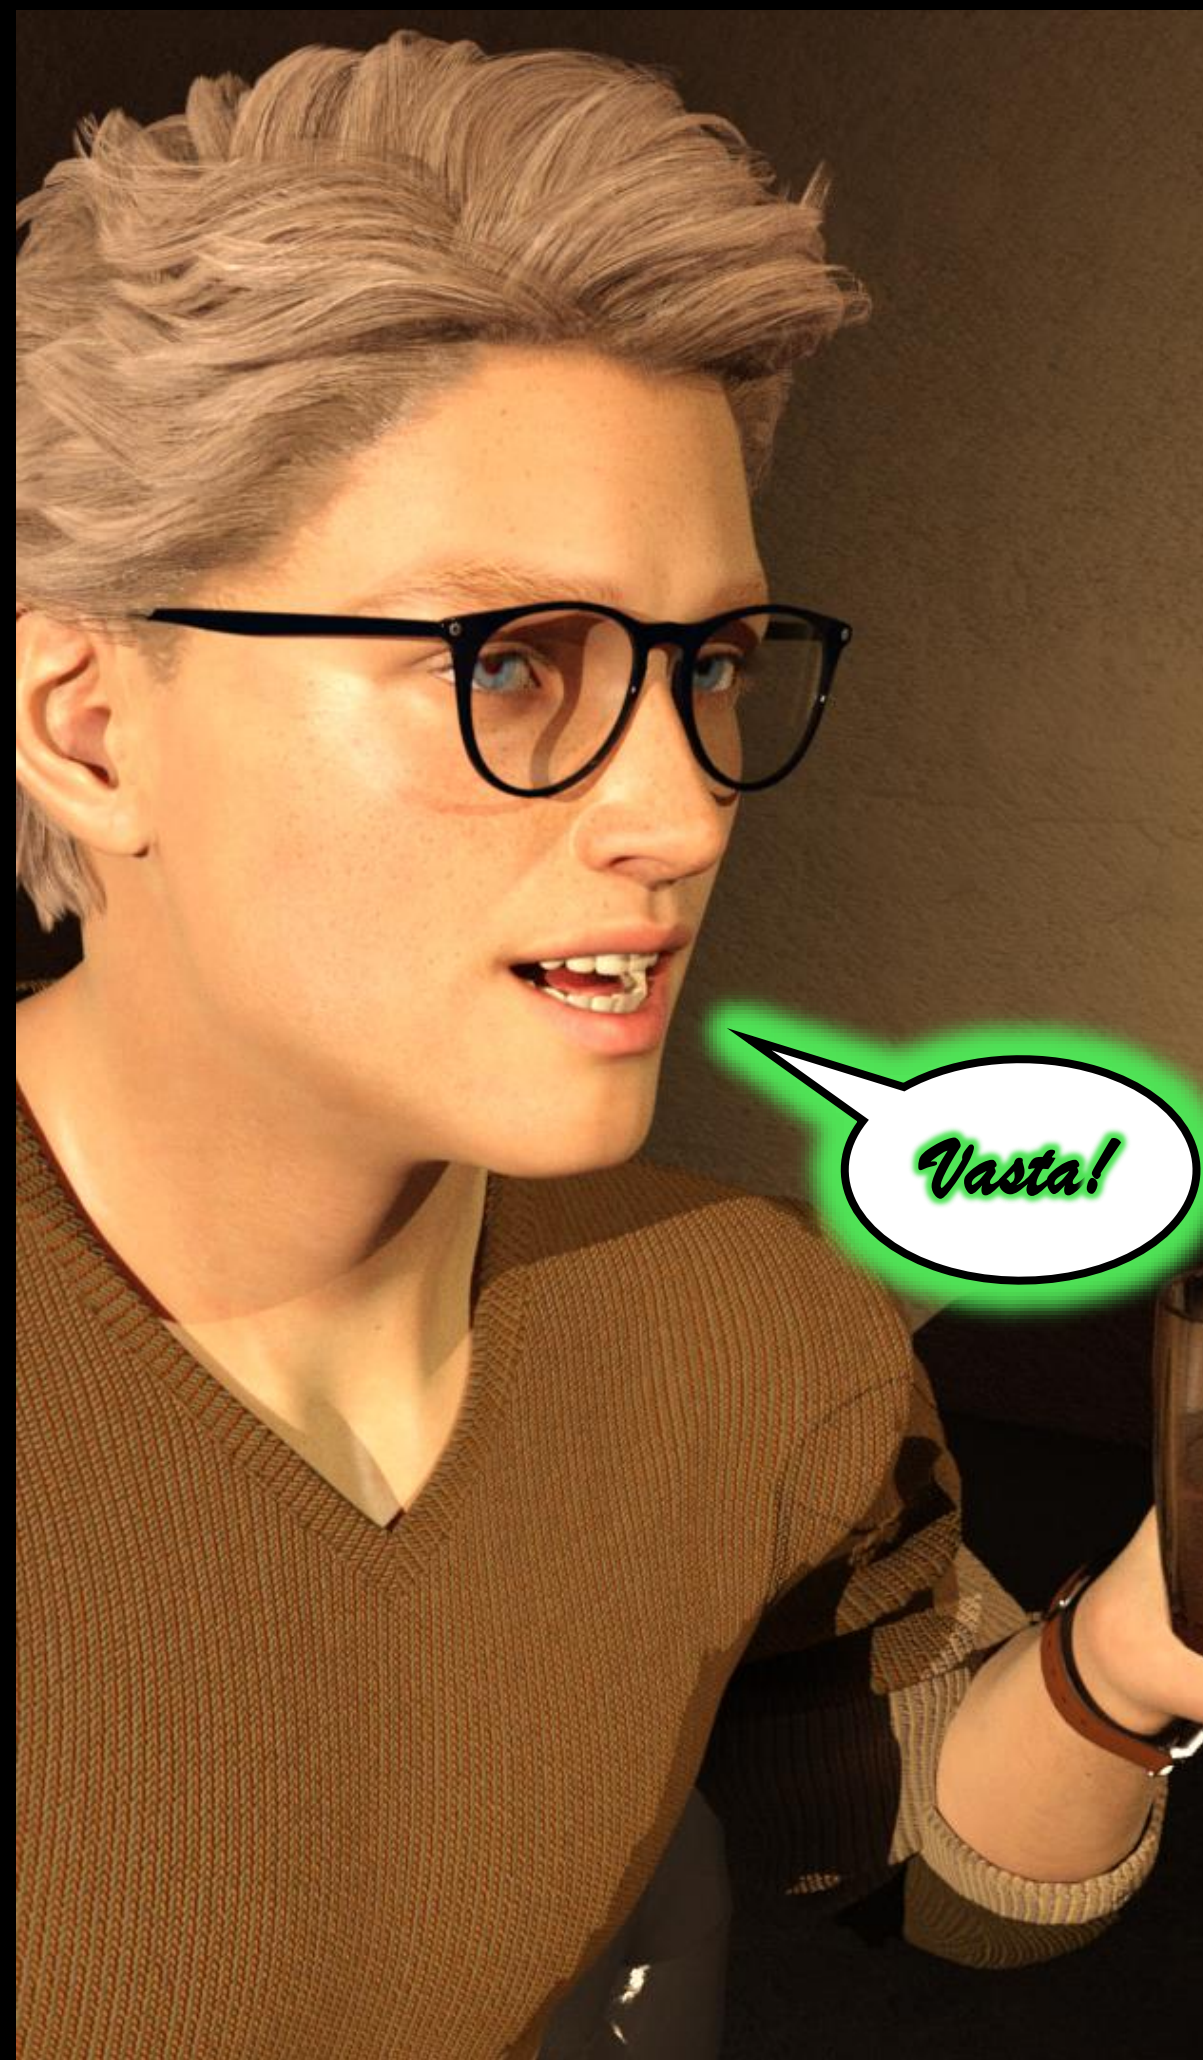

Really?  
That is  
so funny!

Jessica and I enjoyed a lovely conversation... when a brilliant idea struck me... either that or I had too much to drink as well...

Vasta can open anything... in  
any way you imagine it... so...  
why not...

Nice! It worked!

While Jessica kept on talking about a colleague of hers, her legs moved further apart – revealing **red panties!**

And she  
totally called  
her boyfriend  
daddy.  
\*giggle\*

Oh, My!!

The whole  
cubicle hear...

Sorry.  
I guess I had  
too much to  
drink.

A man with short blonde hair and glasses, wearing a brown sweater, sits on a dark leather couch. He is holding a glass of water in his left hand and gesturing with his right hand. A woman with long, wavy blonde hair, wearing a red and black floral crop top and denim shorts, sits next to him. She is holding a glass with a drink and a straw. The background is a dark wall with a geometric pattern. The scene is dimly lit, with light coming from the left.

Don't worry.  
I don't mind.

*\*giggle\**  
I'm sure you  
don't! *\*giggle\**

I gotta admit I'm pretty amazed at what the Vasta spell was capable of. I'd say that was some well-used magic back there. \*chuckle\*

And that's basically the last thing I remember from the party. After that – total blackout.

But surely, I did nothing stupid I should be concerned or embarrassed about... **right?**

Hey,  
Emma.

Hello, Hexxet here.

I know this chapter did not contain any sexual content, but I used the opportunity to progress the story and Liz/Mika's relationship. The sexy stuff of TIT this month is locked away in the Bonus Party Chapter showing what might or might not have happened at that party further on 😊.
