BY ROLLB

It's a stormy night as our protagonists spend their time in the safety of their respective rooms...

The weather matches his inner emotions perfectly as he stares at the piece of paper in front of him... such a tiny sheet holding so much power over a person... it's crazy!

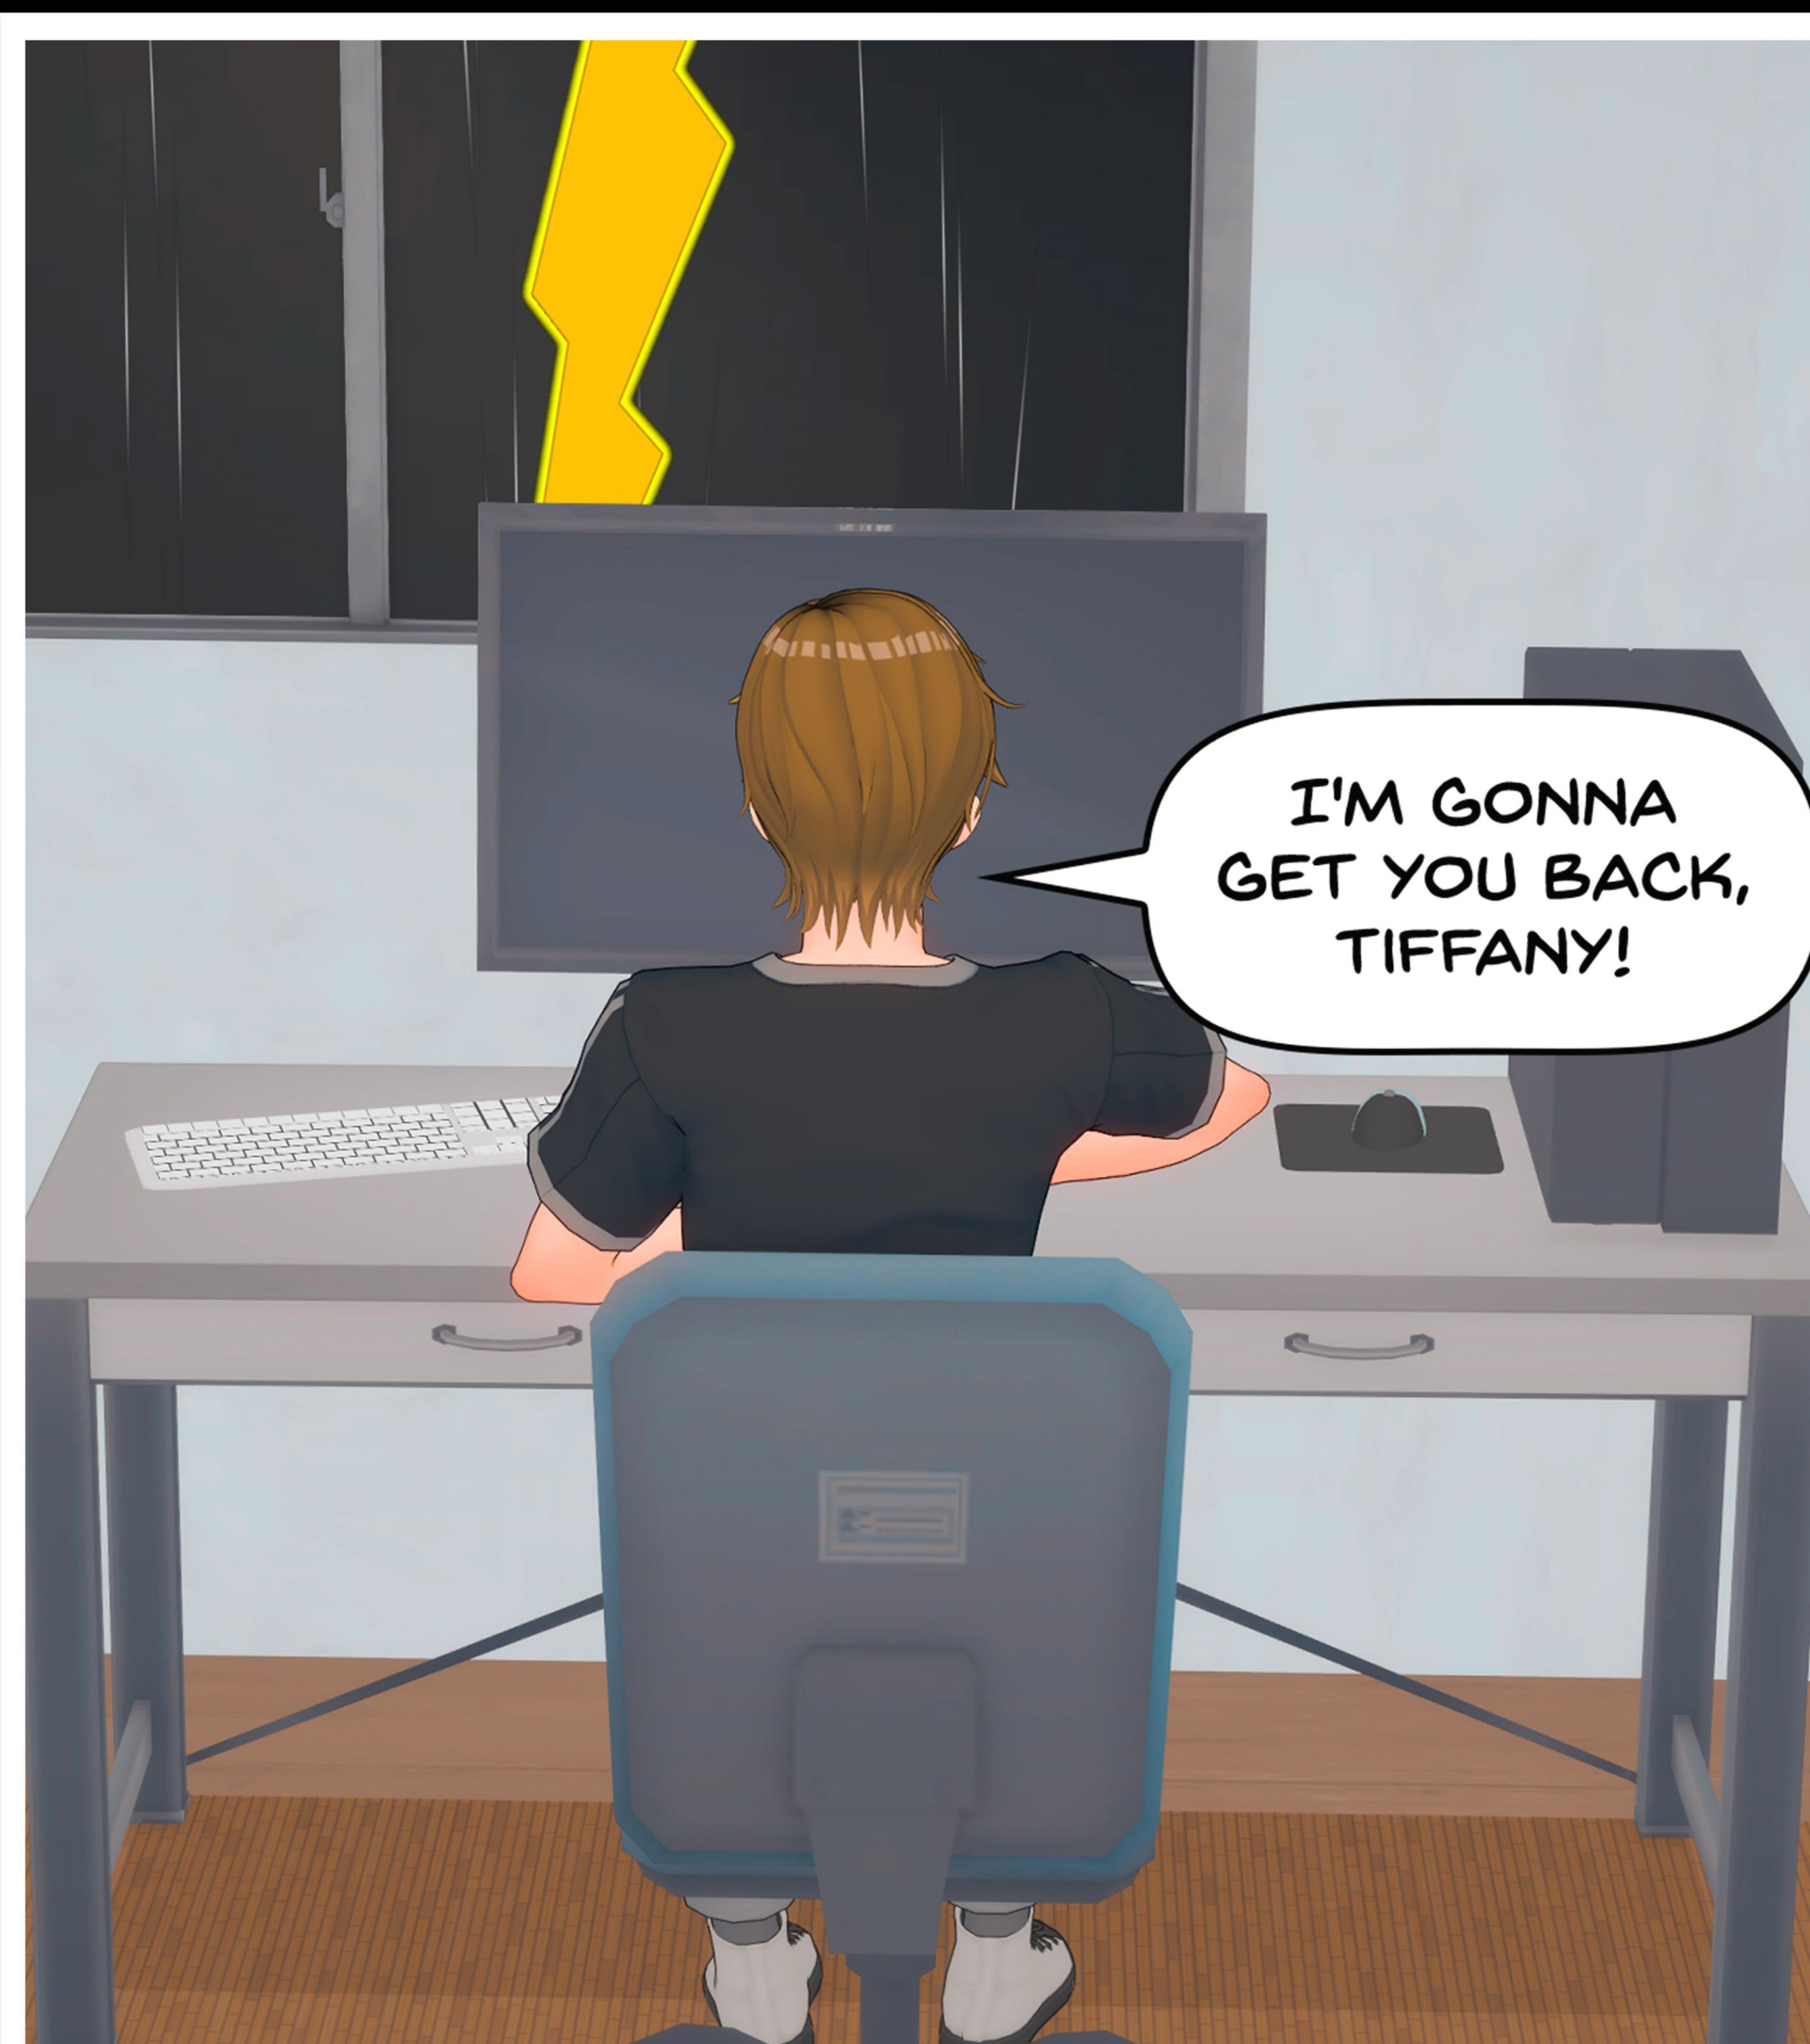

In the meantime, Ryan enjoys his new girlfriend/love-slave.

A single tear runs down Daniel's cheek as he thinks about yesterday's events.

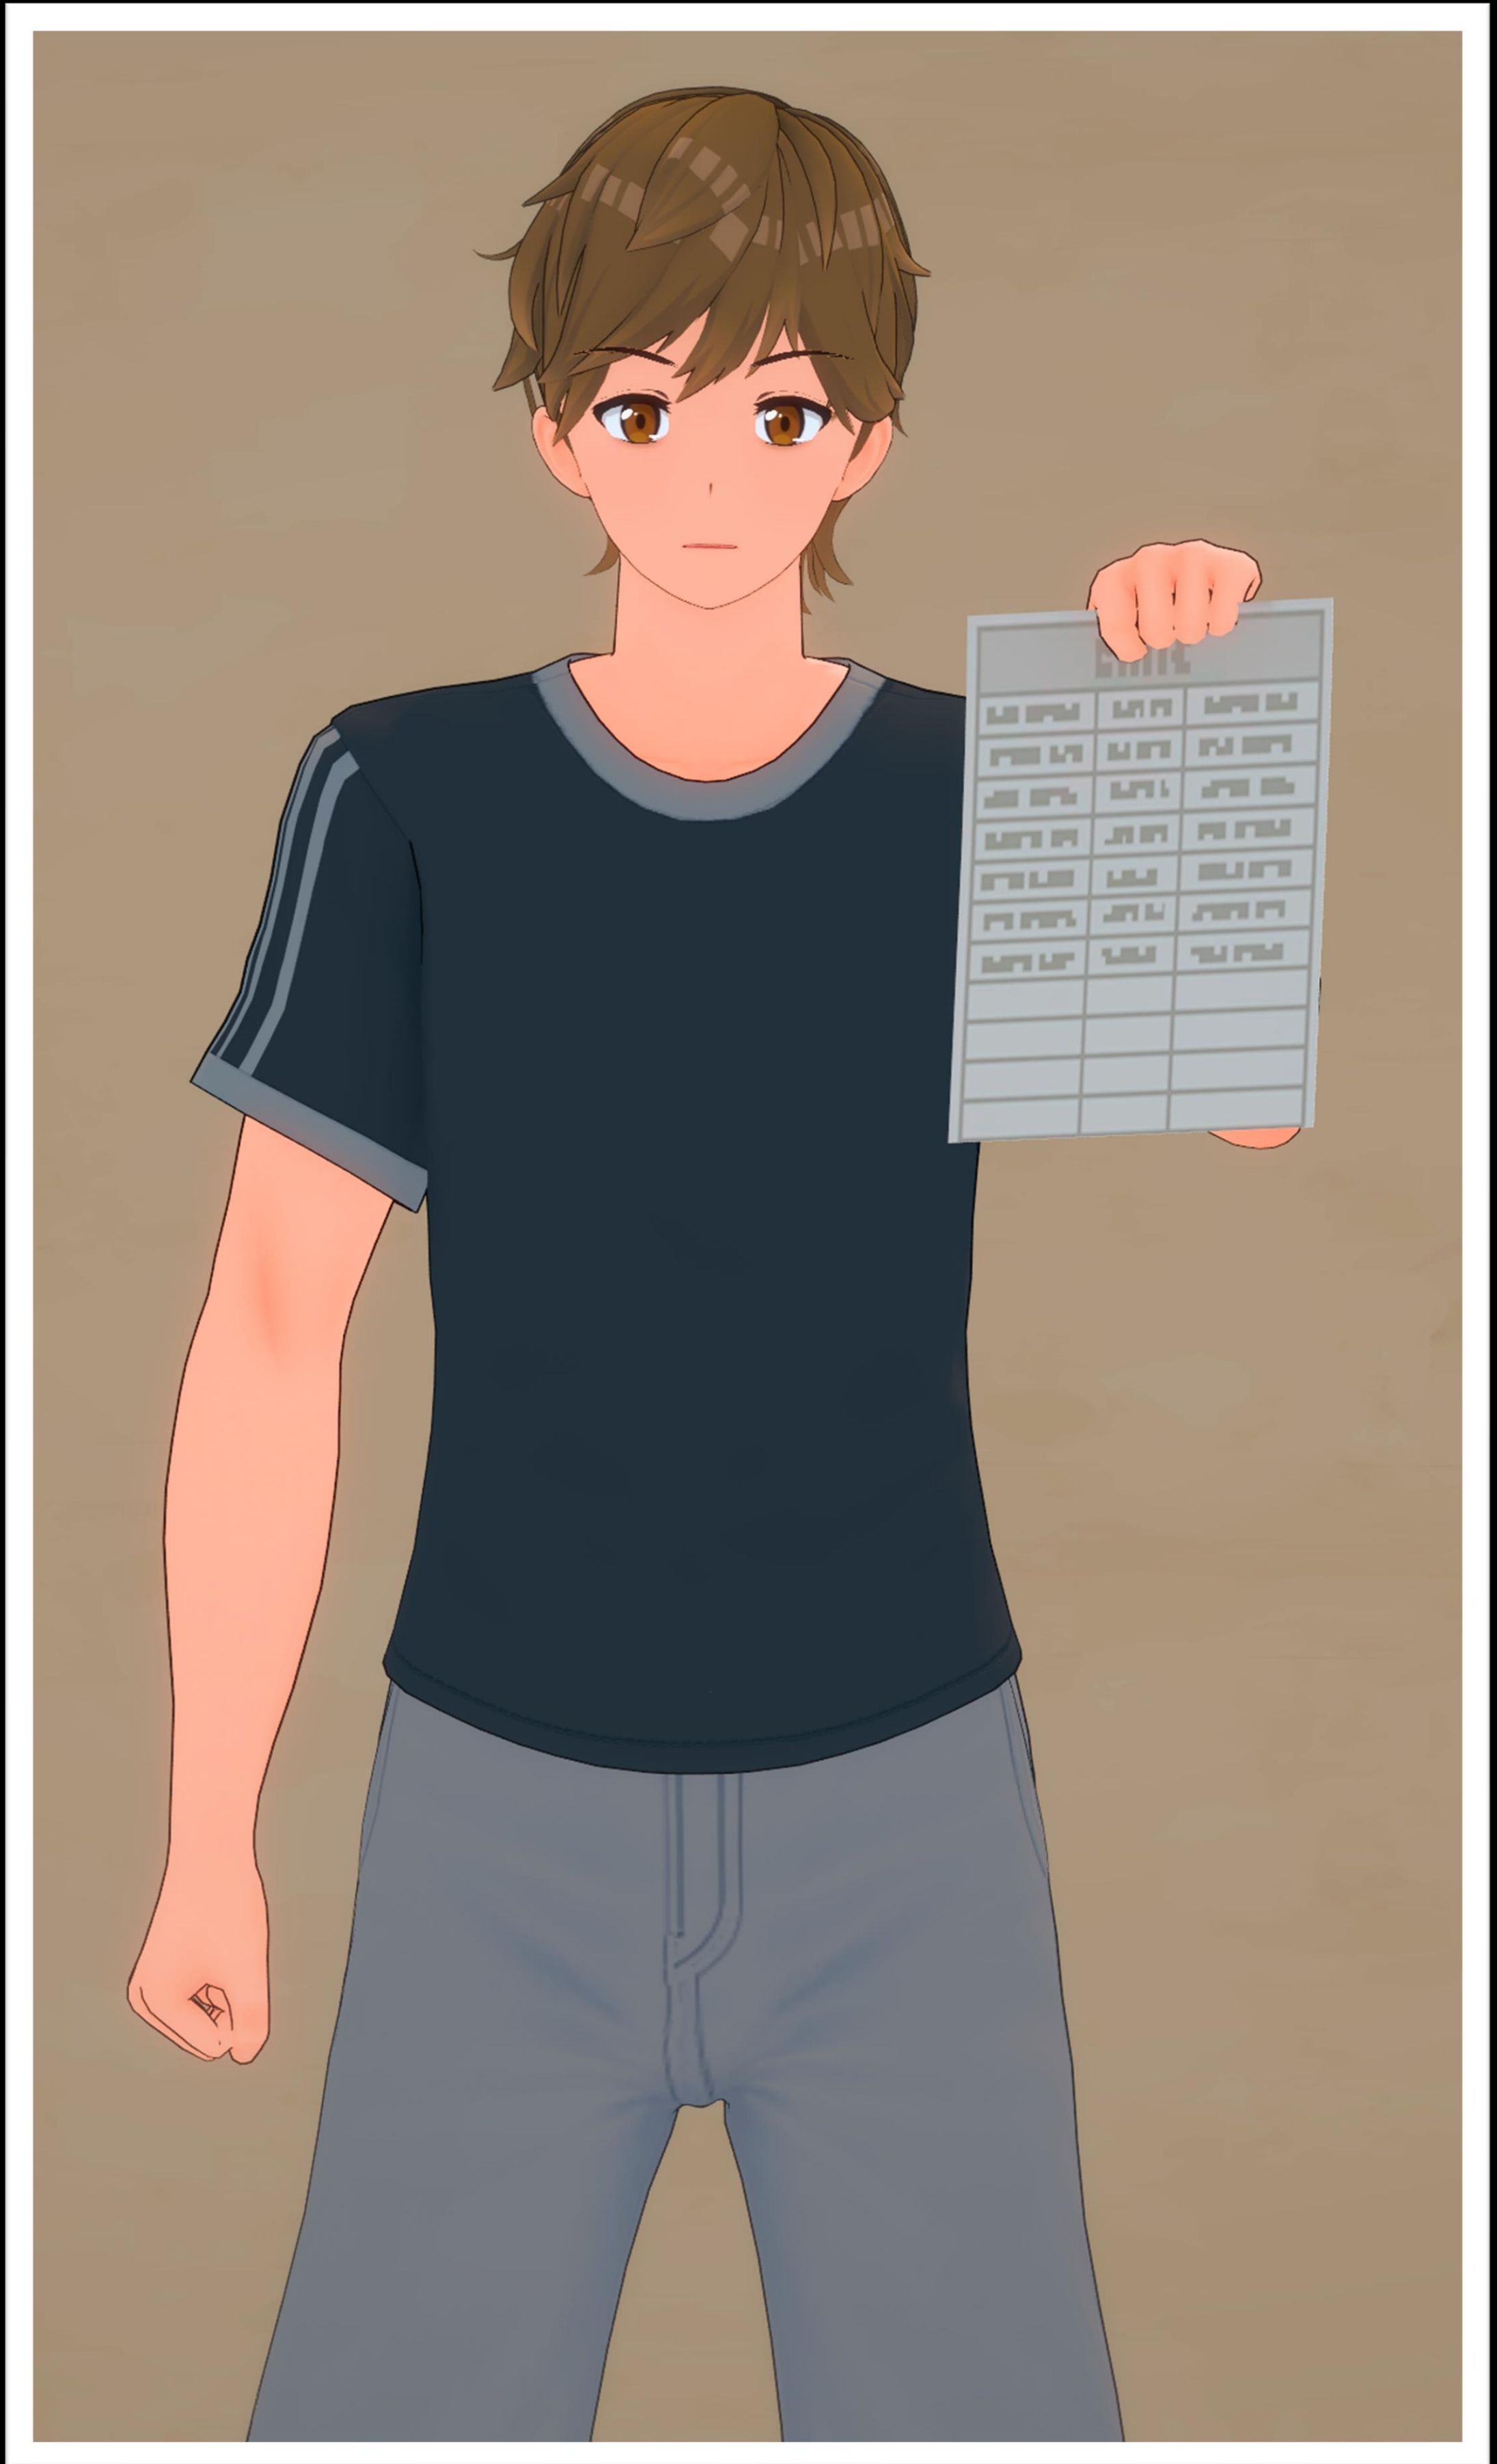

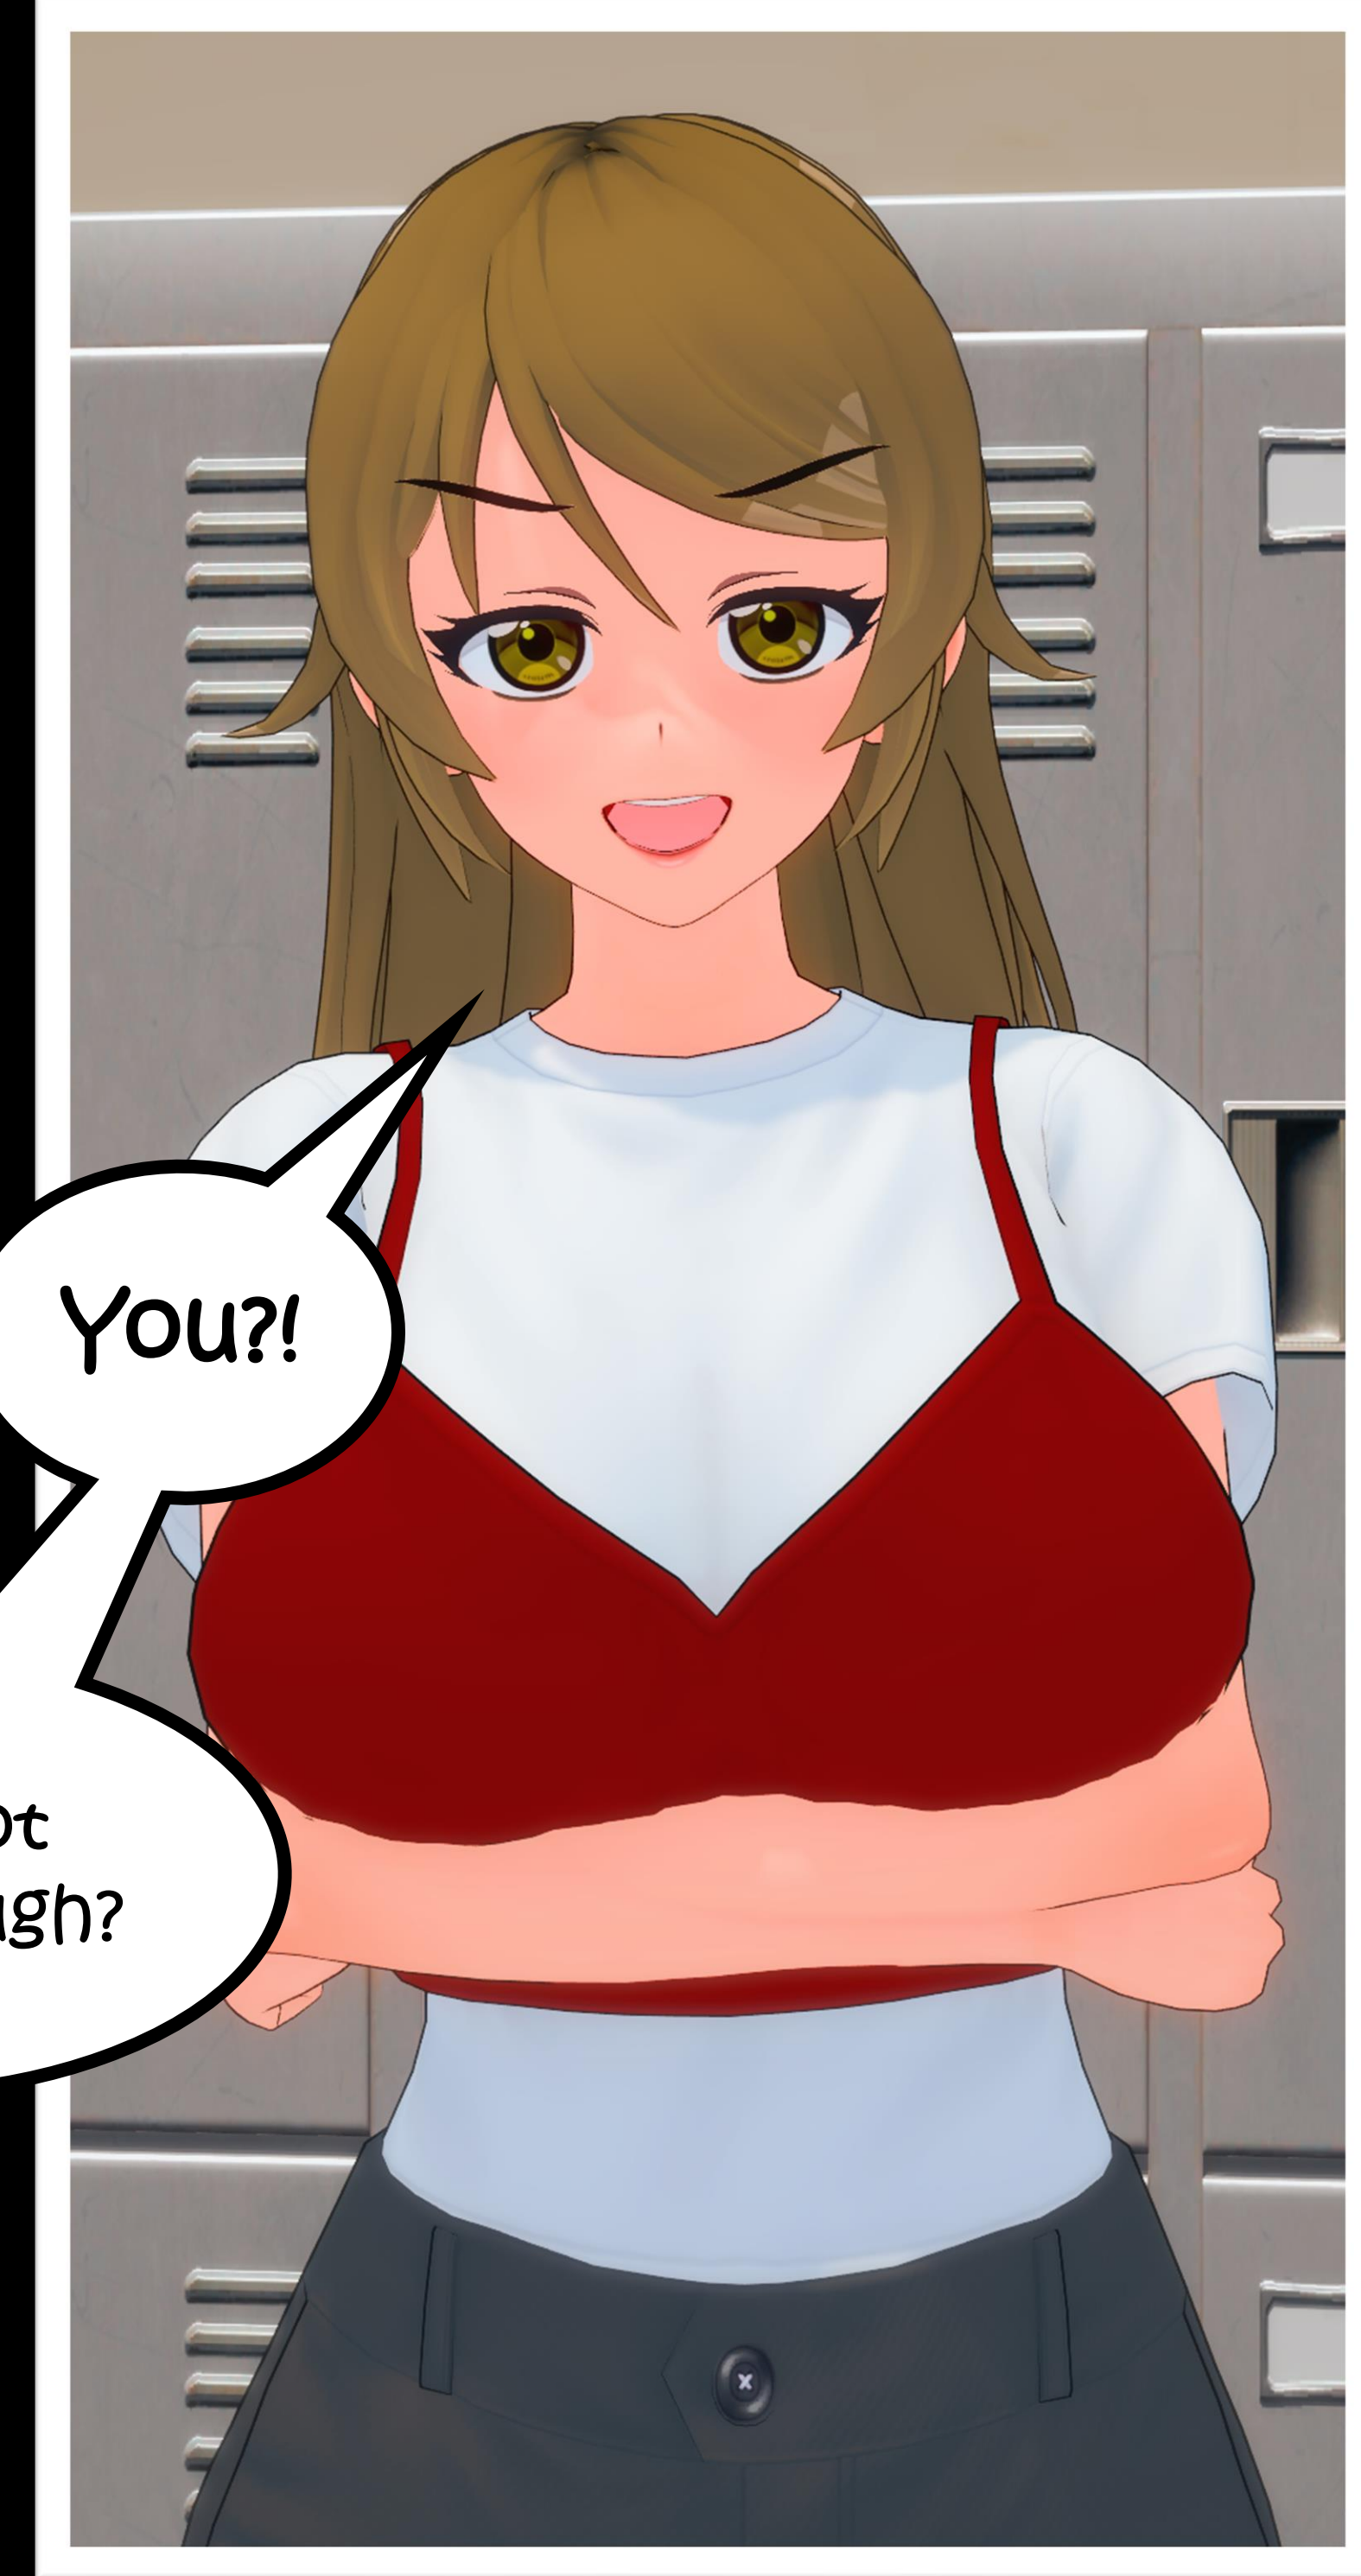

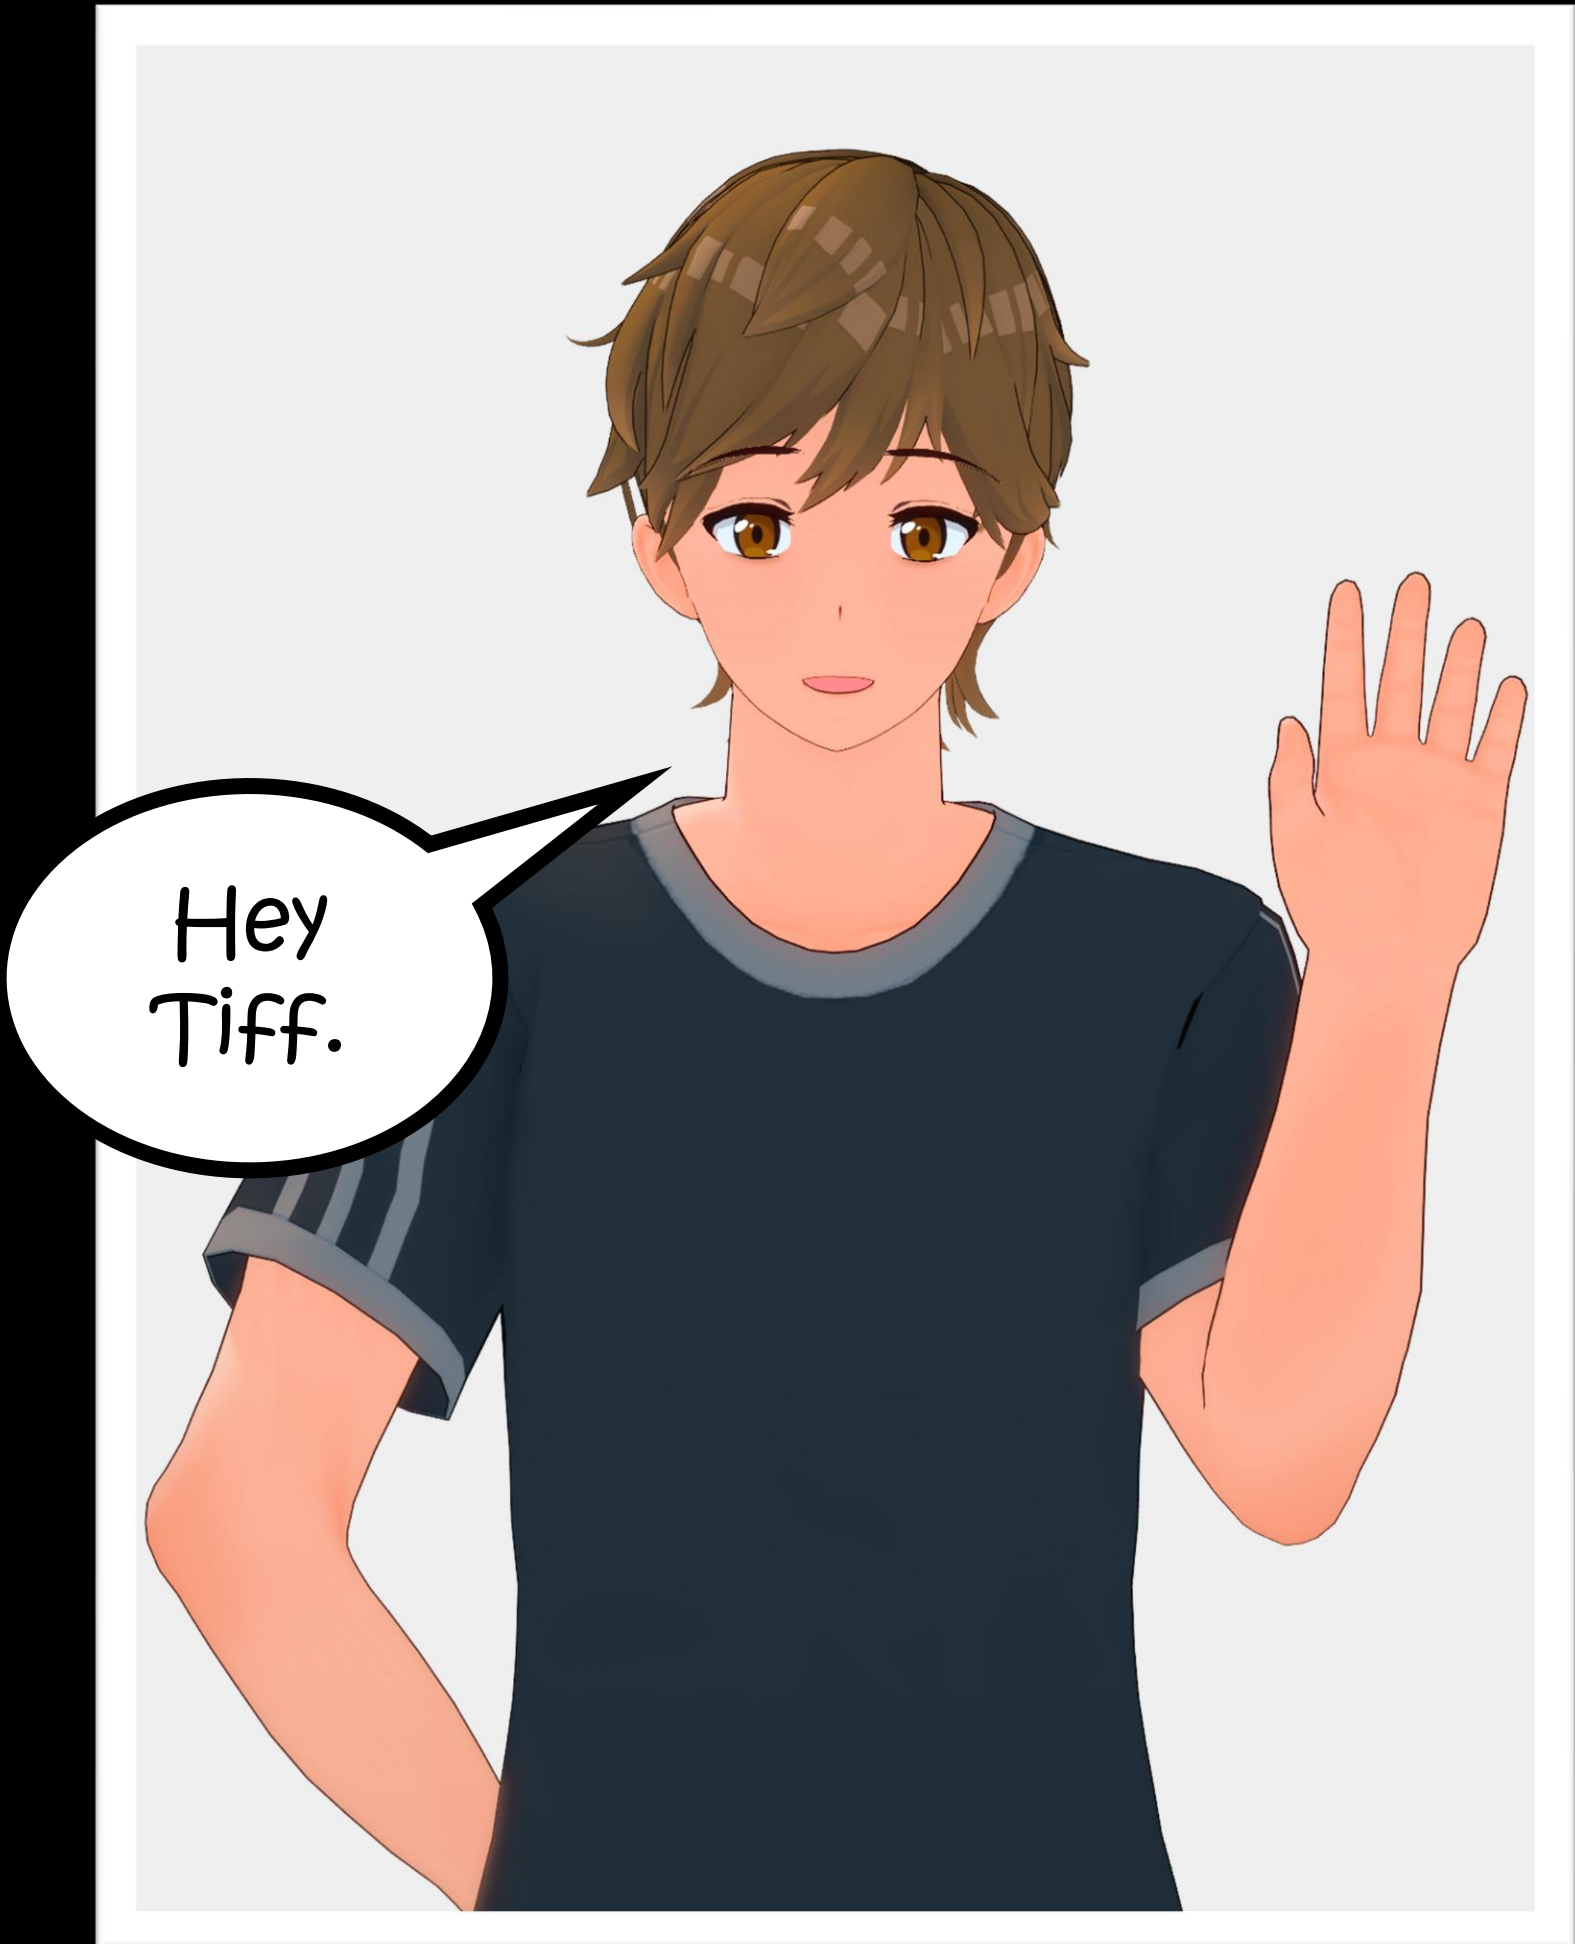

I'M GONNA GET YOU BACK, TIFFANY!

I love you, Master!

When Tiffany heads into the locker to get her books, Daniel approaches her from behind.

But without a word, Daniel holds out the chore list in front of him. If the list brought them apart... maybe the list can patch things up again!

What did Daniel write on the chore list?

Can he remove Ryan's control over her?

Can he save Tiffany?

And does he even want to?
