Hey!
Thanks for
coming to help
me sort through
this stuff.

This is Jenny, my good friend from college. Her grandfather has recently died, and she's supposed to sort through his old stuff before her mother can sell the house.

Don't mention it. I had nothing better to do anyway.

And who knows, maybe we find some great treasures!

Mhm... let's
see.. What do
we have here?

A little
box?

There are
stickers in
here...

There's a label on
this little box:
"Fuck Bunny
Tech"

What the hell is fuck bunny tech?

Don't you know the legend?

A hundred years ago or so horny aliens with bunny ears arrived on Earth and traded lots of super cool tech for sexual favors.

Obviously, The government covered it all up.

For
real?!

For real? **No not
for real!** You
stupid or what?
It's a fucking
conspiracy theory!

No clue who
came up with
a tale that
stupid.

Come on.
Lots of other
boxes left to
rummage
through.

We work through the boxes for some time but it's a boring task. So, when my eyes fall upon the sticker box again I try to lighten the mood...

Come on.
Only a few
more boxes!

By slapping one of the stickers onto Jenny's arm.

There we go.
You are a
sex doll now.
chuckle

Da
fuck?

slap

Sex Doll

Tsk!
You are so childish
sometimes!

That's why I'm
so fun having
around, no?

Urgh!

I feel
strange...

Are you
okay, Jenny?

No!
I... I... I think
my skin's turning
to plastic!

Sex Doll

I'm not
kidding!!!

Yeah sure.
Who's childish
now?

Sex Doll

I can barely
move my
arms!

Sex Doll

Holy shit!
Jenny! Your
elbow! Your
hands!

And just like that, my best friend turned into a doll – right before my eyes!

Help!

Sex Doll

With the transformation complete Jenny stopped talking... and assumed some sort of base pose? It was freaking **freaky!**

I got a bit closer to inspect her...

Her skin... smooth plastic!

Her insides?

Sex Doll

knock

knock

Hollow!

As I slightly touch
her stomach she
speaks up in a
squeaky voice...

*Play with
me!*

Sex Doll

touch

Oh god!
What have I done?
Did I just kill
Jenny?!

The sticker!

Putting it on Jenny
turned her into a doll!
So, if I remove it...

I rip the sticker from Jenny's
plastic arm hoping everything
will turn back to normal...

And really!
Before my eyes...

Jenny turns back into
her human self! Phew!

Why are you
looking at me
like that?

Are you
looking at my
boobs, pervert?

What?! No!
Jenny? You are back,
I'm just glad! **That**
was crazy!

What was
crazy?

The sticker?
You turning
into a doll?

God! I was
so scared!
Sorry!

A young woman with long, vibrant red hair tied in a high ponytail stands in a rustic barn. She has green eyes and freckles, looking directly at the camera with a serious expression. She is wearing a dark green tank top and blue jeans, with her arms crossed. The background shows wooden beams, shelves with various items, and a large wooden door.

I've no clue
what you are
talking about.

But... the sticker!
You... **just turned
to plastic!**

You make
zero sense!

But... you...
You don't
remember?

Stop making
stupid shit up.
Only a few
boxes left!

She has no
recollection at all!
Everything from
slapping that sticker
on her arm to
removing it, gone!

We continue sorting
through boxes...

But my mind's
not really in it...
as my thoughts
slip back to that
plastic Jenny.
Was it just a
daydream?

Almost
done!

Gulp

Fuck this! I think to myself as I sneak up behind Jenny and slap the sticker back onto her.

slap

iiiiikkkk

That feels cold!! What is this?

Sex Doll

I feel
strange!

What is
going on?!

It's getting
hard to
move!

Sex Doll

A woman with long red hair tied in a ponytail, wearing a teal tank top and blue jeans, stands in a rustic, dimly lit room. She has a shocked expression with wide eyes and an open mouth. A pink label on her hip reads "Sex Doll". To her left are three speech bubbles containing text. In the background, there is a lantern, a shelf with various items, and a large orange inflatable object on the floor.

Is that...
plas..tic?

Oh...
go...d.

Getting...
har..d...
to... tal...

Sex Doll

Jenny?

Sex Doll

Holy smokes!
It works! The
sticker really
works, just like
that. *gulp*

Her plastic skin shimmering
in the light... As I slowly lift
up her shirt. *gulp*

In for a penny...

A realistic-looking sex doll with long brown hair and freckles is lying on a thick brown fur rug. She is unclothed, and her skin has a glossy, wet appearance. The setting is a rustic room with wooden furniture, a glowing lantern, and a large wooden tub in the background. A pink label on her hip reads "Sex Doll".

I undress her and lay her down...

She is pretty light for
her size...

Sex Doll

Her shimmering skin... that
wet place between her
thighs... It's alluring...

I always had a thing for Jenny... but I never made a move... didn't want to ruin the friendship...

Jenny... If you want me to stop don't tell me to play with you...

Play with me!

touch

Sex Doll

Gulp
Alright... She did not
need to tell me twice!

Carefully I spread her
legs. Her doll joints
smoothly bending like
the real deal...

Sex Doll

I take out my cock
and I put it in...

So tight!

Sex Doll

But really wet! I slip in easily.

insert

Holy Shit!

Was doing it! I was
fucking Jenny! In her
deceased grandfather's
house non the less...
This is crazy! This...

*Dolly loves

No!
This wasn't Jenny!

Sex Doll

This was just a doll!

*Dolly feels

Sex Doll

Just an object!

*Dolly loves

Sex Doll

A lifeless object built
for pleasure!

*Dolly feels
good!*

Sex Doll

I was just using he... **it** the way it's supposed to be!

Oh, yes!

Sex Doll

As I was thinking about all this crazy stuff, I could feel the pressure in my balls rising...

*Dolly loves
cock!*

sex-Doll

I did not want to get her pregnant... Who knew how this would work when she transforms back...

So, put J... the doll on her hands and knees and insert my cock in another hole of hers.

Sex Doll

Her mouth felt amazing... to be exact... it felt exactly the same as her pussy... I guess it's the same artificial...

AH! Fuck who cares!
“Here it Cums, Jenny!”

At the last moment, I
pull out of its mouth
and cover that beautiful
face... that looks so
much like Jenny's with
my spunk!

Holy \$hit!

That was so wrong... but it
felt so goddamn good!

Emotionless Jenny doll
stares ahead as I look for
her clothes and something
to clean up this mess.

Some old rag would do the
trick and soon Jenny-Doll
was squeaky clean again...

Then came the hard
part... redressing her!

It's harder than you
would think... having to
move all those limbs to
get the clothes into
position...

Sex Doll

And don't get me started on that bra! It's hard enough to take off those things!

Play with me.

Sex Doll

All the while I fumbled with the Clasp the doll kept repeating: "Play with me" as the bra was pushing her buttons or something...

When I finally had all of Jenny's clothes back on the doll, I was sweating heavily... and not just from that pounding I gave her beforehand!

Now for the final
part... the removal of
the sticker.... Please
don't remember this,
Jenny!

And like the first
time... the plastic
recedes from Jenny's
body...

Turning her flesh and
blood once again!

Are you
okay?

You are all
...sweaty...

Me?
Yeah sure!

It's just hot
up here in the
attic...

And those
were a lot of
boxes... **Yes**
lots!

Holy
Shit!

What?

Look!

When did it
get so late?
Wow!

Thanks
for the
help!

I can finish the
rest tomorrow
alone. Sorry for
keeping you so
long!

Err...
Jenny...

Yeah?

Can I take the
sticker box?
They are... kinda
fun.

Huh?

Errr...Sure,
Whatever! I'd just
through them away
anyway.

The End.

Hello, Hexxet here,

Now that was an eventful afternoon “helping” your best friend. 😊

I hope you enjoyed this doll-themed story. If you liked the story, this has some good series potential. Either with more doll play or... what other types of stickers are there in that box? 😊

More PAls and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAls you probably want to visit the shops, not the Patreon). Some free PAls can be found on my homepage.

And here I
thought he'd
ask me out
today...

But no... he's
asking for the
sticker box?!

Maybe I
should ask
him...

Nah... better
not risk the
friendship...
