Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic – though he is not very skilled at it. One thing leads to another and he has infiltrated a camp of ether-wielders who are on the hunt for demons... He becomes a member – secretly a spy for Kassandra. In the meantime, he tries to juggle his social and school life with his now secret magic life...

After learning about the camp's people being after the old man in the woods he went to warn him. That guy might be an evil worlock... but he has always been kind to Mika... Also, Mika has bought Kassandra a phone so Mistress and Minion are finally able to communicate if needed... As he was buying said phone he met Lana who broke her arm during a cheerleading „accident“...

Previously on "The last Temple", Mika warned the old guy in the old woods that the people at the camp suspect him do be a demon.

Pah!
Demon?

A crude word for anybody "they" don't approve of!

Thanks for the heads up. I will leave...

Though... one request if you will. Can you look after my girls?

Err... I'm just a student... but sure, I'll help them out as much as I can.

Lana... I don't think that was an accident...

First this space-transcending phone – thingy sending messages all over the world and now a door that opens and closes on itself?!

And Lana broke her arm during cheer practice... Mika knows why...

I... kinda tripped... and well, fell pretty poorly...

Oh... yeah. Had a little accident during cheer practice.

Huh?

Meanwhile, Kassandra is amazed by modern technology.

We continue from here: Lana takes Mika home after work so he can tell her what he has learned by eavesdropping on her cheer "buddies"...

Well, they did not say it directly... but Stephany's tone made it apparent...

You serious?!

A man and a woman are in a kitchen. The man, wearing glasses and a brown shirt, is looking down at a large, variegated plant in a concrete pot on a wooden table. The woman, wearing a white sweater, is looking at the same plant. In the background, there is a kitchen counter with a sink and a window with a shelf holding various items. The scene is lit with warm, golden light, suggesting sunset or sunrise. A large window on the right shows a view of a building with a grid pattern.

They wanted
you off the
team...

And I guess they
came up with
this so-called
"accident".

FUCK!

With the reality of the situation and the betrayal of her "friends" sinks in Lana starts to sob.

I trained so hard. *sob* I gave it my all to stay on the team. *sob*

It's better that you know.

With my mom... the shop *sob*, studies... *sob* I had little time. *sob* But I thought I could make it work. *sob*

I didn't know they hated me... *SOB*

I'm sorry... but I had to tell you...

It's even *sob* a bad break. *sob*. It will take months to heal! *sob*

sob
rub

gulp
She... smells
nice...

Maybe... I
can help...

Mika activates his magic, despite clear instructions from Stella not to use magic in his daily life...

Medeo.

Is that... love?

My skin is tingling.

Is he... holding my hand?

Huh?

Nope! It's a byproduct of Mika's magic. But sure, go with it, girl!

That's...
sweet of
him.

I've got a
feeling it will
be better
soon.

Th...
thanks.

He's so
caring...

Here brown
eyes are really
beautiful...

Wha...
what is she
doing?

As it becomes
apparent to Mika what
Lana indeed is doing,
he returns the kiss.

And soon – at least for
a little while - they are
making out tenderly.

After their kiss both of them are flustered and it's getting late...

Was it just a spur of the moment? Or... is this love? They don't know yet... but for now, both of them bear a happy warm feeling in their hearts.

Taking it slow, Mika takes his leave as Lana looks after him even when he's long gone.

Still smiling Mika arrives back home...

Her lips
were so
soft.

You look
cheery!

Where Barbara is watching a movie...

Do I?

You are out a lot and come home late these days...

Something fishy is going on!

Oh, I know exactly what's going on!

Wha..?!
No... Nothing's going on!

Is she suspicious of my magical training?

Kessy's adventures?

Me using her while under the Ocavum spell?!

I knew it!

You gotta tell me everything!

We just kissed today, okay?

Err... maybe when it's more serious...

Okay, okay!

Sleep tight, Loverboy!
giggle

Meanwhile, that night at
Kim's place...

Kim is in a pickle... She's breathing heavily and confused about why...

exhale

What is going on?

Why does it feel...

Mahh

The sensation of that steady stream is driving Kim over the edge, and she orgasms right there on the toilet seat.

Moan

huff
huff

Her body is shaking and spasming in orgasmic bliss long after the trickle has stopped...

Confused Kim stands up, takes a piece of toilet paper to clean herself off - trying to forget about this embarrassing event...

When the soft touch jolts another electric feeling through her pleasure zone!

Hastily Kim throws the tissue into the bowl and flushes.

She bends down...

Pulls up her panties...

And with a flop...

Yielding the result you would expect by now ☺.

Kim goes back into her room and lays down in her bed. It's late and trys to sleep...

But those damn panties feel so itchy against her pussy!

Fuck, I'm horny...

Slowly Kim's hand reaches down between her legs...

And starts rubbing... softly!

It feels so good!
Pleasure jolting from
her clit throughout her
whole body.

She arches her back...

Her body totally tense as
she approaches the brink
faster than ever before...

Until just seconds later she
cums into her panties... **HARD!**

To hold back the immanent moaning Kim bites
down on her hand...

But it's of little use. Moaning still escapes her mouth as her body spasms with another strong orgasm. She can only hope her parents did not hear...

After the deed, Kim inspects her fingers. They are dripping with her juices!

Having cleaned her hand Kim lies back...

But exhausted from all those orgasms Kim finally drifts to sleep.

Her pussy is still throbbing from the slightest movement...

The next day, back with
Mika...

Before going back to training at the camp, Mika decides to pay the old guy another visit...

I wonder if he managed to pack up already.

Master?

Oh! Young Master!

Please,
come in!

But of
course, young
master!

I... can
come in?

As Mika enters through the small hut's door a well-known feeling overcomes Mika.

Instead of a dusty old wooden hut, Mika finds himself in a huge magnificent shiny hall!

We are very grateful for you taking over, young Master.

Please make yourself at home.

Thank you, Master Mika.

Quite shocked by the kneeling women showing utter devotion towards him Mika starts mumbling questions...

Wait.
What? **Taking over?!** Master?

I don't ...

Please!
Stand up!

What is going on?

As you wish, Master.

All of this is
yours now,
young Master. ①

If it pleases you
we'd be delighted
to show you
around, young
Master. ③

And **we**
come with
the house! ②

Oh
boy...

Speechless by this whole situation, Mika follows Magdalena's mother around the house as she presents the spacious rooms.

The lounge.

Dining room.

Wow!

Left wing,
Master bedroom.

Our room's
just two doors
to the left.

Unless you wanna
change room
assignments.

Are you
alright, young
master?

This is so
crazy...

I think he is
overwhelmed
by the house.

What did I
get myself
into here?

whisper
Magda, why don't
you show the young
Master your skills?

I'll go prepare a
little something
to eat.

Have fun
you two.

Is this really
happening?!

slurp

It does not take long
for Magda's skilled
tongue and mouth
work to get Mika to
release his love juice.

Triumphatically
Magda looks up at
Mika, displaying the
load gushing around
in her mouth.

Wow!

Really good
indeed.

She throws back her head and with an exaggerated gesture gulps it down.

Mr. Grey
always enjoyed
this part.

Before showing off
her empty mouth
afterward...

Thanks for
the load...

I love how
you taste,
master.

You saved me
princess-style
down there by
the river bed.

Your brought
me back all the
way here in the
darkest of the
night.

You are my
hero. I like you!
A LOT!

And even if
you were not
my master right
now, I'd enjoy
doing this.

Got it?

Oh... okay.
If... that's how
you feel...

I mean... I do
like you too...

Great!

Then let me
clean this up
for you.

Mom should be
done with the
food soon.

I guess... if
she's fine
with it...

lick

Life was definitely taking an interesting turn... why not embrace it?

Would you like me to get dressed again, or should I stay like this indoors?

My mother and I are more than happy to comply with any wishes you have and any changes you'd like to make to this household.

A bit later down in the dining
room after a lavish meal...

As you can see, Mika did not have Magda redress!

Wow!
Your mother
really is a great
cook. This was
delicious!

You should
tell her! She'd
love to hear
that.

Oh, I heard.
Thank you for
praising my
food, young
Master.

So, young Master, have you had time to think?

Are you willing to accept our old master's legacy?

Well... when I promised the old guy... I did not expect... THIS

gulp

giggle

As Marianne bends over to clean up the table Mika's eyes are drawn to her impressive cleavage.

Oh, no! Master,
please! You never
have to apologize
to us!

We are your
humble
servants.

You do not
need to thank
us either...

Of course.
Thank you,
kind master.

Er... mhm..
Well thank you
for the folder.
I'll read it in a
moment.

I will thank
you when it
pleases me!

Oh, boy.
What did I get
myself into
here...

Aside from a thank you note and some instructions on how to handle the house and slaves Mika finds this page in the folder...

Vasta

The Vasta spell opens the way to endless possibilities. Literally! Closed doors, corked jars - anything - the Vasta spell can open anything!

Activation: Focus on the target you want to open.

Being close to the target will drastically reduce the Ether Force needed for a successful application.

Push your Ether Force into the target and imagine the target to open.

So, if it's a simple door imagine the door opening.

If it's a lock, imagine the inner works of the lock to unlock and then open up.

This spell highly relies on the imagination and dexterity of the user rather than pure etherical power.

So, try what works!

End of Chapter

Thanks for reading!

Hello, Hexxet here.

Vasta might not sound like a big deal, but Mika is grateful for any new spell he might be able to cast with his low Ether Force. The next chapter will be about Mika practicing said spell a bit while socializing some more and going to a party in the evening.

We will also follow Kima around some more ;).
