LEXI 03 – Ignore Mode

Previously on LEXI, Mika discovered „Ignore Mode“ – a LEXI function that makes the user and his actions completely non-existent to anybody around them! While Mika has tested it out in the bathroom – trying to prank his stepsister – the real use case shows up now in the form of Julie arriving at the Harrison’s house. Julie is a cute girl from Jessica’s class – very flirty – a real tease. And Mika finds her very attractive... what better target to test „ignore mode“ on?

Featuring

Mikael...	a guy on holiday at the beach resort
Jessica...	Mikael’s stepsister
Julie...	One of Jessica’s friends

The girls are talking about boys... figures!

With „Ignore Mode“ active neither of the girls react as Mika enters Jessica's room.

And those shoulders. *swoon*

I snip Jessica's ear with my fingers – no reaction!
