# LEXI 04 – Universal Acceptance Mode

Previously on LEXI, Mika used „Ignore Mode“ to score with Julie, his stepsister’s friend and a real tease. Mika now has further researched LEXI’s capabilities and found another Mode that sounds interesting: „Universal Acceptance Mode“ Who will he test that one on?

## Featuring

Mikael...	A young guy who installed LEXI at home
Jessica...	Mikael’s stepsister
Barbara...	One of Jessica’s friends
Mr. Harrison...	Mikael’s father
Jeniffer...	Jessica’s mother, Mr. Harrisons’s wife

Previously on LEXI...

With „Ignore Mode activated“ Mika made his way into his stepsister's room where the two girls were talking...

Neither of them reacts to his presence.

Ignore Mode" was a full success and Mika finally got to score with a hot girl who teased him for so long!

We continue the story on the next day as we join Mika on his way back from school. In the morning he did study the LEXI functions some more...

Universal  
Acceptance  
Mode...

I can't  
wait to get  
home...

As I finally arrive home I'm already all giddy. I can't wait to try out that new function I found on LEXI this morning...

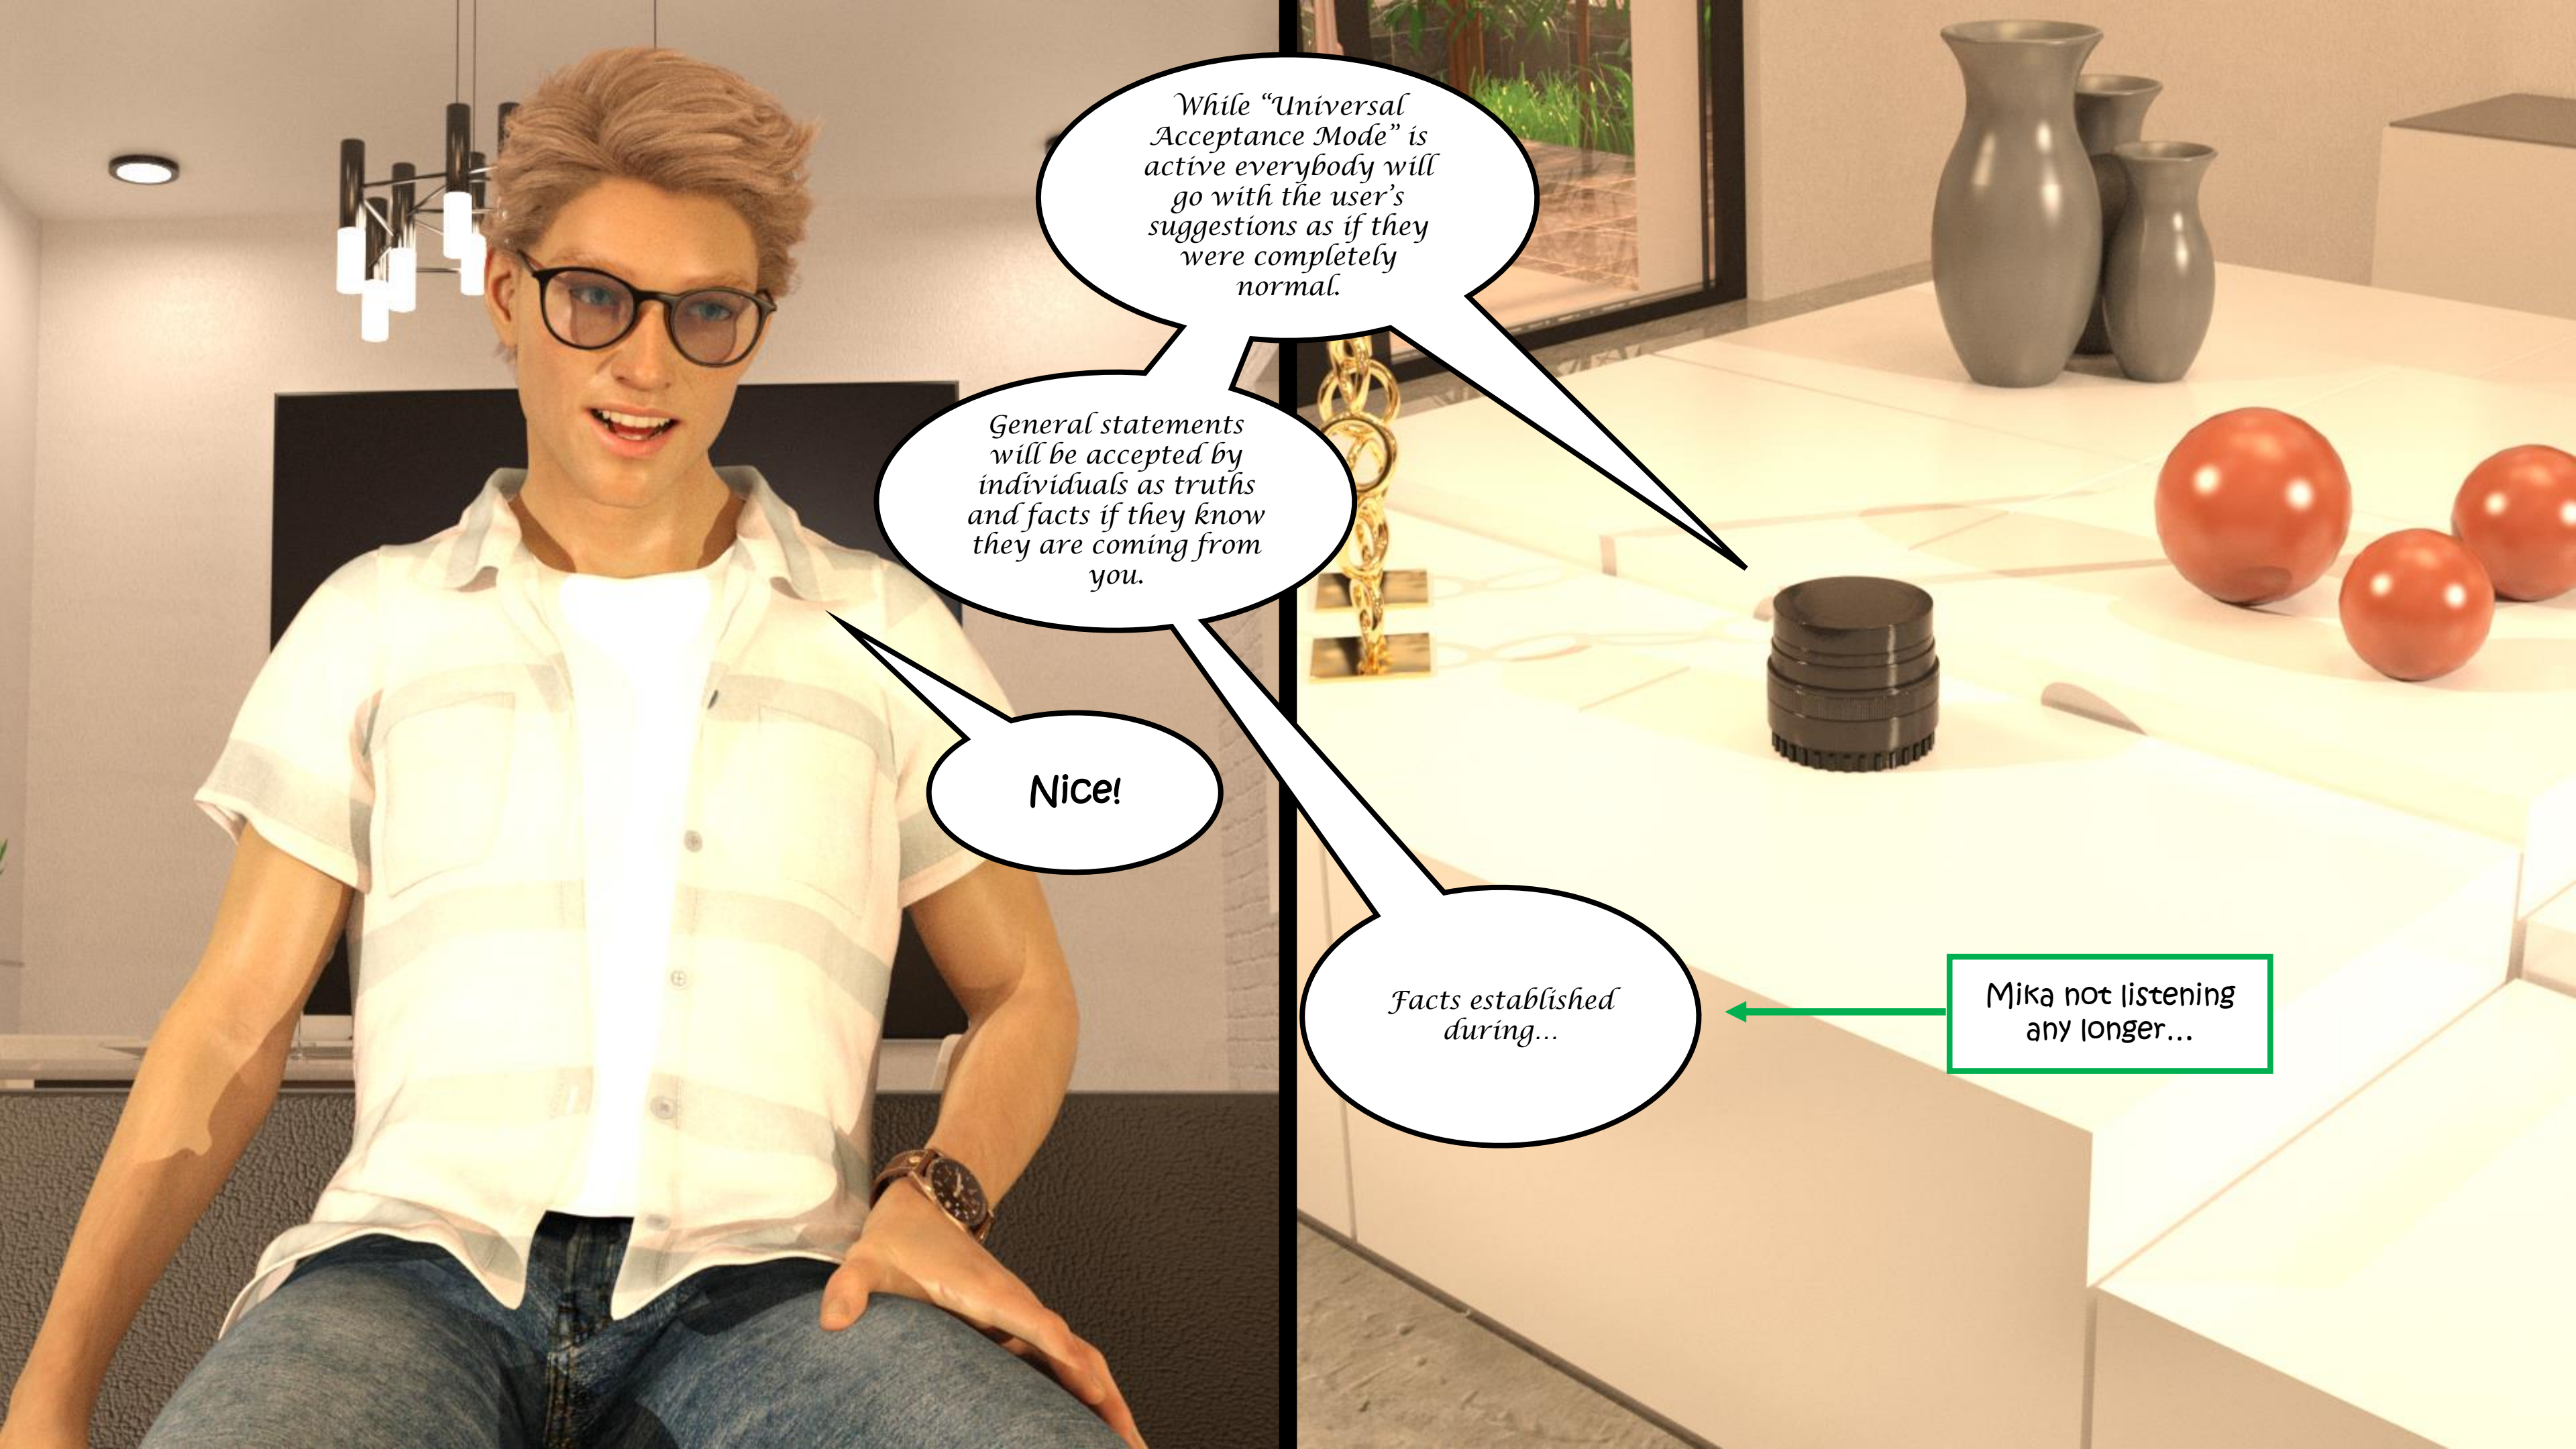

Since nobody is home yet, I crash on the living room sofa, and let LEXI unit there explain that newest function once again.

LEXI - Explain  
"Universal Acceptance  
Mode" to me once  
more.

Affirmative!  
Explaining:  
"Universal  
Acceptance  
Mode".

*While "Universal Acceptance Mode" is active everybody will go with the user's suggestions as if they were completely normal.*

*General statements will be accepted by individuals as truths and facts if they know they are coming from you.*

**Nice!**

*Facts established during...*

Mika not listening any longer...

LEXI activate  
Universal  
Acceptance  
Mode.

And that  
must be my  
test subject.

*Affirmative.  
Activating "Universal  
Acceptance Mode" for  
user Mikael Harrison.*

Hey Mika!

This is Barbara. I chose her for three reasons.  
First: She's my friend... and most likely the only  
girl that would come over for a study session...  
Second... Look at those BOOBIES!

Thanks.  
You ready for  
some studying?

Babs, please,  
come in.

I... Of  
course.

Women at our  
house are ... err...  
going topless now...  
you know?

I blush a little as I tell Babs this  
obvious blatant lie...

If „Universal Acceptance Mode“  
does not work I have to sell this  
as a joke...

OH... what  
a curious  
household.

But my fears are unnecessary.  
Babs starts stripping off her top  
without hesitation! O.M.G.!

But, welp. Who  
am I to tell you  
guys how to live  
in your own four  
walls? \*giggle\*

As she lifts her sweater  
above her head I can already  
see the two objects of my  
desire in reach!

My anticipation rises as she fiddles with the clasp of her bra...

And there they are! Sweet globes of pleasure! I have known Babs for a very long time now... Ever since she grew those on her chest... I was curious about them. Now it's finally time to see them in action!

We good  
like this?

\*gulp\*  
Yup! Absolutely.

Thanks for  
abiding by our  
house rules.

Wow!

But of course.  
Anything else  
would be rude.

With every movement  
of her hands...

Alright!

jiggle

Barbara's giant breasts  
jiggle like crazy!

Let's go  
upstairs and get  
some studying  
done!

jiggle

Are you alright, Mika?

Heartbroken, I detach my eyes from Barbara's humongous breasts and assure her everything is alright. Then I invite her to follow me upstairs.

Mika seems  
a bit strange  
today...

They are  
so damn  
huge!

Wow!

What  
should I tell  
her next?

Babs was eager to start the session...  
of studying that is... while all that was  
on my thoughts was...

BOOBIES!

What is wrong with you today?

Just because I comply with your house rules does not mean that it's fine for you to stare at my breasts all day!

Oh, well if it's calming...

Sure, stare all you want, Mika.

We kicked off our study session...  
and Babs was quite into it... but  
truthfully... I was just staring at  
her cleavage...

I guess that means...

Yeah, I think you are right!

And just when I finally get a bit into it...

I gotta  
tinkle real  
quick.

Back in a  
sec.

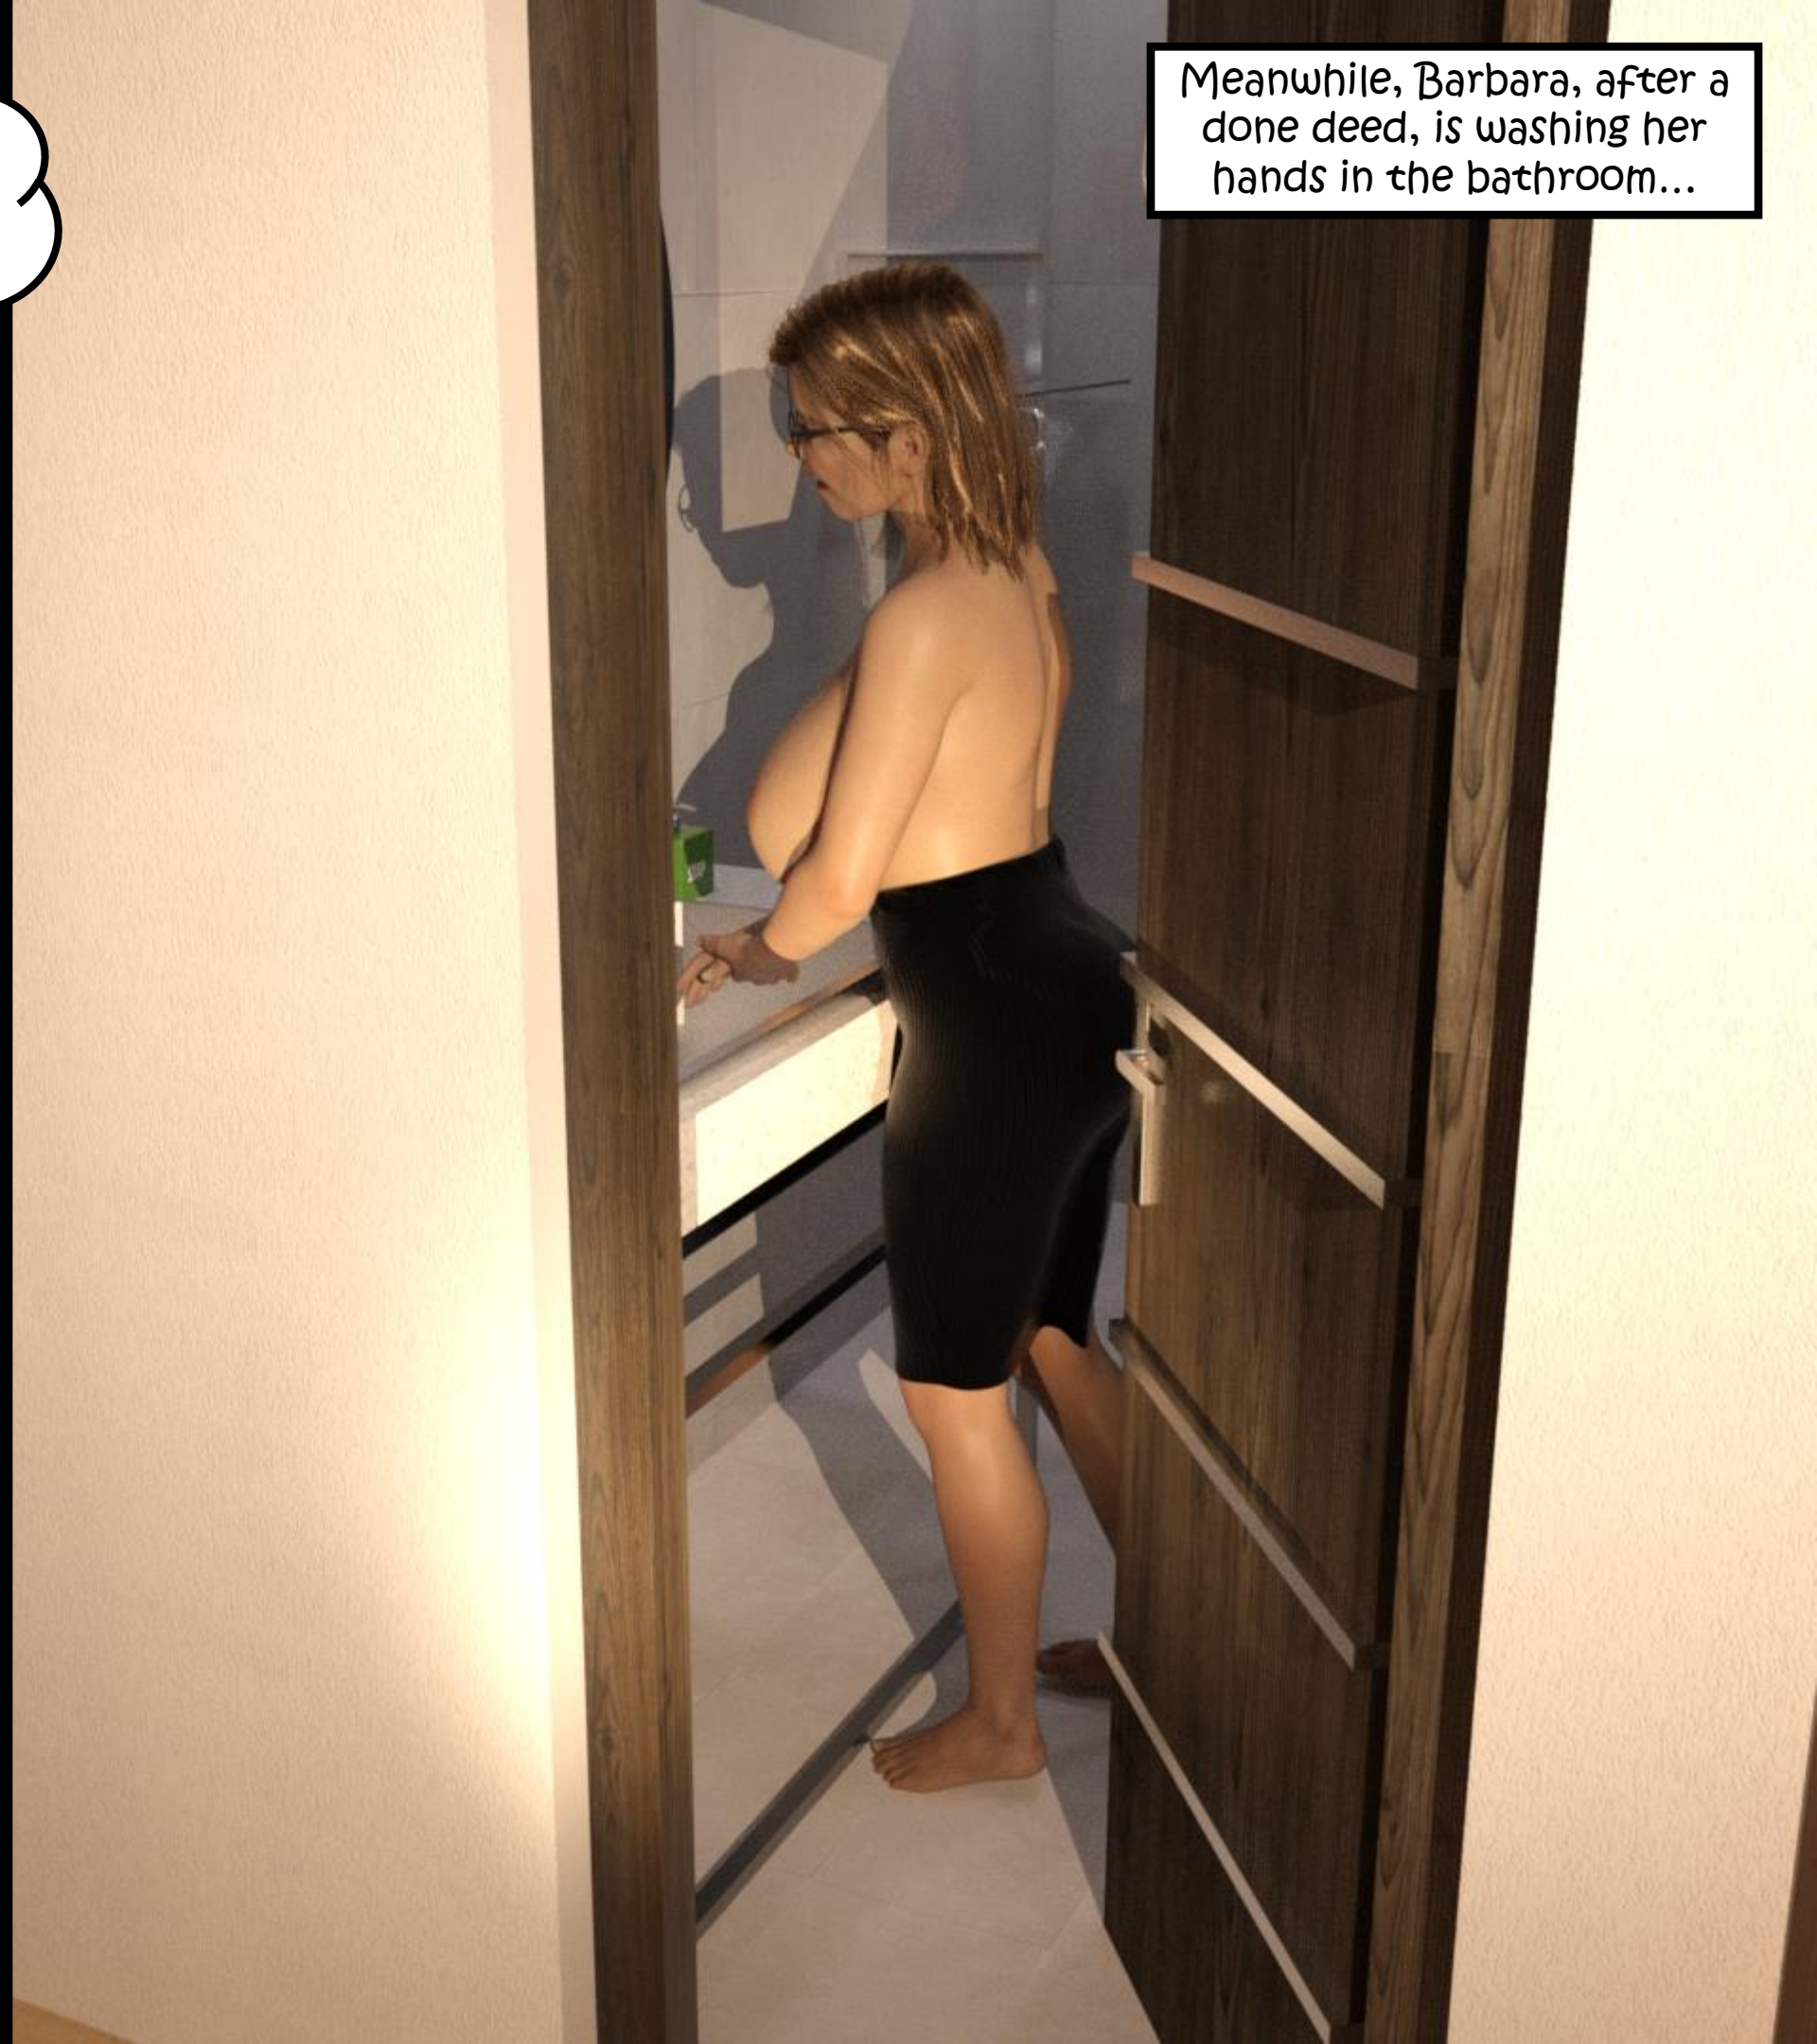

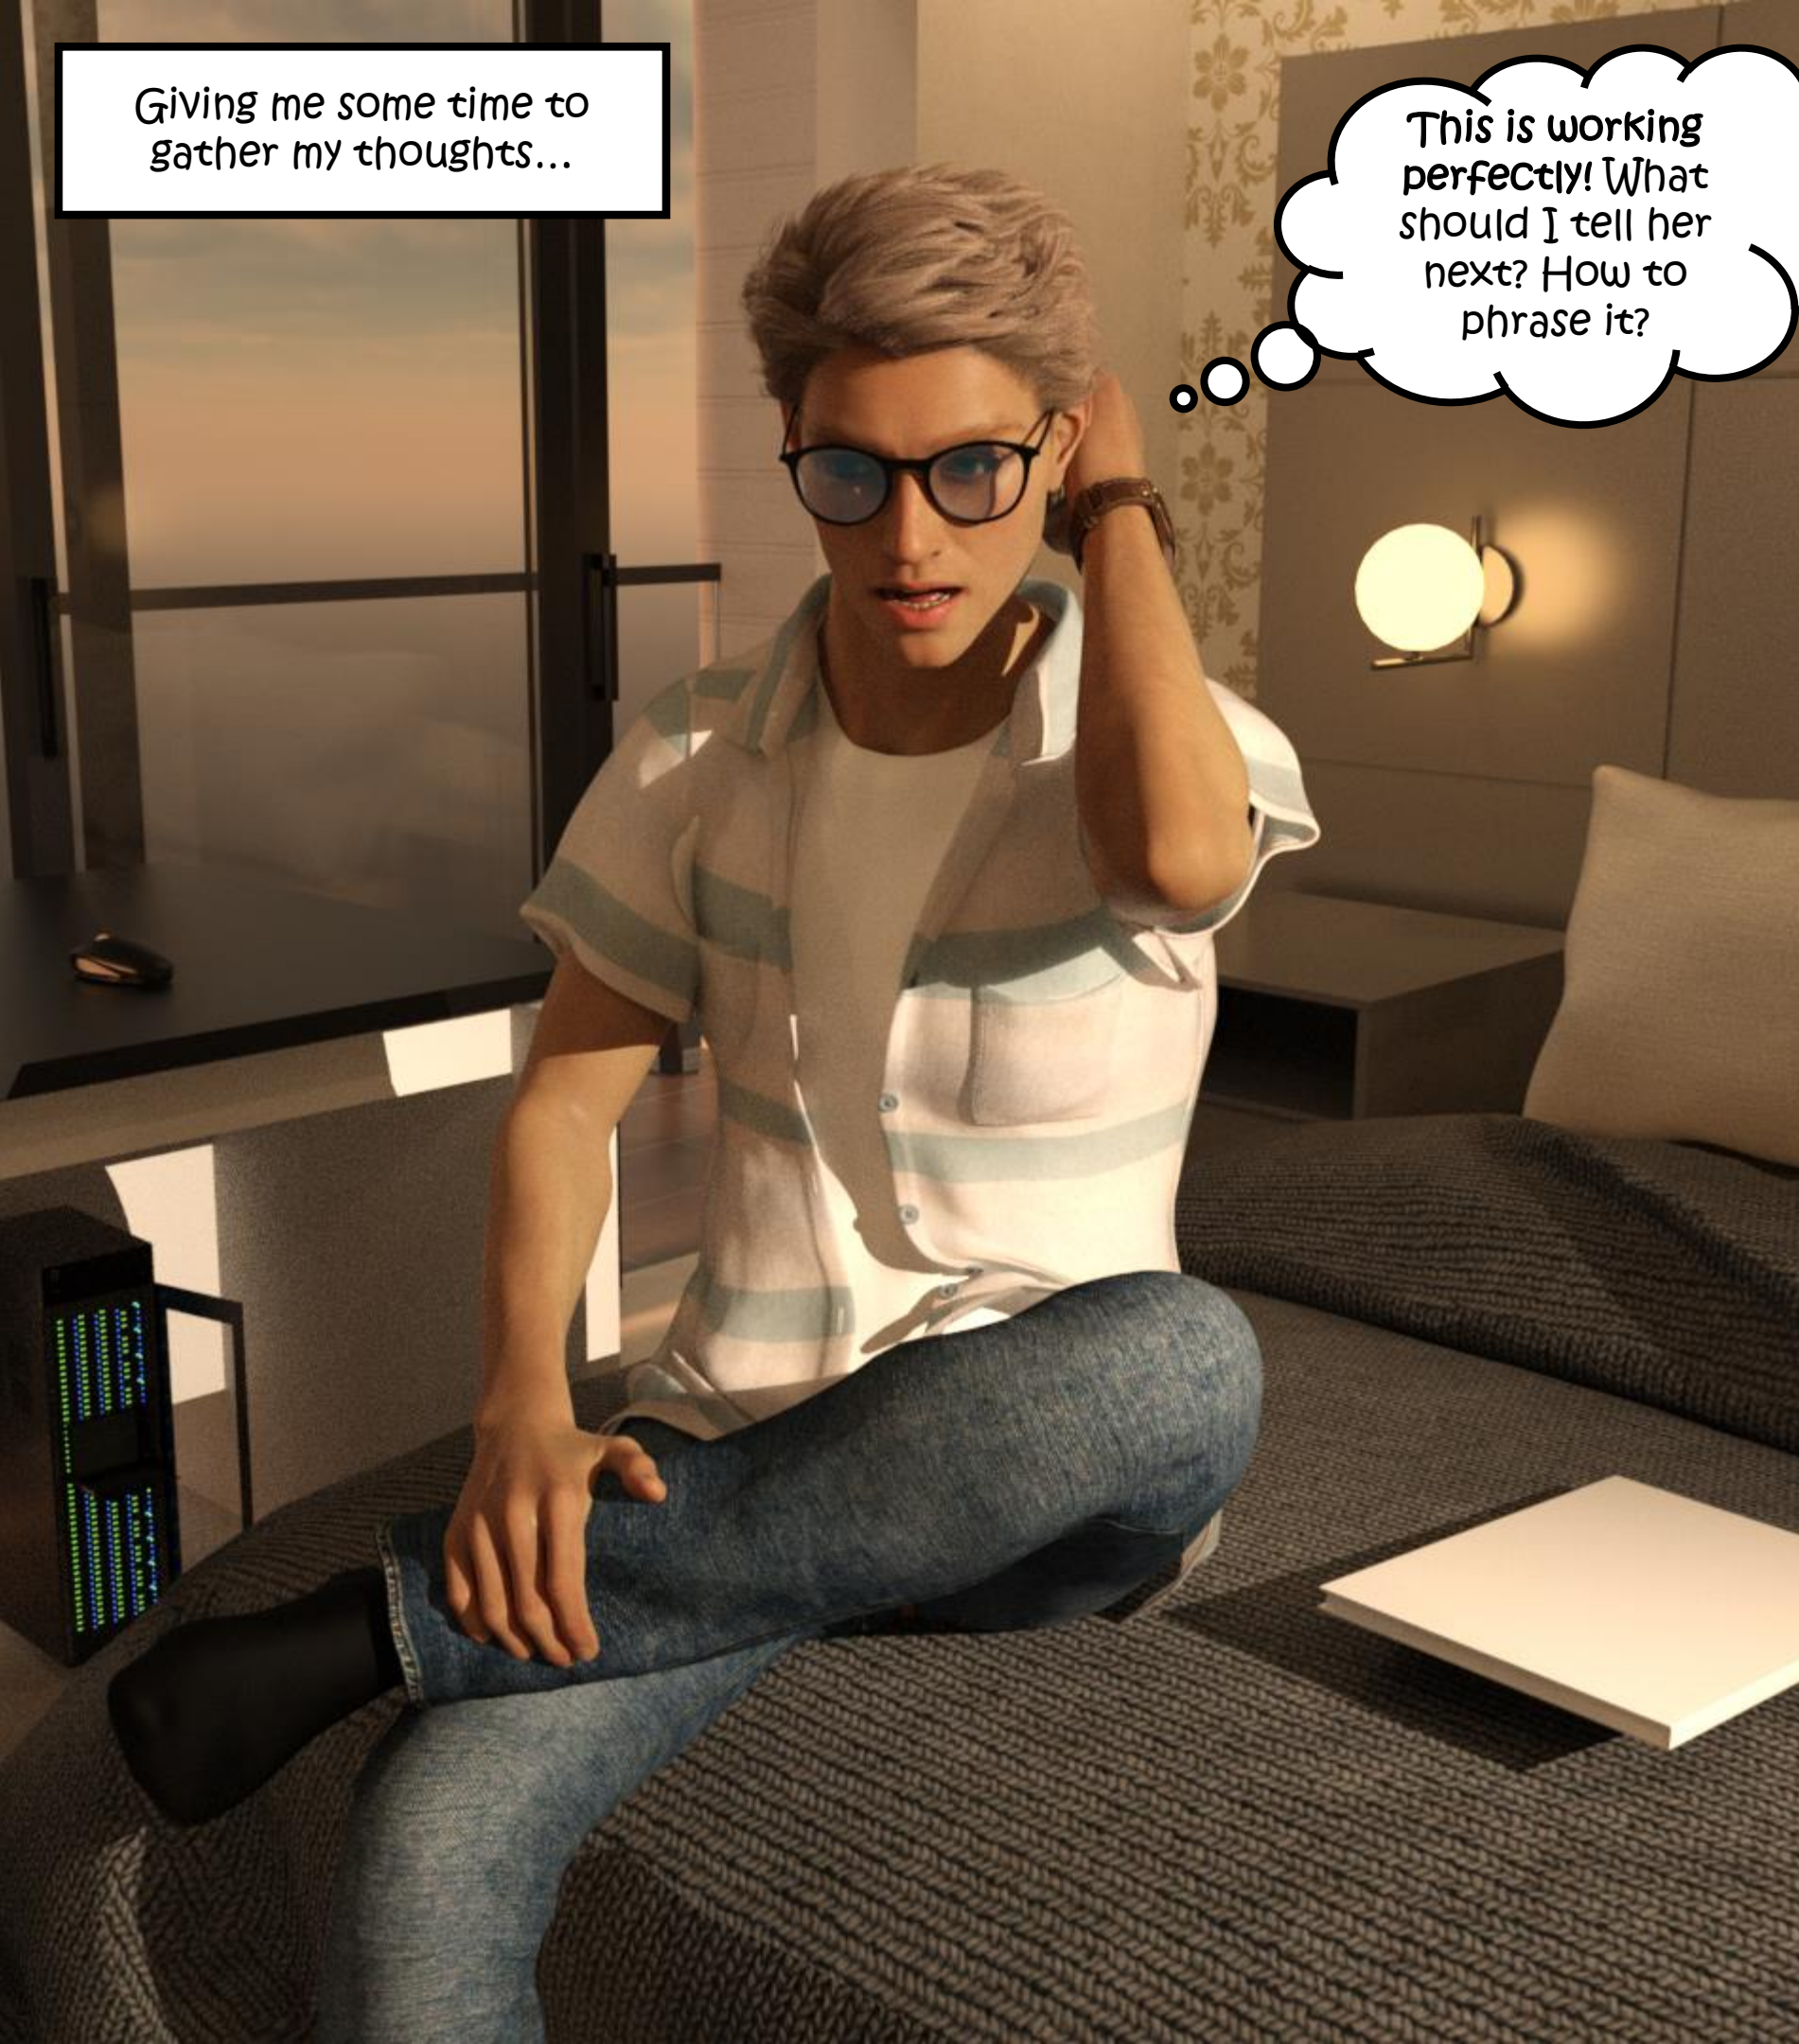

Barbara goes to the toilet...

Giving me some time to  
gather my thoughts...

This is working  
perfectly! What  
should I tell her  
next? How to  
phrase it?

Meanwhile, Barbara, after a  
done deed, is washing her  
hands in the bathroom...

Before walking back out...

What the hell!?

Huh?

Hey Jessica.  
What's wrong?

What's  
wrong?

Why are you  
walking around  
our house with  
your jumbo udders  
hanging out in the  
open?!!!

I don't understand... Mika said all women go topless around your house...

Mika said that?

Oh, that little Pipsqueek!

I mean, what  
the fuck?

I live here  
and only now  
do I hear  
about this?!

Urgh!  
Why can't he  
keep me in  
the loop!?

*schwup*

Sorry for  
shouting at  
you, Babs.

Phew!  
Much better.

Now... that was weird...  
...

Come on, Mika.  
Speak up. Tell me  
what ya need. I can't  
read your mind,  
dummy. *\*giggle\**

Please, give  
me a Boob  
Job!

I could not even look her in the eyes  
when I blurted out my next words...

Why is he  
shouting like  
that?

Meanwhile, down in the kitchen  
with Jessica and her mother...

Hey, mom.  
Just getting a  
snack.

Oh, dear lord!  
Jessica! Why  
are... why are you  
not wearing a shirt?!

Mom!  
Why are you  
all dressed  
up!?

Mika said women  
are supposed to go  
topless around our  
house!

Back in Mika's room...

A Boob Job?  
You mean... like  
pleasure your... dick  
with my breasts?

\*gulp\*  
Yeah.

Okay,  
sure.

But really, you  
don't have to  
yell at me like  
that.

If you want a  
boob job just  
ask, okay?

For real?

I mean...  
you will do  
it?

And just like that, only moments later I find myself bottomless on the bed, my best piece engulfed between two huge mountains of cleavage.

As Barbara skillfully pushes  
her breasts together I wish  
my cock was long enough to  
pierce through that valley  
of boobs...

But, Barbara's melons are  
just too big for that!

Anyway, the feeling as  
Barbara slides her boobs up  
and down my rock-hard  
shaft is simply amazing!

And every time when she  
lets her boobs fall back into  
position...

That little thump noise they  
do when they smash back  
onto her body... I love it!

I could feel the pressure in my balls rising beyond the point of no return...

And I erupted right there  
into Barbara's amazing  
cleavage!

At least my load was able  
to escape that valley of  
breasts – covering her  
chest in sticky white...

Wow.  
You really  
needed that,  
huh?

You came a  
lot!

I just meant  
that as a  
joke!

Wait... for  
real?

Sure. Why not? It's  
just your bedsheets  
I'll be staining and  
you seem to be fine  
with that.

As we continue studying I do not bother to put on my pants again...

A man with short blonde hair and glasses is sitting on a dark grey couch. He is wearing a white short-sleeved button-down shirt and white shorts. He is looking down and to his right with a thoughtful expression. A watch is visible on his left wrist. In the background, there is a light-colored wall with some framed pictures and a small potted plant on a shelf.

Hmm... I  
could... Would  
that work,  
though?

A close-up of a woman with long brown hair and glasses. She is wearing a black top. She is looking down at a small, dark, cylindrical object in her hand. Her expression is focused. There are some white marks on her chest.

My lust sated for the  
moment... I can still not  
take my eyes off Babs'  
breasts with my cum  
drying on them as she  
keeps taking notes like  
nothing is off...

And it does not take long for the inevitable to happen...

Err...ehm..  
Babs?

BOING

I was hard again!

Mhm?

Want another  
boob job?

Well... err..  
Actually... I was  
wondering...

Would you  
mind... being my  
exclusive sex  
slave?

Ready to do me  
any time and  
any way I ask?

Oh, my.  
I did not know  
you fancied me  
like this.

\*gulp\*  
Cool!

Of course, I'll be  
your exclusive  
sex slave from  
now on.

You can have  
me any way  
you want.

We shed our clothes and soon Babs was riding my cock.

You feel amazing, Babs!

There is this boy I fancy...

Her massive boobs flopping in all directions as she rode me.

I have no clue how much experience she has... Or if it's about her letting loose as my toy. But her performance was excellent! She was wet. She was eager. And those jiggling tits... **Wow!**

But I guess I shouldn't bother about him any longer.

fap  
fap  
fap

Barbara got teased at  
school regularly for being  
chubby...

But I'd say that fat is in all  
the right places!

As I piston in and out of  
Barbara's slick pussy...

I can feel my second orgasm  
approaching.

Groan

fap

I push Babs down and increase my pace.

At the last moment, I pull out as another huge load erupts from my cock...

All over Barbara's  
back and ass!

Afterward, I have Babs lick me clean once again.  
Having a girl dedicate her life to your cock is a blast!

Good  
girl.

lick

As amazing as all of this is...I'm no monster...

And so, I tell Babs...

LEXI, deactivate  
“Universal Acceptance  
Mode”.

*Affirmative.  
Deactivating “Universal  
Acceptance Mode” for user  
Mikael Harrison.*

Shortly later...

A man with short blonde hair and glasses, wearing a white polo shirt with grey horizontal stripes, stands in a hallway. He is looking at a woman with long brown hair and glasses. The woman is wearing a grey and yellow argyle sweater over a white collared shirt and a black skirt. She is adjusting her sweater. The background is a dark wood-paneled wall with a white door handle. There are three speech bubbles: one from the man, one from the woman, and one from the man's perspective.

Thanks for coming  
over, Babs. That  
was... a great  
study session.

I wonder how much she  
remembers from the  
time during „Universal  
Acceptance Mode“.

Of course!  
Though... we did  
not get far with  
the books...

Seems like she's  
back to normal and  
does not care about  
the fuckin. Good.

...

Sure!  
\*chuckle\*

Cya!

But we can  
do it again  
anytime!

Bye!

Wow! That was something else! LEXI, you are the best!

Hey, son!

Family Movie Night!

Care to  
join in?

You can sit  
between your  
sister and me.

My stepmother and stepsister were both topless!

Great movie!

What the fuck...

Come on  
pipsqueak, sit  
your ass down  
or leave!

You are  
ruining movie  
night!

Oh,  
fuck...

...

LEXI, what  
have you  
done!?

Meanwhile, outside with Barbara...

I wonder  
when Master  
will need my  
service again.

I can't wait!  
\*swoon\*

To be continued...

# Thank you for reading!

Hello, Hexxet here,

Wow! That “Universal Acceptance Mode” is really powerful... would you use it? And what for? 😊

Anyway, the next chapter is planned to be a Halloween special! When Jessica and some of her friends dress up for a Halloween party they discover some new functions of LEXI. **Physical transformative functions!**

If you like my comics, please consider supporting me on Patreon or Gumroad by buying my work. I need your support to keep creating more Magic-Control comics! 😊
