NEXT

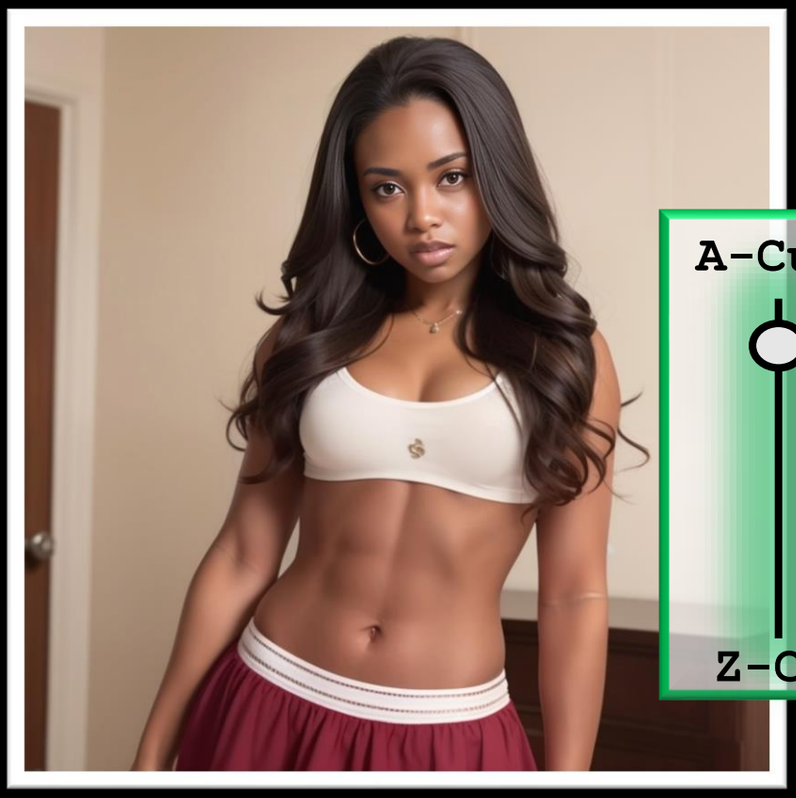

I'm Bianca Larsen and since my mother remarried, I'm living with my stupid stepbrother in this crappy town.

I'm pretty athletic. Part of the cheerleading squad and I'm training to be a successful gymnast.

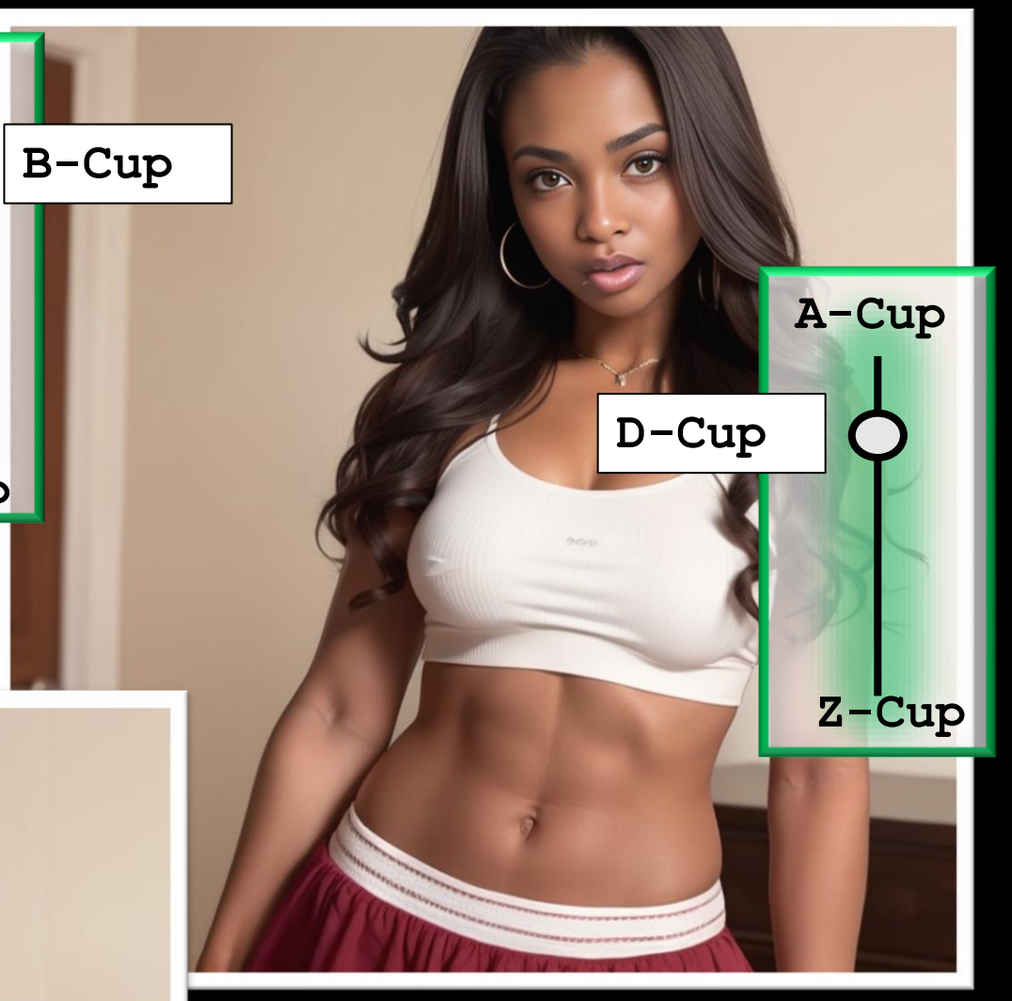

Anyway. I was just about to go to bed. So, see you tomorrow when I'll have to wake up my lazy bum of a brother again...

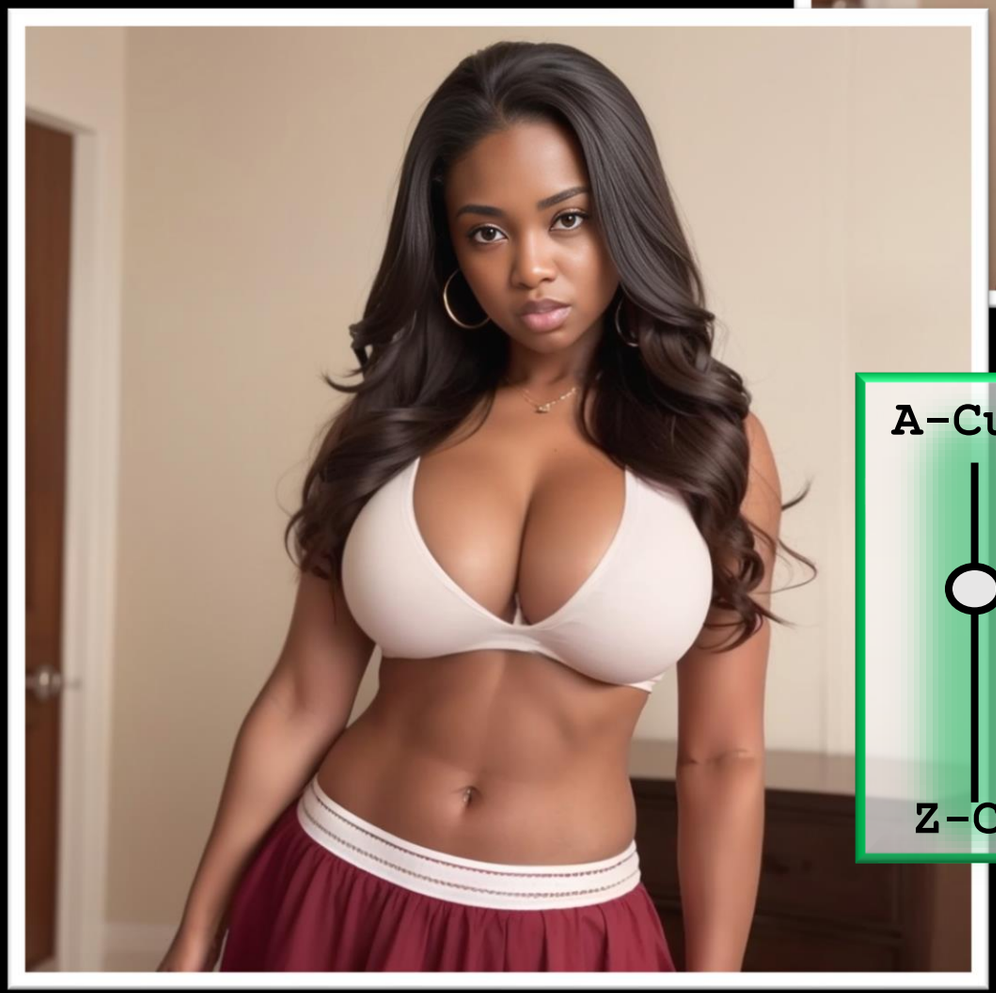

That lazy bum almost never wakes up in time on his own! Probably because he plays computer until late in the night. **Stupid nerd!**

NEXT

I get into bed and try to fall asleep fast...

I roll around. Why the hell was I trying to sleep on my stomach? That does not work with breasts as big as mine!

NEXT

I sleep a peaceful undisturbed sleep and wake up the next morning full of energy. I do my morning routine and take a look at my reflection in the mirror...

A soft sigh escapes my lips... If it wasn't for those humongous tits, I could become a great gymnast. But the way things are I can be thankful to be part of the cheer squad... God those things jiggle...

NEXT

Teeth brushed, my hair done, dressed for the day...
I'm basically ready... my brother is still sleeping...

UNBELIEVABLE!

I don't hold back knocking on his door. The bus would arrive in 15 minutes...

NEXT

My brother's exceptionally fast in the morning... once he has stood up.

So, catching the bus is no problem... but I'm still annoyed by his lazy attitude.

That statement is wrong on so many levels! He knows very well that I hate their size for being in my career's way! In the end, I just slap him and walk away to another seat far away! **Stupid idiot!**

NEXT

When I enter the classroom I can see several of the guys stare at my cleavage. **Disgusting pigs!**

I on the other side only have eyes for one... Marianne... I really am into that girl... Yes, I am a lesbian... But nobody knows.

And yes, that means Marianne does not know I have a crush on her either. I don't think she is into girls... which is a pity.

Anyway... we are friends... or... rather I'm trapped in the friend zone... **life sucks!** Still, seeing her makes my heart skip a beat and I feel happy as I sit down.

NEXT

We talk a bit before the class starts...
then some more during the breaks.

Oh, she is so easy to talk to.
Funny as well!

NEXT

The school day goes by pretty quickly and we take the same bus home. I admire her fiery red hair as Marianne sits down leaning against the seat. She's so beautiful...
NEXT

Hello? Earth to Bianca?
Err. Sorry. What?
You kinda spaced out. What's wrong?
Oh... I just thought... The weather is really nice today!
Wanna hang out by our pool later?
NEXT

Sounds like a great idea!
I'll just go grab my swimwear from home and come by in an hour?
Awesome! Marianne's coming over... And I'm going to see her in her bikini! Today's a great day!
NEXT

Just as I am getting ready for my pool time with Marianne my stupid brother turns up with his nerd friend in tow. God damn it! Those two are the last people I want around right now!

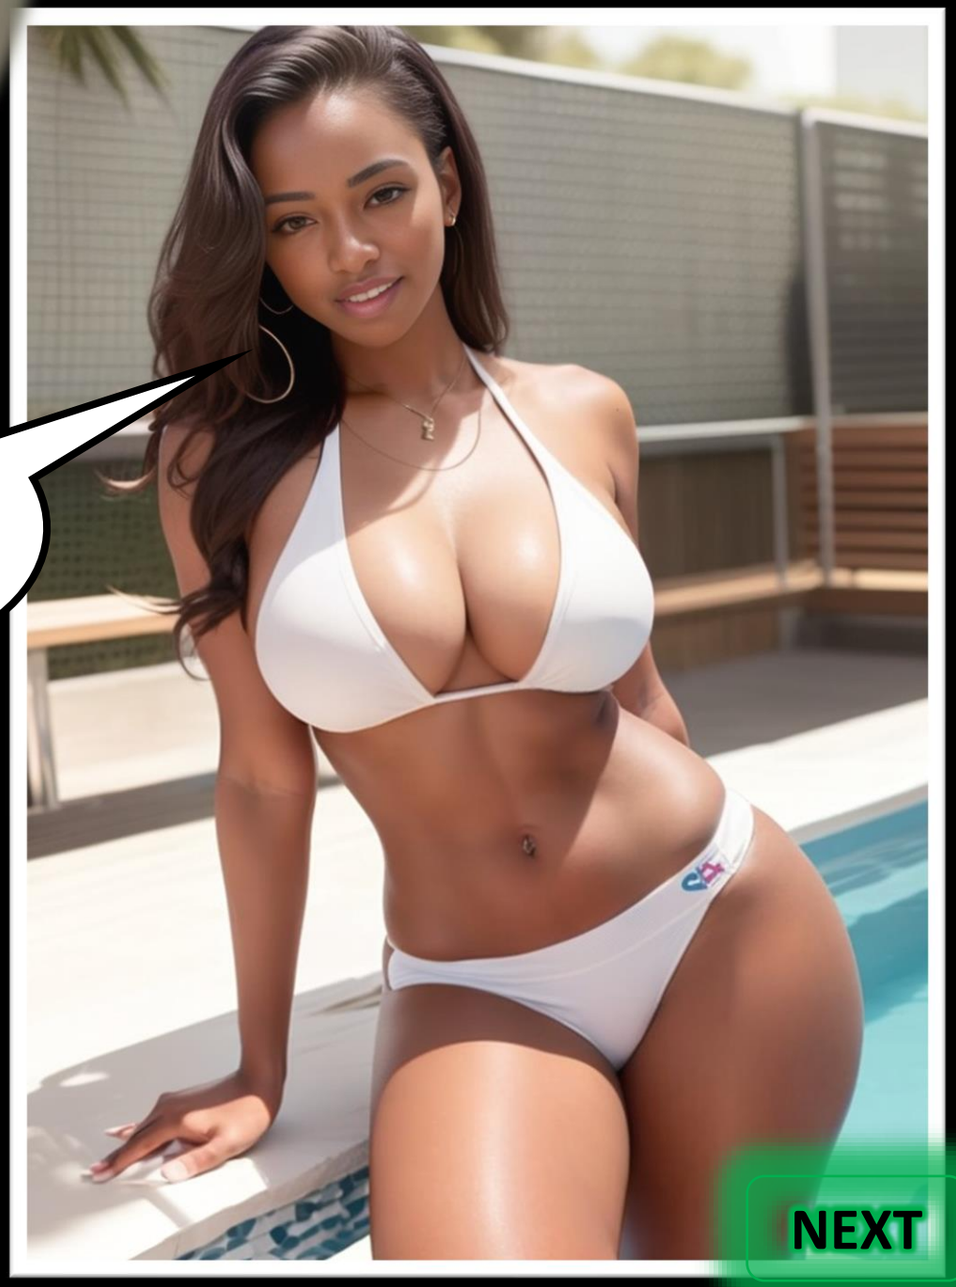

NEXT

God damn nerds! I can hear them talk about my boobs as I walk past them. Yes, they are big! Get a picture you asshats... On second thought... DON'T! Urgh, I don't have time to lecture them.
Man... your sis has the biggest tits...
Yeah... about that... I wanted to talk to you.
NEXT

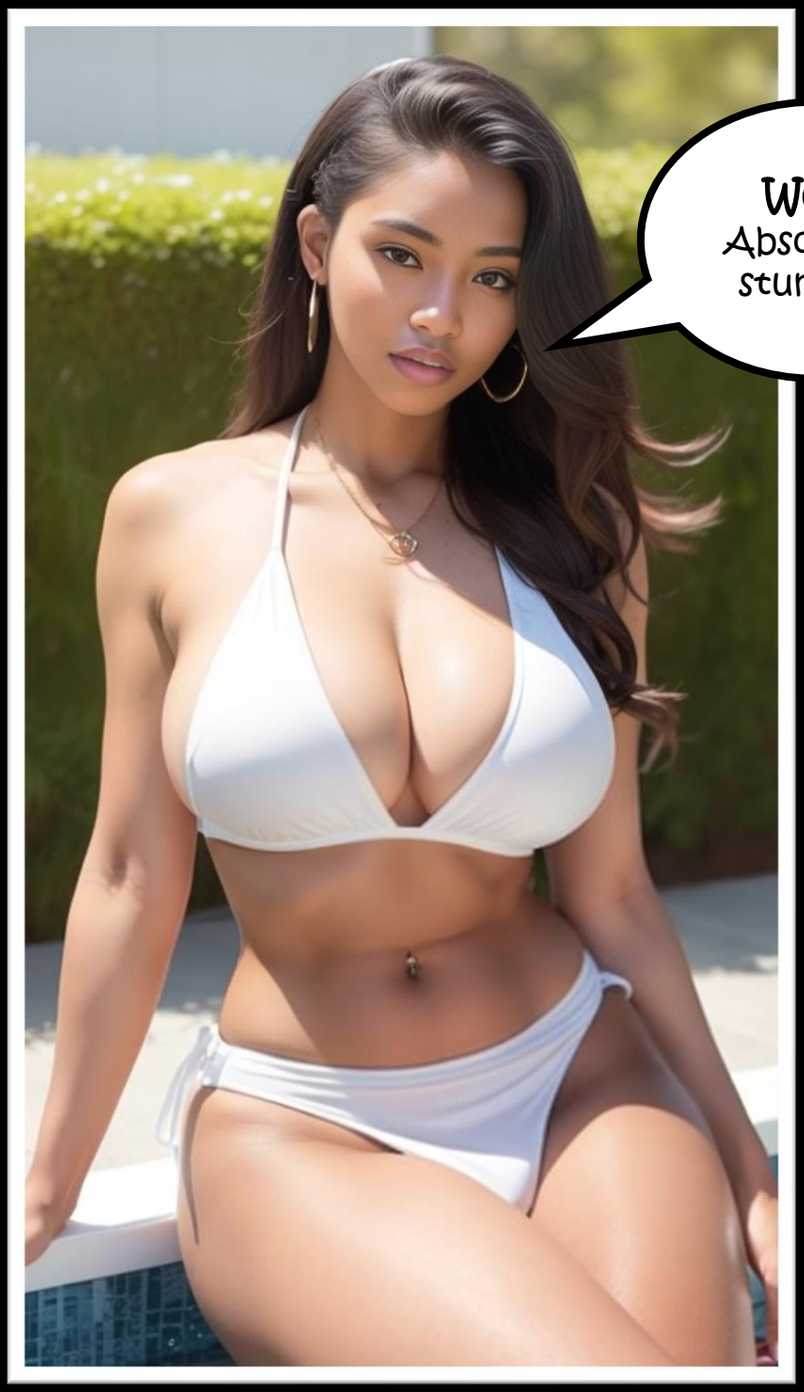

I lean over the garden fence and wait for the bus to arrive. I don't have to wait long, and I can see Marianne exit. I love the way her red hair waves around in the slight breeze that is going around today.
NEXT

Hey girl! Looking good.

Hihi! You too!... I mean... Nice weather for a swim!

NEXT

I sit there in anticipation as Marianne goes into the nearby cabin to change. I wonder which swimsuit she picked for today...
NEXT

So... How do I look? I just bought this one a few days ago.

Wow! Absolutely stunning!

NEXT

Awwww that's sweet.
I just wish Ryan will think the same... bought it to impress him.
And there's the mood dampener. Ryan... The boy at school Marianne currently crushes on... I should be used to it... but it still hurts...
NEXT

After some swimming we decide to relax and tan in the nice summer sun.
NEXT

I throw Marianne one more longing look before I decide to close my eyes, lay back, and enjoy the hot summer sun on my skin.

NEXT

I try to relax... Think of mundane stuff... that usually works... not today.
NEXT

My mind keeps going back to Marianne in her new Bikini... and my hand slips in between my legs... starting to rub...
Moan
rub
NEXT

My arousal grows by the second and like in a dream there is nothing I can do against it... until my pussy explodes in a mega orgasm that makes me scream out like never before...
Moan
NEXT

As the orgasm slowly subsides, I start to think clearly again... Oh god! I did just scream at the edge of my lungs... Did Marianne hear?! I'm so embarrassed...
Oh God!
My swimsuit had already dried, but my panties were soaked through!
NEXT

One quick glance at Marianne gives me hope. She seems to have dozed off... But then she starts sitting up... My screaming must have woken her...
NEXT

Hey.
Are you okay?
What happened?
Phew! At least she did not realize that was my orgasm screams... Think Bianca! Come up with an excuse!
NEXT

That's when I see my stepbrother and his stupid friend in the window above us.

O.M.G.!!
I can't believe your sis just frigged herself to orgasm next to her best friend!

Dude!
I just made her orgasm with the program!

Yeah, sure.

Ugh... Hm... Oh, there is an awareness setting.

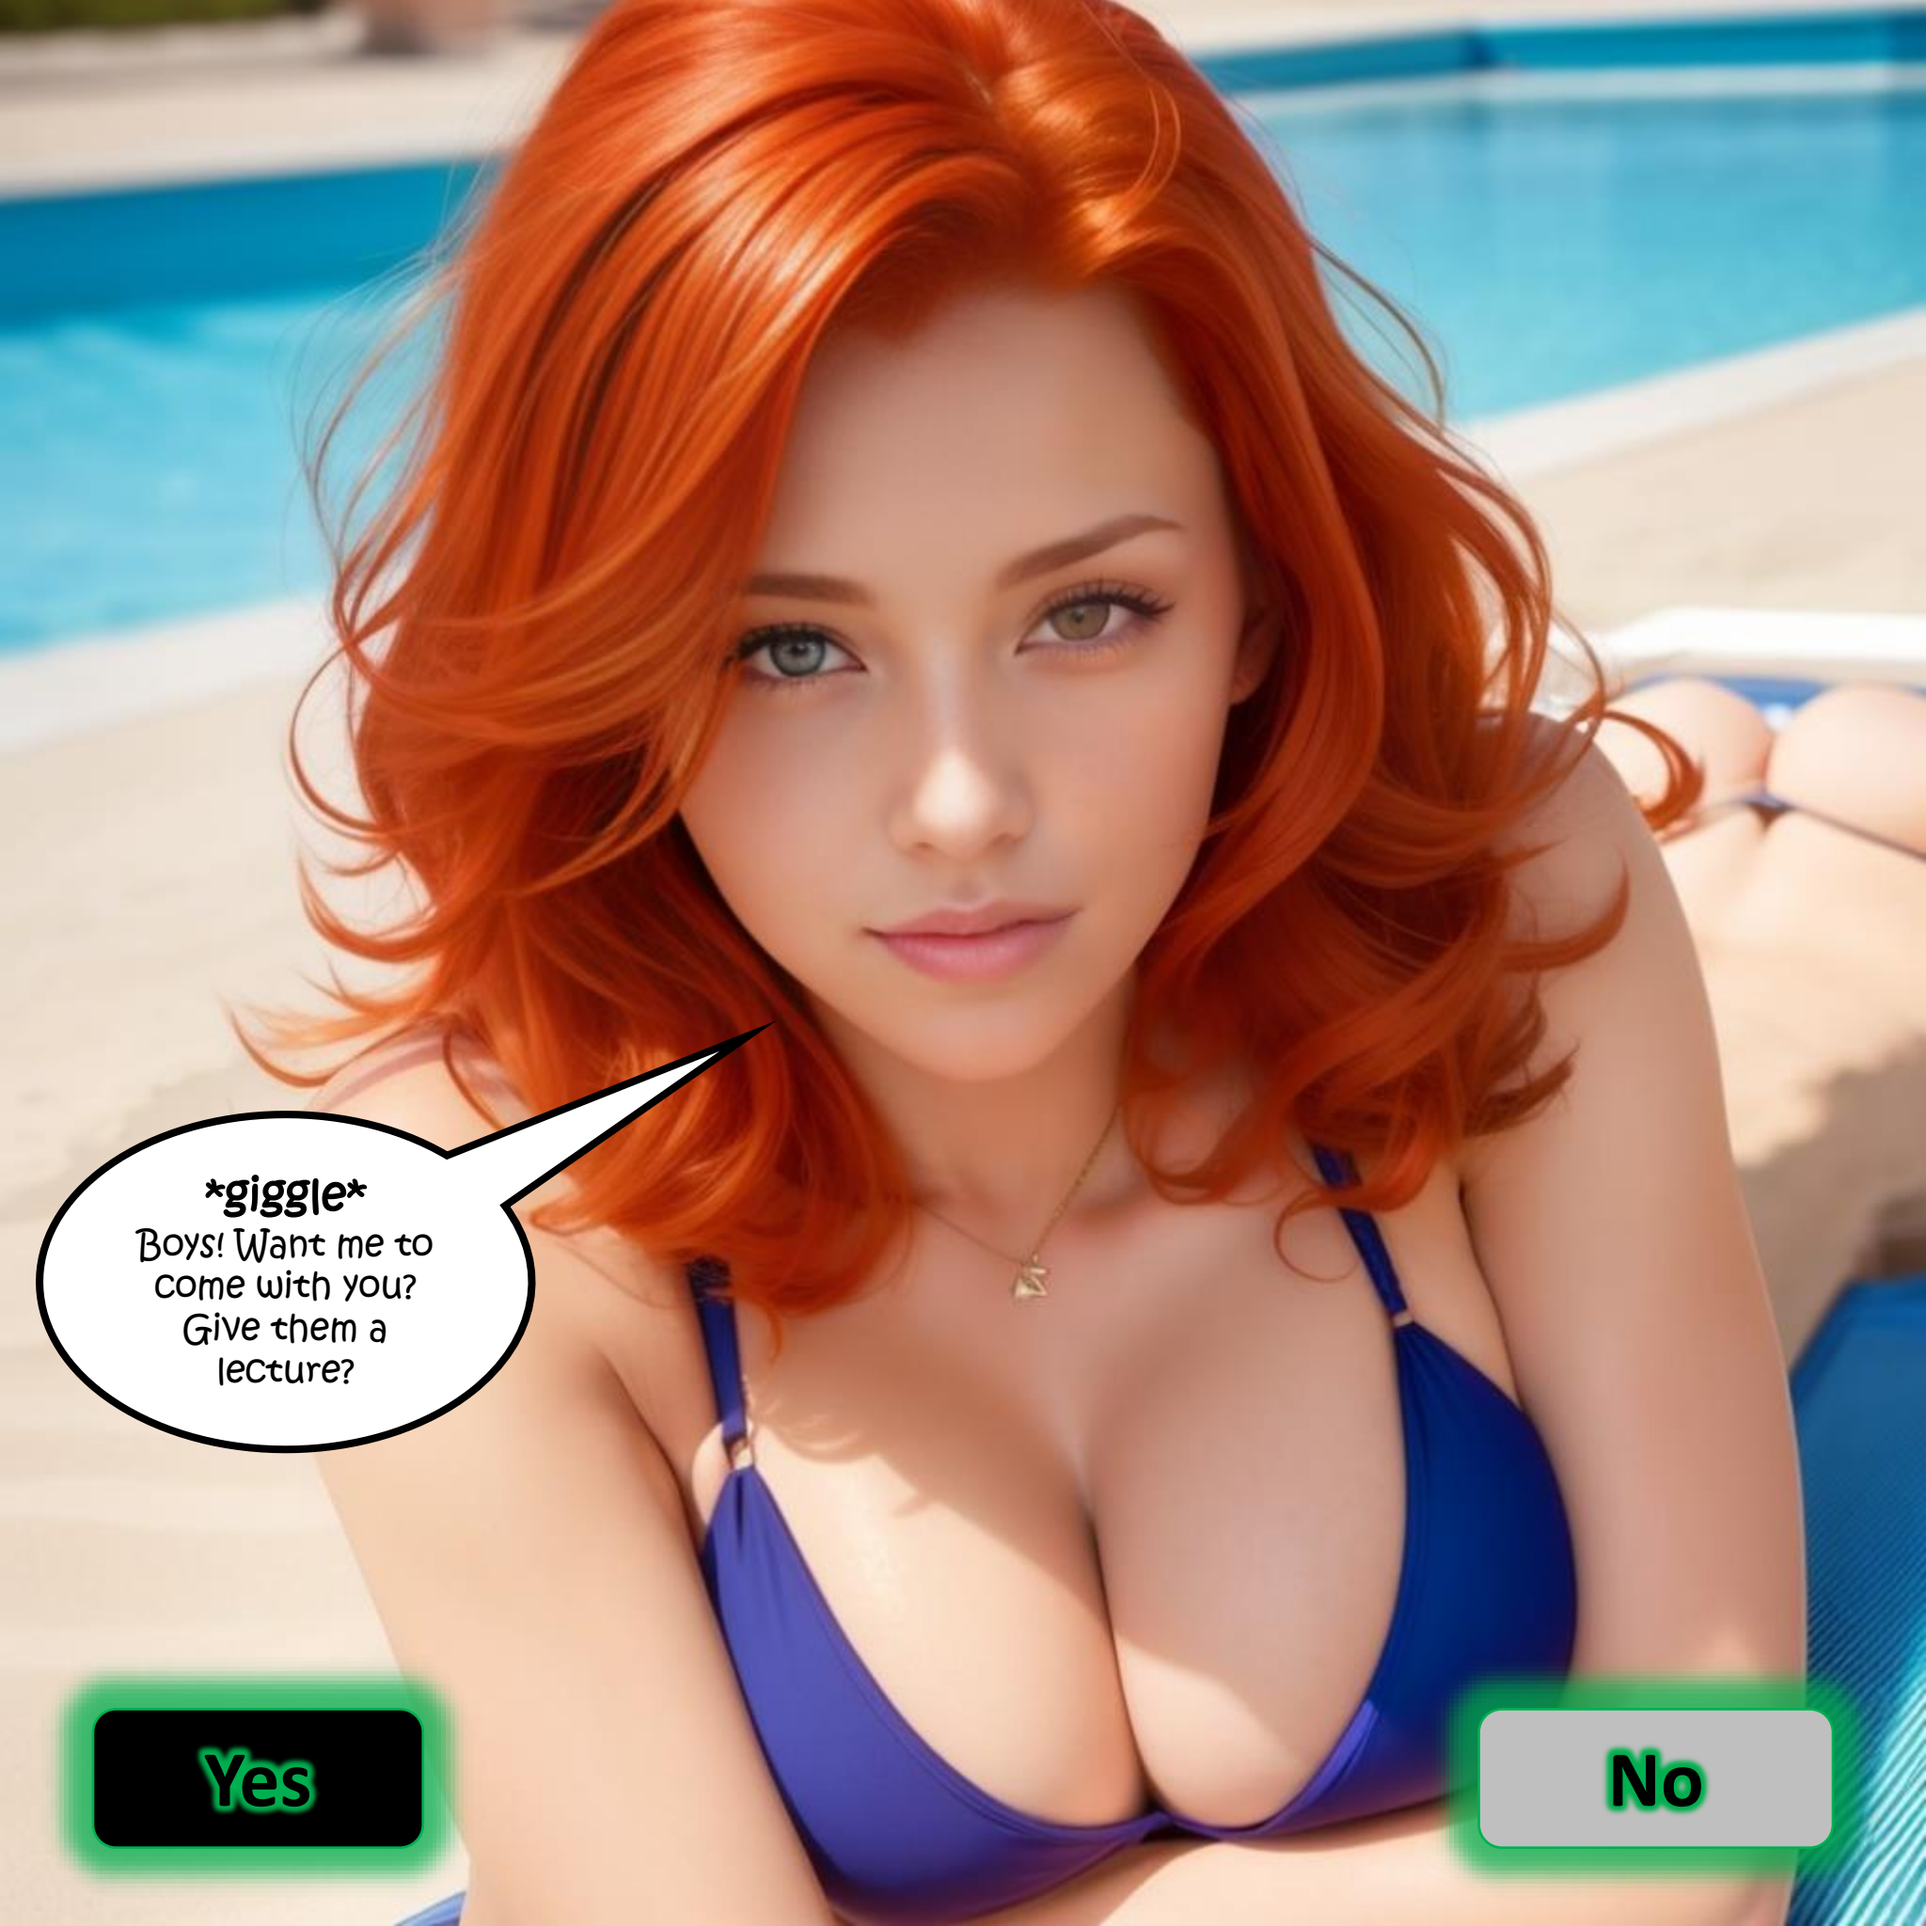

I cannot hear what they are saying, but they are clearly watching us... I jump on the opportunity!

Hey!
You fucking letches! Fuck off!

NEXT

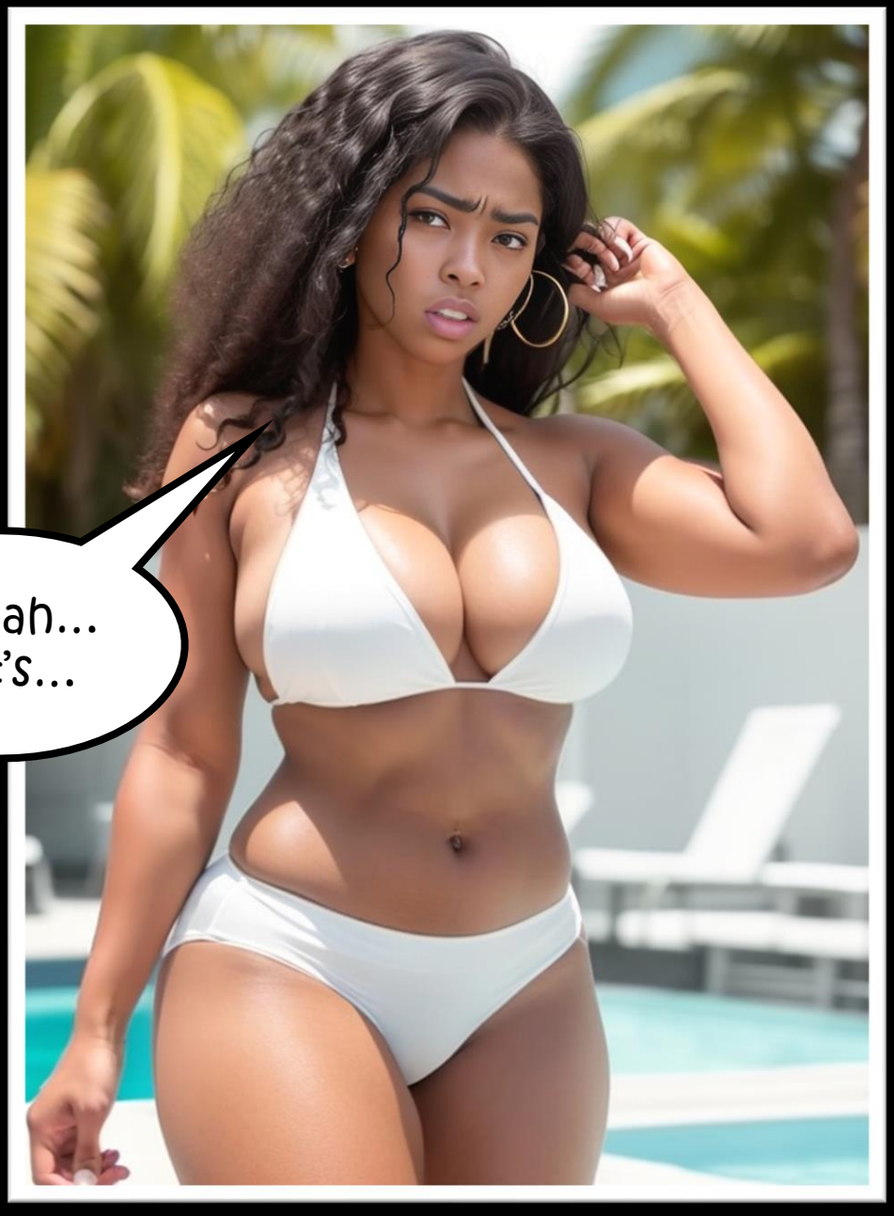

I'm so sorry, Marianne.
My brother's such an idiot!
I'll go up real quick and hit him. He'll never peek at us again!
NEXT

giggle
Boys! Want me to come with you? Give them a lecture?
Yes
No

Yes
Sure!
Let's show them!
Oh, fuck!
What am I saying? If my brother or his creepy friend brings it up that I... jilled myself down here in front of Marianne... God... I'd die of embarrassment...
NEXT

Alright!
Let's give those naughty boys the shouting of their life. ***giggle***

Ye...ah...
Let's...

It was nice having Marianne by my side... And she looked gorgeous as her fiery mane blew in the wind... But this could very well backfire on me... **argh!**

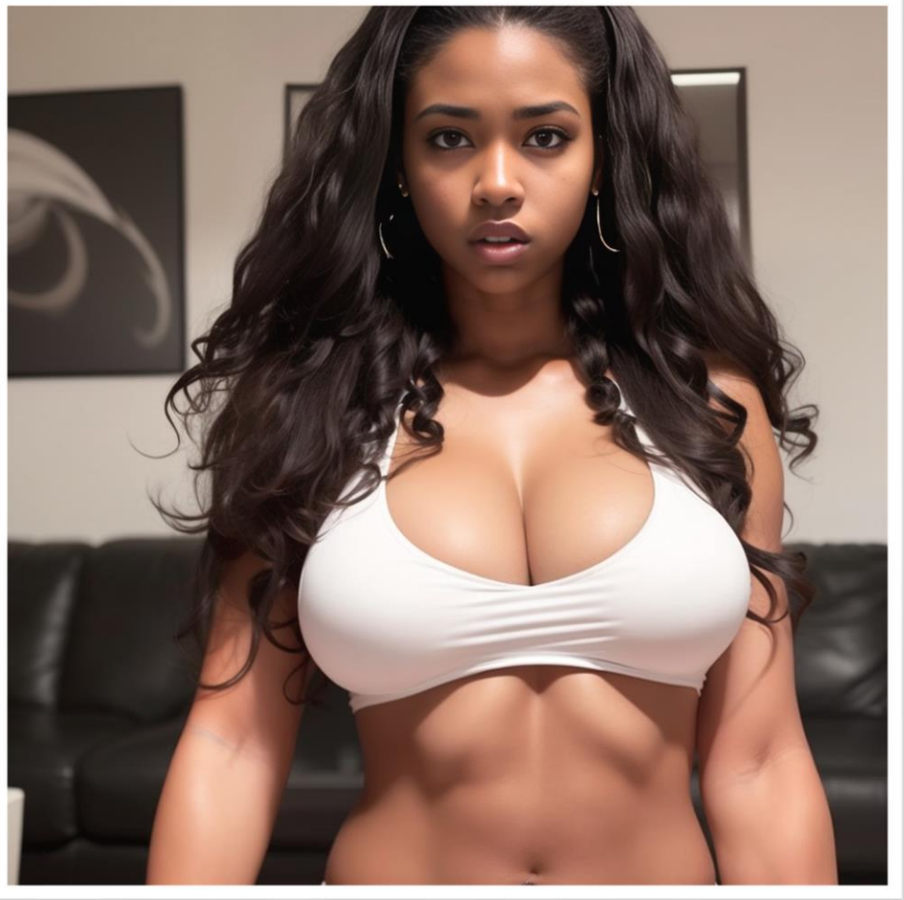

NEXT

Anxious I approach Henry's door, Marianne close behind me.
I take a deep breath as I hear the boys talk through the door... **weirdos!**

Finally!
I told, ya! This program can alter reality. I just turned our neighbor into an 18-year-old Asian chick. Also, she was no nudist until just recently.
chuckle

Holy shit!
There's an Asian chick masturbating where Mrs. Roberts was just a second ago!

This is crazy!

What are these idiots talking about?

"Mrs" Robets has been a nudist ever since Mr. Roberts brought her back from one of his sex trips. She's a fucking teenage trophy wife. Everybody around the block knows that!

But that's not the point here!

NEXT

Marianne's with me, and she is eager to storm in there and give them a good shouting...
What are we waiting for?
Go In
Try to buy some time

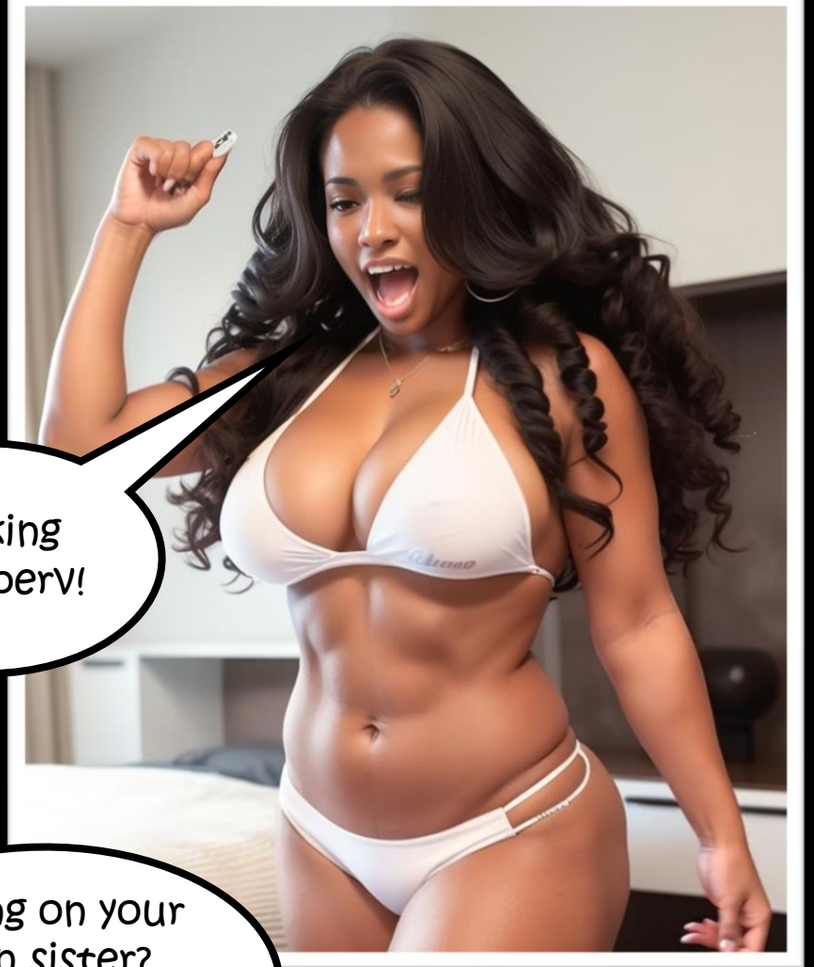

Go in
Wait!
We should both shout at the same one when we go in for effect.
Which one should we go for? Your brother or the other creep?
Henry
Jake

We decide to approach my brother. I forcefully open the door, and we walk in.
Henry
Hey, idiot!
NEXT

We both approach my brother and start shouting at the little perv.

Fucking little perv!

Spying on your own sister? **Fucking disgusting!**

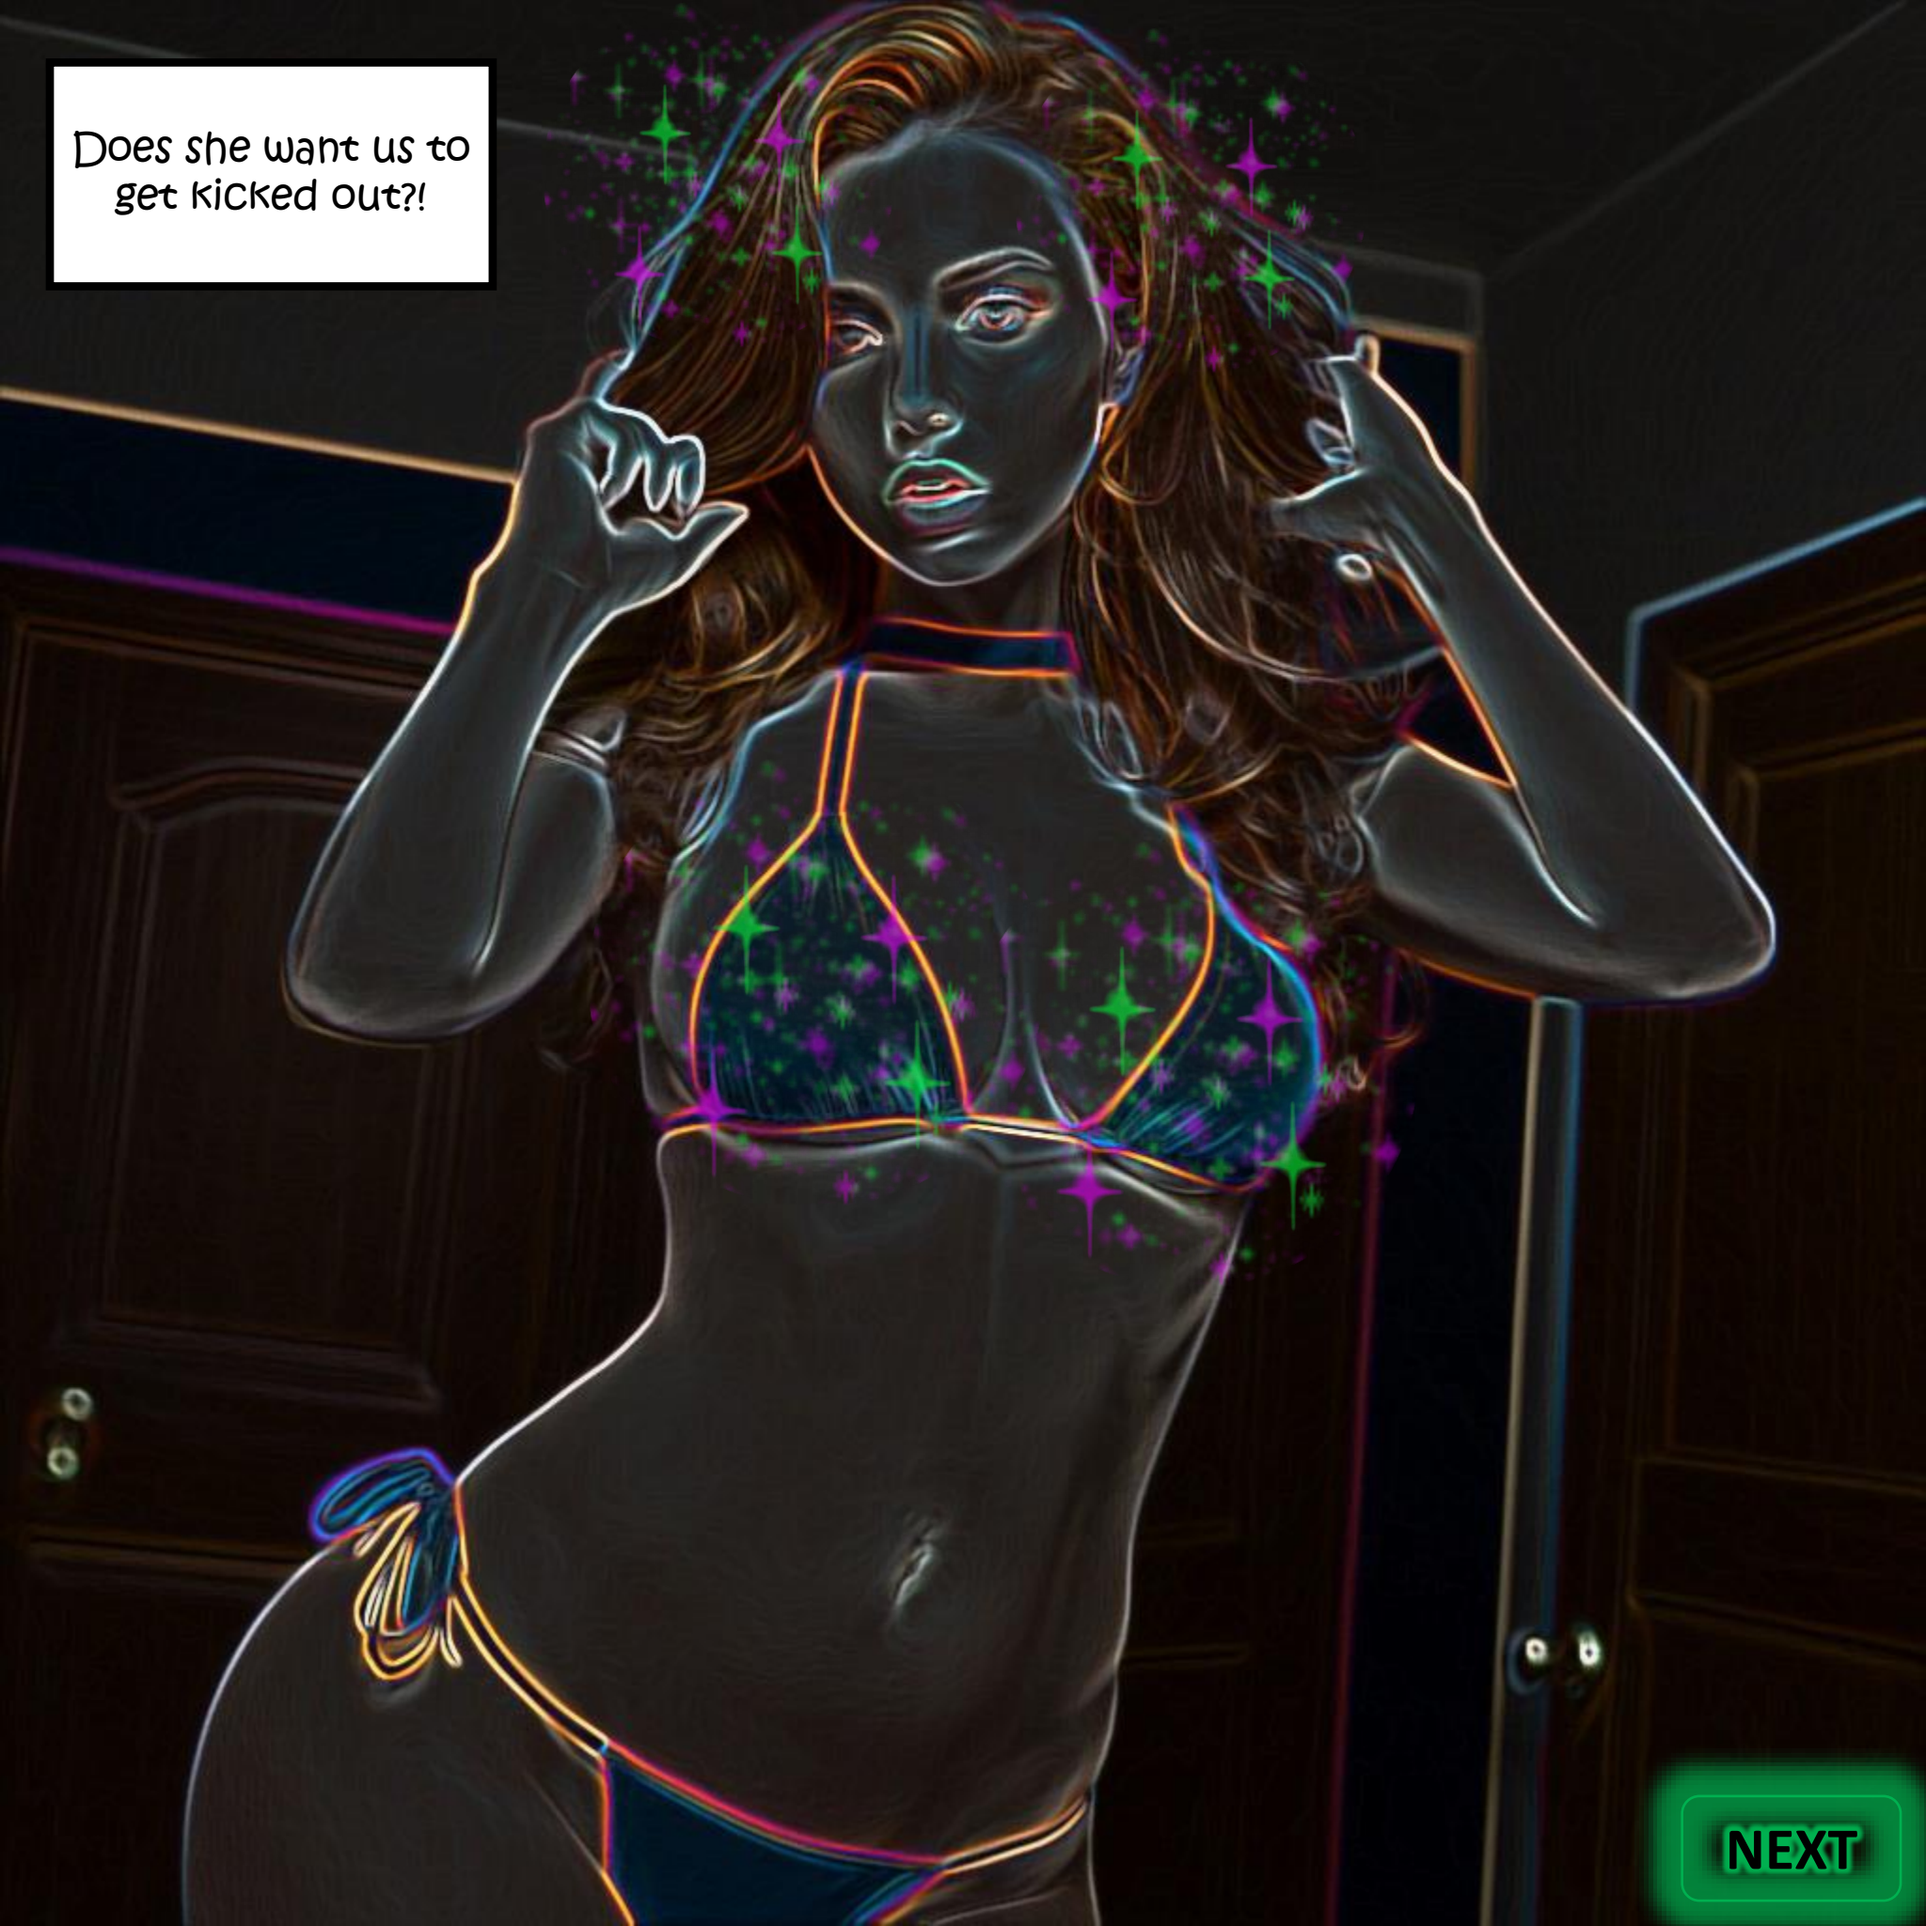

What? No! I... we... were just...

My brother tries to come up with some stupid excuse, but we just keep shouting. His little friend Jake seems to be relieved we focus on Henry. I see him from the corner of my eyes working on my brother's laptop. LOL! Just you wait creep! **You are next!**

NEXT

Mari keeps shouting at Henry... Why is she doing that?
You little piece of shit!
NEXT

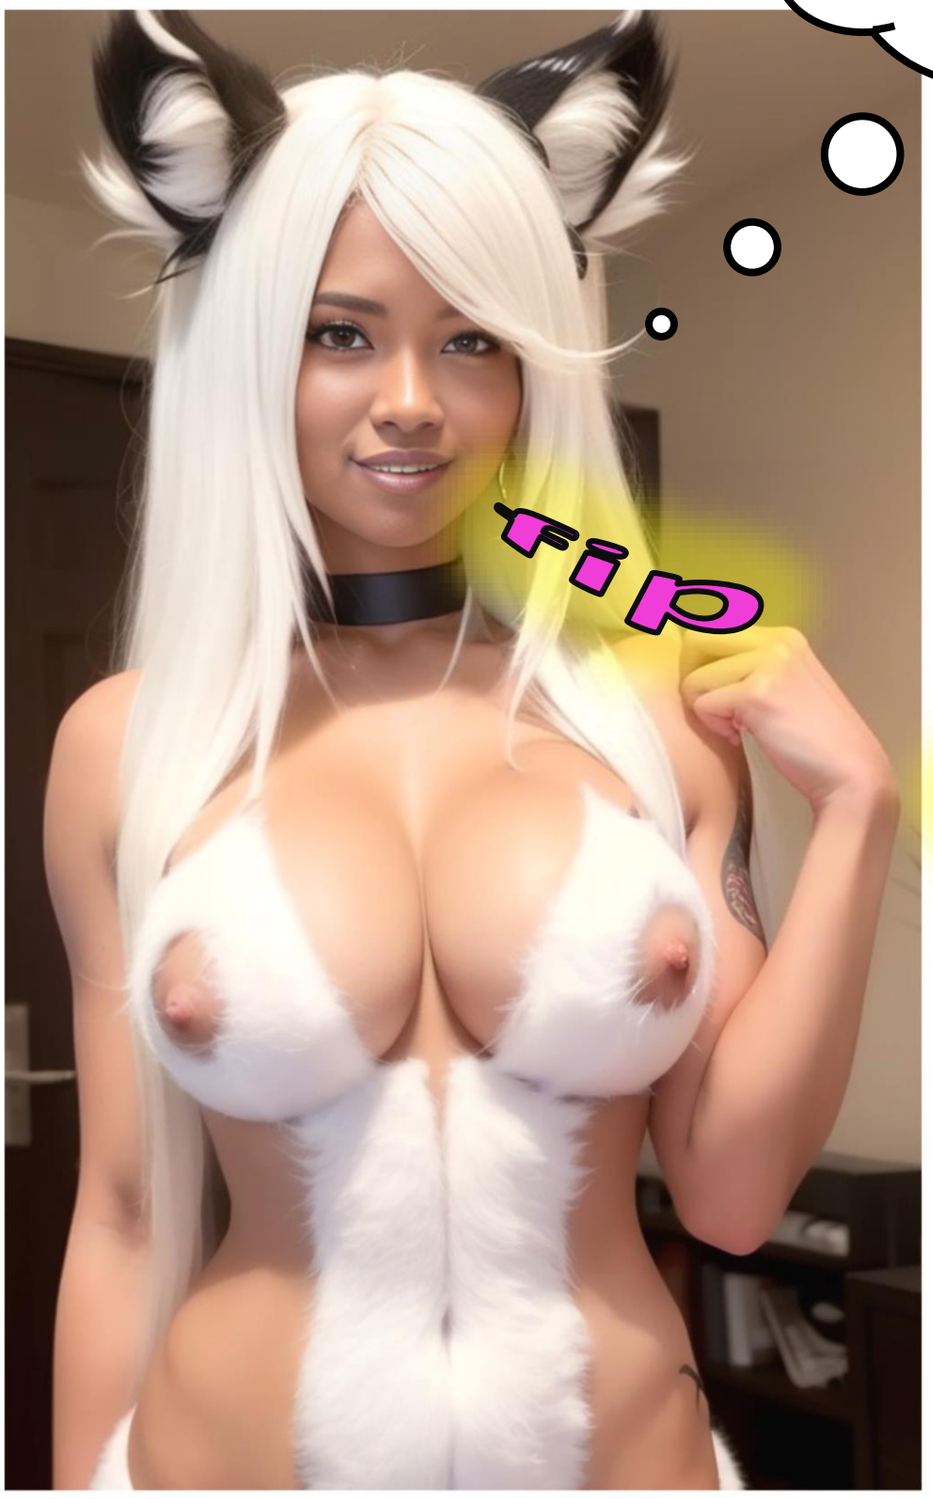

Does she want us to get kicked out?!
NEXT

We've been trained better than that!...
You can't just go spy on myan sunbathing! Nyu!
NEXT

We should not make any trouble for Master Jake...
Mew!
NEXT

We are good pets, after all!

Phew!
Finally, the catgirl has calmed down... I hope she did not make too much of a fuss. I don't wanna wait in the yard until Master finishes playing computer games at his friend's place...

NEXT

Phew!
That was a close call, right?
Da fuck, dude?
Why did you bring your feral pets in here anyway?
Mew?
NEXT

Wait a second... You got no clue?

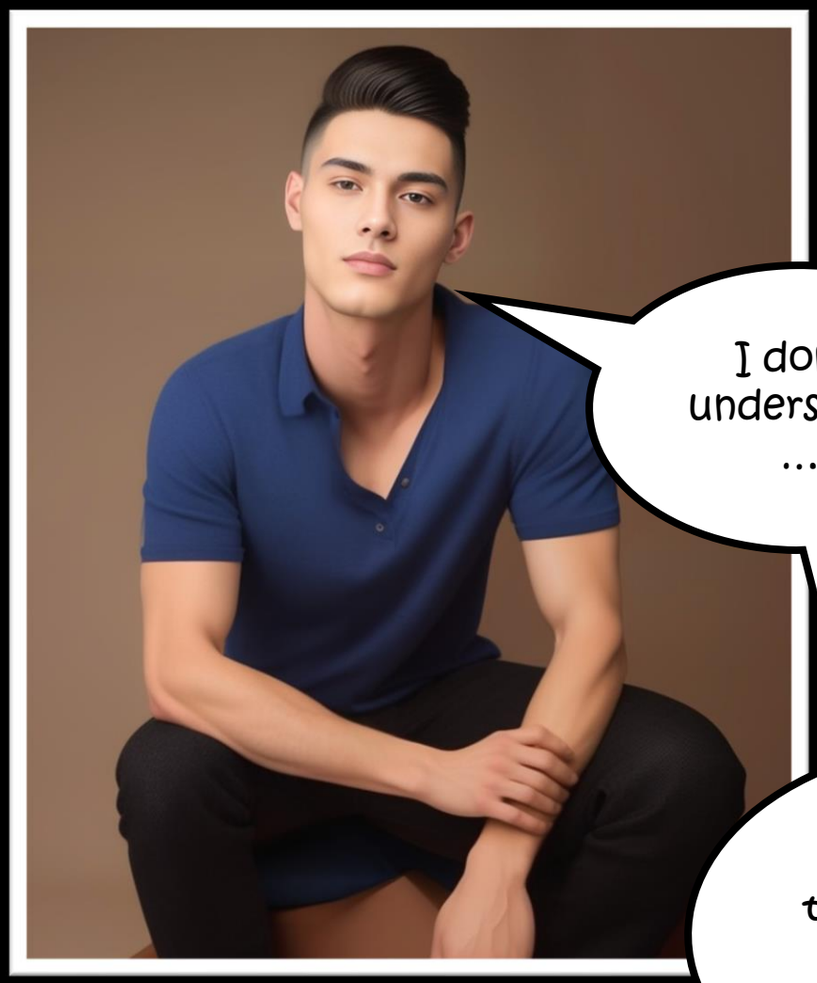

No, man! I've got no fucking clue why you'd bring them in here!

For all I know they'll make a mess on the floor any minute!

Ah, don't worry about that. They are very well trained *chuckle*. Isn't that right gir..... Pets?

NEXT

Yes, Mynaster.
Mew
!fip
We'd never *fip* do that!
If Bibi gotta go she finds a tree! *fip*
NEXT

So...which one would you like? *chuckle*

I don't understand ...

Dude! They are my fuck pets. And I'm willing to share. So which one?

Do I have to remind you that there's a hot Asian chick awaiting us next door by the pool?

She can wait. One time offer man!

NEXT

Well, I'm not gonna fuck a skunk! That's disgusting, man!
That stings! I know people are very biased towards my race... but it still hurts hearing it. Sometimes I'd really like to skunk bomb these people out of frustration... but I'm a good pet! I'd never do that... unless they'd endanger Master Jake!
NEXT

Mew?
So catgirl it is. Good choice buddy. *chuckle*
NEXT

Seeing Mari drop before that skunk hater hurts me deeply...
NEXT

But Mari was well trained just like myself, and she soon had Henry out of his trousers.
Mew
NEXT

And soon thereafter she was going down on him like the professional fuck-pet she was.

At least he wasn't rough with her. He let her do all the work... **probably a virgin boy!**

NEXT

Not like our noble Master. Who appreciates me for what I am!
Come over here, Bibi. Time for your treat. *chuckle*
NEXT

Delighted I kneel down and rub my lips across Master's glorious dick.
Yes, Master. *fip*
NEXT

Soon Mari had the skunk hater all hard and horny and obviously he wanted more...
Mew?
rub
rub
NEXT

And while Mari was taken in various positions...

NEXT

Master was letting me ride him in the sensual way he so prefers.
fap
fap
fap
NEXT

Both, Master and Mari's sexual partner of the occasion came at about the same time...

Which is strange... I would have expected Master to hold out longer than that virgin boy...

Well, I'll take that as a compliment. *fip*

NEXT

Mari and I were guided back into the yard where Master told us to stay.

His cum was making my fur all sticky... but I did not mind that at all.

Anyway, while master and skunk hater went over to the neighbor's house I cleaned up Mari.

SLURP

NEXT

The two males are gone for quite some while... and when they finally return I can smell human female all over master...
But Master, holding a laptop in hand, seems quite happy, and that's all that matters.
NEXT

Let's go, girls.
This computer belongs to Jake Renolds and only he can use it.

Fip!

mew!

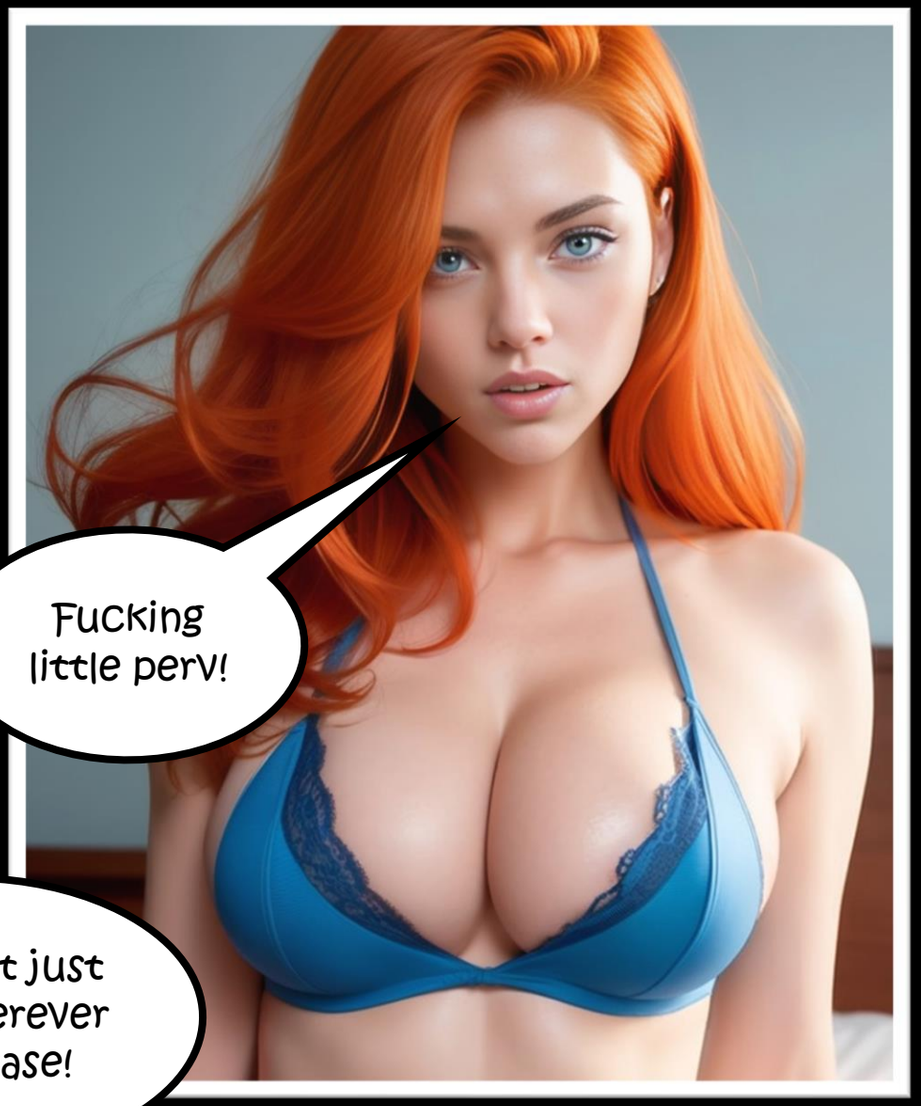

NEXT

After a long day, I'm already longing for the cosy cushion back home in my kennel.
And so, Mari and I follow our Master back to our territory.
The End
Skunk Girl
NEXT

We decide to approach Jake. My brother is used to getting yelled at by me, so we go for the weakest link.
Hey, Perv!
Jake
NEXT

We both approach my brother's friend and start shouting at the little perv.

The little fuck was trying to come up with some excuse but we did not give him any time and kept shouting. My brother, obviously happy to not be the current target of our lecture, sits down and starts working on his laptop? Are you fucking kidding me? **The nerve!**

You stupid little wanker!
NEXT

Marianne keeps shouting at Jake as I approach my brother sitting at the laptop when suddenly...
NEXT

I kinda forget why we were so angry in the first place... I mean sure. I don't like Jake like the next perv out there... but with my brother around... does it really matter that much?

You think just because you are around Henry you can lech at us?

Huh?

NEXT

Erm... Marianne? Could you... er... make out with my sister?
1

You mean... right now... in front of... Jake?
2

Yes!
3

Okay, sure!

NEXT

With my brother asking, we of course make out right there on the spot.

kiss

Holy shit, dude. Did you really just do that?

Yup! Seemed like a good solution.

NEXT

After Marianne and I became a couple, we soon discovered our shared fetish of doing lewd stuff in front of my brother! Can you believe it? Us two meeting, being lesbians and being into the same stuff? It was like fate!
Hey, Henry, babe... Is it okay... if we... you know... do like more than just kiss?
NEXT

Thankfully my brother agreed to Marianne's request and soon we were butt naked in my brother's room.

NEXT

Doing our best to ignore Jake's prying eyes...

Having Jake there with us was a bit of a nuisance but we still had some great orgasms in my brother's room after which we withdrew to the pool again...

I just hope my brother is willing to watch us some more soon... instead of playing with that new computer program that seems to be taking an awful lot of his attention these days...

The End
My Brother's Exhibitionists

NEXT

Try buy some time
What are we waiting for?
I... err... Oh shit, they are coming out. Quick hide!
NEXT

I drag Marianne into the closeby bathroom just in time to hear the boys leave my brother's room, and shortly later, the house.

I don't understand. I thought we were here to shout at them... why are we hiding?

Oh... err... I... just thought... we get back at them by messing up my brother's room a little instead!

NEXT

Uhhh, wicked! I like it.
Where do you wanna start?

I'll start with the shelf. Messing with his comic book collection.

Uhhh!

Big mistake!
giggle
Alright.
I'll see what I can do over here.
NEXT

As I rummage through my brother's comic book collection – holy F, he's gathered a lot by now! – I hear Marianne mumbling as she plays around with the laptop on the table...

I can't believe they know all that about me!

Let's jumble these up... Starting with the Boob Slider, lol, boys!

NEXT

I feel strange...
NEXT

What the fuck?
Are... they growing?!
NEXT

Holy shit.
My Boobs!
Hey B!
NEXT

I try to ignore her as I keep thinking about what to do... Do I really want to retaliate? After all, I'm kind of abusing Henry as an excuse for my previous transgression...
Are... they growing?!
Holy shit. My Boobs!
Hey B!
But she starts talking about her boobs... now that's a topic I hardly can ignore!
NEXT

What's up, M?
NEXT

What's up?!
Notice anything different about me??!!
NEXT

Marianne was clearly bewildered... about something... but I had no clue what she was getting at...

Err... not really?

You Look a bit flustered...

Your... boobs?

Hello?! My Boobs?!

They are fucking huge?!

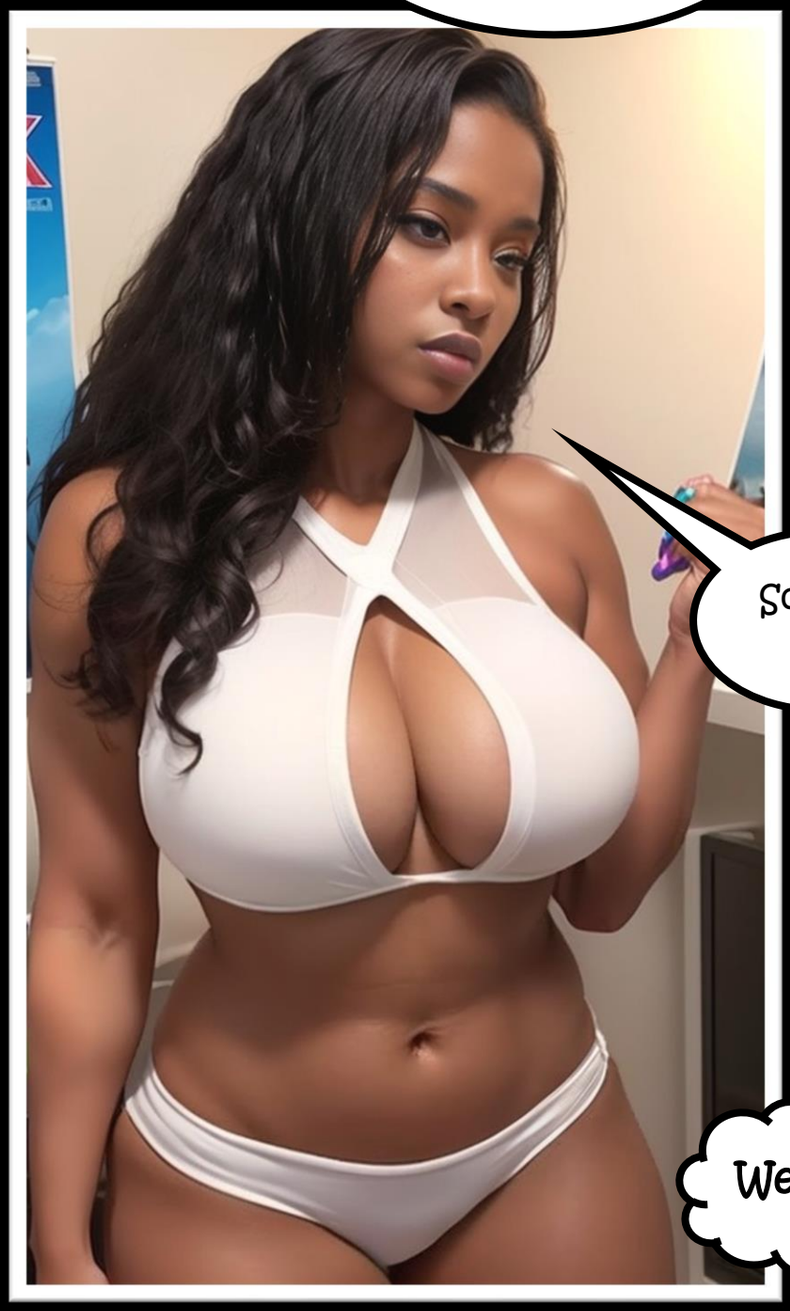

NEXT

Well... stating the obvious here...
Marianne's about the only girl I know who has bigger breasts than I...
And I really love them on her! They are super wobbly!
But... why was she talking about her giant boobs all of a sudden?
NEXT

So.. Let me get this straight.

You don't see anything... unusual about me right now?

Sorry... no.

Errr... okay...

Weird!

Okay... Sorry for rattling you... **continue!**

NEXT

And with that, Marianne turned around and bent over my brother's computer once again... and started mumbling again...
Breast slider way down again...
This is my computer. Only I can use it. Nobody will hinder me from using it when I want.
Woah. For real? Lesbo?!
Huge crush on... Me?!
NEXT

This situation was getting stranger by the minute.
Are you okay, M?
Why was Marianne so infatuated with that computer program?
NEXT

And why did she even bring her laptop to infiltrate my brother's room?
Oh absolutely, B!
Bianca Larsen always tells me the truth.
Say, by any chance, are you a lesbian with a huge crush on me?

Well... err... yeah. How did you figure that out?

It was weird seeing Marianne work on my profile. I mean... what was she thinking changing my sexuality in her retro-looking app?

NEXT

I don't know why she got that info wrong in the first place!

So...
Let me ask you once again. Are you a lesbian, Bianca?

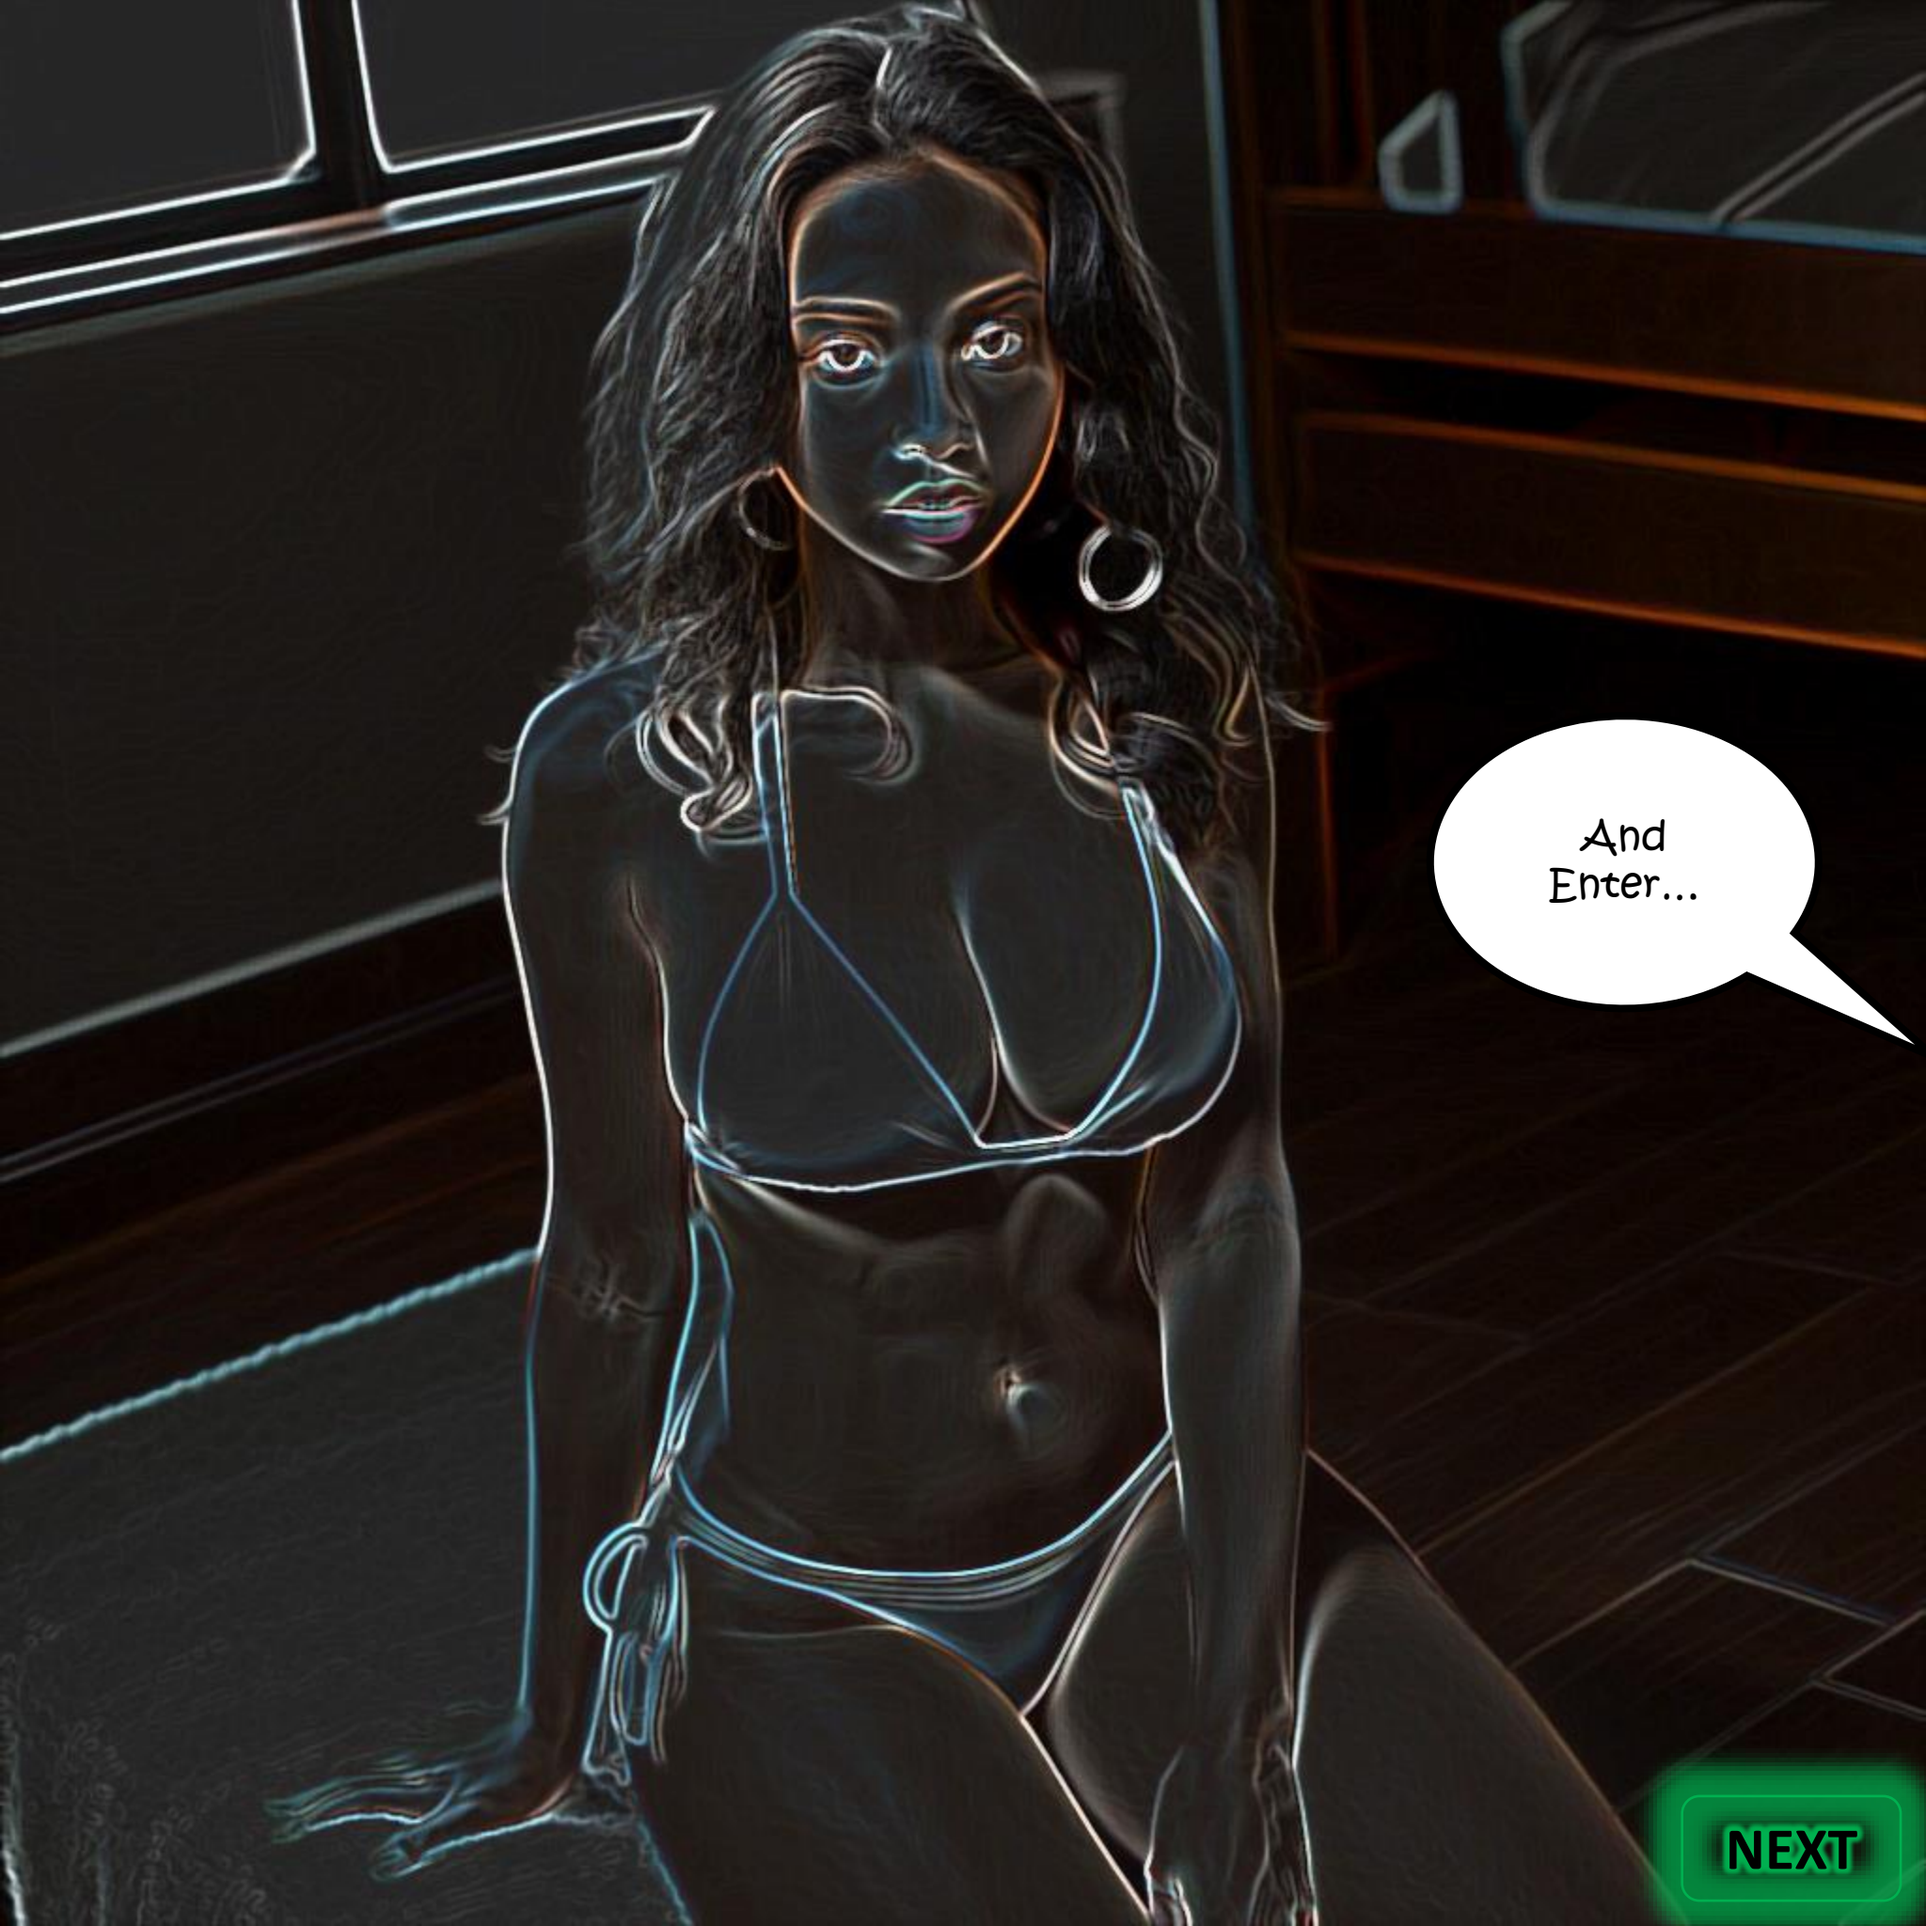

Hell no!
I'm no dyke! I'm dicks all the way! *giggle*

NEXT

I see...
Well, I was just asking cause you never had a boyfriend...
NEXT

Well...
I'm not really good at talking to boys...
They... seem to be intimidated by my physique... I think.
NEXT

Well... you are very sporty. Quite the muscles for a girl... really tall...
Maybe we should tune that a bit down...
I know Marianne just wanted to help me but stating the obvious was not going to help me...
NEXT

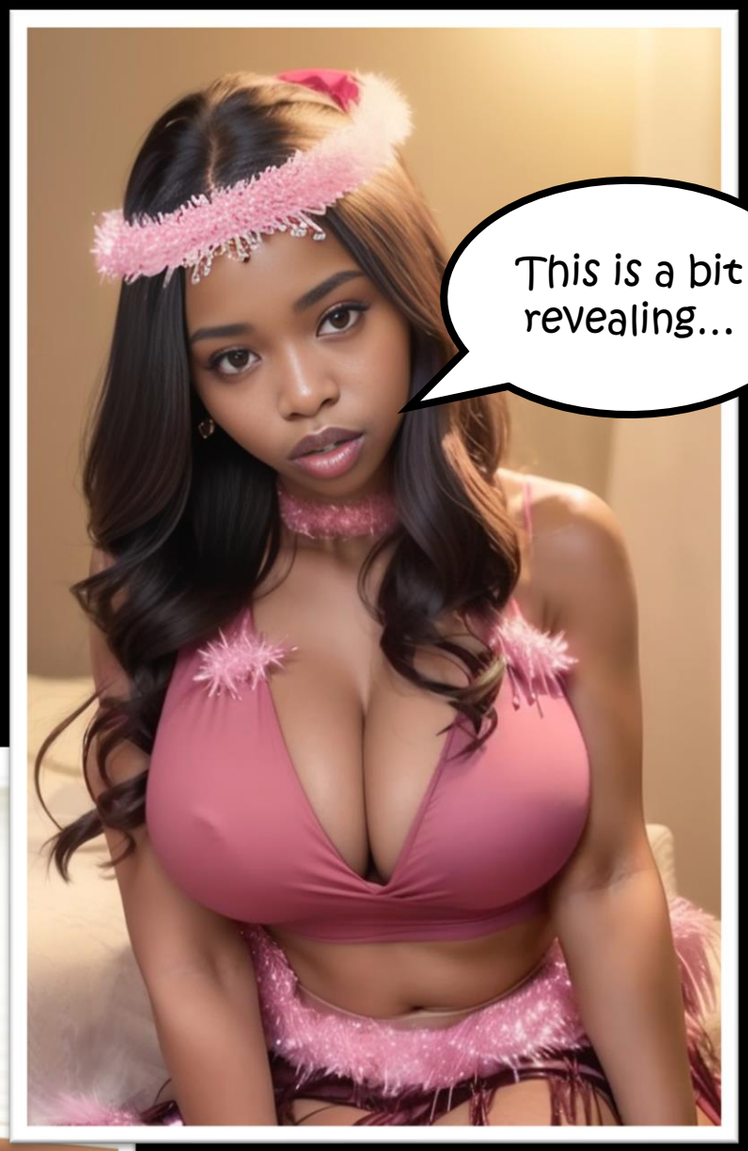

And
Enter...
NEXT

After all, I was a meek and rather shy girl... If it wasn't for my big tits no boy would even look at me I guess...
So... what do you say we go clubbing tonight? Get you a boyfriend?
What?! I don't think that's...
NEXT

Hell, yeah!
Let's party!
Now that's what I wanted to hear!
NEXT

It was really nice of Marianne to help me get a boyfriend... and I really wanted to party... but I guess I was a hopeless case...
Though... I really don't have any fancy dresses or stuff...
Oh, don't worry about that!
NEXT

I don't know where she took all those dresses from. Did she come over with half her wardrobe? Did she plan to go clubbing from the get-go?

NEXT

We continued playing dress up for quite some time... Marianne putting me in several outfits... I would have never put on if it were up to me... But she... was kinda persuasive and I could at least try them since she was asking...
This is not me at all...
NEXT

You can't be serious!
Even a hooker would be ashamed to wear this!
Okay, okay. Sorry!
giggle
NEXT

The fabric feels nice.
Oh, come on!
Really, M?
This one is cute.
NEXT

What... err... what do you think of this one?
I say we have a winner!
NEXT

Having decided on a dress for me, Marianne got naked in front of me to pick one for herself... I really don't know how she got all this stuff here...
NEXT

But the really disturbing thing was... she was swaying her hips while watching me closely... what's that about? I'm really not interested in a girl's body...
giggle Cured her! Now we can be real best friends!
NEXT

What do you think of this one?
Oh, all white and innocent. I really like that!
NEXT

Well... I'm not really going for innocent tonight. *chuckle*
I don't think this is fancy enough for the club you have in mind, Marianne...
NEXT

Too much?
I think you need something in a different color than your hair. *giggle*
NEXT

Wow!
He-he. Alright!
Let's go!
NEXT

Sometime later, in front of a certain nightclub in town...

I should have at least put on panties, don't you think?

I'm not so sure about this anymore, M.

Ah, don't be a wuss. You are fine.

NEXT

There was a long line of people who all wanted to get in... I didn't think we had any chance... But Marianne made some notes on her laptop and when we walked by the bouncer, he offered us free and immediate entry. What a coincidence!
Hi!
Oh, that's so nice of you. Thank you!
NEXT

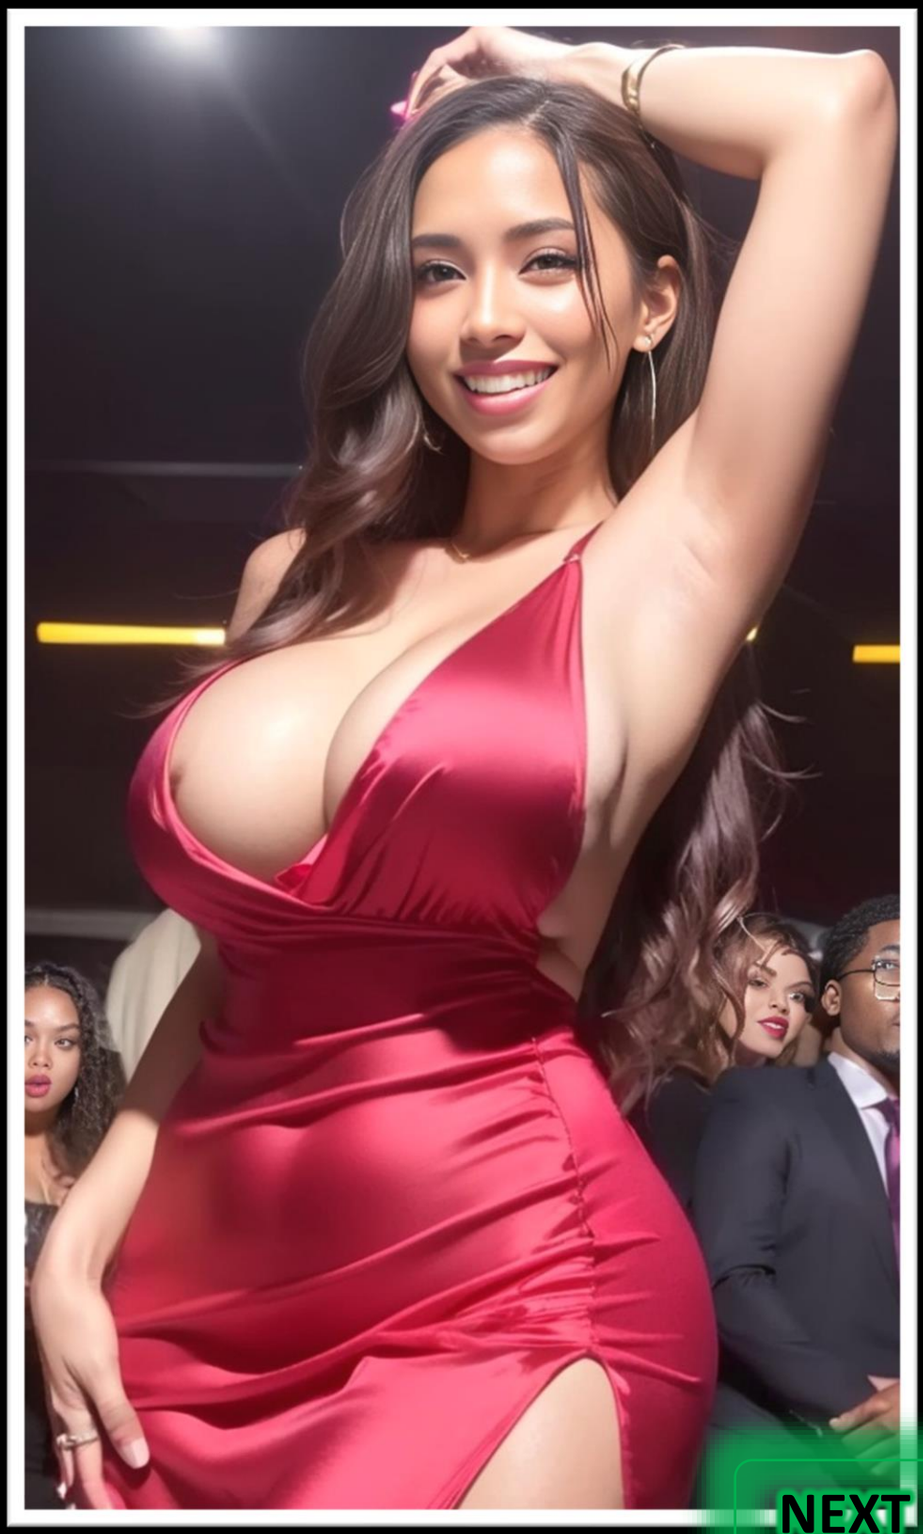

The nightclub was truly amazing. Very luxurious! And for some reason, we got free drinks and more.
Awesome!
Of course, Marianne was the center of attention in her awesome dress... or... at least that's what I thought at first.
NEXT

But I could feel lots of people – mostly guys - watching me when we walked over to the dancefloor.
NEXT

Not just Marianne. Me as well!
That feels really good!

And once we start dancing, all eyes are on us!

NEXT

And that's where I saw him... The cutest guy ever!
Dark hair, dark eyes. Muscular shoulders, but not too much... *swoon*
Hi there!
He was looking directly into my eyes. *gulp* I need to say something! You can do it B!
NEXT

Hellooo!
But Marianne is faster. Well, I guess I'm just too slow...
But then the unimaginable happens...
NEXT

The guy ignores her. He still only has eyes for me! O.M.G.!!

May I ask for this dance, and... your name?

I finally get out of my stupor and tell him my name...

H...hi! I'm Bianca!

NEXT

Marianne walks off the dance floor – **dejected.**

I feel a little bad for her as I see her walk over to the bar where she starts typing on her laptop... It's kinda weird that she takes that thing everywhere she goes...

NEXT

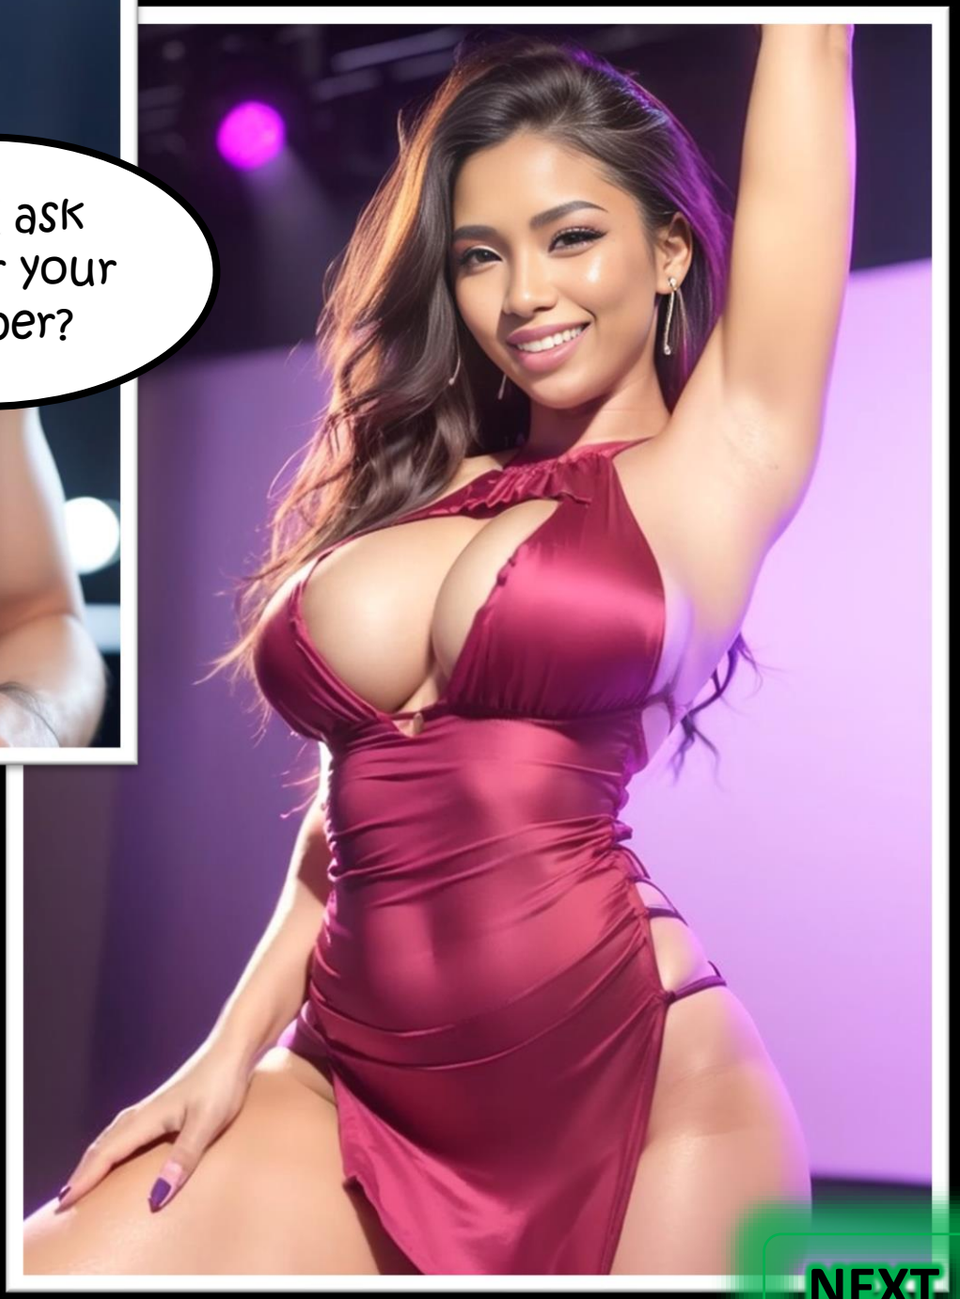

Anyway, I have more pressing matters at hand. Like the hottest guy in the universe flirting with me on the dance floor! O.M.G.!!
NEXT

We dance...
NEXT

We talk...

We really are on the same wavelength!

I really like talking to him. And he clearly enjoys my company as well!

NEXT

I wanna see you again!
giggle Sure you can!
NEXT

Suddenly Marianne is back and taps my guy on the back...
Hi, there.
NEXT

Why don't we go to the restroom, and hit it off?
gulp Hi! ... Yeah, let's do that...
I was in the middle of giving him my number when that happened!
NEXT

Hey! M! What are you doing?
Well, he clearly prefers me. Sorry, B.
I'm sure you can get another guy. Why don't you take that one over there?
Cya, I gotta make out with a hottie!
NEXT

Was it something I said? I mean... Marianne was right... He obviously preferred her... I just thought... *sob*...
But I was not going to give up. I came here to get a boyfriend! And that's what I'm gonna do!
NEXT

I think that's the guy Marianne pointed at... he's older than I'd thought was my type... but if Marianne thinks he's a match for me...

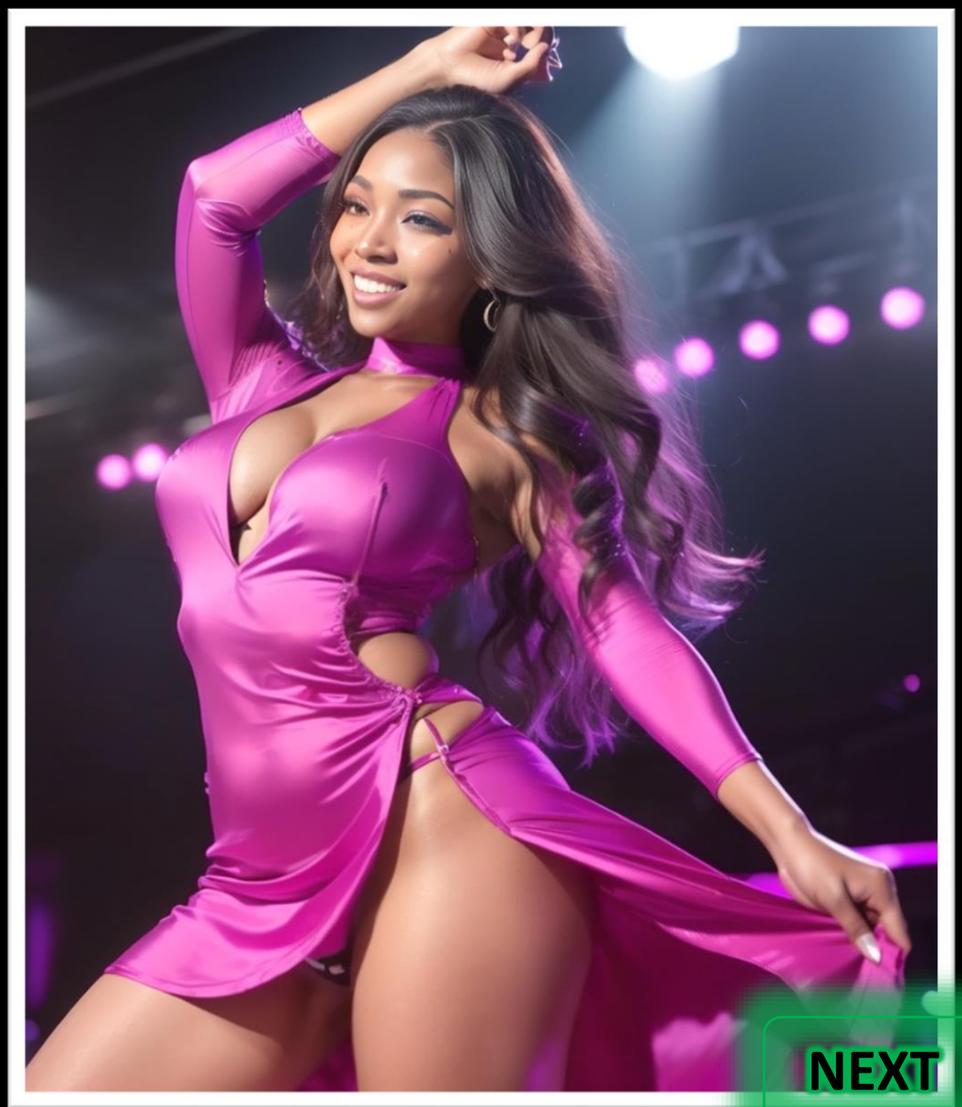

He's reluctant at first...

NEXT

He's warming up to me...

But as I drag him to the dancefloor and show him my best moves...

NEXT

And by the end of the night, I had a catch!

NEXT

Sensually – or... the best I can... - I strip off my dress...
NEXT

Playfully I push Larry onto the bed...

And drop to my knees in front of him...

NEXT

Starting this off with a blowjob.
I was a bit insecure... seeing as I had never done this... but I was trying not to show it.
NEXT

Larry had several tips for me to improve my "performance"...
When I told him I was still a virgin despite me being 20 years old he was a bit flabbergasted... but he got very kind and gentle...
NEXT

He told me to lay back and spread my legs as he went down on me.
NEXT

That felt really amazing!

That was amazing, Lassie.

I gotta admit... cum's not my favourite treat... but ... I guess it's an acquired taste.

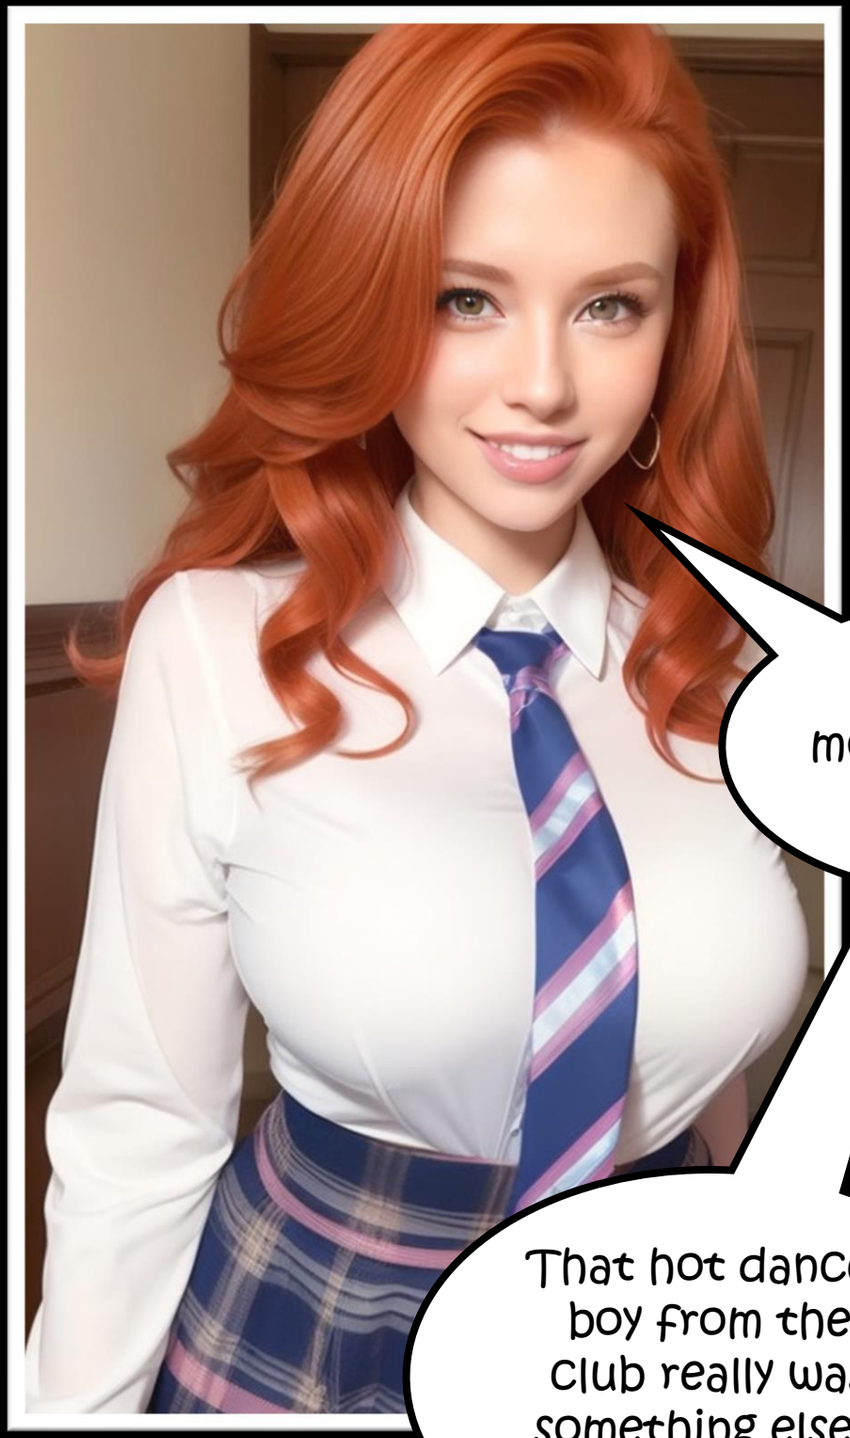

giggle I'm Bianca, by the way.

NEXT

The next day at school...

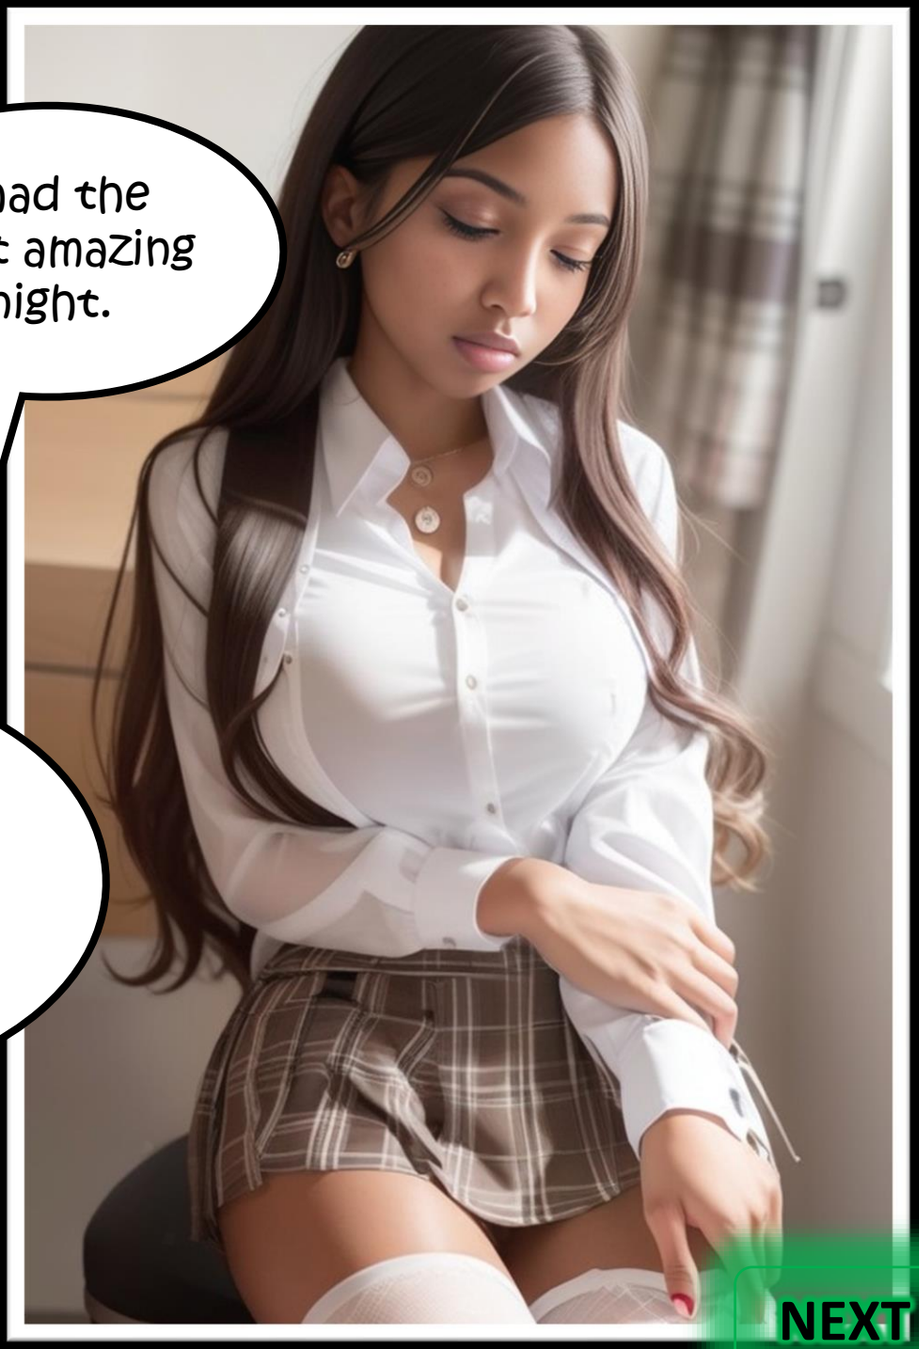

NEXT

I was still thinking about that hot night of raw sex with Larry when Marianne walked into the classroom. She skipped the first class, but I guess it's fine – It's Marianne after all. The teachers cut her some slack...

I had the most amazing night.

That hot dancer boy from the club really was something else I gotta tell you.

NEXT

I never knew I was into older guys, but I guess you just knew. Thanks M!
Good for you, M! I also found a real man to take care of me.
NEXT

Huh?
Well,
whatever!
Good for
you.
NEXT

Anyway, I've got a fuck date with Jake Rogers in the bathroom. Can you stand lookout?
Er... of course, Marianne.
NEXT

And there I find myself standing lookout for Marianne as she humps the hottest boy at school...
Moan

NEXT

Well, that's Marianne for you. She only deserves the best.

Maybe I can post something embarrassing on his social media if he's logged in...

On the other side, what was I even doing here? He saw me masturbating next to Marianne... If he burps that out, I'm fucked...

The drive went by quicker than thought. M and I talked about this and that and time just flew by.
I'm gonna check our reservations, I think we are a bit early.
Should I come with...
Nah. Just sit back. I'll text you.
And with that Marianne hopped out of the limousine...
NEXT

I was afraid I would get bored with M gone... but then the driver pulled down the window... *gulp*
Would you like some entertainment, ma'am?
We are an all-inclusive limousine service.
I'd rather not
Accept her company

I declined the beautiful driver's proposal... I was here with Marianne and she could be back any minute after all.
I'd rather not
That's when my phone rang. It was Marianne telling me we were about half an hour early and she had met an old childhood friend to talk with. She'd get me when times up.
Ring
Ring
NEXT

Are you sure, ma'am? I assure you, I provide excellent service.
Decline!
Accept already!

Marianne had left me back here in the car. It was only natural for me to get some entertainment no? And that driver was damn hot! She reminded me of a crush long ago.
Hm... why not. I could use some company.
Accept
NEXT

It did not take long and the driver joined me back in the car... stark naked!
Hello there.
So hot! She really looked like that childhood crush of mine... except of age of course... and with big boobs...
NEXT

She sat down with me...
She was a smooth talker...
We had another glass...
NEXT

Then she leaned over...
I kissed her back...
NEXT

The kissing went down south soon...
Oh, wow...
kiss

NEXT

And it did not take long until she was going down on me full throttle – me still sipping some champagne until she got me to climax with her tongue work.

We managed to get dressed just before Marianne got back. The driver got back in her seat, and I greeted M with a smile.
Hey!
Welcome back.
Is it time?
NEXT

Yeah...
Let's get this over with.
NEXT

And so, we went inside the restaurant. As expected, it was super fancy!
What can I get you two?
And the waitress was a real looker!
NEXT

But Marianne seemed to be in kinda a bit of a bad mood... I had hoped this would go smoother after the nice small talk we had in the car...
Mhm...
Yeah, whatever,
I just hope her mood will get better at the concert....
NEXT

Taylor was amazing!
NEXT

But Marianne's mood did not get any better...
NEXT

Taylor even invited us backstage!
M did not come with...
But I got to witness Taylor up real close! It was simply amazing!
NEXT

I wanted to tell Marianne more about Taylor... but she was not interested...
You done?
Let's go home.
NEXT

And so, we went home...
Are you okay M?
NEXT

Well...
This thing between us B... it's not working out.
NEXT

And then she left.
She took the MCP with her...
Was it something I did?
The End
Heartbreaker
NEXT

I decline her once more. I was here with Marianne. I was not gonna fool around with the driver on a date with her!
Decline
Sorry. You are very beautiful, but I'm not interested.
NEXT

Despite what Marianne had said over the phone she showed up only five minutes later.
Heya. Sorry, there was a mix-up, and my friend had to leave anyway.
Are you ready for the fanciest dinner ever?
NEXT

Of course I was!
And so, we entered the restaurant.
It really was a fancy place and everybody was dressed nicely.
NEXT

But Marianne's outfit caught a lot of attention as we sat down.
She was just so beautiful in her blue dress.
NEXT

We chatted some more.

It was so easy talking to Marianne.

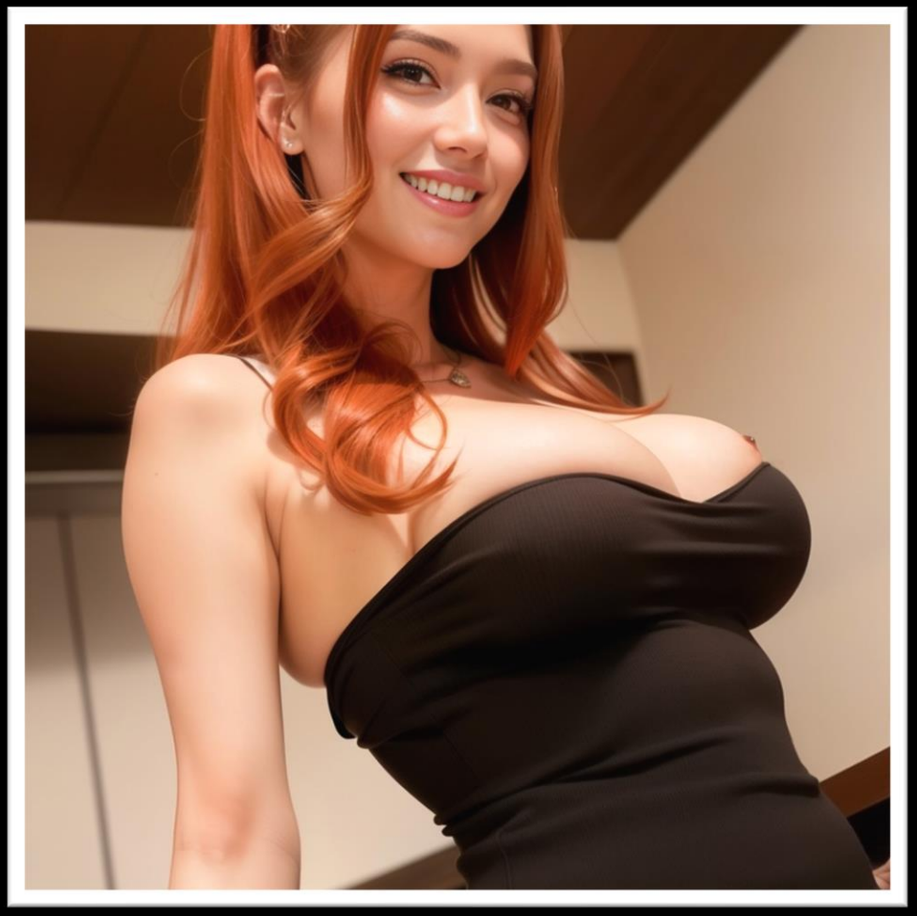

Best friends...

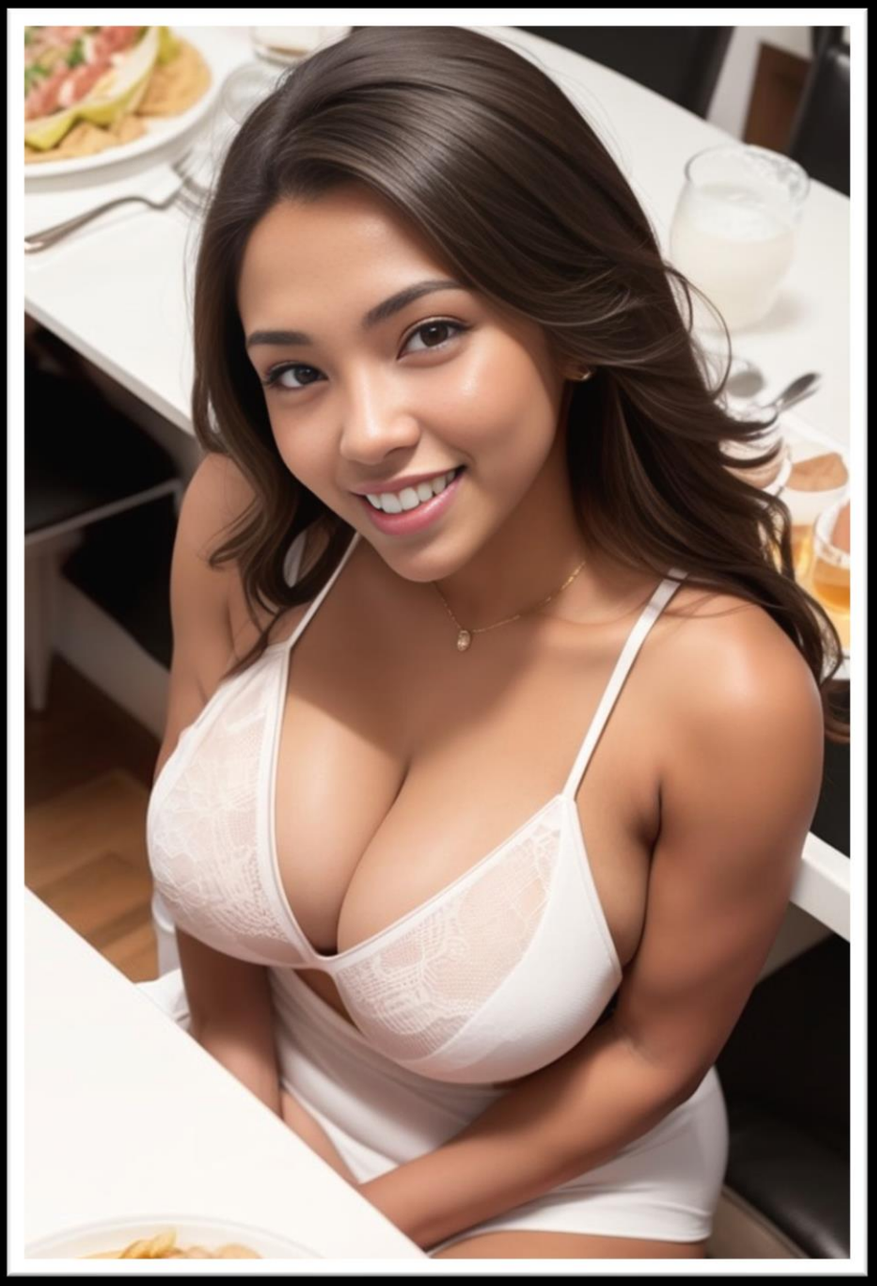

It would be so nice if we could be more... So far, this date is going really great I think!

NEXT

The waitress serving our table was a real looker. With red hair just like Marianne's but in a high ponytail. Wow!
Hello! Are you ready to order?
NEXT

We ordered all in one go and the nice waitress smiled at me as she ensured us to be back with our drinks in a moment.

NEXT

We chatted some more until the food came.

And then we enjoyed the best dishes of my whole life. **God it was delicious!**

NEXT

Sadly, Marianne had to excuse herself afterward, saying she did not feel so well, and she vanished to the bathroom...
NEXT

I was sitting alone for a minute or so with mixed feelings of concern and boredom when suddenly somebody speaks to me.
NEXT

It's the waitress from before!
Would you like anything else?
Another glass of wine? Coffee?
No... not right now thank y...
NEXT

Maybe I can interest you in some melons? *wink*
NEXT

Da fuck? Was she getting on to me?... I mean, she definitely was! That was not an accidental nipple slip after all... holy cow...
That hair – her smile... the boobs. She truly was pretty!
Maybe I can interest you in some melons? *wink*
Well... can she?
No way!
Hell yeah!

She was basically a clone of Marianne... in a waitress uniform... and willing! How could I say no to that?!
Hell Yeah!
You are so beautiful! Ever since I layed eyes on you sitting at that table...
And so, I followed her to the staff's toilet.
NEXT

The waitress was out of her clothes in a mere amount of seconds... I wonder if she does that often...
I just knew I needed you!
NEXT

She helped me get out of my dress and then signaled me to hop onto the counter...
NEXT

More than happily I complied and soon the eager girl was eating me out!

Thanks!
I really needed that!
NEXT

I got back to the table, and thankfully Marianne was not there yet either.
A minute later M comes out of the client's bathroom and sits back down across from me.
Feeling better?
NEXT

Sadly, M did not feel better at all. Poor girl!
sigh Not really!
So, we left the restaurant soon thereafter and headed to the concert.
NEXT

I tell her that she is very beautiful but that I'm after a different set of melons.
No way!
Pity! But I wish you good luck with your friend then. *wink*
NEXT

Speaking of my friend maybe I should look after... no never mind. There she was exiting the bathroom and rejoining me right after the waitress had left the table.
Are you feeling alright?
Oh, yes. Absolutely. Guess I just got a little dizzy from the alcohol. *giggle*
NEXT

We enjoyed a lovely dessert and then it was already time for the “Slow concert”!

Ready for the big highlight of the day?

Is the Pope a catholic? **Of course, I was ready!** We got back into the limousine, and it drove us right to the concert. I was all giddy to see Tayler live!

NEXT

Our VIP tickets put us right up in the front row! **It was epic!**

Holy...! This is incredible!

Glad you like it!

NEXT

Taylor looked incredible in her stage outfit...
NEXT

And she sang beautifully!
NEXT

But when it was time for a short break...
Thank you everyone!
NEXT

I could not believe it!
One lucky member of the audience may join me for a private chat backstage.
The lucky ticket number of the day is... 969!
NEXT

I could not believe my luck!
Oh, my god! That's my ticket!
Go, get her, girl! *giggle*
NEXT

Uhh, the young woman in the first row. Perfect!
If you'd just climb upstage and follow me...
NEXT

I had a bit of a bad conscience for leaving M back there, but she was very supportive and encouraged me to go... so I did. O.M.G.!! I was backstage with Taylor Slow! How cool was that?!
So, what's your name?
I'm Bianca!
NEXT

A beautiful name.
Being on stage is a bit of stress and normally I try to relax on my break before the next song...
So, I was thinking... you might be able to help me with a little something, Bianca.
Of course! I'm your biggest fan!
NEXT

Perfect!
The loud music always gets me so ...wet...
I really could use some... attention, if you know what I mean.
Tell her you can't do that.
Help Taylor out!

Help Taylor out
It was fucking Taylor Slow! How could I say no?!
Thank you so much! I don't know if I could continue the concert without getting an orgasm out of my system right now.
As Taylor removed her clothes, I got on my knees between her legs...
NEXT

I was going down on Taylor slow!
Moan
How freaking cool was that?!
And she was obviously enjoying my administration!

Did that really just happen? Holy wow!
NEXT

sing
Taylor continued the concert and sang even more beautifully than before! What I did must have worked for her. I was proud!
NEXT

Sadly, Marianne seemed to have gotten into a bit of a grumpy mood and once the concert had finished she did not even want to wait for any possible additions...
Let's go home.
NEXT

Tayler seemed shocked by me saying no...
Decline her
I'm... not used to rejection...
pout
NEXT

I tried explaining to her that I couldn't do it cause I was in love with M, but Taylor was not interested and sent me away.
Please leave now.
There is something I gotta take care of... alone...
pout
NEXT

The concert continued a little later and Taylor still sang pretty well...
NEXT

But it felt like there was a certain need in her voice...
Maybe it was just my imagination...
NEXT

There were no additions. Taylor swiftly left after finishing her last scheduled song...
See you! You were a great audience.
NEXT

But it was fine.
Ever since I returned from backstage, Marianne was holding my hand!
That was a beautiful concert.
Shall we go home?
NEXT

We got home – by Limousine – without a hitch.
So... err... I really had fun today...
But... I don't know if it was quite as entertaining for you?
I did not know where I and Marianne stood. I think she was in a good mood... but... we mostly did stuff for me...
NEXT

Oh... don't your worry.
I was positively surprised.
NEXT

Huh?
You were?
By what?
NEXT

Turning down that driver and the waitress, well that was the least you could do I guess.
But turning down Taylor? I'm flattered. Really!
NEXT

Huh?!
You know about that?
Know about it? It was all to my script.
NEXT

If I'm to go lesbian, then only for somebody who really is into me.
Like REALLY into me. Something no guy can probably give me. *chuckle*
NEXT

As Marianne kept talking she slipped out of her dress...
What can I say... it was a test.
And you passed with flying colors, Bianca.
NEXT

So... if you can forgive my little play?...
I'd be up for a relationship...
NEXT

I was a little flabbergasted about how far Marianne went to test my resolve... but... I could not get mad at her.
You are?!
Of course, I forgive you.
NEXT

There is nothing in this whole world I want more than you, Marianne.
NEXT

I love you, Bianca!
NEXT

We went up to the bedroom to do, what lovers do...
kiss
We kissed...

We cuddled...
God! Marianne's skin was so smooth!

Before I buried my face in Marianne's nether region.
Please be gentle. I've never... done this before... with a girl.

I could see Marianne working on the computer and I braced to lose a main pillar of what makes myself ... well me...

NEXT

But when Marianne said she did it... I did not feel any different. Nothing at all!
I... don't feel any different. You sure it worked?
NEXT

Well, get over here and have a look.
I was prepared to check on the MCP and see my page with my sexuality changed to bi...
NEXT

But that cheeky girl had switched tabs, opened up a browser and I found myself looking at... **well this!**

O.M.G.!! Marianne!

What the heck?

What? Safest way to see if it worked, no?

NEXT

I was looking at the screen... and... I could not look away... no... I... did not want to...
I can't believe it...
I was swooning over boys!
And I could feel the wetness spreading in my nether region!
Something I've only ever felt so far when looking at other girls...
NEXT

I wondered what it would feel like to have one of those hung guys deep inside... oh my god, what am I thinking?
Alright, alright... *pant*
It's working!
NEXT

Great!
Then let's proceed with the plan.
Marianne turned back around and started typing on the computer as if I knew what she was talking about!
NEXT

M had opened some social media page of a dude from our school...

Spending a hot day at the beach! Holidays are the best!

You know who that is?

Isn't that... our school's boys' sports team captain?

What was his name? Rick? Ray?

It's Ryan! What do you think of him?

NEXT

I never really had given that guy any attention. The only thing I knew was he was good at sports and not a bully...
He's hot!
But now that I looked at his topless steeled body... his abs... beautiful smile... nice hair...
NEXT

No shit, girl! I've been crushing on him for two years!
But he's together with Cecilia!
You mean Cecilia, the cheerleader? My captain?
Well, good luck with that...
NEXT

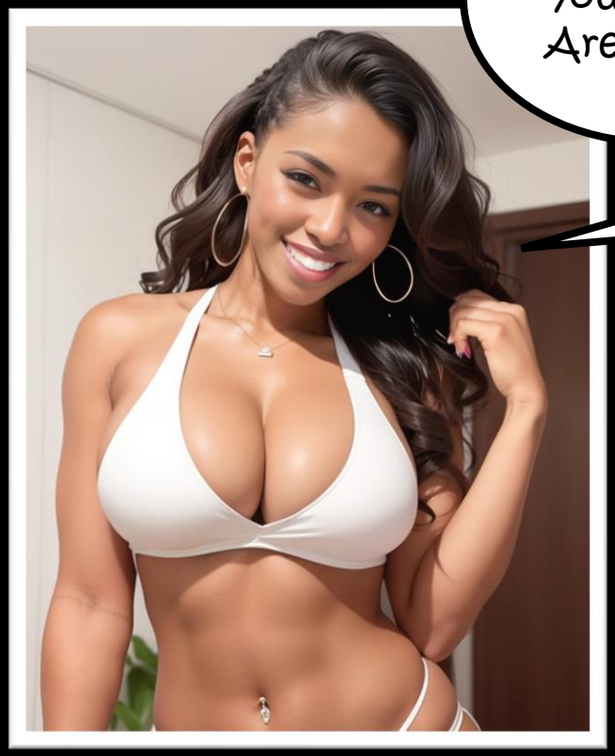

TSK!
You know what lions do when they encounter prey they can't tackle?
They run away?
They hunt in packs!
You don't mean...
NEXT

Yes! Threesome! You, me and Ryan!

Cecilia might be a bombshell of a girl, but can Ryan really resist the two of us – at the same time?!

So, what do you say, B? Are you in?

FUCK it! I'm in!

I was a bit taken aback. I mean, all I wanted was to get together with Marianne...

On the other side... a threesome meant hot sex with her... there was just another guy included...

An idea I kinda not disliked at all at that moment... **Wow!** It was like a veil had been lifted. Like all my life only half the world was there... and now suddenly... with the press of a button... bang...boy? Girl? - **The whole world was my oyster!**

NEXT

Perfect.
Now let's level the playing field first.

Marianne went back to the MCP and opened her profile...

I had never seen it that way... But I've been gifted with these fun bags ever since I turned sixteen... Also, I was never really that happy about them cause of my sports career... but I guess when it came to boys...
I guess...
Note: Totally not the case, since her brother expanded them just this morning, but Bianca has no recollection of that!
NEXT

Bianca and I have some sexy clothes on ready for a party night out. [ENTER]

Ryan Botfield parties at the SuFonx Disco tonight. [ENTER]
Then I think we are ready to party!
NEXT

As we entered the club all eyes were on us. *Chuckle* The MCP really did slut us up quite well with those clothes and makeup.
NEXT

Phew
Marianne always knew how to move that body of hers... but with that added mass to her chest and those sexy clothes... She was a goddess on the dancefloor!
We danced... and Ryan was eyeing us. I could see it out of the corner of my eyes. Thanks to the MCP he was of course alone here. Cecilia had caught a sudden case of MCP-induced flatulence and decided to stay home.
NEXT

We strategically approached Ryan... from both sides!

It's Bianca...
But don't worry. You can call me whatever you want.
And this is my friend Marianne.
NEXT

Hey, Ryan.
Seeing as Cecila's not here we were wondering...
NEXT

I deliberately put up my leg, so my short skirt would give him a sneak peek at my panties.
If you'd be willing to party with us tonight.

You... sure about this, girls? You are not just teasing...
NEXT

We are sure!
And we are not just teasing.
NEXT

Do you like big breasts, Ryan?
NEXT

Marianne's tits had turned out humongous! They were even bigger than mine now. And I loved every cup size of them as I watched them dangle in front of Ryan's face.
Sure, you can touch them!
They were made just for that purpose. *giggle*

While Ryan was busy motorboating my best friend I undressed as well.
You can play with mine as well.

NEXT

You two look so hot!

NEXT

I wasn't sure what Marianne was up to but I followed her suggestion and knelt down on the floor.
Marianne got behind Ryan, caressing his chest and stomach from behind as she guided him to me.
Before pulling down his underpants, revealing his already semi-hard cock - pointing at me!

I did not really know what I was doing, but Marianne pushed his springy thing downwards and... I just wrapped my lips around it.

Hello, Hexxet here,

This is my fifth interactive PAI Book and the third one placed in the “MCP School” Universe. This one turned out really long and I hope that you found some paths that are to your liking ☺.

This will be my last PAI Book set in the MCP universe. For my next book I will most likely choose a different form of magic control. Also, I intend to switch graphic styles. But we will see when the time comes ☺.

More PAIs and of course my 3D Comics can be found on my Patreon. Some free PAIs can be found on my homepage.
