Previously on „The lost Temple“:

*Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic – though he is not very skilled at it. One thing leads to another and he has infiltrated a camp of ether-wielders who are on the hunt for demons... He becomes a member – secretly a spy for Kassandra. In the meantime, he tries to juggle his social and school life with his now secret magic life...*

*After resolving the situation around him tipping off some old warlock in the woods, Mika has no a palace for a base and two slavegirls, as well as hints of a very powerful control spell... But now, he's about different problems back at university...*

Previously on the last temple, Mika was told Marianne's tragic backstory and stumbled upon some valuable information...

Before that he also kinda slipped up with Liz...

Vasta  
Mens!

He used  
Vasta to  
control you?!  
\*slurp\*

Shit! Did I  
really just  
activate a  
spell in front  
of her?

And it somehow led, to  
a kiss... After which Liz  
ran away...

And let's not forget about Lana...

And he used magic to heal her arm... though she did not realize at that point in time...

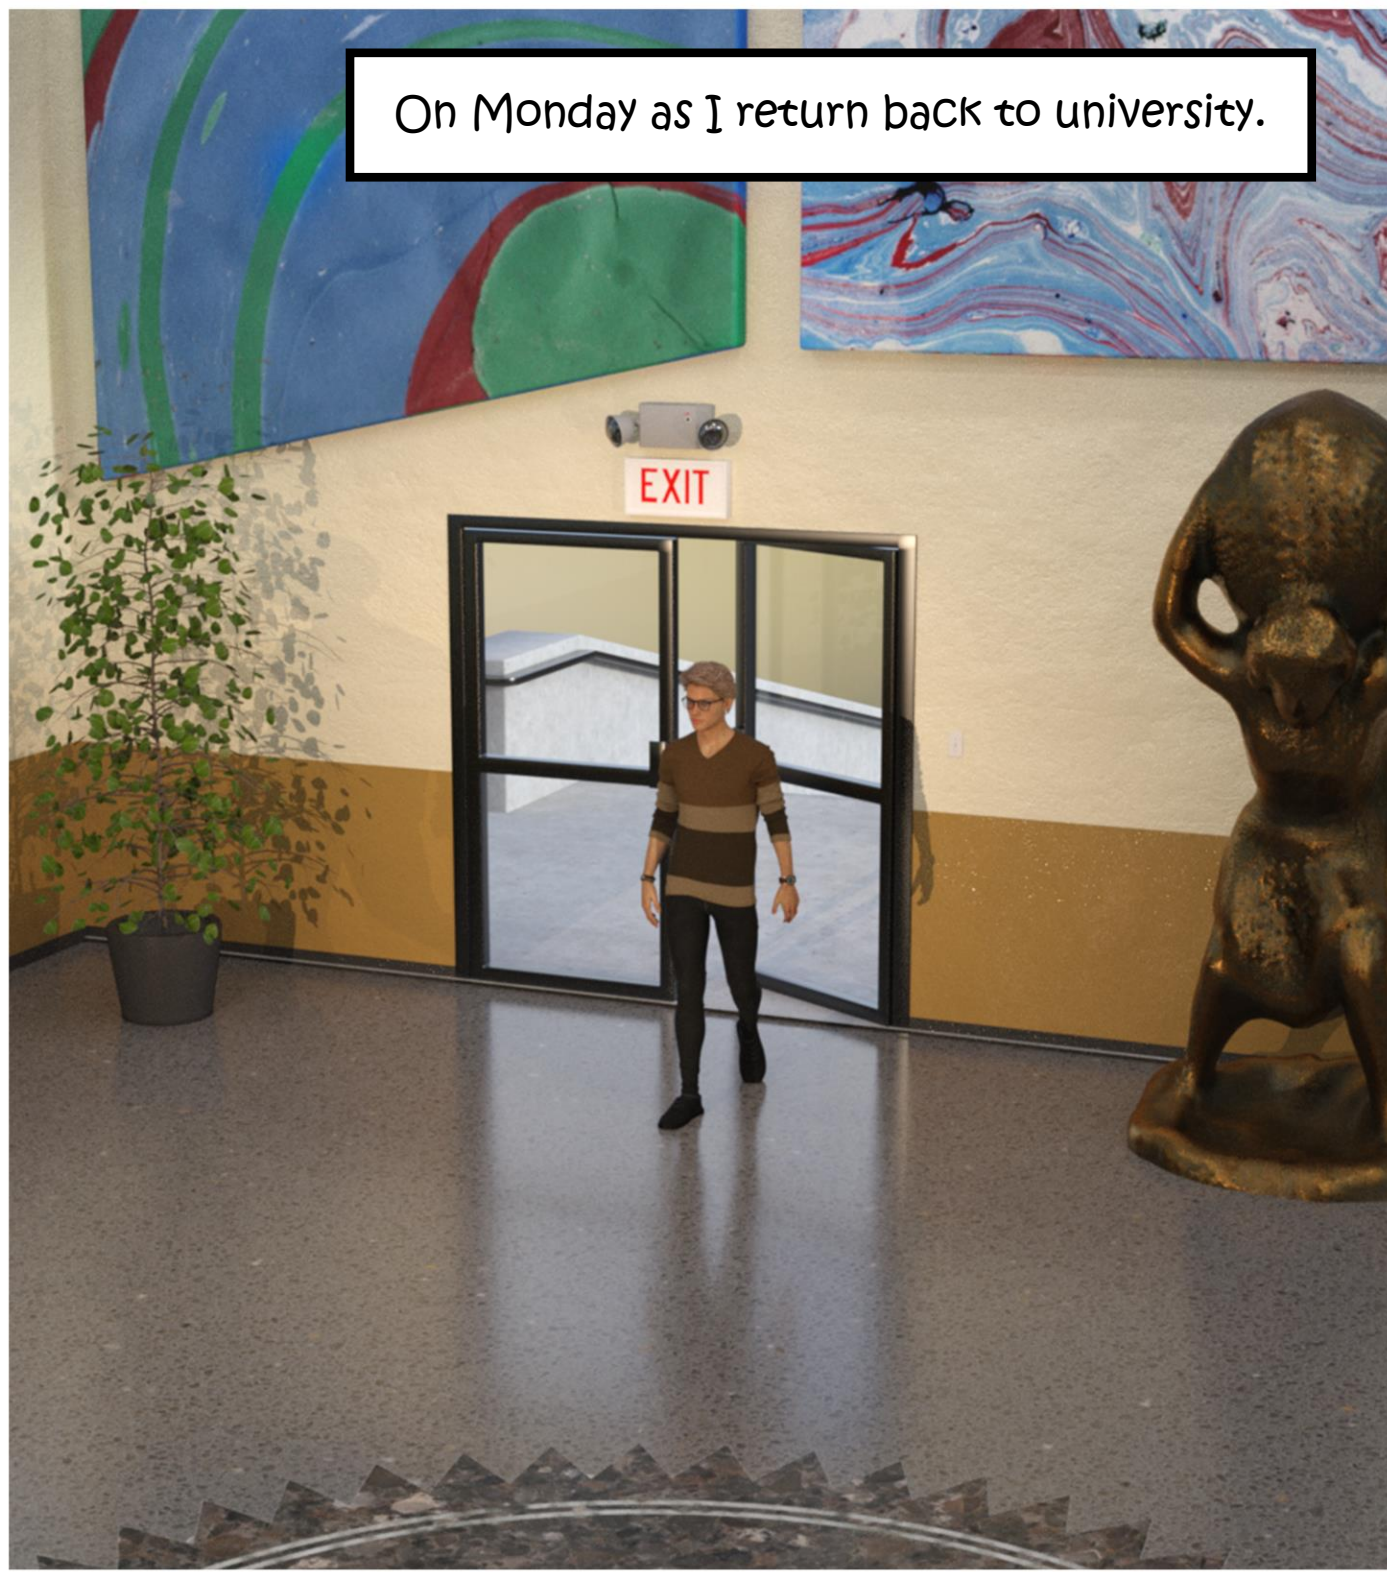

Still got him a kiss...

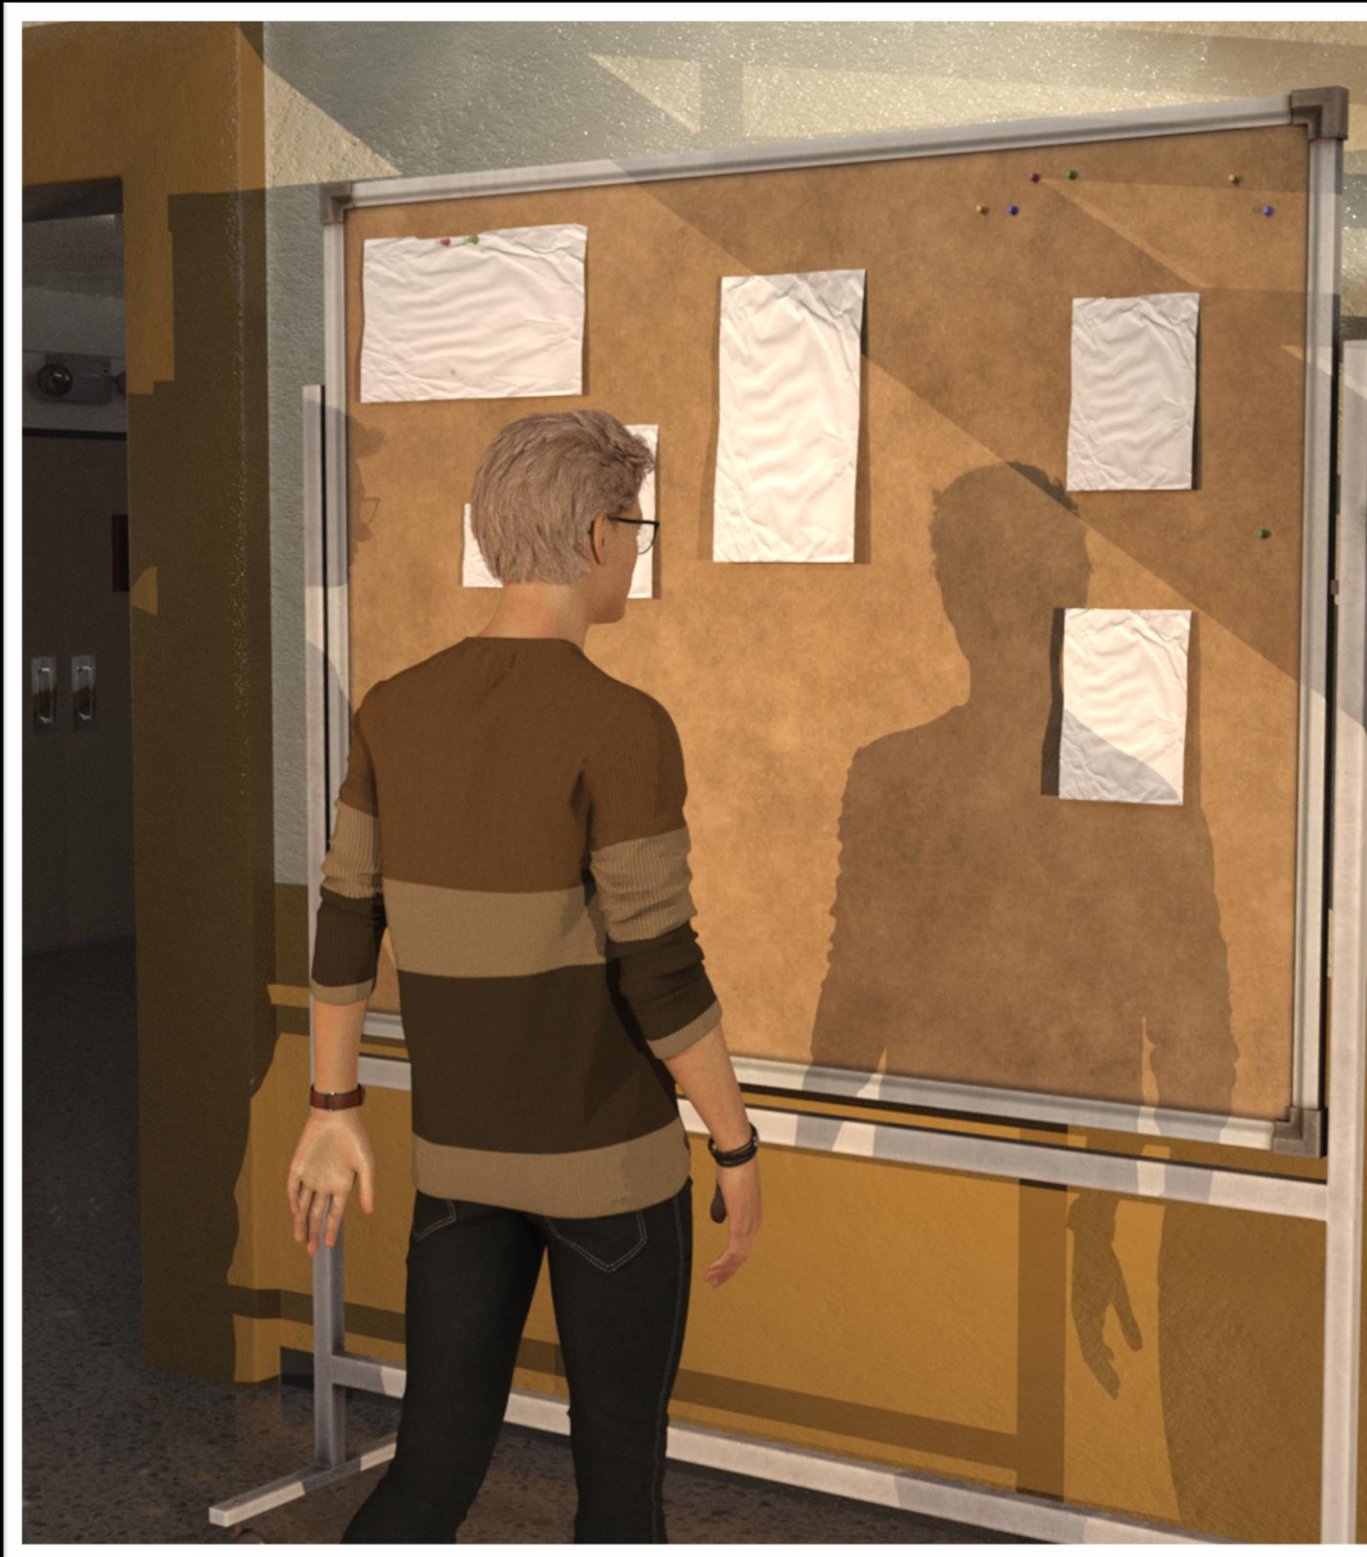

We Continue the story after the weekend...

On Monday as I return back to university.

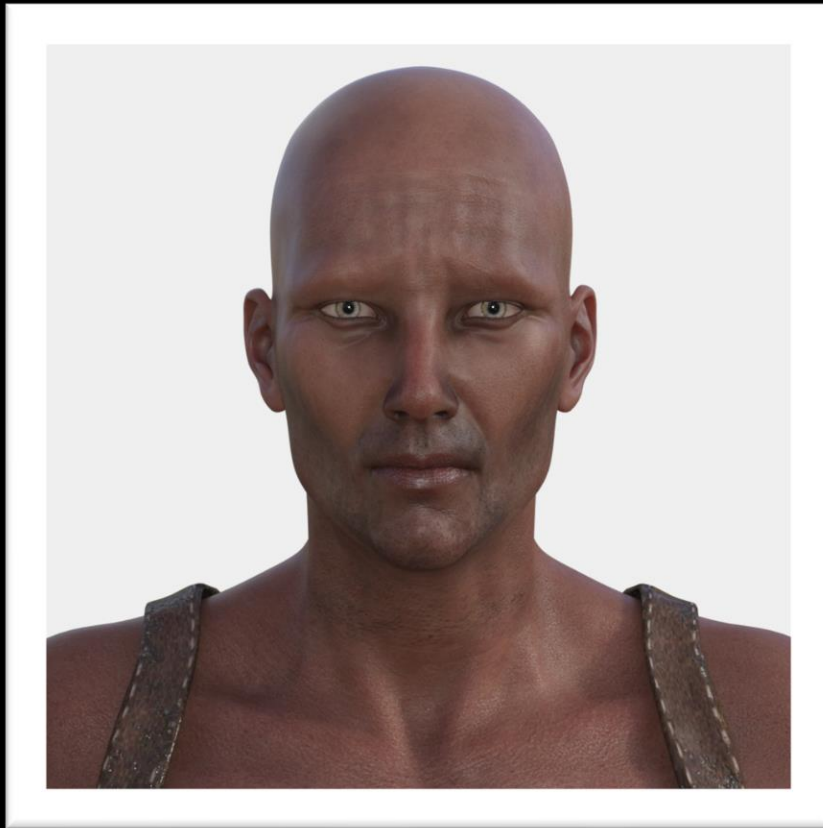

On the news board, there is a new article from Velia, and it is about Zander...

And follow my usual rhythm.

### Man missing – Police asks citizens for clues

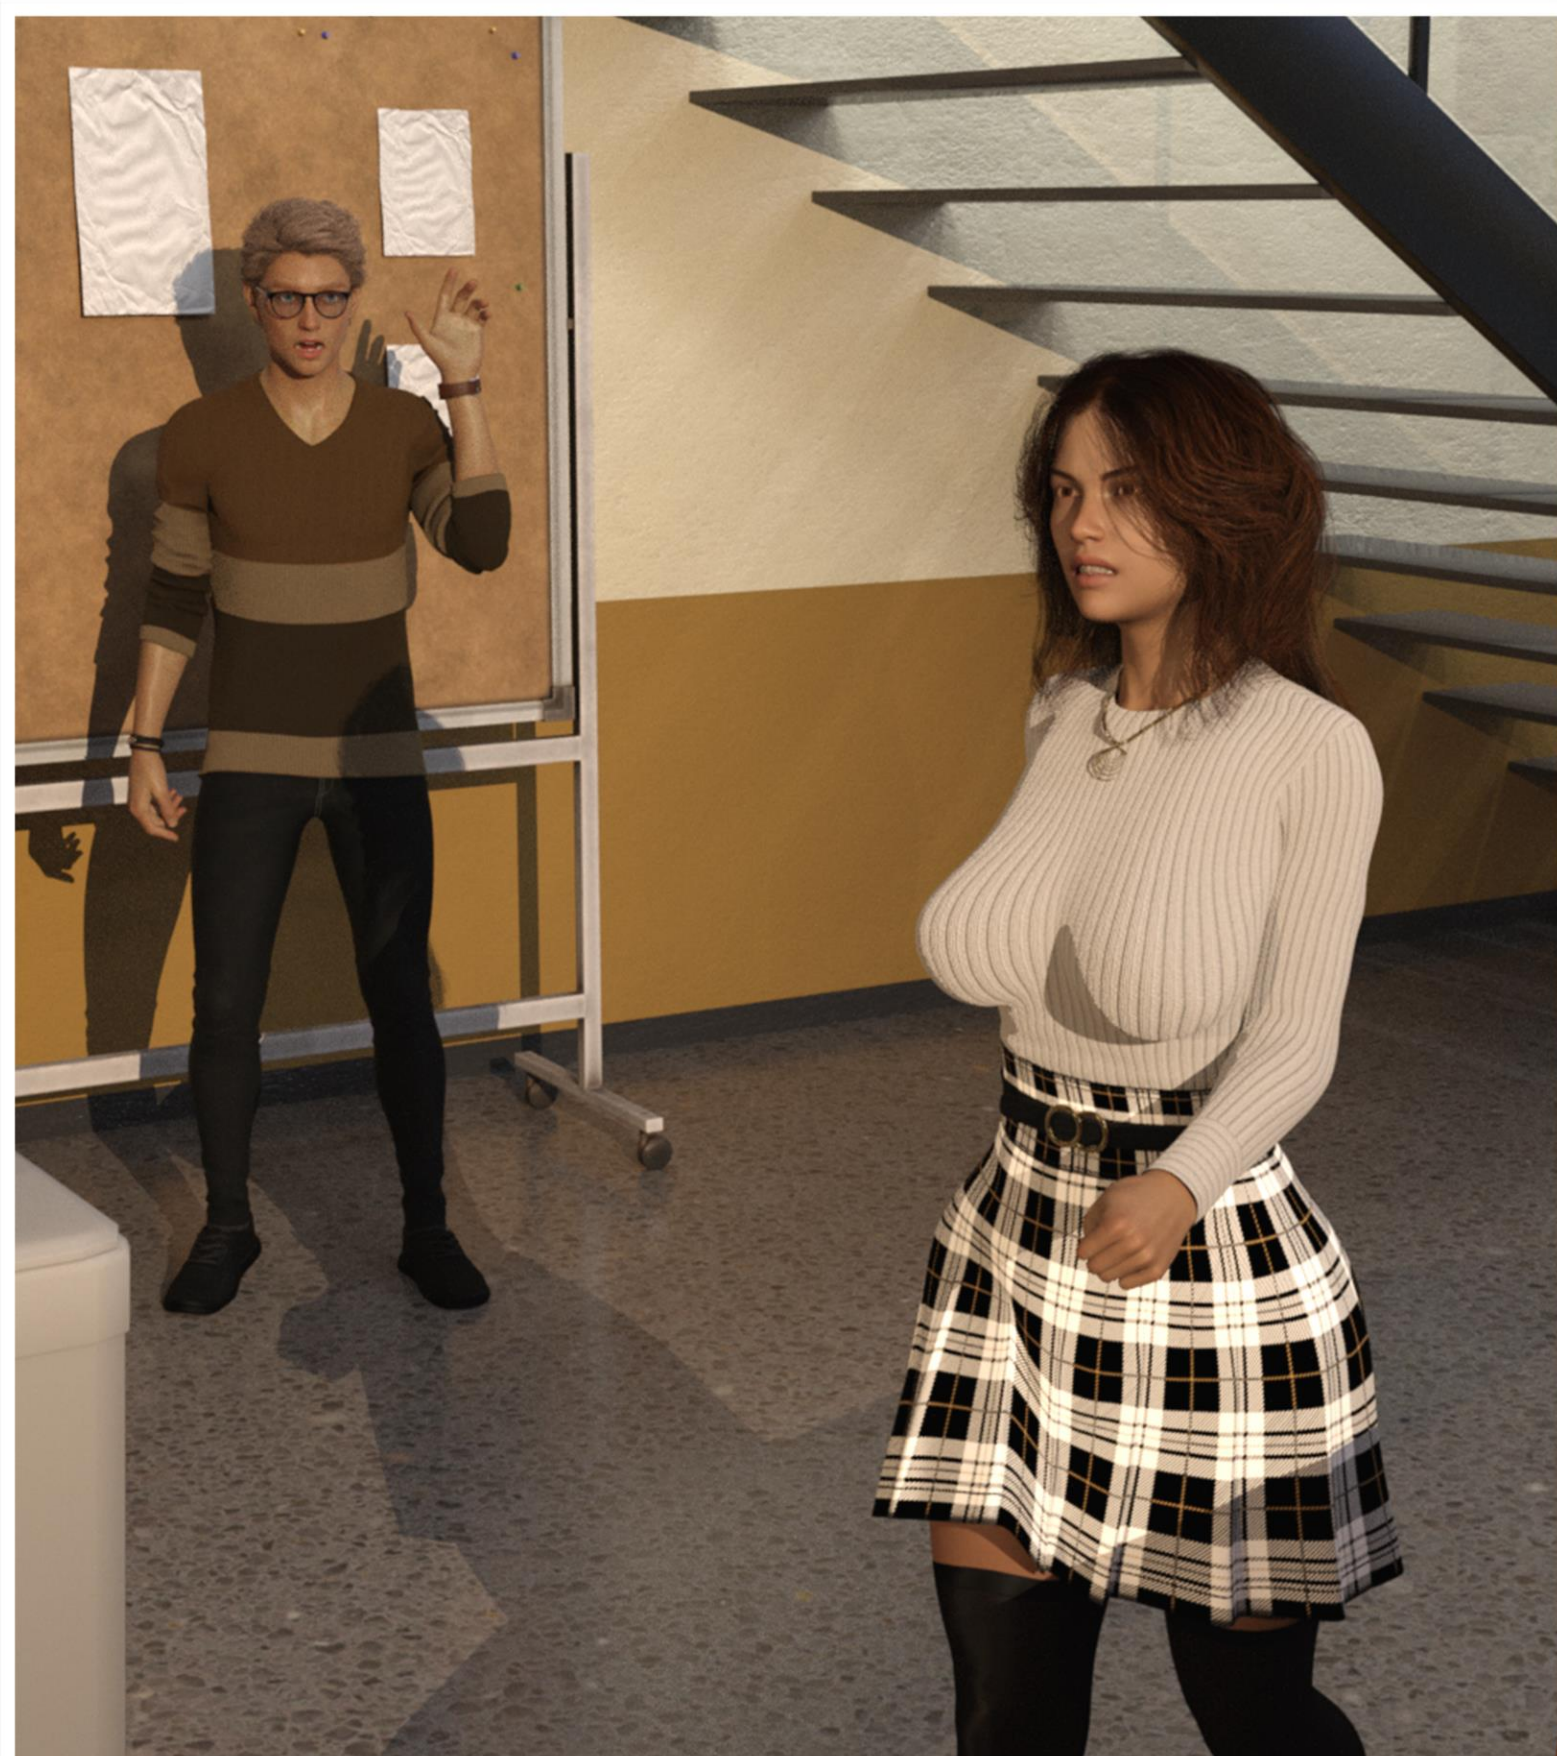

This man went missing two days ago. If you see him please contact us at the university newspaper so we can sync up with the police and bring him back to his loved ones.

Do not approach him! He's mentally unstable and might get violent when pushed.

As I stand here by the board, Lana walks by.

I'm about to shout after her to greet her, but at the last moment I notice her angry expression and I decide against it.

She's walking straight towards Stephany and Gina, the two cheerleaders, talking over there... That can't mean anything good...not considering what I told her the other day...

Look who's back...

Lana?

Stephany!

Oh, hey, Lana.  
Welcome back...  
Your arm...

Your arm...  
is fine again?

Yeah, it's  
healed. No  
thanks to  
you!

What are you trying to instigate here, Lana?

...

You know damn well!

You set this up!

You made me fall!

Maybe I should try and cheer her up?

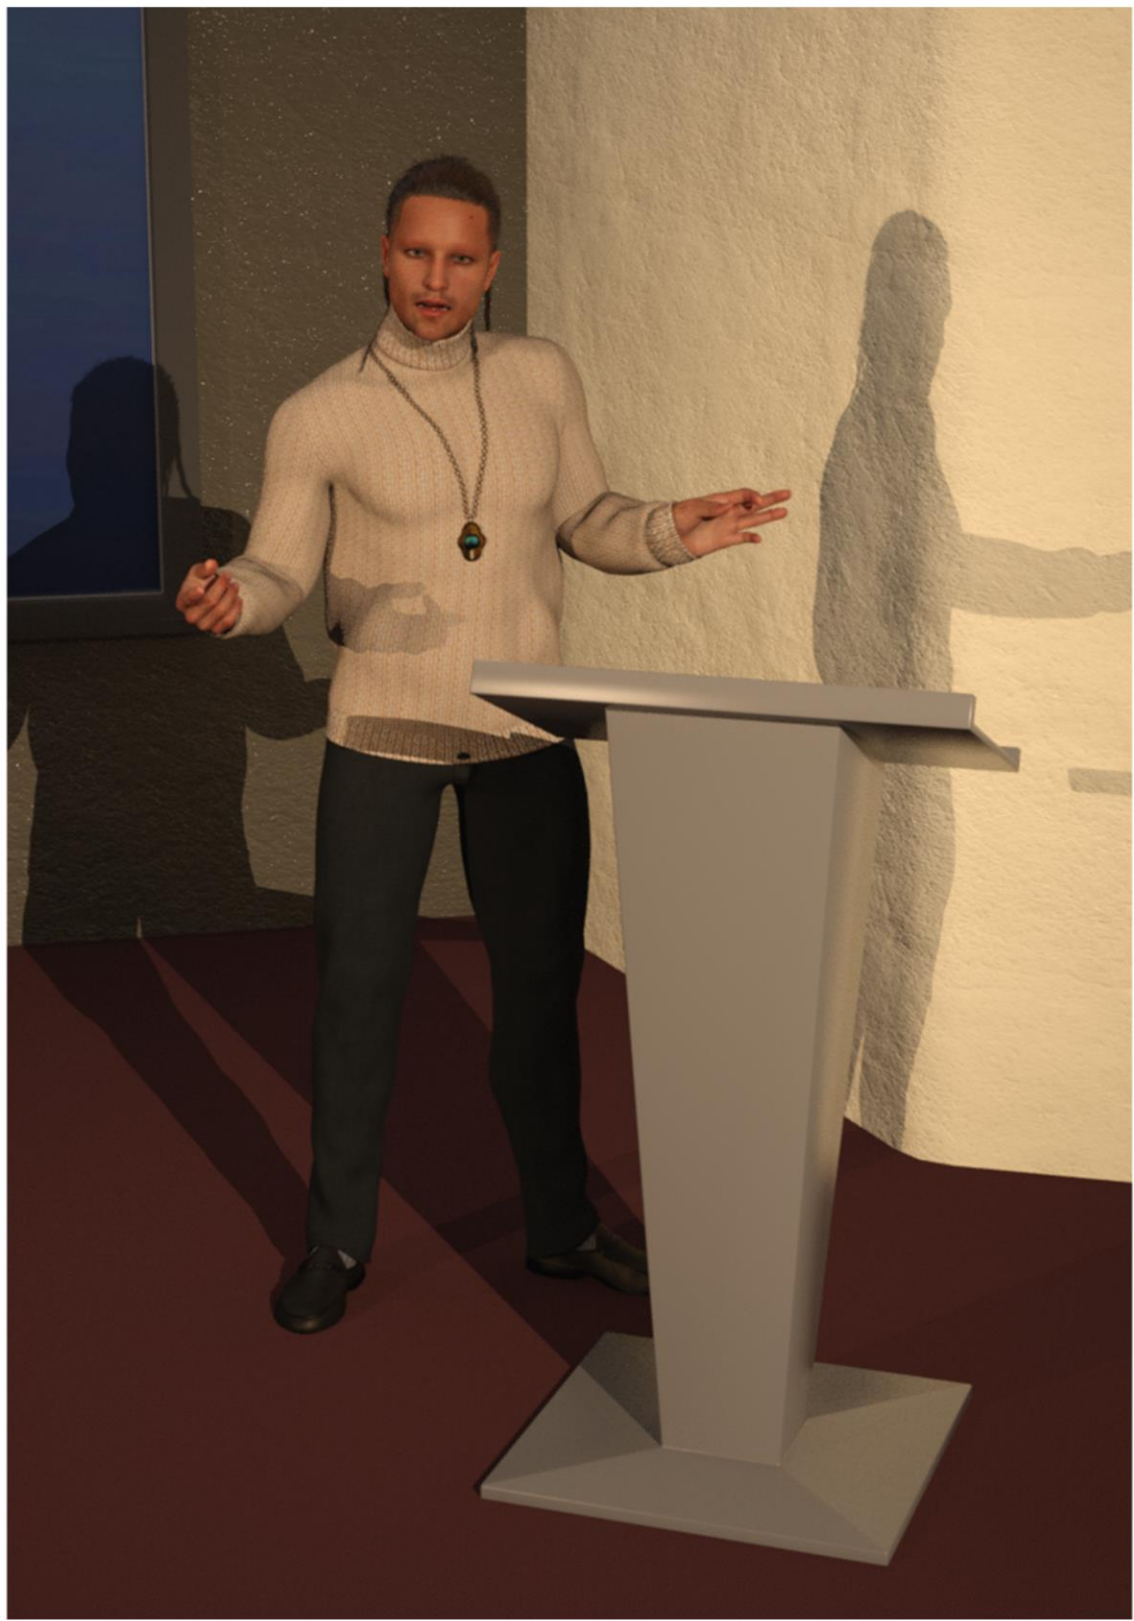

But just as I want to approach her Lana quickly walks off...

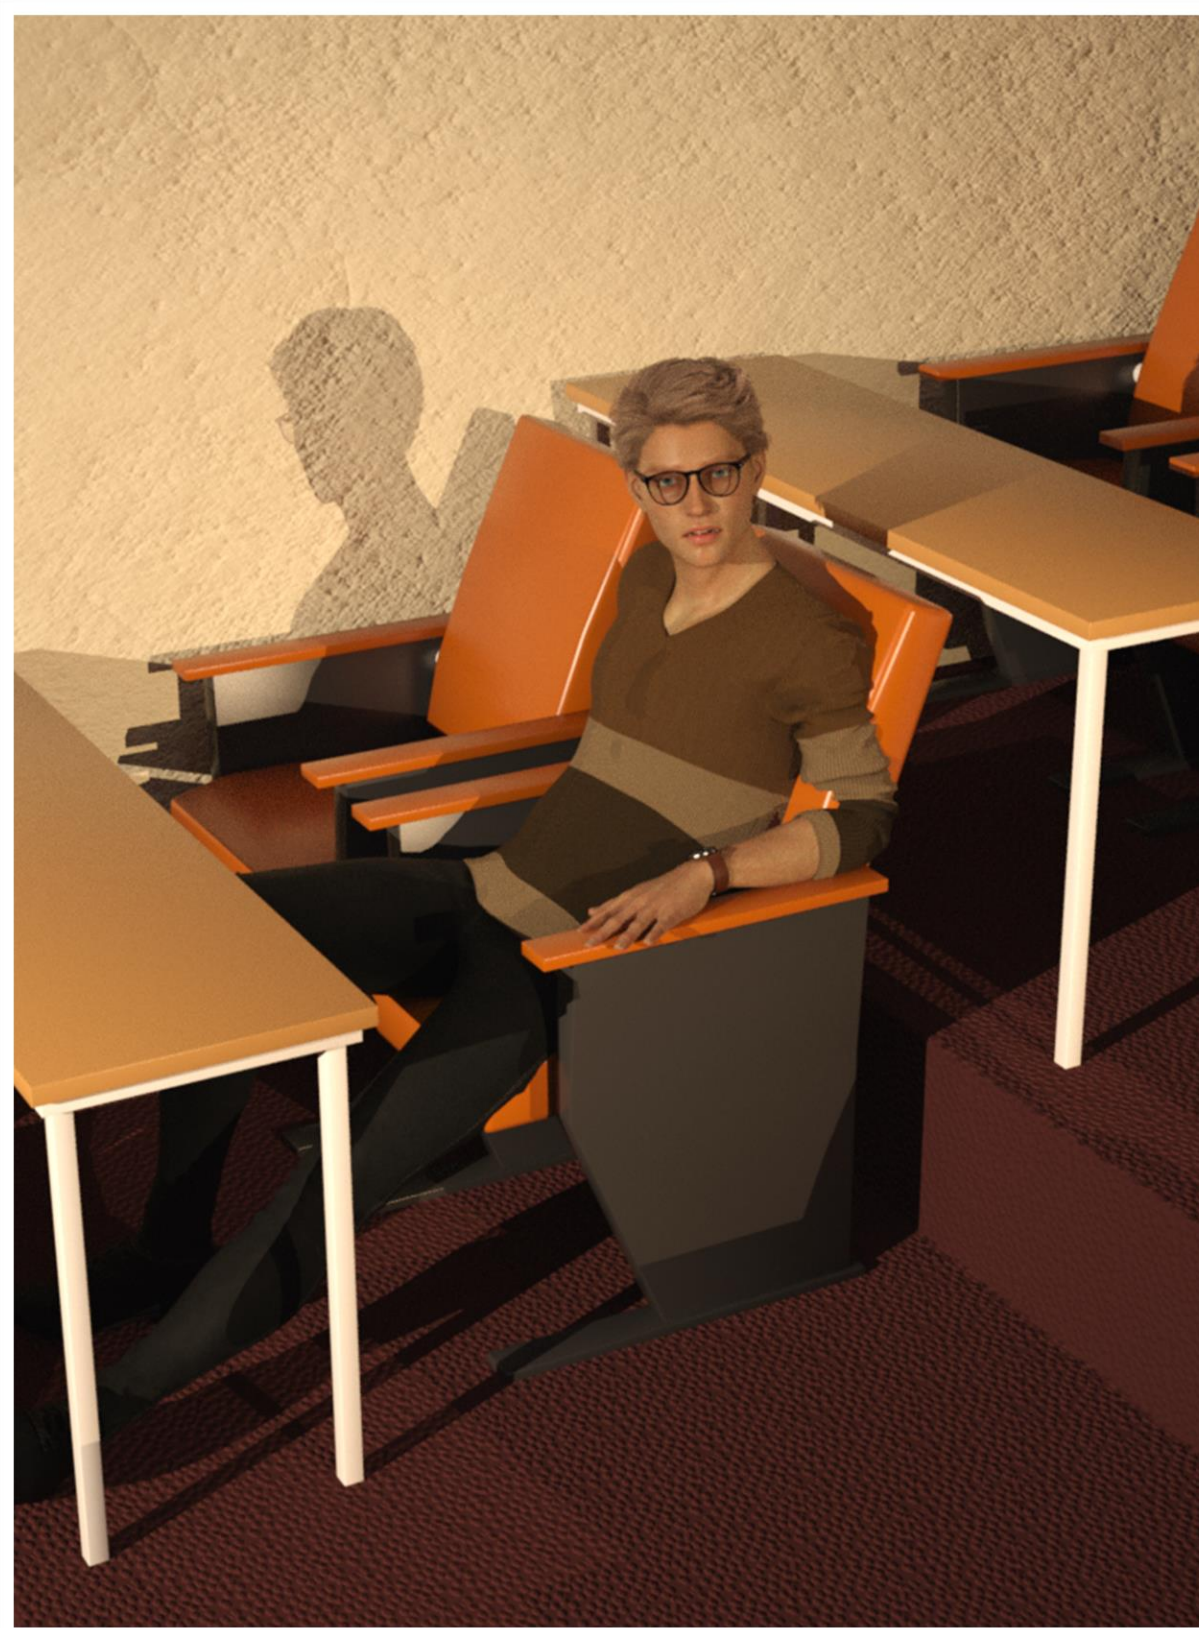

And I decide to walk into the auditorium for my lecture.

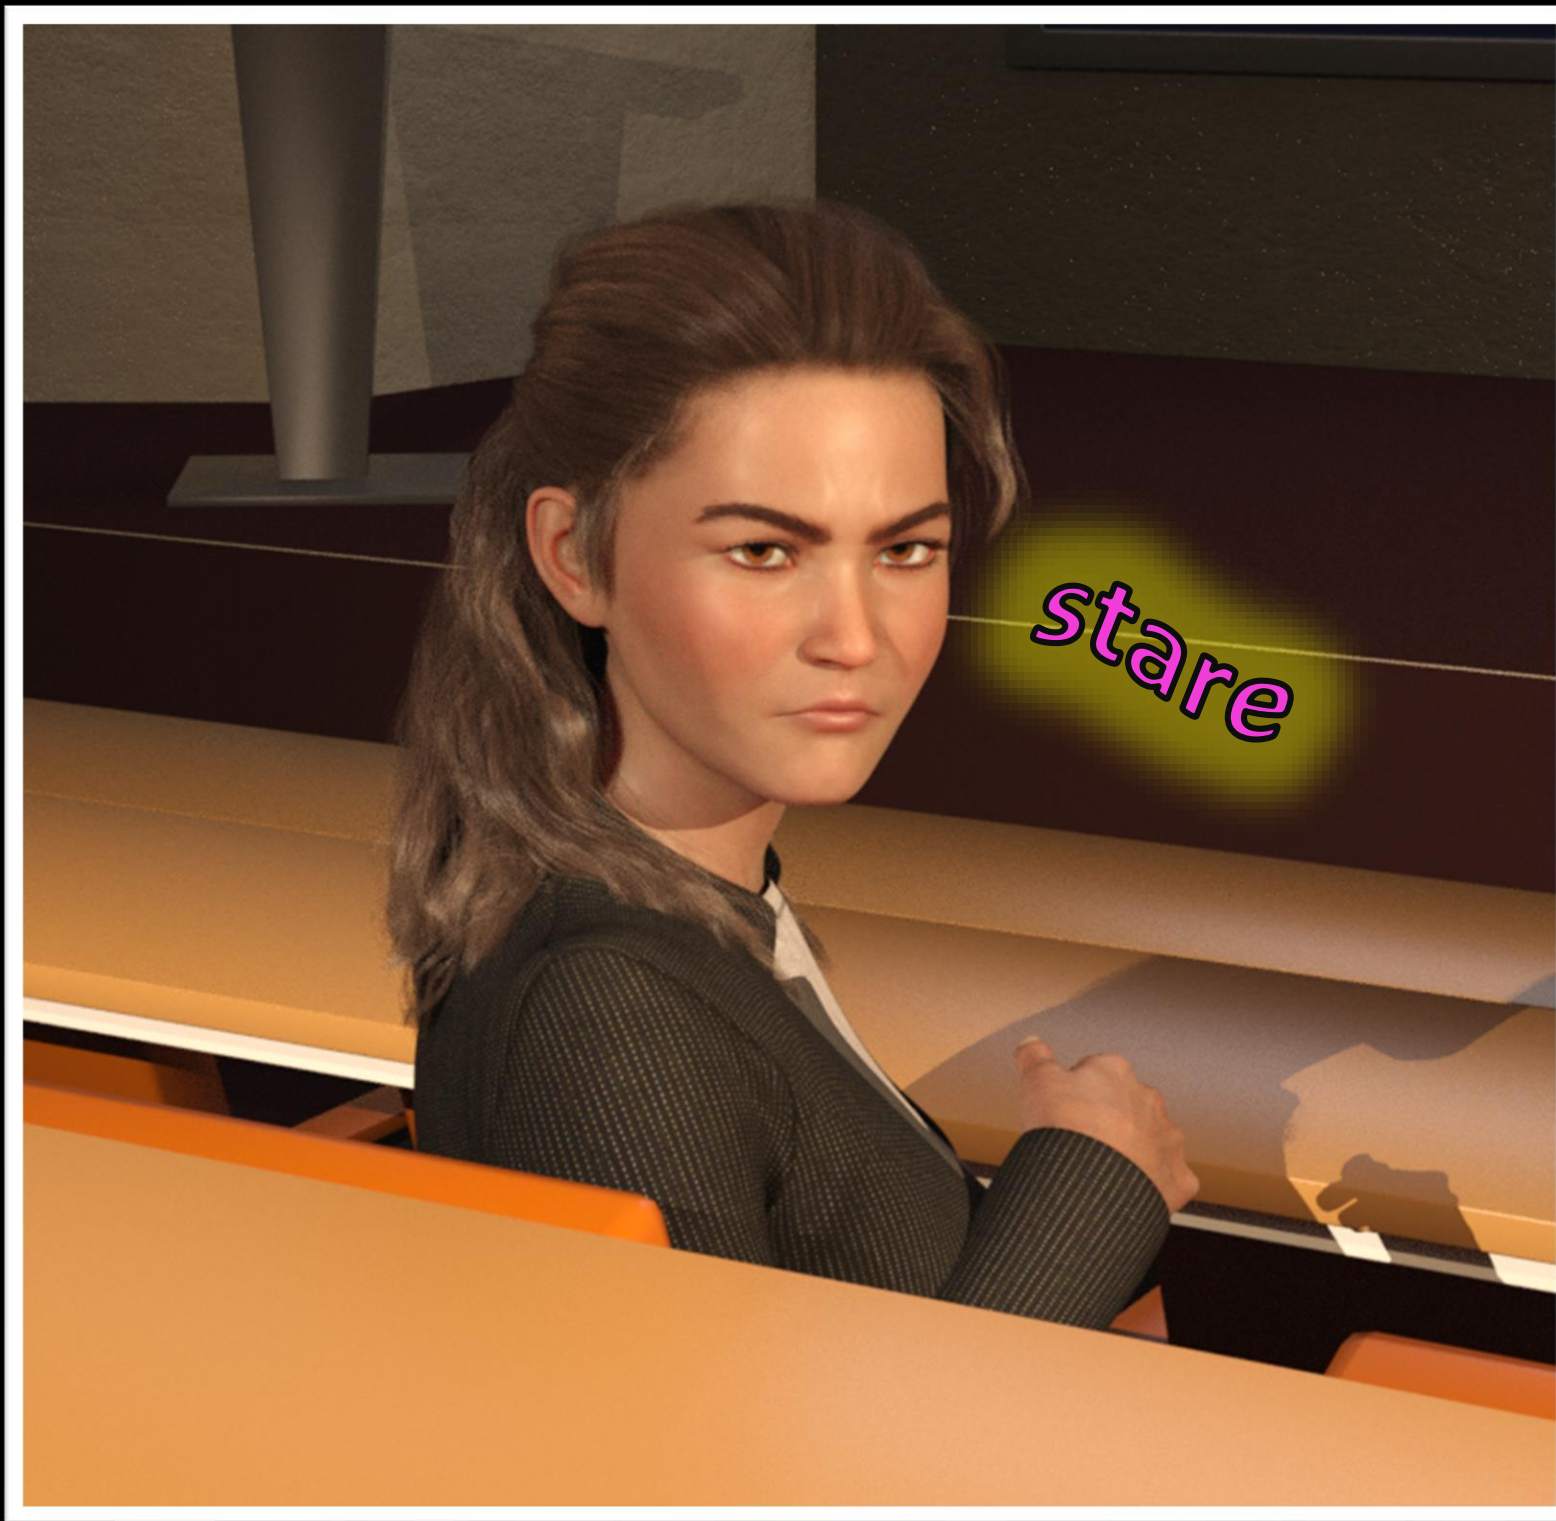

The lecture has already started. Prof. Harrison is in the middle of talking passionately about his favorite topic.

I sit down quietly, trying not to interrupt the lecture... But once I sit... I can't shake the feeling that I am being watched...

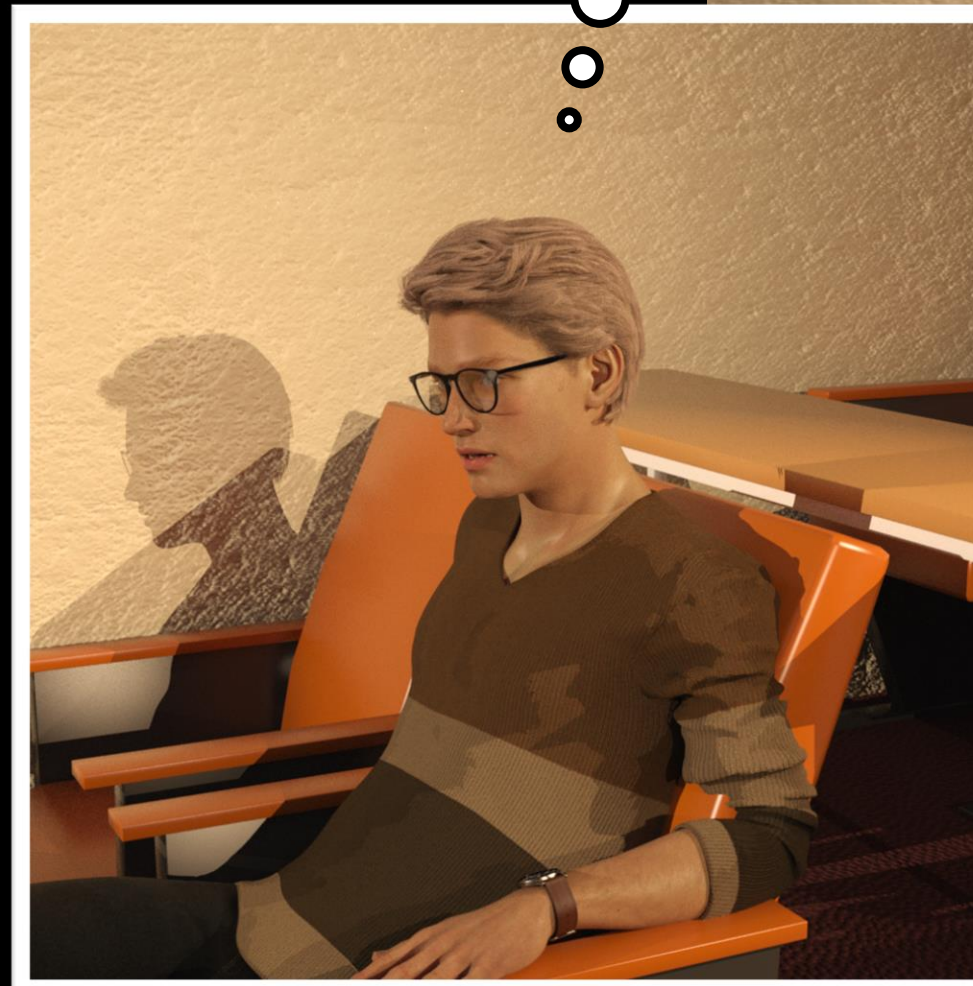

It's Liz?

Liz is staring intensely at me...  
Is this about the kiss?

I should talk  
to her after  
the lecture...

But for now, I try to focus on the lecture...

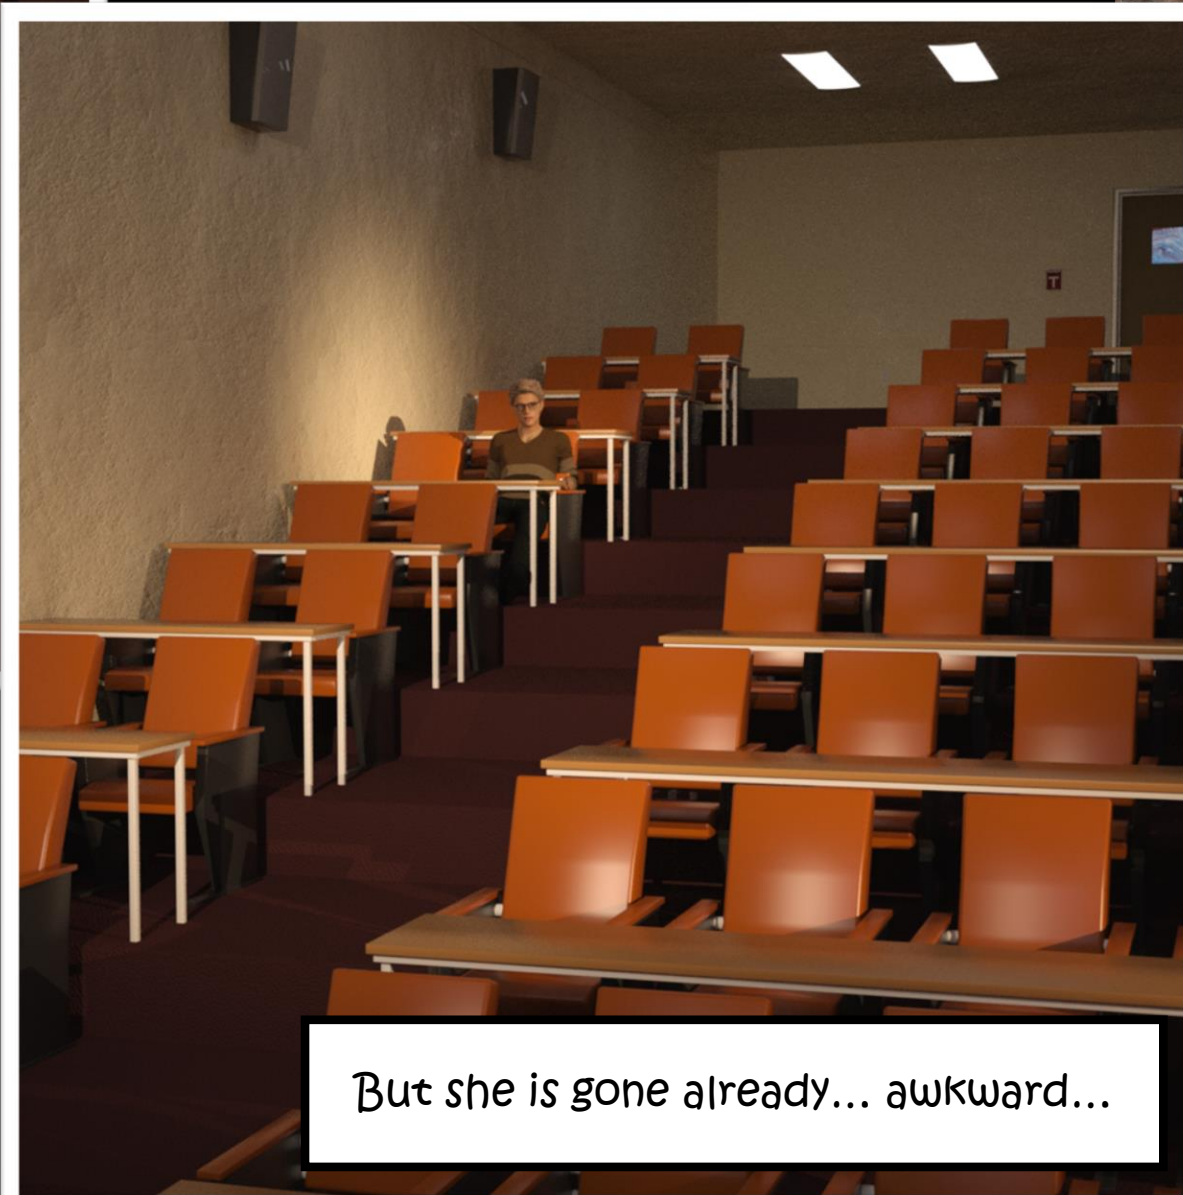

The lecture is quite interesting, and I gotta admit it's relaxing just sitting here and listen to Prof Harrison instead of worrying about demons and magic...

When the lecture is over I want to speak with Liz...

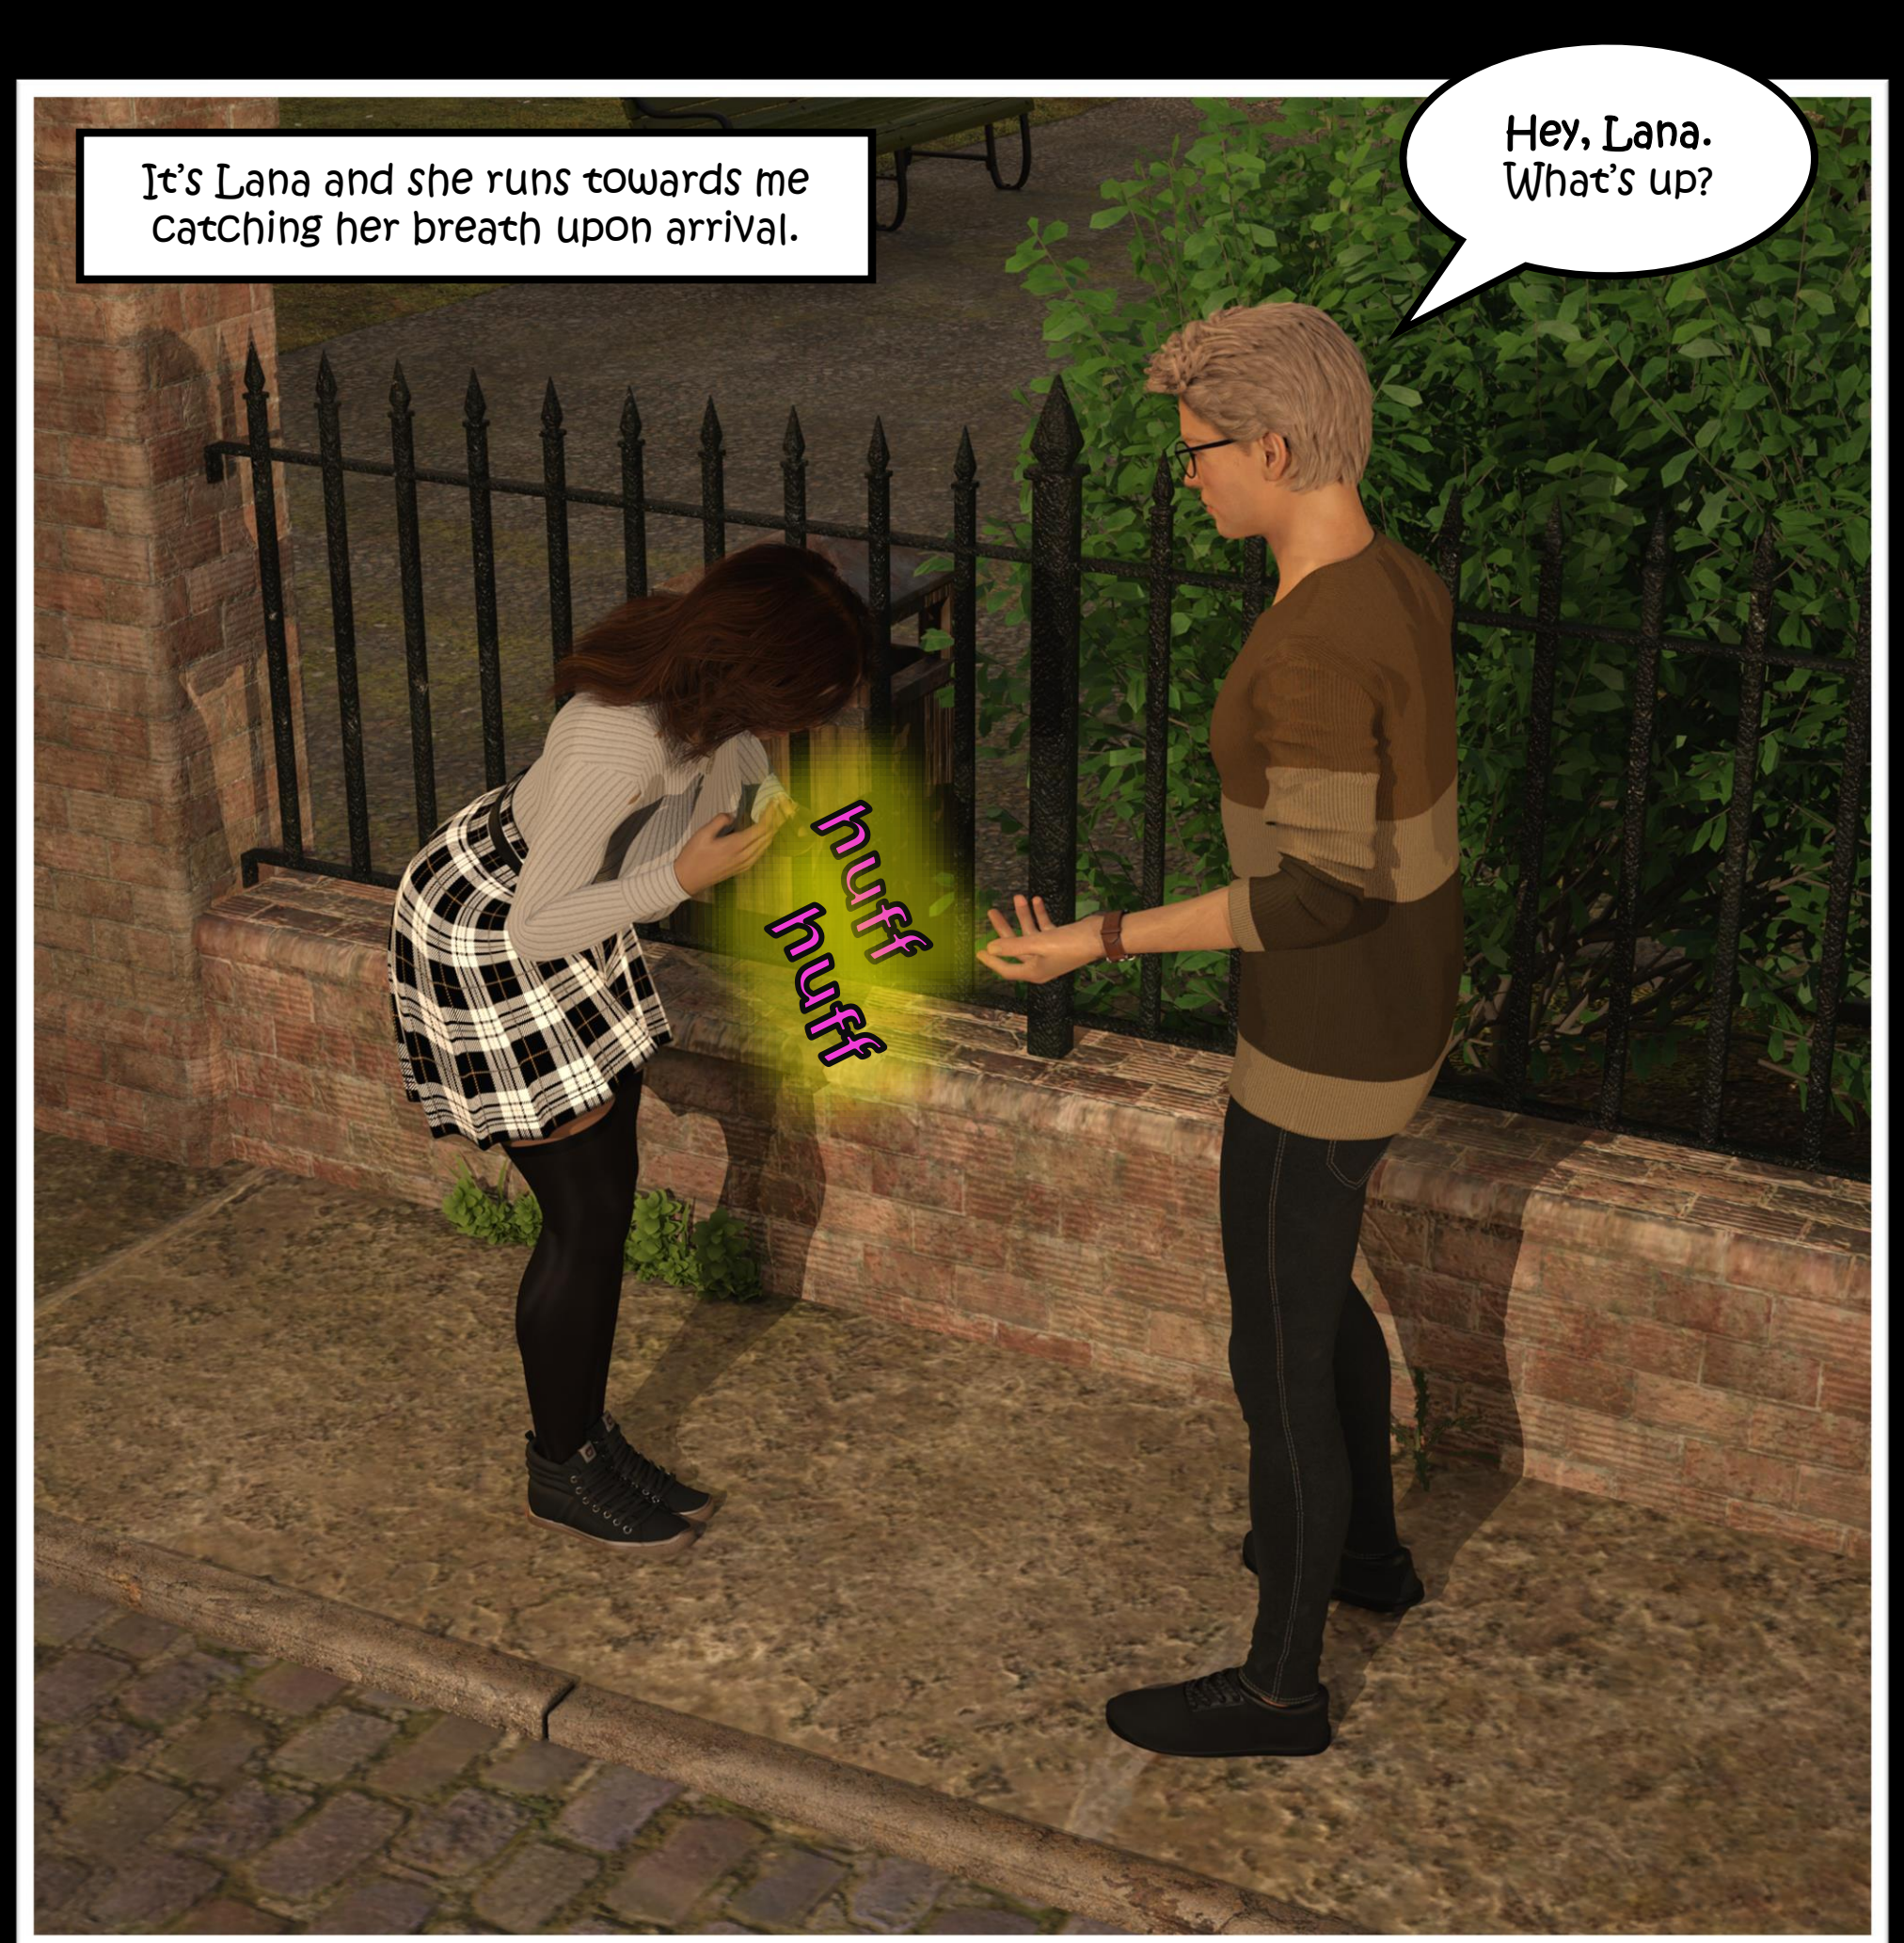

But she is gone already... awkward...

And so, I'm just on my way to the bus station to get back home when I hear somebody call out to me...

*\*Huff\* \*huff\**  
I'm glad I caught  
up with you.

Okay... hey..  
Wow. Your arm.  
You seem to be  
doing better?

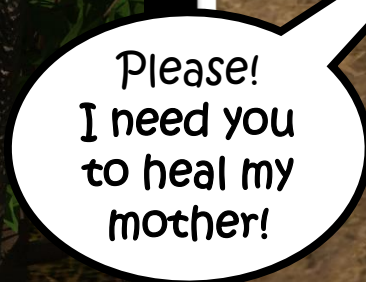

Oh, don't gimme that! You know exactly what's going on!

Shit!  
Well, what was I thinking healing her... She's a smart girl...

I... don't know what you are talking about...

It was a spur of the moment... I'm not supposed to use these ... powers in public.

And I wouldn't know where to start... Your mom's not physically hurt...

That was... different.

All I can ask  
is for you to  
try...

I can't lose  
her as well!

Please, Mika!  
I lost my  
father when  
I was little.

Shit!  
I don't want  
to see her  
cry...

But Lana  
already knows  
now anyway...

Still... I have no  
idea... if I can do  
anything to help  
anyway...

Lana stops my talking by  
pressing her lips upon mine.

It feels wrong to get a reward  
for something I might not be  
able to do...

But her lips feel so nice, I  
accept them and kiss her back.

After that... we start walking  
to Lana's place...

Heal a  
sickness of  
the mind...

rustle

Will  
Medeo  
work?

Shortly later...

Lana lives close by the university,  
so it does not take us long...

Mom!  
I'm home!

Man, I  
hope this  
works...

My mom  
probably laid  
down. Follow  
me upstairs.

Lana's house, if you can even call it that, is smaller than the flat I'm sharing with Barbara... So, when Lana says "upstairs" she's climbing up a ladder...

Sure...

The ladder leads up to a small alcove that barely fits a double bed... I guess that's where both of them are sleeping. Lana really hasn't it easy...

I brought Mika over.

He'll help you.

Hello, Mrs. Hopkins.

In the bed, Lana's mother lies...

But she seems unresponsive - staring into nothingness.

Lana stands up and makes room for me. I get on the bed next to Mrs. Hopkins and address her...

Mrs. Hopkins. I will now touch your forehead. Is that alright with you?

But Mrs. Hopkins just stares ahead – not responding...

So, I look at Lana for confirmation...

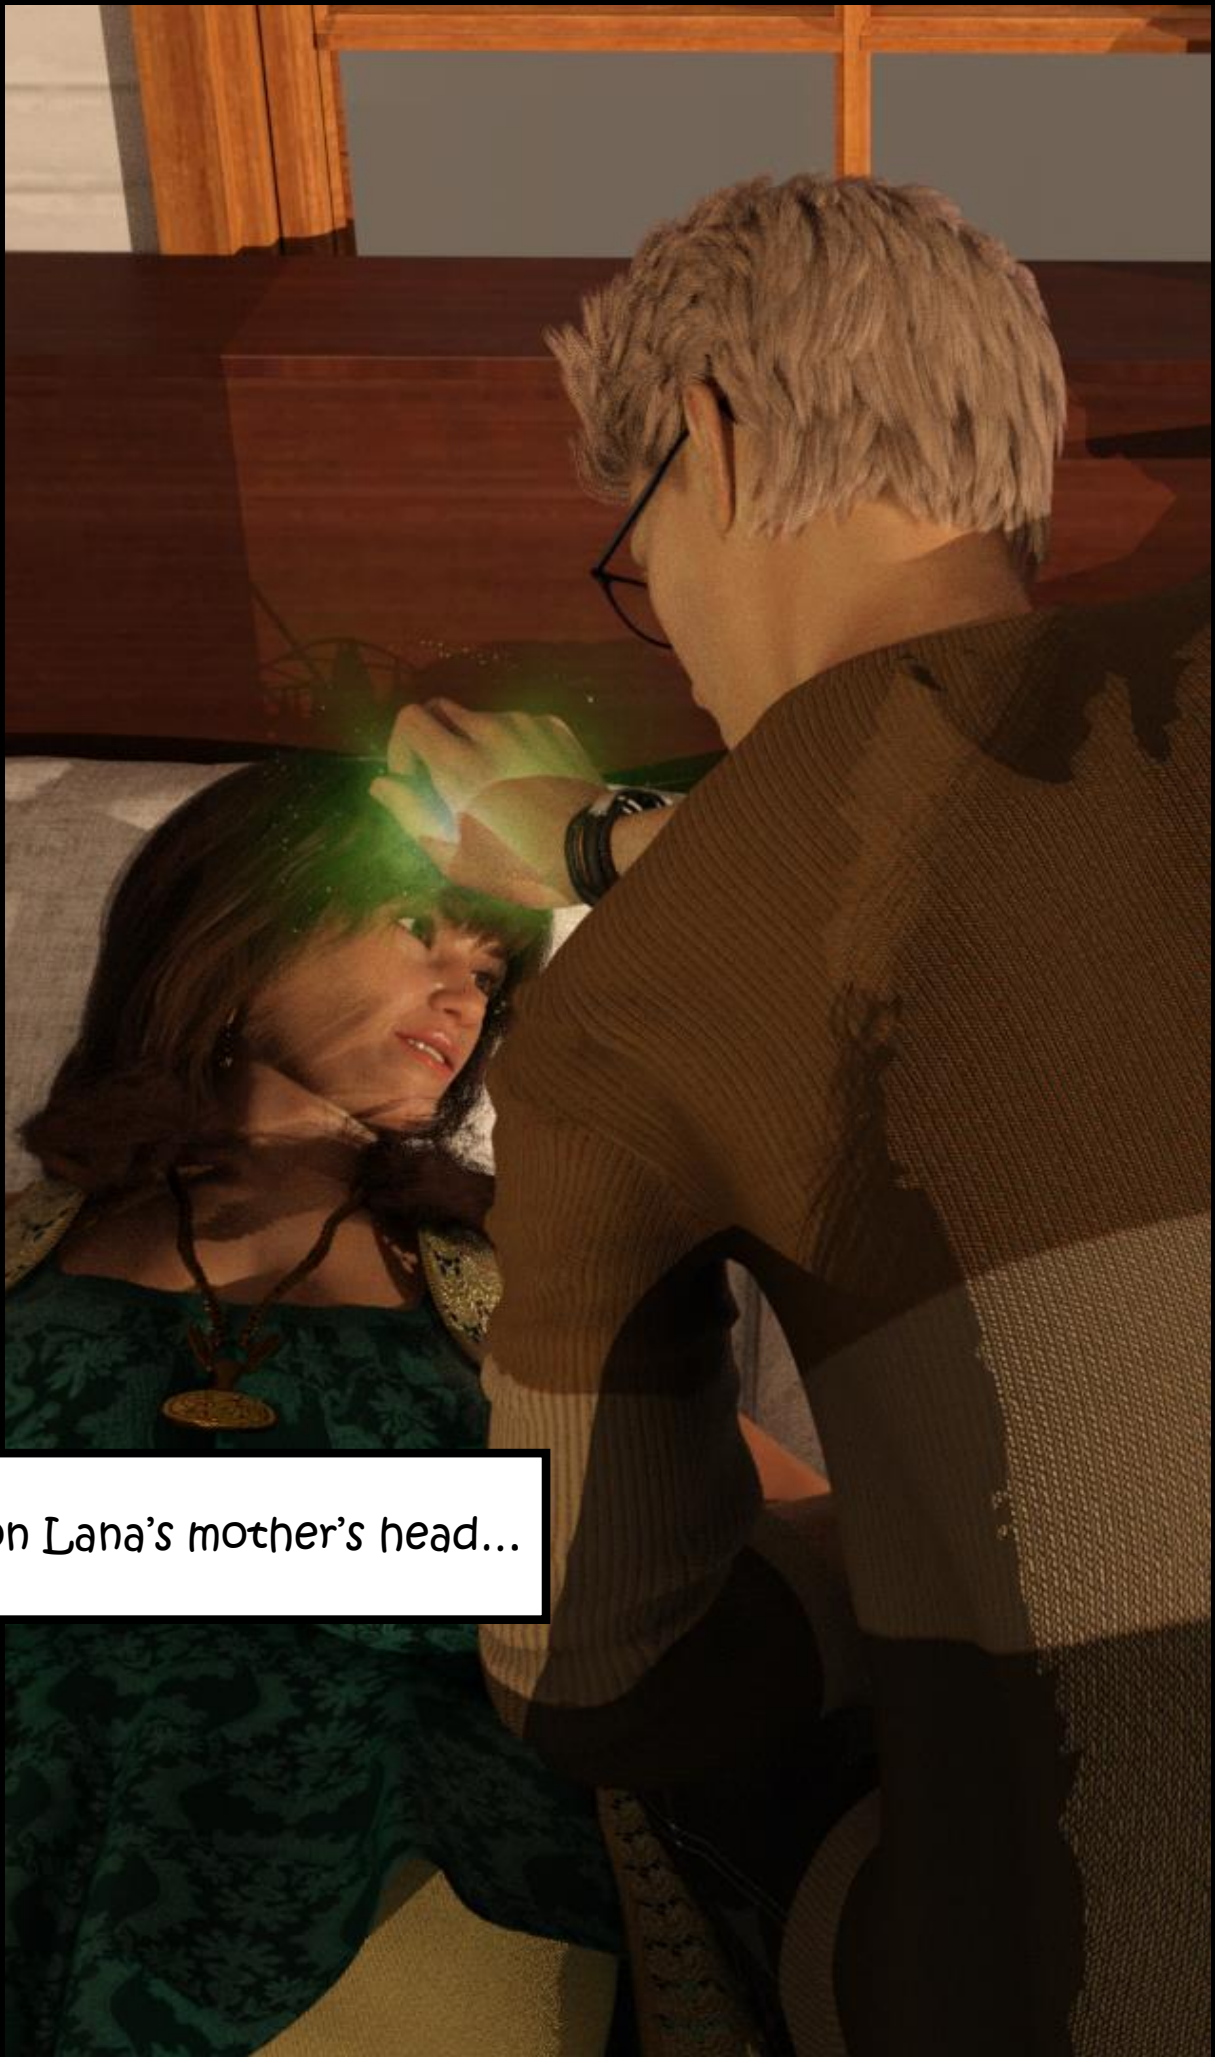

Please, do.

I cast the Medeo spell on Lana's mother's head...

I try to discern anything wrong ...

I try several  
times...

*Medeo!*

But the spell always returns the same result...  
telling me all is fine with Mrs. Hopkins' head...

Please work.  
Please work.  
Please...

I'm... no  
good at  
this...

My magic... is  
not working  
here...

Lana breaks out into tears... I try to console her, but she asks me to leave saying she wants to be alone... So, I leave... I guess I'm really bad at consoling girls...

I hated leaving Lana like that... I hated being so weak...

I want to help her!

And there is somebody that might help me with that!

Somewhere else in town...

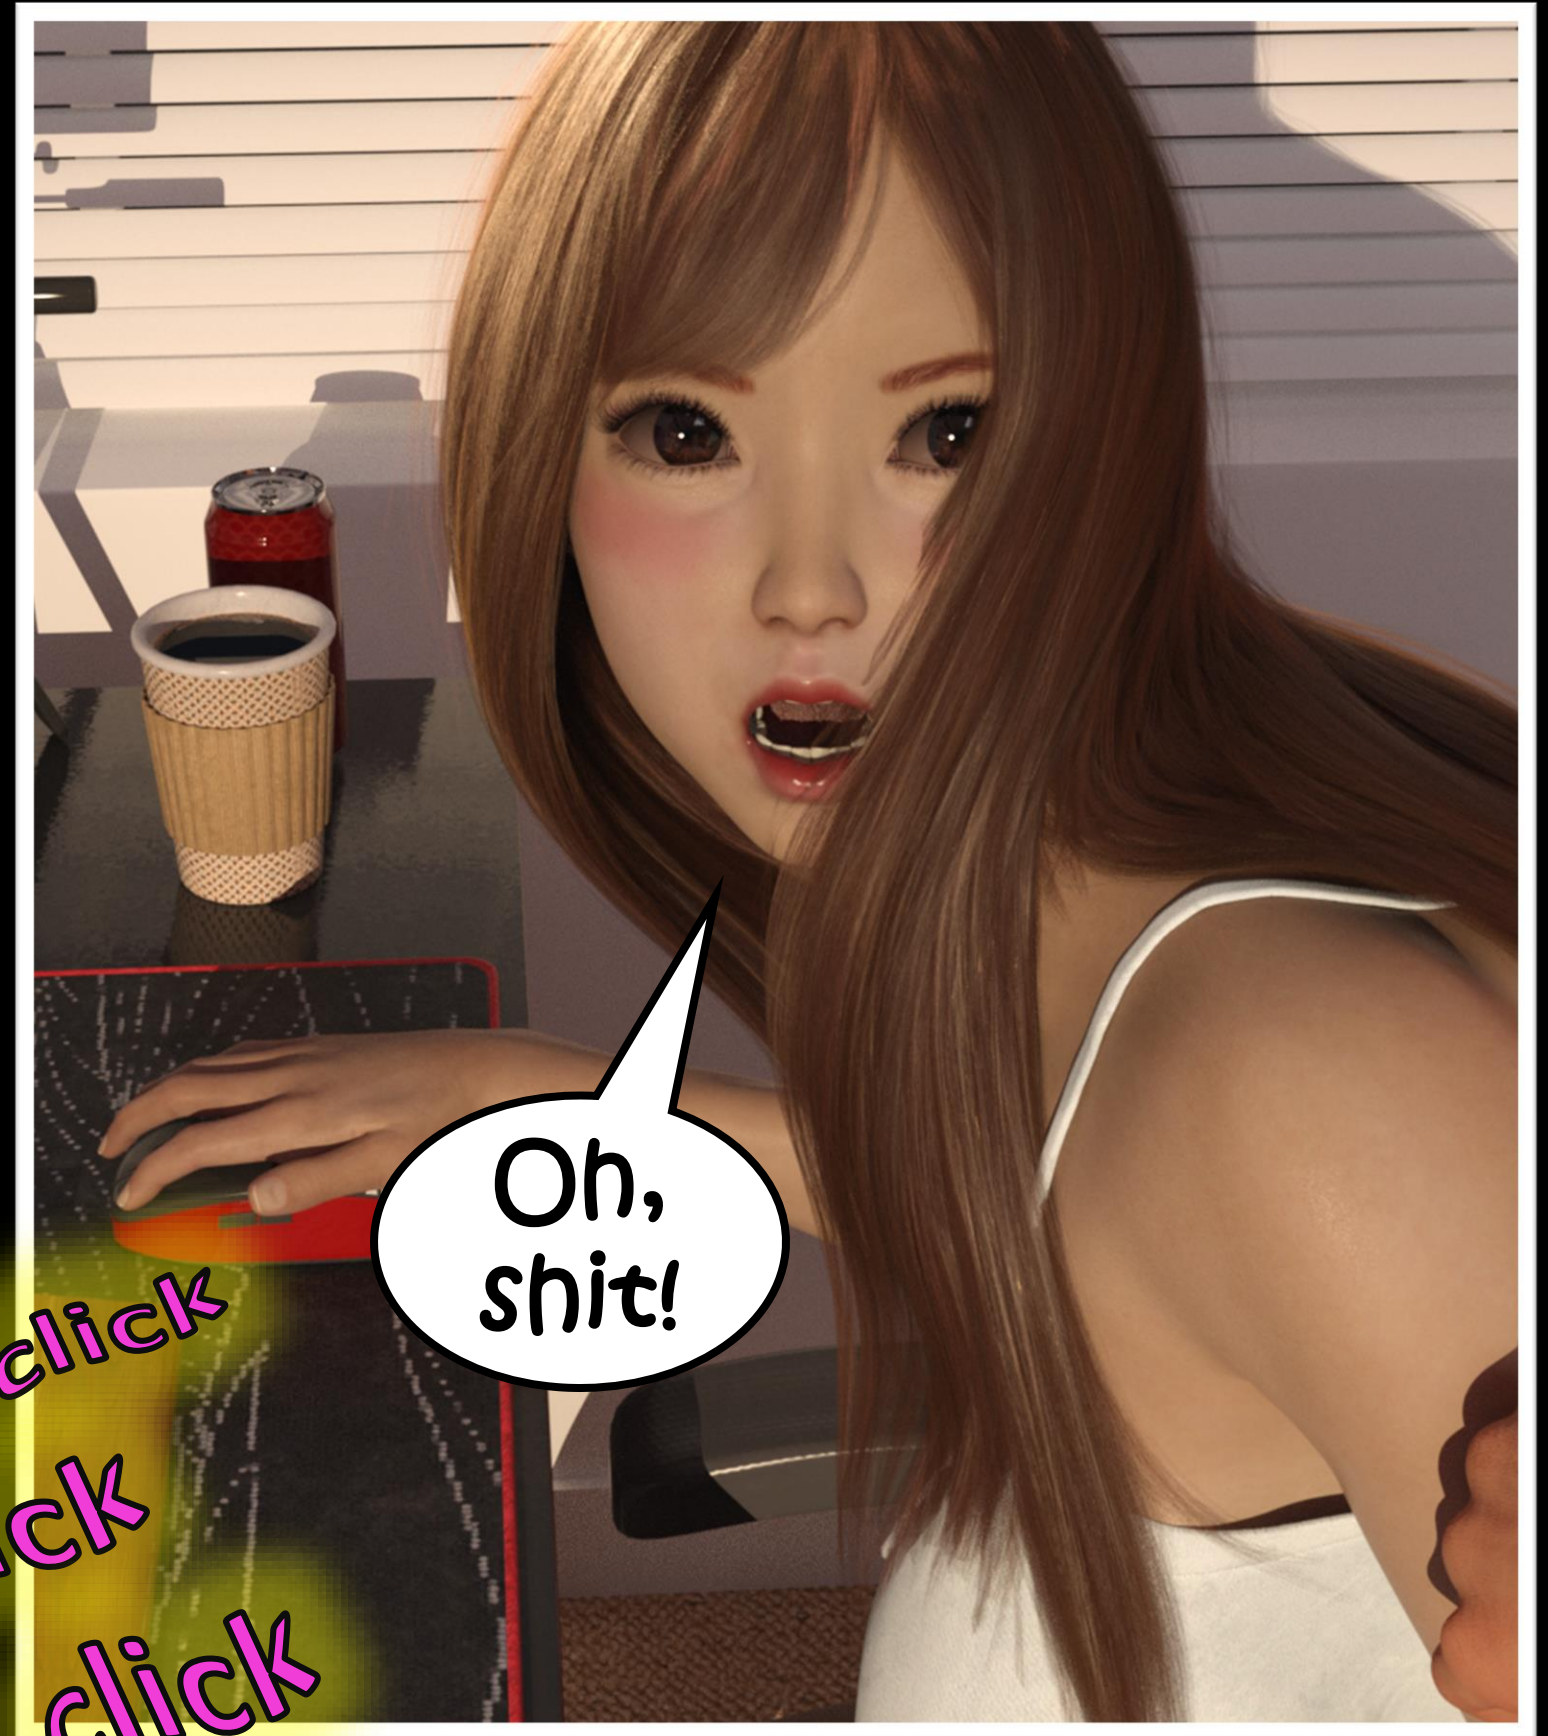

What the!!

Oh,  
shit!

What are  
you... **Woah!**  
Your eyes...

As Kim's eyes glaze over under the Ocavum spell, her facial expression goes from surprised to blank in a matter of a few seconds and she's awaiting her Master's command.

I hear and  
I obey.

Go down  
on me!

Yes,  
Master.

Dutifully Kim fishes Harry's  
cock out of his trousers...

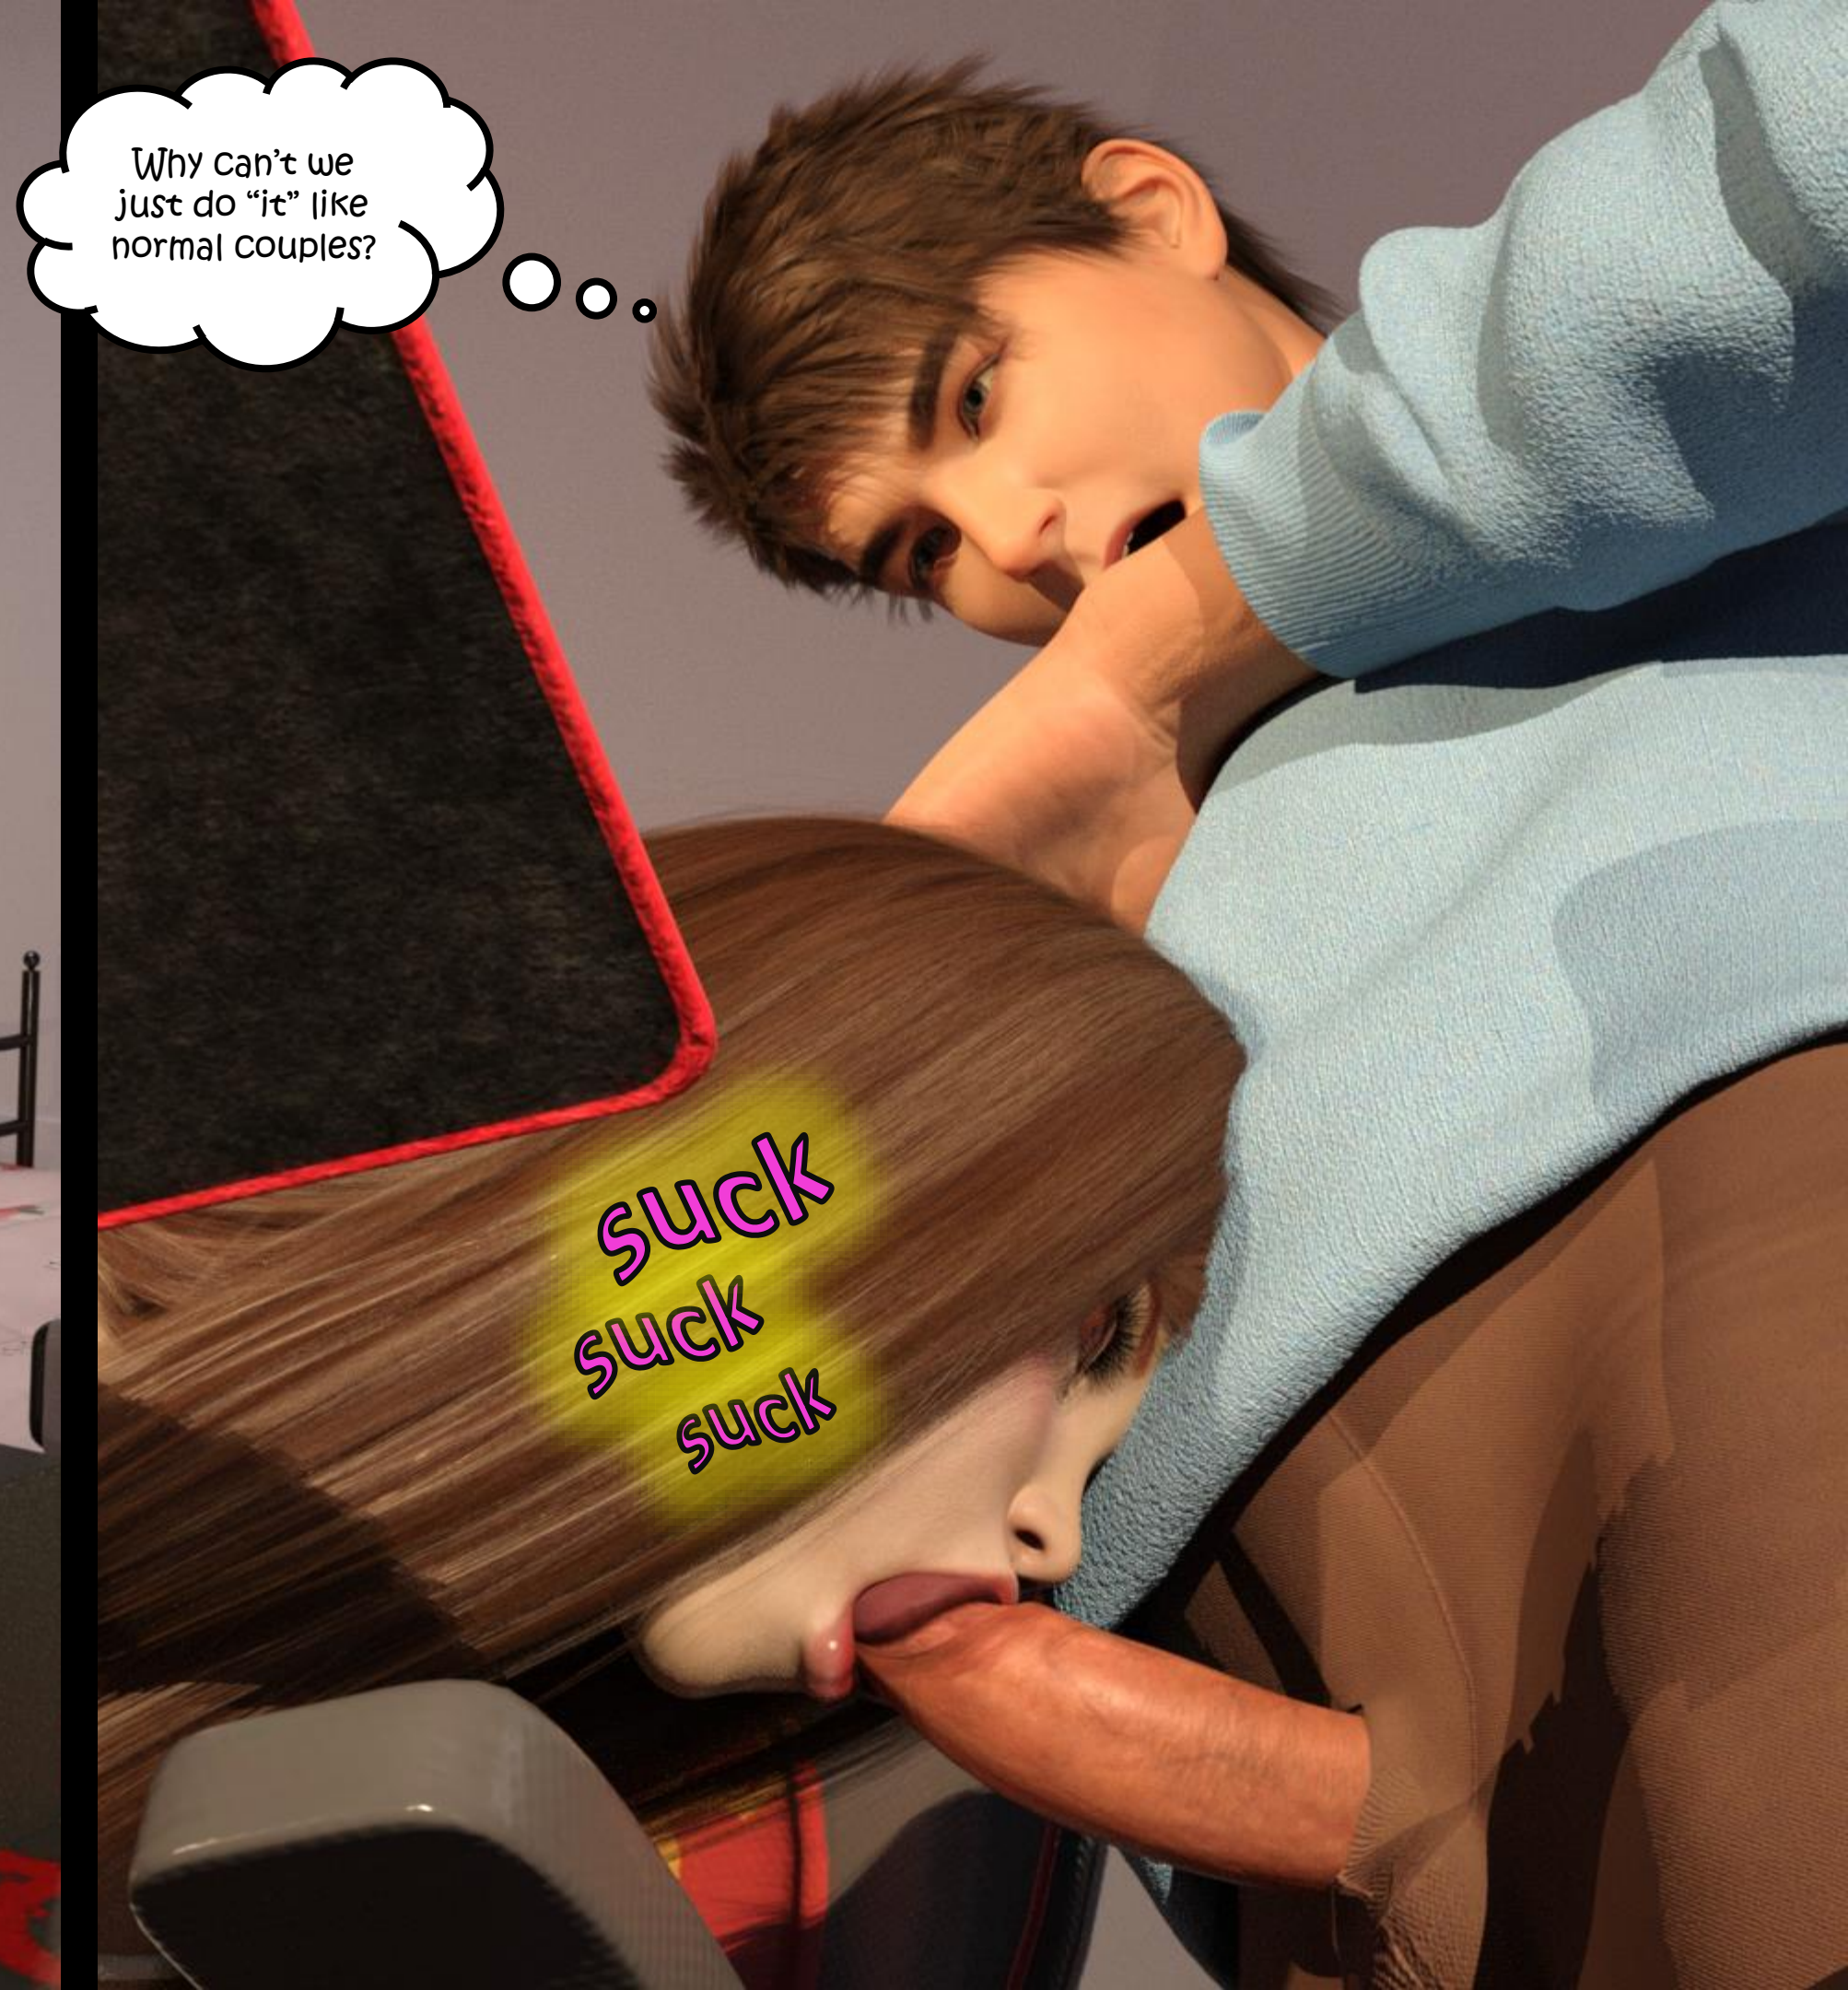

Oh, yeah,  
baby. Just  
like that.

And starts sucking  
it with rhythmical  
monotone motions.

Groan

suck  
suck  
suck

Under Kim's obedient service,  
Harry's senses soon are  
overloading and he is ready to  
shoot his load...

With Kim's dirty talk it only takes  
a few more strokes...

Give me  
that white-  
gold baby  
butter!

... and Harry's cock explodes  
under the pressure releasing...

Gimme  
it!

squirt

A rather unimpressive amount that drops  
down far before it can reach Kim...

Oh,  
Master.

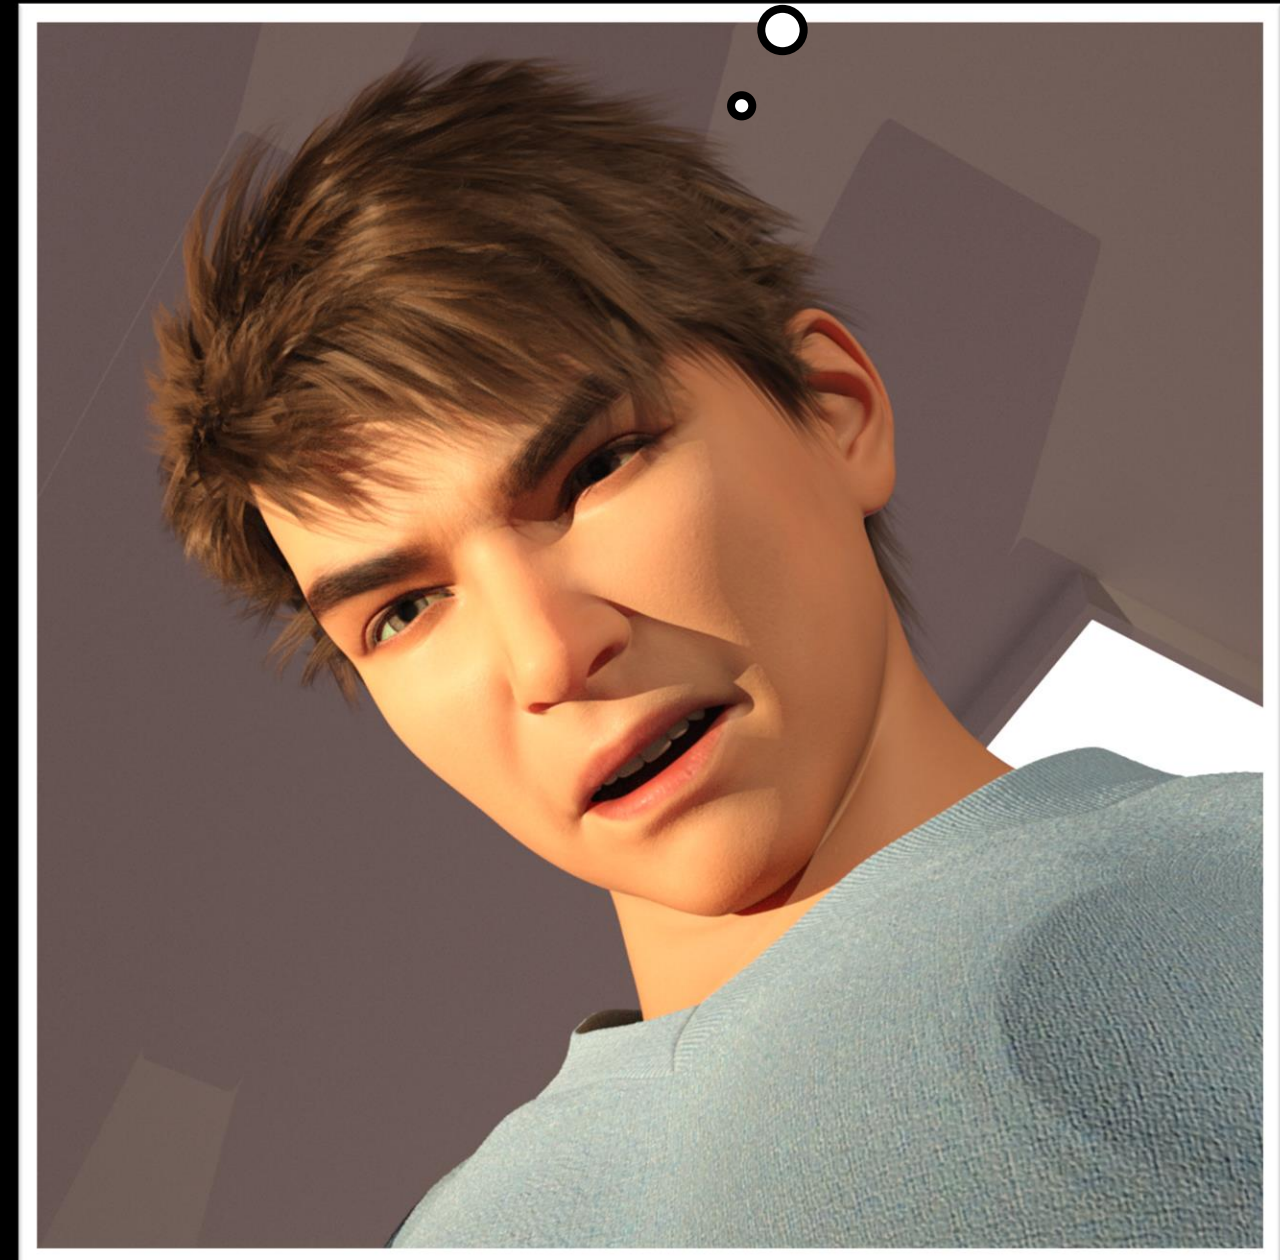

What a  
load...

Shuddup!

Damn it!  
I wish I could  
shoot like those  
guys in porn!

After cleaning Harry's cock, Kim dutifully lowers her head even further and starts lapping up the cum that has fallen down onto the armchair.

lap

Good  
girl!

Now let's see  
what you were  
watching  
there...

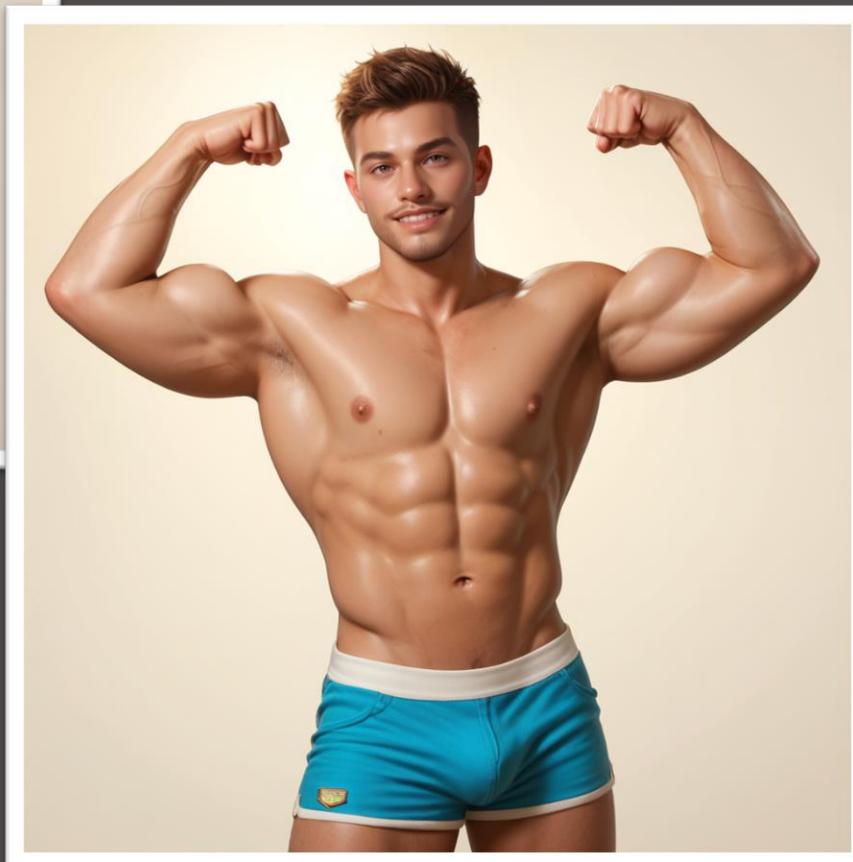

*slurp*

Kim had opened a site with lots of very muscular guys who seem to be packing in their lower region as well...

See Him Flex!

Oh, my!

And like that, Harry leaves Kim place...

Leaving his entranced girlfriend to her own devices...

It takes a while longer...

Before the spell fades and Kim wakes up again...

Uhhh...  
I feel  
strange...

And what's  
that weird  
taste in my  
mouth?

What was I  
doing again?

Oh! Right!  
Horny!

Damn!  
Look at  
those abs!

And that  
huge...  
banana!
